BENGAL & ASSAM COMPANY LIMITED

Remembering A Visionary

The Company is celebrating the birth centenary of its Founder, Lala Lakshmi Pat Singhania, one of the key architects of JK Organization. As a true visionary, he laid the foundation for taking the Organization to new heights in the journey of building a self-reliant India. He was a dynamic leader who championed the cause of domestic industry with Indian ownership and management.

The JK Organization became one of the top four private sector Groups in the country during his lifetime. He pioneered the manufacturing of many products, for the first time in India. Through a plant set up in West Bengal in 1944, he started the production of aluminium metal in India from Indian Bauxite for the first time. This metal was further converted into a complete range of aluminium products including aluminium foils. The company, Aluminium Corporation of India Limited, was one of the few integrated Aluminium plants in the world. Lala Lakshmi Pat Singhania set up many successful companies in different parts of the country, which provided thousands of job opportunities, particularly in the backward areas of rural India. These include, Straw Products Ltd. in Bhopal in 1938 which commenced production of straw boards and later on paper boards. Production of high quality writing and printing paper was started in 1962 in Orissa and the company is now operating under the name of JK Paper Limited, known for its high value added products. He was also instrumental in setting up various other plants for the manufacture of Automobile Tyres (JK Tyre & Industries Ltd.) and Cement (JK Lakshmi Cement Ltd.), amongst many other initiatives of the group.

He was the Chairman of National Insurance Company for several years. The Company covered both life and general insurance activities. He made it grow as the 3rd largest insurance company of the country with the largest overseas network. Unfortunately Insurance – Life and General, as well as Aluminium were nationalized in India as a matter of the then policy of the government.

He was the guiding spirit for the JK Group to set up several medical and educational institutions across the country including scores of primary schools in the rural areas.

Lala Lakshmi Pat Singhania embodied the rare qualities that transcend time through their single-minded purpose, simplicity, vision and the constant working of an enquiring mind that rejects the status quo. Apart from being a philanthropist entrepreneur he believed in upliftment of the society at large. He has left behind a value system based on Trust, Nationalism and Care which serves as a beacon for the Group Companies to chart their course into the future. The core values are:

- Caring for people
- Integrity including intellectual honesty, openness, fairness and trust
- Commitment to Excellence

Item No.7

The Company's Equity Shares are presently listed on the Bombay Stock Exchange Ltd. (BSE) and The Calcutta Stock Exchange Ltd. (CSE). While the Shares are frequently traded on BSE, no shares are being traded on CSE. While under the aforesaid SEBI Delisting Regulations, approval of the shareholder is not required for delisting of shares from CSE, however, as a good corporate practice, to keep the shareholders informed of material events, it was considered desirable to also take the shareholders' approval and the Resolution is accordingly recommended.
