Forward-looking Statement

In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take investment decisions. This report and other statements - written and oral - that we periodically make contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried, wherever possible, to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in our assumptions. The achievements of results are subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should keep this in mind. We undertake no obligation to publicly update any forward looking statement, whether as a result of new information, future events or otherwise.

Chairman's Message

Dear Shareholders,

It's my pleasure to extend a Warm Greetings to you all!

I take the pleasant privilege of addressing you on the occasion of the 26th Annual General meeting of our company.

The year 2019-20 witnessed a year of highs and lows for our business. Businesses across the globe have suffered unprecedented losses and some are going through extremely difficult situations. The macro-economic slowdown experienced last year, coupled with the fall in consumer demand led to a decline in advertising. At Raj Television Network limited, F.Y. 2019-20, we reported a decline in our advertising revenue, despite a decline in advertisement revenues, the topline of the Company strengthen by domestic subscription led growth is a reflection of the increasing balance of our revenue portfolio.

Company reported revenue of Rs.59.44crores with EBITDA of Rs.11.67 Crores and PBT is Rs .34 crores. Despite pricing challenges, and increasing costs, we were able to maintain the performance level. We are confident that we will be able to continue the path of augmenting shareholder value.

Our fight against COVID-19 The pandemic left many vulnerable to its harsh impact, and in such times, we focused on the need to come together and support each other. As a responsible player in the media & entertainment sector, we also ensured that the lives and livelihoods of the daily wage earners in our content production ecosystem were least impacted, by supporting them financially during the lockdown. The Company also used the massive reach of its network to increase awareness about the pandemic.

I take this opportunity to thank all our valued customers, business associates and vendors for their kind support. I place on record the appreciation of the contribution made by employees of the Company at all levels that has contributed to your Company's success and remain in the forefront of media and entertainment business. I thank and express my gratitude for the support and co-operation received from the Central and State Governments / regulatory authorities viz. the Ministry of Information & Broadcasting, the Department of Telecommunication, Ministry of Corporate Affairs, Reserve Bank of India, Securities and Exchange Board of India, Foreign Investment Promotion Board, the Stock Exchanges and Depositories and other stakeholders including viewers, producers, vendors, financial institutions, banks, investors , Service providers and all our stakeholders. I also place on record their appreciation of the tireless efforts of Team RAJTV, a dedicated and loyal band of people who have displayed unswerving commitment to their work in these challenging times and helped the Company deliver good results.

I thank our Board of Directors for their support and exemplary guidance. I also take this opportunity to express my gratitude to all our stakeholders, who continue to repose faith and trust in us over the years. Further with my whole heart I sincerely thank all our shareholders who continued their support over these years, without which our company would not have grown to this size.

Warm Regards

(Raajhendhran. M)

MANAGEMENT DISCUSSION AND ANALYSIS

India has been the growth leader amongst major economies, including Emerging Markets and Developing Economies (EMDEs) over the last few years. However, the momentum of the strong economic growth weakened gradually during FY20 due to the liquidity crunch, rising unemployment and weak consumer demand. GDP on GVA basis grew by just 4.2% in FY20 compared to 6.1% in FY19. An already slowing economy was hit by the whammy of COVID-19, like most of the countries around the globe.

