From *Affordable Housing*
to *Residential Townships* and
Premium Commercial Projects,
HDIL has a prominent presence in every segment of the real estate business.

HDIL is among the top-five listed real estate companies in India. Over the last four decades, the group has done pioneering work in the area of affordable housing. While all real estate companies focus on building, we have also focused on land, especially in Mumbai where over 60% of habitable land is occupied by slums. By creating a model for rehabilitating slums, we have freed up land for housing and infrastructure projects such as roads, pipelines and, most recently, the Mumbai airport expansion project which is probably the largest rehabilitation project of its kind in the world. HDIL caters to a diverse set of customers and this is reflected in our portfolio which features premium commercial projects, townships for housing India's burgeoning middle class families and affordable housing for the bottom of the pyramid.

Chairman's Communiqué....

Dear Stakeholders,

**"But there's a big difference between 'impossible' and 'hard to imagine'
The first is about it; the second is about YOU!"**

- Marvin Minsky

It is my honour and privilege to interact with you as the Chairman of Housing Development and Infrastructure Limited and great pleasure to share with you the key highlights of the Company's performance during the Financial Year 2016-17.

Your Company delivered a steady performance during the year in the backdrop of a persistently sluggish demand environment, continuing pressure on the Real Estate and Infrastructure Industry, due to higher cost of funding, cumulative impact of sharp hike in input costs and gestation costs relating to approvals for new projects, the operating environment was rendered particularly challenging in the second half of the year with the currency crunch impacting the incipient recovery in demand.

F.Y. 2016-17 has been fairly satisfactory and encouraging in terms of Company performance despite the uncertainties caused during the year which marked a big effect on Economy. The impact that left its mark on each and every sector of the domestic economy was sudden announcement of demonetisation in November 2016 and the implementation of the Goods and Services Tax (GST) in July this year. Introduction of both these measures will have long term impact on the economy and only time will prove its real value to the economy.

As we all were aware of the fact that, Indian economy was largely cash driven with substantial transactions taking place in cash and very marginal percentile in digital transactions. With the decision of demonetization, Investment power of consumers has been negatively affected due to cash not being readily available. Consequential to this, cash-sensitive sectors like Small Scale Industries and real estate sector suffered heavily during the second half of the year. Bank changed main focus on the single task i.e deposit and withdrawals; with the result that their core function of lending was adversely affected, which again added adversity to Real estate as all stakeholders in this sector are financed by them. Now, looking at the GST prospectus, the Real Estate Sector has brought to some relief on the implementation of GST. Supply chain mechanism in real estate sector has revamped, as cascading effect in the tax was reaped off. Currently, the sale of land and buildings have been kept out of the ambit of GST and hopefully expected to be continued in future too. Construction of land and building will benefit from the rates declared for cement, bricks, and iron under GST, but looking at the rate specified, real estate sector is expected to be neutral. In the phase of major challenges, we made a significant progress.

The Company has successfully Registered its ongoing Projects under The Real Estate (Regulation and Development) Act 2016 which came into force with effect from May 1, 2017. Looking ahead to 2018, we will need to work harder to execute the strategies in the face of uncertain economic conditions confronting our business, and by the upcoming years your Company will launch many affordable housing projects which will strengthen Company's financial Position and flourish its arena of operations. Presently, Your Company is one of the largest developer and land bank owner in Mumbai Metropolitan Region. Mumbai has witnessed many changes in urban infrastructure landscape and effective measures are needed to adapt to such changes.

FINANCIAL PERFORMANCE

Company follows project completion method and financial performance comparison will not be appropriate. However for the record, Company recorded:-

- The Turnover of ₹ 74,617.74 Lacs as against ₹ 1,19,239.50 Lacs in the previous year.
- The Company's Profit from operations for the year ended March 31, 2017 is ₹ 20,856.28 Lacs as against ₹ 28,642.35 Lacs in the previous year.
- The Net Profit for the year is ₹ 17,524.58 Lacs as against ₹ 34,035.15 Lacs in previous year.

“BUDGET HOMES” - A MILESTONE ADDED TO AFFORDABLE HOUSING SEGMENT:-

We would like to take this opportunity to address you that, in line with the vision & mission of “Housing for All” by 2022 for “MAKE IN INDIA” concept, the Company launched “Budget Homes” in affordable housing segment in Mulund - Mumbai which provide 1BHK at ₹ 45 Lacs, and the same has been receiving very good response. So far the company has received booking for 239 flats as compared to 243 flats in total of Budget Homes which itself is a overwhelming vibes. In rapidly growing country like India with a large young population needs more homes at affordable price points which in turn, would enable more households to become homeowners. “Budget Homes” is a wish to conquer their dream of homeowner.

The thrust given to affordable housing has been extremely encouraging. Developers, specially your Company can now avail a 100% tax deduction on profits and gains if they construct affordable housing units. No other major sector of the economy has been given such attractive incentives. Further, infrastructure status for affordable housing has open up more avenues of lower Cost, longer tenor funding in the Real Estate Sector.

Last but not the Least, I wish to express sincere thanks to all my shareholders, Board of Directors, bankers, business partners, Government agencies, contractors and customers for their continued support and faith reposed in the Company. I also place on record my deep appreciation to all employees for their hard-work and dedication.

I would also take this opportunity to acknowledge that your Company is upholding responsibility for the environment and promoting well-being of all stakeholders including employees, customers and society at large.

Regards,

Rakesh Kumar Wadhawan
Executive Chairman

RESOLVED FURTHER THAT the aforesaid issue of the Warrants shall be on the following terms & conditions:

- i. The ‘Relevant Date’ in relation to this preferential issue of Warrants will be in accordance with the provisions of Regulation 71 of SEBI ICDR Regulations.
- ii. In accordance with the provisions of Regulation 77 of SEBI ICDR Regulations, 25% (Twenty Five Percent) of the consideration payable for the Warrants, shall be paid by the Warrant Holder to the Company on or before allotment of the Warrants and the balance consideration i.e. 75% (Seventy Five Percent) shall be paid at the time of allotment of equity shares pursuant to exercise of option against each such Warrant.
- iii. In accordance with the provisions of Regulation 75 of SEBI ICDR Regulations, the tenure of Warrants shall not exceed 18 (eighteen) months from the date of allotment.
- iv. The Warrant Holder shall be entitled to exercise any or all of the warrants in one or more tranches by way of a written notice to the Company, specifying the number of warrants proposed to be exercised along

with the aggregate amount thereon, without any further approval from the shareholders prior to or at the time of conversion. The Company shall accordingly, issue and allot the corresponding number of shares to the Warrant Holder.

- v. If the entitlement against the Warrants to apply for the equity shares is not exercised within the aforesaid period of 18 (eighteen) months, the entitlement of the Warrant holder to apply for equity shares of the Company along with the rights attached thereto shall expire and any amount paid on such Warrants shall stand forfeited.
- vi. In the event that the Company completes any form of capital restructuring prior to the conversion of the Warrants, then, the number of Equity Shares that each Warrant converts into and the price payable for such Equity Shares, shall be adjusted accordingly in a manner that, to the extent permitted by applicable laws, Warrant Holder: (i) receives such number of Equity Shares that Warrant Holder would have been entitled to receive; and (ii) pays such consideration for such Equity Shares to the Company which Warrant Holder would have been required to pay, had the Warrants been exercised immediately prior to the completion of such capital restructuring.
- vii. Upon exercise by Warrant Holder of the Warrants, the Company shall issue and allot appropriate number of Equity Shares and perform all such actions as are required to give effect to such issue, including but not limited to delivering to Warrant Holder, evidence of the credit of the Equity Shares to the depository account of Warrant Holder and entering the name of Warrant Holder in the records of the Company (including in the Register of Members of the Company) as the registered owner of such Equity Shares.
- viii. Subject to applicable laws, it is hereby expressly agreed that where pursuant to a scheme of arrangement, a Company issues shares or similar securities to the Company's shareholders, then Warrant Holder shall be entitled to receive in lieu of the Warrants held by Warrant Holder such number of shares, warrants or similar securities issued by such company, on the same terms and conditions and with the same rights as the Warrants, and at such effective price that Warrant Holder would have been entitled to receive immediately after the occurrence of such scheme of arrangement had the Warrants been exercised immediately prior to the occurrence of such scheme of arrangement.
- ix. The Warrants by itself until exercised and equity shares allotted, does not give to the Warrant Holder thereof any rights with respect to that of a shareholder of the Company.
- x. In accordance with the provisions of Regulation 78 of SEBI ICDR Regulations, the pre-preferential allotment shareholding of the Proposed Allottee shall be locked-in for a period of 6 Months from the date of trading approval.

RESOLVED FURTHER THAT the equity shares allotted on exercise of warrants in terms of this Resolution shall rank *pari passu* in all respects (including as to entitlement to voting powers and dividend) with the then existing fully paid-up equity shares of face value of ₹ 10/- each of the Company,

subject to the relevant provisions contained in the Articles of Association of the Company.

RESOLVED FURTHER THAT all or any of the powers conferred on the Company and the Board of Directors vide this Resolution may be exercised by the Board or Finance Committee of the Board (with power to delegate to any Officer of the Company), as the Board or such Finance Committee, for the purpose of giving effect to this Resolution, may in its absolute discretion deem necessary, desirable or expedient, including the Listing Application to the Stock Exchange(s), filing of requisite forms with Registrar of Companies and to resolve and settle any questions and difficulties that may arise in the proposed offer, issue and allotment of aforesaid securities, utilization of issue proceeds, signing of all deeds and documents as may be required and to do all acts, deeds and things in connection therewith and incidental thereto without being required to seek any further consent or approval of the Members of the Company or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this Resolution."

