2. DIVIDEND

Your Directors recommended a dividend of 1% i.e. Re 0.10 paise per equity share on 30,53,337 equity shares of Rs 10 each subject to approval of members at the ensuing Annual General Meeting (AGM). The total outflow on account of equity dividend will be Rs 3,05,334.

3. OPERATIONS

The Company has earned a total income amounting to Rs 58.44 lakhs in the current year viz 2019 – 2020 in comparison to Rs 37.60 lakhs, earned in the previous year.

The Company has earned a profit before tax of Rs 37.28 lakhs in the current year as against Rs 22.80 lakhs in the previous year. Loss after tax stood at Rs 24.52 lakhs in the current year as against after tax profit of Rs 15.69 lakhs in the previous year.

In the Board's perception there are no foreseeable risks which could threaten the existence of the Company.

4. MANAGEMENT DISCUSSION AND ANALYSIS

The Company's current business activity consists of two segments viz Financial activities and Provision of Services. The segment revenue and segment results appear in notes to the Financial Statements.

In terms of Rule 4(1)(iv) of the Companies (Indian Accounting Standards) Rules, 2015, the Company was mandatorily required to switch over from Indian GAAP to Ind AS with effect from April 1, 2019, with a transition date of April 1, 2018. Accordingly the Company has switched over from Indian GAAP to Ind AS w.e.f. 1.4.2019 and the financial statements of the current year are prepared in accordance with Ind AS. A reconciliation and description of effect of the transition from IGAAP to Ind AS have been provided in notes to the financial statements.

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's activity pertaining to investment has been impacted due to COVID-19 crises and accordingly the profitability of the Company has also been impacted. Further, the Company has made investment in an entity engaged in Operating Commercial mall and construction & development of Real Estate Projects. Due to impact of COVID – 19 on this sector, there is impact on the value of such Investment made by the Company. The Company has made necessary adjustments in the value of its Investments. However, this has not impacted cash flows of the Company.

The Company has in place internal financial control systems, commensurate with its size and the nature of its operations to ensure proper recording of financial and operational transactions / information and compliance of various internal controls and other regulatory and statutory compliances. The internal auditors monitor and evaluate the efficacy and adequacy of internal control systems in the Company. The observations arising out of the internal audits are periodically reviewed by appropriate persons and summaries along with corrective actions plans, if any, are submitted to the management and Audit Committee for review, comments and directions. The concerned persons undertake corrective action in their respective areas and thereby strengthen the controls.

The Company did not enter any transaction(s) with any person(s) or entity belonging to the promoter / promoter group who holds 10% or more shareholding in the Company. Information pertaining to financial performance forms part of this Report.

There were no material developments in the Company's Human Resource Capital.

RATIOS

i) Current Ratio:

As at March 31, 2020 the Company's current ratio was 140.77: 1 in comparison to 6.60 : 1 in the previous year. The increase in the current ratio during the current year over the previous year was mainly due to increase in current investments.

ii) Net Profit Margin:

The Company's net profit margin at the current year end was -41.99% in comparison to 41.85% in the previous year. The decline in the net profit margin is due to reversal of MAT credit entitlement.

iii) Return on Net Worth:

The Company's return on net worth at the current year end was -18.61% as compared to -0.03% in the previous year. The increase in downfall was mainly due to impact of Fair Value measurements of investments, during the current year.

SECRETARIAL AUDIT REPORT

For Financial Year ended 31st March, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
Members of
West Leisure Resorts Limited,

I have conducted Secretarial Audit of compliance of applicable statutory provisions and adherence to good corporate practices by West Leisure Resorts Limited (hereinafter called 'the Company'). The audit was conducted in a manner that provided me reasonable basis for evaluating the corporate conduct and statutory compliances of the Company and for expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by it and also the information provided by the Company, its officers, during the conduct of the audit, I hereby report that in my opinion, the Company has, during the financial year ended on 31st March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- iii. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- iv. The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; and
- v. The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) SEBI (Prohibition of Insider Trading) Regulations, 2015;
 - (c) SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Act and dealings with clients; and
 - (d) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

I further report that there were no events / actions in pursuance of :

- a) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- b) SEBI (Share Based Employee Benefits) Regulations, 2014;
- c) SEBI (Issue and Listing of Debt Securities) Regulations, 2008;
- d) SEBI (Delisting of Equity Shares) Regulations, 2009; and
- e) SEBI (Buyback of Securities) Regulations, 2018;

requiring compliance thereof by the Company during the Audit period.

I have also examined compliance with applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with the BSE Ltd.

During the year under review the Company has complied with provisions of the Acts, Rules, Regulations, Standards, etc. mentioned above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. No changes in the composition of the Board of Directors took place during the year under review.