INDIA'S MEDIA & ENTERTAINMENT INDUSTRY

The Indian Media and Entertainment (M&E) industry continued to grow during the year, albeit at a slower rate as compared to the previous year due to the weak macroeconomic environment. According to the FICCI-EY report (the Report), M&E industry revenue reached R 1,822 billion in 2019 with a 9% YoY growth. During the year, television continued to maintain its leadership in the M&E space as the primary choice of entertainment for Indian consumers despite a major regulatory change. Online video consumption sustained the momentum of widening its audience base driven by increasing content options, growing internet penetration and affordable data tariffs. Print revenue declined during the year but retained its position as the second biggest revenue segment. Movie industry growth was driven by domestic revenue while the revenue from international markets declined during the year. Radio segment shrank due to decline in ad revenues in second half of the year. Live events' growth was led by premium properties, activations and sports events. M&E industry was expected to grow at a CAGR of 10% to reach R 2,416 billion by 2022, driven by the growing content consumption across mediums. As the Report was published before the complete impact of COVID-19 on the economy was known, the growth estimates are likely to see a downward revision. While all mediums saw a massive growth in time spent and reach during the lockdown, the viewership could not be monetised as consumer spending was limited only to essential goods. The current slowdown should not have a meaningful impact on the long-term growth trajectory of the M&E industry. Per capita entertainment consumption and spends in India still remain lower than most of its peers. The Report estimates that the total screen count (TV + Smartphone) will reach 1 billion (from the current 550mn) by 2025, which represents a sizable growth opportunity. Coupled with the largest youth population and rising disposable incomes, Indian M&E industry is poised for a long-term sustainable growth.

TELEVISION

The year gone by was an interesting one for the Indian television industry. It began with the challenges faced in migrating the 160mn pay TV subscribers to the NTO (New Tariff Order) regime and the teething issues that accompanied the structural changes brought by its introduction. And it ended with the production of original content being halted across the country due to COVID-19, for the first time in the history of the industry. The fact that the Indian economy was on a slowing trajectory through the year did not help the cause. Implementation of NTO has brought about a paradigm change by redefining the relationship between broadcasters, consumers and distributors. On the other hand, COVID-19 has negatively impacted the business operations. This disruption is transient and might be a catalyst for innovations and stronger operating processes in the broadcasting industry. After a double-digit growth last year, the television industry grew by only 6.4% to R 788bn in CY2019. As per the Report, subscription revenue for the industry grew by 7.6% and the advertising revenue grew by only 4.9% during the year 2019. Macro-economic slowdown was the primary reason for the subdued ad growth during FY20. The slowdown resulted in weak consumption demand across categories, which in turn affected the advertising spends. The situation was further worsened due to impact of COVID-19 in the month of March. Advertising growth for the year was also impacted due to NTO implementation, as advertisers were reluctant to spend during the NTO transition period (first 6 months of 2019). The systemic change in channel packaging and distribution resulted in uncertainty regarding the availability of the channels, leading to pull-back in ad spends. Some of the advertisers allocated a higher portion of their budgets on ICC cricket World Cup and FTA

(Free to Air) news channels that guaranteed a higher reach during this period. As per the Report, India will have 220-235mn TV sets (70% penetration), consisting of pay TV, DD FreeDish, and internet connected TV sets. Due to its massive reach and high engagement levels, it is expected that television advertising will grow at a CAGR of 10% to R 570bn, retaining the biggest share of the advertising pie in 2025. However, the advertising outlook for FY21 is tepid as the first half of the year will suffer from the impact of COVID-19. In the past, patches of weak advertising growth have been followed by strong growth periods, and if the economic growth sees a revival in the second half, advertising will also rebound sharply. Subscription growth, unlike advertising, is not directly linked to the macroeconomic growth. Despite an increase post NTO, pay TV ARPU in India is still one of the lowest across the world. For less than \$4, Indian consumers have access to 200+ TV channels, making pay TV a really compelling offering. Television subscription continues to be a long-term growth opportunity with increasing television penetration, ARPU growth, increasing HD base and the continued efforts of the industry to reduce the under declared subscriber base as the key growth drivers.

MAJOR DEVELOPMENTS DURING THE YEAR

NTO – a paradigm shift in the distribution landscape After multiple litigations and timeline shifts, the NTO (New Tariff Order) implementation finally started in March'19. Given that it involved shifting 160mn pay TV subscribers to the new system, the exercise was completed by July'19. The NTO brought a few structural changes in the distribution eco-system, which will have a long-term positive impact on the industry. The flexibility available to consumers to choose and pay for content they want and the ability of broadcasters to decide pricing of their content will help increase customer value proposition and content quality. The clear segregation between the fees paid by consumer for distribution service and content will enable improvement in consumer service standards. NTO implementation led to 7.6% growth in the industry subscription revenues and the broadcasters' revenue grew by ~10% to R 130bn (28% of industry subscription revenue). Despite the option to select individual channels, ~85% of the consumers chose packages offered by their distributors, highlighting the need for a diverse range of content for a household. There was a decline in the overall paid subs post NTO due to some of the multi-TV homes retaining subscription for only one TV, continued piracy of television feed, migration of some consumers to DD FreeDish as ARPU increased in a few markets, and the continued under reporting of pay TV homes.

