ZEN TECHNOLOGIES LIMITED

THE WAY IS IN THE TRAINING

Zen (zen) n. [[Jpn <Chin ch'an, ult. <Sans dhyāna, thinking, meditation]] a sect of Buddhism, seeks to attain an intuitive illumination of mind and spirit through meditation.

- FROM WEBSTER'S NEW WORLD DICTIONARY

being there...

The best form of training is actual combat in the battlefield. But it is fraught with risk to human lives. Zen simulators provide the benefit of training in actual combat situations while eliminating the risk to lives. The combat scenarios are depicted so realistically by Zen solutions that the trainee gets the feeling of being there...

ZEN COMBAT TRAINING CENTRE

Victory in battle is dependent on how effectively combat troops execute an operational plan. It is imperative that Infantry, Armoured and Artillery units which form the back-bone of the fighting forces must be well trained for combat. During peace time, individual skills of soldiers and collective operational deployment of sub-units/units of Fighting Arms need to be perfected. Zen Technologies Ltd has introduced the **Combat Training Centre (CTC)** concept to meet the individual and collective training needs at one location.

The CTC includes **Zen Simulators**, practically of all weapons/weapon platforms, to enhance the individual skills. As all the simulators are networked, tactical engagements can be simulated in **Geo-Specific terrains**. **Live Simulation** equipment facilitates tactical training at Team/Sub-unit/Unit level in real terrain using blank bullets or dry fire with personal and crew served weapons. The GPS and RF technology enables continuous monitoring and recording of the exercise at the **Control Station**.

Live-fire systems/facilities are also part of the CTC for individual and team/sub-unit training in combat conditions. **Zen Containerized Tubular Shooting Ranges and Zen Shoot Houses**, facilitate firing with real weapons using live ammunition and **smart targets** help to conduct application fire and live sub-unit drills within the training facilities, saving time and logistics.

The **Command and Control Station (CCS)**, an integral part of this training facility, enables mission planning on geo-specific, high resolution 3D terrains of a unit's operational area. Mission scenarios can be loaded onto virtual simulators and executed to check efficacy of plans and encounters with simulated 'enemy'. The CCS can control and record live simulation exercises. It records all exercises conducted on ranges and on live-fire systems. The system performs rule based objective analysis, which grades units, sub units and individuals. Needless to say, the CTC is a significant force-multiplier in attaining the highest standards of training and operational efficiency.

Chairman's Letter

Dear Fellow Shareholders,

Zen provides training simulators and solutions for various sectors with primary focus on security forces. We are a customer focused R&D driven company. Our R&D accounting practice is to write off R&D expenditure in the period of occurrence. Over the past few years we have developed some interesting products and solutions that have a very high value to the customer and tremendous sales potential. As the products are not capitalised they are not reflected in balance sheet.

In order to succeed, you must first survive – **Warren Buffett**

In a strategy that entails ruin, benefits never offset risks of ruin. – **Nassim Nicholas Taleb**

The whole problem with the world is that fools and fanatics are always so certain of themselves, and wiser people so full of doubts. - **Bertrand Russell**

Before we invest in R&D to develop our products we apply filters that are based on the target market (defence/homeland preferably); size of the market; availability in India (import substitute or we should be the first in the world), and finally whether it is high and complex cross-disciplinary technology. We are always over-cautious in this regard as we would like to ensure that failure of the product doesn't entail the "risk of ruin" – as Nassim Taleb puts it. We want to take risks with minimal downside but huge upside. We will never bet the farm, no matter how alluring the prospect.

World Snapshot

The situation across the world is becoming dismal by the day. The days when extremists were trained by some enemy country and sent to another country for wreaking havoc is not the only threat. Now a days, youngsters are getting self-radicalised by watching extremist videos so easily available on the net and turning extremist. Once they turn extremist they find weapons - very easy in some countries - and then they kill people, sometimes, in large numbers and in as sensational a manner as possible. All this with a very high-sense of morality and conviction that is very troublesome.

Cities and towns that seem safe now are actually soft targets and innocent citizens are sitting ducks for such attacks. Therefore, most of the experts in the field agree that the question now is not if, but when. And the solution to that is, instead of just praying, we should prepare. Prepare by anticipating such scenarios and formulate prompt responses to minimize the damage caused by such attacks. It therefore becomes important that both the local police and defence forces are organised, equipped and trained to conduct such operations.

Zen has unique capabilities to address such training needs of any country's security forces holistically. The latest offering from Zen, the Combat Training Centre(CTC) facility, is such a solution. It helps police and defence personnel in honing their Individual as well as team skills to successfully combat terrorists and insurgents in urban or rural environments. The solution can be scaled to handle anything from "lone-wolf" attacks to full-fledged wars.

