MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is a Non deposit taking Non-Banking Financial Company (“NBFC –ND”) registered under the category of **Loan Company with Reserve Bank of India**. The key areas of Management Discussion and Analysis are given below.

INDUSTRY STRUCTURE AND DEVELOPMENTS

In FY 2016-17, the Indian economy emerged as one of the few large economies with a promising outlook on the back of controlled inflation, rise in domestic demand, increase in investments, decline in oil prices and the boost to reforms among others. The International Monetary Fund is predicting that India will, in the gross size of the economy, move past the United Kingdom this year to become the world's fifth largest. Further, that it should walk past Germany in 2022 to become the world's fourth largest. This is obviously desirable and I say this as a Briton myself--as it means over a billion people becoming richer. However, we should also note that there shouldn't be anything all that surprising about this. Over a billion people should have a larger economy than only 65 million or 80 million. And it's only bad economic policy which has stopped it happening already. India will overtake Germany in 2022 as the world's fourth-largest economy and push Britain out of the top five, based on analysis of growth projections by the International Monetary Fund. We know what those challenges are, get the tax system sorted out, get the welfare system sorted out and so on, all things which are under way. But the most important thing is for the government itself to get out of the way so as to leave the room for economic growth to occur. However, according to the IMF analysis, India has to address a lot of issues in order to make the climb. These include implementing the Goods and Services Tax (GST), dealing with the biggest bunch of stressed assets among all major economies across the globe, increasing productivity and employment opportunities, encouraging corporate investment and overcoming a shortfall of infrastructure. However, it's not actually the colonial period at issue here. India at Partition was a little bit richer, not a lot it's true about 20% per capita, than it was when Clive turned up in Bengal. That's not a lot for a couple of centuries, also true, but the country was indeed richer. And there was, looking at it another way, massive economic growth over this time. It's just that it was Malthusian growth. That is, it was the population which rose, not living standards. This isn't unusual, in fact it's what has happened everywhere and every when without the take off of an industrial revolution.

THE INDIAN NBFC SECTORAL PERFORMANCE REPORT

India started the year on a positive note with a significant improvement in market and business sentiment, following the general elections. Thereafter, the economy was supported by a fall in crude prices. According to the new series, the Indian economy slow by 7.1% in FY 2017, compared to 7.5% in FY 2016 as the government's note ban decision slowed activity in cash-dependent sectors. After November's demonetisation drive, the government has come under criticism from opposition political parties and economists for putting a poke on India's growth story and triggering job cuts. The impact of demonetisation was bound to show up on the growth figures," said DK Joshi, chief economist of Crisil, while forecasting 7.4% expansion in 2017-18. The demonetisation seems to have impacted the GVA in the third as well as fourth quarter of

2016-17 which slipped to 6.7% and 5.6% respectively, from 7.3% and 8.7%. The economy was expected to outperform in the fiscal gone by with favourable monsoon and wage increase post-implementation of the 7th Pay Commission, which was expected to spur consumption in the second half of the fiscal,” says Madan Sabnavis, chief economist of Care Ratings. However, demonetisation had temporarily slowed down economic activities in the third quarter due to cash crunch,” he said forecasting growth to rebound to 7.6-7.8% in 2017-18. Almost all sectors, with the exception of agriculture, showed deceleration in the aftermath of demonetisation.

So far, non-banking finance companies (NBFCs) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds from 8.4% in 2006 to above 14% in March 2015. In terms of financial assets, NBFCs have recorded a healthy growth—a compound annual growth rate (CAGR) of 19% over the past few years—comprising 13% of the total credit and expected to reach nearly 18% by 2018 –19. The success of NBFCs can be clearly attributed to their better product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and better understanding of their customer segments. Not only have they shown success in their traditional bastions but they have also managed to build substantial assets under management (AUM) in the personal loan and housing finance sector which have been the bread and butter for retail banks. Going forward, the latent credit demand of an emerging India will allow NBFCs to fill the gap, especially where traditional banks have been wary to serve. Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFC’s credit to grow at a healthy rate of 7–10% (real growth rate) over the next five years. Clearly, NBFCs are here to stay.

The rising importance of NBFCs and their growing interconnectedness with banks as well as issues like risk management framework for the sector, regulatory gaps and arbitrages, compliance and governance issues have led to the RBI making certain regulatory changes. The ‘Revised Regulatory Framework for NBFCs’, released on November 10, 2014, broadly aims at strengthening the structural profile of NBFC sector, wherein focus is more on safeguarding of the depositors money and regulating NBFCs which have increased their asset-size over time and gained systemic importance.