Television viewership trends – NTO impacted viewership, temporarily

During the implementation phase of NTO, there was a drop in the total TV impressions as consumers faced partial or complete blackout of TV channels. This impact was transient, and the viewership recovered gradually, albeit to slightly lower levels than earlier. Reach of most pay channels also suffered in the immediate period after the implementation, but slowly inched back up during the year, settling at 85-95% of the earlier levels. Average daily time spent by viewers across age groups saw a marginal (2-5%) decline compared to FY19. Share of regional viewership in the overall pie grew from 45% in FY19 to 49%, signalling a preference for local language content. News viewership gained share due to general elections and several other high decibel events that took place during the year.

The channels of the network reach a wide variety of audiences as it satisfies people of all ages, The Channel offers a right mix of movies, serials, debates, cultural, educational, cookery, handicrafts and religious programmes satisfying the needs of the entire community ranging from Urban to the rural audience.

OPERATING PERFORMANCE REVIEW

FY20 began with challenges of NTO implementation but ended on a high note with the network reclaiming the leadership position towards the end of the year. Like all other networks across the country, reach of the Raj Television Network Channels dropped post NTO. However, the strong consumer-pull of the channels ensured that it bounced back quickly. Channels across the network witnessed varying degrees of drop in reach but most of them recovered to 90-95% of the earlier levels in a short time, we believe that the networks with a strong bouquet of channels will be able to navigate any challenges posed by the implementation of this new regulation.

RISK FACTORS**Industry Risks****Ever-changing trends in media sector**

Entertainment needs of the audience are constantly evolving, and it is difficult to predict the consumer behaviour with accuracy. It is also influenced by new trends and the environment around consumers. As the Company makes substantial investments in content, non-performance of the shows/movies would have an adverse impact on the revenue and profitability of the Company.

Competition

The Company operates in a highly competitive environment and faces competition from both domestic as well as international players in all its businesses. While the competitive intensity in the broadcasting space is largely stable with no new major entrants, most of the markets have multiple players competing for a higher share of the viewership pie. In the digital space, there are over two dozen players vying for consumers' time. Similarly, in the other business also the Company competes with established and new players. Any new competition in the space can have an impact on the Company's revenues.

Faster than expected shift to digital platforms

Increasing smartphone penetration and affordable data tariffs have led to an increase in digital content consumption. While this trend is expected to continue, digital consumption so far has been largely supplementing television viewing. If there is a faster than expected migration to digital platforms from television, it may have an impact on the television business revenue of the Company.

EXTERNAL RISKS**Macro-economic environment**

The advertising revenue of the media industry are inextricably linked to the economic growth of the country. Poor macro-economic environment can adversely impact advertising revenues of the Company, which is the largest component of revenues.

Global/Local Pandemic

Fallout of COVID-19 not only created an extremely volatile macro-economic environment, it also impacted the normal business operations. It led to disruption in content production and had a significant impact on the ways of working. Any pandemic breakout in the future could have an impact on the Company's ability to produce content and monetise it.

Exchange rate fluctuations

The Company has operations outside India, and a portion of its revenues and expenses are in foreign currencies. Thus, the Company is exposed to fluctuations in the exchange rates. Any extreme fluctuations of foreign currencies against Indian Rupee could have an impact on its revenues and expenses.

IT Security Threats

COVID-19 has forced organisations to embrace remote working and new technologies. This has created an ideal situation for cyber criminals to attack IT infrastructure and launch a range of hacking strategies. A security breach or disruption to IT infrastructure could lead to loss of sensitive data or information, legal and regulatory non-compliance, reputational damage as well as revenue loss.