5. To consider fund raising programme of the Company:

To consider and if thought fit, to pass with or without modification(s), the following Resolution as a **Special Resolution**:

"RESOLVED THAT pursuant to provisions of Sections 41, 42, 62 and other applicable provisions, if any, of the Companies Act, 2013 ("**the Act**") (including any statutory modifications or re-enactment(s) thereof for the time being in force) as amended from time to time, the Foreign Exchange Management Act, 1999 ("**FEMA**"), as amended, the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, as amended, the Issue of Foreign Currency Convertible Bonds and Ordinary Shares (through Depository Receipt Mechanism) Scheme, 1993, as amended and Depository Receipts Scheme, 2014, rules, regulations, guidelines, notifications and circulars prescribed by the Securities and Exchange Board of India ("**SEBI**") including the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (the "**ICDR Regulations**") as amended, the Reserve Bank of India ("**RBI**") and the Government of India ("**GOI**") and/or any other competent authorities as may be required and clarifications, if any, issued thereon from time to time, the equity listing agreements entered into by the Company with the stock exchanges where the Company's equity shares of face value of ₹ 10/- each (the "**Equity Shares**") are listed, as per the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Listing Regulations**") and subject to any approval, consent, permission and/or sanction of GOI, SEBI, RBI and the stock exchanges, as may be required, and the enabling provisions of the Memorandum of Association and the Articles of Association of the Company and subject to all other necessary approvals, permissions, consents and/or sanctions of the concerned statutory and other relevant authorities and subject to such conditions and modifications as may be prescribed by any of them while granting such approvals, permissions, consents and sanctions and which may be agreed to by the Board of Directors of the Company (hereinafter referred to as "**the Board**", which term shall include any committee thereof constituted/to be constituted by the Board to exercise its powers including powers conferred by this Resolution to the extent permitted

by law), consent, authority and approval of the Members is hereby accorded to create, offer, issue and allot in one or more tranches, in the course of domestic and/or international offering(s) in one or more foreign markets, by way of a public issue, private placement or a combination thereof of the Equity Shares or through an issuance of the Global Depository Receipts (“GDRs”), the American Depository Receipts (“ADRs”), the Foreign Currency Convertible Bonds (“FCCBs”), fully convertible debentures/partly convertible debentures, preference shares convertible into Equity Shares and/or any other financial instruments or securities convertible into Equity Shares or with or without detachable warrants with a right exercisable by the warrant holders to convert or subscribe to the Equity Shares or otherwise, in registered or bearer form, whether denominated in rupee or in foreign currency (hereinafter collectively referred to as the (“Securities”) or any combination of Securities to any person including but not limited to foreign/resident investors (whether institutions, incorporated bodies, mutual funds and/or individuals or otherwise), foreign institutional investors, promoters, Indian and/or multilateral financial institutions, mutual funds, non-resident Indians, employees of the Company and/or any other categories of investors, whether they be holders of shares of the Company or not (including with provisions for reservation on firm and/or competitive basis, of such part of issue and for such categories of persons including employees of the Company as may be permitted), (collectively called the “Investors”) at such time or times, at such price or prices, at a discount or premium to the market price or prices in such manner and on such terms and conditions including security, rate of interest, etc., including the discretion to determine the categories of Investors to whom the offer, issue and allotment shall be made to the exclusion of all other categories of Investors at the time of such issue and allotment considering the prevailing market conditions and other relevant factors wherever necessary as may be decided by the Board in its absolute discretion at the time of issue of Securities in one or more offerings/tranches, such that the total amount including premium raised through the aforesaid Securities should not exceed USD 150 million (150 Million United States Dollars) in one or more currencies.

RESOLVED FURTHER THAT Sections 41, 42, 62 and other applicable provisions, if any, of the Act, Chapter VIII of the ICDR Regulations, the FEMA and the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000, consent, authority and approval of the Members be and is hereby accorded to issue, offer and allot Equity Shares, securities convertible into Equity Shares or non-convertible debentures along with warrants such that the total amount including premium raised should not exceed USD 150 million (150 Million United States Dollars), as specified in the preceding Resolution, to the qualified institutional buyers (as defined in the ICDR Regulations) pursuant to a qualified institutions placement in accordance with Chapter VIII of the ICDR Regulations.

RESOLVED FURTHER THAT in case of issue of the Securities by way of the qualified institutions placement to the qualified institutional buyers in accordance with Chapter VIII of the ICDR Regulations, the “relevant date” shall mean the date of the meeting in which the Board or a Committee of the Board decides to open the proposed issue of Securities and at such price as applicable in accordance with the provisions of the ICDR Regulations.

RESOLVED FURTHER THAT in case of a qualified institutions placement, in terms of the provisions of the ICDR Regulations, the Board may, at its absolute discretion, issue Equity Shares (including upon conversion of the Securities) at a discount of not more than such percentage as permitted under applicable regulations to the ‘floor price’ as determined in terms of the ICDR Regulations.

RESOLVED FURTHER THAT:

- a. the Securities to be so created, offered, issued and allotted shall be subject to the provisions of the Memorandum of Association and the Articles of Association of the Company;
- b. the relevant date for the purposes of determining the floor price of the Securities would be in accordance with the guidelines prescribed by SEBI, RBI, GOI through its various departments, or any other regulator and the pricing of any Equity Shares issued upon the conversion of the Securities shall be made subject to and in compliance with the applicable adjustments in the applicable rules/guidelines/statutory provisions and
- c. The Equity Shares that may be issued by the Company shall rank pari passu with the existing Equity Shares of the Company in all respects.

RESOLVED FURTHER THAT the issue of Equity Shares underlying the Securities, which are convertible into or exchangeable with Equity Shares at a later date shall be, inter alia, subject to the following terms and conditions:

- a. in the event of the Company making a bonus issue by way of capitalization of its profits or reserves prior to the allotment of the Securities, the number of Equity Shares to be allotted shall stand augmented in the same proportion in which the Equity Share capital increases as a consequence of such bonus issue and the premium, if any, shall stand reduced pro rata;
- b. in the event of the Company making a rights offer by issue of Equity Shares prior to the allotment of the Securities, the entitlement to the Equity Shares will stand increased in the same proportion as that of the rights offer and such additional Equity Shares shall be offered to the holders of the Securities at the same price at which the same are offered to the existing shareholders;
- c. in the event of merger, amalgamation, takeover or any other re-organization or restructuring or any such corporate action, the number of Equity Shares, the price and the time period as aforesaid shall be suitably adjusted and
- d. in the event of consolidation and/or division of outstanding shares into smaller number of shares (including by the way of stock split) or re-classification of the Securities into other securities and/or involvement in such other event or circumstances which in the opinion of concerned stock exchange requires such adjustments, necessary adjustments will be made.

RESOLVED FURTHER THAT the Board be and is hereby authorised to appoint lead managers, underwriters, guarantors, depositories, custodians, registrars, trustees, bankers, lawyers, advisors and all such agencies as may be involved or concerned in such offerings of Securities and to remunerate them by way of commission, brokerage, fees or

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following statement sets out all material facts relating to the Special Businesses mentioned in the accompanying notice:

ITEM NO. 3

The Board on the recommendation of the Audit Committee, approved the appointment and remuneration of M/s. Ketki D. Visariya & Co., Cost Accountants (“**Cost Auditors**”), to conduct the audit of the cost records of the Company for the Financial Year (“F.Y.”) ending March 31, 2018.

In terms of the provisions of Section 148 of the Act, read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors is to be ratified by the Members of the Company. Accordingly, the Members are requested to ratify the remuneration payable to the Cost Auditors for the F.Y. ending March 31, 2018, as set out in the Resolution for the aforesaid services to be rendered by them.

None of the Directors, or their relatives, or KMP of the Company are concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3.

Accordingly, your Directors commend the **Ordinary Resolution** for the approval of the Members for ratification of remuneration payable to the Cost Auditors.

ITEM NO. 4

With a view to consolidate and infuse long term working capital in the Company, the Board of Directors of the Company, at its Meeting held on Tuesday, May 30, 2017, approved the issue up to 2,00,00,000 (Two Crore) Warrants, convertible into equivalent number of Equity Shares of ₹ 10/- each to Mr. Sarang Wadhawan, Promoter of the Company (“**Warrant Holder/Proposed Allottee**”) on preferential basis, in one or more tranches, at a price which shall not be less than the minimum price as may be arrived at in accordance with the provisions of Chapter VII of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 (“**SEBI ICDR Regulations**”), as amended from time to time.

Pursuant to the provisions of Sections 62(1)(c) and 42 of Companies Act, 2013 (“**the Act**”) any preferential allotment of Securities needs to be approved by the Members of the Company by way of a Special Resolution. Further, in terms of Regulation 73 of the SEBI ICDR Regulations, certain disclosures are required to be made to the Members of the Company which forms part of this Explanatory Statement:-

Details of the Issue:

- The allotment of the Warrants is subject to the Proposed Allottee not having sold any equity shares of the Company during the 6 (Six) months preceding the Relevant Date. The Proposed Allottee has affirmed that the said allottee has not sold any equity shares of the Company during the 6 (Six) months preceding the Relevant Date.
- The relevant disclosures as required under Chapter VII of the SEBI ICDR Regulations are set out below:

a) Objects of the Preferential Issue:

The proceeds of the preferential issue of Warrants will be utilized by the Company to consolidate and infuse long term working capital in the Company.

b) Proposal of the Promoters/Directors/Key Managerial Personnel of the Company to subscribe to the preferential issue:

The preferential issue is being made to Mr. Sarang Wadhawan, Promoter of the Company.

c) Shareholding pattern of the Company before and after the preferential issue:

*Assuming exercise by the Proposed Allottee of all the Warrants.

d) The time within which the preferential issue shall be completed:

As required under the SEBI ICDR Regulations, the allotment of the Warrants on preferential basis will be completed within a period of 15 days from the date of passing of the Special Resolution. Provided that where any approval or permission by any regulatory or statutory authority for allotment is pending, the allotment of the Warrants shall be completed within 15 days from the date of receipt of such approval or permission.

e) Identity of the natural persons who are the ultimate beneficial owners of the shares proposed to be allotted and/or who ultimately control the proposed allottee, the percentage of post-preferential issued capital that

may be held by the said allottee and change in control, if any, in the Company consequent to the preferential issue:

Name of the Allottee	Ultimate Beneficial Owners	Pre-Issue Equity Holding		No. of Warrants to be allotted	Post-Issue Holding (after exercise of Warrants)*	
Mr. Sarang Wadhawan	Mr. Sarang Wadhawan	1,91,59,115	4.41	2,00,00,000	3,91,59,115	8.63

*The above figures are estimated and to be based on price determined under SEBI ICDR guidelines and assuming exercise by the Proposed Allottee of all the Warrants.

There will not be any change in control of the Company pursuant to the issue of Warrants.

f) Relevant Date:

The Relevant date for the purpose of this issue shall be Tuesday, August 29, 2017, being the date 30 days prior to the deemed date of passing of Special Resolution by the Members of the Company in its 21st AGM to approve the proposed preferential issue, in accordance with the SEBI ICDR Regulations.

g) Basis or Justification of Price:

The issue price will be determined in accordance with Regulation 76 of the SEBI ICDR Regulations. Since the Company is listed on both BSE Limited and National Stock Exchange of India Limited, the trading volume of Securities of the Company on both the Stock Exchanges will be considered to determine the higher trading volume for computation of issue price. The issue of equity shares arising out of exercise of Warrants issued on preferential basis shall be made at a price not less than higher of the following or as per the law prevailing at the time of allotment of Warrants:

- i. the average of the weekly high and low of the closing prices of the equity shares quoted on a recognized Stock Exchange during the 26 weeks preceding the Relevant Date; or
- ii. the average of the weekly high and low of the closing prices of the equity shares quoted on a recognized Stock Exchange during the 2 weeks preceding the Relevant Date.

