Annexures to Board's Report

Annexure 1:

Risk Management Policy And Strategy

The Company is required to institute risk management frame work comprising a process for riskassessment and minimization with roles and responsibilities for monitoring and reporting risks and controls.

This document therefore tries to identify the key events/ risk impacting the business objectives and attempts to develop risk policies and strategies toensure timely evaluation, reporting and monitoring key business risks.

This Risk Management Policy will be evaluated and reviewed from time to time 'and requisitechanges will be made to this document.

Our risk management approach is composed of mainly three components:

1. Risk Governance
2. Risk Identification
3. Risk Assessment and Control

1. Risk Governance:

- ✓ The Board is responsible for managing risk on various parameters, at the corporate level.
- ✓ The functional heads have to ensure implementation of the risk mitigation measures.
- ✓ The Audit Committee provides oversight and reviews Risk Management Policy from time to time.

2. Risk Identification:

External and internal risk factors that must be managed are identified in the context of business objectives.

3. Risk Assessment and Control

This is composed of

- (a) Risk assessment and reporting
- (b) Risk control
- (c) Capability development

On a periodic basis risk due to external and internal factors are assessed by responsible managers across the organization. Norms aimed at limiting exposures are integral to this frame work. The risks are identified and formally reported through mechanism such as operation reviews and committee meetings. Internal control is exercised through policies and systems to ensure timely availability of information that facilitate pro-active risk management.

The first step for formulating Risk Management Policy is therefore to define the business objectives on various parameters. The business objectives of the Company can be enumerated as follows:

Business objectives:

- a) Financial Parameters
 - ✓ achieve revenue growth
 - ✓ sustain profitability
- b) Market and Customer focus
 - ✓ grow customer relationships
 - ✓ develop market by promoting new uses
 - ✓ broaden geographical foot print
- c) Operating Efficiency
 - ✓ improve quality and productivity
 - ✓ control operations costs
- d) Organizational Development
 - ✓ develop tiers of leadership
 - ✓ develop and retain competencies
- e) Growth
 - ✓ To diversify into new revenue streams

The risk factors which may impact the business objectives and measures to be taken for managing/mitigation these risks are:

- i. External Risk Factors
- ii. Internal Risk Factors

i. External Risk Factors

- ✓ Macro economic factors
- ✓ Exchange rate fluctuations
- ✓ Raw material price fluctuations
- ✓ Political environment
- ✓ Competitive environment
- ✓ Inflation and cost structure
- ✓ Security and business continuity
- ✓ Competition from other market players

ii. Internal Risk Factors

- ✓ Financial reporting risks
- ✓ Liquidity and leverage
- ✓ Contractual compliance
- ✓ Compliance with local laws
- ✓ Human resources management
- ✓ Protection and maintenance of Assets
- ✓ Ethics and values

Each risk factor is monitored periodically by the Management of the Company and any event arising from these likely to adversely impact operations is reported to the Board/ Audit Committee.

Independent Auditor's Report

To
The Members,
Fruition Venture Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Fruition Venture Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2016, and the Profit and Loss Statement and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation and presentation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Fruition Venture Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note	Particulars
2.12	Others Previous year's figures have been recast and regrouped wherever necessary.
2.13	Provisions, Contingent Liabilities and Contingent Assets A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Re-imbursement expected in respect of expenditure to settle a provision is recognized only when it is virtually certain that the re-imbursement will be received. A Contingent Asset is not recognized in the Accounts.
2.14	Earnings per share Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.
2.15	Taxes on income Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised as per Accounting Standard -22 issued by ICAI. Deferred tax is subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets, if any are reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.
