Company Overview:

Since inception, the RDB Group has been guided by its unique spirit and values and has flourished by keeping these intact in the organization. Our Corporate Philosophy, which reflects these historical tenets as well as our aspiration for the future, is the core essence that lies at the heart of our all activities. Approaching the fourth decade, the bedrock of our growth is the spirit of innovation, principle of entrepreneurial freedom and social service. Trust in our Group has been achieved via long-term business strategies, pioneering initiatives, significant upfront investments for the future, all made possible through financial independence and meaningful diversifications.

Being the flagship Company of RDB Group, RDB Realty & Infrastructure Limited went public in 2010 after acquiring the real estate arm of RDB Industries Limited. The real estate arm of the RDB Group was born in 1981, with the dream of providing a home to all classes of people. Starting from developing homes for the middle and lower income groups, the Company's product is now categorized into 2 segments:

- Residential Projects – Developing Hi-tech & Integrated Townships and Group Housing projects.
- Commercial Projects – Building and selling or leasing – out Office Spaces, Malls and Shops.

Headquartered in Kolkata, the Company has a pan India presence with all the necessary infrastructure, manpower and finance. Today RDB Realty & Infrastructure Limited has a strong foothold in all the rapidly growing cities like New Delhi, Mumbai, Hyderabad, Jaipur, Jodhpur, Bikaner, Surat, Chennai, Guwahati, Madhya Pradesh, Kharagpur, Haldia, and Burdwan. It has also become a prominent member of CREDAI Bengal and one of the few real estate companies to be accredited with the ISO 9001:2008 certification.

We have been fortifying our today and sowing seeds for a better tomorrow. The presence of highly qualified professionals in the management of the Company ensures that high standards are maintained in quality construction, timely delivery, and customer satisfaction. Since the Company has always strived hard to keep its commitments, more than 5000 happy families are occupying the residential estates of the Company. Additionally, with the existing land bank and the acumen to identify new opportunities, the Company is all set to grow exponentially and be a prominent player in the real estate growth story of India. RDB Group strongly opines "GOING TOGETHER, GROWING TOGETHER" with its Customers, Shareholders, Associates and Team Members in order to create and accomplish the aspiration of being one of the largest real estate Company of India.

MESSAGE FROM THE CHAIRMAN

Dear valued Shareholders,

I am delighted to present to you our 16th Annual Report for the Financial Year 2021-22. Robust self-belief and resilience are the key to success in times of uncertainty and challenge. This spirit has helped India contend with an unprecedented Covid -19 pandemic and in rapid succession Russia-Ukraine war with its attendant disruptions. It is indeed creditable that amid these macroeconomic and geopolitical upheavals, your company has managed to stay the course in its quest for growth and performed well while operating within the constraints. I am thankful to you for your continued trust, encouragement and unequivocal support to the Company and its Management. I am also grateful to all our employees who continued to deliver on our commitments to all the stakeholders despite these challenging times.

India is on its way to becoming a \$5 trillion economy in the next few years and the real estate sector is expected to play a large role in the journey. Real estate, the third largest sector in the country, is expected to account for over 13% of India's GDP by 2025 and reach a market size of \$1 trillion by 2030. The Indian real estate sector has benefited from a sustained infrastructure and industry focus. Overall, the government has made great efforts to maintain and improve investor confidence in the Indian market. The reformative stance from the government is expected to continue and gain momentum over the next few years.

I am happy to report that we ended the fiscal year on a strong note. During the period under review, the Company focused on improving productivity, reducing costs and utilized its cash flows most effectively.

The Company Standalone has posted a net profit of ₹ 228.87 Lakhs for the year ended 31st March, 2022 against a net profit of ₹ 151.09 Lakhs in the previous year. Total Revenue stood at ₹ 4885.69 Lakhs for the year ended 31st March, 2022 against ₹ 4199.49 Lakhs for

the year ended 31st March, 2021. The consolidated net profit of the Company is ₹ 538.02 Lakhs for the year ended 31st March, 2022 against a net profit of ₹ 440.84 Lakhs in the previous year. Consolidated Revenue stood at ₹ 7237.56 Lakhs for the year ended 31st March, 2022 against ₹ 6015.61 Lakhs for the year ended 31st March, 2021.

Along with the focus on Business, your Company has laid special emphasis on ensuring that systems and processes in the Group are constantly updated to align with emerging trends. We are also actively looking at digitalization to enhance business prospects in terms of superior customer experiences, revenue and cost reduction opportunities as well as agile and efficient internal processes. Sustainability remains at the core of Group's business strategy. Your Company has allocated substantial resources to increase adherence to environmental standards and pollution control measures and enhance Environment Health Safety levels.

The Group continued its tradition of caring for the communities and stakeholders as part of its Corporate Social Responsibility program through Sri S. L. Dugar Charitable Trust, the CSR Arm of the Group. Sri S. L. Dugar Charitable Trust fulfil CSR obligations through grassroots development initiatives around the businesses. Sri S. L. Dugar Charitable Trust visualizes a society in which peace, justice and equality prevail and strives to build an India where all people have access to education and healthcare where all the members of the society realize their full potential offsetting barriers of poverty. Through the trust, the Company, under its CSR activity, extended financial support to the talented students by enabling them to take admission in foreign institution in pursuit of realization of their dreams.

The Company Board of Directors and Management commit themselves to adhere to the highest principles of good corporate governance as embodied in the Company Articles of Incorporation, Amended By-Laws, Code of Conduct and the Revised Corporate Governance Manual. The Company subscribes to the philosophy of integrity, accountability and transparency in its manner of doing business; dealing fairly with its clients, investors, stockholders, the communities and public affected by its activities. The Company espouses professionalism among its Board of Directors, executives and employees in managing the Company, its subsidiaries and affiliates and respect for the laws and regulations of the countries affecting its businesses. The Company practices a philosophy of rational check and balance and adopts a structured approach to its business operations.