The 'Recognized Stock Exchange' referred to above means any of the recognized Stock Exchanges in which the equity shares of the Company are listed and in which the highest trading volume in respect of the equity shares of the Company has been recorded during the preceding 26 weeks prior to the Relevant Date.

The Company would notify through the newspapers the price of each equity share to be issued in lieu of Warrants calculated in accordance with Regulation 76(1) of Chapter VII of the SEBI ICDR Regulations on the basis of the Relevant Date for the benefit of the Members.

h) Requirement as to re-computation of price and lock-in of specified securities:

Since the equity shares of the Company have been listed on the recognized Stock Exchanges for a period of more than 6 months prior to the Relevant Date, the Company is not required to re-compute the price of the equity shares and therefore, the Company is not required to submit the undertakings specified under Regulations 73(1)(f) and (g) of the SEBI ICDR Regulations.

i) Auditor's Certificate:

A copy of the certificate from M/s. Thar & Co., Chartered Accountants, Statutory Auditors of the Company, certifying that the proposed preferential issue of Warrants is being made in accordance with the requirements contained in Chapter VII of the SEBI ICDR Regulations, shall be available for inspection at the Registered Office of the Company during office hours on all working days, except Saturday/Sunday and other holidays, between 10.00 a.m. and 12.00 noon up to the date of declaration of result of General meeting i.e. October 1, 2017.

j) Lock-in Period:

The Warrants and the equity shares allotted pursuant to exercise of options attached to Warrants issued on preferential basis will be subject to lock-in as provided in the SEBI ICDR Regulations. The entire pre-preferential allotment shareholding of the Proposed Allottee, if any, shall be locked-in from the Relevant Date up to a period of six months from the date of trading approval granted by the Stock Exchange(s).

Except Mr. Sarang Wadhawan, Vice Chairman & Managing Director and Mr. Rakesh Kumar Wadhawan, Executive Chairman of the Company, none of the other Directors, or their relatives, or Key Managerial Personnel of the Company are concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4.

Accordingly, your Directors commend the Special Resolution for the approval of the Members for approving issue of Warrants on preferential basis to Mr. Sarang Wadhawan, Promoter of the Company.

ITEM NO. 5

The Company, in order to reduce the overall debt of the Company and to meet with the long term capital requirements of the Company and to increase the ability to compete with the peer groups in domestic markets, needs to strengthen its financial position and net worth by augmenting long term resources, has proposed the Fund Raising Programme.

Pursuant to the above, the Board may, issue and allot in one or more tranches, in the course of domestic and/or international offering(s) in one or more foreign markets, by way of a public issue, private placement or a combination thereof of the Equity Shares or through an issuance of the Global depository receipts, the American depository receipts, the foreign currency convertible bonds, fully convertible debentures/partly convertible debentures, preference shares convertible into Equity Shares, and/or any other financial instruments or securities convertible into Equity Shares or with or without detachable warrants with a right exercisable by the warrant holders to convert or subscribe to the Equity Shares or otherwise, in registered or bearer form, whether rupee denominated or

denominated in foreign currency (hereinafter collectively referred to as the “**Securities**”) or any combination of Securities to any person including but not limited to foreign/resident investors (whether institutions, incorporated bodies, mutual funds and/or individuals or otherwise), foreign institutional investors, promoters, Indian and/or multilateral financial institutions, mutual funds, non-resident Indians, employees of the Company and/or any other categories of investors.

The “relevant date” shall mean the date of the Meeting in which the Board or a Committee of the Board decides to open the proposed issue of Securities and at such price as applicable in accordance with the provisions of the ICDR Regulations.

For reasons aforesaid, an enabling Resolution is therefore proposed to be passed to give adequate flexibility and discretion to the Board to finalise the terms of the issue. The securities issued pursuant to the offering would be pari passu with the existing Equity Shares in all respects, except the right as to dividend which shall be from the relevant F.Y. in which they are allotted and/or as provided under the terms of the issue or as contained in the relevant offering documents.

The proposed issue of Qualified Institutions Placement Securities as above may be made in one or more tranches such that the aggregate amount raised by issue of Qualified Institutions Placement Securities shall not exceed USD 150 million (150 Million United States Dollars).

Section 62 of the Act and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, provide, inter alia, that where it is proposed to increase the subscribed share capital of the Company by allotment of further shares, such further shares shall be offered to the persons, who on the date of the offer are holders of the equity shares of the Company, in proportion to the capital paid-up on those shares as of that date unless the Members decide otherwise. The Special Resolution seeks the consent and authorisation of the Members to the Board to make the proposed issue of Securities, in consultation with the Lead Managers, Legal Advisors and other intermediaries and in the event it is decided to issue Securities convertible into equity shares, to issue to the holders of such convertible Securities in such manner and such number of equity shares on conversion as may be required to be issued in accordance with the terms of the issue, keeping in view the then prevailing market conditions and in accordance with the applicable provisions of rules, regulations or guidelines.

None of the Directors, or their relatives, or KMP of the Company are concerned or interested, financially or otherwise, in the Resolution set out at Item No. 5.

Accordingly, your Directors commend the **Special Resolution** for the approval of the Members for approving the fund raising programme of the Company.

ITEM NO. 6

In order to bring the remuneration of Non-Executive Directors (“NEDs”) commensurate with the time and effort put in by them, the Board of Directors of the Company (“the Board”) at its meeting held on May 30, 2017, subject to approval of Members of Company and other applicable statutory approval(s), approved payment of commission aggregating ₹ 1,81,81,000/- (Rupees One Crore Eighty One Lakh and Eighty One Thousand only) annually in such proportion as may be decided by the Board to NEDs for a period of 3 (three) years from the financial year ended March 31, 2018, provided total commission payable to such Directors shall not

exceed 1% of the net profits of the Company as computed in the manner referred to under Section 197 of the Companies Act, 2013. Payment of such commission will be in addition to the sitting fees for attending meetings of the Board/Committees.

The NEDs of the Company may be deemed to be interested or concerned in passing of the Special Resolution to the extent of the commission that may be received by them.

The average Net Profit of the Company for last three F.Y. is ₹ 78,400.80 Lacs and accordingly the Company requires to spend ₹ 1491.95 Lacs on CSR activities.

The Company has setup a trust in the name of 'HDIL Foundation' with the objectives of starting and maintain educational institutions, open boarding houses and hostels for students, libraries, donations for working of educational institutions and charitable purpose, to establish hospitals, research laboratories and medical centers, general welfare and upliftment of poor and needy people, digging wells and providing drinking water, to organize seminars/meetings/camps for awakening of general masses, to give relief in the stress of famine/fire/tempest/cyclone/earthquake or other natural calamity.

The Company however has initiated certain obligations through undertaking of SRA project, where social and economically backward people have been beneficiary of these projects, in the following ways:

- i. transportation facilities to the school going children of slum dwellers;
- ii. providing additional safety measure to enhance security of labour at construction sites and
- iii. free medical camps for the labourers and their families.

Further, your Company is irregular in paying off its statutory dues and financial commitments to the Banks and Financial Institutions, hence, the Board is of the view that CSR activities needs to be undertaken only after the Company has regularised in meeting all its obligations.

CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT, TECHNOLOGICAL ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Information as required under Section 134(3)(m) of the Act read with the Companies (Accounts) Rules, 2014, for the year ended March 31, 2017, is as under:

CONSERVATION OF ENERGY

Your company is conscious about its responsibility to conserve energy, power and other energy sources wherever possible. We emphasis towards a safe and clean environment and continue to adhere to regulatory requirements and guidelines. The construction team under the guidance of expert engineers of the Company continuously strives and devises various means to conserve energy and identify methods for optimum use of energy.

Initiatives are taken for energy efficiency systems for Buildings in various phases like design, building and occupation by considering various options and appropriate measures for energy conservation which are stated as following:

- **A Building Management System (BMS)** or a (more recent terminology) **Building Automation System (BAS)**;
- **Energy Efficiency System;**
- **Insulation;**
- **Multipane Windows, Window Treatment and Storm Doors, UPVC Doors/Windows etc.;**
- **Zoning System and**
- **Passive solar Design.**

RESEARCH AND DEVELOPMENT

The Company has undertaken Research and Development ("**R&D**") activity in development of technology in the area of construction.

In today's competitive market where it is obvious need to construct with optimum cost, reduced schedule while maintaining highest standard of quality, our Company is actively involved in R&D activities. Some of them are:

Optimization of Space:

Mechanical Car Parking

- DOKA formwork;
- ULMA formwork;
- MIVAN formwork;
- Installation of safety apparatus for emergency evacuation purpose in an unlikely event of hazard;
- Study, Analysis and use of various shuttering patterns for economy, conservation of time and better quality of work;
- Substitution of Diaphragm wall with sheet piling as shoring options;
- Study, Analysis and use of composite structure in place of conventional structure;
- Optimization of resources and their recycling for further use;
- Use of environment friendly materials and developing green building concept and
- Analysis and study of trade off among various services for optimization.

Emphasis is given on time, cost and quality and setting an efficient trade-off among these three variables of Project management in R&D efforts.

GREEN PAINTS FOR GREEN BUILDING:

Introduction:

Paints can have a major impact on the overall aesthetics of a space; sometimes more than even flooring and furnishing because of the enormous square footage of the coverage.

According to the US Environmental Protection Agency (USEPA), 9% of the airborne pollutants creating ground level ozone come from the VOC's (Volatile Organic Compound) in the Paint. VOC refers to a class of chemicals which evaporates easily at room temperature. When these VOCs off-gas, they may cause a variety of health problems like nausea, dizziness, irritation of eyes and respiratory tract, and more serious illness like heart, lung or kidney damage and cancer.

Low and Zero VOC paints have little or no smog-forming emission. Use of high VOC content materials can cause illness and may decrease occupant productivity. These problems result in increased expenses and liability for building owners, operators and insurance companies.

Benefits:

Using the Low VOC or Zero VOC paint we can eliminate the detrimental effect of ground level ozone on human health, agricultural crops, forests and ecosystem. Healthy occupants are more productive and have less illness-related absenteeism.

LED LIGHTS

Introduction:

LEDs are light emitting diodes, are a technology that allows for extremely energy efficient and extremely long-lasting light bulbs. An LED light bulb can reduce energy consumption by 80-90% and last around 100,000 hours. They even light up faster than regular bulbs (which could save your life if there are LEDs in the brake lights of your car).

