NOTES :

1. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on a Poll instead of himself and the proxy need not be a member of the Company. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. In case, a Proxy is proposed to be appointed by a member holding more than 10% of the total share capital of the Company carrying voting rights, then such Proxy shall not act as a Proxy for any other person or member.

The Instrument appointing proxy should, however, be deposited at the Registered Office of the Company duly completed and signed not less than forty-eight (48) hours before the commencement of the meeting.

2. A Statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business under Item No .4 and 5 of the Notice to be transacted at the Annual General Meeting is annexed hereto.
3. Corporate members are requested to send board resolution duly certified, authorising their representative to attend and vote on their behalf at the Annual General Meeting.
4. Members who hold shares in dematerialised form are requested to write their DP ID AND CLIENT ID numbers and those who hold shares in physical form are requested to write their Folio Number in the Attendance Slip for attending the meeting to facilitate easy identification of membership at the meeting.
5. Members holding shares in dematerialised form are requested to intimate any change in their address, bank details, ECS details etc. to their respective Depository Participants and those holding shares in physical form are to intimate the said changes to the Registrar and Transfer Agent of the Company, at their address given below.
6. The Share Transfer Books and the Register of Members of the Company will remain closed on Wednesday, 2nd March, 2016, as an Annual Closure for Annual General Meeting.
7. Equity Shares of the Company are under compulsory demat trading by all investors. Those shareholders, who have not dematerialised their shareholding, are advised to dematerialise the same to avoid any inconvenience in future.
8. Brief Profile of Directors proposed to be appointed / re-appointed, names of companies in which they hold directorships and memberships / chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under Clause 49 of the Listing Agreement / Listing Regulations 2015 with the Stock Exchanges in India, are provided in the Report on Corporate Governance forming part of the Annual Report.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in dematerialised form are therefore requested to submit their PAN to the Depository Participants with whom they are maintaining the demat account. Members holding shares in physical form can submit their PAN details to the Registrar and Transfer

Agent of the Company, at their address given below.

10. The Ministry of Corporate Affairs (MCA), Government of India, had taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and had issued circulars stating that service of notice / documents including Annual Report can be done by e-mail to its members.

To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of dematerialised holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested submit the same to the Registrar and Transfer Agent of the Company i.e. Link Intime India Private Limited, Block No. 202, 2nd Floor, Akshay Complex, Off Dhole Patil Road, Pune - 411 001, (Maharashtra), Telephone No. 020 2616 1629 / 2616 0084.

The Notice of the Annual General Meeting along with the Annual Report 2014-15 is being sent by electronic mode to those members whose e-mail addresses are registered with the Company / Depositories, unless any member has requested for the physical copy of the same.

11. In case members wish to ask for any information about accounts and operations of the Company, they are requested to send their queries in writing at least 7 days in advance of the date of the meeting so that the information can be made available at the time of the meeting.
12. All documents referred to in the Notice or in the accompanying Statement are available for inspection by the members at the Registered Office of the Company on all working days, except Saturdays, Sundays and public holidays, between 10.00 a.m. to 12.00 noon, prior to the date of the Annual General Meeting and also available for inspection at the meeting.
13. Pursuant to Section 72 of the Act read with the Companies (Share Capital and Debentures) Rules, 2014, members are entitled to make a nomination in respect of shares held by them in physical form. ANNEXURE TO THE NOTICE

Explanatory Statement as required by Section 102 of the Companies Act, 2013

ANNEXURE TO THE NOTICE

As required by Section 102 (1) of the Companies Act, 2013 and pursuant to Clause 49 of the Listing Agreement/ Listing Regulations, 2015, the following Statement sets out all material facts relating to Item No. 4 and 5 in the accompanying Notice dated 28th November, 2015 of Annual General Meeting of the Company to be held on Wednesday, the 2nd day of March, 2016 at 11.30 a.m. at Kalyani Steels Ltd., at Mundhwa, Pune 411 036.

ITEM NO. 4 OF THE NOTICE:

The Board of Directors of the Company in its meeting held on 31st March, 2015 had appointed Ms. Aarti Sathe as an additional director on the Board of the Company to hold office upto the conclusion of the ensuing Annual General Meeting.

Ms. Sathe has submitted a declaration that she meets the criteria for independence as prescribed in Section 149(6) of the Act and Clause 49 of the Listing Agreement and in respect of whom the Company has received a notice in writing from a member proposing her candidature for the office of Director, is proposed to be appointed as an Independent Director on the Board of the Company.

Ms. Aarti A. Sathe, is a Master in Laws in Constitutional & Administrative Laws from University of Mumbai. She is presently an Independent Counsel and appears before various quasi judicial bodies such as Income Tax Appellate Tribunal, Customs, Excise and Service Tax Appellate Tribunal, etc. She also appears as a Counsel in Bombay High Court before the tax bench for tax Appeals, writs, etc., before Authority of Advance Rulings in International tax matters and also before the Supreme Court in tax matters.

Ms. Sathe has wide experience in direct and indirect taxation, international taxation, FEMA, etc.

Her articles and case law updates are published in the Income Tax Review, a publication of the Chamber of Tax Consultants, Mumbai. Earlier, she was a visiting Faculty on Direct Taxes in Mergers & Acquisitions at Symbiosis Institute of Management Pune.

Directorships / Committee memberships / Chairmanships of Ms. Aarti Sathe in other companies are as under:

Name of the Company	Board position held	Name of the Committees	Chairman/Member
BF Investment Limited	Independent Director	Audit Committee	Member

Ms. Sathe does not hold any shares of the Company. She is not related to any other Director on the Board of the Company.

Save and except, Ms. Sathe, to the extent of her shareholding interest, if any, in the Company, none of other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, in the said resolution.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the shareholders.

ITEM NO. 5 OF THE NOTICE:

Further to the applicable provisions of Section 188 and any other provisions of the Companies Act, 2013 and Rules framed thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 "Regulations" Under the said Regulations, all Related Party Transactions shall require prior approval of the Audit Committee and all material Related Party Transactions shall require approval of the shareholders by a Special Resolution.

The Company has been in the business of generating Wind Power. The Power generated from Wind Mills is supplied to Bharat Forge Limited. Considering the sizable requirement for power of Bharat Forge Limited, BF Utilities Limited will benefit by supplying entire power to a single customer i.e. Bharat Forge Limited.

The individual transaction values would be revised, if required, based on mutual discussions to align the same at arm's length rates,.

In compliance of the said Regulations, the Audit Committee of the Company has reviewed and approved the said ongoing transactions. These transactions would be material in terms of the provisions of Listing Regulations and therefore, the Board has proposed the same to be placed before the shareholders for their approval as a Special Resolution at the Annual General Meeting of the Company. The said approval would be effective for the period of five financial years with effect from April 1, 2015. Looking at the nature of business of the Company and the transactions, such approval of shareholders for the period of five years would be essentially required at this point of time.

The key details as required under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 are as below:

1. Name of the related party and nature of relationship :
Bharat Forge Limited, under same group
2. Applicability of the agreement / arrangement is subject to statutory approval, if any.
3. Notice period for termination : by mutual consent.
4. Manner of determining the pricing and other commercial terms : On arm's length basis, as far as possible and in tune with market parameters.
5. Disclosure of interest : Mr. B. N. Kalyani and Mr. Amit B. Kalyani are Directors of the Company and hold positions of Directors and Key Managerial Personnel of Bharat Forge Limited
6. Duration - 5 years, as stated above.
7. Monetary value : Estimated values as mentioned in the resolution.
8. Nature, material terms and particulars of the arrangement :

Company	Contract Purpose
Bharat Forge Limited	Sale of Electricity and other transactions incidental thereto

9. Any other information relevant or important for the members to make a decision on the proposed transaction : None.

The Board recommends the Special Resolutions set out at Item No.5 of the Notice for approval by the members.

Except as mentioned above, no Director, Key Managerial Personnel or their respective relatives is concerned or interested, financially or otherwise, in this resolution.

{Note- any reference in this Notice and other documents to the provisions of erstwhile Listing Agreement with the Stock Exchange applies *mutatis mutandis* to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.}

Management Discussion And Analysis

Wind Power : International Scenario

According to Bloomberg New Energy Finance (BNEF), global wind-power installations are expected to reach 63.7 GW in 2015, up 30 percent from 2014. New capacity in 2016 will be comparable, with Brazil, the US and India posting the biggest gains in terms of megawatts added, offsetting declines in China, Germany and Poland.

The International Energy Agency says renewable energy will overtake coal as the largest source of electricity by the early 2030s. In 2014, clean power accounted for 85 percent of the increase in generation worldwide, and from 2015 through 2040, the 3,600 GW of new renewable capacity will outstrip additions of all other forms of generation combined, the agency forecasts.

Wind Power : Domestic Scenario

ICRA expects annual wind capacity installations during the current year to improve to 2800 MW, a growth of about 20% over the previous year, driven both by the IPP as well non-IPP segments. While the former was encouraged by satisfactory feed-in tariff based PPAs in key wind energy rich states and cost competitiveness with conventional power, the latter derived benefits from the accelerated depreciation (AD) norms. Strong policy support by Government of India (as evident from wind based cumulative capacity target of 60 GW by FY2022 and from the proposed National Renewable Energy Act), coupled with cost competitiveness of wind energy tariff continue to support favorable demand outlook in the long run. As on June 30, 2015 the total installed wind energy based capacity stood at 23763 MW, constituting 9% of the overall installed capacity in the country; within the renewable energy segment, it continues to occupy a dominant share of 65%.

a

Performance of Company's Wind Mill Project

As explained in Note 37 of Notes to the Accounts, realisation of power sales were held up due to changes in Open Access permission procedures during the first half of the year. The Company is already in appeals with MERC for necessary redressals.

Company has received Open Access permission for three years w.e.f. April 1, 2015. Company is confident that realisation for power generated during April 1, 2014 to March 31, 2015 will take place soon.

CORPORATE GOVERNANCE

Report on Corporate Governance

(Pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

1. The Company's philosophy on Code of Corporate Governance

The Securities and Exchange Board of India (SEBI) has prescribed a set of standards on corporate governance for the listed companies.

