ANNEXURE - A FORMING PART OF DIRECTORS' REPORT MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE, DEVELOPMENT, OPPORTUNITIES AND OUTLOOK

The Hotel industry is facing immediate challenges due to the sluggish domestic economy, supply/demand imbalance and negative global economic environment. These problems are compounded by increasing land costs, rising construction/development and operating costs. As a result, profitability of the hotels is getting adversely affected. Whilst there has been significant growth in domestic demand but this is outweighed by pressure of low room rates, occupancy and change in demand patterns. Less hotel cash flow impacts not only equity returns but debt service capabilities and hotel valuations. Since there is a pressure to cut down rates to maintain occupancy level, the Management of your hotels has focused on maximizing returns from ancillary streams like food and beverage (F&B) outlets, banqueting services, spas & saloons and retail outlets. With the clarity in the political situation of the Country, the hotel industry could see the better growth in the years to come.

RISKS, CONCERNS AND THREATS

As a result of increasing supply pipeline and sluggish occupancy levels, sustenance of rates are immediate concerns for Indian hotel industry. Less corporate demand for conference and group business are also major woes of the hotel industry. Operating costs specially food cost, labour and utilities have skyrocketed creating pressures on margins. It looks that hotels will be struggling to be profitable with some having to restructure their debt to stay in the business. The industry revolves around customer service and satisfaction. Accordingly, the hotels must be constantly aware of the changing attitudes and behaviors of their customers. Hotels that meet and exceed the expectations of their guests will always be in high demand. Management of the hotels has to ensure branding of properties, products, innovations in product development, sales strategies, daily operations and advance technology in the food & beverage portion of the hotel industry to control cost and reduce waste with an ultimate aim to add to revenue and reduce costs.

SEGMENTWISE PERFORMANCE

The Company operates in the only one segment i.e., hoteliering

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ASIAN HOTELS (EAST) LIMITED

Report On the Financial Statements

We have audited the accompanying financial statements of Asian Hotels (East) Limited ('the Company') which comprises the Balance Sheet as at 31st March, 2014 and the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and Notes to the Financial Statements comprising of a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ('the Act') read with the General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013. This responsibility includes the design, implementation, and maintenance of internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2014;
- ii) In the case of Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
- iii) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ('the Order'), as amended, issued by the Central Government of India in terms of subsection(4A) of section 227 of the Companies Act, 1956, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order;
2. As required by section 227(3) of the Companies Act, 1956, we report that:
 - a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956, read with the General circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs in respect of section 133 of the Companies Act, 2013,
 - e. On the basis of written representations received from the directors as on 31 March 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Act.

ANNEXURE TO THE AUDITORS' REPORT

Referred to in clause 1 of paragraph of 'Report on Other Legal and Regulatory Requirements' of our report of even date