The key changes introduced in the regulatory frameworks are NPA recognition to 90 days overdue from 180 days at present and increased provisioning on standard assets which can impact profitability. However, early adoption of these changes will facilitate disciplined approach in asset monitoring and will intensify collection effort in the early delinquency buckets to reduce NPAs thus minimizing the impact. The increase in disclosure requirement and corporate governance norms will increase transparency and the accountability of management and the Board and also improve investor awareness.

Due to subdued economic growth, the last two years have been a challenging period for the NBFCs with moderation in rate of asset growth and rising delinquencies resulting in higher provisioning thereby impacting profitability. However, comfortable capitalization levels and conservative liquidity management continue to provide comfort to the credit profile of NBFCs in spite of the impact on profitability

COMPANY OVERVIEW

At Mangalam Industrial Finance Limited ('MIFL' or 'the Company'), we strongly believe in building a strong financial community. Our ethos and promise of true financial inclusion in the country makes us one of India's prime NBFCs. We not only provide 'credit' to people but also 'confidence' who do not have access to organized financial services. We believe in providing loans not for consumption, but primarily for income generation. The economic slowdown had a significant bearing on the functioning and profitability of NBFCs in the medium term. But it has been estimated that in the long run there are vast opportunities for NBFCs. Hence, the Company is expecting to improve its performance and profitability in years to come.

BUSINESS OUTLOOK

During FY 2017, your Company intends to grow its loan book, income and profits through the following initiatives : □

OPPORTUNITIES :

Business opportunities for finance companies are enormous as the new areas and segments are being explored. A larger segment of customers remain un-served by Banks and large sized Finance Companies. Your Company on its part is also well poised to seize new opportunities as they come. A rural middle income boom has led to rise in rural incomes. This has been fuelled by increased support prices and welfare schemes initiated by the government. Per capita Gross

Domestic Product has grown faster in India's rural areas than in its urban centers. New opportunities like home equity, personal finance, and a foray into factoring and bill payment for the rural hard-to-reach customer may take the Company to new scales of success.

DEMOGRAPHIC PATTERN AND RISING RURAL PROSPERITY :

India has one of the youngest populations in the world, and this means that there will be a large number of people seeking employment and livelihood. The aspirations in rural India are rising, and opportunities for those wanting to be entrepreneurs are increasing. Rural prosperity is also on the rise, fuelled by increased support prices and welfare schemes initiated by the government. Per capita Gross Domestic Product has grown faster in India's rural areas than in its urban centre's.

MAKE IN INDIA INITIATIVE :

The Government's "Make in India" initiative, which seeks to make India a manufacturing hub, will have a rub-off effect on the key sectors. It seeks to invite the world's top companies to explore investment possibilities in India. The central objective of the initiative is to take the economy to a sustainable high growth path and follow a new model of urbanisation by the creation of various industrial corridors.

NUCLEARISATION :

Nuclearisation refers to formation of nuclear families from joint families and is primarily driven by employment related migration. This will increase the overall number of households, thereby increasing the demand for housing units. The break-up of joint families into formation of nuclear families is largely triggering the need for new homes and benefiting the housing sector.

RISING PER CAPITA INCOME :

Increase in per capita income leads to creation of increasing wealth and positively impacts disposable incomes. This results in a significant investment multiplier effect on the Indian economy, further leading to increasing consumerism and wealth creation and positively impacting savings. Rising per capita income and stability in economic growth have played a role in increasing the pace of urbanization in the country. One of the notable factors behind the growth in the housing industry has been easy availability of finance. Availability of low interest rate finance has increased disbursement of loans among several financial players.

THREATS :

The major threat being faced by finance companies are regulatory changes, interest rates hiked by RBI, high inflation etc. The Company is also facing stiff competition from banks / financial institutions due to their ability to raise low cost funds which enables them to provide funds at much cheaper rate. Higher cost of funds might lead to reduced bottom line for the Company. Also, a lesser interest spread, or higher cost of lending might lead to customers turning away to cheaper source of funds. Asset quality deterioration may not only wipe the profits out of the Company but eat into its net worth. The Company must ensure it maintains minimal delinquency levels.

WEAKNESS :

The Company does not have strong network & link at remote areas of villages. The Company has significant business presence in the state of West Bengal only. The Company does not have all India based network and establishments to reach out to large segment of people in the country in both semi-urban and rural areas whereas more than 90% of the unorganized sector has no link with banks and 60% of the rural consumers do not have bank accounts.