As we look forward to a brighter future, I would like to acknowledge those who have remained firm in their commitment to the Company. All our employees worked as a team to rise to every challenge and embody the true spirit of evolving with the times. I also express my heartfelt gratitude to our Directors, Bankers, Partners & associates and customers for their steadfast support during the time of adversity.

At RDB, we believe in **"Going Together, Growing Together"** and what we are looking at is the beginning of an exciting chapter in our growth odyssey with continuing support of all the stakeholders and ably guided by our visionary promoters.

With Best Wishes,

Rajeev Kumar IPS (Retd.)

Share Transfer System

All requests for dematerialization of shares, which are found to be in order, are generally processed within 15 days and the confirmation is given to the respective depositories i.e., National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

Share transfers in physical form are generally registered within 15 days from the date of receipt provided that the documents are found to be in order. Stakeholders Relationship Committee considers and approves the transfer proposals.

As per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 1st April, 2019 unless the securities are held in the dematerialization form with the depositories. According to the Listing Regulations, no shares can be transferred unless they are held in dematerialization mode. Therefore, for effecting any transfer, the securities shall mandatorily be required to be in demat form. Hence, Members holding shares in physical form are requested to dematerialize their holdings.

Further, SEBI vide its Circular no. SEBI/HO/MIRSD/RTAMB/CIR/P/2020/166 dated 7th September, 2020 has fixed 31st March, 2021 as the cut-off date for re-lodgement of physical share transfer requests and has provided that such transferred shares

REPORT ON CORPORATE GOVERNANCE (Contd.)

shall be issued only in demat mode. The Company has received no such request for transfer of securities held in physical mode during the financial year 2020-2021.

Transfer of Unclaimed amounts to Investor Education and Protection Fund

Pursuant to Section 124 of the Act, all dividends remaining unpaid/unclaimed for more than seven years have to be transferred to the Investor Education & Protection Fund ("IEPF"). Thus, the Company proposes to transfer the unpaid/unclaimed dividends for the Financial Year 2014-15 to the IEPF. The Shareholders are regularly advised to claim the unclaimed dividends lying in the unpaid dividend accounts of the Company before the due dates for crediting the same to the IEPF. Further, the details of dividend unclaimed by the Members for the past years which have not yet been transferred to the aforesaid Fund are readily available for view by the Members on the website of the Company www.rdbindia.com. The due dates of claiming unpaid dividend together with date of transfer to IEPF are tabled hereunder:

SECRETARIAL AUDIT REPORT

(FORM NO. MR-3)

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
 The Members,
 RDB Realty & Infrastructure Limited
 Bikaner Building
 8/1, Lalbazar Street, 1st Floor
 Room No. 10, Kolkata - 700001

I have conducted the **Secretarial Audit** of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s RDB REALTY & INFRASTRUCTURE LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted on test check basis, in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and relying on the representations made by the Company and its Officers, I hereby report that in my opinion, the Company has, during the financial year ended 31st March, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I further report that compliance with applicable laws is the responsibility of the Company and my report constitutes an independent opinion. Further, my report is neither an assurance for future viability of the Company nor a confirmation of efficient management by the Company.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022, according to the provisions of the following laws and as shown to me, during my audit:

- (i) The Companies Act, 2013 (**'the Act'**) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (**'SCRA'**) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (**'SEBI Act'**): -
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Registrar to an Issue and Share Transfer Agents) Regulations, 1993 and other applicable regulations/guidelines/circulars as may be issued by SEBI from time to time to the extent applicable;
 - d. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable regulations/ guidelines/ circulars as may be issued by SEBI from time to time to the extent applicable;

ANNEXURE TO THE DIRECTORS' REPORT (Contd.)

- e. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

I further report that, during the year under review, there were no actions/events in pursuance of:

- a. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- b. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- c. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- d. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- e. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investments and External Commercial Borrowings to the extent applicable to the Company.

Having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof and on the basis of representation made by the Management, I have also examined the secretarial compliances of the Company for the financial year ended 31st March, 2022, of the following laws specifically applicable to the Company:

- a. The Transfer of Property Act, 1882 as applicable;
- b. Building and Other Construction Workers' (Regulation of Employment and Conditions of Services) Act, 1996;
- c. Indian Contract Act, 1872;
- d. Indian Registration Act, 1908, etc.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued and mandated by the Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with the Calcutta Stock Exchange Limited.
- (iii) The Listing Agreement entered into by the Company with the Bombay Stock Exchange Limited.

During the period under review and as per the explanations and representations made by the management and subject to clarifications given to me, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. During the year

under review, Mrs. Neera Chakravarty (DIN: 09096844) was appointed as an Additional Director in the Executive Category (Whole-time Director) of the Company for a period of two years w.e.f. 01st May, 2021. Furthermore, during the year under review, Mrs. Kusum Devi Dugar (DIN: 00559322) ceased to act as a Non-Executive Director of the Company w.e.f. 01st May, 2021. Apart from this, there were no changes in the composition of the Board of Directors that took place during the year under review.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the Meeting.

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the Minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that during the audit period, the Company had obtained approval of shareholders by way of Ordinary Resolution passed at its Annual General Meeting held on 21st September, 2021, for change in designation of Mrs. Neera Chakravarty from Additional Director in the Executive Category to a Director. Further, the Company had obtained approval of shareholders by way of Special Resolution passed at its Annual General Meeting held on 21st September, 2021, for re-designation of Mrs. Neera Chakravarty from a Director to a Whole-time Director for a period of two years w.e.f. 01st May, 2021.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This Report is to be read with my letter of even date which is annexed as "**Annexure A**" and forms an integral part of this Report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Annexure-6

INDUSTRY STRUCTURE & DEVELOPMENTS

The global economy in FY 2021-22 faced significant headwinds amid new waves of COVID-19 infections, persistent labour market challenges, lingering supply-chain challenges and rising inflationary pressures. Despite many such challenges and pandemic, the real estate market is booming. The economic situation across the globe was displaying steady recovery but resurgence of the pandemic in certain geographies and the prevailing geo-political tensions have impacted this recovery. As per International Monetary Fund (IMF) reports, global growth was projected to slow down from an estimated 6.1% in 2021 to 3.6% in 2022 – 0.8% lower than earlier estimate.