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) The Company has a phased programme of physical verification of its fixed assets which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As part of this programme, the management has physically verified certain fixed assets during the year. Discrepancies noticed on such verification as compared to book records were not material, and have been properly adjusted in the books of account.
- (c) Fixed assets disposed off during the year were not substantial so as to impact going concern status of the Company.
2. (a) As explained to us, physical verification of inventories has been conducted by the management at reasonable intervals.
- (b) The procedures for the physical verification of inventories followed by the management are, in our opinion, reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion, the Company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been properly dealt with in the books of account.
3. The Company has neither granted nor taken any loans, secured or unsecured, to companies firms or other parties listed in the register maintained under section 301 of the Companies Act, 1956. Therefore, the provision of clause (iii) (b) to (g) of Companies (Auditor's report) Order, 2003 (as amended) are not applicable.
4. In our opinion and according to the information & explanations given to us during the course of audit, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with regard to purchase of inventories and fixed assets and for the sale of goods and services. Further, on the basis of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across nor have we been informed of any instance of a major weakness in the aforesaid internal control systems.
5. (a) To the best of our knowledge and according to the information and explanations given to us, we are of the opinion that the particulars of contracts or arrangements that need to be entered into the register maintained under section 301 of the Companies Act, 1956 have been so entered.
- (b) According to the information and explanation given to us and on the basis of our examination of books and records of the Company, the value of any contract or arrangement with respect to each part required to be entered in the register maintained under section 301 of the Companies Act, 1956 does not exceed Rs. five lakhs hence the provision of clause 4 (v)(b) of the order is not applicable to the Company.
6. The Company has not accepted any deposits within the meaning of Section 58A,58AA or any other relevant provision of the companies Act,1956 and rules framed there under during the period.
7. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
8. To the best of our knowledge, maintenance of cost records under section 209 (1) (d) of the Act as prescribed by the Central Government is not applicable to the Company.
9. (a) In our opinion and according to the information and explanations given to us and according to the records of the Company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees State Insurance, Income tax, Sales tax, Wealth tax, Service tax, Custom duty, Excise duty, Cess and other material statutory dues, wherever applicable, have been regularly deposited with the appropriate authorities during the year and there are no such undisputed statutory dues payable for a period of more than six months from the date they became payable as at 31st March,2014.
- (b) According to the information and explanations given to us and as per the books and records examined by us, there are no dues of Income tax, Sales tax, Wealth tax, Service tax, Custom duty, Excise duty and Cess which have not been deposited on account of any dispute, except the following which have not been deposited as on 31st March, 2014 on account of disputes are given below:

Name of the Statute	Nature of Dues	Amount (In ₹)	Forum where dispute is pending	Period to which the Amount relates
Finance Act, 1994	Service Tax	4,374,245	Commissioner (Appeals)	Prior to 2004-05
Finance Act, 1994	Service Tax	10,217,937	Service Tax Tribunal	2003-04 to 2006-07
Finance Act, 1994	Service Tax	26,753,749	Service Tax Commissioner	2007-08 to 2009-10

10. The Company does not have accumulated losses as at the end of the financial year. There are no cash losses during the financial year and in the immediately preceding financial year.
11. As the Company does not have any dues payable to any Financial institutions, Banks and Debenture holder, the provision of clause 4(xi) of the Companies (Auditor's Report) Order, 2003 are not applicable to the Company.

Asian Hotels (East) Limited

12. According to the information and explanations given to us and as per the books and records examined by us, the Company has not granted loan and advances on the basis of security by way of pledge of shares, debenture and other securities.
13. The Company does not fall within the category of Chit fund / Nidhi / Mutual Benefit fund / Society and hence the related reporting requirements of the Order are not applicable.
14. Based on our examination of the records and evaluation of the related internal controls, we are of the opinion that proper records have been maintained of the transactions or contracts in respect of shares, securities, debentures and other Investments and timely entries have been made therein. All shares, securities, debentures and other Investments have been held by the company on its own name.
15. The Company has given guarantees / letter of undertaking against loan taken by others from banks and financial institution, the terms and condition of such guarantees / letter of undertaking , are not in our opinion, prima facie, prejudicial to the interest of the Company.
16. There were no term loans raised during the year by the Company for any purpose. Thus the provision of clause 4(xvi) of the Companies (Auditor's Report) Order, 2003 are not applicable to the Company.
17. According to the information and explanation given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short term basis have been used for long term investment.
18. The Company has not made any preferential allotment of share to parties or Companies covered in the register maintained under section 301 of the Companies Act, 1956. Thus the provision of clause 4(xviii) of the Companies (Auditor's Report) Order,2003 are not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the records examined by us, the Company has not issued any debenture during the period; hence the provision of clause 4(xix) of the Companies (Auditor's Report) Order,2003 are not applicable to the Company.
20. The Company has not raised any money by way of public issue during the period , hence the provision of clause 4(xx) of the Companies (Auditor's Report) Order,2003 are not applicable to the Company.
21. During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of fraud on or by the Company, noticed and reported during the year, nor have we been informed of such case by the management.

Notes to Financial Statements for the Year Ended 31st March 2014

1. Corporate Overview

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through "Hyatt Regency Kolkata" a five-star Hotel situated in the city of Kolkata.

