8. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their DP.
9. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.

10. Members desiring any clarification on accounts are requested to write to the Company at an early date through email on info@lakhotiapolym.in so as to enable the Company to keep the information ready.
11. In compliance with the aforesaid MCA Circulars and Securities and Exchange Board of India ("SEBI") Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 read with SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those members whose email addresses are registered with the Company / Depositories. Members may note that the Notice and Annual Report will also be available on the Company's website at www.lakhotiapolym.in websites of the Stock Exchanges i.e., BSE Limited at www.bseindia.com, and on the website of CDSL: <https://www.evotingindia.com>
12. If you have shares registered in the same name or in the same order of names but in multiple Folios, you are requested to send to the Company or **Link Intime India Private Limited**, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such members after making requisite changes.

13. Instructions for e-voting and joining the AGM are as follows:

- (a) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and MCA Circulars, the Company is providing facility of remote e-voting to its shareholders in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- (b) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to all the members of the Company.
- (c) The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- (d) The instructions for shareholders voting electronically are as under:
 - (i) The voting period begins on Monday, September 27, 2021 at 9.00 a.m. and ends on Wednesday, September 29, 2021 at 5.00 pm. During this period shareholders of the Company, holding shares as on the cut-off date (record date) i.e., Friday September 24, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - (iii) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and MCA Circulars, the Company is required to provide remote e-Voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level. Currently, there are multiple e-Voting service providers (ESPs) providing e-Voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-Voting to all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to

register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-Voting process.

- (iv) In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

2. COVID-19

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activities. The Company's operations and revenue during FY21 were impacted due to COVID-19. The manufacturing operations of the Company at its plant remained temporarily suspended during major part of first quarter of FY21 as per the directives of the Government, keeping in mind the paramount need of safety of the employees. The ongoing pandemic and partial lockdown during the year in different parts of the country further restricted the logistic arrangement coupled with slowdown of overall demand and weakening of the various commodities. The manufacturing operations of the Company are conducted in compliance with the relevant guidelines / advisory issued by the central government and state authorities, for taking necessary measures for the containment of COVID-19, including measures like maintaining social distancing.

In this context, your Company delivered an overall top-line of **1,634.22 lacs** as against Rs. 1639.27 lacs in the previous year and incurred a loss of Rs. **48.31 lacs** as against Rs. 12.67 lacs.

The Company continues to have a clear price and product leadership in its segment During second quarter of FY21, your Company resumed manufacturing operation at its Plant at Nasik in a gradual manner under the guidelines of central government and state authorities.

The year was marked by gradual improvement in capacity utilization and volume recovery after the plunge in the year 2020 and management is hopeful that performance should improve in the current year.

3. DIVIDENDS

In view of the losses incurred during the financial year, your directors do not recommend any dividend for the financial year ended on March 31, 2021

4. SHARE CAPITAL

The paid-up Share Capital of the Company as at March 31, 2021 was at Rs.10,47,39,880 (Rupees Ten Crores Forty-Seven Lakh Thirty-Nine Thousand and Eight Hundred and Eighty Only). There is no change in the share capital of the Company during the financial year.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This report covers the operations and financial performance of the Company for the year ended 31st March, 2021 and forms part of the Annual Report.

Overview of the Economy:

The company specializes in lacquered metallised Polyesters film which finds application primarily in the textile and apparel industry. The grade of coated Polyesters film produced is used extensively in the manufacture of metallic yarns.

The process of metalizing Polyesters or polymer films leads to a product that is glossy and shiny in its appearance. The process of metalizing involves the layering or coating of polymers with aluminium. The result is a reflective surface which reduces the vulnerability of the material to sunlight, moisture and air. Polyesters coated films are available in different grades and specifications and find use across a varied number of industries from flexible packaging, shrink labels, cable insulation, and magnetic media to textiles and decorations.

Industry, Structure & Developments:

In the early days metallic yarns were limited to silver and gold variants. However, today every conceivable shade of colour is reproducible. The ability to read market trends and cater to unique shades, differentiates one company from another and determines the demand pull for metallic yarns. While the industry is fairly organized, there exist a large number of players within the metallic yarn segment. There are few companies that specialize solely in catering to the metallic yarn segment, with most players producing a large array of metallised Polyesters films which cater primarily to the needs of the flexible packaging industry.

Operational Performance

During the current period of operation, your company have loss of Rs. 48.31 lac as against Rs. 12.67 lacs.

Risk & Concerns

The largest component of costs involved in making flexible packaging film is attributable to raw materials.

Given the volatile trend in Polyesters and demand for Polyesters for competing applications the pressure on input costs can be expected to fluctuate.

