AUDITORS' REPORT:

With reference to the observations made by the Statutory Auditors in their Standalone and Consolidated Report on the Audited Financial Statements for the year ended March 31, 2017 your Directors would like to reply as under:

1. The attention is invited to note no. 3 to the financial statements, towards the fact that the Company's financial facilities / arrangements including Term Loans, Working Capital Facilities and Non Fund Based Credit Facilities have expired and the accounts with the Banks have turned into Non Performing Assets since more than 3 years.

Some of the bank lenders have initiated legal proceedings against the Company for recovery of their respective debts at the Debt Recovery Tribunal and have taken symbolic possession of the securities u/s. 13(4) of the SARFAESI Act, 2002. However the Company has been able to renegotiate with the secured lenders and arrive at a amicable settlement of its debts. The Company has made the settlement of its total debt outstanding with the secured lenders. Accordingly some of the lenders have been settled completely on one time settlement basis and others have agreed for deferred payment along with some upfront payment based on their respective terms of settlement. In view of the above settlement, the Company has not provided the interest on the outstanding dues payable as per the settlement terms on the outstanding agreed amount of settlement amounting to ₹ 880.11 lakhs for the year ended March 31, 2017. Had the same been accounted for, the net profit (after tax) would have decreased and current liabilities for the year ended March 31, 2017 would have increased by that amount. In addition to this, the Company has been continuously incurring substantial losses since past few years and as on March 31, 2017, the Company's current liabilities exceed its current assets by ₹ 22,562.88 lakhs. Further, the networth of the Company has fully eroded and the Company had also filed registration u/s. 15(1) of the erstwhile Sick Industrial Companies (Special Provisions) Act, 1985, before the erstwhile Hon'ble Board for Industrial & Financial Reconstruction.

All the above events indicate a material uncertainty that casts a significant doubt on the Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities in the normal course of business. The

financial results do not disclose the fact that the fundamental accounting assumption of going concern has not been followed.

Your Directors would like to state that the Company is operational and currently Manufacturing Marble employing more than 100 manpower. The Company and its management with its positive efforts could sale its fixed assets of sanitaryware business undertaking and land, and settled its debt with many of its secured lenders either on one time settlement basis or deferred payment schedule with some upfront payment as per their terms of compromise settlement. It is also making serious efforts in reviving its tiles division operation. The management has taken and been taking all diligent steps under legal advice, to defend the Company in all the litigation. Considering the reduction in debt burden and considering the ample opportunities in the market and growth drivers for the industry per se, your Directors are optimistic about the turnaround of the Company with the infusion of the long term funds and working capital fund with support of the lenders.

- 2. Pursuant to the Sanctioned Compromise Settlement with remaining bank lenders with regards to whom the Company had deferred payment schedule as on March 31, 2017, the Company has not provided for interest on credit facilities from amounting to ₹ 880.11 lakhs for the year ending March 31, 2017, subject to reconciliation with banks. Had the same been provided, the loss for the year ending March 31, 2017, would have increased by ₹ 880.11 lakhs. The corresponding liabilities would also have increased by ₹ 880.11 lakhs as at March 31, 2017.**

The Company has settled its debts with secured lenders either on one time settlement basis or compromise settlement with defer payment schedule with some upfront payment as per the terms of sanction. In view of the present settlement with the lenders, the Company has not provided for interest to the tune of ₹ 880.11 lakhs (calculated based on last sanction letters in hand) on financing facilities, for the year ending March 31, 2017.

- 3. Attention is also drawn to the fact that the Company has not provided for impairment or diminishing value of its assets/investment as per 'Accounting Standard 28 –**

Accounting for Impairment of Assets' as notified under the Companies (Accounting Standards) Rules, 2006 read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013. The effect of such Impairment or diminishing value has not been quantified by the management and hence the same is not ascertainable.

The Company has made the provisions for diminution in the value of its investments/assets wherever required. Management has a policy to maintain the assets and keep them in working condition, so that its value does not get affected in long run. The management is optimistic about realizing the value of its Assets / Investments nearest to its carrying value, and there is no further diminution in the value of its assets / investment other than depreciation / amortization provided for.