The art of war teaches us to rely not on the likelihood of the enemy's not coming, but on our own readiness to receive him; not on the chance of his not attacking, but rather on the fact that we have made our position unassailable. – *Sun Tzu*

#Keep Training

The difference between successful people and really successful people is that really successful people say no to almost everything. - *Warren Buffett*

With more than 30 different types of training simulators and systems in its portfolio and the R&D wherewithal to quickly develop new training simulators/solutions, Zen can provide tailor-made solutions to serve the training needs of any country and force.

In this regard, we are in talks with security forces of various countries to enable them to handle the threats they are facing. We believe when defence forces are not fighting they should be training, at least, most of the time. Preparation itself may help in preventing wars and attacks as the adversary sees us as “unassailable”.

Will Zen diversify? Into other defence segments or any other industry?

Zen's focus, since its inception, has been on training solutions. While many companies are trying to be mile deep and inch wide, Zen has always focused on being a few metres wide and miles deep. Our competence is in training solutions and we have remained focused on it. Unless there is a compelling reason for us to move into other domains, even within defence, we will be focused only on training solutions. There is still immense scope for growth, both product-wise and geographically, for Zen within the training solutions market and we intend to exploit it.

Marketing Efforts Update

Zen is in the “final” stage of a bid finalization worth at least about ₹ 200 Crores. We expect other orders worth at least about ₹ 300 Crores to be finalized by our customers in a few month's time in which we stand a good chance. The finalization of these orders has been already delayed beyond reasonable time.

AMC: Annual maintenance contracts continue to give us some stable income to offset overhead costs. Our ideal target is to ensure that AMC revenues offset our annual overheads of the company.

Exports: In the export market, with a few countries that we are interacting with, we are witnessing a kind of urgency to train and prepare, not seen heretofore. Law enforcement agencies and forces are seized of the matter of potential “lone-wolf” and full-scale attacks and are preparing for them. Such preparation requires a combination of training tactics and simulation technologies that Zen has developed over the past two decades. We are discussing with our potential customers on how they can train themselves to handle such threats. We expect some breakthroughs in the coming months.

Government Policies

Indian MoD has granted most of the items on the wish list of Indian companies by revising the Defence Procurement Procedure (DPP 2016).

A new category **Buy Indian (IDDM – Indigenously Designed, Developed and Manufactured)** has been introduced. All procurement cases would be looked at for categorisation with Buy Indian-IDDM being given the first preference, which will prove pivotal for self-reliance. Zen being indigenous design and development company will meet the stringent criteria and feel that this new policy will further establish Zen as the prime training partner to India.

Similarly the Make Procedure has been modified to ensure that smaller companies like Zen can participate as Developing Agency (DA). Another change to Make Procedure is to develop solutions by self-funding with assurance of order. This will free the companies from bureaucratic hassle of funds monitoring while letting them develop the solutions in a natural tinkering, haphazard manner and approach the armed forces once the solution is ready. Orders are almost assured when such self-funding happens and, in a rare case, where orders don't come in, the R&D spent is refunded by the Govt.

The vicious cycle which was prevalent earlier, caused mainly due to no preference for indigenously designed products, delayed procurements and cancelled RFPs, is changing to a turbo-charged virtuous cycle with reduced procurement cycle and preference for indigenously designed and manufactured products. If this direction continues, in 10 years, in addition to shedding dependence on imports, and the ignominy of being the world's largest defence importer, India will become a hub of defence exports.

I would like to thank our shareholders for being patient and hope that the coming few years will more than justify your stance. We hope that Zen will do extremely well in the years to come, thanks to the new policies in India and the changing world security scenario.

Warm regards

Ashok Atluri

Chairman and Managing Director

STATEMENT OF PARTICULARS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO THE PROVISIONS OF SECTION 134(3)(M) OF THE COMPANIES ACT, 2013 READ WITH RULE 8 OF COMPANIES (ACCOUNTS) RULES, 2014

A. Conservation of Energy

- (i) The steps taken or impact on conservation of energy:

The Company does not use energy-intensive equipment for its operations. Besides, due to significant awareness campaigns within the Company, the employees are averse to wasting power. Consequently power consumption is one of the lowest per employee. The computers, air-conditioners and other equipment being used by the Company are energy-efficient and environment-friendly.

- (ii) The steps taken by the company for utilizing alternate sources of energy:

- a. The Company is energy conscious. All types of driving simulators manufactured by the Company work with high-rated, power-saving servo motors.
- b. The employees are disciplined on saving energy. Systems are switched on only when it is to be used and switched off as soon as the scheduled work is completed.
- c. The Company has made a policy decision of buying systems that are rated high in power saving. Employees work on LED monitors. Their energy consumption is less. They also release less heat compared to CRT and LCD monitors enabling the centralized air-conditioner maintain the temperature with ease. The air-conditioner too has a regulator to save power.
- d. Plans are afoot to buy eco-friendly vehicles for intra-office movement at the Hardware Park Plant and between the research wing and production wings.
- e. Also there is a move to harness solar energy for lighting and wire fencing. The roof of the plant is about 70 feet from ground and there are enough provisions for the day light to seep into the plant to enable technical hands to work without switching on electrical lights especially in day time.
- f. Air conditioners are fitted with controllers to cut off power at the set temperature. The present MH lamps and mercury lamps are replaced with LED lamps which consume only 40% of CFL and its minimum life is 50,000 burning hours.
- g. The street lights at the Hardware Park are replaced with LED bulbs.

