UNISON METALS LIMITED

Management Discussion & Analysis

Industry Scenario

During the year the market conditions had ups and downs. The future holds promise because of thrust given by the government & our own better internal controls in the form of better management control within the organisation. Our company is well poised to benefit from the emerging opportunities to supply stainless steel sheets & products to industry & general public respectively.

Opportunities

Market for stainless steel business is showing good signs of revival with a number of new projects being tendered in India & Abroad. The general outlook for the business in India as well as the markets, in which the company has a presence, is quite good.

- 1) Implementation of cleaners production & technology by which waste minimization will be maintained, which in turn will yield higher returns.
- 2) It is anticipated that demand will further increase for stainless steel & other alloys utensils.
- 3) In the international market, we are open for Joint Ventures
- 4) Company is putting its endeavours to boost exports.

Risk & Concerns

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Key business risks and mitigation strategy are highlighted below.

1) Business risk:

To mitigate the risk of high dependence on any one business for revenues, the Company has adopted a strategy of launching new products/services, globalising its operations, and diversifying into different business segments. The strategy has yielded good results and the Company, therefore, now has a diversified stream of revenues. To address the risk of dependence on a few large clients, the Company has also actively sought to diversify its client base.

The Company strives to add value to its clients by providing services of a superior quality, and maintaining a robust franchise with investors and end-users, to mitigate the risk arising from price competition.

2) Legal & Statutory Risk:

The Company has no material litigation in relation to contractual obligations pending against it in any court in India or abroad. The Company Secretary, compliance and legal functions advise the Company on issues relating to compliance with law and to pre-empt violations of the same. The Company Secretary submits a quarterly report to the Board on the company's initiatives to comply with the laws of various jurisdictions. The company also seeks independent legal advice wherever necessary.

3) Human resource attrition risk

Unison Metals Ltd's key assets are its employees and in a highly competitive market, it is a chal-

lenge to address attrition. Unison Metals Ltd continues to accord top priority to manage employee attrition by talent retention efforts and offering a competitive salary and growth path for talented individuals.

4) Others

The company is exposed to risks & fluctuations of foreign exchange rates, raw-material prices and overseas investments exposures.

Audit and Internal control System

Unison Metals Ltd. has well-established processes and clearly-defined roles and responsibilities for people at various levels. This, coupled with adequate internal information systems embedded in business automation software, ensures proper information flow for the decision-making process. An internal audit conducted by an independent firm, reviews by the Audit Committee, and requisite guidelines and procedures augment the internal controls. The internal control system is designed to ensure that financial and other records are reliable for preparing financial statements and other information. These procedures ensure that all transactions are properly reported and classified in the financial records.

Raw material prices:

The prices of basic major raw materials used in our manufacturing process viz. stainless steel scrap / flats of various grades doesn't affect much, as we are working in open market scenario.

Financial Performance

The net profit before exceptional items and taxes is Rs. 78.22 lacs (Previous Year Rs.124.56 lacs). The exceptional Item comprises of reversal of diminution in value of investment of Rs.0.00 lacs (previous year Rs. 114.83 Lacs) made in earlier years. So the net profit after taxes resulted into the profit for the year at Rs. 54.49 lacs (Previous Year Rs.180.67 lacs).

Accounting Policies

The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year. The financial statements have been prepared under the historical cost convention on an accrual basis. The management accepts responsibility for the integrity and objectivity of the financial statements, as well as for the various estimates and judgment used therein.

Cautionary Statement:

Statements in the management Discussion and Analysis describing the Company's expectations or predictions, may be forward looking within the meaning of applicable securities, law and regulations. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include global and domestic supply and demand conditions affecting selling prices of finished goods, input availability and prices, changes in government regulations, tax laws economic developments within the country and other factors such as litigation and industrial relations.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of UNISON METAL LTD. ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as

necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies:

A. Basis of Accounting:

The financial statements have been prepared under the historical cost convention, on accrual basis, in accordance with the generally accepted accounting principles (GAAP) in India and applicable Accounting Standards referred to under section 133 of the companies act 2013 read with rule 7 of the companies (Accounts) rules 2014.

B. Fixed Assets:

Fixed assets are stated at cost of acquisition less accumulated depreciation.

C. Depreciation / Amortisation

Depreciation on tangible fixed assets is provided for on the basis of straight line method as per the useful life specified in Schedule-II of the Companies Act, 2013 on pro rata basis.

D. Inventories:

Raw Materials, Finished goods, Semi finished goods, scraps and stores & spares and trading goods are stated at lower of cost and net realisable value. The cost of inventories is computed on FIFO basis. Cost includes vat.

E. Investments :

Investments are stated at cost. Provision for diminution in the value of long term investments is made, only if, such a decline is other than temporary in nature, in the opinion of the management.

F. Retirement Benefits:

- 1) Contribution to provident fund and provision for leave encashment is charged to profit & loss Account.
- 2) Provision for gratuity liability is made based on actuarial valuation as at the Balance Sheet date and is charged to profit & loss account.
- 3) All other short term benefits for employees are recognised as an expense at the undiscounted amount in the Statement of profit & loss of the year in which the related service is rendered.

G. Foreign Currency Transactions :

Transaction denominated in Foreign Currency are recorded at the exchange rate prevailing on the date of transaction. In respect of transaction covered by forward exchange contracts, the difference between the forward rate and the exchange rate at the date of the transaction is recognized as income or expenses over the life of the contract. Any income or expense on account of exchange rate difference either on settlement or on translation is recognized in Statement of Profit & Loss. Assets & Liabilities remaining unsettled at the end of the year, other than covered by forward exchange contracts are translated at exchange rate prevailing at the end of the year and the difference is adjusted in Statement of Profit & Loss.

H. Borrowing Cost :

Fixed asset which necessarily takes substantial period of time to get ready for its intended use is

qualifying asset, Borrowing costs that are attributable to the acquisition or construction of such qualifying assets are capitalised as part of the cost of such assets. All other borrowing costs are recognized as expense in the period in which they are incurred.

I Taxes on Income:

- a) Tax on income for the current period is determined on the basis of estimated taxable income computed in accordance with the provisions of the Income Tax Act, 1961.
- b) Deferred tax is recognized on timing difference between the accounting income and the estimated taxable income for the period and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.
- c) Deferred tax assets are recognized for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax asset can be realized. But, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognized only if there is virtual certainty that sufficient future taxable income will be available to realize deferred tax assets.

J Impairment of Assets :

The carrying amount of assets is reviewed at each balance sheet date to determine whether there is any indication of impairment of assets. If any indication exists, the recoverable amount of such assets is estimated. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount.

K Use of Estimates :

The presentation of financial statements requires certain estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between the actual result and estimates are recognized in the period in which the results are known / materialized.

L Provisions, Contingent Liabilities and Contingent Assets

Provision involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and that probability requires an outflow of resources.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. Where there is a possible obligation or a present in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

Contingent assets are neither recognised nor disclosed in financial statements.

M Accounting policies not specifically referred to are consistent with generally accepted accounting practices.
