Management Discussion and Analysis

At CERA, *growth* has become a habit. Your Company continues to record healthy growth rate year after year and this fiscal the growth has surpassed the expectations of many industry watchers.

The unprecedented growth of your Company, much above the market growth, is largely on account of leveraging the high brand value and product optimization besides deeper penetration in some tier 2 markets. These efforts are further backed by strong and structured marketing efforts, good product quality and after-sales service.

Your Company's initiative to provide touch and feel experience to its customers through its CERA Style Studios, has paid off well. CERA Style Studios are located in upmarket locations in Ahmedabad, Mumbai, Kochi, Bengaluru, Hyderabad, Gurgaon and Chandigarh. The CERA Style Studio in Kolkata will soon start functioning from Topsia with increased area of display.

Your Company also encourages its premium dealers to extend touch and feel experience to its customers through exclusive CERA Style Galleries. As of today, there are around 70 such CERA Style Studios functioning throughout the country and more such CERA Style Studios will open in the coming years.

Your Company's efforts to leverage celebrities to endorse its brand have helped in the past when Bollywood celebrity Ms Dia Mirza was the brand ambassador for CERA. Your Company has now roped in Bollywood style and fashion icon Sonam Kapoor as its brand ambassador for two years. The new television commercials featuring Sonam Kapoor were released in leading television channels like Star Plus which has increased awareness and brand recall of CERA. The television campaign was supplemented by print advertisements in magazines.

Your Company also strengthened CERA Care, its after-sales division with induction of technicians for taking care of its services in all key cities of the country.

a) Industry Structure and Developments

Your Company's brand CERA, continues to grow by virtue of its brand power and customer loyalty, built over a period of 33 years. Your Company's brand extension to other related categories like faucets and tiles has helped in accelerating the growth.

The industry structure remains unchanged viz. Indian manufacturers in organized and unorganized sectors; International brands with or without manufacturing in India and imports from countries like China.

b) Opportunities and Threats

Your Company has been growing despite the two threats - international brands and slow down in housing construction. The demand in mid-segment housing is affected least and your Company's ability to pitch in the mid-segment will help maintain the growth rate.

c) Outlook

Your Company's two-pronged aggressive marketing push of mass media advertising and associating with CREDAI, IIA, IIID and IPA has helped increase the value and equity of brand CERA. The sales and distribution efforts to penetrate into tier 2 towns, supported by sales and after-sales teams, will help your Company grow in the coming years also.

d) Risks and Concerns

Any drastic change in Government policy may affect your Company.

(e) Internal Control Systems and their adequacy

The Company has an adequate system of internal control relating to the purchase of stores, raw materials, plant & machineries, equipments and various components and for the sale of goods commensurate with the size of the Company and the nature of business.

The system of internal control of the Company is adequate keeping in mind the size and complexity of your Company's business. Systems are regularly reviewed to ensure effectiveness.

(f) Financial performance with respect to operational performance is discussed in the main part of the Report.

(g) Material Developments in Human Resources, Industrial Relations, Environment, Health & Safety

Faced with the shortage of quality manpower, the thrust of your Company has been on talent improvement through training programmes.

Your Company continues to invest in training and development of its employees and has been organizing various training programmes from time to time. CERA's manpower strength as on March 31, 2014 stands at 2545.

The Company is ISO 9001, 14001 and BS 18001 certified. Your Company is also a member of Indian Green Building Council (IGBC), promoted by Confederation of Indian Industry (CII).

Education is an important prerequisite for the development of our communities. The youth holds the potential of bringing about fundamental changes in our society. This potential can be unleashed with proper educational facilities.

The **Vidush Somany Education Programme** was launched with the aim of empowering young students by facilitating basic education of high standards. With the support of Government schools, the Programme has been successful in benefitting nearly 1063 students in Kadi Town and Vill. Kundal, Mehsana district of Gujarat during the year. Understanding the need of the new generation of students, basic training in computer skills and other courses have been provided to primary schools in Kadi and surrounding areas.

An important aspect of this overreaching Programme is to facilitate and augment the basic formal education provided to students in Government schools. With the approval of District Education Officer (Primary), Mehsana District, the Programme holds special coaching classes for school students of classes from 5th to 8th standards in Kadi and Kundal at no extra charges. The special classes are conducted within the school premises by qualified tutors supported under the Programme with an emphasis towards providing personal attention and hence limiting each batch to 30 students only. The special classes offer additional training to students in the subjects of Mathematics, Science, English and Elementary Computer skills. Under the aegis of the Programme, five Municipal schools in Kadi and nearby Vill. Kundal have been provided with about 90 computers and associated accessories like printers and mouse pads along with tables, chairs and stationery for providing quality education in basic computer skills to young students of primary classes

Conducted by qualified instructors appointed under the Programme, the computer education facilities are helping the students gain access to higher skills and knowledge opportunities. The Programme also supports the setting up of more computer education facilities in Mehsana district in the near future. For encouraging education for girls, exclusive classes are also held for girl students from 9.30 am to 10.30 am, while classes for boys are held from 5.30 pm to 6.30 pm. Facilitating the young students in all aspects including availability of stationary items, the Programme provides educational support and from the nutritional point of view as well by providing regular refreshments.

The Programme also supports the children of the Kadi workers in realising their aspirations of higher education. Recognising their potential and aspirations, the Programme has encouraged 49 (forty nine) needy meritorious students of Kadi by offering education expenses for their higher education in the fields of Engineering, Medical and Pharma.

CERA has contributed the CSR activity for women empowerment at Vill. Kundal towards conducting stitching classes with well experienced professional tutor, sewing machines, materials and accessories. In coming years it will be diversified into other areas like cooking, beauty parlour, computer classes and other women empowerment activities.

The Company has contributed to ISKON Food Relief Foundation which will give mid-day meals to 1001 needy children for a year.

With these activities, your Company aims to provide a supportive platform to young and talented artists at a global scale. The emerging artists have received the opportunity of exhibiting their works at international art shows in Europe and Singapore and are now showcasing their talents in India too. The art shows have been appreciated by art lovers, critics and patrons. Showcasing a diversified form of style through the works of emerging artists, your Company aims to broaden the concept of style by reaching out to the field of art.

The Members of Cera Sanitaryware Limited

We have audited the accompanying financial statements of CERA SANITARYWARE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under Companies Act, 1956 (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs) and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