The Company has included a compliance report on Corporate Governance in its Annual Report in the spirit of transparency in management and best board practices. This Chapter of the report, plus the information given under 'Management Discussion and Analysis' and 'Shareholder Information' constitute such a compliance report on corporate governance during 2014-2015.

19. EXPLANATION ON COMMENTS ON STATUTORY AUDITORS' AND SECRETARIAL AUDITORS' REPORTS

There are no qualifications, reservations or adverse remarks or disclaimers made by M/s. Joshi Apte & Co., Statutory Auditors, in their Audit Report on standalone accounts. There are certain Audit Qualifications with respect to Consolidated Accounts. M/s. SVD & Associates, Practicing Company Secretary, in their Secretarial Audit Report have made certain qualifications. The auditors qualifications and Boards explanation thereto are summarized as under:

Auditors Qualifications	Boards' explanation
A) Financial Audit - Consolidated financial statements	
1. As stated in note no. 36 C accompanying consolidated financial statements, Nandi Economic Corridor Enterprises Limited (NECE) has given advances aggregating to Rs. 1,150,454,871 (Previous Year Rs.1,205,653,553) to Nandi Engineering Limited (NEL) for undertaking development of toll roads and townships and loans of Rs. 160,793,546 (Previous Year Rs. 170,678,545) given to NEL (including interest accrued but not due of Rs.10,793,546 (Previous Year	The management of Nandi Economic Corridor Enterprises Ltd. (NECE) has considered these advances as good based on the future additional work that is expected to be contracted to Nandi Engineering Ltd. once NECE receives / acquires the requisite land parcels.

Rs.20,678,545), which remain outstanding at the balance sheet date of NECE (i.e., 3 September, 2015), have been considered good and recoverable in the financial statements by the management of NECE based on future additional work expected to be contracted to NEL. In the absence of sufficient appropriate audit evidence, we are unable to form an opinion on the recoverability of the said amount.

2. As stated in note no. 31 E accompanying consolidated financial statements, Nandi Highway Developers Limited (NHDL) has accounted for the Retirement Benefits based on the premium given by Life Insurance Corporation (LIC) which is not as per actuarial valuation principles as required by Accounting Standard (AS) 15. We are unable to give the required effects and disclosures in the consolidated financial statements.

The management of Nandi Highway Developers Ltd. has accounted for the Retirement Benefit based on the premium given by Life Insurance Corporation of India (LIC).

B) Secretarial Audit Report

1. During the period from 1st October, 2014 to 31st March, 2015, the Company has failed to comply with Clause 49 (II) (A) of the Listing Agreement relating to maintaining 50% of the Composition of the Board as Independent Director.

The Company was looking for a suitable candidate for appointment of Independent Director. The Company has re-balanced its Board to comply with Clause 49 (II) (A) with effect from March 31, 2015, by inducting Independent Director.

2. During the period from 1st October, 2014 to 30th September, 2015, , even though the Company has complied with other requirements of related party transactions, the Company has failed to disclose the compliance on related party transaction in the quarterly corporate governance report filed by the Company as required under Clause 49 (VII) of the Listing Agreement.

There were no "material related party transactions" as defined under Listing Agreement during this period. The company is of the view that disclosure under Clause 49 is correctly filed.

3. The Company has failed to file Consolidated financial results of the Company within 60 days of the close of the Financial year with the Stock Exchange as required under Clause 41 of the Listing Agreement.

The Company has stated in Note No. 38 of its standalone financial statement that "Nandi Infrastructure Corridor Enterprises Ltd. (NICE) and Nandi Economic Corridor Enterprises Ltd. (NECE), which are the subsidiaries of the Company, have obtained extension of time u/s 96 of the Companies Act, 2013 from Registrar of Companies, Bangalore Karnataka. The Company will prepare consolidated financials, once the audited accounts of both the above mentioned subsidiaries are made available to the Company." The Company has subsequently filed the consolidated financial results with the Stock Exchange on 14th February, 2015.

4. The Company has failed to disclose the details of shares encumbered by promoter in the financial result filed by the Company with the Stock exchange under Clause 41 of the Listing Agreement for the quarter ended September 2014, December 2014, March 2015 and June 2015.

The disclosures were made under Clause 35 of the Listing Agreement. The Company has taken the necessary steps to rectify the same in future reports.

5. The Company has failed to disclose the fact for pending Open Access Permission from MSEDCL for the period 1st April, 2014 to 31st March, 2015 and consequent appeal filed by the Company with MERC under Clause 36 of the Listing Agreement. However, the Company reports this information in the quarterly results filed by the Company with Stock Exchange.

MSEDCL has not rejected the Open Access permission. There is no show cause notice from MSEDCL on this matter. There is no time limit for MSEDCL to grant Open Access permissions. In earlier years also permission from MSEDCL was delayed and the Company had no reasons to believe that there would be such an inordinate delay. However, since the permission was not forthcoming, the Company has preferred an appeal with MERC. Therefore the Company is of the view that reporting on this matter under clause 36 is not required. Necessary disclosures were made in quarterly results filed under Clause 41.

 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and (not applicable to the company during the audit period.)
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (not applicable to the company during the audit period.)
- (vi) The specific laws applicable to the Company:-
 - a) Electricity Act, 2003;
We have also examined compliance with the applicable clauses of the following:
 - (i) Secretarial Standards issued by The Institute of Company Secretaries of India with effect from 1st July, 2015.
 - (ii) The Listing Agreements entered into by the Company with the Stock Exchange(s).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. *During the period from 1st October, 2014 to 31st March, 2015, the Company has failed to comply with Clause 49 (II) (A) of the Listing Agreement relating to maintaining 50% of the Composition of the Board as Independent Director.*
2. *During the period from 1st October, 2014 to 30th September, 2015, , even though the Company has complied*

with other requirements of related party transactions, the Company has failed to disclose the compliance on related party transaction in the quarterly corporate governance report filed by the Company as required under Clause 49 (VII) of the Listing Agreement.

3. The Company has failed to file Consolidated financial results of the Company within 60 days of the close of the Financial year with the Stock Exchange as required under Clause 41 of the Listing Agreement.
4. The Company has failed to disclose the details of shares encumbered by promoter in the financial result filed by the Company with the Stock exchange under Clause 41 of the Listing Agreement for the quarter ended September 2014, December 2014, March 2015 and June 2015.
5. The Company has failed to disclose the fact for pending Open Access Permission from MSEDCL for the period 1st April, 2014 to 31st March, 2015 and consequent appeal filed by the Company with MERC under Clause 36 of the Listing Agreement. However, the Company reports this information in the quarterly results filed by the Company with Stock Exchange.
6. The Company has not expended any amount for Corporate Social Responsibility activities of the Company.
7. The Chief Executive Officer (CEO) and Chief Financial Officer (CFO) of the Company were appointed on 31st March, 2015, therefore during the period from 1st October, 2014 to 30th March, 2015, the Company had no CEO & CFO as required under Section 203 of the Companies Act, 2013.
8. Section 152 (6) of the Companies Act, 2013 require atleast 1/3rd of the director to retire by rotation at the Annual General Meeting (AGM) of the Company. In the AGM of the Company held on 30th March, 2015 only one director retired by rotation.
9. During the Financial Year, the Company has failed to file following forms with the Registrar of Companies as required under Section 179 and 77 of the Companies Act, 2013 and the rules made thereunder:
Board Meeting 28.11.2014
 - a. Form Mgt 14 ñ Noting of Disclosure of Interest by the Directors under section 184 of the Companies Act, 2013
 - b. Form Mgt 14 - Approval of Standalone Financial Results for the quarter and year ended 30.09.2014.
Board Meeting 03.02.2015
 - c. Form Mgt 14 ñ Noting of Disclosure of Interest by the Directors under Section 184 of the Companies Act, 2013
Board Meeting 14.02.2015
 - d. Form Mgt 14 ñ Approval of Consolidated Financial Results for the quarter and year ended 30.09.2014 and Approval of Consolidated Financial Statement for the year ended 30.09.2014.
 - e. Form Mgt 14 ñ Approval of the Board for providing security as stated in section 179 of the Companies Act, 2013
 - f. Form CHG 1 ñ for pledge of shares held in the subsidiary Company to Kotak Mahindra Bank as a security for loan availed by the subsidiary Company.

We further report that

The Board of Directors of the Company is duly constituted subject to our comments referring to Independent Directors in our observations detailed above, other changes in the composition of the Board of Directors made during the period under review were carried out in compliance with the provisions of the Act.

Notices for Board Meetings and committee meetings were generally sent at least seven days in advance

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that for the period 1st April 2014 to 31st March, 2015, the Company has applied for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd (MSEDCL). However due to policy issues at MSEDCL, it has not granted Open Access Permission to the Company, consequently credit notes are awaited from MSEDCL. The Company has preferred an appeal with MERC against the decision of MSEDCL. In case of unfavourable decision by MERC and consequent sale of power to MSEDCL, the profits of the Company for that quarter would be lower by about Rs. 405.40 lakhs net of Tax. However the Company has received Open Access permission for 3 years from 1st April, 2015. The Company regularly reports this information in the quarterly results filed with Stock Exchange under Clause 41 of the listing Agreement

Management' Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 30 September, 2015, and its profit and its cash flows for the period then ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- (a) We draw attention to Note No.35 to the accompanying financial statements. As mentioned therein there are certain litigations by and against the Company and the subsidiaries of the Company that are yet to be decided by various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending the final outcome of these cases.

Note 35-

Certain litigations by and against the Company and the subsidiaries of the Company are pending in various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending final outcome of the cases.

- (b) As stated in note no. 37 in the financial statements, in an event of non-receipt of Open Access Permission from Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) and consequent sale of power from April 2014 to March 2015 to MSEDCL, the profits of the Company for the accounting period ended on 31 March, 2015 would be lower by Rs. 40.5 Million (net of tax).

Note 37-

The Company is required to apply for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) every financial year. Upon receipt of the Open Access Permission, the credit notes are issued by MSEDCL for power generated at the Company's Wind Farm at Satara which are subsequently adjusted in the power bill of the customer in Pune.

