MANAGEMENT'S DISCUSSION & ANALYSIS REPORT

a) Industry Structure & development:

According to industry reports, India is expected to rank fifth in the consumer durable market in the world by 2025. While the urban market accounts for majority share (65% of total revenue) in the consumer durables sector in India, future growth is expected to be driven by the rural market, as the government is increasing its focus on rural electrification.

The demand for appliances & consumer electronics (including refrigerators, washing machines and air conditioners) is on rise because of several growth drivers like rising disposable income, urbanization of consumers, easy consumer financing, product variant, organized retail market industry, and rural electrification. With raising manufacturing cost in alternate market and increasing local demand, global companies have turned their attention towards India. Further Government has taken several measures to boost the industry growth. To promote large-scale manufacturing, offset disability and attract domestic and global investments into the Electronic System Design and Manufacturing (ESDM) sector in India, the Modified Special Incentive Package Scheme (M-SIPS- provides subsidy for investments in capital expenditure) has been notified & recently scheme extended upto year 2020. Similarly state governments also provide encouragement to industrial investment by providing concessions, subsidies and financial incentives.

Consumer durables account for more than 40% of end consumer spending in India. Annual turnover of more than INR500 billion and contributes more than INR150 billion to revenue of Centre and State governments. The market for white goods and televisions has been growing, but remains underpenetrated with sub-par levels as compared to the global average. According to industry estimates, refrigerator penetration is at 21%, washing machine at 8.8%, AC is at 3% and microwave oven at less than 1% penetration.

b) Outlook

With the increasing demand of consumer durables in India the EMS industry is growing drastically. Higher incomes, wider choices, and lower product prices have escalated the demand for electronic products in India and heightened the need to improve the country's electronics manufacturing ecosystem, leading original equipment manufacturers (OEMs) to turn to electronics manufacturing services (EMS). The expanding supply-demand gap for electronic products enhances the opportunities for EMS companies in the untapped Indian market.

Global OEMs are looking forward to invest in Indian businesses and set up manufacturing plants/ Expand existing business in the country, offering huge potential for EMS providers. Make in India initiatives taken by the Indian Government in order to improve the domestic manufacturing sector will also boost market expansion.

The Company is trying hard to enhance its business in the field of Electronics Manufacturing Services. We believe that Keys to Companies' growth are cost effective electronic manufacturing services, continuous technology upgradation and diversified company operating across different industry segments. In short to medium term the Company have to overcome issues like local competition, Standardise products with

similar kind of imported goods, generating profit margin in spite of lesser scope, regulatory issues and improved arrangement for research & developments.

The Company is already in food storage business and to encash the opportunity in manufacturing in tools, the Company is setting a separate tooling division to meet requirements of various customers & own tools design & development. The Company Management also focusing on Food storage boxes.

c) Opportunities and threats:

On positive side, with the "Make in India" initiative of Government, India has the potential to emerge as the manufacturing destination in the future and with the right impetus, the consumer durables sector can repeat the success of Indian IT companies. The Government of India has initiated multiple incentive schemes and policies (M-Sips, EMCs, EDFetc) to boost domestic manufacturing and has stressed its focus on consumer electronics segment under the "make in India". Opportunities for this industry are bright because of rapid urbanization, unexploited rural market, increase in purchasing power of consumer, Easy availability of Finance.

For Our Company being services EMS provider for OEMs, Investment by Foreign OEMs as well Domestic OEMs in India in this sector may prove a sale hiking factor, as we have better chances of getting orders.

However Competition from Local vendors & effect of Imports on Finished Goods Manufactures demands for more cost optimization & innovation/acquisition of updated technologies.

d) Risks & concerns

Due to implementation of foreign trade agreements, consumer electronics and home appliances sector is facing an invert duty structure, where final product is being imported at concessional import duty, whereas components imports around 7.5%-10% custom duties; thus making final products are costlier than the imported products. Further excise duty on consumer durables has also increased to 12.5%. This may make Indian manufacturing for white goods such as washing machines, refrigerators and air conditioners very Competitive without scope of much margin. These specific issues to the industry are creating cost competition with imported Goods. Costly Finance, regulatory cases, increasing competition & continuous technology adoption are specific concerns and need continuous attention.

