NOTES

- 1) An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 Special Business i.e. item 3 to 9, is annexed hereto. The relevant details (including profile and expertise in specific functional areas), pursuant to Regulation 36(3) of the SEBI (Listing Obligations & Disclosures Requirement) Regulations, 2015 and as per Secretarial Standard on General Meeting issued by the Institute of Company Secretaries of India, in respect of directors seeking re-appointment at this AGM is also annexed. The Directors have furnished the requisite consent/declarations for their appointment /re-appointment as required under Companies Act, 2013 and the Rules there under.
- 2) The requirement to place the matter relating to appointment of Auditors for ratification by members at every Annual General Meeting is done away with by Companies (Amendment) Act, 2017 dated 7th May, 2018 issued by Ministry of Corporate Affairs. Accordingly no resolution is proposed for ratification of appointment of Auditors, who were appointed in the Annual General Meeting, held on 28th September, 2017.
- 3) In view of the COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated January 13, 2021 (read with previous circulars) in this regard and Securities and Exchange Board of India ("SEBI") vide circular dated January 15, 2021 (read with previous circulars) in this regard permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM, without the physical presence of the members at a common venue. The deemed venue for the 37th AGM shall be the Registered Office of the Company. The Company has engaged National Securities Depository Limited (NSDL) for facilitating voting through electronic means i.e., remote e-voting and voting at the AGM.
- 4) Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the aforesaid Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- 5) Corporate members intending to send their authorized representatives to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting are requested to send to the Company a certified copy of the board resolution authorizing their representative to the registered email address of the Company.
- 6) The Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- 7) The Members can join the AGM through the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the AGM by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to the members on "First come First served" basis. This will not include large Shareholders (Shareholders holding 2% or more of the total number of shares of the Company as on the cut-off date as defined), Promoters, Directors, Key Managerial Personnel, Institutional Investors, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served" basis.
- 8) In compliance with the aforementioned MCA & SEBI Circulars, the Notice of the 37th AGM along with the Annual Report for the year 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report for the year 2020-21 and other documents will also be available on the Company's website www.lokeshmachines.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock

Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL www.evoting.nsdl.com. Other than the above, no physical/hard copies of the Notice & Annual Report will be sent to shareholders.

- 9) Register of Directors and key managerial personnel and their shareholding maintained under section 170 of the companies Act, 2013 will be available for inspection by the members at the meeting.
- 10) Register of contracts or arrangements in which directors and Key managerial personnel are interested Maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the registered office of the Company.
- 11) Pursuant to the provisions of Section 124, 125 of the Companies Act, 2013 read with rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force) the amount of dividend remaining unpaid for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF) constituted by the Central Government. Members who have not encashed their dividend are requested to contact the RTA of the Company in this regard. The amount so transferred to IEPF cannot be claimed from the Company. THE INSTRUCTIONS FOR REMOTE E-VOTING AND VOTING AT THE MEETING ARE AS UNDER:

1. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 (including amendments thereto) and SEBI LODR, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means and the business may be transacted through e-voting services. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as voting at the meeting will be provided by NSDL.
2. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process. In terms of aforesaid SEBI Circular on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

3. The remote e-voting period begins on Saturday, 25th September, 2021 at 9:00 A.M. (IST) and ends on 27th September, 2021 at 5:00 P.M. (IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 21st September 2021, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 21st September 2021. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

Mr. K. Krishna Swamy age about 80 years was appointed as Non-executive director of the Company. As per the amended SEBI (LODR) Regulations, 2015 which requires special resolution for appointment/continuation of any non-executive director who has attained the age of 75 years or more. Mr. Krishna Swamy has attained the age of 75 years during the term of his appointment. Hence this Special Resolution is placed before the shareholders.

He is working excellently and Board believes his involvement is needed for enhancing the growth of the Company.

Accordingly, consent of the members is sought for passing a Special Resolution as set out at Item No.7 of the Notice for continuation of his appointment.