The Company has applied for Open Access Permission to MSEDCL for the financial year 1 April, 2014 to 31 March, 2015 well in time. However, due to certain policy issues at MSEDCL, it has still not granted Open Access Permission to the Company for the said year and consequently credit notes for this period are awaited from MSEDCL. The Company had preferred an appeal with MERC against the decision of MSEDCL.

Pending issuance of these credit notes, the Company has recognized revenue from power generation during 1 April, 2014 to 31 March, 2015 at the average power tariff rate at Rs. 5.75 per unit generated.

In case of unfavorable decision by MERC and consequent sale of power to MSEDCL, at Rs. 2.52 per unit generated, as per case no. 58 of 2008 issued by MSEDCL, the profits of the Company for that year would be lower by about Rs.40.5 Million net of tax.

However the Company has received Open Access Permission for 3 years from 1 April, 2015

Our opinion is not qualified in respect of the above matters

Report on Other Legal and Regulatory Matters

1. As required by the Companies (Auditor's Report) Order, 2015 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraph 3 and 4 of the Order .
2. Further, as required by section 143(3) of the Companies Act, 2013, we further report that:
 - (i) We have sought and obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - (iii) The Balance Sheet, the statement of Profit and Loss and the Cash Flow Statement dealt with by us in the Report are in agreement with the books of account.
 - (iv) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (v) On the basis of the written representations received from the directors as on 30 September, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 30 September, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (vi) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company has, in accordance with generally accepted accounting practice, disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 26 & 27 to the financial statement;
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

RE: BF Utilities Limited ("the Company")

1. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) As explained to us, the fixed assets were physically verified during the period by the Management in accordance with a regular program of verification which, in our opinion, provides for physical verification of the fixed assets at reasonable intervals having regards to the size of the Company and the nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
2. Considering the nature of the Company, the provisions of clause 3 (ii) (a),(b) and (c) of the Order pertaining to the physical verification of inventory and maintenance of inventory records are not applicable to the Company.
3. The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
4. In our opinion and according to the information and explanations given to us, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations for purchase of fixed assets, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of fixed assets and the sale of goods and services. The activities of the Company do not involve activities of purchase of inventory. During the course of our audit, we have not observed any major weakness in such internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits. Therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
6. The provisions of clause (3)(vi) of the Order are not applicable to the Company as the Company is not covered by the Companies (Cost Records and Audit) Rules, 2014.
7. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including provident fund, income tax, sales tax, wealth tax, service tax, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of provident fund, income tax, sales tax, wealth tax, service tax, value added tax, cess and other material statutory dues in arrears as at 30 September, 2015 for a period of more than six months from the date they became payable.
There were no dues of wealth tax, duty of customs, duty of excise and cess which have not been deposited as at 30 September, 2015 on account of disputes.
 - (c) There are no amounts that are required to be transferred to investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
8. The Company does not have accumulated losses. The Company has not incurred cash losses during the financial period covered by our audit and in the immediately preceding financial year.
9. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to a bank. Further, in our opinion and according to information and explanations given to us, the Company did not have any amount outstanding to financial institutions, bank or debenture holders.
10. In our opinion and according to the information and explanations given to us, the terms and conditions of the guarantee given by the Company for loan taken by the subsidiary from a bank is not prima facie prejudicial to the interest of the Company.
11. In our opinion and according to the information and explanations given to us, the term loans were applied for the purpose for which the loans were obtained.
12. To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the period.

Pune, 28 November, 2015

Pune, 28 November, 2015

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

1 A. Corporate Information:

BF Utilities Ltd. ("the Company" or "BFUL") is a public company domiciled in India and incorporated on 15 September, 2000 under the provisions of the Companies Act, 1956 ("the Act"). Its shares are listed on National stock exchange and Bombay stock exchange in India. The Company is engaged in the generation of electricity through wind mills. The Company's CIN is L40108PN2000PLC015323.

1 B. Basis of preparation:

The financial statements of the Company for the year ended 30 September, 2015 have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) to comply in all material respects with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with the Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. These financial statements are prepared on an accrual basis and under the historical cost convention except financial instruments which have been measured at fair value. The accounting policies are consistently applied by the Company during the year and are consistent with those used in previous year.

1 C. Summary of significant accounting policies:

a) Use of estimates:

The preparation of the financial statements is in conformity with Indian GAAP and requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Tangible fixed assets:

Tangible fixed assets are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and directly attributable costs of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. The Company has adopted the provisions of para 46A of AS 11 "The Effects of Changes in Foreign Exchange Rates", accordingly, exchange difference arising on settlement of long term foreign currency borrowing relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Capital work-in-progress includes cost of fixed assets that are not ready to be put to use.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from disposal of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

Expenditure on New Projects and Expenditure during Construction etc. :

In case of new projects or expansion at the existing units of the Company, expenditure incurred including interest and financing costs of specific borrowings, prior to commencement of commercial production is being capitalised to the cost of assets.

c) Intangible assets:

(i) Acquired intangible assets

Intangible assets acquired separately are measured on the initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

(ii) Research and development cost

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Company can demonstrate:

- technical feasibility of completing the intangible asset so that it will be available for use or sale;
- its intention to complete the asset and use or sell it;
- its ability to use or sell the asset;
- how the asset will generate probable future economic benefits;

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

- the availability of adequate resources to complete the development and to use or sell the asset;
- the ability to measure reliably the expenditure attributable to the intangible asset during development.

Such capitalized expenditure is reflected as intangible under development.

d) **Capital work-in-progress:**

Projects under which assets are not ready for their intended use or projects which are suspended during extended period in which active development is interrupted and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable /eligible interest.

e) **Depreciation and amortization:**

Depreciation on tangible fixed assets is provided using the Straight Line Method ('SLM') except in respect of Furniture & Fittings and Vehicle is provided using Written Down Value ('WDV') over the useful lives of the assets estimated by the management.

The management estimates the useful lives for the fixed assets as follows:

Assets	Useful lives
Building	60 years
Plant & Machinery (Windmills)	22 years
Electrical Installation	10 years
Testing Meters	5 years
Furniture & Fixtures	10 years
Office Equipments	5 years
Vehicles	8 years

Useful lives of the above assets are as per prescribed under Part C of Schedule II of the Companies Act, 2013.

Individual assets whose cost does not exceed Rs. 5,000 are fully depreciated in the year of acquisition.

Depreciation on additions to assets during the year is being provided on pro-rate basis from the date of acquisition/ installation.

Depreciation on assets sold, discarded or demolished during the year, is being provided at their respective rates on pro-rate basis upto the date on which such assets are sold, discarded or demolished.

Intangible assets are amortized on a straight line basis over their estimated useful lives commencing from the day the asset is made available for use.

f) **Impairment of tangible and intangible assets:**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

Recoverable amount of intangible under development that is not yet available for use is estimated at least at each reporting period / year end even if there is no indication that the asset is impaired.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using an appropriate discount factor that reflects current market assessments of the time value of money and risks specific to the asset.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

g) **Investments:**

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. Current investments are carried in the financial statements at lower of cost and fair value, determined on category of investment basis. Long-term investments presented in the financial statements are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary decline, in the value of investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

h) Inventory:

Unsold Certified Emission Reduction (CER) and Renewable Energy Certificate (REC) are considered as Inventory and valued on the basis of costs which are directly allocated to it, as per guidance note issued by ICAI dated 11 February 2012. The cost is assigned to inventories on First in First Out (FIFO) basis. These CERs and RECs are valued at lower of cost or net realisable value.

i) Cash and cash equivalents:

Cash and cash equivalents in the cash flow statement comprises of cash at bank, cash in hand and short term deposits with an original maturity period of three months or less.

j) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

k) Borrowing Cost:

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or development of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

l) Leases:

(i) Where the Company as a lessor,

Leased assets under finance leases, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is recognised based on a constant rate of return on the outstanding net investment. Leased assets under operating lease, lease income from such lease is recognised in the statement of profit and loss account on straight line basis over the lease term unless another systematic basis is more representative of the time pattern in which benefit derived from the use of leased asset is diminished.

(ii) Where the Company is the lessee,

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

m) Revenue Recognition:

Revenue recognition is generally postponed if the receipt can not be estimated with reasonable certainty.

(a) Income from Electricity generated is accounted on the basis of electricity wheeled into MSEB grid and jointly certified.

(b) Interest is accrued over the period on the amount of loan/investment.

(c) Dividend is accrued in the year in which it is declared, whereby right to receive is established.

(d) Profit/Loss on sale of investment is recognised on contract date.

(e) Income from Certified Emission Reduction (CERs) units and Renewable Energy Certificates (RECs) is recognised in the year of its actual sales.

n) Foreign currency transaction:

Foreign currency transactions and balances:

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates at the date when the values were determined.

o) Retirement and other employee benefits:

(i) Provident fund

Eligible employees receive benefits from a provident fund, which is a defined benefit plan. Both the

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

employee and the Company make monthly contributions to the provident fund plan equal to a specific percentage of the covered employee's salary. The Company contributes a part of the contributions to the "BF Utilities Limited Staff Provident Fund Trust". The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate. The guidance note on implementation of AS-15 (revised 2005) "Employee Benefits", states that benefits involving employer established provident funds, which requires interest shortfalls to be provided, are to be considered as defined benefit plans.

(ii) Gratuity

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully cover the same under cash accumulation policy of the Life Insurance Corporation of India. The employee's gratuity is a defined benefit funded plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected unit credit method as at the date of the Balance Sheet and the shortfall in the fair value of the Plan Assets is recognized as an obligation.

(iii) Superannuation

Retirement benefit in the form of superannuation plan is defined contribution plan. Defined contribution to Life Insurance Corporation of India for employees covered under Superannuation scheme are accounted at the rate of 15% of such employee's basic salary.