- 4. We draw attention to the fact that financial statements are subject to receipt of confirmation of balances from many of the debtors, loans & advances, investments, banks, sundry creditors and other liabilities. Pending receipt of confirmation of these balances and consequential reconciliations / adjustments, if any, the resultant impact on the financial statements is not ascertainable.**

Your management would like to state that the Company is in the process of obtaining the confirmations from debtors, creditors, lenders and loans advances in routine course of business and have obtained from some of them. The reconciliations are made and the effects have been given in the books of accounts wherever required.

- 5. We draw attention to the facts that the non-ascertainment of complete particulars of dues to Micro, Small and Medium enterprises, if any under MSMED Act, 2006, and provisions towards interest, if any, is not ascertained at this stage which is not in conformity with para 14 of Accounting Standard 29- 'Provision, Contingent Liabilities and Contingent Assets.**

The Company is in the process of identifying the creditors which are Micro, Small and Medium Enterprises under MSMED Act.

6. In our opinion and according to the information and explanations given to us, there are no stipulations made regarding repayment of principal amount and interest in respect of loans granted by the Company to parties covered in the register maintained under section 189 of the Companies Act, 2013. Hence we are unable to comment as to regularity of repayments of principal and interest amount.

The management would like to state that the loans and advances are given in the normal course of business to a firm where the Company is a partner with majority share.

During the year under review, the Auditor had not reported any fraud under Section 143(12) of the Companies Act, 2013, therefore no detail is required to be disclosed under Section 134(3)(ca) of the Companies Act, 2013.

Global Overview

Global growth rate remained stable at expected rate of around 3% in 2016. However World Bank forecasts that global growth will strengthen in 2017 and pick up in manufacturing and trading, rise confidence, favourable financing conditions and commodity prices will be stabilized. Emerging market and developing economies activities are robust and global growth is predicted to accelerate. Activities in other advanced economies are expected to gain momentum due to exports and investment regaining. At the same time low income countries are also expected to grow in 2017 due to improvement in exports, infrastructure development and change in fiscal policies to control deficit and inflation.

Industry Overview:

Global ceramic tiles market size is positively influenced by increasing construction expenditure across the globe. Construction sector is witnessing escalating growth particularly in the Asia Pacific countries including China, India and Japan. Ceramic tiles are a few of the important materials that are consumed in bulk by the single largest end-user i.e. the construction industry. Hence, positive growth outlook for the construction market in Asia Pacific is estimated to propel the ceramic tiles market in the next few years.

Indian Tile Industry is growing on fantastic CAGR of around 15%, despite the sluggishness of the Indian economy, particularly the real-estate construction space. Driven by individual construction in hinterlands and government spending on the social sector, the Indian ceramic tile industry has crossed ₹ 300 bn revenues by 2017. India is the third-largest tiles market in the world, accounting for about 7% of global production. India's production of tiles is seeing higher CAGR than China and Brazil's growth. While global tile production CAGR over 2008 to

2014 was 6.4%, Indian Industry was 13%. During the same period, the domestic rate of growth in production overtook China's 10% and Brazil's 4%. In the same period on the consumption front, India's appetite for tiles has seen a CAGR of 11%, indicating increasing exports. As with demand, growth in domestic consumption outpaced China's 10% and Brazil's 6%.

In India, vitrified tiles segment contributes more than 50% of the total tiles market. Change in technology and introduction of new product segments in the vitrified tiles in past few years has given robust growth. Introduction of nano technology, digital printing, double charge, 3D tiles, etc. has changed the Industry scenario.

On the other hand, Indian stone industry is also well performing. Natural Marble, Artificial Marble, Granite and Quartz are highly demanded products. China is largest exporter of stone and US is largest importer of stone. China, India and Brazil are the top three players for US market, but Import from India is growing in US.

Artificial Marble is also the fastest growing material, gaining demand due to its esthetic look for application as flooring as well as wall cladding, door framing and table top. Due to attractive look, homogenous supply as well as broad array of colors and designs and easy laying, growth is expected to remain strong, as it gains further awareness and acceptance in several existing and newer markets - the product is expected to witness a high growth path.

Growth Drivers

Even though world economy is not very encouraging, the demand for the ceramic Industry and Marble Industry in India is growing due to various factors.