- (iii) The capital investment on energy conservation equipments: The capital investment was made on controllers used for air conditioners, LED bulbs and green generators.

B. Technology absorption

- (i) The efforts made towards technology absorption:

The Company has indigenously developed significant technologies that are useful in various products. The technologies nurtured within the Company have been incorporated into various products.

- (ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

We expect such technologies will give us an unbeatable edge in evolving our products into advanced, reliable, and robust simulators.

- (iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):

The Company has not imported any technology during the past 3 years.

- (a) The details of technology imported: NIL
 - (b) The year of import: NIL
 - (c) Whether the technology been fully absorbed: NIL
 - (d) If not fully absorbed, areas where absorption has not taken place, and the reasons thereof: NIL
- (iv) The expenditure incurred on Research and Development:

The Company has incurred ₹ 14.55 Crores as R&D expenditure for the financial year 2015-16 for the development of various products. Out of ₹ 14.55 Crores, ₹ 14.30 Crores was for R&D Revenue expenditure and ₹ 0.25 Crores for R&D Capital Expenditure. The Company has incurred 27.65% as R&D expenditure of Sales Turnover. The Company will continue to make big bets for long-term national interests which may impact short-term profitability of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Developments

Simulator is defined as a machine designed to provide a realistic imitation of the controls and operation of a vehicle, aircraft, or other systems, used for training purposes. Simulation is used in many contexts, such as simulation of technology for performance optimization, safety engineering, testing, training, education, and video games. A few areas where simulators are being used extensively include weapons training, aviation, medicine, power plant, bridges, ships, entertainment, robotics, satellite navigation and maintenance.

The defence simulation and training market is a growing and increasingly significant sector in the defence industry. Simulators are the most cost and time effective methodology for training personnel. This actually creates a realistic surrounding to generate near-real responses to various situations as well as handling of complex weapons and use of operational equipment. It also enhances the safety levels when handling weapons in practical situation coupled with saving transportation costs and ammunition. Simulators that are being used for such training provide an opportunity to get trained for even the most dangerous situations. Simulators spare real-world equipment from wear-and tear and exposure to the elements, as well as enable training in situations that would be difficult to practice in the field. Moreover, they can be used in all weather conditions and around the clock.

Simulation has emerged as an effective way to train personnel at all the levels of responsibility, and to both develop and assess new tactics, techniques or procedures.

Financial constraints coupled with changing security scenario will push many countries to reduce defence spending and rapidly introduce and integrate simulators into their training methodology.

Opportunities and threats

The market for defence simulation and training is primarily dependent on the present stock and future acquisition of defence equipment. Keeping in mind the increased defence spending by countries, including India, the simulation training market demand will see strong growth in the coming years. Zen's addressable market opportunity in India and abroad for the coming few years is estimated at US\$2 Billion.

Product-wise performance

The main customers for simulators are Police and Para-military Forces, Armed Forces, Government Departments (like Transport) and in a very limited manner the Civilian Market. Some of the products of the Company are Hand Grenade Simulator (Zen HE36S®), Advanced Weapons Simulator (Zen AWeSim™), Tactical Engagement Simulator (Zen TacSim®), 81mm Mortar Integrated Simulator (Zen 81mm MIS), Driving Training Simulator (Zen DTS®), Zen Bus Simulator, BMP II Driving Simulator (Zen BMP II DS), Anti-Tank Guided Missile Simulator (Zen ATGM® Sim), Zen Tank Driving , Basic and Crew Gunnery Simulators.

Products that we have started demonstrating include: UAV Simulators for High Altitude Long Endurance (HALE), Medium Altitude Long Endurance (MALE) UAVs, Armour Combat Training System (Zen ACTS™), and Anti-Aircraft Air Defence Simulator (3AD Sim). These simulators, including the ones above, have an addressable opportunity in India for about ₹ 7,000 crores.

Outlook

The global market for simulators presents enormous opportunities for your Company. And we intend to focus on exports in a big way in the coming years. At Defexpo 2016 in Goa, the theme we focused on was "India – Training Partner to the World".

At home, we expect to benefit from the decisive actions of the Ministry of Defence (MoD) with respect to procurements. Operational preparedness has become important, both with the defence and police forces. For

operational preparedness adequate training with different scenarios is a must, which can be effectively imparted with simulators. We expect such focus should result in procurement of more simulators.

