Annexure B

To the Independent Auditor's Report of even date to the members of Nam Securities Ltd.

Independent Auditor's report on the internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act") for the year ended 31.03.2017.

1.In conjunction with our audit of the financial statements of Nam Securities Limited ("the Company") as of and for the year ended Mar.31,2017,we have audited the "Internal Financial Controls over Financial Reporting" of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2.The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountant of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's Policies, the safeguarding of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on the audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and the receipts and expenditures of the company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future provides are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls Systems over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Notes to Financial Statements for the year ended.**Note 1: Corporate Information:**

NAM Securities Limited (The Company) is a member of NSE, BSE, and DP with NSDL. The Company is in list in the business of broking/dealing in securities.

Note2: Significant Accounting policies and Notes to Accounts:**(i) Accounting Convention:**

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), comprises mandatory Accounting Standards notified under relevant provisions of Section 133 the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions, pronouncements and regulations as applicable. The financial statements are prepared on accrual basis under the historical cost convention; the financial statements are presented in Indian rupees.

ii. Use of Estimates:

The preparation of financial statements in conformity with Indian Accounting standards. AS requires judgments, estimates and assumption to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known /materialized.

iii. Fixed Assets & Depreciation

Fixed Assets are stated at cost less accumulated depreciation thereon. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. The Company provides pro-rata depreciation from the date on which asset is acquired/ put to use. In respect of assets sold, pro-rata depreciation is provided up to the date on which the asset is sold. On all assets, except as mentioned below, depreciation has been provided using the Straight Line method at the rates specified in Schedule XIV to the Companies Act, 2013.

a)There is no intangible assets during the year,b)There is no immovable property owned by the company,c)There is no fixed assets operating under lease during the year,e)Interest and other costs in connection with the borrowing of the funds to the extent related/ attributed to the acquisition/ construction of qualifying fixed assets are capitalized up to the date when such assets are ready for its intended use and other borrowing costs are charged to Profit & Loss account.

iv. Investments:

Investments are classified into long-term investments and current investments. Investments that are intended to be held for one year or more are classified as long-term investments and investments that are intended to be held for less than one year are classified as current investments. Long term investments are valued at cost. Provision for diminution in value of long term investments is made if in the opinion of management such a decline is other than temporary. Current investments are valued at cost or market/fair value, whichever is lower.Units of Mutual Funds (Non - Exchange traded funds) are valued at cost or market value whichever is lower. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

v. Revenue Recognition:

a)Interest Income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms. Dividend income is recognized when the right to receive payment is established.

b)Income from investment in Private Equity Funds ("the fund"), is booked as and when the same is distributed by the Fund Return of capital contribution is reduced from the original cost of investment.

c)Income from arbitrage and trading in securities and derivatives comprises profit/loss on sale of securities/currency held as stock-in-trade and profit/loss on related derivative instruments.

d)Profit/loss on sale of securities is determined based on the Weighted Average cost of the securities sold.

e)The company has designated the securities as financial assets at "fair value through Statement of Profit or loss".

vi. Stock In Trade:a) Shares are valued at cost price. Cost is considered on Weighted Average Basis.b) Units of Mutual Funds (Exchange traded funds) are valued at cost or market value whichever is lower.

vii. Employment Benefits:None of the employees is covered under the provisions of the provident Fund, Family Pension Fund, or the Payment of Gratuity Act, during year

viii. Taxation:Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future income will be available except that deferred tax assets, In case there are unabsorbed depreciation or losses, are recognized if there is virtual

certainty that sufficient future taxable income will be available to the release the same. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

ix. Provisions and Contingencies:

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognized in the period in which the change occurs.

x. Impairment of Assets:

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

xi. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average numbers of equity shares outstanding during the year are adjusted for events of bonus issue to existing shareholders & share split. For the purpose of calculating diluted earnings per share, the net profits attributable to equity shareholders and the weighted average number of share outstanding are adjusted for the effect of all dilutive potential equity shares from the exercise of options on unissued share capital. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares, which would be issued on the conversion of all dilutive potential equity shares into equity shares. Options on unissued equity shares are deemed to have been converted into equity shares.

xii. Derivative Financial Instruments

As per the institute of Chartered Accountants of India (ICAI) announcement, accounting for derivative contracts, if any, other than those covered under AS 11, are marked to market on a portfolio basis, and the loss is charged to income statement. Net gains are ignored.

xiii. Operating Cycle: All assets and liabilities have been classified as current or non-current as per each Company's normal operating cycle & other criteria set out in the Revised Sch.VI to Act.

xiv. Sundry Debtors/Loans and Advances

Sundry Debtors and Loans and advances are stated after making adequate provisions for doubtful balances.

xv. Foreign Currency: There is no business in the company involving foreign currency.

xvi. Lease: There is no business in the company involving Lease taken or given.

xvii. Expenditure: Expenses are accounted on accrual basis and provision is made for all known losses and liabilities.

xviii) Cash Flow Statement

Cash Flows are reported using the indirect method, where by profit before tax is adjusted for the effects of a transaction non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments an item of Income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

xix) Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.