e) Product wise performance:

Discontinuance of CTV & CFL products has affected the business & turnover of the Company; however the Company has been manufacturing/ started manufacturing of automobile parts, bathroom fittings, kitchen appliances, PCB assemblies of CTV etc. in addition to existing products like plastic parts of AC, Refrigerator, washing machine etc. Please refer Notes 21.1 to financial statements for further information.

f) Internal Control System and their adequacy:

The Company has implemented ERP software for better and effective management of planning, purchase, store, production, sale, dispatch, accounting & finance. This will also help the management to have all the necessary internal Check systems in place. The internal Audit by external auditors also helps the management in identifying the weaknesses in the existing systems.

g) Discussion on Financial performance with respect to operational performance:

During the year revenue from operations has grown up by 9.45%.The turnover of the Company increased by 9.44% to Rs. 238.73 Crore.Earnings before interest, tax, depreciation and amortization increased by 500.21% to Rs. 15.13 Crore from Rs. 2.5 Crore in preceding Financial Year.Loss after Tax & Net Loss of the Company decreased by 77.61 % to Rs. -4.54 Crore from Rs. -20.28 Crore in preceding Financial Year.

The company has increased the product mix by adding the product of automotive parts, bathroom flitting parts, kitchen appliances, solar lamp, PCB assembly for LCD & LED TV for various reputed OEM which has improved turnover & profit margin.

h) Material development in Human Resources/Industrial Relations front, including number of people employed.

The Company's management believes human resources are its biggest asset. The Company continuously reviews HR policies and practices and carries out necessary improvements to attract and retain best talent and build intellectual capital. Continuous nurturing of talent and helping employees in their career aspirations is one of the biggest challenges addressed through several discussions, which has resulted in people being respected, their performance being rewarded and aiding employees in realising their potential. The Company continued to enjoy healthy industrial relations during the year.

i) Cautionary Statement

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be forward-looking statements within the meaning of applicable laws, rules and regulations. Actual results could differ materially from those expressed or implied. Important factors that could influence the Company's operations include input availability and prices, demand and pricing of finished goods in the Company's principal markets, changes in government regulations, tax laws, economic developments within the country and other incidental factors.

Annexure II

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India **(Not applicable to the Company during the audit period ending 31st March 2015).**
- (ii) The Listing Agreement entered into by the Company with Bombay Stock Exchange and National Stock Exchange.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings at least seven days in advance, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions are carried through and there was no dissent raised by any member of the Board.

Based on the compliance mechanism established by the company as per the explanations given to us and representations made by the management and relied upon by us, there are adequate systems and processes in the Company commensurate with size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, the Company:

- a) has obtained approval of the members under section 180(1)(c) of the Act by way of special resolution for borrowing upto Rs. 300 Crores in excess of the aggregate of the paid-up capital and free reserves.

INDEPENDENT AUDITOR'S REPORT

To the Members of
PG Electroplast Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **PG Electroplast Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so

required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2015;
- (b) in the case of the Statement of Profit and Loss Account, of the loss for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements-

2 Statement of Significant Accounting Policies

i) Basis of Preparation

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules, 2006, which continue to apply under Section 133 of the Companies Act, 2013, ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 1956, to the extent applicable and guidelines issued by the Securities and Exchange Board of India (SEBI).

ii) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenue and expenses, assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

All assets and liabilities have been classified as Current or Non-Current as per the criteria set out in the Schedule III to Companies Act, 2013.

iii) Revenue Recognition

- (a) Sale of goods: Sales are recognised when the substantial risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts, rebates and sales tax/ value added tax. The excise duty recovered is presented as a reduction from gross turnover. Sales returns are recognised on receipt of finished goods in the factory.
- (b) Sale of Services: In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognised net of service tax.
- (c) Interest income is recognized on accrual basis.

iv) Fixed Assets and Depreciation

Tangible Assets

- (a) Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying fixed assets upto the date the assets are ready for use. Where the acquisition of fixed assets are financed through long term foreign currency loans (having a term of 12 months or more at the time of their origination) the exchange differences on such loans are added to or subtracted from the cost of such fixed assets. In respect of new projects, all cost including borrowing cost incurred upto the date of commencement of commercial production or when related asset is put to use are capitalised.