(iv) Privilege Leave Benefits

Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

The Company presents the entire leave encashment liability as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Where the Company has the unconditional legal and contractual right to defer the settlement for a period beyond twelve months, the same is presented as non-current liability.

p) Income taxes:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current reporting period and reversal of timing differences of earlier reporting periods. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT Credit Entitlement.' The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

q) **Provisions:**

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

r) **Earnings per share (EPS):**

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares), if any, occurred during the reporting period, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year, are adjusted for the effects of all dilutive potential equity shares.

s) **Contingent liabilities:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

t) **Domestic transfer pricing:**

The Company enters into 'domestic transactions' with specified parties that are subject to the Transfer Pricing regulations under the Income Tax Act, 1961 (the 'Regulations'). The pricing of such domestic transactions will need to comply with the arm's length principle under the Regulations. These Regulations, inter alia, also require the maintenance of prescribed documents and information including furnishing a report from an accountant which is to be filed with the Income Tax authorities.

The Company has undertaken necessary steps to comply with the Regulations. The Management is of the opinion that the domestic transactions are at arm's length and hence the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

u) **Segment reporting:**

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/ expenses/ assets/ liabilities".

- A. The Company as a Promoter of Nandi Economic Corridor Enterprises Ltd. (NECE) has given an undertaking to Infrastructure Development Finance Co. Ltd. (IDFC) in connection with the loan of Rs. 13,200 million (previous year Rs. 13,200 million) advanced to NECE by IDFC, whereby the company has undertaken to ensure continuance of the project undertaken by NECE, continued Promoters contributions as per the Financial plan, with adequate technical, financial and managerial support at the least until the final settlement date.

Further the Company has committed to meet the shortfall in resources of NECE by way of Promoters contribution in terms of the Financing Plan which can be in the form of Equity / Preference Share Capital and / or granting of interest free unsecured loan until the final settlement date, which together with current contributions would be subordinate to the funds borrowed from IDFC and shall not be repaid until the final settlement date. The Company has further agreed to ensure that the Borrower adheres to the land sale / Development Plan as mentioned in the Common Loan Agreement.

- B. The Company, as a promoter and indirect holding company of Nandi Economic Corridor Enterprises Ltd. (NECE) has signed definitive agreements on 24 December, 2010, in relation to foreign direct investment of Rs. 5,000 million in NECE.

Pursuant to these definitive agreements, NECE has allotted convertible "Securities" to AIRRO (Mauritius) Holdings V (Investor), on the terms and conditions contained in the definitive agreements, whereby the investor would get a shareholding between 8.33% and 16.29% in NECE.

28. A. The Company has given security to Axis Bank Limited to the extent of Rs. 300 million for securing the term loan facility granted by it to Nandi Highway Developers Limited (NHDL), a subsidiary of the Company, by way of hypothecation of movable assets and equitable mortgage of fixed assets pertaining to Wind Mill project of the Company located in village Boposhi and Maloshi, Dist Satara.
- B. Nature of Provisions

- A. In terms of various notifications / circulars issued by Government of Maharashtra, electricity duty is payable in respect of wind power sold to third parties. However in absence of clarity on the entire subject and also in view of various other issues the Company as a matter of prudence and without prejudice to dispute the claim, has made a provision for Electricity duty.
- B. All the Wind Power Projects have completed the tenure of wheeling agreement with the distribution licensee viz. Maharashtra State Electricity Distribution Company Limited (MSEDCL). All the projects of wheeling energy are under the open access provisions issued by the Hon' able Maharashtra Electricity Regulatory Commission (MERC). As a matter of prudence and without prejudice the Company has made a provision for wheeling and Transmission charges under open access.

Expected timing of resulting outflow:

- A. Since the matter is yet to be resolved / clarified in respect of applicability of Electricity duty for Wind Power Generation, the timing of outflow cannot be determined up to December 2011. However, the Company is paying the duty regularly since January 2012.
- B. Short Term Loans & Advances includes Wheeling and Transmission charges of Rs. 77,641,966 (P.Y. Rs. 77,641,966) have been paid upto 31 March, 2014, to the distribution licensee under protest, as the matter is pending in appeal with the MERC.

34. The Company has advanced amounts aggregating to Rs. 370,000,000 to Nandi Economic Corridor Enterprises Limited (NECE), Subsidiary Company, for purchase of developed parcels of land, which remain outstanding at the balance sheet date. These have been considered as good and recoverable in these financial statements by the Management of the Company based on the balance confirmation received from NECE.
35. Certain litigations by and against the Company and the subsidiaries of the Company are pending in various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending final outcome of the cases.
36. Disclosures required as per Clause 32 of the Listing Agreement have been set out in a separate statement annexed hereto.
37. The Company is required to apply for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) every financial year. Upon receipt of the Open Access Permission, the credit notes are issued by MSEDCL for power generated at the Company's wind farm at Satara which are subsequently adjusted in the power bill of the customer in Pune.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER, 2015:

The Company has applied for Open Access Permission to MSEDCL for the financial year 1 April, 2014 to 31 March, 2015 well in time. However, due to certain policy issues at MSEDCL, it has still not granted Open Access Permission to the Company for the said year and consequently credit notes for this period are awaited from MSEDCL. The Company had preferred an appeal with MERC against this decision of MSEDCL.

Pending issuance of these credit notes, the Company has recognized revenue from power generation during 1 April, 2014 to 31 March, 2015 at the average power tariff base rate at Rs. 5.75 per unit generated.

In case of unfavourable decision by MERC and consequent sale of power to MSEDCL at Rs. 2.52 per unit generated, as per case no 58 of 2008 issued by MSEDCL, the profits of the Company for that year would be lower by about Rs. 40.5 million net of tax.

However the Company has received Open Access Permission for 3 years from 1 April, 2015.

38. During the year, the operations of wind farm of the Company were partially affected due to the local issues at the wind farm site and disputes with the service provider. The power generation and corresponding income from operation is lower due to these disturbances. The wind farm has since been functioning normally.
39. The company has formed Corporate Social Responsibility (CSR) Committee and has also adopted a CSR Policy in accordance with the provisions of section 135 of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014. The Company recognises CSR spends as and when incurred. Relevant details for the financial year covered by these statements are as under.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS OF BF UTILITIES LIMITED

To,
The Members
BF Utilities Limited, Pune

We have audited the accompanying consolidated financial statements of BF Utilities Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, comprising of the Consolidated Balance Sheet as at 30 September 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of these consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and the auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in paragraph of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

1. As stated in note no. 36 C accompanying consolidated financial statements, Nandi Economic Corridor Enterprises Limited (NECE) has given advances aggregating to Rs. 1,150,454,871 (Previous Year Rs. 1,205,653,553) to Nandi Engineering Limited (NEL) for undertaking development of toll roads and townships and loans of Rs. 160,793,546 (Previous Year Rs. 170,678,545) given to NEL (including interest accrued but not due of Rs. 10,793,546 (Previous Year Rs. 20,678,545)), which remain outstanding at the balance sheet date of NECE (i.e. 3 September, 2015), have been considered good and recoverable in the financial statements by the management of NECE based on future additional work expected to be contracted to NEL. In the absence of sufficient appropriate audit evidence, we are unable to form an opinion on the recoverability of the said amount.
2. As stated in note no. 31 E accompanying consolidated financial statements, Nandi Highway Developers Limited (NHDL) has accounted for the Retirement Benefits based on the premium given by Life Insurance Corporation (LIC) which is not as per actuarial valuation principles as required by Accounting Standard (AS) 15. We are unable to give the required effects and disclosures in the consolidated financial statements.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph*, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) in the case of the consolidated Balance Sheet, of the states of affairs of the Group as at 30th September 2015;
- b) in the case of the consolidated statement of profit and loss, of the profit for the year ended on that date; and
- c) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

We draw your attention to the following matters in the Notes accompanying the consolidated financial statements

1. Note no.36 A regarding the reported constitution of an House Committee consisting of members of the Karnataka Legislative Assembly, to study alleged violations in implementation of the Framework Agreement ('FWA') in the construction of Peripheral Road, development of Townships and Utilities undertaken by the Company as part of the Bangalore Mysore Infrastructure Corridor Project ('BMIC Project'). As explained in the said Note, based on the legal opinion obtained by NECE in this regard, the Management of NECE has evaluated the above development and, in their assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and the Hon'ble Courts have pronounced detailed favorable judgments regarding the same, including upholding the process adopted by NECE in implementing the BMIC Project as per FWA, they are of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC Project. Accordingly, NECE intends to legally contest any matter that may arise consequent to the reported constitution of the Assembly Panel to study the implementation of the FWA.

Note no. 36 A

It has been reported in the print media that in September, 2014, the Karnataka Legislative Assembly has constituted a House Committee Assembly Panel (House Committee) consisting of members of Legislative Assembly, to study the alleged violations in implementation of the Framework Agreement in the construction of Peripheral Road, development of townships and utilities undertaken by the NECE. Further, it has also been reported in the print media that the House Committee has been advised to conduct comprehensive enquiry and submit its report and recommendations within 3 months and study the High Court and Supreme Court rulings on the BMIC Project issues and the alleged violations by NICE in the implementation of Framework Agreement.

As on 3 September, 2015, NECE has not received any communication from the aforesaid House Committee regarding the alleged violations. NECE has also obtained a legal opinion in this regard and as per the said opinion, the constitution of the House Committee will be unconstitutional, illegal, invalid and any findings / report, if given by the aforesaid House Committee would also be illegal and untenable in law. Further, the NECE had faced similar situations in the past, where NECE has received favorable orders from the Hon'ble High Court and the Supreme Court.

Based on the aforesaid legal opinion, the Management of NECE has evaluated the above developments and in its assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and as the Hon'ble Courts have pronounced detailed favorable judgments regarding the same, including upholding the process adopted by NICE/NECE in implementing the BMIC Project as per FWA, the Management of NECE is of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC Project. As such, NECE intends to legally contest any matters that may arise in this regard to safeguard its interests.

NECE's township development activities carried out as part of the BMIC Project are dependent upon receiving necessary approvals from the Bangalore Mysore Infrastructure Corridor Area Planning Authority.

Based on the above, in the opinion of the Management, the requisite regulatory approvals are expected to be received by NECE in the normal course of business for the township development activities of NECE and hence, there would be no adverse effect on the operations of NECE.

Our opinion is not qualified in respect of the above matter.