Ecologically Friendly:

LED lights are free of toxic chemicals. Most conventional fluorescent lighting bulbs contain a multitude of materials like e.g. mercury that are dangerous for the environment.

LED lights contain no toxic materials and are 100% recyclable, and will help you to reduce your carbon footprint by up to a third. The long operational life time span mentioned above means also that one LED light bulb can save material and production of 25 incandescent light bulbs. A big step towards a greener future.

Zero UV Emissions:

LED illumination produces little infrared light and close to no UV emissions.

Because of this, LED lighting is highly suitable not only for goods and materials that are sensitive to heat due to the benefit of little radiated heat emission, but also for illumination of UV sensitive objects or materials such as in museums, art galleries, archeological sites etc.

Security Systems:

The Company has following Security Systems at its office and site:

- Fire Alarm System and
- Water Curtain System

TECHNOLOGICAL ABSORPTION

Your Company has not imported any technology. However, we believe and use information technology extensively in all spheres of our activities to improve efficiency levels.

1. INDUSTRY - STRUCTURE AND DEVELOPMENTS:

A. INDIAN ECONOMY – AN OVERVIEW:

The Real estate and construction is a pivotal cog of economic growth for India, as it contributes the third highest share to the Indian economy and is also the third largest employer in India (after agriculture and manufacturing) and presently employs over 40 million workforces. The Sector is growing at a rate of about 20% per annum and has been contributing about 5-6% to India's Gross Domestic Product ("GDP").

The Financial year 2016-17 was marked by two major domestic policy developments: passage of the Constitutional amendment which paved way for implementing the transformational Goods and Services Tax ("GST"), and the action to demonetise the ₹ 500 and ₹ 1,000 bank notes in the country. In view of both, The GST is suppose to create a common Indian market for indirect tax, improve tax compliance and governance, and boost investment and growth. It is also a bold new experiment in the governance of India's cooperative federalism. The bill to implement GST has been passed in the Parliament and the country is poised to move to a GST regime from the second quarter of 2017-18. Whereas Demonetisation had short-term costs, contemporary evidence tended to suggest significant disruption for the first six to eight weeks due to unprecedented cash constraints throughout the economy. However, the National Income Data published by the Central Statistics Office (CSO) does not suggest any significant reduction in growth in the third quarter of 2016-17, which coincided with demonetisation. The third quarter tends to be muted. In 2015-16, the growth rate of real gross value added (GVA) in Q2 was 8.4%; while in Q3 it was 7%, i.e sequential drop of 1.4 percentage points. In 2016-17, GVA growth in Q2 was 6.7%, and in Q3 it was 6.6%. What the data so far suggests is that the demonetisation effect was more moderate than what the critics claimed it would be and it looks as if its effects have been transitory.

B. OVERVIEW OF THE REAL ESTATE INDUSTRY:

The Real estate market has been amongst the sectors worst hit by the economic downturn in the year 2016, but as compared to last year the real estate industry has shown the sign of revival and is showing remarkable growth in the year 2017. By introducing regulations like RERA, Benami Transaction Prohibition, REITs, GST ("the said Regulations") there is a long-term industrial growth and it also impacts on ease of business by transparency at work. A lot is expected from Government of India ("GOI") in the upcoming years to offer some relief in the Real Estate Sector which will have positive impact on Your Company and its related stakeholders.

The said Regulations compiled with low inflations proposals like deduction in profit for construction of affordable housing, interest subsidy to first time home buyer and reduction in overall interest rates specially for home loans under affordable Finance Housing Scheme, outcome which will contour the Real Estate. With the recent Demonetisation the affordable housing segment is benefited and revived as compared to the luxury housing segment as this segment comes under that category of people who are dependent on home loans.

"Post Demonetisation - The buzz around affordable housing is attracting new demand pickup into the market and affordable housing emerging as a new segment for a large number of the recent entrants"

C. GOVERNMENT STANCE:

The Government formalised its vision and investment cycle to empower the bureaucracy to revive the Sector. The government has launched its ambitious moto of 'Housing for all by 2022' specially "affordable housing", which encompasses building six crore housing units through public-private partnership model recognising the need to fill up the gap in urban housing. The Government also formalised several initiatives directed towards improving urban infrastructure. It has already identified 100 cities to be developed as Smart Cities under its "The Smart City Project", identified 500 cities for urban rejuvenation under 'Atal Mission for Rejuvenation & Urban Transformation' ("AMRUT"), and launched Heritage City Development & Augmentation Yojana ("HRIDAY"), which would transform urban infrastructure in 12 Heritage Cities.

After the Central Government allowed 100% Foreign Direct Investment and tax pass path through Real Estate Investment Trust ("REITs"), retail funding in Real Estate Sector and Infrastructure Investment Trust ("InvITs") attracted many investors. The Securities and Exchange Board of India (SEBI) has recently (January 2017) allowed mutual funds (MFs) to invest in REITs and InvITs. Besides, the government made provisions to grant infrastructure status to affordable housing. Developers can enjoy cheaper sources of funding, including external commercial borrowings (ECBs). Promoters of Affordable housing will also get more time for project completion. The deadline has increased to five years, up from the current three years.

The Reserve Bank of India ("RBI") relaxed provisions for individual housing loans wherein, for loans above ₹ 30 Lacs and up to ₹ 75 Lacs, the risk weight has been brought down to 35% with loan-to-value (LTV) ratio up to 80%. For loans above ₹ 75 Lacs, with LTV ratio up to 75%, risk weight has been reduced from 75% to 50%.

2. OPPORTUNITIES, THREATS & CHALLENGES:

A. OPPORTUNITIES:

Easing of Monetary Norms

The real estate sector performance is directly bound by the country's economic fundamentals and monetary policies. The Reserve Bank of India maintained its benchmark repo rate of 6.5 percent during the meeting held in June 2017 (*Repo rate is the rate at which the RBI lends money to commercial banks*). Monetary easing initiatives will provide an impetus to housing demand.

Government Initiatives

The Government proposed to construct 1 crore houses for the homeless by 2019. The PM Awas Yojana allocation has raised to ₹ 23,000 crore from ₹ 15,000 crore. The National Housing Bank also refinance individual housing loans of about ₹ 20,000 crore in 2017-18. To promote affordable homes, the government amended the Section 80-IBA relaxing the period of completion of the project for claiming deduction from the current three years to five years.

Push for Affordable Housing – by giving them "Infrastructure Status".

The implementation of Real Estate (Regulation and Development) Act, 2016 has improved confidence of buyers in the sector, as it improved transparency, provided various buyer-friendly measures and encouraged timely completion of projects.

In Budget 2016, The government announced a scheme for profit-linked income tax exemption for promoters of affordable housing scheme, which received a very good response; alongwith they allowed 100% deduction for housing projects building 30 square meters (build-up area) in the four metro cities and 60 square meters (build-up area) in other cities. But in **Budget 2017**, to make scheme more attractive Government incorporated certain changes where instead of built up area of 30 and 60 sq meter, the carpet area of 30 and 60 sq meter to be counted.

Relaxation in FDI norms

The government has further relaxed Foreign Direct Investment (FDI) norms in the construction sector by removing two major conditions related to minimum built up area as well as capital requirement thereby improving the ease of doing business in the Real Estate Sector. Eventually, Removal of this minimum thresholds encouraged investment in small projects.

This new FDI norms will helped to ease the entry and exit for foreign investors, as foreign investor and Repatriate Foreign Investment are now permitted to exit before the completion of project under automatic route, provided a lock-in-period of three years. Exit is permitted at any time if project or trunk infrastructure is completed before the lock-in-period.

Real Estate Investment Trusts (REITs)

In Union Budget 2017, REITs opened the ways for the realty sector to get easy funding and ensure timely completion of projects. From Company perspective, it benefited home buyers as it came under the lowest possible slab of the GST, thereby, enabling greater affordability for potential home. SEBI relaxed its norms to allow these trusts to invest more in Under Construction Assets and therefore they have a larger number of sponsors, which is creating a huge market for these sector.

Real Estate (Regulation and Development) Act

As per the Ministry of Finance’s Economic Survey 2015-16, about 25 percent of Residential Real Estate projects are delayed due to poor project management, lack of capital commitment by developers and delay in seeking regulatory approvals. The Real Estate (Regulation and Development) Act is a landmark reform for the Real Estate Sector which has the potential to address these issues which have paralyzed its growth for the last few years. The Act is expected to modify traditional practices and bring out a more professional approach amongst developers.

Reference to above, Your Company is a major player in Mumbai Real Estate market with a land reserve of approx. 241.73 million Sq.ft. as on March 31, 2017, with 90% of its land reserves in Mumbai Metropolitan Region.

Your Company has been a major player in residential, commercial, affordable housing and redevelopment spaces. Relaxation of policies with regards to affordable housing & redevelopment and market’s sign of regaining momentum will boost your Company in terms of new project launch and Floor Space Index (“FSI”) sale.

B. THREATS & CHALLENGES:

Regulatory Hurdles

Unfavorable changes in government policies and the regulatory environment can adversely impact the performance

of the sector. There are substantial procedural delays with regards to land acquisition, land use, project launches and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector.

Funding Problems

The RBI has set sectoral caps for the total maximum exposure of banks to real estate, including individual housing loans and lending to developers for construction finance which is quite low and is curtailing the growth of the sector. Absence of long term funding from banks is forcing developers to look at alternative sources of funds, most of which do not offer affordable interest rates.

Shortage of Manpower & Technology

Despite being the third largest employer in the country the construction sector as a whole faces manpower shortage. Further the sector is heavily dependent on manual labour which increases the timelines for construction companies and results in supply getting deferred. Hence, technologically less labour intensive alternative methods of construction need to be adopted on a large scale through training and skill development of manpower.

3. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

Your Company has managed to improve its registration of project process over the previous year and the Management of your Company is satisfied with the performance during the current financial year, Specially with the registration of all the ongoing projects with the Government of Maharashtra established Maharashtra Real Estate Regulatory Authority (MahaRERA). From Company results prospective the major contributor to the profits are project sales, Transfer of Development Rights (“TDR”) and FSI sale which gradually is value addition to the profitability of the Company. Your Company has the most efficient human capital with each team having expertise in its domain.

As on March 31, 2017, the portfolio of your Company comprised of residential component of 64.77%, commercial and retail 6.45% and SRA 28.78%.