2. Basis of preparation

The financial statements have been prepared to comply with all material respects with the mandatory Accounting Standards (AS) notified under section 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below, if any.

2.1 Significant Accounting Policies

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible Fixed Assets

Tangible Fixed assets are stated at cost of acquisition or construction or at revalued amounts, net of impairment loss if any, less depreciation/amortization. Cost represents the direct expenses incurred on acquisition/construction of the assets and the relative share of indirect expenses relating to construction allocated in proportion to the direct costs involved.

c. Depreciation

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase. No depreciation is charged for the quarter on the assets sold/ discarded during the year.

d. Impairment of Tangible Assets

The carrying amounts of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. Value in use is determined for assets or group of assets which are capable of generating independent cash flows i.e. cash generating units.

e. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Notes to Financial Statements for the Year Ended 31st March 2013

f. Inventories

Inventory is valued at cost or net realizable value, whichever is lower. Net realizable value is the estimated realizable value in the normal course of business less the estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

Shares held as Stock-in-trade are valued at cost or market value whichever is lower.

g. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer.
- ii. Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.
- iii. Dividend income from investments is recognized when the Company's right to receive payment is established.
- iv. Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.

h. Foreign Currency Transaction

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

Exchange differences are recognized as income or as expenses in the period in which they arise.

Income in Foreign Exchange

The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills is credited and accounted for at the rate / rates prevalent on the date of receipt of payment. The gains / losses arising out of fluctuation in the exchange rates are accounted for on realization.

Expenses remittable in foreign exchange

These are charged based on invoices (including for earlier years) as approved and accepted by the appropriate authorities as applicable.

i. Retirement and other employee benefits

Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected unit credit method.

All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. It is a defined contribution scheme and the contribution is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no obligations other than the contributions payable to the respective fund.

j. Income Taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Notes to Financial Statements for the Year Ended 31st March 2013

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

k. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

m. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

n. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

o. Dividend

Dividend recommended by the Board of Directors, if any, is provided for in the accounts pending shareholders' approval.

26. Gratuity and other post-employment benefit plans

The Company has classified the various benefits provided to employees as under:-

a) Defined contribution plans

i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:-

	31st March 2014	31st March 2013
Employer's Contribution to Provident Fund	6,824,504	6,453,480
Employer's Contribution to Pension Scheme	2,042,009	1,938,128

b) Defined benefit plans

i. Contribution to Gratuity fund

ii. Compensated absences Earned leave

In accordance with Accounting Standard 15, Employee Benefits, actuarial valuation was done in respect of the aforesaid defined plans based on the following assumptions: -

Economic Assumptions

The discount rate and salary increases assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 8.50 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long- term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

i. Change in benefit obligations:

Particulars	Gratuity (Unfunded)		Compensated absences Earned leave (Unfunded)

37. As on date, the Company holds 91,652 Equity shares of ₹10 each of its subsidiaries, Regency Convention Centre and Hotels Limited (RCC), representing 58.99% of the paid up capital of RCC. Apart from the above, the Company had also made an advance of ₹33,448,275 for acquiring further shares of RCC from their existing shareholders and paid advances to Regency Convention Centre and Hotels Limited amounting to ₹11,569,474 up to the Balance Sheet date which has been disclosed as Short Term Loans and Advances.

The principal assets of Regency Convention Centre and Hotels Limited comprise of an interest in a parcel of land at Mumbai, such interest being the subject matter of dispute pending in the Bombay High Court. However Regency Convention Centre and Hotels Limited, as per opinion obtained, has a reasonable chance of winning the ongoing legal dispute. Such assets form part of the Company's undertaking at book values. Meanwhile the authorities have offered alternate land and negotiations on commercial terms are in progress. Consequently in view of the above, no impairment is considered necessary.

As per the terms of agreement with the Regency Convention Centre and Hotels Limited and its shareholders, the Company has to make additional payment for acquiring the balance shares of Regency Convention Centre and Hotels Limited, the amount of which is unascertainable and dependent on the outcome of the dispute pending in the Bombay High Court.

38. The leasehold land upon which Hotel Hyatt Regency Kolkata is situated has been registered in the name of the Company.