Item # 8

Your Board has to consider from time to time proposals for diversification into areas which would be profitable for the Company as part of diversification Plans. For this purpose, the object Clause of the Company, which is presently restricted in scope, requires to be comprehensive so as to cover a wide range of activities to enable your Company to consider embarking upon new projects and activities.

The alteration in the Objects Clause of the Memorandum of Association as set out in the Resolution is to facilitate diversification. This will enable the company to enlarge the area of operations and carry on its business economically and efficiently and the proposed activities can be, under the existing circumstances, conveniently and advantageously combined with the present activities of the company.

The "Main Object" clause of the Memorandum of Association of the Company is being amended with insertion of New Clause III (A) (5). The Board at its meeting held on September 02nd, 2021 has approved alteration of the MOA of the Company and the Board now seeks Members' approval for the same.

Further, a copy of the proposed MOA of the Company would be available for inspection for the Members at the Registered Office of the Company during the office hours on any working day, except Saturdays, Sundays and public holidays, between 11.00 a.m. to 5.00 p.m. till the date of AGM.

None of the Directors or Key Managerial Personnel of the Company including their relatives is interested or concerned in the resolution except to the extent of their shareholding, if any, in the Company.

Your Board recommends passing of this resolution for amendment of Memorandum of Association of the Company by way of Special Resolution.

Item # 9

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. DZR & Co., Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2022 at a remuneration of Rs 50,000/- as audit fee, and GST as applicable and out of pocket expenses shall be paid on actual.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 9 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2022.

None of the Directors/ Key Managerial Personnel's of the Company/ their relatives are in any way, concerned or interested, financially or otherwise, in the ordinary resolution set out in item No. 9 of the Notice.

The Board recommends the resolution for your approval as an Ordinary Resolution.

Earnings Per Equity Share:		
Basic	2.21	(2.62)
Diluted	2.21	(2.62)

2. PERFORMANCE REVIEW:

The turnover decreased by 19%, during the year.

- During the year, the Company recorded Revenue from Operations by way of Net Sales of Rs.15,021.45 Lakhs as compared to Rs.12,584.07 Lakhs in 2019-20, an increase of about 19%.
- The Machine Tool Division has registered a growth of around 31% in terms of sales value as compared to the previous year; primarily lead by the Special Purpose machinery division which itself showed a sharp growth of around 52.25% as compared to previous year. GPM Machines sale has also shown considerably improved numbers in comparison to previous financial year.
- The Component division had also shown a marginal increase in comparison to previous year.
- The overall increase in Turnover and the profit by the Company was due to the marginal growth of the economy especially in Auto sector after reduction of COVID-19 related restrictions. The Company is continuously putting its efforts towards achieving its sales and profit targets and your directors are confident that the same will be achieved in near future despite challenges posed by COVID-19.

3. DIVIDEND

In view of inadequacy of profit, your directors regret that they are unable to recommend any dividend for the financial year ended 31st March, 2021.

4. TRANSFER TO GENERAL RESERVE

The Company does not propose to transfer any amount to General Reserve for the financial year 2020-21.

5. SHARE CAPITAL

The paid-up Equity Share Capital as on 31st March, 2021 was Rs. 1789.68 Lakhs.

6. SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

The company does not have any Subsidiary company either in India or abroad.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Overview

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and in compliance with Companies (Indian Accounting Standard) Rules, 2015. The Company has adopted "IND AS" with effect from 1st April, 2017. Accordingly the financial statements for the year 2020-21 have been prepared in compliance with Companies (Indian Accounting Standards) Rules, 2015. The estimates and judgments relating to financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner.

The management presents the analysis of performance of your Company for the year 2020-21 and its outlook for the future. This outlook is based on assessment of the current business environment and the expectations, estimates and projections of the management of the Company. It may vary due to future Economic, Pandemic and Political Developments, both in the Indian and international economies and due to factors beyond control of the Company.