2. Note no.36 B regarding to the Going concern assumption in preparation of the financial statements. As mentioned therein, while NECE has repaid all its overdues to the Senior Lenders and has also been successful in re-financing its long-term borrowings, NECE continues to face shortage of funds required to meet day-to-day business operations. The financial statements have been prepared on the assumption that NECE will continue as a going concern based on the mitigation plans of the Management of NECE which, inter alia, includes (i) the business plans of NECE (which, inter alia, envisage the receipt of requisite approvals for disposal / development of parcels of land), (ii) NECE's intention to legally contest any matter that may arise pursuant to the constitution of the

Assembly Panel to study the implementation of the FWA referred to in paragraph 6 (a) above and (iii) the consideration of the undertaking provided by NICE and the BFUL to extend financial support to NECE as stated in the Note 36 B. The ability of NECE to continue as a going concern is dependent on the successful completion and outcome of the aforesaid mitigation plans.

Note no.36 B

NECE had been incurring losses in prior years resulting in substantial erosion of its net-worth and had also overdue in repayment of borrowings. In the current year, based on internal accruals, NECE has repaid all its overdue to the Senior Lenders and has also been successful in re-financing its long-term borrowings. However, NECE continues to face shortage of funds required to meet day-to-day business operations.

BFUL and NICE have entered into a Sponsor Support Agreement with the Senior Lenders of NECE, under which they have undertaken to financially support NECE in meeting any shortfall in the Operation and Maintenance of the Integrated Toll Road Project consisting of Toll Road and Township Development, as defined in the Agreement.

NECE believes that with a combination of the following mitigation plans, it would be able to meet all its obligations in the normal course of business:

- (i) the business plans of NECE which, inter alia, considers:
 - a) its internal cash accruals from Toll revenues;*
 - b) disposal / development of parcels of land where approvals have been received;*
 - c) disposal / development of parcels of land subject to receipt of approvals, which is expected to be received pursuant to the favorable orders of the Hon'ble High Court of Karnataka;**
- (ii) legally contesting any matters that may arise consequent to the reported constitution of the Assembly Panel to study the implementation of the Framework Agreement as stated in; and*
- (iii) The undertaking provided by BFUL and NICE under the Sponsor Support Agreement with the Senior Lenders of NECE, under which the said companies have undertaken to financially support NECE in meeting any shortfall in the Operation and Maintenance of the Integrated Toll Road Project consisting of Toll Road and Township Development, as defined in the Agreement.*

Accordingly, these consolidated financial statements have been prepared on a going concern basis.

Our opinion is not qualified in respect of the above matter.

3. Note no. 37 in respect of certain litigations by and against the Company and its subsidiaries which are pending in various courts and the matter is subjudice. No cognizance thereof is taken in the consolidated financial statements as on 30th September 2015.

Note no.37

Certain litigations by and against the Company and the subsidiaries of the Company are pending in various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending final outcome of the cases.

Our opinion is not qualified in respect of the above matter.

4. Note no.38 regarding an event of non-receipt of Open Access Permission from Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) and consequent sale of power from April 2014 to March 2015 to MSEDCL, the profits of the Company for the accounting year ended on 30 September, 2015 would be lower by Rs.40.5 Million (net of tax).

Note no. 38

The Company is required to apply for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) every financial year. Upon receipt of the Open Access Permission, the credit notes are issued by MSEDCL for power generated at the Company's wind farm at Satara which are subsequently adjusted in the power bill of the customer in Pune.

The Company has applied for Open Access Permission to MSEDCL for the financial year 1 April, 2014 to 31 March, 2015 well in time. However, due to certain policy issues at MSEDCL, it has still not granted Open Access Permission to the Company for the said year and consequently credit notes for this period are awaited from MSEDCL. The Company had preferred an appeal with MERC against this decision of MSEDCL.

Pending issuance of these credit notes, the Company has recognized revenue from power generation during 1 April, 2014 to 31 March, 2015 at the average power tariff base rate at Rs. 5.75 per unit generated.

In case of unfavorable decision by MERC and consequent sale of power to MSEDCL at Rs. 2.52 per unit generated, as per case no 58 of 2008 issued by MSEDCL, the profits of the Company for that year would be lower by about

Rs. 40.5 million net of tax.

However the Company has received Open Access Permission for 3 years from 1 April, 2015

Our opinion is not qualified in respect of the above matter.

5. Note no. 40 regarding non availability of information pertaining to the period subsequent to the dates of issue of the respective financial statements of the subsidiaries till the date of issue of these consolidated financial statements.

Note no. 40

Impact, if any, of significant transactions or other events, on the Consolidated Financial Statements, pertaining to the period subsequent to the dates of issue of the respective financial statements of the subsidiaries till the date of issue of these Consolidated Financial Statements, cannot be given due to lack of such information of the subsidiaries for the said period.

Our opinion is not qualified in respect of the above matter.

6. Note no.41 regarding the managerial remuneration paid by NECE for the period 1 December, 2013 to 31 March, 2014 amounting to Rs. 13,333,333 which is subject to the approval by the Government of India.

Note no. 41

In the prior year remuneration amounting to Rs. 58,381,984 had been paid to Managing Director of NECE, Mr. Ashok Kheny. The remuneration paid for the period 1 April, 2013 to 30 November, 2013 was within the sanctioned limits of the approval, granted by the Ministry of Corporate Affairs, Government of India (GOI) to NECE. NECE's application for seeking approval from the GOI for the managerial remuneration to be paid for the period 1 December, 2013 until 31 March, 2014 is pending with the GOI for approval.

Managerial remuneration for the period 1 December, 2013 to 31 March, 2014, to the extent of Rs. 13,333,333 would be adjusted appropriately in accordance with the GOI approval on receipt of the same.

Our opinion is not qualified in respect of the above matter.

In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that the concerned subsidiary has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.

iii. The Holding Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act. In respect of certain covered entities, whose financials have been audited by the other auditor, they have reported that the respective covered entities have not granted unsecured loans to companies, firms or other parties covered in the Register maintained under Section 189 of the Act. In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that the respective entity has granted unsecured loans, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013; and in respect of such loans the receipts of principal amounts and interest have been as per stipulations and there is no overdue amount in excess of Rs. 1 lakh remaining outstanding at the year-end.

The loans mentioned above are subject matter of audit qualification described in the Basis for Qualified Opinion paragraph.

iv. In respect of the Holding Company in our opinion and according to the information and explanations given to us, having regard to the explanations in respect of some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotation for purchase of fixed assets, there is an adequate internal control system commensurate with the size of the Holding Company and the respective nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services.

In respect of certain Covered entities, in the opinion of the other auditors and according to the information and

explanations given to them, they have reported that there is an adequate internal control system commensurate with the size of the certain respective Covered entities of the Group and the respective nature of their businesses, for the purchase of inventory and fixed assets and for the sale of goods and services, to the extent applicable.

In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that the business of that subsidiary includes purchase of land where there is a probability of claims regarding title to such properties and the explanations that some of the items purchased are of special nature and that it is not feasible to obtain comparable alternative quotations for purchase of fixed assets and similar parcels of land for development, there is an adequate internal control system commensurate with the size of that subsidiary and the nature of its business with regard to purchase of inventory and fixed assets and for the sale of goods and services.

During the course of our and the other auditors audit, no major weakness was observed in the internal control system.

- v. In our opinion and the opinion of the other auditors and according to the information and explanation given to us and other auditors; and having regard to the explanation given in Note 10 (ii) to the Consolidated Financial Statements regarding certain advances received by a covered entity being considered as advance for joint development arrangement. The Holding Company and Covered entities have not accepted any deposits.
- vi. According to the information and explanations given to us and the other auditors, in our opinion and the opinion of the other auditors, the respective entities are not required to maintain cost records as prescribed under section 148(1) of the Companies Act, therefore the provisions of clause 3 (vi) of the Order are not applicable to the Holding Company and certain Covered entities.

In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that they have broadly reviewed the cost records maintained by the respective entity pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and that they are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. However they have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- vii. According to the information and explanations given to us and the other auditors, in respect of statutory dues of the Holding Company and the Covered entities:
 - a) The respective entities have generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, Income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues as applicable with appropriate authorities.
 - b) There were no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues, which were outstanding, at the year end, for a period of more than six months from the date they became payable for the Holding Company and Covered entities of the Group.
 - c) There are no dues outstanding of income- tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax and cess which have not been deposited as on the respective year end date on account of disputes in the Holding Company and the Covered entities of the Group.
 - d) There were no amounts that are due to be transferred to investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder.
- viii. The Holding Company and the Covered entities of the Group have no accumulated losses at the end of the financial year and have not incurred cash losses in the current and immediately preceding financial year, except for one subsidiary. The other auditor who has audited the financial statements of that subsidiary has reported that, after considering the possible effect of their audit qualification described in Basis for Qualified opinion paragraph, the accumulated losses of that subsidiary at the end of financial year are not less than fifty percent of its net worth and that subsidiary has not incurred cash losses during the financial year covered by audit and had incurred cash losses in the immediately preceding financial year.
- ix. In our opinion and the opinion of the other auditors and according to the information and explanations given to us and the other auditors, the Holding Company and certain Covered entities of the Group have not defaulted in the repayment of dues to financial institution, bank or debenture holders. In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that the concerned subsidiary had defaulted in payment of principal and interest under the term loans availed by that entity from banks and financial institutions. Such overdues aggregated upto Rs. 2,726,264,230 and the period these amounts were overdue ranged from 1 to 216 days during the year ended 31 March, 2015. As at 31 March, 2015, there were no outstanding overdues under these term loans.
- x. In our opinion and according to the information and explanations given to us, the Holding Company has given guarantee for loans taken by subsidiaries from banks and financial institutions, which is not prima-facie prejudicial to the interest of the Holding Company. In respect of the Covered entities whose financials have

been audited by the other auditors, they have reported that the respective entities have not given any guarantee for loans taken by others from bank or financial institutions.

- xi. In our opinion and the opinion of the other auditors and according to the information and explanations given to us and the other auditors, the term loans were applied for the purpose for which the loans were obtained. In respect of one subsidiary whose financials has been audited by the other auditor, he has reported that the term loans have been applied for the purpose for which they were obtained, other than temporary deployment pending application. In respect of another subsidiary whose financials has been audited by the other auditor, he has reported that the concerned entity has not raised any term loans.
- xii. To the best of our knowledge and according to the information and explanations given to us and the other auditors, no fraud on or by the Holding Company and the Covered entities of the Group have been noticed or reported during the year.