In addition to offering training and simulator equipment, Zen is also providing full-fledged solutions like Combat Training Centres (CTCs) to its clients both in India and abroad. These are customized solutions for clients' needs and involve integrated training simulators, equipment, software, terrains and training methodologies into a package. It offers specialised training to enhance individual skills, sub-unit/units' combat capabilities as well as tactical skills of Commanders for conventional and special operations such as Counter-Insurgency and Counter-Terrorism tasks. This training infrastructure is equipped to conduct Marksmanship training with Small Arms and Infantry-support weapons, Close Quarter Battle (CQB) engagements and tactical training in urban/rural terrain and built-up area.

Still, we expect volatility in earnings to continue. As we depend on Government for business, we expect quarterly results to be quite lumpy and corresponding quarter-on-quarter results to be uneven. To mitigate volatility in earnings, we are focusing on Exports. Exports promotion is a priority target for Zen and efforts to promote Zen simulators through exhibitions and direct sales contacts are on. We expect our efforts to start showing results from this year onwards.

Risks and Concerns

We are seeing more players entering the field of simulation and expect competition to be stiff and margins to drop for products that have huge market demand as this represents the segment that can be commercialized.

Your Company is committed to developing cutting-edge simulators for Security Forces. These simulators have been typically developed with feedback from the end-users but with no commitment from them to buy the resulting system. Such a line of action, where you develop critical simulation technologies for security forces entails definite expenditure and no promise of matching income. The government's policy of buying the system from the lowest bidder may harm us if any foreign supplier, with the development costs already amortized, competes with us and dumps the simulators at a cost far below what they have charged overseas. The Government does not have any explicit policy or procedure to encourage indigenous technology in such a situation but the recent changes in defence procurement procedures seem to be moving in the right direction.

As part of our business, we give performance guarantee to our clients. In the unlikely event that such a claim for guarantee is invoked, adequate provision for the same will be required.

The other risks that your Company faces are dependence on Government for huge chunk of business, high R&D costs with no certainty that the product will be accepted by the customer, stricter user acceptance and marketing costs, long receivables and unpredictability of earnings.

Financial Performance as against Operational Performance

During the financial year under review, the Company registered a total income of ₹ 58.08 Cr as against ₹ 81.86 Cr in the previous year. The operations have resulted in a net profit of ₹ 2.32 Cr during the financial year under report as against ₹ 15.74 Cr in the previous financial year.

Internal Control Systems and their adequacy

The Company has adequate internal control systems including suitable monitoring procedures commensurate with its size and the nature of the business. The internal control systems provide for all documented policies, guidelines, authorization and approval procedures. The Company has an internal audit system to get audited various systems and procedures throughout the year. The statutory auditors while conducting the statutory audit, review and evaluate the internal controls and their observations are discussed with the Audit committee of the Board.

The Company also has a monitoring and security system to safeguard its data and information from any pilferages or copying by unauthorized persons.

Human Resource Development and Industrial Relations

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees across various locations. During the year under review, various training and development workshops were conducted to improve the competency level of employees with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments.

During the year under review, relations with customers, partners, suppliers, workers, employees, and other industries were cordial.

Zen's team strength stands at 191 members (previous year 243). The management and employees in the company regularly meet to address the areas of concern.

9) Disclosures

i. Disclosures on materially significant related party transactions that may have potential conflict with the interests of company at large

During the year 2015-16, there was no materially significant related party transaction which had potential

conflict with the interests of the Company at large. The details of the related party transactions are disclosed in the notes on accounts forming part of the Annual Report. In terms of **Regulation 23 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015**, the Board has formulated a Related Party Transaction Policy.

The Related Party Transaction Policy is uploaded on the website of the Company at http://www.zentechnologies.com/investor_relations/Related-Party-Transaction-Policy.pdf

ii. Details of non-compliance by the company, penalties, strictures imposed on the company by Stock Exchange or SEBI or any statutory authority, on any matter related to capital markets, during the last three years

There were no instances of non-compliance, penalties, strictures imposed on the Company by Stock Exchange or SEBI or any statutory authority on any matter related to capital markets during the last three years.

iii. Whistle Blower policy and affirmation that no personnel has been denied access to the Audit Committee

The Company has framed a Whistle Blower Policy with a view to provide a vigil mechanism for Directors and Employees of the Company to report genuine concerns about unethical behavior, any wrongdoings, actual or suspected fraud or violation of the Company's Code of Conduct, legal or regulatory requirements and to provide direct access to the Chairperson of the "Audit Committee" in appropriate or exceptional cases, to provide adequate safeguards for protection of Employees and Directors from victimization or unfair treatment and ensure that frivolous accusations are not made.

The Audit Committee periodically reviews the functioning of the Whistle Blower Mechanism.