Industry Structure and Developments:

In an unpredictable year that pushed the world and India into an economic recession, reporting de-growth would have been the norm. This is particularly relevant for an enterprise operating in the capital goods business space, because the general rule of thumb is that the capital goods sector features among the last to rise in an economic uptick and the first to fall in a downturn. In spite of that the machine tools industry reported a healthy growth during the year, the reason being the change in perception of the people in & outside India. This was largely owing to people choosing personal mobility over public transportation due to ongoing Covid-19 pandemic as well as there being an inherent pent up demand due to the slowdown in the earlier years. This trend is expected to continue during the current year as the average Indian gains confidence in India's economic resilience. India is one of the few nations to have displayed commendable economic resurgence. Going forward, India is expected to register a double digit GDP growth in FY22 as per credible government estimates.

Opportunities and Threats:

The growth opportunity for the machine tool Industry is in proportion with growth of other industries. During the last few years, the phenomenal growth in Automobile industry has largely contributed to the growth of machine tool industry and opportunities lie in further growth in Automobile Industry as several multinational car manufacturers are shifting a part of their supply chain & sourcing base to India.

The global Machine Tool Market is estimated to surpass \$94.42 billion marks by 2026 growing at an estimated CAGR of more than 3.7% during the forecast period 2021 to 2026. Increasing demand for high efficiency in complex machining products is expected to drive the machine tool market. Rise in demand for low operating cost and high precision, along with technological advancement in production processes, is further resulting in the popularity of CNC machines.

Besides Auto component manufacturers, a host of Engineering, Medical, Defense, Agro and Power sector based industries are also contemplating about moving their supply chain to India. This provides a huge opportunity for Indian manufacturers and this would provide a corresponding opportunity to Machine Tool Manufacturers. Indian Railways has also upped its target of manufacturing locomotives, coaches and wagons in FY22. This is expected to open significant opportunities for the Machine Tool Manufacturers.

As uncertainties prevail in the global economy, the industry continues to face a range of business risks related to supply chain and changing customer preferences. Delay in economic recovery, increase in commodity prices and forex volatility are some of the headwinds being confronted. Moreover, evolving regulatory and trade environment, technological changes and environmental regulation continue to pose challenges to the sector

Segment –wise Performance

Machine Tool Division: In line with the Industry performance as mentioned above, your company has also performed well. While the company had its share of problems with the disruption in supply chain as well as disruption in operations, but it has managed to wade successfully through these issues and posted a reasonable

growth. The company could also counter to an extent the commodity price rise and supply chain disruptions; particularly the imported items through a focused supply chain management and stringent internal cost controls. The company has also been successful in promoting its machines in the non-automotive space and this would only improve further going forward.

With an efficient and innovative management team and vast experience in Development, Production, Supply of

Machine Tools, Jigs, Fixtures and Accessories Improved and sustained efforts of the Company for enhancing the technological competencies, cost competitiveness and increased market reach are expected to yield good results in the near future.

Component Division: The Company has a rich experience of around 37 years in automobile sector and in manufacturing of auto components such as Cylinder Blocks, Cylinder Heads and Connecting Rods. Though the demand was subdued and the growth has been marginal, but due to a well-established practice of continuous improvements through Kaizens etc., the costs were very well reined in.

Outlook

Machine Tool Division: The industry which is seeing a meaningful upturn after a long period of sluggish growth is likely to witness a positive momentum on the back of revival in overall economy, improving rural cash flows, and an increasing need for personal mobility. Introduction of schemes like production-linked incentive and vehicle scrappage policy is likely to increase the competitiveness of the Indian automotive industry globally. Also, with the Global Supply Chains in Engineering and Automotive space starting to source from India as a China De-risking strategy, the future augurs well for India.

To meet this potential demand, your company is adding significant capacities in both manufacturing as well as marketing. Further, to cater to the new opportunities emerging from Non- Automotive industries, the technology will be upgraded on par with the Global levels by entering into strategic tie ups with leading European and South Asian companies.