Some of the key factors driving product demand in India and Asia Pacific are as follows :

Flooring is an essential element

Flooring is an integral part of residential and commercial construction structures. It holds significant applications ranging from residential houses and commercial institutions such as hospitals to transport infrastructure such as airports and railways. Tile is one of the widely used products in flooring applications. Growing flooring market will consequently drive ceramic tiles and marble market size.

Government Initiatives

Government of India has taken many initiatives to promote Indian economy and to achieve growth for manufacturing sector in India. Make in India is one of the initiative which will place India on the top five ranking on the world map as manufacturing hub and will give global recognition.

Other initiative is implementation of GST, which will give a healthy competition and impact unhealthy practice of unorganized sector.

Swachh Bharat initiative of Government, is also beneficial to ceramic industry, it will generate huge demand for the sanitation facility in India and demand for ceramic product will grow.

Apart from the above there are other schemes like Housing for All by 2022, Smart Cities, new real estate regulation act, interest subsidy etc. will definitely influence the consumption of tiles in India.

Changing consumption patterns

Over the past decade, the Indian market has seen a strong structural shift in terms of consumption pattern of tiles driven by variables such as innovation, price efficiency, and installation costs. Consumer have upgraded their life style and hence the consumption of polished tiles, PGVT, Digital tiles and marble is increased in last decade.

Low per capita consumption

The Indian tile industry has significant potential, as per capita consumption of tiles in India is as low as 0.59 sq. mtr. per person against 2 sq. mtr. in China, Brazil, Vietnam and Iran. In last few years it has been increased, but not significantly, which gives room for growth.

Increasing concept of Nuclear families

The average size of the Indian Houses are reducing due to more and more people are shifting from joint family to nuclear independent family. This is increasing the demand for more houses and in a way demand for ceramic industry.

Urbanization

Urbanization in India has assumed a pace of 2.5% per annum and for next two decade more people will be seeking to settle in urban locations, which will create infrastructure need, housing need and industry growth.

Export Potential

Global Marble market is growing due to increased

construction activity and healthy industrialization in emerging markets. Asia Pacific represents fastest growing and largest market of marble worldwide, with a healthy CAGR of 6%. The main growth drivers are urbanization, industrialization, increasing housing demand, change of consumer preferences and increasing disposable income. Thus there is huge opportunities for the export, to Indian Tile and Marble Industry. At present overseas sale accounts for 5% of total revenue of tile industry, but it is expected to rise significantly over the coming years.

Replacement Demand

Indian replacement market is considerable in size and growing at faster space of around 30% CAGR. More than 40% of the total business value of bath and sanitaryware business is through replacement market. Increase in disposable income, increased life style spending and upgradation in the form new concepts and new designs, the average life of the bathroom is reduced in India, in turn replacement demand increased.

Boom in Real estate demand

Although the real estate sector shown slower growth in recent years, the sector is expected to boom again as the housing and commercial demand is increasing due to increase in the population, urbanization, industrialization, and movement from joint families to nuclear families, single dwelling house to flats and government initiatives like real estate regulation act, housing for all, interest subsidy, make in India, foreign direct investment.

INDEPENDENT AUDITOR'S REPORT

To the members of Euro Ceramics Limited

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of Euro Ceramics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the standalone financial statements

2. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made there under including the Accounting Standards and matters which are required to be included in the audit report.

5. We have conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over the financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on standalone financial statements.

Qualified Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, **except for** the matters illustrated and described in the **Basis for Qualified Opinion** herein below, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Basis for Qualified Opinion

1. The attention is invited to note no.3 to the financial statements, towards the fact that the Company's financial facilities / arrangements including Term Loans, Working Capital Facilities and Non Fund Based Credit Facilities have expired and the accounts with the Banks have turned into Non Performing Assets since more than 3 years.