Adequacy of Internal Control System

The Company has adequate internal control systems for the business processes in respect of all operations, financial reporting, compliance with laws and regulations etc. The management information system forms an effective and sound tool for monitoring and controlling all operating parameters. Regular internal audits ensure that responsibilities are executed effectively. The Audit Committee reviews the adequacy of internal controls on regular basis.

Human Resource Development

The Company recognizes that its human resource is its strength in realizing its goals and objectives.

Cautionary Statement

The Statement in this Management Discussion and Analysis report, describing the Company's outlook, projections, estimates, expectations or predictions may be "Forward looking Statements" within the meaning of applicable securities laws or regulations. CORPORATE GOVERNANCE REPORT

Corporate Governance

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2021, in terms of Regulations 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Effective corporate governance practices constitute the strong foundation on which successful enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

Transparency and accountability are the two basic tenets of Corporate Governance. The Company's philosophy on Corporate Governance is to achieve business excellence, enhance long term values for its stakeholders, maintaining excellent relations across all levels and proper compliance with all applicable legal and regulatory requirements. Responsible corporate conduct is integral to the way we do our business. We believe that Corporate Governance is a journey for constantly improving sustainable value creation and is an upward moving target. In its endeavour to achieve the higher standards of governance by adopting the best emerging practices, the Company not only adheres to the prescribed corporate governance practices in terms of the regulatory requirements but is also committed to sound corporate governance principles and practices. To succeed, we believe, requires highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact.

The Company has adopted a Code of Conduct for its employees including the Managing Director and the Executive Directors. In addition, the Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors which suitably incorporates the duties of Independent Directors as laid down in the Companies Act, 2013 ("the Act").

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance.

Details of board structure and the various committees that constitute the governance structure of the organization are covered in detail in this report.

INDEPENDENT AUDITORS' REPORT

To The Members of Lakhotia Polysters (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of LAKHOTIA POLYSTERS (INDIA) LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements")..

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 35 of the statement, as regards to the management's evaluation of COVID - 19 impact on the future performance of the Company. The actual outcome of the assumptions and estimates may vary in future due to impact of pandemic.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key Audit Matter	How the matter was addressed in our audit
1. Revenue Recognition	
<p>Revenue is measured net of discounts, rebates and incentives earned by customers on the Company's sales.</p> <p>Revenue is recognized when the control of the underlying products has been transferred to the customer. There is a risk of revenue being overstated due to fraud resulting from the pressure on management to achieve performance targets at the reporting period end.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the revenue recognition accounting policies, including those relating to discounts, rebates and incentives by comparing with applicable Ind AS. • Performing substantive testing (including year- end cutoff testing) by selecting samples of revenue transactions recorded during the year by verifying the underlying documents, which included sales invoices/contracts and shipping documents. • Assessing manual journals posted to revenue to identify unusual items. • Considered the adequacy of the Company's disclosures in respect of revenue.
2. Valuation of Inventories	
<p>Inventories are held at the lower of cost and net realizable value (NRV).</p> <p>Due to high volume and nature of products, the company is dealing with and the absence of adequate records, valuation of inventory may be misstated.</p> <p>Also NRV is being based on the assumptions / judgment of the management. Inappropriate assumptions of NRV can impact the assessment of the carrying value of inventories.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Assessing the appropriateness of the inventory valuation method followed by the management and by comparing with applicable Ind AS. • Performing substantive testing (including year – end cut off testing) by selecting samples of inward and outward movement of inventory during the year by verifying the underlying documents, which included sales invoices / purchase invoice and bill of entry. • Evaluating the design and implementation of

	<p>the Company's internal controls over the Net Realizable Value (NRV) assessment.</p> <ul style="list-style-type: none"> • Considered the valuation certificate provided by the management.
3. Tax Assessments	
Review, effect and presentation of completed tax assessments	<p><u>Principle Audit Procedures</u></p> <ul style="list-style-type: none"> • Verification of details of completed tax assessments and demands as at 31st March, 2021, followed by verification of tax refunds on completed tax assessments and treatment of the same in books of account and financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure's to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standard (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at 31 March 2021 on its financial position in its standalone financial statements - Refer Note 21 to the standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021;

h) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, we report that:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in excess of the limits prescribed under Section 197 of the Act by Rs. 7.40 Lakhs, which is subject to the approval of the shareholders. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT – 31 MARCH 2021

With reference to the Annexure A referred to in the Independent Auditors’ Report to the members of the Company on the standalone financial statements for the year ended 31 March 2021, we report the following:

(i) In respect of Property, Plant and Equipments

- (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets including property, plant and equipment.
- (b) As explained to us, the Company has a regular programme of physical verification of its property, plant and equipment by the management. In accordance with the policy, the Company has physically verified certain property, plant and equipment during the year and no material discrepancies were noticed in respect of assets verified during the year. However, the record relating to physical verification has not been maintained by the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.