No personnel have been denied access to the Audit Committee. Whistle Blower Policy is uploaded on the website of the Company at:

http://www.zentechnologies.com/investor_relations/Whistle-Blower-Policy-2014.pdf

The Whistle Officer has not received any complaint for the financial year ended 31 March 2016.

iv. Details of compliance with mandatory requirements and adoption of the non-mandatory requirements

The Company has complied with all the mandatory requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into with the Stock Exchanges. During the year under review, there is no audit qualification in your Company's financial statements. Your Company continues to adopt best practices to ensure regime of unqualified financial statements from non-mandatory requirements.

v. Policy for determining 'material subsidiaries'

Regulation 16(1) (c) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 defines a "material non-listed Indian subsidiary" as an unlisted subsidiary, incorporated in India, whose income or net worth (i.e. paid-up capital and free reserves) exceeds 20% of the consolidated income or net worth respectively, of the listed holding Company and its subsidiaries in the immediately preceding accounting year. Under this definition, the Company did not have any "material non-listed Indian subsidiary" during the year under review.

The Subsidiary of the Company functions independently, with an adequately empowered Board of Directors. For more effective governance, the Minutes of Board Meetings of Subsidiary of the Company are placed before the Board of Directors of the Company for their review.

vi. **Disclosure of Accounting Treatment in preparation of Financial Statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

vii. **Code for Prevention of Insider Trading Practices**

Pursuant to the requirements of SEBI (Prohibition of Insider Trading) Regulations, 1992, as amended from time to time (the "old Regulations") the Company has framed a Code of Conduct for prevention of Insider Trading.

The Securities and Exchange Board of India (SEBI) on 15 January 2015 notified the SEBI Prohibition of Insider Trading) Regulations, 2015 (the "new Regulations") which have come into force from 14 May 2015, thereby revamping the two-decade old Regulations. In accordance with the provisions of the new Regulations, the Company has formulated Code of Fair Disclosure and Code of Conduct to Regulate, Monitor and Report Trading by Insiders.

The Code of Conduct to Regulate, Monitor and Report Trading by Insiders has been formulated to regulate, monitor and ensure reporting of trading by the Employees and Connected Persons designated on the basis of their functional role in the Company towards achieving compliance with the new Regulations and is designed to maintain the highest ethical standards of trading in Securities of the Company by persons to whom it is applicable.

The Code of Conduct is posted on the website of the Company under Investors Section at: http://www.zentechnologies.com/investor_relations/Code-of-Conduct-to-Regulate-Monitor-and-Report-Trading-by-Insiders.pdf

INDEPENDENT AUDITOR'S REPORT

To
The Members
ZEN TECHNOLOGIES LIMITED
Hyderabad.

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Zen Technologies Limited**, which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Director's as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order 2016 ('the order'), issued by the Central Government of India in terms of Subsection 11 of Section 143 of the Companies Act, 2013, we give in the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the order to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure - B

Report on the Internal Financial Controls over Financial Reporting in terms of Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the Internal Financial Controls over financial reporting of **Zen Technologies Limited** ('the Company') as of March 31 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining Internal Financial Controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (i) *pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;*
- (ii) *provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and*

- (iii) *provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.*

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of Internal Financial Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

1 CORPORATE INFORMATION

Zen Technologies Limited is a public company incorporated under the provisions of the Companies Act, 1956 having corporate office at B-42, Industrial Estate, Sanathnagar, Hyderabad-500018, India. The Equity Shares of the Company are listed on Bombay Stock Exchange (BSE) and National Stock Exchange Ltd (NSE) in India. The Company is engaged in design, development and manufacture of Training Simulators for Police and Para-military Forces, Armed Forces, Security Forces, Government Departments like Transport, Mining, Infrastructure and Civilian market. The products of the company are divided into 3 major categories viz. Land-based Military Simulators, Driving Simulators and Mining & Special Equipment Simulators. The Company caters to both domestic and international market. The Company is having two manufacturing units- 1) Hardware Park, Maheswaram Mandal, Telangana, India and 2) Nalagarh, Dist Solan, Himachal Pradesh, India.

The Company owned a 100% subsidiary, Version 2 Games Limited, India.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost conversion on accrual basis. GAAP comprise mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities Exchange Board of India (SEBI)

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

2.3 Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above the cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials, labour and a proportion of manufacturing overheads based on normal operating capacity.

2.4 Cash and cash equivalents

Cash and cash equivalent for the purposes of cash flow statement comprise cash at bank, cash in hand, demand deposits and other bank balances.

2.5 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows, The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

2.6 Depreciation

Effective from 01.04.2014, the Company has charged Depreciation based on the revised remaining useful life of the assets as per the requirement of Schedule II of the Companies Act, 2013. Depreciation on all assets is provided on the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for assets purchased/sold during the period is proportionately charged. Individual low cost assets (acquired for ₹ 5,000/- or less) are depreciated fully in the year of acquisition /purchase.