HDIL Project Mix – Segment wise Breakup

Presently, the Company is executing projects at Nahur, Mulund, Kurla, Andheri, Ghatkopar, Virar and Palghar. There are some projects at various stages of construction and possession of some projects has already commenced.

4. OUTLOOK:

Although it's hard to forecast the Real Estate Market that is highly sentiment driven in India, several factors will drive the future trend. With the implementation of RERA 2016 by the states, the year 2017 will see the Indian Real Estate Sector to be more transparent, credible and attractive with only organised players on the ground. Most of the leading banks has slashed interest rates on home loans effective from January 1, 2017 and many other banks likely to follow the suit, which will definitely boost the confidence of buyers, investors and developers.

Company's major focus will be debt reduction with a plan to reduce it during this fiscal year. The Company will be focusing on project completion and execution along with TDR and FSI sale and to grow stronger over next 3-4 years.

5. RISKS AND CONCERNS:

Economic conditions have a greater bearing on the sector as a whole. Hence, sales depend highly on the growth of the economy. Liquidity in the market is pivotal for speeding up project execution and launch of new projects.

Though Government has taken various initiatives, more efforts in terms of approvals, policies, liquidity and also timeline of approval are required. Otherwise there is a possibility of the projects getting delayed in approval process and the regulator putting the entire blame on the developer.

6. INTERNAL CONTROL SYSTEMS:

The Company has an adequate system of internal controls to ensure that all assets are protected against loss from unauthorised use or disposal and to ensure all transactions are authorised, recorded and reported correctly. It has in place internal controls covering all fields across all financial and operating functions ranging from procurement of land to smooth execution of projects. Apart from ensuring that proper accounting policies and financial reporting regarding the same is made properly, the internal control team keeps a close watch on the schedules followed, to ensure that the Company is able to meet the delivery deadlines. The audit committees keep reviewing the internal audit reports from time to time, and offer suggestions for improvement of internal controls and systems within the Group. The statutory audit of the Company is conducted by M/s. Thar & Co., Chartered Accountants who submit their reports to the Board of Directors and Audit Committee

7. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONS PERFORMANCE:

For F.Y. 2017-18, the Company's major focus will be Debt reduction with a plan to reduce it below ₹ 15%. The Company will be focusing on project completion along with TDR and FSI sale.

The key components of our strategy will be focused around:

- Speedy Project Completion;
- Handing over of Possession;
- Sale of TDR and FSI and
- Financial Strength and Liquidity

Wealth maximisation of our investors and stakeholders has been our strength and major objective. Our major focus is on improving end customer experience by providing good quality product at reasonable pricing with high product visibility and customised sales agreement. Improving product quality and timely execution has been and will always be our priority.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Your Company considers its employees as its most important asset; and has created a work environment that ensures their continued well-being. It strongly aligns the organisation's growth with the growth of every individual who is functional in taking the organisation closer to its goals. It aims at attracting, nurturing and retaining the best industry talent; and invests substantial time and energy in maintaining an engaging human resource culture. New employees are trained to make them accustomed to the HDIL culture, while continuing employees are given ample opportunities to explore their talent and capabilities. The Company will continue to expand itself by virtue of its core intellect that resides with human resource. The Company had 513 employees on its rolls as on 31st March 2017, of which 13% of talents are women.

9. CAUTIONARY STATEMENT:

The above management discussion and analysis contains certain forward looking statements within the meaning of applicable security laws and regulations. These pertain to the company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition, economic growth in India, ability to attract and retain highly skilled professionals, time cost over runs on contracts, government policies and actions with respect to investments, fiscal deficits, regulations etc.

SHARE HOLDING PATTERN

Dematerialisation of shares and liquidity:

As at March 31, 2017, 99.99% of shareholding aggregating to 43,39,44,536 shares were held in dematerialised form with NSDL and CDSL, while 0.01% aggregating to 59,450 shares were held in physical form.

Outstanding Global Depository Receipts ("GDRs")/American Depository Receipts ("ADRs")/Warrants or any convertible instruments, conversion date and likely impact on equity:

There are no outstanding GDRs/ADRs/Warrants or any convertible instruments as on March 31, 2017, likely to have an impact on the Equity Share Capital of the Company.

Commodity Price Risk or Foreign Exchange Risk and Hedging Activities:

The Company is subject to commodity price risk like any other industry. Moreover, since the Company procures all the input commodities used in the production of goods and generation of services from third parties, it is all the more subject to risk and rewards of price variations. The Company is, to a certain extent, able to manage the risks of adverse price movements by giving all inclusive construction contracts, with a built in mechanism for moderation of any substantial price movement of key components of the contract. In respect of contract for finishing and facade items, the commodity/hedging market for these items is not fully developed and the Company keeps on evaluating on continuous basis opportunities for price risk minimisations. In respect of inward remittances from eligible overseas buyers of the residential units constructed by the Company, all billing is in INR and hence the Company is immune to foreign exchange risk on this account.

To the Members of Housing Development and Infrastructure Limited

Report on the Financial Statements

We have audited the accompanying Financial Statements of Housing Development and Infrastructure Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit of the financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in

terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order.

2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such control, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (a) The Company has disclosed the impact of pending litigations on its standalone financial position in its standalone financial statements as referred to in Note 35 to the standalone financial statements;
 - (b) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

"ANNEXURE A" TO INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our Report of even date on the financial statements for the year ended on 31st March, 2017 of Housing Development and Infrastructure Limited

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative and situation of fixed assets.
- (b) All the fixed assets have been physically verified by the management in a phased manner, over a period of one year, which in our opinion, is reasonable, having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of the immovable property are held in the name of the company.
- (ii) The inventories have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of verification is reasonable. On the basis of our examination of inventory records, no material discrepancy was discovered during the period.
- (iii) The Company has not granted any loans to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act and therefore, the provisions of clause (iii) of paragraph 3 of the Order are not applicable to the Company.
- (iv) The Company has not granted any Loans or Guarantees to directors or made any investments as mentioned in the Section 185 and Section 186 of the Act and hence the provisions of clause (iv) are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and the rules framed there under to the extent notified.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2016 prescribed by the Central Government under Section 148 (1) of the Act and are of the opinion that prima facie the prescribed cost records have been made and maintained. We have not, however, made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us, the Company is generally regular in depositing undisputed amount of statutory dues in respect of Provident Fund, Employee's State Insurance, Income Tax, Sales Tax, Service Tax, VAT, cess and other material statutory dues as applicable with the appropriate authorities and as on 31st March, 2017, no such dues were outstanding for a period of more than six months from the date they became payable except for the following:-

Nature of Dues	₹ in Lakhs

Provident fund	236.53
Profession tax	5.02

- (b) According to the information and explanations given to us, there are dues of service tax, value added tax, wealth tax, duty of customs and cess which have not been deposited with the appropriate authorities on account of any dispute. However, the following dues of income tax have not been deposited by Company on account of disputes:

Name of The Statute	Nature of Dues	Forum where the Dispute is Pending	Period to which the Amount Relates	Amount Involved (₹ in Lakhs)	Amount unpaid (₹ in Lakhs)
Income Tax Act, 1961	Income Tax	CIT Appeals Mumbai	FY 2008-09	2036.24	2036.24
			FY 2010-11	25772.4	25716.7
			FY 2012-13	29145.9	29145.9
			FY 2013-14	7403.56	7403.56
Income Tax Act, 1961	TDS	CIT Appeals Mumbai	FY 2014-15	128.90	128.90
			FY 2015-16	90.31	90.31

- (viii) Based on our Audit procedures and as per the information and explanations given by the management, the company has defaulted in repayment of loans and interest to banks, financial institutions and debenture holders. Estimated unpaid overdue interest and installments to banks, financial institutions and debenture-holders as at 31st March, 2017 is aggregated to ₹888.04 crores. The overdue relates to the financial years 2013-14, 2014-15, 2015-16 and 2016-17.
- (ix) The Company has not raised money through initial public offers or further public offers or debt instruments or term loans during the financial year.
- (x) Based on the audit procedure performed and the representation obtained from the management, no case of fraud on or by the Company or any of its employees or officers were noticed or reported during the course of our audit.
- (xi) Managerial remuneration has been provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company as specified by the Companies Act, 2013 and hence the provisions under clause (xii) of Paragraph 3 of the Order are not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company's transactions with its related party are in compliance with Sections 177 and 188 of the Companies Act, 2013, and where applicable the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has made preferential allotment of 1.5 crores shares of face value of ₹ 10 at a premium of ₹ 90 per share and accordingly all compliances of section 42 of the Companies Act 2013 have been complied with. The amount raised through preferential allotment has been used for the purpose for which they have been raised.
- (xv) In our opinion and according to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence reporting under clause (xv) of Paragraph 3 of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/S Housing Development and Infrastructure Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

Housing Development and Infrastructure Limited ("HDIL") (CIN : L70100MH1996PLC101379) is engaged primarily in the business of real estate construction, development and other related activities. The Company is public limited Company incorporated and domiciled in India having its registered office at HDIL Towers, 9th Floor, Anant Kanekar Marg, Bandra (East), Mumbai- 400 050. The Company is listed on BSE Limited (BSE) and The National Stock Exchange of India Limited (NSE).

1.1. Significant accounting policies

a) Basis of preparation

i) Statement of compliance with Ind AS

These financial statements are prepared on going concern basis in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value and the provisions of the Companies Act, 2013 ('Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March, 2017 together with the comparative period as at and for the year ended 31 March, 2016. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April, 2015 the Company's date of transition to Ind AS.

Reconciliations and descriptions of the effect of the transition has been summarized in note 45. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii) Historic cost convention

The financial statements have been prepared on historic cost basis except for certain financial liabilities that are measured at fair value.

b) Revenue recognition

Revenue from the projects is recognised by applying Percentage of Completion Method in compliance of Guidance Note on Accounting for Real Estate Transaction (Revised 2012) issued by the Institute of the Chartered Accountants of India. However, for the ongoing projects as on the date of introduction of Guidance Note on Accounting for Real Estate Transaction (Revised 2012) and also where Company has already commenced the recognition of the revenue from the projects, the Company follows completed project method of accounting ("Project Completion Method of Accounting") where in allocable expenses incurred during the year are debited to work-in-progress account and the income is accounted for as and when the projects get completed or substantially completed and also the revenue is recognised to the extent it is probable and the economic benefits will flow to the Company and the revenue can be reliably measured.

i) Sale:-

- Unit in real estate :-
Revenue is recognised when the significant risks and rewards of ownership of the units in real estate have passed to the buyer.
- Sale/trading of goods and materials :-
Sales are recognised when goods are supplied and are recorded net of returns, trade discounts, rebates and indirect taxes.

ii) Rent:-

Revenue is recognised on accrual basis.

iii) Interest:-

- Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- Interest due on delayed payments by customers is accounted for on receipts basis due to uncertainty of recovery of the same.

iv) Dividends:-

Revenue is recognised when the shareholders' right to receive payment is established by the Balance Sheet date.

v) Share of profit from joint ventures:-

Share of profit/(loss) from partnership firms is accounted for in respect of the financial year ending on or before the Balance Sheet date.

vi) Profit on sale of investment:-

It is recognised on its liquidation/redemption.

c) Operating lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Operating Lease payments/revenue are recognised on straight line basis over the lease term in the statement of profit and loss, unless the lease agreement explicitly states that increase is on account of inflation.

d) Transactions in foreign currencies

The functional currency of the Company, being the currency of the primary economic environment in which the Company operates, is Indian Rupees ("₹"). The financial statements are presented in Indian Rupees.