India's real estate sector is witnessing a healthy increase in demand in 2022 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry. Despite pandemic exigencies, the sector has continued to show resilience and steady growth in 2021. India's first wave of COVID-19 brought the sector to a relative standstill for a while. However, by the last quarter of 2020, the market had begun to pick pace, particularly owing to an increase in demand for residential spaces. The second wave of COVID-19 hit the sector just as it had begun to revive itself. Unlike the first wave, the ramifications of the second wave were not as prolonged or prominent. Vaccination drives and lowered infection rates infused optimism in the market. In addition, the festive season fed the sector's growth. Buoyed by these factors, the sector made a strong comeback.

OPPORTUNITIES AND THREATS

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

However your company is also finds some challenges like Concern due to ongoing pandemic situation, increased cost of manpower, rising cost of construction and over regulated environment.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company has identified that its operating activity is a single primary business segment viz. Real Estate

Development and Services carried out in India. Accordingly, whole of India has been considered as one geographical segment.

OUTLOOK

In the 2021, the momentum of sales could slow a bit but will remain strong to narrate a positive story. Unlike the past year, the real estate sector is now picking up with home buyers willing to make the move. With most workers displaced during the lockdown now back, construction activity has resumed and work is moving at a faster pace to fulfill commitments. Our portfolio consists of both small and large sized projects, offering complete solution to our esteemed consumers. As such, the Company remains bullish on its existing projects and at the same time, it shall be speeding up construction of existing projects and continue to focus on timely delivery. Owing to numerous reforms introduced, the sector has gone through changes in the tax, regulatory as well as the business environment. The financial year 2022-23 will be challenging and opportunistic and the ones likely to succeed are those who shall embrace the changing market dynamics.

RISKS AND CONCERNS

The Company has a proper mechanism in place for identifying, assessing, monitoring and mitigating various business related risks. The Board of Directors of the Company are regularly informed and updated about the risk assessments and minimization procedures.

In the course of its business, the Company is exposed to stiff competition from other established developers in the market and is exposed to a wide variety of risks such as:

- Increase in interest rates and foreign currency rates;
- ongoing pandemic situation
- Customer risks;
- Changes in the Government policies;
- Longer working Capital cycles;
- Unanticipated delays in project approvals;
- Price Uncertainty;
- Rising cost of inputs;
- Stagnant and low construction margin;
- Economic vulnerability and regulatory risks in developing markets;
- Changing demographics, aging and urbanizing populations.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Contd.)

INTERNAL CONTROL SYSTEM

The Company has in place adequate internal control systems covering all its operations to provide reasonable assurance with regard to information and maintenance of proper accounting records, the economy and efficiency of operations, safeguarding of assets against unauthorized use or losses, and the reliability of financial and operational information. The internal control system of the Company is supplemented by internal audits, review by management and documented policies, guidelines and procedures. The shortcomings in the internal control system, if any, is communicated to the respective departments and measures are taken to overcome the same. During the year under review, no reportable material weaknesses or significant deficiencies were observed in the design or operations.

The Internal Control mechanism comprises of a well-defined organization structure, pre-determined authority levels and clearly defined policy guidelines for appropriate delegation of authority. Internal control is an integral part of the Company's Corporate Governance. The objective of internal control is to give reasonable assurance about the effectiveness and appropriateness of operations, about the financial information, about the reliability of reporting, and of compliance with legislation and other regulations.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

RDB REALTY & INFRASTRUCTURE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

- We have audited the accompanying standalone financial statements of RDB REALTY & INFRASTRUCTURE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows, the Statement of Changes in Equity and notes to the financial statements for the year ended on that date including a summary of significant accounting policies and other explanatory information (herein after referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit (including Other Comprehensive Income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

- We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section

143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Investment in Subsidiaries/ Joint Ventures and Associates</p> <p>The impairment review of unquoted equity instruments and debt, with a carrying value of Rs.1,478.72 lakhs, is considered to be a risk area due to the size of the balances as well as the judgmental nature of key assumptions, which may be subject to management override. The carrying value of such unquoted equity instruments and debt is at risk of recoverability. The net worth of the underlying entities has significantly eroded and the orders in hand are below the break-even production levels of this facility. The estimated recoverable amount is subjective due to the inherent uncertainty involved in forecasting and discounting future cash flows.</p>	<p><u>Principal Audit Procedures</u></p> <p>Besides obtaining an understanding of Management's processes and controls with regard to testing the impairment of the unquoted equity instruments in loss making subsidiaries and joint ventures. Our procedures included the following:</p> <ul style="list-style-type: none"> Engaged internal fair valuation experts to challenge management's underlying assumptions and appropriateness of the valuation model used; Compared the Company's assumptions with comparable benchmarks in relation to key inputs such as long-term growth rates and discount rates; Considered historical forecasting accuracy, by comparing previously forecasted cash flows to actual results achieved; and Performed a sensitivity analysis in relation to key assumptions

INDEPENDENT AUDITOR'S REPORT (Contd.)

Sr. No	Key Audit Matter	Auditor's Response
2	<p>Revenue recognition – accounting for construction contracts</p> <p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p><u>Principal Audit Procedures</u></p> <p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <ul style="list-style-type: none"> • Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; • Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; • Testing a sample of contracts for appropriate identification of performance obligations; • For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; • Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexures to Board Report, Corporate Governance and Shareholders' Information but does not include the standalone financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
5. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the standalone financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.
7. When we read the aforesaid documents, if we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting

Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

INDEPENDENT AUDITOR'S REPORT (Contd.)

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

13. We communicate with those charged with governance

regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
16. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
18. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income) and the Cash Flow Statement, Statement of Changes in Equity dealt with by this report are in agreement with the books of account.

