ITEM NO. 8 & 9 - CONSOLIDATION OF FACE VALUE OF EQUITY SHARES AND ALTERATION TO MEMORANDUM OF ASSOCIATION.

The Paid up share Capital of the Company is Rs.8,25,00,000 consisting of 8,25,00,000 Equity Shares of Re. 1/- each. Presently, the shares of the Company are not frequently traded because of the involvement of higher expenses based on the number of shares. The Board of Directors has considered consolidating the share capital of the Company from Re.1/- to Rs. 10/- each, thereby decreasing the number of shares.

Accordingly, equity shares of face value of Re. 1/- (Rupee One only) each fully paid-up, of the Company existing on the Record Date shall stand consolidated into equity share of face value of Rs. 10/- (Rupee Ten only) each fully paid-up so that every ten equity shares with nominal value of Re. 1 (Rupee One only) each held by a member are consolidated and re-designated into one equity share with nominal value of Rs. 10 (Rupees Ten only) each.

The Board considers that the proposed consolidation would benefit shareholders as follows:

Greater Investor Interest: The proposed share consolidation will result in a trading price that better reflects its maturity and also increase the profile of the Company amongst the institutional investors and the coverage of the Company amongst research houses and fund managers as the trading price per share is expected to be higher than the trading price per existing share.

No effect of Consolidation on the Shareholders' Funds: The proposed share consolidation will not involve payment to any shareholder of any paid-up capital of the Company, and has no effect on the shareholders' funds of the Company. Shareholders will not be required to make any payment to the Company in respect of the proposed share consolidation. Each consolidated share will rank pari-passu in all respects with each other.

Stable market cap in the interest of shareholders: The proposed share consolidation will generally be beneficial to its Shareholders as it may serve to reduce the fluctuation in magnitude of the Company's market capitalization. This may, in turn, increase market interest in the shares and generally make the shares more attractive to investors.

Rationalisation of the share capital of the Company: The proposed share consolidation will also rationalise the share capital of the Company by reducing the number of shares outstanding. As a result of the proposed share consolidation, there would be an immediate reduction in the number of shares. Hence, the Company shall benefit from easier management of a smaller number of shares. Further, it believes that overhead costs incurred on servicing the fragmented minority shareholding will be reduced significantly post consolidation.

No impact on dividend yield: The share consolidation will have no impact on the effective dividend yield of the Company's shares, all else being equal.

The proposed consolidation of equity shares of the Company from Re. 1/- (Rupee one only) per equity share to Rs. 10/- (Rupees Ten only) per equity share, requires consequential amendment to the Memorandum of Association of the Company. Accordingly, Clause V of the Memorandum of Association is proposed to be altered in the manner set out in the Resolution at Item No. 9, to reflect the alteration in the authorized equity share capital of the Company as reproduced herewith.

V. The Authorized Share Capital of the Company is Rs. 11,00,00,000/- (Rupees Eleven Crores Only) divided into 1,10,00,000 (One Crore Ten lakh) Equity Shares of Rs. 10/- (Rupees Ten) each.

The Record Date for the aforesaid consolidation of the equity shares will be fixed by the Board after the approval of the Members. On the record date all fractional entitlements resulting from the consolidation shall be aggregated into whole shares and the number of shares so arising shall be held by a trustee appointed by the Board who shall dispose off the said shares in the market at the best available price in one or more lots and the decision of the Trustee in this regard shall be final and binding to all concerned. The Trustee shall hold the net sale proceeds of all such shares after deducting there from all costs, charges and expenses of such sale and shall thereafter distribute such sale proceeds to the members of the Company in proportion to their fractional entitlements.

The Board is of the opinion that the aforesaid resolutions for consolidation from Re. 1/- (Rupees one only) per equity share to Rs. 10/- (Rupee Ten only) per equity share and the consequent amendments to Clause V of the Memorandum of Association of the Company are in the best interest of the members and hence recommends the special resolution as set out at Item No. 8 and 9 of the Notice for your approval.