Regulatory Risk

Uncertainties in rules and regulations

The M&E industry is governed by the rules and regulations framed by the authorities and regulatory bodies of the different countries the Company operates in. Further, COVID-19 has forced governments to bring new regulations which companies need to adopt swiftly and effectively. Any changes in laws and regulations could have a material impact on the revenues and cost of doing business for the Company.

INTERNAL RISKS

Increase in content costs

The Company spends a significant amount for acquisition of rights to movies and music across its broadcast, digital and international business. With increasing competition, content creation and content acquisition costs could rise to a level not commensurate with the monetization potential and estimated cost recovery.

Failure to hire and retain best talent

The Company's ability to attract, develop and retain a diverse range of skilled people is critical if to compete and grow effectively. The loss of management or other key personnel or the inability to identify, attract and retain qualified personnel could make it difficult to manage the business and could adversely affect operations and financial results.

INTERNAL CONTROL

Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. These are routinely tested by Statutory as well as Internal Auditors and cover key business areas. Significant audit observations and follow up actions thereon are reported to the Audit Committee. The Audit Committee reviews adequacy and effectiveness of the Company's internal control processes and monitors the implementation of audit recommendations, including those relating to strengthening of the Company's risk management policies and systems. Further the Audit Committee has directed stringent controls for mitigating any potential risk implications while issuing letter of comfort by the Company or its subsidiary during the business.

Outlook

The outlook for TV is positive, with the industry expected to grow to INR 1,098 billion in 2020, at a CAGR of 15 per cent. The number of TV households is expected to increase to 200 million, with paid C&S subscriber base expected to grow to 174 million by 2020, representing 87 per cent of TV households. TV advertising in India is expected to grow at a CAGR of 15 per cent between 2015-20, to reach INR 365 billion. Subscription revenue for broadcasters is expected to grow at a CAGR of 18 per cent between 2015-20 to INR 203 billion, driven by increase in the declared subscriber base in Phase III and IV, increase in subscription revenues collected on the ground due to channel packaging and increasing HD penetration, and increase in revenue share of broadcasters in the subscription pie. Looking ahead, we remain excited about the growth opportunities for the industry and the Company. As digitisation of analogue subscribers is nearing completion, it will improve monetisation of our viewership in newly digitised areas. This coupled with effective implementation of TRAI's tariff order could lead to acceleration in ARPU growth for the industry, which has been lagging for several years.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
M/s. RAJ TELEVISION NETWORK LIMITED
Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **M/s. RAJ TELEVISION NETWORK LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2020, and the Statement of Profit and Loss for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Emphasis of Matter

5. We draw your attention to the Financial Statements, the Company has made a detailed assessment of its liquidity position for the next year and the recoverability and carrying value of its assets comprising property, plant and equipment and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. The Company continues to evaluate them as highly probable considering the orders in hand. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future impact of the COVID-19 pandemic which may be different from that estimated as at the date of approval of the financial results. The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

Our opinion is not modified in respect of this matter.

Information other than the financial statements and auditors' report thereon

6. The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of management and those charged with governance for the Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance

and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending Litigation which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended March 31, 2020.
17. The Company being a private limited company, the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in respect of whether the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of

M/s. Raj Television Network Limited ('the Company') as of 31st March 2020 in conjunction with our audit of the financial statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness

of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of

M/s. Raj Television Network Limited ('the Company') as of 31st March 2020 in conjunction with our audit of the financial statement of the Company for the year ended on that date.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020
1. Company Overview

The company was incorporated vide CIN. L92490TN1994PLC027709 dated 03rd June 1994 issued by Registrar of Companies Chennai, Tamil Nadu. The Company's shares are listed on the Bombay stock exchange (BSE) and the National stock exchange (NSE) Limited. The company currently operates television channels in three south Indian languages predominantly to viewers in Tamil Nadu and Karnataka and also in Andhra Pradesh. The Company's flagship channel is Raj TV.

