MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENTS

Paper Machine Clothings (PMC)

Since the year 2014, India's Paper and Paper Board Packaging Industries has been growing at the rate 6.5% on Year to Year basis and currently the same stands at 5th Position. The Total Production is more than 10 million Tons and it is one of the fastest growing Industries as per NATION MASTER Database. Now, India's Position in Writing & Printing segment is again growing and the growth rate is about 3% on Year to Year basis and India achieved the highest in CAGR Position in 5 years with more than 600 Paper Mills all over India.

The present demand is estimated at 20 ml tons which is projected to boost to 28-30 ml tons by 2024-25. India is the greatest growing market for paper in the world with a growth rate of about 8% yearly. Though India's per-capita paper utilization is quite low compared to global peers, things are looking up and requirement is set to rise for present 20 ml tons to an estimated 28-30 ml tons by 2024-25 indicating great potentiality for growth at home. Besides, the real growth in Paper making activity is taking place in Asian region due to availability of Raw Material & Cheaper Workforce while the other part of the world has already come to a saturating stage. Therefore, being stationed in the developing region and with sufficient knowledge about paper making condition of Asian sub-continent, we see a great future in export potentiality for PMC products. We are also in the process of developing new PMC products to fetch more business from export market.

EDM Wires

The Company discontinued the EDM Wire business as it is not related to Paper Mill Product. Currently we are concentrating mainly on the business of Paper Machine Clothing.

OPPORTUNITIES AND THREATS

Paper Machine Clothings (PMC)

The Whole Country has gone through a severe Pandemic COVID19 which is first time in the history of Indian Manufacturers and it had happened around the time when Indian Manufacturing Index was about to take off on a higher volume. Your Company's factory was shut down for almost 2 months.

Currently, because the demand for many paper products is historically low, the competition among paper goods manufacturers is fierce. Paper companies are playing a delicate game, vying against each other for the few consumers purchasing their wares. This means that prices are at an all-time low, but that's hurting paper companies because the cost for their raw materials is, at the same time, rising.

Normally, the paper industry relies on a constant supply of recycled waste paper for its source materials. This year, the collection of those recyclables has largely ceased, driving up the cost for the raw material that does exist. Paper companies now are forced to pay sky-high prices for the material they need to make paper, but, due to low demand, aren't able to raise the prices they charge their customers. Unfortunately for some companies, their margins are becoming as thin as the paper they sell.

Your Company is also facing demand sluggishness in Writing Printing Segment and as a result PMC suppliers of neighboring developing country who have started dumping their products in Indian Paper Mills at a price lower than Indian suppliers, which may drastically reduce the NSR of our products as well as the off-take. This becomes biggest threat to the Company. Unless we upgrade our Plant & Machinery and continually develop our product it will be extremely difficult to sustain our market share and further enhance it that depends lot on availability of softer

fund for your Company. Your Company is also expected to create new business horizon in Metal Weaving segment creating new domestic & export market.

OUTLOOK

The outlook of Company appears bright. The Company anticipates modest growth in its operations in coming years and have taken steps to improve further in following areas :-

- Maintain high Quality Standards consistently.
- Create wide based product range to cater to export market.
- Modernize after-sales service.

Form No. MR - 3**SECRETARIAL AUDIT REPORT****FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

SHALIMAR WIRES INDUSTRIES LIMITED

25, Ganesh Chandra Avenue,

Kolkata- 700013

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SHALIMAR WIRES INDUSTRIES LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

CORPORATE GOVERNANCE REPORT *(Contd.)*

- (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable regulations /guidelines/circulars as may be issued by SEBI from time to time;

We further report that, there were no actions/ events in pursuance of;

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014/ the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, as applicable;
- (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008/ the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021, as applicable;
- (d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 / the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021, as applicable; and
- (f) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.