INDEPENDENT AUDITOR'S REPORT (Contd.)

- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
According to the information and explanations given to us and the records of the company examined by us, the total managerial remuneration paid as reflected in the financial statements for the year ended 31st March 2022 is in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act, as applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 34 of the standalone financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d. (i) The Management has represented that, to the best of its knowledge and belief,

- no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (ii) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The Company has neither proposed any dividend in the Previous year or in the current year nor paid any interim dividend during the year.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

To the Members of RDB REALTY & INFRASTRUCTURE LIMITED

[Referred to in paragraph 17 of the Auditors' Report of even date]

i. (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) As explained to us, the company has a system of verifying all its major Property, Plant & Equipment over a period of three years. The Property, Plant & Equipment so scheduled for verification during this year have been physically verified. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of accounts.

(c) According to the information and explanations given to us and the records of the company examined by us, the company does not have any immovable properties.

(d) According to the information and explanations given to us and the records of the company examined by us, the Company has not revalued any of its Property, Plant and Equipment or Intangible assets during the year.

(e) According to the information and explanations given to us no proceeding has been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) The inventory has been physically verified by the management during the year.

(b) According to the information and explanations given to us and the records of the company examined by us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions. However, security is immovable property for which monthly/quarterly return was not required to be submitted to the bank hence reporting under this clause is not applicable.

iii. (a) According to the information and explanations given to us and based on the audit procedures conducted by us, the Company has granted unsecured loans to subsidiaries companies

covered in the register maintained under section 189 of the Companies Act, 2013. The terms and conditions of these loans in our opinion are not prima-facie prejudicial to the interests of the Company.

(A) the aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiaries and associates are given as follows –

Relationship with the Company	Aggregate amount given during the year (₹ in Lakhs)(excluding interest)	Balance outstanding at the balance sheet data (₹ in Lakhs) (excluding interest)
Subsidiaries	1266.30	622.05
Associate	79.50	1832.31

(B) the aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries and associates are given below-

Relationship with the Company	Aggregate amount given during the year (₹ in Lakhs)(excluding interest)	Balance outstanding at the balance sheet data (₹ in Lakhs) (excluding interest)
Other than subsidiary and associates	317.00	100.04

(b) As the Company is charging interest against these loans; the terms and conditions of these loans in our opinion are not prima-facie prejudicial to the interests of the Company.

(c) There is no stipulation regarding recovery of loans as these loans are repayable on demand.

(d) The aforesaid loans being repayable on demand, there is no amount overdue for more than ninety days in respect of recovery of principal and interest of the above loans.

(e) Since the loans are repayable on demand this clause is not applicable.

(f) According to information and explanation given to us and records of the Company examined by us, details of loans repayable on demands are as per below given

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT (Contd.)

(₹ in lakhs)

	All Parties	Promoters	Related Parties

Total (A+B)	100.04		2554.36
Percentage of loans/advances in nature of loans to the total loans	100%		100%

- iv. According to the information and explanations given to us and the records of the Company examined by us, the provisions of section 185 and 186 of the Companies Act, 2013, have been complied with in respect of loans, investments guarantees and securities given by the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules framed there under. Further, no orders have been passed by Company Law Board or National Company

Law Tribunal or Reserve Bank of India or any court or any other tribunal which could impact the Company.

- vi. The Central Government of India has prescribed maintenance of cost records under section 148(1) of the Act for the product of the Company. However, as the turnover of such product is lower than the prescribed threshold limit, in our opinion, maintenance of cost records is not applicable.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including provident fund, income-tax, goods and service tax, duty of customs, cess and any other statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, value added tax and sales tax as at 31st March 2022 which has not been deposited on account of a dispute are as follows-

Name of the statute	Nature	Amount	Period to which the amount relates	Forum where the dispute is pending
		(₹ in lakhs)		
Income tax Act, 1961	Income Tax	103.66	2011-12	Commissioner Appeal (Income Tax)

- out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) According to the information and explanations given to us and the records of the Company examined by us, the Company has not received any complaints from any whistle-blower during the year (and up to the date of this report) and hence reporting under this clause is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under this clause is not applicable.
- xiii. According to the information and explanations given to us and the records of the Company examined by us, the Company has complied with the requirements of sections 177 and 188 of the Act with respect to its transactions with the related parties. Pursuant to the requirement of the applicable Accounting Standard, details of the related party transactions have been disclosed in Note 33 of the financial statements for the year under audit.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi) (a) and (b) is not applicable.
- &
- (b)
- (c) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and hence reporting under this clause is not applicable.
- xvii. According to the information and explanations given to us and the records of the Company examined by us, the company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to information and explanation given to us and records of the Company examined by us, Provisions of sec 135 (5) of the Companies Act, 2013 is not applicable to Company.
- xxi. According to information and explanation given to us and based on reports of components auditors there has been no qualification or adverse report in CARO 2020 in any of the subsidiary or associates .

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**To the Members of RDB REALTY & INFRASTRUCTURE LIMITED**

[Referred to in paragraph 18 (f) of the Independent Auditor's Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –sections 3 of Section 143 of the Companies Act, 2013 (“the Act”)

1. We have audited the internal financial controls over financial reporting of **RDB REALTY & INFRASTRUCTURE LIMITED** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

2. The Company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the “Guidance Note” and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes

obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material Weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that
 - 1) Pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of company; and
 - 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respect, an adequate internal financial control system over

financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the company considering, the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by ICAI.

NOTES TO THE FINANCIAL STATEMENTS AS ON 31ST MARCH, 2022

1. NOTES TO THE FINANCIAL STATEMENTS

A. Corporate Information

RDB Realty & Infrastructure Limited ("The Company") is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and The Calcutta Stock Exchange (CSE). It is an ISO 9001:2008 certified company, and is one of the leading real estate companies in Eastern India. The Company has a pan India presence with all the necessary infrastructure, manpower, and finance. The registered office of the Company is situated at 8/1, Lalbazar Street, Bikaner Building, 1st Floor, Room No.10, Kolkata-700001.

