## **MANAGEMENT DISCUSSION & ANALYSIS REPORT**

### **Industry Structure and Development**

Our Company in the business of manufacturing of industrial valves since years together and is exploring the industry. A valve is one such device that is known for regulating, directing or controlling a fluid flow. It opens, closes or partially obstructs different passageways. Technically these are fittings. The modern control valves are regulating pressure and flow downstream as well as operating on well-known automation system. Valves are also of great use in military as well as transport sectors. There are many new Companies coming up the market who show great interest of investing in the valve manufacturing business. Valve suppliers in Asia have their ranks increased. Within the country's flourishing economy, these Companies are able to meet the fast growing demand for industrial valves. The global Valves market size is expected to gain market growth in the forecast period of 2021 to 2025, with a CAGR of 1.3% in the forecast period of 2021 to 2025.

Chemtech Industrial Valves Limited started its operations from manufacturing general-purpose valves. Over the years, the Company has continually gone a step ahead of the needs of emerging markets and developed high value-added products, advancing from manually operated shut-off valves to automated control valves, and from single valves to complex modular products. Our strategy is to be a navigator for our clients as they ideate, plan and execute on their journey.

In addition, the Company works actively on technological development that has less impact on people and the global environment such as engineering methods, development of materials and material procurement. For the development of materials, in particular, we focus on product development.

### **Opportunities & Threat:**

#### **Fully Integrated Manufacturing Facility**

Our manufacturing facility is fully integrated and self-sufficient. The raw materials and consumables are readily available. Further, all other utilities like fuel, power and human resources have posed no hurdle till date. All the equipment required for manufacturing the products are in place.

#### **Experienced Management Team**

The Company is managed by a team of professionals led by Chairman, Mr. Harsh Pradeep Badkur, who has over a decade of experience in this business. We believe our growth strategy in combination with management's demonstrated ability to consistently meet the customers' high expectations for quality and reliability, serves as a foundation for future revenue growth and stable operating profit. The Promoter and Senior Management team of our Company has significant industry experience and has been instrumental in the consistent growth of our Company's performance.

**Continuous focus on developing innovative products**

For any Company, innovation and technical progress are key factors for its success in the long term. Our Company constantly encourages its people to innovate and develop new products for catering to demands of our customers. We are in constant touch with our clients in order to assess their requirements for increasing their process efficiency. This has helped our Company to become a Solution Provider and not just a manufacturing concern.

**Strong Customer-Base**

We have long-standing relationships with our customers for whom we have executed repeat orders over an extended period of time, which we believe have been established and are strengthened by the dedicated infrastructure and our ability to meet Clients' requirements for customized products. Our customers include leading steel plants, government companies, engineering companies and EPC contractors.

In order to strengthen our relationship with our customers, we have appointed authorized representatives/ channel partners of the Company at most of our major client/consultant locations for handling day to day activities at their respective location. We also have representatives at various major cities. These representatives channel partners are responsible to generate business from their respective geographical region, liaising with existing customers, solving their queries and providing after sales service to the client. All the activities are taken place in close co- ordination with the client. Necessary technical help is provided to our representatives for conducting business on our behalf.

**Technical expertise and industry experience**

The promotor and the promotor group are experienced in our line of business. Further we have employed professionals having technical and commercial backgrounds. Our Company feels that the strength of any successful organization lies in both, the experience and guidance of its team leaders and the efficiency and technical capability of the staff.

**Quality Assurance and Standards**

Our company believes in imbibing stringent quality standards in all our processes and products. Our company has been accredited with ISO 9001-2008 certification. Our company is dedicated towards quality of our products, processes and inputs. We adhere to quality standards as prescribed by our customers, which enable us to maintain our brand image in the market.

**Segment wise performance**

The Operation of the Company predominantly relates in two business segments i.e. "Manufacturing of Industrial Valves" and "Trading of various items for project sales". Business segments have been identified as separable primary segment in accordance with Indian Accounting Standard 108 "Operating Segments" as prescribed under Companies (Accounting Standards) Rules, 2006, taking into menu the organizational and internal reporting structure as well as evaluation of risks and returns of these segments. The

**CHEMTECH INDUSTRIAL VALVES LIMITED**

performances of both segments are well-tuned and the management is confident about achieving better performance for coming financial years.

