Net Profit during the year 2015-16 is ₹ 23 Million compared to Net Profit of ₹ 3 Million achieved during 2014-15. ***ANNEXURE -2 TO THE INDEPENDENT AUDITOR'S REPORT:*****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"):**

We have audited the internal financial controls over financial reporting of ALKALI METALS LIMITED ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**SIGNIFICANT ACCOUNTING POLICIES****A) Basis of Preparation of Financial Statement:**

The Financial Statements are prepared on going concern assumption and under the historical cost convention, except for certain fixed assets which are re-valued in accordance with generally accepted Accounting principles in India and the provisions of the Companies Act 1956.

B) Use of Estimates:

The preparation of financial statements requires estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

C) Fixed Assets:

Fixed assets are stated at cost net of cenvat / value added tax and includes amounts added on revaluation, less accumulated depreciation, and impairment of loss, if any. All costs including financing costs till commencement of production, net charges on foreign exchange contracts and adjustments arising from exchange rate variation attributable to the fixed assets are capitalised as per the applicable standards.

D) Depreciation and Amortisation:

Depreciation on all fixed assets is provided on systematic basis on straight-line method on the basis of useful lives specified in Schedule – II of the Companies Act, 2013. Intangible Asset (Computer Software) is amortised over a period of five years.

E) Impairment of Asset:

The Carrying amount of asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. The recoverable amount is the greater of the asset's net selling price and value in use, which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been change in the estimates used to determine the recoverable amount.

F) Inventories:

Items of inventories are valued at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of raw material is determined on FIFO method.

G) Foreign Currency Transactions:

Foreign Currency Transaction are recorded at the exchange rates prevailing at the transaction date. Current Assets and Current Liabilities relating to Foreign Currency Transactions remaining unsettled at the balance Sheet date are translated at the yearend rates. The result gain/ loss, if any, is recognised in Profit & Loss Account.

H) Turnover:

Sales are recognised on despatch of goods from the factory.

**I) Employee Benefits:****i. Gratuity:**

The Company contributes towards Group Gratuity Fund (defined benefit retirement plan) administered by the Life Insurance Corporation Of India, for eligible employees. Under this scheme the settlement obligation remains with the Company, while the Life Insurance Corporation of India administers the scheme and determines the premium to be contributed by the Company. The plan provides for a lump-sum payment to the vested employees on retirement or termination of employment, based on the respective employees' salary and the years of service with the Company.

ii. Provident Fund:

Retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged off to the profit and loss account of the year when the contributions to the fund are due. There are no other obligations other than the contributions to be remitted to the Provident Fund Authorities.

iii. Leave Encashment:

Provision for Leave Encashment is recognised in the books as per the actuarial valuation.

J) Borrowing Cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

K) Provision for Current and Deferred Tax:

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income tax Act, 1961. Deferred tax resulting from "timing difference" between taxable and accounting income is accounted for using the tax rates and laws that are enacted or substantively enacted as on the balance sheet date. Deferred tax asset is recognised and carried forward only to the extent there is reasonably certain that there will be sufficient future income to recover such Deferred Tax Asset.

L) Minimum Alternate Tax Credit:

Minimum Alternate Tax Credit Entitlement is recognized in the books of account when there is convincing evidence that the Company will pay normal income tax during the specified period. The Entitlement is reviewed at each balance sheet date with regard to the correctness of the carrying amount.

M) Research and Development:

Capital expenditure incurred has been disclosed under separate heads of account and revenue expenditure incurred is charged off as a distinct item in the Profit and Loss account.

N) Claims:

Claims by and against the company, including liquidated damages, are recognised on acceptance basis.