We further report that having regard to the compliance system prevailing in the Company, we have relied upon the representation made by the Management, for compliance with the applicable laws like:

- (a) Factories Act, 1948

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards as issued and mandated by the Institute of Company Secretaries of India;
- (ii) The Listing Agreements entered into by the Company with BSE Limited and Calcutta Stock Exchange.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except for delay in compliance with Regulation 31(1) of SEBI (Listing Obligations and Disclosure Requirements) for the quarter ended 31st March, 2021 for which the Company had received notices from BSE levying fine. The Company had paid off the same during the period under review. According to the management explanation the filing had been done within the stipulated time but could not be uploaded in BSE website due to technical fault.

We further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were changes in the composition of the Board of Directors during the Year under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

CORPORATE GOVERNANCE REPORT *(Contd.)*

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that due to the spread of COVID-19 pandemic, compliances had been made considering the various relaxations granted, from time to time, by the Securities and Exchange Board of India and the Ministry of Corporate Affairs and other Regulatory authorities, as applicable.

We further report that during the audit period there were no events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above;

This Report is to be read with our letter of even date which is annexed as "Annexure A" and forms an integral part of this Report.

Independent Auditors' Report

TO THE MEMBERS OF SHALIMAR WIRES INDUSTRIES LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Shalimar Wire Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022 and its loss, total comprehensive income for the year, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independent requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to Note No. 45 of accompanying Standalone Financial Statements, wherein the Company has described its impact assessment due to the COVID-19 pandemic. As stated in the said note, eventual outcome of the impact of the global health pandemic may be different from those estimated as on date of the approval of Standalone Financial Statements.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholders

Independent Auditors' Report *(Contd.)*

Information, but does not include the Standalone Financial Statements and our Auditor's Report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high label of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and the considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditors' Report *(Contd.)*

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Sub-section (11) of Section 143 of the Act, we enclose in the **Annexure – 'A'** a statement on the matters specified in the said Order, to the extent applicable to the Company.
2. As required by Section 143(3) of the Act, based on our audit we report that
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

Independent Auditors' Report *(Contd.)*

- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement Cash Flows dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
- e) On the basis of written representations received from the Directors as on 31st March, 2022 taken on record by the Board of Directors, none of the Director is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the Internal Financial Controls over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure – B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with amended Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position, wherever ascertainable – Refer Note No. 32.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there was any material foreseeable loss.
 - iii) Since the Sick Industrial Companies Act has been repealed by the Government of India, the exemption granted to the Company by the erstwhile BIFR from transferring any amount to the Investor Education and Protection Fund is no longer available and accordingly the Company is taking necessary steps for transferring the unclaimed amounts to Investor Education and Protection Fund.
 - iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which

Independent Auditors' Report *(Contd.)*

are material either individually or in the aggregate) have been received by the Company from any person or entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shalimar Wires Industries Limited ("the Company") as of 31 March 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

Independent Auditors' Report *(Contd.)*

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Report on the Audit of the Annual Financial Results *(Contd.)*

To the Board of Directors

Shalimar Wires Industries Limited

Opinion

We have audited the accompanying Standalone quarter and annual financial results of Shalimar Wires Industries Limited (the company) for the quarter and year ended 31st March 2022, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the year ended 31st March 2022.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibility for the Audit of the Quarter and Annual Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the quarter and annual financial results.

Emphasis of Matter

We draw attention to Note 5 to the accompanying quarter and annual financial result, which describes management's assessment of uncertainty relating to the effects of the COVID-19 pandemic on the Company's operations. Our opinion is not modified in respect of this matter.

Our opinion is not modified in respect of the above matter.

Management's Responsibilities for the Annual Financial Results

These standalone quarter and annual financial results have been prepared on the basis of the standalone annual financial statements. The Company's Management and the Board of Directors are responsible for the preparation and presentation of these Standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the

Report on the Audit of the Annual Financial Results *(Contd.)*

Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the quarter and annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results.

Our objectives are to obtain reasonable assurance about whether the Annual Financial Results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this quarter and annual financial results.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors

Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that

Report on the Audit of the Annual Financial Results *(Contd.)*

may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Statement includes the financial results for the quarter ended 31 March 2022, being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to limited review by us and not subjected to any audit. Our report on the Statement is not modified in respect of this matter.

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

To the financial statements for the year ended 31st March, 2022

1. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION AND MEASUREMENT

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes in these financial statements.