The financial statements are approved for issue by the Company's Board of Directors on 30th July, 2020.

2. Summary of significant accounting policies
a) Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, read with Companies (Indian Accounting Standards) Amendment Rules, 2016, as amended and notified under Section 133 of the Companies Act, 2013 (the Act) and other relevant provisions of the Act. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Current Vs Non-Current Clarification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

c) Property, plant and equipment and Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price (including all duties and taxes after deducting trade discounts and rebates if any) and any attributable cost of bringing the asset to its working condition for its intended use. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. Likewise, when a major expenditure is incurred, its cost is recognized

in the carrying amount of the plant and equipment, if it increases the future benefits from the existing asset. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure, are charged to the statement of profit and loss for the period during which such expenses are incurred.

For depreciation, the Company identifies and determines cost of assets significant to the total cost of the assets having useful life that is materially different from that of the life of the principal asset.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of Property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation

Based on a technical assessment and a review of past history of asset usage, management of the Company has not revised its useful lives to those referred to under Schedule II to the Companies Act, 2013 (as amended).

Depreciation is provided on the straight-line method (SLM) using useful life prescribed in Part C of Schedule II of the Companies Act, 2013. The useful life of the following class of assets specified in the Part "C" of Schedule II of the Companies Act, 2013 are as follows:

Sl.No	Category of assets	Useful life
1.	Building	30 years
2.	Plant & Machinery	13 years
3.	Computers	3 years
4.	Vehicles	10 years
5.	Furniture & Fixtures	10 years

The gross value of PPE includes cost of Land & Buildings amount of Rs.75,42,92,395/- (Previous year Rs.75,42,92,395/-), Plant & Machinery amount of Rs. 67,22,34,595/-(Previous year of Rs. 66,99,14,908/-) Computer and related assets of Rs. 8,45,13,989/- (Previous year of Rs.8,34,63,066/-), Vehicles value of Rs.9,87,72,539/-(Previous year of Rs. 9,87,72,539/-) and Furniture & Fixtures of Rs. 3,64,87,861/-(Previous year of Rs. 3,62,66,209/-).

d) Intangible assets and amortization

Cost of acquisition of intangible assets & any other direct costs incurred in relation to such acquisition are recognized as Intangible assets. Following initial recognition, Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets with finite lives are amortized over the available useful life of film rights acquired while purchase and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

i) Film and program broadcasting rights ('Satellite Rights')

Acquired Satellite Rights for the broadcast of feature films and other long-form programming such as multi episode television serials are initially stated at cost. Future revenues from use of these Satellite Rights cannot be estimated with any reasonable accuracy as these are susceptible to a variety of factors, such as the level of market acceptance of television products, programming viewership, advertising rates etc., and accordingly cost related to film is fully amortized over the period of life of the asset. And the cost related to program broadcasting rights / multi episodes series are charged as expenses based on telecasted episodes.

ii) Film production costs, distribution and related rights

The cost of production / acquisition of all the rights related to each movie is amortized upon the theatrical release of the movie.

e) **Borrowing Costs: -**

Borrowing costs are expensed in the period in which they are incurred.

f) **Revenue recognition: -**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to credit risks.

i) Advertising income and income from sales of broadcast slots are recognized when the related commercial or programme is telecast.

ii) The company has purchased film rights and the same has been sold taking the advantage of the favorable market opportunity.

iii) Subscription income represents subscription fees billed to cable operators and Direct to Home ('DTH') service providers towards pay-channels operated by the Company, and are recognized in the period during which the service is provided. Subscription fees billed to cable operators are determined based on number of subscription points to which the service is provided based on relevant agreements with such cable operators (along with management's best estimates of such subscription points wherever applicable), at contractually agreed rates with the Company's authorized distributor. Subscription income from DTH customers is recognized as and when services are rendered to the customer in accordance with the terms of agreements entered into with the service providers

iv) Interest on fixed deposit recorded accordingly rate of interest applied as per deposit form.

v) Foreign pay channel subscription fee received from different nations according to the agreement entered by the parties.

g) **Retirement and other employee benefits**

1. Provident Fund:-

Retirement benefit in the form of provident fund is a defined contribution scheme. Eligible employees receive benefits from a provident fund, which is defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The contributions are made to the Regional Provident Fund which is charged to the Statement of Profit and Loss as incurred.