Some of the bank lenders have initiated legal proceedings against the Company for recovery of their respective debts at the Debt Recovery Tribunal and have taken symbolic possession of the securities u/s. 13(4) of the SARFAESI Act, 2002. However the Company has been able to renegotiate with the secured lenders and arrive at a amicable settlement of its debts. The Company has made the settlement of its total debt outstanding with the secured lenders. Accordingly some of the lenders have been settled completely on one time settlement basis and others have agreed for deferred payment along with some upfront payment based on their respective terms of settlement. In view of the above settlement, the Company has not provided the interest on the outstanding dues payable as per the settlement terms on the outstanding agreed amount of settlement amounting to ₹ 880.11 lakhs for the year ended March 31, 2017. Had the same been accounted for, the net profit (after tax) would have decreased and current liabilities for the year ended March 31, 2017 would have increased by that amount. In addition to this, the Company has been continuously incurring substantial losses since past few years and as on March 31, 2017, the Company's current liabilities exceed its current assets by ₹ 22,562.88 lakhs. Further, the networth of the Company has fully eroded and the Company had also filed registration u/s. 15(1) of the erstwhile Sick Industrial Companies (Special Provisions) Act, 1985, before the erstwhile Hon'ble Board for Industrial & Financial Reconstruction.

All the above events indicate a material uncertainty that casts a significant doubt on the Company's ability to continue as a going concern and therefore it may be unable to

realize its assets and discharge its liabilities in the normal course of business. The financial results do not disclose the fact that the fundamental accounting assumption of going concern has not been followed.

2. Attention is also drawn to the fact that the Company has not provided for impairment or diminishing value of its assets/investment as per 'Accounting Standard 28 – Accounting for Impairment of Assets' as notified under Section 133 of the Companies Act, 2013. The effect of such Impairment or diminishing value has not been quantified by the management and hence the same is not ascertainable.
3. We draw attention to the fact that financial statements are subject to receipt of confirmation of balances from many of the debtors, loans & advances, investments, banks, sundry creditors and other liabilities. Pending receipt of confirmation of these balances and consequential reconciliations / adjustments, if any, the resultant impact on the financial statements is not ascertainable.
4. We draw attention to the facts that the non-ascertainment of complete particulars of dues to Micro, Small and Medium enterprises, if any under MSMED Act, 2006, and provisions towards interest, if any, is not ascertained at this stage which is not in conformity with para14 of Accounting Standard 29-'Provision, Contingent Liabilities and Contingent Assets.

Report on other legal and regulatory requirements

9. As required by 'the Companies (Auditor's Report) Order, 2017', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as 'the Order'), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure-'B' a statement on the matters specified in paragraphs 3 and 4 of the Order.
10. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the

- best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014, except for as stated in basis for qualifications above.
- e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as director in terms of section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure-'A'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
- i) The Company has disclosed the impact, if any, of pending litigations as at March 31, 2017, on its financial position in its standalone financial statements;

Annexure – ‘A’ to the Independent Auditors’ Report

Referred to in paragraph 10(f) of the Independent Auditor’s Report of even date to the Members of Euro Ceramics Ltd on standalone financial statement for the year ended March 31, 2017.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Euro Ceramics Ltd. (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance

about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including

the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over

financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES**A Basis of accounting and preparation of financial statements**

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) in India under the historical cost convention on accrual basis and in accordance with Accounting Standards prescribed under section 133 of the Companies Act, 2013.

B System of accounting and Use of estimates

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- (ii) Financial statements are prepared under the historical cost convention. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.
- (iii) Estimates and assumptions used in the preparation of the financial statements and disclosures are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date.

C Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes cost of purchase, cost of conversion and all other costs incurred in bringing the goods to their respective present location and condition. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.

D Cash and Bank Balances

Cash and Bank Balances also include fixed deposits, margin money deposits, earmarked balances with bank, other bank balances and cash on hand. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and

which are subject to insignificant risk of changes in value.

E Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

F Depreciation and amortisation

- (i) From the current year, depreciation is provided on a pro rata basis on the straight line method (SLM method) over the useful lives of the respective assets as defined in Schedule II-Part 'C' of the Companies Act, 2013 as against the past practice of computing depreciation at rates with reference to the life of the assets subject to the minimum rates provided by Schedule XIV of the Companies Act, 1956.
- (ii) Depreciation on assets sold, discarded or demolished during the year is being provided at their rates upto the date on which such assets are sold, discarded or demolished.

G Revenue recognition

- (i) "Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax."
- (ii) Interest Income is recognized on accrual basis and dividend income is accounted for when the right to receive the same is established.