Pune, 28 November, 2015

Pune, 28 November, 2015

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER 2015 :

1 A. Corporate Information:

BF Utilities Ltd. ("the Company" or "BFUL") is a public company domiciled in India and incorporated on September 15,2000 under the provisions of the Companies Act,1956. Its shares are listed on National stock exchange and Bombay stock exchange in India. The Company is engaged in the generation of electricity through wind mills. The Company's CIN is L40108PN2000PLC015323.

1 B. Basis of preparation:

These consolidated financial statements comprise the financial statements of the Company, its subsidiaries and the associate company (together referred to as the 'Group').These consolidated financial statements of the Group have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost convention on accrual basis. These consolidated financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014.

The accounting policies adopted in the preparation of these consolidated financial statements are consistent with those of previous year.

1 C. Principles of consolidation:

These consolidated financial statements of the group are prepared in accordance with Accounting Standard (AS)-21 on 'Consolidated Financial Statements' and Accounting Standard (AS)-23 'Accounting for investments in Associates in Consolidated Financial Statements' as notified.

The financial statements in respect of all subsidiary companies are drawn for the year ended on 31 March 2015 whereas the financial statements for BF Utilities Ltd. (BFUL) are drawn for the year ended on 30 September 2015. The effect of significant transaction and other events that occur between 1 April 2015 and 30 September 2015 is considered in the consolidated financial statement if it is of a material nature.

The financial statements of the Company and its subsidiary companies have been combined on line by line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra group balances and intra group transactions except where cost cannot be recovered. Any excess of the cost to the Company of its investment in a subsidiary and the Company's portion of equity of subsidiary at the date at which investment in the subsidiary is made, is described as goodwill and recognised separately as an asset in the consolidated summary financial statements and is tested for impairment annually. The excess of the Company's portion of equity of the subsidiary over the cost of investment therein is treated as capital reserve.

The Group's investment in its Associate is accounted for using the equity method. An Associate is an entity in which the Group has significant influence.

The consolidated financial statements are prepared using uniform accounting policies for like transactions and events in similar circumstances and necessary required for deviations, if any, to the extent possible unless otherwise stated, are made in the consolidated financial statements and are presented in the same manner as the Company's standalone financial statements.

The subsidiary companies considered in consolidated financial statements are as follows:

		30-09-2015	30-09-2014	
Hospet Bellari Highways Pvt. Ltd. (upto 17 February,2015)	India	-	35.00%	31-03-2015

1 D Summary of significant accounting policies:

(a) Use of estimates:

The preparation of the consolidated financial statements is in conformity with Indian GAAP and requires the management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the end of reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future years.

(b) Current-Non Current classification:

All assets and liabilities have been classified as current or non-current as per Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

(c) Operating Cycle:

Based on nature of business and activities carried out by Group, time between acquisition of assets and their realisation in cash and cash equivalent, Group has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

Refer unique accounting policies for operating cycle of subsidiaries.

- i) The Group follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except those with significant uncertainties.
- ii) Financial Statements are based on historical cost. These costs are not adjusted to reflect the impact of the changing value in the purchasing power of money.
- iii) The preparation of Financial Statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent assets and liabilities. The estimates and assumptions used in the Group financial statements are based upon Management's evaluations of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from estimates and assumptions used in preparing the Group financial statements. Any revisions to accounting estimates are recognized prospectively in current and future periods.

(d) Tangible fixed assets and depreciation:

- A. Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Group has adopted the provisions of para 46A of AS 11 The Effects of Changes in Foreign Exchange Rates, accordingly, exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

Fixed assets acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash consideration. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident. Fixed assets acquired in exchange for securities of Group are recorded at the fair market value of the assets or the fair market value of the securities issued, whichever is more clearly evident.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately in the Balance Sheet.

- B. Expenditure on New Projects and Expenditure during Construction etc. :

In case of new projects or expansion at the existing units of the Group, expenditure incurred including interest and financing costs of specific borrowings, prior to commencement of commercial production is being capitalised to the cost of assets.

C. Depreciation:

C.I. In respect of BF Utilities Ltd.

- i Depreciation on Buildings, Plant & Machinery, Electrical Installations, and Office Equipments is being provided on "Straight Line Method" and on Furniture & Fittings and Vehicles is being provided on "Written down value" basis, as per useful life of fixed assets prescribed in Schedule II of the Companies Act, 2013 in respect of tangible fixed assets, based on technical estimated that indicate the useful lives would be comparable with those arrived at using the life of the assets.
- ii Depreciation on additions to assets during the year is being provided at their respective rates on pro-rata basis from the date of put to use. Individual assets costing less than Rupees five thousand are depreciated in full in the period of purchase.
- iii Depreciation on assets sold, discarded or demolished during the year, is being provided at their respective rates on pro-rata basis up to the date on which such assets are sold, discarded or demolished.
- iv Project under which assets are not ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable or eligible interest.
- v In case of certain class of assets, the Company uses different useful life than those prescribed in Schedule II to the Companies Act, 2013. The useful life has been assessed based on technical advice taking into account the nature of the asset, the estimated usage of its technical expertise along with historical and industry trends for arriving the economic life of an asset. Such class of assets and their estimated useful lives are as under:

Assets	Useful lives
Building	60 years
Plant & Machinery (Windmills)	22 years
Electrical Installation	10 years
Testing Meters	5 years
Furniture & Fixtures	10 years
Office Equipments	5 years
Vehicles	8 years

C.II. Refer unique accounting policies for depreciation of subsidiaries.

(e) Intangible assets:

(i) Acquired intangible assets:

Intangible assets acquired separately are measured on the initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

Gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

(ii) Research and development cost:

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Group can demonstrate:

- technical feasibility of completing the intangible asset so that it will be available for use or sale;
- its intention to complete the asset and use or sell it;
- its ability to use or sell the asset;
- how the asset will generate probable future economic benefits;
- the availability of adequate resources to complete the development and to use or sell the asset;
- the ability to measure reliably the expenditure attributable to the intangible asset during development.

Such capitalized expenditure is reflected as intangible under development.

(f) **Capital work-in-progress:**

Projects under which assets are not ready for their intended use or projects which are suspended during extended period in which active development is interrupted and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable /eligible interest.

(g) **Impairment of Assets:**

The Group tests for impairments at each reporting dates, if and only if, there are indications that suggest a possible reduction in the recoverable value of an asset. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the higher of the net realisable value and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

(h) **Investments:**

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value, determined on category of investment basis. Long-term investments presented in the financial statements are carried at cost. However, provision for diminution in value is made to recognize a decline, other than temporary decline, in the value of investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(i) a) **Cash and cash equivalents (for purposes of Cash Flow Statement):**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.

b) **Cash and Bank balance:**

Cash and bank balance includes cash and cash equivalents (for the purpose of Cash Flow Statement) and deposits having maturity more than three months but less than twelve months.

(j) **Cash flow statement:**

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of Group are segregated based on the available information.

(k) **Revenue Recognition:**

Revenue recognition is generally postponed if the receipt can not be estimated with reasonable certainty.

- a) Income from Electricity generated is accounted on the basis of electricity wheeled into MSEB grid and jointly certified.
- b) Interest is accrued over the period and the amount of loan/investment.
- c) Dividend is accrued in the year in which it is declared, whereby right to receive is established.
- d) Profit/Loss on sale of investment is recognised on contract date.
- e) Income from Certified Emission Reduction (CERs) units and Renewable Energy Certificates (RECs) is recognised in the year of its actual sales.
- f) Income from toll road is recognised on the basis of actual collection.

(l) **Borrowing Cost:**

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(m) **Foreign Currency Transactions:**

Initial recognition: Transactions in foreign currencies entered into by Group are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date: Foreign currency monetary items of Group outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items of Group are carried at historical cost.

Exchange difference on long-term foreign currency monetary items: The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. If such monetary items do not relate to acquisition of depreciable fixed assets, the exchange difference is amortised over the maturity period / up to the date of settlement of such monetary items, whichever is earlier, and charged to the Statement of Profit and Loss.

(n) **Employee Benefits:**

Employee benefits include employee state insurance scheme, provident fund, superannuation fund, gratuity fund, and compensated absences.

Defined contribution plans:

Group's contribution to employee state insurance scheme, provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

Defined benefit plans:

For defined benefit plans in the form of gratuity fund and post-employment medical benefits, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus - the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

- i) Employee Benefit in the form of Provident Fund and Pension Scheme whether in pursuance of law or otherwise which are defined contributions are accounted on accrual basis and charged to Statement of Profit & Loss.
- ii) Gratuity:
In BFUL, payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully cover the same under cash accumulation policy of the Life Insurance Corporation of India. The employee's gratuity is a defined benefit funded plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance Sheet and the shortfall in the fair value of the Plan Assets is recognized as an obligation.
- iii) Superannuation:
In BFUL, defined contribution to Life Insurance Corporation of India for employees covered under Superannuation scheme are accounted at the rate of 15% of such employee's annual salary.
- iv) Privilege Leave Benefits:
The Group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term and short term compensated absences are provided for based on the actuarial valuation using the projected unit credit method and estimates at the reporting date. Actuarial gains/losses are immediately taken to the Statement of Profit and Loss.
- (o) **Taxation:**
Provision for taxation is made on the basis of taxable profits computed on current year profit in accordance with Income Tax Act, 1961. Deferred Tax resulting from timing differences is accounted for at the applicable rate of tax to the extent the timing differences are expected to crystallize, after ignoring deferred tax adjustments originating and reversing during tax holiday period, in case of Deferred Tax Liabilities with reasonable certainty and in case of Deferred tax Assets with virtual certainty that there would be adequate future taxable income against which Deferred Tax Asset can be realized.
- (p) **Provisions:**
Necessary Provisions are made for present obligations that arise out of past events prior to the Balance Sheet date entailing future outflow of economic resources. Such provisions reflect best estimates based on available information. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date and adjusted to reflect the current best estimate. Contingent liabilities are disclosed in notes.
- (q) **Inventory:**
Unsold Certified Emission Reduction (CER) and Renewable Energy Certificate (REC) are considered as Inventory and valued on the basis of costs which are directly allocated to it, as per guidance note issued by ICAI dated 11 February 2012. The cost is assigned to inventories on First in First Out (FIFO) basis. This CERs and RECs are valued at lower of cost or net realisable value.
Refer unique accounting policies for inventory valuation of subsidiaries.
- (r) **Leases:**
- i) Where the Group as a lessor,
Leased assets under finance leases, such amounts are recognised as receivables at an amount equal to the net investment in the lease and the finance income is recognised based on a constant rate of return on the outstanding net investment.
Leased assets under operating lease, lease income from such lease is recognised in the statement of profit and loss account on straight line basis over the lease term unless another systematic basis is more representative of the time pattern in which benefit derived from the use of leases asset is diminished.
- ii) Where the Group is the lessee,
Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

(s) **Earnings per share (EPS):**

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares), if any, occurred during the reporting period, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year, are adjusted for the effects of all dilutive potential equity shares.