Adequate notice is given to all directors to schedule board meetings and agenda thereof are sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors and Committee(s) of the Board.

I further report that there are adequate systems and processes in the Company commensurate with its size and operations to monitor and ensure compliance with applicable laws, rules, regulations, standards, etc.

I further report that during the audit period there were no specific events / actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards etc.

I further report that the compliance by the Company of applicable laws like direct and indirect tax laws etc and maintenance of financial records and books of accounts has not been reviewed in this Audit since the same have been subjected to review by Statutory financial audit and other designated professionals.

Independent Auditors' Report

TO THE MEMBERS OF WEST LEISURE RESORTS LIMITED

Report on Audit of the Financial Statements

Opinion

We have audited the financial statements of WEST LEISURE RESORTS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, the Loss and total comprehensive loss, changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to Note No. 33 of the financial statements which describes the possible effect of uncertainties relating to COVID-19 pandemic on the Company's financial performance as assessed by the management. Our opinion is not modified in this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for preparation of the other information. Other information comprises the information included in the Board's Report including Annexures thereto but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to preparation and presentation of the

financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as "the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure 'A' a statement on the matters specified in paragraph 3 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

ANNEXURE 'B' TO AUDITOR'S REPORT

We have audited the internal financial controls over financial reports of **WEST LEISURE RESORTS LIMITED** ('the Company') as of 31st March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013 (the Act).

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such control operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures

Bhatler & Company

CHARTERED ACCOUNTANTS

that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

WEST LEISURE RESORTS LIMITED
NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

CORPORATE INFORMATION

West Leisure Resorts Limited is a public limited company incorporated under the Companies Act, 1956 having its registered office at Mumbai. Its shares are listed on BSE Limited (Stock Exchange). The Company is engaged in Financial and Service activity including Lending. The Company is a Core Investment Company (CIC) exempt from registration with the Reserve Bank of India under the Core Investment Companies (Reserve Bank) Directions, 2016.

1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act 2013 ("the Act") read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

For all periods up to and including the year ended March 31, 2019, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Act read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended March 31, 2020 are the first financial statements prepared in accordance with Ind AS.

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities which have been measured at fair value.

1.A SIGNIFICANT ACCOUNTING POLICIES :

1.01 Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised good or service to a customer. When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

Interest Income

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend Income

Dividend income is recognized when the Company's right to receive dividend is established.

1.02 Property, Plant and Equipment

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying values of all of its property, plant and equipment recognised as at April 1, 2018 measured as per the previous GAAP and use that carrying value as deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using straight line method at useful lives specified in Schedule II of the Act, pro rata from date of acquisition.

1.03 Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in Statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Borrowing costs attributable to acquisition or construction of a qualifying asset are capitalized as part of cost of that asset. Other borrowing costs are recognized as expense in the period in which these are incurred.

1.04 Impairment of Assets

At each balance sheet date, management reviews the carrying amounts of assets included in each cash generating unit to determine whether there is any indication that the assets were impaired. If any such indication exists, recoverable amount of the asset is estimated in order to determine the extent of impairment. Recoverable amount is higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects current market assessment of time value of money and the risks specific to the asset. Reversal of impairment loss is recognized as income in the Statement of Profit and Loss.

1.05 Employee Benefits

Short-term employee benefits based on actuarial valuation made at end of the year are recognised as expense at the undiscounted amount in the year in which the related service is rendered.

Post-employment employee benefits are recognised as expense in the year in which the employee has rendered services. The expense is recognised at present value of the amount payable determined using actuarial valuation techniques at end of the year. Actuarial gains and losses in respect of post employment benefits are charged to Statement of Profit and Loss. Re-measurement arising because of change in effect of asset ceiling is recognised in the period in which they occur directly in Other Comprehensive Income. Re-measurement is not reclassified to profit or loss in subsequent periods.

1.06 Taxation on Income

Tax on income for the current period is determined on the basis of taxable income and tax rates computed in accordance with the provisions of the Income Tax Act, 1961, and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is reasonably / virtually certain (as the case may be) supported by convincing evidence that they can be realised against future taxable profits.

Measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.07 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with original maturities of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.08 Segment Reporting

The Company's chief operating decision making (CODM), examines the Company's performance from business perspective and has identified two reportable business segments viz. Financial and Service. Segment disclosures are consistent with the information provided to CODM which primarily uses operating profit/loss of the respective segments to assess their performance. CODM also periodically receives information about segment revenues and assets. The Company has disclosed Business Segments as the primary segment. Segments have been identified taking into account nature of the Activities & services, the differing risks and returns, the organisation structure and internal reporting system.