H Tangible fixed assets

- (i) Fixed assets are stated at cost net of tax / duty credits availed if any less accumulated depreciation.
- (ii) The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other

incidental expenses incurred up to that date.

- (iii) Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.
- (iv) Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.
- (v) Tangible Assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable interest are disclosed under capital work-in-progress.

I Foreign currency transactions and translations

- (i) Transactions in foreign currency are accounted at the exchange rate prevailing on the date of transaction or the rate approximate to the actual rate at the date of transaction. Exchange Rate fluctuation between the transaction date and the settlement date in respect of revenue transactions are recognized in Statement of Profit and Loss and in respect of acquisition of the fixed assets are adjusted to the cost of the respective assets.
- (ii) Non-monetary foreign currency items are carried at cost.
- (iii) Monetary Items of Current Assets & Liabilities denominated in Foreign Currency are translated at year end exchange rates and the Profit/Loss so determined is recognized in the Profit & Loss account.
- (iv) The profit/loss on cancellation or renewal of derivative instruments such as forward contract and option contract undertaken to hedge exchange fluctuation/price risks are recognized as income/expenses in the Statement of Profit and Loss for the year.

J Investments

Non-Current investments are carried

individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

K Employee benefits

(i) Short-term employee benefits

All employee benefits falling due wholly within twelve months of rendering service are classified as short term employee benefits. The benefits like salary, wages, short term compensated absences etc. and the expected cost of bonus / performance incentives are recognised in the period in which the employee renders the related service.

(ii) Defined contribution plans

The Company's contribution to provident fund and employees state insurance scheme and other welfare funds are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

(iii) Defined benefit plans

The employees gratuity fund scheme managed by the trust is the company's defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the projected unit credit method. In case such of funded plan, the fair value of the plan assets is reduced from the gross obligation to recognise such obligation on a net basis.

L Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing Costs attributable to acquisition and construction of qualifying asset are capitalized as a part of the cost of such asset up to the date when such asset is ready for its intended use or sale. A qualifying asset is the one that necessarily takes a substantial period to get ready for intended use. All other borrowing

costs are recognised as an expense in the period in which they are incurred.

M Segment reporting

- (i) The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.
- (ii) "The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment."
- (iii) Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors.
- (iv) Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

N Earning Per Share

In determining the earnings per share, the Company considers the net profit/loss after tax and post tax effect of any extraordinary/exceptional item is shown separately. The number of shares considered in computing basic earnings per share is the weighted average number of shares outstanding during the year. The number of shares considered for computing diluted earnings per share comprises the weighted average number of shares used for deriving the basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. The number of shares and potentially dilutive equity shares are adjusted for any stock splits and bonus

shares issues.

O Taxes on income

- (i) "Provision for taxation comprises of Current tax and Deferred Tax. Current tax Provision has been made in accordance with the Income Tax Act, 1961.
- "
- (ii) "Deferred tax for timing differences between the book and tax profits for the period is accounted for, using the tax rates and laws that have been substantively enacted as of the balance sheet date.
- "
- (iii) "Deferred tax assets arising from timing differences are recognized to the extent there is reasonable certainty that these would be realized in future.
- "
- (iv) Deferred tax assets are recognized on unabsorbed losses only if there is virtual certainty that such deferred tax asset can be realized against future taxable profit.

P Impairment of assets

An asset is treated as impaired when the carrying cost of such asset exceeds its recoverable value. An impairment loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Q Provisions, contingent liabilities and contingent assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are neither recognised nor disclosed in the financial statements.

Eventually there were defaults in the repayment of obligations to banks and the relevant loan accounts - Term Loans, Cash Credits and other Non-Fund Based Credits classified as Non Performing Assets by the Lenders. Consequently the Lenders have called-off their advances and issued notice for recovery under section 19 of Recovery of Debts (DRT) and under section 13(2) of the Securitization & Reconstruction of Financial Assets & Enforcement of Security (Second) Interest (SARFAESI) Act, 2002 to the Company. During the year the Company has settled the secured lenders by entering into compromise settlement arrangement with lenders, and accordingly some of the lenders are settled completely by payment of upfront amount and some of the lenders have granted deferred payment schedule with some upfront payment. However outstanding of such lenders whose dues are still pending, is shown as total outstanding less the amount paid to them under settlement scheme.