- i) Foreign currency transactions are accounted at the exchange rate prevailing on the date of such transactions.
- ii) Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date. Exchange differences arising on settlement of monetary items or on reporting such monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements are recognised as income or as expenses in the period in which they arise.
- iii) Non-monetary foreign currency items are carried at historical cost are translated at the exchange rate prevalent at the date of the transaction.

e) Retirement and other employee benefits

- i) The Company operates both defined benefit and defined contribution schemes for its employees.

For defined contribution schemes the amount charged as expense is equal to the contributions paid or payable when employees have rendered services entitling them to the contributions.

For post-employment benefit plans and other long term employee benefit plans, actuarial valuations are carried out at each balance sheet date using the Projected Unit Credit Method.

Remeasurements comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to statement of profit and loss in subsequent periods.

- ii) The Company recognises service costs comprising current service costs, past-service costs, remeasurement of other long term employee benefits, gains and losses on curtailments and non-routine settlements and net interest expense or income as an expense in the statement of profit and loss.
- iii) The Company's contributions paid/payable towards the defined contribution plan is recognized as expense in the Statement of Profit and Loss during the period in which the employee renders the related service.
- iv) Short-term employee benefits are expensed at the undiscounted amount in the Statement of Profit and Loss in the year the employee renders service.

f) Income taxes

Tax expense comprises of current and deferred tax.

i) Current Tax

Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred tax

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

iii) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which give rise to future economic benefits in the form of adjustment of future tax liability, is recognised as an asset only when, based on convincing evidence, it is probable that future economic benefits associated with it will flow to the Company and the assets can be measured reliably.

g) Property, plant and equipments and intangible assets

- i) Property plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.
- ii) Capital work-in-progress comprises cost of Property, Plant & equipment and related expenses that are not yet ready for their intended use at the reporting date.
- iii) Intangible assets which have definite useful life are stated at cost less accumulated amortisation and impairment loss. The intangible assets which have indefinite life are not amortised but tested for impairment annually.
- iv) Investment property

Investment properties are properties (land or a building—or part of a building—or both) held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including purchase price, borrowing costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and impairment, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

Any gain or loss arising on derecognition of the property is included in the statement of profit and loss in the period in which the property is derecognised."

h) Depreciation/Amortisation on Property, Plant and Equipment/other intangible assets

- i) Effective 1st April, 2014, depreciation on Property, Plant & Equipment is provided on the straight-line method over the useful lives of assets as specified in Schedule II of the Companies Act, 2013, as against the earlier practice of depreciating at the rates prescribed in Schedule XIV of the Companies Act, 1956. Depreciation for assets purchased/sold during a year is proportionately charged. Intangible assets are amortised over their respective estimated useful lives on a straight-line basis, commencing from the date of asset is available to the Company for its use. The estimated useful life and residual value is reviewed at the end of each reporting financial year and changes, if any, are accounted for prospectively.
- ii) Based on an independent technical evaluation, the useful life of Mobile Phones has been estimated as 3 years, which is different from that prescribed in Schedule II of the Act.

i) Borrowing costs

Borrowing costs attributable to the acquisition or construction of qualifying assets till the time such assets are ready for intended use are capitalised as part of cost of the assets. All other borrowing costs are expensed in the period they occur.

j) Impairment of Property, Plant & Equipment and in intangible assets

The carrying amounts of the Company's property, plant and equipment and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If there are indicators of impairment, an assessment is made to determine whether the asset's carrying value exceeds its recoverable amount. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

An impairment is recognised in income statement whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. The recoverable amount is the higher of net selling price, defined as the fair value less costs to sell, and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset for which estimates of future cash flows have not been adjusted.

An impairment loss for an individual asset or cash generating unit shall be reversed if there has been a change in estimates used to determine the recoverable amount since the last impairment loss was recognised and is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Impairment loss are recognised in the profit and loss statement.

k) Inventories

Inventories are valued as follows:

Inventory comprises of completed property for sale, transferable development rights, F.S.I. and projects in progress.

- i) Completed property for sale and transferable development rights are valued at lower of cost or net realisable value. Cost formulae used are 'First-in-First-out'. Cost includes cost of land, land development rights, acquisition of tenancy rights, materials, services, borrowing costs and other related overheads as the case may be.

- ii) Projects in progress are valued at lower of cost or net realisable value. Cost formulae used are 'First-in-First-out'. Cost includes cost of land, land development rights, materials, services, borrowing costs, acquisition of tenancy rights and other related overheads. Cost incurred/items purchased specifically for projects are taken as consumed as and when incurred/received.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

- iii) In the case of acquisition of land for development and construction, the rights are acquired from the owners of the land and the conveyance and registration thereof will be executed between the original owners and the ultimate purchasers as per trade practice. As a result, in the intermediate period, generally, the land is not registered in the name of the Company.

I) Financial instruments

Financial instruments is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

ii) Subsequent Measurement - Financial Assets

Financial assets are classified into the following specified categories: amortised cost, financial assets 'at fair value through profit or loss' (FVTPL), 'Fair value through other comprehensive income' (FVTOCI). The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

- **Debt Instrument**

- **Amortised Cost**

- A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Fair value through other comprehensive income (FVTOCI)**

- A 'debt instrument' is classified as the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets and

- The asset's contractual cash flows represent solely payments of principle and interest. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

- **Fair value through Profit and Loss (FVTPL)**

- FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

- In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is considered only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

- **"Equity investments**

- The Company subsequently measures all equity investments, other than investment in subsidiary at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payment is established.

- **Investment in subsidiaries**

Investment in subsidiaries is carried at cost less impairment loss, if any in the separate financial statements.

- **Derecognition of financial assets**

The Company derecognises a financial asset when the rights to receive cash flows from the asset have expired, or The Company has transferred its rights to receive cash flows from the asset.

- **Impairment of financial assets**

The Company, after performing internal assessments, recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

iii) Subsequent Measurement - Financial Liabilities

- **Financial liabilities measured at amortised cost**

Financial liability are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss.

- **Financial liabilities measured at FVTPL (fair value through profit or loss)**

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Derivatives, including separated embedded derivatives are classified as held for trading unless they are designated as effective hedging instruments. Financial liabilities at fair value through profit or loss are carried in the statement of financial position at fair value with changes in fair value recognized in finance income or finance costs in the income statement.

- **Derecognition of financial liabilities**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

- **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

- **Determination of fair value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis and available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

Reclassification of financial assets and Liabilities

The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest."

m) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a probable, present legal or constructive obligation to make a transfer of economic benefits as a result of past events where a reliable estimate is available.

The amounts recognised represent the Company's best estimate of the transfer of benefits that will be required to settle the obligation as of the reporting date. Provisions are discounted if the effect of the time value of money is material using a pre-tax market rate adjusted for risks specific to the liability.

Contingent liabilities are possible obligations that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognised but are disclosed in the notes unless the likelihood of their crystallizing is remote.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

n) Earnings per share

Basic earnings per equity share are calculated by dividing the net profit/(loss) for the year attributable to equity shareholders (after deducting attributable taxes) by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for event of fresh issue of shares to the public.

For the purpose of calculating diluted earnings per equity share, the net profit or (loss) for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

p) Segment reporting policies

The main business of the Company is real estate development and construction of residential and commercial properties, infrastructure facilities and all other related activities revolve around the main business and as such there are no separate reportable segments as specified in Accounting Standard (IND AS - 108) on "Operating Segments".

As per Ind AS 19 "Employee benefits", the disclosures as defined in the Accounting Standard are given below :

The Company has created Employee's Group Gratuity Fund with Life Insurance Corporation of India and obtained Group Gratuity Assurance Policy from LIC for the benefit of employees.

A Gratuity Plan :-

Defined Benefit Plan

The employees' gratuity fund scheme managed by a Trust (Life Insurance Corporation of India) is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Carrying amount of Investment, Trade Receivables, Cash and Cash Equivalent, Bank balances, Other financial Assets, Trade payables and Other financial liabilities as at 31st March, 2017, 31st March, 2016 and 1st April, 2015 approximate the Fair Value because of their short term nature. Difference between carrying amount and fair values of bank deposits, other financial assets, other financial liabilities and borrowings subsequently measured at amortised cost is not significant each of year presented.

B) Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels :

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Company has fair valued the transaction of financial guarantee (under Other Financial Liabilities) on the basis of internal comparables of a similar transaction with an unrelated party. The fair value so determined will therefore be classified under Level 2. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair valued measurements and the cost represents estimate of fair valued within that range.

C) Financial risk management

i) Risk management framework

- a) The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors have established the risk management committee, which is responsible for developing and monitoring the risk management policies. The Company reports regularly to the Board of Directors on its activities.
- b) The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which the employees understand their roles and obligations.
- c) The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

ii) The Company has exposure to the following risks from the financial instruments:

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments in debt securities, loans given to related parties and project deposits.

The carrying amount of financial assets represents the maximum credit exposure.

• Trade Receivables

Customer credit risk is managed by requiring customers to pay advances through progress billings before transfer of ownership, therefore substantially eliminating the Company's Credit risk in this respect.

The Company's credit risk with regard to trade receivables has a high degree of risk diversification, due to the large number of projects of vary in sizes and types with numerous different customer categories in a large number of geographical markets.

Based on prior experience and an assessment of the current economic environment, management believes there is no credit risk provision required. Also the Company does not have any significant concentration of credit risk.

The ageing of trade receivables is as follows:

(₹ in Lacs)

	31 st March, 2017	31 st March, 2016	01 st April, 2015
Trade Receivables (Unsecured)			
Over six months	7,852.64	8,174.32	13,690.62
Less than six months	26,194.89	16,317.58	19,096.55
	34,047.53	24,491.90	32,787.16

The amounts reflected in the table above are not impaired as on the reporting date.