- (b) Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.
- (c) Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets are recognised in the Statement of Profit and Loss.

v) Depreciation

- (a) The depreciation on assets acquired/sold/discarded/demolished during the year is provided from/upto the month the asset is commissioned/sold or discarded.
- (b) Depreciation on Tangible Fixed Assets has been provided on Straight Line Method(SLM)based on useful life of the assets prescribed in Schedule II of the Companies Act , 2013 except in respect of major Plant & machinery,where useful life has been taken as 25 years ,as technically assessed.
- (c) Lease hold land is amortized over the period of Lease.

vi) Intangible Assets

- (a) Intangible assets are recognised as per the criteria specified in the Accounting Standard (AS) 26 "Intangible Assets" and are amortised on straight line basis as follows:

	Period of Amortisation
Computer Software	6 year
Product Development	10 year

vii) Inventories

Raw material, components, stores and spares are valued at lower of cost and net realisable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials , components and stores and spares is determined using the first-in, first-out (FIFO) method.

Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials, labour and related production overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale.

viii) Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision is made for diminution in value, if such diminution is, in the opinion of the management, other than temporary in nature.

ix) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or Production of qualifying assets are capitalized as part of the cost of such assets. A Qualifying assets is one that necessarily taken substantial period time to get ready for its intended use.

i) Excise department has issued show cause notice dated 22nd Dec.,2011 for Rs 7,65,73,219 /- in respect of CTV sold to ELCOT, Tamilnadu (a Govt. of Tamil Nadu undertaking) during the period Feb 09 to Oct 2011 for free distribution by the state Govt to poor section of the people by paying excised duty on the basis of value determined under section 4A, instead of determining the value under section 4 of the Central Excise Act, 1944. The department has the contention that sale is institutional sale & valuation based on MRP under Section 4A is not applicable to the sale to ELCOT. The appeal made by the Company was allowed by the CESTAT ,New Delhi vide order dated 12th March,2014. However the excise department has filed the appeal with Supreme Court, which has been admitted by the Supreme Court on 5th Jan.,2015 by condoning the delay in filing the appeal.

ii) Directorate of Revenue Intelligence (DRI) had conducted a search on the factory premises of the Company and the residence of the Promoters on March 08, 2011. The Company has deposited anti dumping duty on import of CPT of Rs. 1,45,00,000. However, no show cause notice is received by company from DRI.

iii) The company was under process of investigation, as per SEBI ad-interim Order No. WTM/PS/IVD-ID5/42/2011/DEC dated 28-12-2011, in exercise of powers conferred upon SEBI under section 19 of the Securities and Exchange Board of India Act, 1992 read with section 11(1), 11(4), 11A and 11B of the said Act, SEBI has issued certain directions for the company/ directors/ other entities to comply with. However, as per SEBI Order No. WTM/PS/16/IVD/ID-5/OCT/2012 dated 31-10-2012, SEBI has revoked interim directions issued vide its order dated 28-12-2011 on all the entities except company and its promoter directors. Subsequently, the company has received the final order dated 11.03.2014 and in exercise of powers conferred under section 11(1), 11(4), 11(B) and 11(A) of the SEBI Act, following directions has been issued by SEBI (a) Company & its promoter directors are prohibited from raising any further capital from the securities market and also prohibited from buying and selling or dealing in securities market for a period of ten years from 28.12.2011 (b) The company is directed to take urgent and effective measures to recover all moneys recoverable on account of investments in ICDs, contracts for purchase of land which have not fructified till now etc and to report the progress to SEBI on or before 10.05.2014. The company has filed the appeal with Securities Appellate Tribunal and also submitted the progress report with SEBI. Based on progress report further directions are awaited. In view of the uncertainty of the ultimate outcome, the impact, if any, cannot be presently ascertained.

LIC (2006 - 2008) duly modified

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The rate used to discount post employment benefit obligations (both funded and unfunded) should be determined by reference to market yields at the balance sheet date on government bonds. The currency and term of the government bonds should be consistent with the currency and estimated term of the post employment benefit obligations.