3.2 The Company on the basis of audited accounts for the financial year ended 31st March 2013 has filed the reference under section 15(1) of the Sick Industrial Companies (Special Provisions) Act, 1985 before the Hon'ble Board For Industrial And Financial Reconstruction (BIFR). The above reference has been duly registered by the Learned Registrar of Hon'ble BIFR. However Ministry of Finance, vide notification dated November 25, 2016 has repealed the Sick Industrial (Special Provisions) Act 1985 (SICA) with effect from December 1, 2016. Accordingly BIFR Board is dissolved from that date and all the proceedings that were pending before BIFR, may be referred to the National Company Law Tribunal (NCLT), constituted under the Companies Act 2013, under the provisions of The Insolvency and Bankruptcy Act 2016 within 180 days from such date.

3.4 All the Term Loans from Banks are secured against the first charge on Fixed Assets of the Company by mortgage of all movable and immovable assets and second charge on the current assets of the Company by hypothecation and against personal guarantees of the Directors. Some of the term loans are also further secured against collateral securities and pledge of promoter shares.

3.5 Zero Coupon Bonds are issued to lender in pursuant to scheme of CDR, having face value of ₹1,00,000/- each, redeemable after March 31, 2021.

- 36 Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.
- 37 The Company does not have a Company Secretary as required under the provision of Section 383A of the Companies Act, 1956. The Company is in the process of appointing a whole time Company Secretary as required by the provision of Section 383A of the Companies Act, 1956.
- 38 The Company suffered losses on account of economic slow down and global recession post 2009, which has affected the operation of the Company and its cashflows. Consequently the Company's financial facilities / arrangements including Term Loans, Working Capital Facilities and Non Fund Based Credit Facilities have expired and the accounts with the Banks were turned into Non Performing Assets due to defaults in payment, since more than 3 years. Some of the banks have initiated legal proceedings against the Company for recovery of their respective debts at the Debt Recovery Tribunal and have taken symbolic possession of the securities u/s. 13(4) of the SARFAESI Act, 2002. However the Company has been able to renegotiate with the secured lenders and arrived at a amicable settlement of its debts and made the settlement of its total debt outstanding with the secured lenders. Accordingly some of the lenders have been settled completely on one time settlement basis and others have agreed for deferred payment along with some upfront payment based on their respective terms of settlement. In view of the above settlement, the Company has not provided the interest on the outstanding dues payable as per the settlement terms on the outstanding agreed amount of settlement amounting to ₹ 880.11 lakhs for the year ended March 31, 2017. Had the same been accounted for, the net profit (after tax) would have decreased and current liabilities for the year ended March 31, 2017 would have increased by that amount.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENT**To The Members of
EURO CERAMICS LIMITED****Report on Consolidated Financial Statements**

1. We have audited the accompanying consolidated financial statements of **EURO CERAMICS LIMITED** ('the Company') and its subsidiary (the Company and its subsidiary together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information ('the Consolidated Financial Statements')

Management's Responsibility for the Consolidated Financial Statements

2. The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India including the Accounting Standards specified under section 133 of the Act as applicable. The respective Board of Directors of the Company and its subsidiary companies are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of these consolidated financial statements by the Board of Directors of the Company.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.
4. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial controls relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, **except for** the matters illustrated and described in the Basis for Qualified Opinion herein below, the aforesaid consolidated financial statements give the information required by the Act in the

manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

- i. The attention is invited to note no.3 to the consolidated financial statements, towards the fact that the Group's financial facilities/arrangements including Term Loans, Working Capital Facilities and Non Fund Based Credit Facilities have expired and the accounts with the Banks have turned into Non Performing Assets since more than 3 years.