• Investment in Debt securities, Loans to Related Parties and Deposits

The Company has investments in non-convertible preference shares, loans to related parties and project deposits. Based on prior experience and assessments performed by the management such financial Assets are not impaired as on the reporting date.

- **Cash and Bank Balances**

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy.

- b) **Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

- **Exposure to Liquidity risk**

- c) **Market risk**

Market risk is the risk that changes in market prices such as foreign exchange rate and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

- **Currency risk**

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments as reported to the management is as follows :

Fair value sensitivity analysis for fixed rate instruments

Fixed rate financial assets/liabilities are carried out at amortised cost. Therefore they are not subject to interest rate risk since, neither the carrying amount nor the future cash flows will fluctuate because of changes in market interest rates.

Cash flow sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in interest rate would have resulted in variation in the interest expense for the Company by the amounts indicated in the table below. Given that the Company capitalises interest to the cost of inventory to the extent permissible, the amounts indicated below may have an impact on reported profits over the life cycle of projects to which such interest is capitalised. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposure outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the period.

42. AUTHORISATION OF FINANCIAL STATEMENTS

The financial statements for the year ended 31st March, 2017 were approved by the Board of Directors on 30th May, 2017

43. The management and authorities have the power to amend the Financial Statements in accordance with Section 130 and 131 of The Companies Act, 2013.

44. The IT Department have appealed against the IT Tribunal's order, advising the IT Department for reassessment of Computation of Income of the block assessment of Income Tax for the Assessment Year 2009-10, 2010-11, 2011-12. The matter is Pending.

45. First-time adoption of Ind-AS

The transition as at April 1, 2015 to Ind As was carried out from Previous GAAP. The exemptions and exceptions applied by the Company in accordance with Ind AS 101 - First-time Adoption of Indian Accounting Standards, the reconciliations of equity and total comprehensive income in accordance with Previous GAAP to Ind AS are explained below :

Exemptions availed on first time adoption of Ind-AS 101

A) Optional Exemptions availed

i) Property, Plant & Equipment and Intangibles

As permitted by Ind As 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

ii) Investment in Subsidiary

The Company has elected to adopt the carrying value under previous GAAP as on the date of transition i.e. April 1, 2015 in its separate financial statements.

B) Mandatory Exemption

i) Estimates

Ind AS estimates as at 1st April, 2015 are consistent with the estimates as at the same date made in conformity with the previous GAAP. The Company made estimates for the following items in accordance with the Ind AS at date of transition as these were not required under previous GAAP :

- Fair valuation of financial Instruments carried at FVTPL and/or FVOCI
- Determination of the discounted value for financial instruments carried at amortised cost

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provision of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind As. Accordingly, the Company has elected to apply the de-recognition provision of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

The Company has determined the classification of financial assets based on facts and circumstances that exists on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

1 Corporate Guarantee

The Company has recognised the financial guarantee initially at its fair value and recognised the same on straight-line basis in accordance with Ind AS 18.

2 Security Deposit

Under the previous GAAP, Interest free lease security deposits were recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as Prepaid.

3 Lease income

The Company has identified and reassessed its terms in the lease arrangement and any future increase in the lease receipts, otherwise than on account of inflation, has been accounted on straight line basis.

4 Borrowing cost amortised

Under Previous GAAP, these transaction cost were charged to Profit & Loss Account as and when incurred. Under Ind AS, these cost are recognised in the profit or loss over the tenure of the borrowing as part of the interest expense by applying effective interest rate method.

5 Investment Properties

Under Ind AS, Investment properties have been separately presented on the face of the balance sheet and measures as per the cost model prescribed in Ind AS 16 in line with Ind AS 40.

6 Deferred Tax

Deferred Tax has been recognised on adjustments made on transition to Ind AS.

7 Remeasurement of post employment benefits obligation

Under Ind AS, remeasurement i.e. actuarial gain and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

**To the Members of
Housing Development and Infrastructure Limited**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Housing Development and Infrastructure Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements

that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) We did not audit the financial statements of two subsidiaries of the Company – (i) Lashkaria Construction Private Limited and (ii) HC Infracity Private Limited whose financial statements reflect total assets of ₹ 17,759.56 lacs as at 31st March, 2017, total revenue (net) of NIL and net cash flows amounting to ₹ -5.39 lacs for the year then ended, as considered in the consolidated financial statements. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the report of such other auditors.
- (b) Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the reports of the other auditors and the financial statements /financial information certified by the Management.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanation given to us, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Group so far as it appears from our examination of those books and report of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary Companies, none of the Directors of the Group companies, is disqualified as on 31st March, 2017 from the being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated Financial Statements disclosed the impact of pending litigations on its consolidated financial position of the Group – Refer Note 35 to the Consolidated Financial Statements;
 - ii. The Group did not have any material foreseeable losses on the long term contracts including derivative contracts;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investors Education and Protection Fund by the Holding Company and Subsidiary companies.
 - iv. The Holding Company has provided requisite disclosures in its consolidated Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from November 8, 2016 to December 30, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of accounts maintained by the Holding Company and the respective group entities, as produced to us and based on the consideration of report of other auditors, referred to in the Other Matters paragraph above. Refer Note No. 39 to the consolidated Ind AS financial statements.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF M/S HOUSING DEVELOPMENT AND INFRASTRUCTURE LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/S HOUSING DEVELOPMENT AND INFRASTRUCTURE LIMITED** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.1. Significant accounting policies

a) Basis of preparation

i) Statement of compliance with Ind AS

These financial statements are prepared on going concern basis in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value and the provisions of the Companies Act, 2013 ('Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accordingly, the Group has prepared financial statements which comply with Ind AS applicable for year ending on 31st March, 2017 together with the comparative period as at and for the year ended 31st March, 2016. In preparing these financial statements, the Group's opening balance sheet was prepared as at 1st April, 2015 the Group's date of transition to Ind AS.

Reconciliations and descriptions of the effect of the transition has been summarized in note 45.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use."

ii) Historic cost convention

The financial statements have been prepared on historic cost basis except for certain financial liabilities that are measured at fair value.

b) Revenue recognition

Revenue from the projects is recognised by applying Percentage of Completion Method in compliance of Guidance Note on Accounting for Real Estate Transaction (Revised 2012) issued by the Institute of the Chartered Accountants of India. However, for the ongoing projects as on the date of introduction of Guidance Note on Accounting for Real Estate Transaction (Revised 2012) and also where Group has already commenced the recognition of the revenue from the projects, the Group follows completed project method of accounting ("Project Completion Method of Accounting") where in allocable expenses incurred during the year are debited to work-in-progress account and the income is accounted for as and when the projects get completed or substantially completed and also the revenue is recognised to the extent it is probable and the economic benefits will flow to the Group and the revenue can be reliably measured.

i) Sale: -

- Unit in real estate: -

Revenue is recognised when the significant risks and rewards of ownership of the units in real estate have passed to the buyer.

- Sale / trading of goods and materials : -

Sales are recognised when goods are supplied and are recorded net of returns, trade discounts, rebates and indirect taxes.

ii) Rent: -

Revenue is recognised on accrual basis.

iii) Interest: -

- Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- Interest due on delayed payments by customers is accounted for on receipts basis due to uncertainty of recovery of the same.

iv) Dividends: -

Revenue is recognised when the shareholders' right to receive payment is established by the Balance Sheet date.

v) Share of profit from joint ventures:-

Share of profit/(loss) from partnership firms is accounted for in respect of the financial year ending on or before the Balance Sheet date.

vi) Profit on sale of investment: -

It is recognised on its liquidation / redemption.

c) Operating lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Operating Lease payments / revenue are recognised on straight line basis over the lease term in the statement of profit and loss, unless the lease agreement explicitly states that increase is on account of inflation.

d) Transactions in foreign currencies

The functional currency of the Group, being the currency of the primary economic environment in which the Group operates, is Indian Rupees ("₹"). The financial statements are presented in Indian Rupees.

- i) Foreign currency transactions are accounted at the exchange rate prevailing on the date of such transactions.
- ii) Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date. Exchange differences arising on settlement of monetary items or on reporting such monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements are recognised as income or as expenses in the period in which they arise.
- iii) Non-monetary foreign currency items are carried at historical cost are translated at the exchange rate prevalent at the date of the transaction.

e) Retirement and other employee benefits

- i) The Group operates both defined benefit and defined contribution schemes for its employees.

For defined contribution schemes the amount charged as expense is equal to the contributions paid or payable when employees have rendered services entitling them to the contributions.

For post-employment benefit plans and other long term employee benefit plans, actuarial valuations are carried out at each balance sheet date using the Projected Unit Credit Method.

Remeasurements, comprising of actuarial gains and losses are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to statement of profit and loss in subsequent periods.

- ii) The Group recognises service costs comprising current service costs, past-service costs, remeasurement of other long term employee benefits, gains and losses on curtailments and non- routine settlements and net interest expense or income as an expense in the statement of profit and loss.
- iii) The Group's contributions paid / payable towards the defined contribution plan is recognized as expense in the Statement of Profit and Loss during the period in which the employee renders the related service.
- iv) Short-term employee benefits are expensed at the undiscounted amount in the Statement of Profit and Loss in the year the employee renders service.

f) Income taxes

Tax expense comprises of current and deferred tax.

i) Current Tax

Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in the tax returns

with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred tax

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

iii) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which give rise to future economic benefits in the form of adjustment of future tax liability, is recognised as an asset only when, based on convincing evidence, it is probable that future economic benefits associated with it will flow to the Group and the assets can be measured reliably."

g) Property, plant and equipments and intangible assets

i) Property plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. The cost comprises purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

ii) Capital work-in-progress comprises cost of Property, Plant & equipment and related expenses that are not yet ready for their intended use at the reporting date.

iii) Intangible assets which have definite useful life are stated at cost less accumulated amortisation and impairment loss. The intangible assets which have indefinite life are not amortised but tested for impairment annually.

iv) Investment property

Investment properties are properties (land or a building—or part of a building—or both) held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including purchase price, borrowing costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and impairment, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

Any gain or loss arising on derecognition of the property is included in the statement of profit and loss in the period in which the property is derecognised.

h) Depreciation / Amortisation on Property, Plant and Equipment / other intangible assets

i) Effective 1st April, 2014, depreciation on Property, Plant & Equipment is provided on the straight-line method over the useful lives of assets as specified in Schedule II of the Companies Act, 2013, as against the earlier practice of depreciating at the rates prescribed in Schedule XIV of the Companies Act, 1956. Depreciation for assets purchased / sold during a year is proportionately charged. Intangible assets are amortised over their respective estimated useful lives on a straight-line basis, commencing from the date of asset is available to the Group for its use. The estimated useful life and residual value is reviewed at the end of each reporting financial year and changes, if any, are accounted for prospectively.

ii) Based on an independent technical evaluation, the useful life of Mobile Phones has been estimated as 3 years, which is different from that prescribed in Schedule II of the Act.

i) Borrowing costs

Borrowing costs attributable to the acquisition or construction of qualifying assets till the time such assets are ready for intended use are capitalised as part of cost of the assets. All other borrowing costs are expensed in the period they occur.

j) Impairment of Property, Plant & Equipment and intangible assets

The carrying amounts of the Group's property, plant and equipment and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If there are indicators of impairment, an assessment is made to determine whether the asset's carrying value exceeds its recoverable amount. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

An impairment is recognised in income statement whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. The recoverable amount is the higher of net selling price, defined as the fair value less costs to sell, and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset for which estimates of future cash flows have not been adjusted.