The principle business activity of the company is Real Estate Development. The Company has a strong foothold in all the rapidly growing cities of West Bengal like Asansol, Burdwan, Haldia, Kharagpur, Midnapur and other upcoming cities of India including Agra, Chennai, Bhopal, Raipur, Bikaner, Guwahati, Hyderabad and Surat.

B. Summary of Significant Accounting Policies

a) Statement of Compliance

The financial statements (separate financial statements) have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013.

b) Basis of preparation of financial statements

The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments).

The Functional currency of the Company in Indian Rupees. These Financial Information are presented in Indian Rupees.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. The normal operating cycle of the company has been considered as 12 months.

Use of estimates:

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments,

estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key estimates and assumptions :

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

c) Revenue recognition, contract costs and valuation of unbilled revenue

i Revenue from own construction

In accordance with Ind AS 115 "Revenue from Contracts with customers", Revenue is recognized from construction and service activities based on "Point in time" method and Company is recognizing revenue either after handover of Possession to customer or Registration, whichever is earlier.

ii Revenue from Construction Contracts

In accordance with Ind AS 115 "Revenue from Contracts with customers", Revenue is recognized from construction and service activities based on "over time" method and the Company uses the output method to measure progress of delivery.

When the outcome of individual contracts can be estimated reliably, contract revenue and contract cost are recognized as revenue and expenses respectively by reference to the stage of completion at the reporting date. Costs are recognized as incurred and revenue is recognized on the basis of the actual work certified out of performance obligation at the reporting date.

No margin is recognized until the outcome of the contract can be estimated with reasonable

NOTES TO THE FINANCIAL STATEMENTS

certainty. Provision is made for all known or expected losses on individual contracts once each losses are foreseen.

Revenue in respect of variations to contracts and incentive payments is recognized when it is highly probable and agreed by the customer. Revenue in respect of claim is recognized only if it is highly probable not to reverse in future periods.

- i. Real Estate: Sales is exclusive of GST, if any, net of sales return.
- ii. Revenue from services are recognised on rendering of services to customers except otherwise stated.
- iii. Rental income from assets is recognised for an accrual basis except in case where ultimate collection is considered doubtful. Rental income is exclusive of GST.
- iv. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.

d) Estimation of net realisable value for inventory property (including land advance)

Inventory property is stated at the lower of cost and net realisable value (NRV).

NRV for completed inventory property is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory property under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

With respect to land advance given, the net recoverable value is based on the present value of future cash flows, which depends on the estimate of, among other things, the likelihood that a project will be completed, the expected date of completion, the discount rate used and the estimation of sale prices and construction costs.

e) Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly

attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

An item of property, plant and equipment and any significant part initially recognized is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the property, plant and equipment is derecognised.

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

f) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

On transition to Ind AS, the company has elected to continue with the carrying value of all its intangible

NOTES TO THE FINANCIAL STATEMENTS

assets recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

g) Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

h) Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The useful lives estimated for the major classes of property, plant and equipment are as follows:

Depreciation on tangible assets is provided on written down value method over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013. Depreciation for assets purchased/sold during a period is proportionately charged.

Softwares are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

i) Impairment of Non-Financial Assets

The management periodically assesses using external and internal sources, whether there is an indication that both tangible and intangible asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized.

j) Inventories

i. Constructed properties, shown as work in progress, includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials including material lying at respective

sites, finance and administrative expenses which contribute to bring the inventory to their present location and condition and is valued at lower of cost/estimated cost and net realizable value.

- ii. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.
- iii. Finished Goods – Flats: Valued at cost and net realizable value.
- iv. Land Inventory: Valued at lower of cost and net realizable value.

Provision for obsolescence in inventories is made, wherever required.

k) Retirement Benefits

a. Short Term employee benefit

Short term employee benefits such as salaries, wages, bonus, expected cost of ex-gratia etc. are recognised in the period in which the employee renders the related service.

b. Long Term and Post-employment benefits

- i. Defined Contribution Plan: Employee benefits in the form of Employees State Insurance Corporation and Provident Fund are considered as defined contribution plan and the contributions are charged to the Statement of Profit and Loss for the period when the contributions to the respective funds are due.
- ii. Defined Benefit Plan: Employee benefits in the form of Gratuity is considered as defined benefit plan and are provided for on the basis of an independent actuarial valuation, using the projected unit credit method, as at the Balance Sheet date as per requirements of Accounting Standard-15 (Revised 2005) on "Employee Benefits".

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

NOTES TO THE FINANCIAL STATEMENTS

l) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the company has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Possible future or present obligations that may, but will probably not require outflow of resources or where the same cannot be reliably estimated is disclosed as contingent liability in the financial statement.

m) Taxes on Income

- i. Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.
- ii. Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are not recognized unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed at each Balance Sheet date to reassess their reliability.
- iii. Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of the Income Tax Act. MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as

an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income – Tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as “MAT Credit Entitlement.” The Company reviews the “MAT credit entitlement” asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

n) Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

o) Segment Reporting

The Company has identified that its operating activity is a single primary business segment viz. Real Estate Development and Services carried out in India. Accordingly, whole of India has been considered as one geographical segment

p) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Cash & Cash Equivalents

Cash and cash equivalents comprises of cash & cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of

NOTES TO THE FINANCIAL STATEMENTS

the Company's cash management and that are readily convertible to known amounts of cash to be cash equivalents.

r) Financial Instruments

➤ Financial Instruments –Initial recognition and measurement

Financial assets and financial liabilities are recognized in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument. The Company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

- **Financial assets at fair value through profit or loss**

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

- **Financial assets measured at amortized cost**

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

Debt instruments at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI, if both of the following criteria are met:

- i. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii. The asset's contractual cash flows represent SPPI. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

- **Financial assets at fair value through OCI**

All equity investments, except investments in

NOTES TO THE FINANCIAL STATEMENTS

subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The Company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the Company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

- **Financial assets –Derecognition**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

- **Investment in subsidiaries, joint ventures and associates**

Investments made by the Company in subsidiaries, joint ventures and associates are measured at cost. Impairment recognized, if any is reduced from the carrying value.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily de-recognised when:

- The right to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks

and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

- **Financial liabilities –**

- **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

- **Subsequent measurement**

The subsequent measurement of financial liabilities depends on their classification which is as follows:

- **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any, and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on the liabilities held for trading are recognised in the profit or loss.

