MANAGEMENT DISCUSSION AND ANALYSIS

Overview:

The company specializes in lacquered metallised polyester film which finds application primarily in the textile and apparel industry. The grade of coated polyester film produced is used extensively in the manufacture of metallic yarns.

The process of metalizing polyester or polymer films leads to a product that is glossy and shiny in its appearance. The process of metalizing involves the layering or coating of polymers with aluminum. The result is a reflective surface which reduces the vulnerability of the material to sunlight, moisture and air. Polyester coated films are available in different grades and specifications and find use across a varied number of industries from flexible packaging, shrink labels, cable insulation, and magnetic media to textiles and decorations.

Industry, Structure & Developments:

In the early days metallic yarns were limited to silver and gold variants. However, today every conceivable shade of colour is reproducible. The ability to read market trends and cater to unique shades, differentiates one company from another and determines the demand pull for metallic yarns. While the industry is fairly organized, there exist a large number of players within the metallic yarn segment. There are few companies that specialize solely in catering to the metallic yarn segment, with most players producing a large array of metallised polyester films which cater primarily to the needs of the flexible packaging industry.

Operational Performance

During the current period of operation, your company has shown an increase in the revenue to the extent of 41.49 % from Rs 959.11 Lakhs during FY 2013-14 to Rs 1357.01 Lakhs during FY 2014-15. Profit after Tax of the company has decreased to Rs 11.13 lakhs during FY 2014-15 as compared to Rs 14.40 Lakhs during FY 2013-14.

Outlook

Indian economy is adversely affected by persistent inflation over the last few years. The rising incomes propped the purchasing power of the population, driving consumption demand in sectors, where supply lagged particularly, in food-grain and non-food-grain commodities, Sharp increase in international prices of fuels also contributed to inflationary pressure. The Government has been going very slow on various reforms, expected by large investors and market. Market participants were particularly concerned about subsidies—fertilizer, food and fuel; falling rupee against dollar; widening current account and fiscal deficits. Net Buys by the Foreign Institutional investors have been declining during the year as compared to these of the earlier years. Economic situations in Euro Zone countries and other priced the Capital Market towards losses.

Risk & Concerns

The largest component of costs involved in making flexible packaging film is attributable to raw materials.

Given the volatile trend in polyesters and demand for polyesters for competing applications the pressure on input costs can be expected to fluctuate.

Adequacy of Internal Control System

The Company has adequate internal control systems for the business processes in respect of all operations, financial reporting, compliance with laws and regulations etc. The management information system forms an effective and sound tool for monitoring and controlling all operating parameters. Regular internal audits ensure that responsibilities are executed effectively. The Audit Committee reviews the adequacy of internal controls on regular basis.

Human Resource Development

The Company recognizes that its human resource is its strength in realizing its goals and objectives.

Cautionary Statement

The Statement in this Management Discussion and Analysis report, describing the Company's outlook, projections, estimates, expectations or predictions may be "Forward looking Statements" within the meaning of applicable securities laws or regulations. Actual results could differ materially from those expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Lakhotia Polyesters India Limited

Report on the Financial Statements

- 1 We have audited the accompanying financial statements of Lakhotia Polyesters India Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information

Management's Responsibility for the Financial Statements

- 2 The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

- 3 Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement
- 4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements
- 5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion
- 6 Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally

accepted in India of the state of affairs of the Company as at 31st March 2015, its profit and its cash flows for the year ended on that date

NOTE 4 DEFERRED TAX LIABILITIES

The accounting treatment for income - tax in respect of the company's income is based on the Accounting Standard 22 on 'Accounting for taxes on income' as notified by the Companies (Accounting Standards) Rules, 2006. The provision made for income tax in the accounts comprises both, the Current Tax and Deferred Tax. The deferred tax assets and liabilities for the year, arising on account of timing differences, are recognized in the statement of Profit & Loss and the cumulative effect thereof is reflected in the Balance Sheet.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and liabilities are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situation where the company has unabsorbed depreciation or carried forward losses, deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that the same can be realized against future taxable profits.

The effect of the significant timing differences that result in the deferred tax assets and liabilities at the end of the year are given as under :

Particulars	Current Year	Previous Year
<u>Deferred Tax Liabilities -</u>