RISKS & CONCERNS

As a NBFC, your Company's growth and profitability are dependent on the functioning of Capital Markets. The Company is exposed to several market risks like credit risk, liquidity risk and interest rate risk. The volatility of the capital markets in which your Company operates is also a major cause of concern to the Company.

Risk is managed by using a set of credit norms and policies, as approved by the Board. MIFL has a structured and standardized process including customer selection criteria, comprehensive credit risk assessment, which encompasses analysis of relevant quantitative and qualitative information to ascertain the credit worthiness of the borrower.

INTERNAL CONTROL SYSTEM AND ADEQUACY

Internal control systems and procedures in the Company are commensurate with the size and the nature of Company's business and are regularly reviewed and updated by incorporating changes in regulatory provisions in order to safeguard the assets and to ensure reliability of financial reporting.

HUMAN RESOURCES

The Company continues to give priority to its human assets. The Company provides a fair and equitable work environment to all its employees. The Company is continuously working to create and nurture an atmosphere which is highly motivated and result oriented.

FINANCIAL PERFORMANCE

The financial performance of the Company for the year under review is discussed in detail in the Directors Report.

INDEPENDENT AUDITORS' REPORT

To the Members of

MANGALAM INDUSTRIAL FINANCE LIMITED

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **MANGALAM INDUSTRIAL FINANCE LIMITED** (the Company'), which comprise the balance sheet as at 31st March 2017, the Statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidences about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements in the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017 and its profits and its cash flows for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March 2017 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company does not have any pending litigations which would impact its financial position.
- b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any. However the Company does not have any ongoing long-term contracts including derivative contracts as on the Balance sheet date.
- c. There were no such amounts appearing in the books which are required to be transferred to the Investor Education and Protection Fund by the Company.
- d. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **MANGALAM INDUSTRIAL FINANCE LIMITED** ("the Company") as of 31st March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Company Secretary cum W.T.D

NOTE - 1

Significant Accounting Policies :

01 ACCOUNTING CONVENTIONS

The Financial Statements are prepared on Historical Cost Convention. Financial Statements are prepared in accordance with relevant presentational requirements of the Companies Act, 2013 and applicable mandatory Accounting Standards as prescribed under section 133 of Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014.

02 INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as Current Investments. All other Investments are classified as Non Current Investments. Current Investments are stated at lower of cost and market rate on an individual investment basis. Non Current Investments are considered 'at cost' on individual investment basis, unless there is a decline other than temporary in the value, in which case adequate provision is made against such diminution in the value of investments.

03 INVENTORIES

Quoted Shares : valued at cost or market price whichever is lower
Unquoted Shares: valued at cost or at Book Value, whichever is less.

04 RECOGNITION OF INCOME & EXPENDITURE

Income & Expenditures are accounted for on accrual basis, except dividend those are accounted for on Receipt Basis.

05 TAXES ON INCOME

Current Tax is determined as the amount of tax payable in respect of taxable income for the year.

Deferred Tax is recognised, subject to consideration of prudence, in respect of deferred tax assets / liabilities on timing difference, being the difference between taxable income and accounting income that originated in one period and are capable of reversal in one or more subsequent periods.

06 CONTINGENCIES :

These are disclosed by way of notes on the Balance sheet. Provisions is made in the accounts in respect of those contingencies which are likely to materialize into liabilities after the year end, till the finalization of accounts and material effect on the position stated in the Balance Sheet.

07 PROVISIONING FOR STANDARD ASSETS :

The Reserve Bank of India vide Notification No. DNBR(PD)CC.No.002/03.10.001/2014-15 Dated November10, 2014 has issued direction to all NBFCs to make provision of 0.35% on STANDARD ASSETS with immediate effect. Accordingly the Company has made provision @0.35% on Standard Assets in accordance therewith.

08 PROVISIONING FOR DEFERRED TAXES :

The Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961.

Deferred Tax resulting from “timings difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the Balance Sheet date . The Deferred Tax Asset is recognized and carried forward only to the extent that there is a reasonable certainty that the assets will be realized in future.

09 EARNING PER SHARE

Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders, by the weighted average number of equity shares outstanding during the year

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

10 FIXED ASSETS

Fixed Assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

11 DEPRECIATION ON FIXED ASSETS

Depreciation on Fixed Assets has been provided based on useful life assigned to each asset prescribed in accordance with Part - "C" of Schedule-II of the Companies Act, 2013.

Depreciation on fixed assets added / disposed off during the year, is provided on pro-rata basis with reference to the date of addition / disposal.

12 IMPAIRMENT OF ASSETS

I. The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

II. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