The following rates have been used for providing the depreciation on the tangible & intangible fixed assets

Asset Description	Useful life of Asset
Buildings (Other than factory buildings)	60 years
Factory Buildings	30 years
Lease Buildings	6 years
Plant and Machinery	15 years
Office Equipment	5 years
Computers	3 years
Vehicles	8 years
Furniture & Fixtures	10 years
Testing Equipment	10 years
Software	33.33%

Amounts spent for capital work-in-progress including advance given for capital goods are grouped under capital work-in-progress.

Impairment of Assets: The management assesses at regular intervals using external and internal sources whether there is any indication that an asset may be impaired

2.7 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation. The cost of fixed assets includes interest on borrowings attributable to acquisition of fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following recognition criteria is applied before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on dispatch of goods. The Company collects sales tax and Value Added Tax (VAT) on behalf of the government and therefore, these are not economic benefits flowing to the Company, hence they are excluded from the revenue. Excise duty deducted from revenue (gross) is the amount that was included in the revenue (gross).

Excise duty

Excise duty has been accounted as and when goods are dispatched and no provision is made for the goods lying at the year end. This accounting treatment has been followed consistently and has no impact on the profitability of the company.

Sale of Services

Revenue from Annual Maintenance Contracts (AMC) is recognized on pro-rata basis over the period in which such services are rendered. The Company collects service tax on behalf of the government and therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from the revenue.

Interest on bank deposits

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other Income" in the Statement of Profit and Loss.

2.9 Foreign currency transactions

Expenses and income are recorded at the exchange rate prevailing on the date of transaction. Assets and Liabilities on the date of the Balance Sheet are restated at the exchange rate prevailing on the Balance Sheet date. Exchange rate differences arising on settlement of the transaction and on account of restatement of Assets and Liabilities are dealt with in the Statement of Profit and Loss.

2.10 Investments

Long-term investment held in equity share capital of wholly owned subsidiary company is carried at cost.

2.11 Employee Retirement and other benefits

The Company operates defined benefit plan of Group Gratuity for its employees. The Company has taken a Group Gratuity Scheme with Life Insurance Corporation of India. The premium payable under the scheme is provided in the books on accrual basis. The present value of the defined benefit obligation and the related current service cost were measured using actuarial valuation carried out by an independent actuary consultant at each year end. Actuarial valuation is carried out using the projected unit credit method. Gratuity is calculated as per the Payment of Gratuity Act, 1972 on actual liability basis.

The Company does not have any scheme for leave encashment in place.

In respect of retirement benefits in the form of provident fund, the contribution payable by the company for the year is charged to the Statement of Profit and Loss. The Company has no obligation other than the contribution payable to the provident fund.

2.12 Earnings per share

Basic earnings per share are computed by dividing the net profit / (loss) after tax attributable to equity share holders by the weighted average number of equity shares outstanding during the year.

2.13 Taxes on income

Minimum alternate tax (MAT) payable in a year is charged to the Statement of Profit and Loss as current tax.

2.14 Provisions

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an out flow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.15 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an out flow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.16 Research and development costs

Revenue costs are expensed in the year in which they are incurred and the capital expenditure is added to fixed assets and are depreciated in accordance with depreciation policy of the Company.

2.17 Dividends

Provision made in the accounts for the dividends payable by the Company as recommended by the Board of Directors, pending approval of the shareholders at the Annual General Meeting. Income tax on dividends payable is provided for in the year to which such dividends relate.

2.18 Overdraft facilities from banks are secured by way of pledge of Fixed Deposits and the working capital facilities (₹ 15 Crore) from Indian bank are secured by equitable mortgage of immovable properties and other fixed assets pari-pasu charge with Technology Development Board (TDB).

2.19 The Company operates in one segment i.e., Training and simulation.

2.20 The Common expenses incurred at Head Office were allocated between Head Office and Himachal Pradesh unit based on Net turnover.

2.21 All Fixed deposits were kept with Scheduled banks only.

2.22 The unclaimed dividend amount for all the earlier financial year as on 31 March 2016 is ₹ 828,706.25/- details of which are given below:

INDEPENDENT AUDITOR'S REPORT

The Members
Zen Technologies Limited
Hyderabad

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Zen Technologies Limited** (hereinafter referred to as "the Holding Company") and its subsidiary Version 2 Games Limited (the Holding Company and its subsidiary together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place

and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (a) *We did not audit the financial statements of the company's only subsidiary Version 2 Games Limited, whose financial statements reflect total assets of ₹ 7,252 as at 31 March 2016, total revenues of ₹ 1,596 and net cash flows amounting to ₹ 4,552 for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.*

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below is not modified in respect of the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2016 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies, incorporated in India is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed impact of pending litigation in Notes on Financial Statements under 'Commitments and contingent liabilities not provided for in respect of disputed matters'.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

Annexure - A

Report on the Internal Financial Controls over Financial Reporting in terms of Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the Internal Financial Controls over financial reporting of **Zen Technologies Limited** ('the Holding Company') as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. We have obtained and relied on a report on the Internal Financial Controls over Financial Reporting issued by the Statutory Auditors of the Company's only subsidiary Version 2 Games Limited (the subsidiary company). The Holding Company and the Subsidiary company hereafter together referred to as 'the group'.