An impairment loss for an individual asset or cash generating unit shall be reversed if there has been a change in estimates used to determine the recoverable amount since the last impairment loss was recognised and is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised. Impairment loss are recognised in the profit and loss statement.

k) Inventories

Inventories are valued as follows:

Inventory comprises of completed property for sale, transferable development rights, F.S.I. and projects in progress.

- i) Completed property for sale and transferable development rights are valued at lower of cost or net realisable value. Cost formulae used are 'First-in-First-out'. Cost includes cost of land, land development rights, acquisition of tenancy rights, materials, services, borrowing costs and other related overheads as the case may be.
- ii) Projects in progress are valued at lower of cost or net realisable value. Cost formulae used are 'First-in-First-out'. Cost includes cost of land, land development rights, materials, services, borrowing costs, acquisition of tenancy rights and other related overheads. Cost incurred / items purchased specifically for projects are taken as consumed as and when incurred / received.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

- iii) In the case of acquisition of land for development and construction, the rights are acquired from the owners of the land and the conveyance and registration thereof will be executed between the original owners and the ultimate purchasers as per trade practice. As a result, in the intermediate period, generally, the land is not registered in the name of the entity in a group.

l) Financial instruments

Financial instruments is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Initial Recognition

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

ii) Subsequent Measurement - Financial Assets

Financial assets are classified into the following specified categories: amortised cost, financial assets 'at fair value through profit or loss' (FVTPL), 'Fair value through other comprehensive income' (FVTOCI). The classification depends on the Group's business model for managing the financial assets and the contractual terms of cash flows.

- **Debt Instrument**

- **Amortised Cost**

- A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Fair value through other comprehensive income (FVTOCI)**

- A 'debt instrument' is classified as the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets and

- The asset's contractual cash flows represent solely payments of principle and interest. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Fair value through Profit and Loss (FVTPL)

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is considered only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

- **Equity investments**

The Group subsequently measures all equity investments, other than investment in subsidiary at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payment is established."

- **Investment in subsidiaries**

Investment in subsidiaries is carried at cost less impairment loss, if any in the separate financial statements.

- **Derecognition of financial assets**

The Group derecognises a financial asset when the rights to receive cash flows from the asset have expired, or the Group has transferred its rights to receive cash flows from the asset.

- **Impairment of financial assets**

The Group, after performing internal assessments, recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

iii) Subsequent Measurement - Financial Liabilities

- **Financial liabilities measured at amortised cost**

Financial liability are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss.

- **Financial liabilities measured at FVTPL (fair value through profit or loss)**

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Derivatives, including separated embedded derivatives are classified as held for trading unless they are designated as effective hedging instruments. Financial liabilities at fair value through profit or loss are carried in the statement of financial position at fair value with changes in fair value recognized in finance income or finance costs in the income statement.

- **Derecognition of financial liabilities**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

- **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

- **Determination of fair value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis and available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

Reclassification of financial assets and Liabilities

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

m) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Group has a probable, present legal or constructive obligation to make a transfer of economic benefits as a result of past events where a reliable estimate is available.

The amounts recognised represent the Group's best estimate of the transfer of benefits that will be required to settle the obligation as of the reporting date. Provisions are discounted if the effect of the time value of money is material using a pre-tax market rate adjusted for risks specific to the liability.

Contingent liabilities are possible obligations that arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group, or a present obligation that arises from past events but is not recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or the amount of the obligation cannot be measured with sufficient reliability. Contingent liabilities are not recognised but are disclosed in the notes unless the likelihood of their crystallizing is remote.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset, and is recognised as an asset.

n) Earnings per share

Basic earnings per equity share are calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting attributable taxes) by weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for event of fresh issue of shares to the public.

For the purpose of calculating diluted earnings per equity share, the net profit or (loss) for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

p) Segment reporting policies

The main business of the Group is real estate development and construction of residential and commercial properties, infrastructure facilities and all other related activities revolve around the main business and as such there are no separate reportable segments as specified in Accounting Standard (IND AS - 108) on "Operating Segments".

Note: The fair value of investment property has been determined having reference to the market values as prescribed under the ready recknor published by a competent authority, as the company believes that the current market price of similar properties in the vicinity is the best evidence of the fair value of such investment property. The FV measurement has been categorised as Level 2 based on inputs to valuation technique used.

As per Ind AS 19 "Employee benefits", the disclosures as defined in the Accounting Standard are given below :

The Company has created Employee's Group Gratuity Fund with Life Insurance Corporation of India and obtained Group Gratuity Assurance Policy from LIC for the benefit of employees.

A) Gratuity Plan :-

Defined Benefit Plan

The employees' gratuity fund scheme managed by a Trust (Life Insurance Corporation of India) is a defined benefit plan. The present value of obligation is determined based on actuarial valuation using Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Carrying amount of Investment, Trade Receivables, Cash and Cash Equivalent, Bank balances, Other financial Assets, Trade payables and Other financial liabilities as at 31st March, 2017, 31st March, 2016 and 1st April, 2015 approximate the Fair Value because of their short term nature. Difference between carrying amount and fair values of bank deposits, other financial assets, other financial liabilities and borrowings subsequently measured at amortised cost is not significant each of year presented.

B) Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels :

Level 1 - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The Company has fair valued the transaction of financial guarantee (under Other Financial Liabilities) on the basis of internal comparable of a similar transaction with an unrelated party. The fair value so determined will therefore be classified under Level 2. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair valued measurements and the cost represents estimate of fair valued within that range.

C) Financial risk management

i) Risk management framework

- a) The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors have established the risk management committee, which is responsible for developing and monitoring the risk management policies. The Company reports regularly to the Board of Directors on its activities.
- b) The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which the employees understand their roles and obligations.
- c) The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit Committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and adhoc reviews of risk management controls and procedures, the results of which are reported to the Audit Committee.

ii) The Company has exposure to the following risks from the financial instruments:

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments in debt securities, loans given to related parties and project deposits.

The carrying amount of financial assets represents the maximum credit exposure.

• Trade Receivables

Customer credit risk is managed by requiring customers to pay advances through progress billings before transfer of ownership, therefore substantially eliminating the Company's Credit risk in this respect.

The Company's credit risk with regard to trade receivables has a high degree of risk diversification, due to the large number of projects of vary in sizes and types with numerous different customer categories in a large number of geographical markets.

Based on prior experience and an assessment of the current economic environment, management believes there is no credit risk provision required. Also the Company does not have any significant concentration of credit risk.

The ageing of trade receivables is as follows:

	(₹ in Lacs)		
	31 st March, 2017	31 st March, 2016	01 st April, 2015
Trade Receivables (Unsecured)			
Over six months	12,324.11	18,202.59	25,007.84

	30,666.45	26,350.64	30,417.33

The amounts reflected in the table above are not impaired as on the reporting date.

- **Investment in Debt securities, Loans to Related Parties and Deposits**

The Company has investments in non-convertible preference shares, loans to related parties and project deposits. Based on prior experience and assessments performed by the management such financial Assets are not impaired as on the reporting date.

- **Cash and Bank Balances**

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

- **Exposure to Liquidity risk**

c) Market risk

Market risk is the risk that changes in market prices such as foreign exchange rate and interest rates will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

- **Currency risk**

Currency risk is not material, as the Company's primary business activities are within India and does not have significant exposure in foreign currency.

- **Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the Company's interest rate position. Various variables are considered by the management in structuring the Company's borrowings to achieve a reasonable, competitive, cost of funding.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments as reported to the management is as follows :

(₹ in Lacs)

Particulars	31 st March, 2017	31 st March, 2016	1 st April, 2015
Financial Assets			
Fixed rate instruments			
Bank Deposits			
- Current	11,030.99	10,387.99	16,078.18
- Non Current	40.00	40.00	40.00

- From Financial institutions	54,106.06	54,457.71	55,942.33

Fair value sensitivity analysis for fixed rate instruments

Fixed rate financial assets / liabilities are carried out at amortised cost. Therefore they are not subject to interest rate risk since, neither the carrying amount nor the future cash flows will fluctuate because of changes in market interest rates.

Cash flow sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in interest rate would have resulted in variation in the interest expense for the Company by the amounts indicated in the table below. Given that the Company capitalises interest to the cost of inventory to the extent permissible, the amounts indicated below may have an impact on reported profits over the life cycle of projects to which such interest is capitalised. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposure outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the period.

45. First-time adoption of Ind-AS

The transition as at 1st April, 2015 to Ind As was carried out from Previous GAAP. The exemptions and exceptions applied by the Company in accordance with Ind AS 101 - First-time Adoption of Indian Accounting Standards, the reconciliations of equity and total comprehensive income in accordance with Previous GAAP to Ind AS are explained below :

Exemptions availed on first time adoption of Ind-AS 101

A) Optional Exemptions availed

i) Property, Plant & Equipment and Intangibles

As permitted by Ind As 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

ii) Investment in Subsidiary

The Company has elected to adopt the carrying value under previous GAAP as on the date of transition i.e. 1st April, 2015 in its separate financial statements.

B) Mandatory Exemption

i) Estimates

Ind AS estimates as at 1st April, 2015 are consistent with the estimates as at the same date made in conformity with the previous GAAP. The Company made estimates for the following items in accordance with the Ind AS at date of transition as these were not required under previous GAAP :

- Fair valuation of financial Instruments carried at FVTPL and / or FVOCI
- Determination of the discounted value for financial instruments carried at amortised cost

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provision of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind As. Accordingly, the Company has elected to apply the de-recognition provision of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

The Company has determined the classification of financial assets based on facts and circumstances that exists on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

C) Reconciliations between Previous GAAP and Ind AS