A copy of the Memorandum of Association of the Company along with the proposed amendments is available for inspection by the members at the Registered Office of the Company during working hours on all days except Sundays and Public Holidays up to the date of this Annual General Meeting.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution except to the extent of shares held by them if any, in the company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Outlook

The year 2017-18 saw large scale reform initiatives come into full force. Goods and Service Tax (GST) was out on schedule on July 1st, 2017. This has created a single market for provider of goods and services. A single tax on transactions will aid GDP Growth by reducing the cost of doing business. Thus, India continued to witness steady economic growth despite a volatile internal and weak external environment. Improvement in commodity prices like oil, low fiscal deficit, increase in inflation while still staying at a comfortable level, appreciation of the rupee v/s the dollar, passage of GST and the after effects of the demonetisation exercise all resulted in a mixed bag for the Indian economy.

India's financial services sector comprises of commercial banks / co-operative banks, non-banking financial companies, insurance companies, pension / mutual funds and other various entities. It is undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities such as payments bank entering the sector. The Government is taking various initiatives for the development of this sector. NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complimentary role in the financial inclusion agenda of the country. Further, some of the big NBFCs viz; infrastructure finance companies are engaged in lending exclusively to the infrastructure sector and some are into factoring business, thereby giving fillip to the growth and development of the respective sector of their operations. NBFCs have also carved niche business areas for them within the financial sector space and are also popular for providing customized products, for instance your Company providing second hand vehicle financing, mostly at the doorstep of the customer. In short, NBFCs bring the much needed diversity to the financial sector thereby diversifying the risks, increasing liquidity in the markets thereby promoting financial stability and bringing efficiency to the financial sector.

INDUSTRY STRUCTURE & DEVELOPMENT

The Non Banking Financial Company (NBFC) sector saw a larger stable outlook for Major NBFCs. From the perspective of larger financial system, Scheduled Commercial Bank continued to be the dominant players accounting for nearly 47 % (Forty Seven per cent) of the bilateral exposure followed by Asset Management Companies managing Mutual Funds (AMC-MFs), Non-Banking Financial Companies (NBFCs), Insurance Companies, Housing Finance Companies (HFCs) and All-India Financial Institution (AIFIs).

OPPORTUNITIES

The NBFC industry holds immense potential and the Government of India's increased focus towards Financial Inclusion has created various opportunities for existing NBFCs to leverage on their established customer base in rural areas. The recent steps by the Government of India to create Infrastructure for NBFC and to provide banking license for NBFCs is a positive signal. The above opportunities have made the Industry highly competitive with the emergence of new category of systematically important NBFCs. Along with existing local and Multinational players leading to tough competition within the industry.

THREATS

Being an NBFC, the Company has to face various threats as under mentioned:

- High cost of funds
- Slow industrial growth
- Stiff competition with NBFCs as well as with banking sector
- Non-performing assets
- Competition from Captive finance companies and small banks

SEGMENT-WISE PERFORMANCE

The Company operates only in one segment i.e. Finance services.

INDUSTRY OUTLOOK

The market share of non-bank finance companies (NBFCs) would continue to expand. The expansion would be supported by NBFCs' ability to customise products, price the risk and manage ultimate credit costs, especially related to small-ticket loans, viz., microfinance, light commercial vehicle (CV), used CV, small-ticket housing loans and loan against property. However, competition is likely to intensify in certain segments such as large-ticket housing, new heavy CV and large-ticket loan against property. Thus, risk-adjusted pricing may come under pressure. As the transition to the formalisation gains momentum, many NBFC borrowers may turn poachable and creditworthy for banks.

The markets will continue to grow and mature leading to differentiation of products and services. Each financial intermediary will have to find its niche in order to add to consumers. The Company is cautiously optimistic in its outlook for the year 2018-19.

RISKS & CONCERNS

The Company is exposed to variety of risks such as credit risk, economy risk, interest rate risk, liquidity risk and cash management risk, among others. During the course of the business, we are exposed to various risks. The objective of risk management systems is to measure and monitors the various risks that we are subjected to and implement policies and procedures to address these. We continue to improve our operating processes and risk management systems that will further enhance our ability to manage these risks.