**Future Outlook**

The Indian Economy is unstable but showing signs of revival in near future. The demand for valves is witnessing growth in almost all areas. All core sectors of industry require various types of valves for expansion of capacities, de-bottlenecking or routine maintenance and repairs of plants for which Valves will be very productive.

The COVID-19 pandemic is a worldwide crisis and has meant that the economies will have to operate alongside the disease, now as the attention has started shifting from lockdown to safe reopening. Accordingly, Company is taking effective steps to improve operational efficiency. India's stable macroeconomic environment and strong growth outlook stand out relative to other emerging markets. With India's ever-growing requirements and addition planned by the Government through various initiatives, there exists substantial opportunity for future growth as the Company's products are geared up for the requirements. However, trade tensions & COVID-19 Pandemic among major economies impacted global growth prospects and has larger concerns on slowing down of world trade. The uncertainties associated with the pandemic COVID-19 may have adverse impact on the demand and supply chain in the short-term and the Company is working to minimize the impact of such aberrations to sustain the operations and identify new opportunities to grow. Accordingly, the company is executing the strategies to mitigate the impact of slowdown of trade.

**Internal Control Systems & Their Adequacy**

The Company has a sound internal control system commensurate with its size. Internal Audit reports are discussed by the professionals, members of audit committee & suitable corrective actions as suggested are adopted by the Board of Directors of the Company. We have always believed that transparency, systems and controls are important factors in the success and growth of any organization.

**Material Development on Human Resources / Industrial Relations**

The biggest strength of the Company has always been its people. Only with their participation we have managed to achieve a healthy work culture, transparency in working, fair business practice and a passion for efficiency. The Company follows a unique, home grown philosophy of allowing people to set their own targets and give them the freedom to achieve: 'I can'. This philosophy has spread across all our employees and has been a constant source of motivation for our people. Further, to enhance their skills and enrich their experience, the Company provides continuous training. This includes workshops, courses, seminars and visit to the Company's plants. Of late, we have also started in-house conferences for various disciplines. Employees from all our offices are invited to participate. It is a useful forum for sharing experiences, ideas, innovations and developmental work undertaken in their respective work places. From the beginning, we have followed a progressive policy of taking keen interest in the well-being and progress of our people. All of this, we believe, has nurtured a strong sense of belonging among our people. During the year under review, Industrial Relations were cordial.

## **INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF  
CHEMTECH INDUSTRIAL VALVES LIMITED**

### **Report on the Ind AS financial statements**

#### **Opinion**

We have audited the accompanying Ind AS financial statements of **CHEMTECH INDUSTRIAL VALVES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2022, the Statement of Profit and Loss, the Cash Flow Statement, the Statement of Changes in Equity and notes to financial statements including a summary of the significant accounting policies and other explanatory information for the year then ended.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit, changes in equity and its Cash Flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

This section of our auditors' report is intended to describe the matters selected from those communicated with those charged with governance that, in our professional judgment, were of most significance in our audit of the financial statements.

##### **a) Revenue recognition (IND AS 115)**

The application of the new standard on recognition of revenue involves significant judgement and estimates made by the management which includes identification of performance obligations contained in contracts, determination of the most appropriate method for recognition of revenue relating to the identified performance obligations, assessment of transaction price and allocation of the assessed price to the individual performance obligations. Audit procedure involved review of the company's IND AS 115 implementation process and key judgments made by management, evaluation of customer contracts in light of IND AS 115 on sample basis and comparison of the same with management's evaluation and assessment of design and operating effectiveness of internal controls relating to revenue recognition.

Also the Company was granted certificate of entitlement for availing sales tax incentive under package Part-I of the 1993 package scheme of incentive (PSI) of Govt. of Maharashtra by way of deferment of sales Tax liability pertaining to period from 01.09.1999 to 30.04.2006

## CHEMTECH INDUSTRIAL VALVES LIMITED

up to the maximum ceiling of Rs.37,28,000/-. The liability deferred for the period of 10 years from the year of collection of sales tax. As per the term of payment the sales Tax liability of each Financial Year is payable in five equal installments. The same will be paid once order for payment is received by respective authority.

Based on the procedures performed, it is concluded that management's judgments with respect to recognition and measurement of revenue in light of IND AS 115 is appropriate.