The financial statements of the Company for the year ended 31st March, 2022 were approved for issue in accordance with the resolution of the Board of Directors on 30th May, 2022.

(b) Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

1.2 KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Measurement of defined benefit obligations – Note-42
- (b) Measurement and likelihood of occurrence of provisions and contingencies – Note-32.and
- (c) Recognition of deferred tax assets
- (d) Key Accounting Ratio

1.3 SIGNIFICANT ACCOUNTING POLICIES:

a) Recognition of Income & Expenditure:

Income and Expenditure are recognised on accrual basis.

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

b) **Property, Plant and Equipment:**

Property, plant and equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

- Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase.

Freehold land is not depreciated.

Leasehold land: Cost of Leasehold Land and installation and other expenses incurred on Machineries taken on lease are amortized over the period of the respective lease.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

b) **Intangible Assets:**

Separately purchased intangible assets are initially measured at cost. Intangible assets acquired in a business combination are recognized at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. Finite-life intangible assets are amortized on a straight-line basis over the period of their expected useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows:

Patent- 20 years

Know-how- 5 years

Computer software- 5 years

The amortization period and the amortization method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

Indefinite life intangibles mainly consist of patents. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues, if not, it is impaired or changed prospectively basis revised estimates

c) **Inventories:**

Inventories are stated at 'cost or net realisable value, whichever is lower'. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'Weighted Average Cost'. As per consistent practice, qualitative

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

deterioration of old stocks are recognised by way of value reduction of such items.

d) Financial Instruments:

Financial Assets:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortized cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Cash and Cash Equivalents:

Cash and cash equivalents are short-term (twelve months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

Investments:

Long Term Investments are carried at cost and Provision for impairment is made to recognise a decline, other than temporary, in the value of long term investments, script wise.

Trade Receivables and Loans:

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Debt Instruments:

Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL') till derecognition on the basis of (i) the entity's business model for managing the financial assets and (ii) the contractual cash flow characteristics of the financial asset.

a) Measured at amortized cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

b) Measured at fair value through other comprehensive income:

Financial assets that are held within a business model whose objective is achieved by both, selling

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to other income' in the Statement of Profit and Loss.

c) Measured at fair value through profit or loss:

A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value; the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Derecognition:

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset:

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities:

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortized cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

carried at fair value through profit or loss and are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

e) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable. Contingent Liabilities are shown by way of Notes to Accounts in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is not considered probable, hence not provided for. Contingent assets are not recognised in the accounts.

f) Revenue Recognition:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, etc.

Income from export incentives such as duty drawback and premium on sale of import licenses, and lease license fee are recognised on accrual basis.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

Effective from 1 April, 2018 the Company has adopted Ind AS 115 **“Revenue from Contracts with Customers”**.

g) Employee Benefits:

Defined benefit plans

Defined benefit plans, the amount recognised as ‘Employee benefit expenses’ in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). The amount of net interest expense calculated by applying the liability discount rate to the net defined benefit liability or asset is charged or credited to ‘Finance costs’ in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in ‘Other comprehensive income’ and subsequently not reclassified to the Statement of Profit and Loss.

The defined benefit plan surplus or deficit on the Balance Sheet comprises the total for each plan of the fair value of plan assets less the present value of the defined benefit liabilities (using a discount rate by

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

reference to market yields on government bonds at the end of the reporting period).

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

h) Foreign Currency Transactions:

- a) Transactions in Foreign currency are initially recorded at the exchange rate at which the transaction is carried out.
- b) Monetary Financial Assets and Liabilities related to foreign currency transactions remaining outstanding at the year end are translated at the year end rates.
- c) Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- d) Any income or expense on account of exchange difference either on settlement or on translation at the year end is recognized in the Statement of Profit & Loss.
- e) In case of items which are covered by forward exchange contracts, the difference between the yearend rate and the rate on the date of the contract is recognized as exchange difference. The premium or discount on forward exchange contracts is recognized over the period of the respective contract.

i) Research & Development Expenditure:

Revenue expenditure is charged to Statement of Profit & Loss and Capital expenditure is added to the cost of fixed assets in the year in which it is incurred.