(t) **Contingent liabilities:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrences or non occurrences of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is liability that can not be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

(u) **Domestic transfer pricing:**

The Group enters into "domestic transactions" with specified parties that are subject to the Transfer Pricing regulations under the Income Tax Act, 1961 (the 'Regulations'). The pricing of such domestic transactions will need to comply with the arm's length principle under the Regulations. These Regulations, inter alia, also require the maintenance of prescribed documents and information including furnishing a report from an accountant which is to be filed with the Income Tax authorities.

The Group has undertaken necessary steps to comply with the Regulations. The Management is of the opinion that the domestic transactions are at arm's length and hence the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

(v) **Segment reporting:**

The Group identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Group. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Group as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

29. Significant notes to financial statements of subsidiaries which provide better understanding to these consolidated financial statements:

I. Nandi Economic Corridor Enterprises Ltd (NECE)

a. 1) 0.01% Compulsory Convertible Cumulative Preference Shares (CCCPS)

Fixed Dividend: These CCCPS carry a fixed cumulative dividend of 0.01% and also have the right to participate along with equity shareholders in any dividends declared by NECE on the equity shares without the approval of the CCCPS holders, as if such CCCPS has been converted into equity shares in terms of the agreement with CCCPS holders.

Voting Rights: The voting rights of the CCCPS holders shall be equal to the aggregate equity shares held by the 0.01% CCCPS holders as though all the CCCPS have been converted into equity shares.

Conversion: The CCCPS are convertible into equity shares any time prior to listing of NECE's share on the BSE or NSE, to result in minimum shareholding of 8.33% and maximum shareholding of 16.29% to the CCCPS holders. The CCCPS shall, if not already converted, be mandatorily converted on the 8th anniversary of the closing date (i.e., March 13th, 2019). The Equity Shares issued upon conversion shall, in all respects, rank pari passu with the Equity Shares in issue on the relevant Registration Date.

On liquidation these CCCPS shall rank, with respect to dividend rights and rights on any Winding Up of NECE, senior to the Equity Shares.

Minority Interest in the consolidated financial statements includes Preference share capital issued as aforesaid.

2) 7% Cumulative Redeemable Preference shares (7% CRPS), held by Nandi Engineering Limited (NEL)

Redemption:

Subject to the regulations that may apply, 7% CRPS are not redeemable until

- the entire "Senior Loan" (i.e. the aggregate amount of rupee term loans from banks and financial institutions) is paid in full with all interest, premium and other sums as may be payable in respect thereof and a full, unconditional and complete discharge is given by the senior lenders, and
- the exit is provided to the holders of 0.01% Cumulative Compulsorily Convertible Preference Shares as per the shareholders agreement dated December 24, 2010.

Dividend Rights: The payment of dividend shall be subject to availability of funds for making such payments and conditions specified in other finance documents. Non-payment of any dividend to Nandi Engineering Limited (NEL) shall neither constitute any default by NECE nor entitle NEL to have any recourse against NECE.

Minority Interest in the consolidated financial statements includes Preference share capital issued as aforesaid.

b. Details of Leasing Arrangements

NECE has taken various residential / commercial premises on cancellable operating leases. As per the terms and conditions mentioned in the respective lease agreements, the same are generally renewed on expiry of the lease period and there is no lock-in-period in such operating lease taken by the NECE. Rent expense debited to Statement of Profit and Loss for above mentioned cancellable operating leases is Rs. 6.16 million (Previous Year Rs.6.23 million).

- c. During the year, NECE has not entered into any derivative contract and therefore no disclosure pertaining to the same is applicable for the current year. The year end foreign currency that has not been hedged by derivative instruments - receivables is Rs. Nil (Previous year is Rs. Nil) and payable is Rs. 2,034,373,791 (Previous year: Rs. Nil).

Any costs that may arise out of such pending / threatened litigation will be accounted in the year in which such costs are determinable.

C. The Company as a Promoter of NECE has given an undertaking to Infrastructure Development Finance Co. Ltd. (IDFC) in connection with the loan of Rs. 13,200 million (Previous Year Rs. 13,200 million) advanced to NECE by IDFC, whereby the Company has undertaken to ensure continuance of the project undertaken by NECE, continued Promoters contributions as per the Financial plan, with adequate technical, financial and managerial support at the least until the final settlement date.

Further the Company has committed to meet the shortfall in resources of NECE by way of Promoters contribution in terms of the Financing Plan which can be in the form of Equity / Preference Share Capital and / or granting of interest free unsecured loan until the final settlement date, which together with current contributions would be subordinate to the funds borrowed from IDFC and shall not be repaid until the final settlement date. The Company has further agreed to ensure that the Borrower adheres to the land sale / Development Plan as mentioned in the Common Loan Agreement.

D. The Company and NICE has signed definitive agreements on 24th December 2010, in relation to foreign direct investment of Rs. 5000 million in NECE.

Pursuant to these definitive agreements, NECE has allotted convertible "Securities" to AIRRO (Mauritius) Holdings V (Investor), on the terms and conditions contained in the definitive agreements, whereby the investor would get a shareholding between 8.33% and 16.29% in NECE.

E. A) The Company has given security to Axis Bank Limited to the extent of Rs. 300 million for securing the term loan facility granted by it to NHDL by way of hypothecation of movable assets and equitable mortgage of fixed assets pertaining to Wind Mill project of the Company located in village Boposhi and Maloshi, Dist. Satara.

B) The Company has given security to Kotak Mahindra Investments Limited to the extent of Rs.300 million securing the term loan facility granted by it to NHDL by way of pledge of 12,301,127 (P.Y. 11,071,900) equity shares of Rs. 10 each of NHDL held by the Company.

F. Electricity Duty and Wheeling and Transmission Charges:

Nature of Provisions

A. In terms of various notifications / circulars issued by Government of Maharashtra, electricity duty is payable in respect of wind power sold to third parties. However in absence of clarity on the entire

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER 2015 :

subject and also in view of various other issues, the Company as a matter of prudence and without prejudice to dispute the claim has made a provision for Electricity duty.

- B. All the Wind Power Projects have completed the tenure of wheeling agreement with the distribution licensee viz. Maharashtra State Electricity Distribution Company Limited (MSEDCL). All the projects of wheeling energy are under the open access provisions issued by the Hon' able Maharashtra Electricity Regulatory Commission (MERC). As a matter of prudence and without prejudice the Company has made a provision for Wheeling and Transmission charges under open access.

Expected timing of resulting outflow:

- a. Since the matter is yet to be resolved / clarified in respect of applicability of Electricity duty for Wind Power Generation, the timing of outflow cannot be determined up to December 2011. However, the Company is paying the duty regularly since January 2012.
- b. Short Term Loans & Advances includes Wheeling and Transmission charges Rs. 77.64 million (previous year Rs. 77.64) have been paid to the distribution licensee under protest, as the matter is pending in appeal with the MERC.

36. In respect of Nandi Economic Corridor Enterprises Limited (NECE)

A. Basis of preparation

It has been reported in the print media that in September 2014, the Karnataka Legislative Assembly has constituted a House Committee Assembly Panel (House Committee) consisting of members of Legislative Assembly, to study the alleged violations in implementation of the Framework Agreement in the construction of Peripheral Road, development of townships and utilities undertaken by the NECE. Further, it has also been reported in the print media that the House Committee has been advised to conduct comprehensive enquiry and submit its report and recommendations within 3 months and study the High Court and Supreme Court rulings on the BMIC Project issues and the alleged violations by NICE in the implementation of Framework Agreement.

As on 3 September, 2015, NECE has not received any communication from the aforesaid House Committee regarding the alleged violations. NECE has also obtained a legal opinion in this regard and as per the said opinion, the constitution of the House Committee will be unconstitutional, illegal, invalid and any findings / report, if given by the aforesaid House Committee would also be illegal and untenable in law. Further, the NECE had faced similar situations in the past, where NECE has received favorable orders from the Hon'ble High Court and the Supreme Court.

Based on the aforesaid legal opinion, the Management of NECE has evaluated the above developments and in its assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and as the Hon'ble Courts have pronounced detailed favorable judgments regarding the same, including upholding the process adopted by NICE/NECE in implementing the BMIC Project as per FWA , the Management of NECE is of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC Project. As such, NECE intends to legally contest any matters that may arise in this regard to safeguard its interests.

NECE's township development activities carried out as part of the BMIC Project are dependent upon receiving necessary approvals from the Bangalore Mysore Infrastructure Corridor Area Planning Authority.

Based on the above, in the opinion of the Management, the requisite regulatory approvals are expected to be received by NECE in the normal course of business for the township development activities of NECE and hence, there would be no adverse effect on the operations of NECE.

B. Going concern assumption

NECE had been incurring losses in prior years resulting in substantial erosion of its net-worth and had also overdue in repayment of borrowings. In the current year, based on internal accruals, NECE has repaid all its overdue to the Senior Lenders and has also been successful in re-financing its long-term borrowings. However, NECE continues to face shortage of funds required to meet day-to-day business operations.