(ii) In respect of Inventories

The inventories at all the business places have been physically verified by the management from time to time. In our opinion, the frequency of verification is reasonable. As explained to us, there were no material discrepancies noticed on physical verification of inventories, as compared to the books of accounts. But the record relating to physical verification of inventories has not been maintained.

(iii) Compliance under section 189 of the Companies Act, 2013

As informed by the company, company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

- (a) Company has not granted such loan during the period.
- (b) As informed to us the Company has not granted any loans, secured or unsecured, hence the question of repayment of loans does not arise. Consequently the said sub clause of the

Order is not applicable to the Company.

- (c) As informed to us the Company has not granted any loans, secured or unsecured, during the year under audit, hence the question of overdue amount of loans does not arise. Consequently the said sub clause of the Order is not applicable to the Company

(iv) Compliance under section 185 and 186 of The Companies Act, 2013

In our opinion and according to the information and explanations given to us and based on the audit procedures conducted by us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to loans and investments made by the Company. The Company has not provided any security during the year to the parties covered under Sections 185 and 186 of the Act. Accordingly, compliance under Section 185 and 186 of the Act in respect of providing securities is not applicable to the Company.

(v) Compliance under section 73 to 76 of The Companies Act, 2013 and Rules framed there under while accepting Deposits

In our opinion, and according to the information and explanations given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3 (v) of the Order is not applicable to the Company.

(vi) Maintenance of cost records

As informed to us, the Central Government has not prescribed maintenance of cost records under Section 148 (1) of the Act.

(vii) Deposit of Statutory Dues

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT – 31 MARCH 2021

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

(Referred to in paragraph (A) (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting **LAKHOTIA POLYSTERS (INDIA) LIMITED** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on, “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Management’s Responsibility for Internal Financial Controls

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in

accordance with authorizations of management and directors of the company; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

I. Company Overview

Lakhotia Polysters (India) Limited (“the Company”) having CIN: L17120MH2005PLC155146 is a public listed company, incorporated and domiciled in India having its registered office at 158-159, Shree Samartha Sahakari Audyogik Vasahat Limited, Pimpalgaon (Baswant), Tal – Niphad, Dist – Nashik Maharashtra 422209 India. The Company is primarily engaged in the manufacturing and selling of Metallic Yarn & Textile Fabrics for catering to the domestic and international markets including merchant exports. The yarns produced by the company are used for the made ups in apparels, hosiery and garment industry. The equity shares of the Company are listed on The Bombay Stock Exchange Limited (BSE).

II. Summary of Significant Accounting Policies

(a) Basis of preparation and measurement

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) to comply with the Section 133 of the Companies Act, 2013 (“the 2013 Act”) and the relevant provisions and amendments, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention except certain financial instruments, defined benefit plans and share based payments measured at fair value.

The financial statements of the Company for the year ended March 31, 2021 were approved by the Board of Directors and authorized for issue on June 12, 2021.

(b) Operating cycle

The normal operating cycle in respect of operation relating to manufacturing of textile fabrics depends on procurement of raw materials, manufacturing / processing activity, selling and realisation of cash and cash equivalents. Accordingly, assets and liabilities have been classified into current and non-current based on company’s normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

(c) Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1 – quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 – inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 – inputs for the asset or liability that are not based on observable market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the

reporting period during which the change has occurred.

(d) Revenue Recognition

Revenue from sales and services is recognized when the significant risks and rewards of the ownership of the goods have been passed and services are provided to the customers.

Interest income is recognized on accrual basis at effective interest rate.

Dividend income is accounted when right to receive is established.

(e) Property, Plant and Equipment:

Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any. The cost of property, plant and equipment includes purchase price, including freight, duties, taxes and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Property, plant and equipment are derecognized from financial statements, either on disposal or when no economic benefits are expected from its use or disposal. The gain or losses arising from disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of occurrence.

Assets under construction include the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property; plant and equipment before the balance sheet date are disclosed under other non-current assets. Assets under construction are not depreciated as these assets are not yet available for use.

Subsequent expenditures

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured. All other repair and maintenance costs are recognized in the Statement of Profit and Loss during the year in which they are incurred.

Depreciation and amortization

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation / Amortisation on property, plant & equipment of the Company has been provided using the straight line method based on the useful life specified in Schedule II to the Companies Act, 2013.

Assets costing less than INR 5,000 are depreciated at 100% in the year of acquisition.

Assets acquired on lease and leasehold improvements are amortised over the primary period of the lease on straight line basis.

The estimated useful lives and residual values of the property, plant & equipment and intangible assets are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

(f) Investments:

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments. Current and Non – Current investments are stated at fair market value.