Component Division: There is a significant demand forecast from M&M due to their new product launches as well as growth in the existing products. The company is very quickly adding capacities to meet the demands. The company is also venturing into non-automotive space, given its engineering strengths, infrastructure, well laid out processes and is therefore confident of making significant inroads in the years to come.

Risks and Concerns

An increase in cases of Corona virus infection and the consequent restrictive measures imposed by the Government could derail growth prospects. On the other hand, widespread vaccination campaigns being run by the Government are likely to control the pandemic resulting in expanded economic activity.

The Company's growth is linked to growth of the Automobile Sector which is cyclical in nature. This cyclical nature might affect the demand ultimately has an effect on the order book of the Company. However the Company is focusing towards export orders and non-automotive business to counter the risk. There have been very good results so far and the company is confident of posting significant success in these areas.

The profit margin and cost competitiveness may be affected due to change in the prices of raw materials, power and other input costs which can significantly impact the profitability. Careful monitoring and being frugal and innovative can be very encouraging.

Discussion on Financial Performance with respect to operational performance

During the year the Company recorded Revenue from operations by way of Sales of Rs. 15,021.45 lakhs as against Rs. 12,584.07 lakhs in the FY 2019-20, a increase of about 19% in sales value. During the year the Net profit after tax was Rs. 396.15 lakhs as compared to loss of Rs. 468.42 lakhs in the previous financial year.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditors responsibility for the Audit of Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key Audit matters are those matters that in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act. with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from

fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of LOKESH MACHINES LIMITED, HYDERABAD ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to financial statements (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance

regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India.

At present the Company is engaged in the business of manufacture of Special Purpose Machines (SPM), General Purpose Machines/CNC Lathes (GPM), Connecting Rods and machining of Cylinder Blocks and Heads.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**a) Statement of Compliance:**

These Financial Statements prepared by the Company comply in all material respects with the notified Accounting Standards under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 to the extent applicable and the other relevant provisions of the Act, pronouncements of the regulatory bodies applicable to the Company.

These financial statements have been prepared by the Company as a going concern on the basis of relevant Ind AS that are effective or elected for early adoption at the Company’s annual reporting date, 31 March 2021. The accounting policies are applied consistently to all the periods presented in the financial statements. The Standalone financial statements of the Company for the year ended 31 March, 2021 were approved by the Board of Directors on June 16, 2021.

b) Basis of Measurement

The financial statements have been prepared on the historical cost convention and on accrual basis, except for the following assets and liabilities which have been measured at fair value wherever applicable

- Certain financial assets / liabilities measured at fair value,

- Net defined benefit assets/(liability) are measured at fair value of plan assets, less present value of defined benefit obligations.

c) Critical Accounting Estimates and Judgments

The preparation of Company’s financial statements requires management to make accounting estimates, assumptions and judgments that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures of contingencies at the end of the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amounts of assets or liabilities affected in future periods.

The areas involving critical estimates or judgments are –

The areas involving critical estimates or judgments are –

- Useful lives of property plant and equipment and intangible assets
- Measurement of defined benefit obligation.
- Estimation of impairment
- Estimation of Provision and Contingent liabilities
- Recognition of deferred taxes

d) Current Vs Non-current classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it satisfies the below mentioned criteria:

- i. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- ii. Expected to be realized within twelve months after the reporting period, or
- iii. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non- current assets.

A liability is classified as current when it satisfies the below mentioned criteria:

- i. Expected to settle the liability in normal operating cycle;
- ii. Due to be settled within twelve months after the reporting period, or
- iii. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non- current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

3. SIGNIFICANT ACCOUNTING POLICIES:

a) Property, Plant and Equipment:

Property, plant and equipment are stated at cost net of input tax credits, less accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and all attributable cost, to bring the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to put to use.

The Company adopted cost model as its accounting policy, in recognition of the property, plant and equipment and recognizes transaction value as the cost.

Capital work in progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date.

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the Statement of Profit and Loss. Property, Plant and Equipment which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from property, plant and equipment and the carrying amount net of scrap value, if any is charged to Statement of Profit and Loss.