- **Financial liabilities measured at amortized cost**

Interest bearing loans and borrowings including debentures issued by the company are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

- **Financial liabilities –Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or expires.

NOTES TO THE FINANCIAL STATEMENTS

s) Fair Value measurement

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- o In the principal market for the assets or liability; or
- o In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The Company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

t) Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

u) Lease

a. Where the Company is the lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.

Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

NOTES TO THE FINANCIAL STATEMENTS

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

b. Where the Company is the lessor

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the statement of profit and loss on a straight-

line basis over the lease term. Costs, including depreciation are recognised as an expense in the statement of Profit & Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of Profit & Loss.

Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease. Initial direct costs relating to assets given on finance leases are charged to Statement of Profit and Loss.

v. Standards notified but not yet effective

There are no new standards that are notified, but not yet effective, upto the date of issuance of the Company's financial statements.

36. Capital Requirements

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables less cash and cash equivalents

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2022.

Disclosure of Financial Instruments

Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(a) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. The Company has not entered into any foreign exchange or commodity derivative contracts. Accordingly, there is no significant exposure to the market risk other than interest risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. Most of the borrowings of the Company are unsecured and at fixed rates. The Company has only one cash credit account which is linked to the Prime Bank Lending Rate. The Company does not enter into any interest rate swaps.

(ii) Price risk

The Company has not made any investments for trading purposes. The surpluses have been deployed in bank deposits as explained above.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- **Receivables resulting from sale of properties:** Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- **Receivables resulting from other than sale of properties:** Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company's credit period generally ranges from 30-60 days.

The ageing of trade receivables : Refer note 8

Deposits with banks and financial institutions

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Board. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2017 and 2016 is the carrying amounts.

(c) Liquidity Risk

The Company's investment decisions relating to deployment of surplus liquidity are guided by the tenets of safety, liquidity and return. The Company manages its liquidity risk by ensuring that it will always have sufficient liquidity to meet its liabilities when due. In case of short term requirements, it obtains short-term loans from its Bankers.

Additional information and disclosures

Company has used the borrowings from banks and financial institutions for the specific purpose for which it was taken at the balance sheet date.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

RDB REALTY & INFRASTRUCTURE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

- We have audited the accompanying consolidated financial statements of **RDB REALTY & INFRASTRUCTURE LIMITED** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate comprising of the Consolidated Balance Sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss including other comprehensive Income, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity and notes to the financial statements for the year ended on that date including a summary of significant accounting policies and other explanatory information (herein after referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate financial statements of the subsidiaries and associate referred to in the Other Matters paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2022, of consolidated profit (including Other

Comprehensive Loss), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

- We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

- Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report in respect of the units audited by us.

Sr. No	Key Audit Matter	Auditor's Response
1	<p>Revenue recognition – accounting for construction contracts</p> <p>There are significant accounting judgements including estimation of costs to complete, determining the stage of completion and the timing of revenue recognition. The Company recognises revenue and profit/loss on the basis of stage of completion based on the proportion of contract costs incurred at balance sheet date, relative to the total estimated costs of the contract at completion. The recognition of revenue and profit/loss therefore rely on estimates in relation to total estimated costs of each contract. Cost contingencies are included in these estimates to take into account specific uncertain risks, or disputed claims against the Company, arising within each contract. These contingencies are reviewed by the Management on a regular basis throughout the contract life and adjusted where appropriate.</p>	<p>Principal Audit Procedures</p> <p>In responding to the identified key audit matter, we completed the following audit procedures:</p> <ul style="list-style-type: none"> Testing of the design and implementation of controls involved for the determination of the estimates used as well as their operating effectiveness; Testing the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard; Testing a sample of contracts for appropriate identification of performance obligations; For the sample selected, reviewing for change orders and the impact on the estimated costs to complete; Engaging technical experts to review estimates of costs to complete for sample contracts; and Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings

INDEPENDENT AUDITOR'S REPORT *(Contd.)*

Other Information

4. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board Report, Corporate Governance and Shareholders' Information but does not include the consolidated financial statements and our auditor's report thereon. The aforesaid documents are expected to be made available to us after the date of this auditor's report.
5. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
6. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and statement of changes in equity of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associate and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls,

that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

9. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group including its associate are responsible for assessing the ability of the Group and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
10. The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

INDEPENDENT AUDITOR'S REPORT (Contd.)

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group and its associate which are companies incorporated in India have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial

statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

13. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
16. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Other Matters

- 17 We did not audit the financial statements of 13 subsidiaries included in the consolidated financial statements, whose financial statements reflect total assets of ₹ 53,954.98 lakhs as at March 31, 2022, total revenues of ₹ 2,397.00 lakhs, total net profit after tax of ₹ 277.41 lakhs and total comprehensive income of ₹ 277.41 lakhs for the year ended on that

date as considered in the financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 4.31 lakhs and total comprehensive loss of ₹ 4.31 lakhs for the year ended March 31, 2022 as considered in the consolidated financial statements in respect of three associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it relates to the amount and disclosures included in respect of these subsidiaries are based solely on the reports of other auditors.

