## CHAIRMAN SPEECH

### 1. Ladies & Gentlemen

It gives me great pleasure in welcoming all of you to the 20<sup>th</sup> Annual General Meeting of your Company. The Annual Report for the year ended 31<sup>st</sup> March 2020 has been circulated so, with your permission, I shall take it as read.

### 2. Review of Performance

I would like to start by highlighting operational achievements during the year under review.

Your Company delivered another year of financial performance with compare to financial year 2018-19. Your Company earned profit after tax of Rs.3.67 lacs during financial year 2019-20.

The Company was not doing so well in Financial Year 2019-2020 comparable financial year 2018-19. Now, we should be able to post even better results next year as we are all set to strongly focus on taking our business to higher levels of operational excellence and growth. This gives me the confidence to say that with God's blessings, team's hard work and your support; we shall be able to report stellar results for the next year.

### 3. Outlook

Indian textiles industry is a well-established with showing strong features and a bright future. In fact, the country is the second biggest textiles manufacturer worldwide, right after China. Similar force is demonstrated in the cotton production and consumption trend where India ranks just after China and USA. The textiles manufacturing business is a pioneer activity in the Indian manufacturing sector and it has a primordial importance in the economic life of the country, which is still predominantly based on the agro-alimentary sector. Employing around 35 million people, textiles industry stands as a major foreign currency revenue generator and further proves it in its 14% share of industrial production and the 16% of export revenues it generated.

The country is also significant textiles fiber and yarn manufacturer on the world scene, taking on its own a 12% share of the world's production volume. India ranks on the second place as regards in production of silk and cellulose fiber and yarn whilst standing on the fifth position when it comes to synthetic fiber and yarn.

Indians have well understood the importance of staying one step ahead of developments in the world economic environment. The industry is now preparing itself to take share of opportunities expected to arise out of the market freed from quota restrictions and other trade barriers. Industry operators are increasingly moving towards modernization and expansion as encouraged by the so-designated Textile Up gradation Fund Scheme implemented by Government.

### 4. Corporate Social Responsibility

Company's approach to social responsibility extends well beyond business and financial considerations. The Company has been set up to create economic and social opportunities for those at the bottom of the pyramid and particularly aims to create awareness among women and children about health, sanitation and education.

### 5. Human Resources & Industrial Relations

The dedication and commitment of our people has been a key strength. We continue to focus on enhancing the knowledge base through Learning & Development initiatives and are working on strengthening the management bandwidth. I am also pleased to inform you that industrial relations at all units were cordial during the year under review and, on behalf of your Directors; I acknowledge the co-operation and contribution of the entire workforce.

## 6. Acknowledgements

The Company's Board of directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors reports. However future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all
- relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

## **Annexure-B**

### **To the Independent Auditor's Report of Even Date on the Financial Statements of ANISHA IMPEX LIMITED**

#### **Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")**

To The Members of **ANISHA IMPEX LIMITED**

We have audited the internal financial controls over financial reporting of **ANISHA IMPEX LIMITED** as of 31<sup>st</sup> March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls.**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over

financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Adverse Opinion**

According to the information and explanations given to us and based on our audit, the following material weakness have

been identified as at March 31, 2020:

The Company has submitted to the Bank drawing power statements on monthly basis, those were not in agreement of its books of accounts and records and were found to be manipulated.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the effects/possible effects of material weakness described above on the achievement of the objectives of the control criteria, the company has not maintained adequate and effective internal financial controls over financial reporting as of March 31, 2020.

We have considered the material weakness identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the march 31<sup>st</sup>, 2020 of financial statements of Company, and the material weakness does not affect our opinion on the financial statements of the Company.