39. In the opinion of the Board, all the assets of the Company have a value on realization in ordinary course of business at least equal to the amount at which they are stated. Therefore, the Company has not recognised any loss on impairment in respect of any of the assets of the Company. In respect of subsidiaries, such decision is based on the audited accounts of the subsidiaries.

40. The Company has extended the date of redemption of 43,00,000 12% Cumulative Redeemable Preference Shares of Robust Hotels Private Limited to July 5, 2016 unless mutually agreed upon for further rollover.

41. The Board of Directors of the Company at their meeting held on 26th November 2012 and 23rd May 2013 and in consideration of SEBI Circular Nos. CIR/CFD/DIL/5/2013 and CIR/CFD/DIL/8/2013 dated 4th February 2013 and 21st May 2013 respectively, approved the amalgamation of Forex Finance Private Limited, Promoter Body Corporate with the Company w.e.f. 1st April 2012 (appointed date). Post amalgamation, Robust Hotels Private Limited, owner of Hyatt Regency Chennai, will be a wholly owned subsidiary of the Company; partially by having direct holding and balance through GJS Hotels Limited (wholly owned subsidiary of the Company). The Company is in the process of obtaining regulatory approvals for the amalgamation.

TO THE BOARD OF DIRECTORS OF ASIAN HOTELS (EAST) LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Asian Hotels (East) Limited (the 'Company') and its subsidiaries (together referred to as 'Group') which comprises of the consolidated Balance Sheet as at 31 March 2014, and the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and Notes to Consolidated Financial Statements comprising of a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India more particularly in accordance with the requirements of Accounting Standard (AS) 21, Consolidated Financial Statements, as notified under the Companies (Accounting Standards) Rules, 2006. This responsibility includes the design, implementation and maintenance of internal controls relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the consolidated financial statements, whether due to error or fraud. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

Asian Hotels (East) Limited

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated Notes to Financial Statements for the Year Ended 31st March 2014

1. Corporate Information

Asian Hotels (East) Limited is a Public Limited Company listed with Bombay Stock Exchange and National Stock Exchange and is primarily engaged in the Hotel business through "Hyatt Regency Kolkata" a five-star Hotel situated in the city of Kolkata.

2. Basis of preparation

The financial statements have been prepared to comply with all material respects with the mandatory Accounting Standards (AS) notified under section 211(3C) of the Companies Act, 1956 and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below, if any.

3. Significant Accounting Policies

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b. Tangible Fixed Assets

Tangible Fixed assets are stated at cost of acquisition or construction or at revalued amounts, net of impairment loss if any, less depreciation/amortization. Cost represents the direct expenses incurred on acquisition/construction of the assets and the relative share of indirect expenses relating to construction allocated in proportion to the direct costs involved.

c. Depreciation

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher. If the asset is purchased on or before the 15th of month depreciation is charged from the month of purchase, otherwise depreciation is charged from the month following the month of purchase. No depreciation is charged for the quarter on the assets sold/ discarded during the year.

d. Impairment of Tangible Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. Value in use is determined for assets or group of assets which are capable of generating independent cash flows i.e. cash generating units.

e. Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated Notes to Financial Statements for the Year Ended 31st March 2014

f. Inventories

Inventory is valued at cost or net realizable value, whichever is lower. Net realizable value is the estimated realizable value in the normal course of business less the estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

Shares held as Stock- in -trade are valued at cost or market value whichever is lower.

g. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer.
- ii. Interest income is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.
- iii. Dividend income from investments is recognized when the Company's right to receive payment is established.
- iv. Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.

h. Foreign Currency Transaction

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange differences

Exchange differences are recognized as income or as expenses in the period in which they arise.

Income in Foreign Exchange

The bills for services rendered are raised in Indian Rupees. The payment received in foreign currency against these bills is credited and accounted for at the rate / rates prevalent on the date of receipt of payment. The gains / losses arising out of fluctuation in the exchange rates are accounted for on realization.