Segment policies:

The Company prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements for the Company as a whole.

1.09 Earnings per share

Basic Earnings per share is calculated by dividing net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period.

For purpose of calculating diluted earnings per share, net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.10 Financial instruments

Financial assets

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

Subsequent measurement

Financial assets are subsequently classified and measured at

- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI), and
- amortised cost.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

(a) Measurement of amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. Amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.

(b) Measurement of fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any, are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'Other Income' in the Statement of Profit and Loss.

(c) Measurement at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income, if any, recognised as 'Other Income' in the Statement of Profit and Loss.

Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes election at FVOCI basis. Fair value changes excluding dividends, on equity instruments measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on investments in equity instruments are recognised as 'other income' in Statement of Profit and Loss.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12-month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities

(i) Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to contractual provisions of an instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.11 Provisions

A provision is recognised for a present obligation as a result of past event; if it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimated amount required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current best estimates.

1.12 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Fair value of cash and cash equivalents, other bank balances, other receivables, other payables approximated their carrying value largely due to short term maturities of these instruments.

2.Measurement of fair values

The Company uses the following hierarchy for determining and disclosing fair values of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on the recorded fair values that are not based on observable market data.

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Type	Valuation technique
Preference Shares	Discounted cash flows: The valuation model considers the present value of expected receipt/payment discounted using appropriate discounting rates.
Unquoted Equity Investments	As the fair value in respect of unquoted equity investment in some unquoted investment investee Company could not be reliably estimated, the Company has valued such investment at net asset value as per the latest audited financial statements available.

26 FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk
- Market risk

Risk management framework

The Company's board of directors has overall responsibility for the Company's risk management, if any.

(a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's Receivables from customers and investment securities.

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has not obtained any fund and non-fund based working capital limits from banks.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude impact of netting agreements.

(c) Market Risk

Market risk is the risk that fair value of future cash flows of a financial instrument will fluctuate because of change in market prices.

(i) Price risk

The Company is not significantly exposed to changes in the prices of equity instruments.

(ii) Foreign currency risk

The Company does not have any foreign Currency exposure.

27 Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2020, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

28 Disclosure pursuant to Ind AS 101 "First time adoption of Indian Accounting Standards"

(i) Transition to Ind AS

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from April 01, 2019, with a transition date of April 01, 2018. These financial statements for the year ended March 31, 2020 are the first financial statements the Company has prepared under Ind AS. For all periods upto and including the year ended March 31, 2019, the Company prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act 2013, read together with the relevant Rules thereunder ('previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Company has prepared financial statements which comply with Ind AS for year ended March 31, 2020, together with the comparative information as at and for the year ended March 31, 2019 and the opening Ind AS Balance Sheet as at April 01, 2018, the date of transition to Ind AS.

In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP and have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its financial statements prepared under previous GAAP, including the Balance Sheet as at April 01, 2018 and the financial statements as at and for the year ended March 31, 2019.

(ii) Optional Exemptions Availed

Deemed cost

The Company has elected to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as the deemed cost at the date of transition to Ind AS, measured as per the previous GAAP.

(iii) Mandatory Exceptions from retrospective application

The Company has applied the following exceptions to the retrospective application of Ind AS as mandatorily required under Ind AS 101:

(i) Estimates

On assessment of the estimates made under the previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

(ii) Classification and measurement of financial assets

The Company has classified and measured financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

(iv) Reconciliation of Equity

Employee Benefit Expenses	C	6.78
Total Ind AS Adjustments		4,141.42
Total Comprehensive Income for the Year		(589.81)

(vi) There were no material differences between the Statement of Cash Flows presented under Ind AS and the previous GAAP.

Note :-

A Fair Valuation of Investment

Under the previous GAAP, investments in equity instruments and mutual fund units were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments (other than equity instruments designated as at FVOCI) have been recognised in retained earnings as at the date of transition and subsequently in the profit or loss for the year ended March 31, 2019.

Fair value changes with respect to investments in equity instruments designated as at FVOCI have been recognised in FVOCI – FVTOCI reserve as at the date of transition and subsequently in the other comprehensive income for the year ended March 31, 2019.

B Deferred Tax

Under the previous Indian GAAP, deferred tax accounting using the income statement approach, which focuses on difference between taxable profits and accounting profits for the period. Ind AS 12 required entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under previous Indian GAAP.

C Defined Benefit

Both under previous Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under previous Indian GAAP, the entire cost, including remeasurements, are charged to profit or loss. Under Ind AS, remeasurements [comprising of actuarial gains and losses, the effect of asset ceiling, excluding amounts included in net interest on the net defined benefit liability and return on plan assets excluding amounts included in net interest on the net defined benefit liability] are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.