Management's Responsibility for Internal Financial Controls

The Group's Management is responsible for establishing and maintaining Internal Financial Controls based on "the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that

- (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group;

- (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the group; and
- (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Group considering the essential components of Internal Financial Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2016

CORPORATE INFORMATION

Zen Technologies Limited is a public company incorporated under the provisions of the Companies Act, 1956 having corporate office at B-42, Industrial Estate, Sanathnagar, Hyderabad-500018, India. The Equity Shares of the Company are listed on Bombay Stock Exchange (BSE) and National Stock Exchange Ltd (NSE) in India. The Company is engaged in design, development and manufacture of Training Simulators for Police and Para-military Forces, Armed Forces, Security Forces, Government Departments like Transport, Mining, Infrastructure and Civilian market. The products of the company are divided into 3 major categories viz. Land-based Military Simulators, Driving Simulators and Mining & Special Equipment Simulators. The Company caters to both domestic and international market. The Company is having two manufacturing units- 1) Hardware Park, Maheswaram Mandal, Telangana, India and 2) Nalagarh, Dist Solan, Himachal Pradesh, India.

The Company owned a 100% subsidiary, Version 2 Games Limited, India.

1 PRINCIPAL OF CONSOLIDATION

The consolidated financial statements present the accounts of the Company and wholly owned subsidiary Version 2 Games Limited India. The consolidation is based on the audited financial statements of Zen Technologies Limited and its subsidiary for the year ended 31 March 2016.

The consolidated financial statements are prepared in Indian rupees. The Indian rupee is the functional currency of Zen Technologies Limited and Version 2 Games Limited.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of accounting and preparation of financial statements

The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) under the historical cost conversion on accrual basis. GAAP comprise mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act) read with rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities Exchange Board of India (SEBI)

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

2.3 Inventories

Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above the cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Work-in-progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials, labour and a proportion of manufacturing overheads based on normal operating capacity.

2.4 Cash and cash equivalents

Cash and cash equivalent for the purposes of cash flow statement comprise cash at bank, cash in hand, demand deposits and other bank balances.

2.5 Cash flow statement

Cash Flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows, The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

2.6 Depreciation

Effective from 01.04.2014, the Company has charged Depreciation based the revised remaining useful life of the assets as per the requirement of Schedule II of the Companies Act, 2013. Depreciation on all assets is provided on the Straight Line Method over the useful lives of the assets estimated by the Management. Depreciation for assets purchased/sold during the period is proportionately charged. Individual low cost assets (acquired for ₹ 5,000/- or less) are depreciated fully in the year of acquisition /purchase.

The following rates have been used for providing the depreciation on the tangible & intangible fixed assets

Asset Description	Useful life of Asset
Buildings (Other than factory buildings)	60 years
Factory Buildings	30 years
Lease Buildings	6 years
Plant and Machinery	15 years
Office Equipment	5 years
Computers	3 years
Vehicles	8 years
Furniture & Fixtures	10 years
Testing Equipment	10 years
Software	33.33%

Amounts spent for capital work-in-progress including advance given for capital goods are grouped under capital work-in-progress.

Impairment of Assets: The management assesses at regular intervals using external and internal sources whether there is any indication that an asset may be impaired

2.7 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation. The cost of fixed assets includes interest on borrowings attributable to acquisition of fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following recognition criteria is applied before revenue is recognized:

Sale of goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on dispatch of goods. The Company collects sales tax and Value Added Tax (VAT) on behalf of the government and therefore, these are not economic benefits flowing to the Company, hence they are excluded from the revenue. Excise duty deducted from revenue (gross) is the amount that was included in the revenue (gross).

Excise duty

Excise duty has been accounted as and when goods are dispatched and no provision is made for the goods lying at the year end. This accounting treatment has been followed consistently and has no impact on the profitability of the company.

Sale of Services

Revenue from Annual Maintenance Contracts (AMC) is recognized on pro-rata basis over the period in which such services are rendered. The Company collects service tax on behalf of the government and therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from the revenue.

Interest on bank deposits

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "Other Income" in the Statement of Profit and Loss.

2.9 Foreign currency transactions

Expenses and income are recorded at the exchange rate prevailing on the date of transaction. Assets and Liabilities on the date of the Balance Sheet are restated at the exchange rate prevailing on the Balance Sheet date. Exchange rate differences arising on settlement of the transaction and on account of restatement of Assets and Liabilities are dealt with in the Statement of Profit and Loss.

2.10 Investments

Long-term investment held in equity share capital of wholly owned subsidiary company is carried at cost.