(g) Foreign currency transactions:

Transactions in foreign currencies are translated into the Company's functional currency at exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous standalone financial statements are recognized in the standalone statement of profit and loss in the period in which they arise.

(h) Government Grants and Subsidies:

Government grants and subsidies are recognized when there is a reasonable assurance that the conditions attached to them will be complied, and grant / subsidy will be received.

Government grants of the nature of promoter's contribution are credited to the reserves and treated as a part of the shareholder's fund.

(i) Inventories:

Inventories are valued at the lower of cost or the net realizable value after providing for the obsolesce and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including taxes and other levies, transit insurance and receiving charges. Inventories at all places are taken and valued by the management.

(j) Income Tax:

The tax expense comprises current and deferred tax. Tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or in OCI.

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- i) has a legally enforceable right to set off the recognised amounts; and
- ii) intends either to realise the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit

will be available against which such deferred tax asset can be realized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- i) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- ii) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Minimum Alternative Tax (MAT)

MAT credit is recognized as a deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal tax during specified period. MAT credit is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(k) Employee benefits:

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

Defined contribution plans

The Company's contribution to Provident Fund, Pension, Superannuation Fund and Employees State Insurance Fund are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contribution made to the respective fund/scheme and are charged as an expense based on the amount of contribution required to be made.

Defined benefit plans

The liability recognized in the balance sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefits obligation is calculated annually by actuaries using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefits expense in the Statement of Profit and Loss. Remeasurement gain and losses arising from experience adjustments, changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income (OCI). They are included in retained earnings in the Statement of Change in Equity and in the Balance Sheet.

Leave Entitlement

Leave entitlement are provided based on an actuarial valuation, similar to that of gratuity

benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

(l) Leases:

Finance Lease

Agreements are classified as finance leases, if substantially all the risks and rewards incidental to ownership of the leased asset is transferred to the lessee.

Operating Lease

Agreements which are not classified as finance leases are considered as operating lease.

Operating lease payments/income are recognized as an expense/income in the standalone statement of profit and loss on a straight line basis over the lease term unless there is another systematic basis which is more representative of the time pattern of the lease.

(m) Borrowing Costs:

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

Borrowing costs, pertaining to development of long term projects, are transferred to Construction work in progress, as part of the cost of the projects till the time all the activities necessary to prepare these projects for its intended use or sale are complete.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

(n) Earnings per share:

Basic earnings per share is calculated by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is calculated by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

(o) Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(p) Provisions and Contingent Liabilities:

The Company recognizes a provision when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or

more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements.

(q) Dividend:

Dividend to the equity shareholders is recognized as a liability in the Company's financial statements in the period in which the dividend is approved by the shareholders.

(r) Events after reporting date:

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the standalone financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

(s) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(t) USE OF ESTIMATES AND JUDGEMENTS

The preparation of the financial statements in conformity with Ind AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialise.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

i. Evaluation of Net Realisable Value (NRV) of Inventories

Inventories comprising of raw materials & finished goods are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the standalone financial statements for the period in which such changes are determined.

ii. Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government securities. The period to maturity of the underlying securities correspond to the probable maturity of the post-employment benefit obligations. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii. Fair value measurement of financial instruments

When the fair values of the financial assets and liabilities recorded in the balance sheet

cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in the aforesaid assumptions will affect the fair value of financial instruments.

iv. Impairment losses on investment

The Company reviews its carrying value of investments carried at amortised cost annually or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

v. Deferred taxes

Deferred tax is recorded on temporary differences between tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profit during the periods in which those temporary differences and the tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward periods are reduced.

vi. Provisions and contingencies

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

vii. Estimation of uncertainties relating to the global health pandemic from COVID-19 ("COVID-19")

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

Note 23: Financial Risk Management Objectives and Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

1. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument which fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk include loans and borrowings.

(a) Interest rate risk

Majority of the long-term borrowings of the Company bear fixed interest rate and thus interest rate risk is limited for the Company.

(b) Foreign currency risk

The Company is engaged exports business and the imports made by the company are very minimal for which hedging instruments are not required. The Company does not have any foreign currency financial instruments and therefore is not exposed to foreign exchange risk.

(c) Equity price risk

The Company's equity securities are not majorly susceptible to market price risk. However, the Company's Board of Directors reviews and approves all equity investment decisions after exercising due diligence which may affect the market related risk.

2. Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets is contributed by trade receivables, cash and cash equivalents, etc.

3. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The Company has access to funds from debt markets through loan from banks, and other debt instruments. The Company invests its surplus funds in bank fixed deposits and debt based mutual funds.

Note 24:

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's management is to maximize shareholders value and to ensure the company's ability to continue as a going concern.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may issue new shares. Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total net debt (borrowings offset by cash and cash equivalents) divided by total capital of the Company.

Gearing Ratio

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings.