Our opinion on the Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

18. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on

record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary companies and associate company, none of the directors of the Group's companies and its associate company are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A", which is based on the auditor's report of the parent, subsidiary companies and associate company, and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

According to the information and explanations given to us and the records of the Group examined by us, the total managerial remuneration paid as reflected in the financial statements for the year ended 31st March 2022 is in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act, as applicable.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate – Refer Note 2.6 to the consolidated financial statements.
 - ii. The Group and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and associate companies.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

To the Members of RDB REALTY & INFRASTRUCTURE LIMITED

[Referred to in paragraph 18(f) of the Auditors' Report of even date]

Report on the Internal Financial Control under Clause (i) of Sub –section 3 of Section 143 of the Companies Act, 2013("the Act")

1. We have audited the internal financial controls over financial reporting of RDB REALTY & INFRASTRUCTURE LIMITED. (Hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the of the Holding Company and its subsidiary companies and its associate, are responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiaries and associate based on our audit. We conducted our audit in accordance with the "Guidance Note" and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and

maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statement, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and its associate, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting the Company, its subsidiary companies and its associate companies.

Meaning of Internal Financial Control over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - 1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - 2) provide reasonable assurance that the transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of company; and

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of inherent limitation of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluations of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us and based

on the consideration of the other auditors referred to in the Other Matters paragraph below, the Holding Company its subsidiary companies and its associate company, have, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting, issued by ICAI.

Other Matters

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 2 subsidiary companies, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

A. Corporate Information

RDB Realty & Infrastructure Ltd (The Company) and its subsidiaries, associates, partnership firm & LLP (collectively referred to as "Group") are engaged primarily in the business of real estate construction, development and other related activities. The Company a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (BSE) and The Calcutta Stock Exchange (CSE). The registered office of the Company is situated at 8/1, Lalbazar Street, Bikaner Building, 1 Floor, Room No.10, Kolkata-700001.

These consolidated financial statements ('financial statements') of the Group have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified (by Ministry of Corporate Affairs ('MCA')) under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Group has uniformly applied the accounting policies during the periods presented.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency.

B. Summary of Significant Accounting Policies

a) Overall consideration

The consolidated financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

Basis of preparation

The consolidated financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair value/amortised cost as explained in relevant accounting policies.

All the assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013. The normal operating cycle of the company has been considered as 12 months.

Basis of consolidation Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement

with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Statement of profit and loss balance (including other comprehensive income ('OCI')) is attributed to the equity holders of the Holding Company and to the non-controlling interests basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

Associates

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The results of associates or joint ventures are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with Ind AS 105. Under the equity method, an investment in an associate or a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. Distributions received from an associate or a joint venture reduces the carrying amount of the investment. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

An investment in an associate or a joint venture is accounted for using the equity method from the date on which the investee becomes an associate or a joint venture. On acquisition of the investment in an associate or a joint venture, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised directly in equity as capital reserve in the period in which the investment is acquired.

After application of the equity method of accounting, the Group determines whether there is any objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the net investment in an associate or a joint venture and that event (or events) has an impact on the estimated future cash flows from the net investment that can be reliably estimated. If there exists such an objective evidence of impairment, then it is necessary to recognise impairment loss with respect to the Group's investment in an associate or a joint venture.

When necessary, the entire carrying amount of

the investment (including goodwill) is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale.

b) Use of estimates:

The preparation of financial statement in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key estimates and assumptions :

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Estimation of net realisable value for inventory property (including land advance)

Inventory property is stated at the lower of cost and net realisable value (NRV).

NRV for completed inventory property is assessed by reference to market conditions and prices existing at the reporting date and is determined by the Company, based on comparable transactions identified by the Company for properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory property under construction is assessed with reference to market

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

With respect to Land advance given, the net recoverable value is based on the present value of future cash flows, which depends on the estimate of, among other things, the likelihood that a project will be completed, the expected date of completion, the discount rate used and the estimation of sale prices and construction costs.

c) Property, Plant and Equipment

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

An item of property, plant and equipment and any significant part initially recognized is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the Property, plant and equipment is derecognised.

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

d) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment loss.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period

On transition to Ind AS, the company has elected to continue with the carrying value of all its intangible assets recognized as at 1st April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

e) Revenue recognition, contract costs and valuation of unbilled revenue

i Revenue from own construction

In accordance with Ind AS 115 "Revenue from Contracts with customers", Revenue is recognized from construction and service activities based on "Point in time" method and Company is recognizing revenue either after handover of Possession to customer or Registration, whichever is earlier.

ii Revenue from Construction Contracts

In accordance with Ind AS 115 "Revenue from Contracts with customers", Revenue is recognized from construction and service activities based on "over time" method and the Company uses the output method to measure progress of delivery.

When the outcome of individual contracts can be estimated reliably, contract revenue and contract cost are recognized as revenue and expenses respectively by reference to the stage of completion at the reporting date. Costs are recognized as incurred and revenue is recognized on the basis of the actual work certified out of performance obligation at the reporting date.

No margin is recognized until the outcome of the contract can be estimated with reasonable certainty. Provision is made for all known or expected losses on individual contracts once each losses are foreseen.

Revenue in respect of variations to contracts and incentive payments is recognized when it is highly probable and agreed by the customer. Revenue in respect of claim is recognized only if it is highly probable not to reverse in future periods.

iii. Real Estate: Sales is exclusive of GST, if any, net

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

of sales return.

- iv. Revenue from services are recognised on rendering of services to customers except otherwise stated.
- v. Rental income from assets is recognised for an accrual basis except in case where ultimate collection is considered doubtful. Rental income is exclusive of GST.
- vi. Income from interest is accounted for on time proportion basis taking into account the amount outstanding and the applicable rate of interest.

f) Borrowing Costs

Borrowing costs attributable to the acquisition or construction of a qualifying asset are carried as part of the cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are expensed in the year they are incurred.

g) Depreciation and amortization

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The useful lives estimated for the major classes of property, plant and equipment are as follows:

Depreciation on tangible assets is provided on written down value method over the useful lives of assets estimated by the management and as given in schedule II of The Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged.