2.11 Employee Retirement and other benefits

The Company operates defined benefit plan of Group Gratuity for its employees. The Company has taken a Group Gratuity Scheme with Life Insurance Corporation of India. The premium payable under the scheme is provided in the books on accrual basis. The present value of the defined benefit obligation and the related current service cost were measured using actuarial valuation carried out by an independent actuary consultant at each year end. Actuarial valuation is carried out using the projected unit credit method. Gratuity is calculated as per the Payment of Gratuity Act, 1972 on actual liability basis.

The Company does not have any scheme for leave encashment in place.

In respect of retirement benefits in the form of provident fund, the contribution payable by the company for the year is charged to the Statement of Profit and Loss. The Company has no obligation other than the contribution payable to the provident fund.

2.12 Earnings per share

Basic earnings per share are computed by dividing the net profit / (loss) after tax attributable to equity share holders by the weighted average number of equity shares outstanding during the year.

2.13 Taxes on income

Minimum alternate tax (MAT) payable in a year is charged to the Statement of Profit and Loss as current tax.

2.14 Provisions

A provision is recognized when the company has a present obligation as a result of past events and it is probable that an out flow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

2.15 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an out flow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.16 Research and development costs

Revenue costs are expensed in the year in which they are incurred and the capital expenditure is added to fixed assets and are depreciated in accordance with depreciation policy of the Company.

2.17 Dividends

Provision made in the accounts for the dividends payable by the Company as recommended by the Board of Directors, pending approval of the shareholders at the Annual General Meeting. Income tax on dividends payable is provided for in the year to which such dividends relate.

2.18 Overdraft facilities from banks are secured by way of pledge of Fixed Deposits and the working capital facilities (₹ 15 Crore) from Indian bank are secured by equitable mortgage of immovable properties and other fixed assets pari-pasu charge with Technology Development Board (TDB).

2.19 The Company operates in one segment i.e., Training and Simulation.

2.20 The Common expenses incurred at Head Office were allocated between Head Office and Himachal Pradesh unit based on Net turnover.

2.21 All Fixed deposits were kept with Scheduled banks only.

	(b) Demands raised for subsequent periods by the Central Excise Department on the same issue for the period from 01.04.2006 to 31.07.2011 and the Commissioner confirmed the demands vide Order-in-Original No. Hyd-Excus-002-Com-030-15-16 dated 27.11.2015. The Company filed an appeal before CESTAT, Hyderabad and is pending for final hearing.	74,942,371	74,942,371
		80,113,727	80,113,727
	Note: The dispute in the matter (a) above was relating to inclusion of customized software in the valuation of simulators supplied by the company during the period from F.Y. 2005-06 to 2010-11 (upto 31.07.2011). The matter was first adjudicated by the Commissioner of Customs and Central Excise Hyderabad - II Commissionerate and decided in favour of the company. However, the Excise Department has filed an appeal before the Appellate Tribunal Challenging the order passed by Commissioner of Customs and Central Excise. For the subsequent periods i.e., from 01.04.2006 to 31.07.2011, the Commissioner confirmed the demand against the company and the company filed an appeal before CESTAT, Hyderabad and it is pending for final hearing. The Company, based on discussions with its solicitors and tax advisors, believes that there is a fair chance of winning the case in its favour in the appellate process and hence, no provision has been considered necessary against the same.

Payment of Dividend through Electronic Clearing Service (ECS)

The Securities Exchange Board of India (SEBI) has advised the Companies to mandatorily use ECS facility wherever available for distributing dividends or other cash benefits, etc., to the investors. This facility provides instant credit of dividend amount to your Bank Account electronically at no extra cost. ECS also eliminates the delay in postal transit and fraudulent encashment of warrants. Only individual transactions upto ₹ 500,000/- would be covered under the Scheme.

Under this facility the amount of dividend payable to you would be directly credited to your bank account. Your bank's branch will credit your account and indicate the credit entry as 'ECS' in your pass book/statement account. We would be issuing an advice to you directly after the transaction is effected.

In case you wish to have your dividends paid through ECS and are holding the Company's shares in electronic form you may kindly fill in the enclosed ECS mandate Form and submit it to your Depository Participant. However, in case you are holding the company shares in physical form and wish to have your future dividends paid through ECS you may kindly return the said ECS mandate form duly completed and signed by you at our Registered Office address mentioned elsewhere in this report.

If you do not wish to opt for ECS facility, we strongly recommend that you provide the details of your Bank's Name, Bank's Branch, type of Account and Account Number to your depository participant, in cases where shares are held in electronic form and to us in cases where shares are held in physical form for printing the same on the dividend warrants which will be dispatched to you. In the event of any change or correction in the details that might have been provided by you earlier, kindly send revised particulars to your depository participants or to us as the case may be at an early date.

We request you to kindly submit the ECS / Bank details latest by Friday the 16 September 2016 to enable us to include the same for the payment of the current year's dividend.