BFUL and NICE have entered into a Sponsor Support Agreement with the Senior Lenders of NECE, under which they have undertaken to financially support NECE in meeting any shortfall in the Operation and Maintenance of the Integrated Toll Road Project consisting of Toll Road and Township Development, as defined in the Agreement.

NECE believes that with a combination of the following mitigation plans, it would be able to meet all its obligations in the normal course of business:

- (i) the business plans of NECE which, inter alia, considers:
 - a) its internal cash accruals from Toll revenues;
 - b) disposal / development of parcels of land where approvals have been received;
 - c) disposal / development of parcels of land subject to receipt of approvals, which is expected to be received pursuant to the favorable orders of the Hon'ble High Court of Karnataka;
- (ii) legally contesting any matters that may arise consequent to the reported constitution of the Assembly Panel to study the implementation of the Framework Agreement as stated in; and
- (iii) The undertaking provided by BFUL and NICE under the Sponsor Support Agreement with the Senior Lenders of NECE, under which the said companies have undertaken to financially support NECE in meeting any shortfall in the Operation and Maintenance of the Integrated Toll Road Project consisting of Toll Road and Township Development, as defined in the Agreement.

Accordingly, these consolidated financial statements have been prepared on a going concern basis.

- C. NECE has advanced an amount of Rs.1,150,454,871 (Previous Year Rs.1,205,653,553) to Nandi Engineering Limited (NEL) for undertaking development of toll roads and townships and given loans of Rs. 160,793,546 (Previous Year Rs.170,678,545) to NEL [including interest accrued but not due of Rs.10,793,546 (Previous Year Rs.20,678,545)], which remain outstanding till 3 September, 2015 .These have been considered as good and recoverable in these consolidated financial statements by the Management of NECE based on the future additional work that is expected to be contracted to NEL once NECE receives / acquires the requisite land parcels.
- D. Section A of the BMICP includes development of 13 Kms of Expressway. Of the above, NECE has completed 8 Kms till 3 September, 2015 and is awaiting for allotment of land parcels from the GoK in order to complete the balance portion of the Expressway. An amount of Rs. 1,175,308,298, being the cost incurred (including allocation of preoperative expenses and borrowing costs) at the balance sheet date in developing the 8 Kms of bituminous road and related infrastructure has been classified in consolidated financial statements as Capital work in progress. NECE is confident of recovering the above costs through collection of tolls from the utilization of the Expressway, once the requisite land parcels are received from the GoK and the balance portion of the Expressway is completed.

37. Certain litigations by and against the Company and the subsidiaries of the Company are pending in various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending final outcome of the cases.
38. The Company is required to apply for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) every financial year. Upon receipt of the Open Access Permission, the credit notes are issued by MSEDCL for power generated at the Company's wind farm at Satara which are subsequently adjusted in the power bill of the customer in Pune.

The Company has applied for Open Access Permission to MSEDCL for the financial year 1 April, 2014 to 31 March, 2015 well in time. However, due to certain policy issues at MSEDCL, it has still not granted Open

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th SEPTEMBER 2015 :

Access Permission to the Company for the said year and consequently credit notes for this period are awaited from MSEDCL. The Company had preferred an appeal with MERC against this decision of MSEDCL.

Pending issuance of these credit notes, the Company has recognized revenue from power generation during 1 April, 2014 to 31 March, 2015 at the average power tariff base rate at Rs. 5.75 per unit generated.

In case of unfavorable decision by MERC and consequent sale of power to MSEDCL at Rs. 2.52 per unit generated, as per case no 58 of 2008 issued by MSEDCL, the profits of the Company for that year would be lower by about Rs. 40.5 million net of tax.

However the Company has received Open Access Permission for 3 years from 1 April, 2015

39. During the year, the operations of wind farm of the Company were partially affected due to the local issues at the wind farm site and disputes with the service provider. The power generation and corresponding income from operation is lower due to these disturbances. The wind farm has since been functioning normally.
40. Impact, if any, of significant transactions or other events, on the consolidated financial statements, pertaining to the period subsequent to the dates of issue of the respective financial statements of the subsidiaries till the date of issue of these consolidated financial statements, cannot be given due to lack of such information of the subsidiaries for the said period.
41. In the prior year remuneration amounting to Rs. 58,381,984 had been paid to Managing Director of NECE, Mr. Ashok Kheny. The remuneration paid for the period 1 April, 2013 to 30 November, 2013 was within the sanctioned limits of the approval, granted by the Ministry of Corporate Affairs, Government of India (GOI) to NECE. NECE's application for seeking approval from the GOI for the managerial remuneration to be paid for the period 1 December, 2013 until 31 March, 2014 is pending with the GOI for approval.
- Managerial remuneration for the period 1 December, 2013 to 31 March, 2014, to the extent of Rs. 13,333,333 would be adjusted appropriately in accordance with the GOI approval on receipt of the same.
42. Segment information based on consolidated financial statements, as required by Accounting Standard 17 "Segment Reporting" as prescribed by Rules, as amended is set out in a separate statement annexed thereto.
43. Statement of Financials of Subsidiary Companies in terms of Section 129(3) of the Companies Act, 2013 is annexed.
44. Exceptional items includes, profit on sale of 0% OFCD's by the Company held in DGM Realities Pvt Ltd. at a profit of Rs 40.4 million.
45. Previous year's figures have been regrouped and reinstated wherever necessary to correspond with the current year's classification / disclosure.

Annexure referred to in Note No. 30 of the Consolidated Financial Statements for the Year ended 30th September, 2015

Unique Accounting Policies followed by the Subsidiary Company :

A. Nandi Economic Corridor Enterprises Limited (NECE)

i) Operating cycle:

The business operations of NECE are classified into a) Toll road and b) Township development. Based on the nature of business operations of NECE and the normal time between acquisition of assets and their realisation in cash or cash equivalents, NECE has determined the operating cycle as 12 months for Toll Road operations and 5 years for Township Development from the date of registration of land in the name of NECE and after getting the required regulatory approval for commencing the development activities.

ii) Depreciation and amortisation:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013. In respect of tangible fixed assets purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is put to use. Individual assets costing less than Rs. 5,000/- are depreciated in full in the year of purchase.

Toll road assets - Section A, created under Build, Own, Operate and Transfer ('BOOT') is considered as Intangible Asset since the asset will be transferred to GoK at the end of the concession period. Since the concession period is not determinable pending fulfillment of the conditions precedent in the FWA and TCA (as more fully described in Note 1 above), NECE has, as a matter of prudence, commenced amortization of the Toll Road in accordance with Schedule II to the 2013 Act as follows:

- Solely for purposes of amortization of the Toll Road assets - Section A, NECE has considered a period of 40 years (i.e., 10 years of Construction period and 30 years of Concession period) from the Initial Financial Closure achieved in year 2004 (30 years is remaining as at the balance sheet date).
- The amortisation is based on proportion of actual toll road revenues earned during the period over the projected toll revenues estimated over the above mentioned 40 year period.

During the year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from 1 April, 2014, the Company has revised the estimated useful life of some of its assets to align the useful life with those specified in Schedule II. The details of previously applied depreciation / useful life are as follows :

Assets	Previous Depreciation Rate / Useful life	Revised useful life based on SLM
Plant and Equipments	20 years	8 / 12 years
Electrical Items	20 years	10 years
Laboratory Equipments	20 years	10 years
Towers	20 years	13 years
Office Equipments	20 years	5 years
Computer	6 years	6 / 3 years
Furniture and fixtures	15 years	10 years
Vehicles	10 years	8 / 10 years

iii) Share issues expenses:

Share issue expenses are adjusted against the Securities premium account as permissible under Section 52 of the Companies Act, 2013, to the extent any balance is available for utilisation in the Securities Premium Account. Share issue expenses in excess of the balance in the Securities Premium Account is expensed in the Statement of Profit and Loss.

iv) Inventory valuation:

Stock of Land and related developments are valued at lower of cost or net realisable value. Cost is the aggregate of Land cost and development cost which includes materials, contract works, direct expenses and apportioned borrowing cost.

v) **Service tax input credit:**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is no uncertainty in availing / utilising the credits.

vi) **Revenue recognition:**

- a) Toll Income is recognised on the basis of actual collections.
- b) Income from sale of land is recognised when the possession of land is transferred along with all risks associated with it.

B. Nandi Highway Developers Limited (NHDL)

i) **Fixed assets and depreciation:**

Fixed Assets :

Fixed Assets are carried at Cost of Acquisition (including cost of specific borrowings and expenses during construction period, directly attributable for bringing the assets in working condition) or Construction, less accumulated Depreciation.

Depreciation and Amortisation:

Depreciation has been provided on "Straight Line Method" and "Written Down Method" basis as per the useful life of the Assets prescribed in Schedule II of the Companies Act, 2013 in respect of tangible fixed assets, based on the technical estimates that indicate the useful lives would be comparable with or higher than those arrived at using the life of assets.

In respect of tangible fixed assets purchased during the year, depreciation is provided on pro-rata basis from the date on which such asset is put to use. Individual assets costing less than Rs. 5000/- are depreciated in full in year of purchase.

Toll road assets - Toll Roads Phase I and II, created under Build, Operate and Transfer ('BOT') is considered as Intangible Asset since the asset will be transferred to Government of Karnataka (GoK) at the end of the concession period. NHDL has, as a matter of prudence, commenced amortization of the Toll Road based in accordance with Schedule II to the Companies Act, 2013 as follows:

- Solely for purposes of amortization of the Toll Road assets - NHDL has considered a period of 26 years (i.e., 2 years of Construction period and 24 years of Concession period) from the Initial Financial Closure achieved in year 2000.
- The amortization is based on a proportion of actual toll revenues earned during the period over the projected toll revenues estimated for the balance concession period of 12 years.

ii) **Minimum Alternative Tax (MAT) credit entitlement:**

The MAT entitlement account reflects current year payment as well as previous year payment.

C. Nandi Infrastructure Corridor Enterprise Limited

i) **Fixed assets and depreciation:**

Depreciation on Road and Buildings is being provided on "Straight Line Method" basis in accordance with the provisions of the Companies Act, 2013 in the manner and at the rates specified in Schedule II of the said Act, over the estimated life of the assets.

ii) **Inventory valuation:**

Inventories are valued at cost or market value whichever is less.