Softwares are amortized over the estimated useful life of 5 years.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate

h) Impairment of Non-Financial Assets

The management periodically assesses using external and internal sources, whether there is an indication that both tangible and intangible asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized.

i) Inventories

- i. Constructed properties, shown as work in progress, includes the cost of land (including

development rights and land under agreements to purchase), internal development costs, external development costs, construction costs, overheads, borrowing costs, construction materials including material lying at respective sites, finance and administrative expenses which contribute to bring the inventory to their present location and condition and is valued at lower of cost/estimated cost and net realizable value.

- ii. On completion of projects, unsold stocks are transferred to project finished stock under the head "Inventory" and the same is carried at cost or net realizable value, whichever is less.

- iii. Finished Goods – Flats: Valued at cost and net realizable value.

- iv. Land Inventory: Valued at lower of cost and net realizable value.

Provision for obsolescence in inventories is made, wherever required.

j) Retirement Benefits

- a. Short Term employee benefit

Short term employee benefits such as salaries, wages, bonus, expected cost of ex-gratia etc. are recognised in the period in which the employee renders the related service.

- b. Long Term and Post–employment benefits

i. Defined Contribution Plan: Employee benefits in the form of Employees State Insurance Corporation and Provident Fund are considered as defined contribution plan and the contributions are charged to the Statement of Profit and Loss for the period when the contributions to the respective funds are due.

ii. Defined Benefit Plan: Employee benefits in the form of Gratuity is considered as defined benefit plan and are provided for on the basis of an independent actuarial valuation, using the projected unit credit method, as at the Balance Sheet date as per requirements of Accounting Standard-15 (Revised 2005) on "Employee Benefits".

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

k) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation if the company has a present obligation as a result of past event and the amount of obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated is disclosed as contingent liability in the financial statement.

l) Taxes on Income

- i. Tax expense comprises both current and deferred tax. Current tax is determined in respect of taxable income for the year based on applicable tax rates and laws.
- ii. Deferred tax Asset/liability is recognized, subject to consideration of prudence, on timing differences being the differences between taxable incomes and accounting income that originates in one year and is capable of reversal in one or more subsequent year and measured using tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are not recognized unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are reviewed at each Balance Sheet date to reassess their reliability.
- iii. Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act. MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as

an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

m) Foreign Currency Transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at Balance Sheet date. The gains or losses resulting from such translation are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency are translated at the exchange rate prevalent at the date of transactions.

Revenue, expense and cash flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of transaction.

n) Segment Reporting

The company has identified that its operating activity is a single primary business segment viz. Real Estate Development and Services carried out in India. Accordingly, whole of India has been considered as one geographical segment.

o) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p) Cash & Cash Equivalents

Cash and cash equivalents comprise cash & cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management and that are readily convertible to known amounts of cash to be cash equivalents.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

q) Financial Instruments

➤ Financial Instruments - Initial recognition and measurement

Financial assets and financial liabilities are recognized in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

- **Financial assets at fair value through profit or loss**

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

- **Financial assets measured at amortized cost**

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

Debt instruments at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- i. The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii. The asset's contractual cash flows represent SPPI. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost asset have expired, or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any debt instrument as at FVTPL.

- **Financial assets at fair value through OCI**

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

- **Financial assets –Derecognition**

The company derecognizes a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

- **Investment in subsidiaries, joint ventures and associates**

Investments made by the company in subsidiaries, joint ventures and associates are measured at Cost. Impairment recognized, if any is reduced from the carrying value.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily de-recognised when:

- The rights to receive cash flows from the
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a ‘pass-through’ arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group’s continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

- **Financial liabilities –**

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

The Group’s financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

- **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any, and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

- **Financial liabilities measured at amortized cost**

Interest bearing loans and borrowings including debentures issued by the company are subsequently measured at amortized cost using the effective interest rate method (EIR). Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortized is included in finance costs in the statement of profit and loss.

- **Financial liabilities –Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or expires.

r) Fair Value measurement

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- o In the principal market for the assets or liability or
- o In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company. The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

s) Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

t) Lease

a. Where the Company is the lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use

asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.

Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

b. Where the Company is the lessor

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the statement of Profit & Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the statement of Profit & Loss.

Assets given under a finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease income is recognised over the period of the lease so as to yield a constant rate of return on the net investment in the lease. Initial direct costs relating to assets given on finance leases are charged to Statement of Profit and Loss.

u. Standards notified but not yet effective

There are no new standards that are notified, but not yet effective, upto the date of issuance of the Company's financial statements.

2.8 Capital Requirements

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the

dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables less cash and cash equivalents

(Amount in ₹)

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2021 and March 31, 2022.

Disclosure of Financial Instruments

Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and loans and advances and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

(a) Market risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. The Company has not entered into any foreign exchange or commodity derivative contracts. Accordingly, there is no significant exposure to the market risk other than interest risk.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. Most of the borrowings of the Company are unsecured and at fixed rates. The Company has only one cash credit account which is linked to the Prime Bank Lending Rate. The Company does not enter into any interest rate swaps.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**

(₹ in Lacs)

(ii) Price risk

The Company has not made any investments for trading purposes. The surpluses have been deployed in bank deposits as explained above.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- **Receivables resulting from sale of properties:** Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- **Receivables resulting from other than sale of properties:** Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company's credit period generally ranges from 30-60 days.

The ageing of trade receivables : Refer note 1.08

Deposits with banks and financial institutions

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Board. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2017 and 2016 is the carrying amounts.

(c) Liquidity Risk

The Company's investment decisions relating to deployment of surplus liquidity are guided by the tenets of safety, liquidity and return. The Company manages its liquidity risk by ensuring that it will always have sufficient liquidity to meet its liabilities when due. In case of short term requirements, it obtains short-term loans from its Bankers.

Additional information and disclosures

Company has used the borrowings from banks and financial institutions for the specific purpose for which it was taken at the balance sheet date.

No proceedings have been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder and company has not been declared as willful defaulter by and bank or institution or other lender

To the best of the information available, the company has not entered into any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956