The improvements/modifications carried on the lease hold land/property are recognized as lease hold improvements and are written off over the primary lease period or the life of such improvement whichever is lower.

Estimated useful lives of the assets are as follows :

Type of the Asset	Method of Depreciation	Useful life considered(years)
Building-Factory	SLM	30
Plant and Machinery	SLM	15
Furniture and Fixtures	WDV	10
Vehicles	WDV	8
Office Equipment	WDV	10
Miscellaneous Equipment	WDV	15

b) Intangible Assets:

Computer software:

Computer software is recognized at cost and is amortized over the useful life as estimated by the Management which is about 3 years for all of the intangible computer software assets.

c) Impairment of non-financial assets:

- i. The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.
- ii. Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset do no longer exist or have decreased.

d) Leases:

The Company assesses whether a contract contains a lease, at the inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control use of an identified asset, the Company assesses whether:

- a) The contract involves use of an identified asset;
- b) The Company has substantially all the economic benefits from the use of the asset through the period of lease; and
- c) The Company has the right to direct the use of an asset.

At the date of commencement of lease, the Company recognizes a Right-of-use asset ("ROU") and a corresponding liability for all lease arrangements in which it is a lessee, except for leases with the term of twelve months or less (short term leases) and low value leases. For short term and low value leases, the Company recognizes the lease payment as an operating expense on straight line basis over the term of lease.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate explicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

e) Inventories:

Raw materials, stores and spares, work in progress and finished goods are stated at the lower of cost and net realizable value. Costs are assigned to individual items of inventory and are determined based on first in first out basis (FIFO).

Cost of raw materials comprises cost of purchases and includes all other costs incurred in bringing the inventories to their present location and condition. Cost of work-in-progress and finished goods comprises direct materials, direct labor and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, stand-by equipment and servicing equipment are recognized in accordance with this Ind AS-16 when they meet the definition of Property, Plant and Equipment. Otherwise, such items are classified as inventory. Spare parts, stand-by equipment and servicing equipment are stated at the lower of cost or net realizable value.

f) Revenue recognition:

Revenue is measured at the fair value of consideration received or receivable and is recognized to the extent that it is probable that the economic benefits will flow to the Company. Specifically, the following basis is adopted for various sources of income:

Revenue from Sale of goods:

Revenue from contracts with customers for sale of products is recognised, generally at a point in time, when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods, excluding taxes or duties collected on behalf of the government e.g. goods and service tax (GST).

g) Other income**Interest income:**

Interest income primarily comprises of interest on Margin money deposits with the banks, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of financial asset.

h) Foreign currency transactions:**i. Functional and Reporting Currency:**

The Company's functional and reporting currency is Indian National Rupee.

ii. Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amounts the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

iii. Conversion on reporting date:

Foreign currency monetary items are reported using the closing rate. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

iv. Exchange Differences:

Exchange difference arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

i) Retirement and other employee benefits:

- i. Employer's contribution to Provident Fund/Employee State Insurance which is in the nature of defined contribution scheme is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.
- ii. Gratuity liability is in the nature of defined benefit obligation. Such liability is provided based on independent actuarial valuation on projected unit credit method made at the end of each financial year as per the requirements of Ind AS 19 "Employee Benefits". Actuarial gain/ (loss) in the valuation are recognized as other comprehensive income for the period.
- iii. Compensated absences which are in the nature of defined benefit obligation are provided for based on estimates of independent actuarial valuation on projected unit credit method made at the end of each financial year as per the requirements of Ind AS 19 "Employee Benefits".

j) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

k) Segment Reporting:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

l) Dividends:

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividend is approved by the shareholders. Any interim dividend paid is recognized on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognized directly in equity.

m) Earnings per Share:

Basic earnings per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period, net off treasury shares. For the purpose of calculating diluted earnings per share, the profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

n) Provisions:

Provisions are recognized when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognized for future operating losses.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognized as a separate asset. However, this asset may not exceed the amount of the related provision.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provisions due to the passage of time is recognized as a finance cost.

o) Contingencies:

Where it is not probable that an inflow or an outflow of economic resources will be required, or the amount cannot be estimated reliably, the asset or the obligation is not recognized in the statement of balance sheet and is disclosed as a contingent asset or contingent liability. Possible outcomes on obligations/rights, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent assets or contingent liabilities.

p) Taxes on Income:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the respective laws of the state. Current tax includes taxes to be paid on the profit earned during the year and for the prior periods.