Expenses remittable in foreign exchange

These are charged based on invoices (including for earlier years) as approved and accepted by the appropriate authorities as applicable.

i. Retirement and other employee benefits

Provision for gratuity and leave encashment are based on actuarial valuation as on the date of the Balance Sheet. The valuation is done by an independent actuary using the projected unit credit method.

All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. It is a defined contribution scheme and the contribution is charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no obligations other than the contributions payable to the respective fund.

j. Income Taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated Notes to Financial Statements for the Year Ended 31st March 2014

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

k. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

l. Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

m. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

n. Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short term investments with an original maturity of three months or less.

o. Dividend

Dividend recommended by the Board of Directors, if any, is provided for in the accounts pending shareholders approval.

30. Gratuity and other post-employment benefit plans

The Company has classified the various benefits provided to employees as under:-

a) Defined contribution plans

i. Provident fund

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:-

Particulars	31st March 2014	31st March 2013
Employer's Contribution to provident Fund	6,824,504	6,453,480
Employer's Contribution to Pension Scheme	2,042,009	1,938,128

b) Defined benefit plans

i. Contribution to Gratuity fund

ii. Compensated absences Earned leave

In accordance with Accounting Standard 15 (revised 2005), actuarial valuation was done in respect of the aforesaid defined plans based on the following assumptions: -

Economic Assumptions

The discount rate and salary increases assumed are key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long-term risk free investments. For the current valuation a discount rate of 8.50 % p.a. compound, has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. Regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long- term view as to the trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

i. Change in benefit obligations:

Particulars	Gratuity (Unfunded)		Compensated absences Earned leave (Unfunded)

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated Notes to Financial Statements for the Year Ended 31st March 2014

- 40.** As on date, the Company holds 91,652 Equity shares of ₹10 each of its subsidiaries, Regency Convention Centre and Hotels Limited (RCC), representing 58.99% of the paid up capital of RCC. Apart from the above, the Company had also made an advance of ₹33,448,275 for acquiring further shares of RCC from their existing shareholders and paid advances to Regency Convention Centre and Hotels Limited amounting to ₹11,569,474 up to the Balance Sheet date which has been disclosed as Short Term Loans and Advances.

The principal assets of Regency Convention Centre and Hotels Limited comprise of an interest in a parcel of land at Mumbai, such interest being the subject matter of dispute pending in the Bombay High Court. However Regency Convention Centre and Hotels Limited, as per opinion obtained, has a reasonable chance of winning the ongoing legal dispute. Such assets form part of the Company's undertaking at book values. Meanwhile the authorities have offered alternate land and negotiations on commercial terms are in progress. Consequently in view of the above, no impairment is considered necessary.

As per the terms of agreement with the Regency Convention Centre and Hotels Limited and its shareholders, the Company has to make additional payment for acquiring the balance shares of Regency Convention Centre and Hotels Limited, the amount of which is unascertainable and dependent on the outcome of the dispute pending in the Bombay High Court.

- 41.** The Company has extended the date of redemption of 43,00,000 12% Cumulative Redeemable Preference Shares of Robust Hotels Private Limited to July 5, 2016 unless mutually agreed upon for further rollover.
- 42.** During the year Robust Hotels Private Limited (Subsidiary Company) has incurred loss of Rs. 5088.76 Lacs. The loss is mainly attributable to the long gestation period of Robust Hotels Private Limited due to its size and scale and the Company is hopeful of improvement in the consolidated results in coming years.
- 43.** The Consolidated accounts for the year 2012-13 includes the financials of Robust Hotels Private Limited, the owner of Hyatt Regency Chennai for part of the year, as it has become subsidiary of GJS Hotels Limited, a wholly owned subsidiary of the Company w.e.f. 26th July 2012. As a result, the consolidated accounts for the year 2013-14 are not comparable with the year 2012-13.
- 44.** The leasehold land upon which Hotel Hyatt Regency Kolkata is situated has been registered in the name of the Company.
- 45.** In accordance with the Accounting Standard on " Related Party Disclosures" (AS-18), the disclosures in respect of Related Parties and transactions with them are as follows: -