The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes the contribution payable to the provident fund scheme as expenditure when the employee renders the related service.

2. Gratuity:-

- I. The Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months.
- II. Vesting occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for amounts notified by LIC. The Company accounts for gratuity benefits payable in future based on an independent external actuarial valuation carried out at the end of the year using the projected unit credit method. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they arise.

h) Taxes:-

Tax expense comprises current and deferred tax.

1) Current Income Tax:-

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

2) Deferred Tax:-

Deferred income tax is provided in full, using the balance sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled. Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

i) Earnings Per Share: -

Basic earnings per share is computed and disclosed using the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period, except when the results would be anti-dilutive.

Particulars	For the year ended 31st March 2020 Rs.	For the year ended 31st March 2019 Rs.
Net Profit/(Loss) Available to Equity Share Holder	1,18,908	5,39,50,111
Weighted Average Number of Equity Shares	5,19,13,344	5,19,13,344
Earnings Per Share (Basic) - in Rs.	0.00	1.04
Earnings Per Share (Diluted) - in Rs.	0.00	1.04

j) Cash & Cash Equivalents: -

- I. Cash and cash equivalents in the balance sheet comprise cash balance available at both savings & current accounts, Net outstanding Bank overdrafts Cash in hand and long-term deposits made in the past years are considered as integral part of the company's cash & cash equivalents.
- II. For the purpose of presentation of cash flow statements, cash & cash equivalents include cash in hand & available cash in the bank, others as defined above.

K) Foreign Currency Transactions: -

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognized assets and liabilities denominated in a currency that is not the company's functional currency (INR). Foreign currency transactions are recorded at the exchange rates as on the date of the transaction and the exchange difference arising from foreign currency transactions is dealt with in both Profit and Loss account and also in Balance sheet as the case may be.

L) Impairment of Property, plant and equipment / intangible assets: -

The carrying amounts of the Company's property, plant and equipment and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If there are indicators of impairment, an assessment is made to determine whether the asset's carrying value exceeds its recoverable amount. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Impairment is recognized in statement of profit and loss whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. The recoverable amount is the higher of net selling price, defined as the fair value less costs to sell, and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and risks specific to the asset.

An impairment loss for an individual asset or cash generating unit are reversed if there has been a change in estimates used to determine the recoverable amount since the last impairment loss was recognized and is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized. Impairment losses were recognized in the statement of profit and loss.

M) Inventory: -

Usually the company is having inventory in serial content procured from the other parties. The value of inventory includes cost of content bought from the content provider & cost of dubbing charges for conversion of content in to local regional language. Company has calculated the value of inventory based on the available period of usage of serial content as per the agreement entered by the service provider & Raj Television Network Limited.

N) Segment Reporting: -

As per Ind AS 108, company shall disclose information to enable users of its financial statements to evaluate the nature and financial effects of the business activities in which it engages and the economic environments in which it operates. But Raj Television Network Limited doesn't have any reportable business or Geographical segment types as mentioned in Ind AS 108.

O) Events after the reporting period: -

Ind AS-10 has disclose impact about the entity shall incur any events either favorable or unfavorable that occur between the end of the reporting period and the date when the financial statements are approved by the Board

of Directors in case of a company, and, by the corresponding approving authority in case of any other entity for issue. There are no material events occurred after the reporting period, which requires adjustment to Assets / Liabilities as on March 31, 2020.

P) Provisions, Contingent Liabilities & Assets: -

1) **Provisions:** A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. The expense relating to a provision is presented in the statement of profit and loss.

2) **Contingent Liabilities & Assets:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.