### **Emphasis of Matter**

Attention is drawn to Contingent Liability shown as a foot note to the Annual Financial Results, CKP bank's license is withdrawn by RBI and RBI has declared that Rs.5,00,000/- will be confirm given to depositors, which has been received by the company and adjusted against the current account balance that was held with the bank, the remaining amount will be given to deposit holders and shareholders if reserves are available.

It is still recorded as an asset in financials, which will be reversed as and when confirmation comes from RBI about non-payment to depositors and shareholders.

### **Other Matters**

The audit of the Financial Statements has been conducted after considering the impact of COVID-19 on the business and appropriate disclosures, wherever applicable, have been made in the Notes annexed to the Financial Statements.

### **Responsibility of Management for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these (Standalone) Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional Skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") of even date on the Standalone Ind AS financial statements of CHEMTECH INDUSTRIAL VALVES LIMITED**

**Opinion**

We have audited the internal financial controls over financial reporting of **CHEMTECH INDUSTRIAL VALVES LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be

prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate or for other reasons.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial

**CHEMTECH INDUSTRIAL VALVES LIMITED**

controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **NOTES ON FINANCIAL STATEMENTS AND FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2022**

### **NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES**

#### **i. Basis of Preparation**

Ministry of Corporate affairs notified roadmap to implement Indian accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended thereafter. As per the said roadmap, the Company is required to apply Ind AS starting from financial year beginning on or after April 1, 2016.

For all periods up to and including the year ended March 31, 2016, the Company prepared its financial statements in accordance with the Accounting Standards notified under the Section 133 of the Companies Act, 2013 read together with Companies (Accounts) Rules 2014 (Indian GAAP). These financial statements for the year ended March 31, 2017 are the first the Company has prepared in accordance with Ind AS.

#### **ii. Current versus Non-Current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### **iii. Fair value measurement**

The Company measures financial instruments, such as, Mutual funds at fair value at each balance sheet date.

#### **iv. Use of Estimates**

- a) The preparation of financial statements in accordance with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as on the

date of financial statements, disclosures of contingent liabilities and the reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Any revision to such accounting estimates is recognized in the accounting period in which such revision takes place.

- b) These financial statements have been prepared in accordance with accounting standards prescribed under section 133 of the Companies Act, 2013(the Act), Companies ( Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act.
- c) All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule – III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current / non-current classification of assets and liabilities.
- d) Accounting policies not specifically referred to otherwise are consistent with the generally accepted accounting principles followed by the Company.
- e) The preparation of financial statements requires estimates and assumption to be made that effect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenue and expenses during the reporting period .The Difference between the actual and estimate are recognized in the period in which results are known/materialized.

#### **I. TANGIBLE FIXED ASSETS AND DEPRECIATION**

- a) Tangible Fixed Assets are stated at cost of acquisition or construction except assets which has been revalued, at its revalued amount, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Temporary constructions/alterations are charged off to Profit and Loss Account.
- b) Depreciation has been provided as under:
  - (i) For assets existing on 1st April 2014 the carrying amount will be amortized over the remaining useful lives on straight line method as prescribed in the schedule II of the Companies Act, 2013.
  - (ii) For the assets added after the 1st April 2014:- On straight line method at the useful standard Lives prescribed in Schedule II to the Companies Act, 2013.
  - (iii) On the revalued assets the additional charge of depreciation on account of revaluation is withdrawn from revaluation reserve and credited to the retained surplus/deficit in profit and loss.

- (iv) Depreciation on assets sold during the year is provided on pro-rata basis.

## II. INTANGIBLE ASSETS AND AMORTISATION

- a) Intangible Assets are stated at acquisition of cost, net of accumulated amortization and accumulated impairment losses, if any.
- b) Intangible assets include Cost of software capitalized is amortized over a period of 5 years.

## III. IMPAIRMENT OF ASSETS

Assessment is done at each Balance Sheet date as to whether there is any indication that a tangible asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of asset that generates cash inflows from continuing use that are largely independent of the cash inflow from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an assets and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

## IV. BORROWING COST

Borrowing Costs attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such assets up to the date when such assets are ready for its intended use.

Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

## V. INVENTORIES

Raw materials, components, stores and spares, and packing material are valued at lower of cost or net reliable value. However, these items are considered to be realizable at cost if the finished products, in which they will be used, are expected to be sold at or above cost. Cost of inventories is computed on a weighted-average basis.

Work-in-progress, finished goods and Stock-in-trade are valued at lower of cost or net realizable value. Cost of Finished goods and work-in-progress comprises raw material, direct labour, other direct costs and other related production overheads upto the stage of bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less estimated cost necessary to make the sales.

#### VI. TRANSLATION OF FOREIGN CURRENCY ITEMS

Transactions in foreign currency are recorded at the rate of exchange prevailing on the date of transaction. Foreign currency monetary assets and liabilities are converted in Indian currency at the rate of exchange prevailing at the end of the year. Resultant gain or loss is recognized in the statement of profit and loss for the year.

#### VII. REVENUE RECOGNITION

- a) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured.
- b) Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment. Amounts disclosed as revenue are inclusive of excise duty and net of returns, rebates, Value added taxes and amounts collected on behalf of third parties.
- c) Interest Income is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate.
- d) Dividend income on investments is accounted for when the right to receive the payment is established.

#### VIII. RETIREMENT AND OTHER EMPLOYEE BENEFITS

##### (a) Defined Contribution Plan

The Company makes defined contribution to Government Employee Provident Fund, which are recognized in the Statement of Profit and Loss on accrual basis. The company has no further obligation beyond its contribution. No figurative disclosures available

##### (b) Defined Benefit Plan

i) The Company's liabilities under Payment of Gratuity Act are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss as income or expenses. Obligation is measured at the present value of estimated future cash flow using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the terms of the Government bonds are consistent with the estimated terms of the defined benefit obligation. No figurative disclosures available

ii) **Leave Salary:** Leave Salary for accumulated compensated absences that are expected to be availed or encashed by eligible employees within 12 months from the end of the year are treated as short term employees

benefits, which is provided at the expected cost. No figurative disclosures available.

## IX. TAXATION

Tax expense for the period, comprising Current tax and Deferred Tax are included in the determination of net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in India.

Deferred Tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets on unabsorbed carry forward losses are recognized only upon definite virtual certainty of future taxable income is available and not otherwise.

Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted and substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company re-assesses unrecognized deferred tax assets, if any.

## X. OPERATING LEASES

**As a Lessee :** Leases, where significant portion of risk and reward of ownership are retained by the Lessor, are classified as Operating Leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

## XI. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares.

## XII. SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

- a) **Fair value measurements:** When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted

prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility.

- b) Useful lives of property, plant and equipment:** Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.
- c) Impairment of financial assets:** the impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculations based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.
- d) Impairment of non-financial assets:** The company assesses at each reporting date whether there is an indication that an asset may be impaired. If an indication exists, or when the annual impairment testing of the asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and its written down to its recoverable amount.
- e) Provisions and liabilities:** Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgment to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.
- f) Contingencies:** In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.
- g) Taxes:** Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. The Company has deferred tax asset during the year i.e reversal of deferred tax liability.

### XIII. CONTINGENT LIABILITIES AND PROVISIONS

#### Provision:-

Provision are recognized when there is a present obligation as a result of a past event and it is probable that an outflow of benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

**Contingent liabilities:-**

Contingent liabilities are disclosed when there is a possible obligation arising from the past events, the existence of which will be confirmed only on the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**XIV. Cash and Cash Equivalents:**

In the Cash flow statement, cash and cash equivalents include cash on hand, demand deposits with bank including short term margin money against bank guarantee issued.

**XVII Government Grants:**

Government grants are recognized at their fair value where there is a reasonable assurance that the Grant will be received and the company will comply with all attached conditions.

Government Grants relating to purchase of property, plant and equipment are included in non- current liabilities as deferred income and are credited to profit or loss in proportion to depreciation over the expected lives of the related assets and presented within other income.

Government grants relating to income are deferred and recognized in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

**NOTE: 2 Property, Plant and Equipments and Intangible Assets**

2.1 Vehicles owned by the Company includes registered in the name of the Directors.

2.2 The Factory Gala No. 12,13,14,16 and 42 at Asangaon has been revalued at fair market value as on 01.04.2011 amounting to Rs.60,07,500/- as per the valuation report of an independent govt. approved valuers.