Deferred income taxes are provided based on the balance sheet approach considering the temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

q) Prior period items:

In case prior period adjustments are material in nature the Company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". Immaterial items pertaining to prior periods are shown under respective items in the Statement of Profit and Loss.

r) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for meeting short-term cash commitments.

For the Statement of Cash Flows, cash and cash equivalents consists of short term deposits, as defined above, net of outstanding bank overdraft as they are being considered as integral part of the Company's cash management.

s) Financial Instrument:

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

a. Financial Asset:**Initial recognition and measurement**

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit & loss account transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified as measured at:

- 1) Amortized Cost
- 2) Fair value through profit and loss (FVTPL)
- 3) Fair value through other comprehensive income (FVTOCI)

Financial Asset measured at amortized cost

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss.

The company while applying above criteria has classified all the financial assets (except investments in equity shares) at amortized cost.

Financial Assets Measured at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to other income' in the Statement of Profit and Loss.

Financial Assets at fair value through profit or loss (FVTPL)

Financial Asset is measured at fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of profit & loss.

De-recognition of Financial Assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward looking estimates.

Expected credit loss allowance or reversal recognized during the period is recognized as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

b. Financial Liabilities.

Initial recognition and measurement

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent Measurement

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or losses are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Financial Liabilities at amortized cost

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

All the financial liabilities of the company are subsequently measured at amortized cost using Effective Interest method.

De recognition of Financial Liabilities

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

t) Offsetting

Financial assets and financial liabilities are off set and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

u) Recent accounting developments

On March 24, 2021, the Ministry of Corporate Affairs (“MCA”) through a notification amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

35. Fair Value Measurement:

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for such asset or liability, or in the absence of a principal market, in the most advantageous market which is accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a. Level 1 – Quoted (unadjusted market prices) in active markets for identical assets or liabilities.
- b. Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurements is directly or indirectly observable.
- c. Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The operations of the company are largely confined in India, with export contributing to approximately 6.54% of its annual net sales. The management views the Indian market and export market as distinct geographical segments.

41. Financial Risk Management

The Company's activities expose it to market risk, credit risk and liquidity risk. Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance.

I. Market Risk

Market risk is the risk of loss of the future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

- a. **Foreign Currency Risk** - Foreign Currency Risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to change in foreign currency rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to impact of raw materials and spare parts, capital expenditure and export of Machines. The company does not enter into any derivative instruments for trading or speculative purposes and the impact foreign currency risk is negligible.

- b. **Interest Rate Risk** – Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market rates relates primarily to the Company's short term borrowing. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost. Since all the borrowings are on floating rate and constantly monitored, no significant risk of change in interest rate.

II. Credit Risk

Credit risk arises when a customer or counterparty does not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing/investing activities, including deposits with banks. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The Company is receiving payments regularly from its customers and hence the Company has no significant credit risk.

III. Liquidity Risk

Liquidity risk is defined as the risk that the company will not be able to settle or meet obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts based on expected cash flows.

43. The Company considered the uncertainty relating to the COVID-19 pandemic in assessing the recoverability of receivables and certain investments. For this purpose, the Company considered internal and external sources of information up to the date of approval of these financial statements. The Company has also used the principles of prudence in applying judgements, estimates and assumptions including sensitivity analysis and based on the current estimates, the Company expects to fully recover the carrying amount of receivables, investments and other assets. As the outbreak continues to evolve, the Company will continue to closely monitor any material changes to future economic conditions.