- **Operational risk**
The risk of direct or indirect loss due to the failure of systems, people or processes, or due to external events is broadly defined as operational risk.
- **Credit risk**
Failure of any counterparty to abide by the terms and conditions of any financial contract with us gives rise to credit risk. We aim to reduce credit risk through a rigorous loan approval and collateral appraisal process, well as a strong NPA monitoring and collection strategy.
- **Market risk**
Market risk refers to potential losses arising from the movement in market values of interest rates in our business. The objective of market risk management is to avoid excessive exposure to the volatility inherent in financial instruments. Our majority borrowings, and all the loans and advances are at fixed rates of interest. This minimises our interest rate risk.
- **Liquidity risk**
Liquidity risk is the risk of being unable to raise funds from the market at optimal costs to meet operational and debt servicing requirements. The purpose of liquidity management is to ensure sufficient cash flow to meet all financial commitments and to capitalise on opportunities for business expansion.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company believes that strong internal control system and processes play a critical role in the health of the Company. The Company's well-defined organizational structure, documented policy guidelines, defined authority matrix and internal controls ensure efficiency of operations, compliance with internal policies and applicable laws and regulations as well as protection of resources. Moreover, the Company continuously upgrades these processes and systems in line

with the best available practices. The internal control system is supplemented by extensive internal audits, regular reviews by the management and standard policies and guidelines which ensure reliability of financial and all other records. The Internal Auditor directly reports to the Audit Committee. He prepares audit plan after discussions with Audit Committee. The Internal Audit reports are periodically reviewed by the Audit Committee. The Company has, in material respect, an adequate internal financial control over financial reporting and such controls are operating effectively.

Annexure B**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VIJI FINANCE LIMITED**

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of Viji Finance Limited on the standalone financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Viji Finance Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
 - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES**1.1 System of Accounting**

The financial statements have been prepared on a going concern and on accrual basis, under the historical cost convention and in accordance with the generally accepted accounting principles, the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2014 issued by the Central Government and relevant provisions of the Companies Act 2013, to the extent applicable.

1.2 Use of Estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumption that affect the reported amount of assets, liabilities, revenues & expenses and disclosure of contingent assets & liabilities. The estimates & assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the Financial Statements. Actual results may defer from the estimates & assumptions used in preparing the accompanying Financial Statements. Any differences of actual results to such estimates are recognized in the period in which the results are known / materialized.

1.3 Revenue recognitions

- a. Interest and other income are accounted on accrual basis on loans & advance but where receipt of interest is doubtful/ N.P.A. no provision has been made in the books.
- b. Other Income is accounted for on accrual basis.

1.4 Fixed Assets

Fixed assets are stated at cost less depreciation/amortization. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

1.5 Depreciation / Amortization

Deprecation on tangible assets has been charged on S.L.M. as prescribed under the Companies Act. 2013.

1.6 Investments

Current Investments are valued at cost and non-current investments are valued on cost or market price whichever is lower.

1.7 Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law), deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the period) and fringe benefit tax.

Deferred taxation

The deferred tax charge or credit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the asset can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realized.

1.8 Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generated unit to which the asset belongs, is less than its carrying amount, the carrying amount is reduced to its recoverable amount.

1.9 Provisions, Contingent Liabilities & Contingent Assets

Contingent liabilities, if material, are disclosed by way of notes, contingent assets are not recognized or disclosed in the financial statements. A provision is recognized when an enterprise has a present obligation as a result of past event(s) and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation(s), in respect of which a reliable estimate can be made for the amount of obligation.

Annexure A**ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF VIJI FINANCE LIMITED**

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of Viji Finance Limited on the consolidated financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Viji Finance Limited ("the Holding Company") as of March 31, 2018 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

We did not audit the internal financial control of 2 subsidiaries included in the consolidated financial results, These internal financial controls and other financial information have been audited by other auditor whose reports have been furnished to us and our opinion on the financial control, to the extent they have been derived from such interim financial statements is based solely on the report of such other auditors.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