j) Borrowing Costs:

Borrowing Costs that are attributable to the acquisition or construction of qualifying non financial assets are capitalised as part of the cost of such assets. A qualifying such asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss in the period in which they are incurred.

k) Income Taxes:

Income-tax expense comprises Current tax and Deferred tax charge or credit. Provision for current tax is made on the assessable income at the tax rate applicable to the relevant assessment year. The Deferred tax Asset and Deferred tax Liability is calculated by applying tax rate and tax laws that have been applicable to the relevant assessment year. The Deferred tax Asset and Deferred tax Liability is calculated by applying tax rate and tax laws that have been depreciation under tax laws, are recognised only if there is a virtual certainty of its realization, supported by convincing evidence. Deferred tax Assets on account of other timing differences are recognised only to the extent there is a reasonable certainty that the assets can be realized in future.

l) Impairment of Non Financial Assets:

Impairment loss, if any, is recognised to the extent, the carrying amount of assets exceed their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

amount of assets to the extent that it does not exceed the carrying amount that would have been determined (net of amortization or depreciation) had no impairment loss been recognised in previous years.

After impairment, depreciation or amortization on assets is provided on the revised carrying amount of the respective asset over its remaining useful life.

m) Operating Cycle:

All Financial Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies' Act, 2013. Based on the nature of services provided and time between the rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as less than 12 months for the purpose of current and non-current classification of financial assets and liabilities.

n) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

o) Segment Reporting:

Segments are identified based on the dominant source and nature of risks and returns and the internal organization and management structure. The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. In addition, the following specific accounting policies have been followed for segment reporting:

- (a) Inter segment revenue is accounted for based on the transaction price agreed to between segments which is primarily market led.
- (b) Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been disclosed as "Un-allocable".

42 Employees Benefits under Indian Accounting Standard (Ind As) -19:

As per Indian Accounting Standard (Ind As)- 19 " Employee Benefits", the disclosure of Employee Benefits as defined in the Indian Accounting Standard (Ind As) 19 are as follows:

a) Defined Contribution Plan :

- i) Employee benefits in the form of Provident Fund, Superannuation Fund, Employee State Insurance Scheme and Labour Welfare Fund are considered as defined contribution plan except that Provident Fund in respect of certain employees is contributed to a fund set up by the Company which is treated as a Defined Benefit Plan since the Company has to meet the interest shortfall.
- ii) The contributions to the funds are made in accordance with the relevant statute and are recognized as an expense when employees have rendered service entitling them to the contributions. The contribution to Defined Contribution Plan, recognized as expense for the year are as under:

Defined Contribution Plan	As at 31st March,2022 (Rs.in lacs)	As at 31st March,2021 (Rs.in lacs)
Employer's Contribution to Provident Fund	102.25	95.60
Employer's Contribution to Superannuation Fund	-	-
Employer's Contribution to Employee State Insurance Scheme	2.94	3.89
Employer's Contribution to Labour Welfare Fund	0.05	0.08

b) Defined Benefit Plan :

- i) Post employment and other long-term employee benefits in the form of gratuity and leave encashment are considered as Defined Benefit Obligation. The present value of obligation is determined based on actuarial valuation using projected unit credit method as at the Balance Sheet date. The amount of defined benefits recognized in the Balance Sheet represent the present value of the obligation as adjusted for unrecognized past service cost and as reduced by the fair value of plan assets.

NOTES TO FINANCIAL STATEMENTS for the year ended 31 March 2022 (Contd.)

- ii) Provident Fund in respect of certain employees is contributed to a fund set up by the Company which is treated as a Defined Benefit Plan since the Company has to meet the interest shortfall. There is no interest shortfall as at the year end. As advised by an independent actuary, it is not practical or feasible to actuarially value the liability considering that the rate of interest is notified by the Government. Accordingly other related disclosures in respect of Provident Fund have not been made.
- iii) Any asset resulting from this calculation is limited to the discounted value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the plan. The amount recognized in the Profit and Loss Account for the year in respect of Employees Benefit Schemes based on actuarial reports is as follows :