Some of the bank lenders have initiated legal proceedings against the Group for recovery of their respective debts at the Debt Recovery Tribunal and have taken symbolic possession of the securities u/s. 13(4) of the SARFAESI Act, 2002. However the Group has been able to renegotiate with the certain secured lenders and arrive at an amicable settlement of its debts. The Group has made the settlement of its total debt outstanding with the certain secured lenders. Accordingly some of the lenders have been settled completely on one time settlement basis and others have agreed for deferred payment along with some upfront payment based on their respective terms of settlement. In view of the above settlement, the Group has not provided the interest on the outstanding dues payable amounting to ₹ 1,371.33 lakhs for the year ended March 31, 2017. Had the same been accounted for, the net profit (after tax) would have decreased and current liabilities for the year ended March 31, 2017 would have increased by that amount. In addition to this, the Group has been continuously incurring substantial losses since past few years and as on March 31, 2017, the consolidated current liabilities exceed its current assets by ₹ 24,925.21 Lakhs. Further, the consolidated network has fully eroded.

All the above events indicate a material uncertainty that casts a significant doubt on the Group's ability to continue as a going

concern and therefore it may be unable to realize its assets and discharge its liabilities in the normal course of business. The consolidated financial results do not disclose the fact that the fundamental accounting assumption of going concern has not been followed.

- ii. The Group has not provided for impairment or diminishing value of consolidated assets/investment as per 'Accounting Standard 28 – Accounting for Impairment of Assets' as notified under Section 133 of the Companies Act, 2013. The effect of such Impairment or diminishing value has not been quantified by the management and hence the same is not ascertainable.
- iii. We draw attention to the fact that the Consolidated Financial Statements are subject to receipt of confirmation of balances from all of the debtors, loans & advances, investments, banks, sundry creditors and other liabilities. Pending receipt of confirmation of these balances and consequential reconciliations / adjustments, if any, the resultant impact on the financial statements is not ascertainable.
- iv. We draw attention to the facts that the non-ascertainment of complete particulars of dues to Micro, Small and Medium enterprises, if any under MSMED Act, 2006, and provisions towards interest, if any, is not ascertained at this stage which is not in conformity with para 14 of Accounting Standard 29- 'Provision, Contingent Liabilities and Contingent Assets'.

9. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- e) On the basis of the written representations received from the directors of the Company and its Subsidiary as on March 31, 2017 taken on record by the Board of Directors of the Company, none of the directors of the Group is disqualified as on March 31, 2017 from being appointed as a director in terms of section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our report in "Annexure A", which is based on the Auditors' Reports of the Company and its subsidiary company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Company and its subsidiary company.
- a) With respect to the other matters to be included in the Auditors' Report in accordance with rule 11 of the Companies (Audit and Auditors') Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact, if any, of pending litigations as at March 31, 2017 on the consolidated financial position of the Group except as stated in basis for qualifications above.
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or Accounting Standards, for material foreseeable losses, if any, on long-term contracts as at March 31, 2016 in respect of such items as it relates to the Group except as stated in basis for qualifications above.
- iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Group during the year ended March 31, 2017.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was

established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company and Subsidiary's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on

the internal control over financial reporting criteria established by the Company and its subsidiary considering the essential components of internal control stated in the Guidance Note.

3.1 The Company has been incurring losses since F.Y.2011-12 onwards which has resulted in erosion of its net worth and depletion in its working capital. Eventually there were defaults in the repayment of obligations to banks and the relevant loan accounts - Term Loans, Cash Credits and other Non-Fund Based Credits classified as Non Performing Assets by the Lenders. Consequently the Lenders have called-off their advances and issued notice for recovery under section 19 of Recovery of Debts (DRT) and under section 13(2) of the Securitization & Reconstruction of Financial Assets & Enforcement of Security (Second) Interest (SARFAESI) Act, 2002 to the Company. During the year the Company has settled the secured lenders by entering into compromise settlement arrangement with lenders, and accordingly some of the lenders are settled completely by payment of upfront amount and some of the lenders have granted deferred payment.

3.2 The Company on the basis of audited accounts for the financial year ended 31st March 2013 has filed the reference under section 15(1) of the Sick Industrial Companies (Special Provisions) Act, 1985 before the Hon'ble Board For Industrial And Financial Reconstruction (BIFR). The above reference has been duly registered by the Learned Registrar of Hon'ble BIFR. However Ministry of Finance, vide notification dated November 25, 2016 has repealed the Sick Industrial (Special Provisions) Act 1985 (SICA) with effect from December 1, 2016.
