NOMINATION & REMUNERATION POLICY (DIRECTORS, KMP & SENIOR MANAGEMENT)

INTRODUCTION

In pursuance of the Company's philosophy to consider its employees as its invaluable assets, to pay equitable remuneration to all Directors, Key Managerial Personnel (KMP) and employees of the Company, to harmonize the aspirations of human resources consistent with the goals of the Company and, in terms of the provisions of the Companies Act, 2013, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination & Remuneration Committee and approved by the Board of Directors.

OBJECTIVE

The objective and purpose of the Policy are as given below:

1. To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration.
2. To carry out evaluation of the performance of Directors, as well as Key Managerial and Senior Management Personnel.
3. To provide them reward linked directly to their effort, performance, dedication and achievement of Organization's goals as entrusted on them.
4. To retain, motivate and promote talent and to ensure long term retention of talented managerial persons and create competitive advantage. In the context of the aforesaid objectives the following policy has been framed and recommended by the Nomination & Remuneration Committee and adopted by the Board of Directors.

PART – A

POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT

APPOINTMENT

1. The candidate for a position at Director, KMP or Senior Management level is met by the Managing Director in consultation with the other

Directors. The interview is targeted at assessing the candidate on his/ her functional & leadership capabilities and cultural fitment to the organization.

2. The MD assesses the shortlisted candidates.
3. The selected candidate's details and the proposed compensation is shared with the Nomination & Remuneration Committee for their review and suggestions. The same is shared with the Board at the next board meeting.

TERM/ TENURE

The tenure for Directors shall be governed by the terms defined in the Companies Act, 2013. However, the tenure for other KMP and Senior Management Personnel will be governed by Terms of Appointment in accordance with the Recruitment Policy of the Company.

EVALUATION

The performance of the KMP and Senior Management Personnel is evaluated at regular intervals (half yearly/ yearly) by the Managing Director. The performance evaluation of Independent Directors shall be done by the Board, excluding the Director being evaluated, basis the contributions made to the Board deliberations on various matters including business strategy, financial strategy, operations, cost and risk management, etc., and suggestions given in this regard.

REMOVAL

Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable Act, rules and regulations, the Managing Director may recommend, to the Committee and the Board with reasons recorded in writing, removal of a Director, subject to the provisions and compliance of the said Act, rules and regulations.

For other KMP or Senior Management Personnel, the removal will be governed by the Terms of Appointment in accordance with the Recruitment Policy of the Company and the subsequent approval of the Managing Director.

RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Managing Director will have the discretion to

retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

PART – B

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company's main object is Non-Banking Financial activities. The market for this activity offers high potential for growth. The Company is carried on business of NBF and is operating from Delhi. There have been a number of causes behind growth of Indian economy in last couple of years. A number of market reforms have been instituted by Indian government and there has been significant amount of foreign direct investment made in India. Much of this amount has been invested into several businesses including knowledge process outsourcing industries. India's foreign exchange reserves have gone up in last few years. Real estate sector as well as information technology industries of India have taken off. Capital markets of India are doing pretty well too. All these factors have contributed to growth of Indian economy.

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for the various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions, and reasonably present our state of affairs, profits and cash flows for the year.

➤ INDUSTRY STRUCTURE AND DEVELOPMENTS

Non-Banking Finance Companies (NBFCs) are an integral part of the country's financial system because of their complementary as well as competitive role. They act as a critical link in the overall financial system catering to a large market of niche customers. In spite of strong competition faced by the NBFCs, the inner strength of NBFCs viz local knowledge, credit appraisal skill, well trained collection machinery, close monitoring of borrowers and personalized attention to each client, are catering to the needs of small and medium enterprises in the rural and semi urban area. However, as a result of consolidation and restructuring in the financial sector and liberalization and globalization of markets only few strong NBFCs now remain in business.

On the regulatory front, NBFCs are regulated by the Reserve Bank of India (RBI) almost at par with banks. All the prudential norms for asset classification, income recognition, provisioning etc., are applicable to NBFCs in India. Given the continuously high levels of inflation throughout the year, the Reserve Bank of India (RBI) has no option but tighten monetary policies. This has resulted in an increase in domestic interest rates. The environment of high interest rates

has a negative impact on sentiments of industries. Measures of risk aversion have not risen, though equity markets in most regions have posted significant gains and financial stresses have been limited.

➤ **OPPORTUNITIES AND THREATS**

The performance of capital market in India has a direct correlation with the prospect of economic growth and political stability. In the FY18-19, Indian GDP growth reported at 7.3% as we continue to be the fastest growing amongst large economies in the world. India's annual retail inflation rate dropped to an 18-month low of 2.19% in December, strengthening economists' expectations of a falling interest rate regime in the coming months. The Indian economy is projected to grow at a healthy 7.3% in fiscal year 2020, as per IMF. The growth is expected to come on the back of pre-election fiscal stimulus in the first half of 2019. infrastructural stimulus and a generally dovish monetary policy by RBI. Accommodative monetary policies in advanced economies, coupled with better growth prospects in Emerging Markets (EMs) including India, are expected to trigger large capital inflows in EMs which in turn could lead to inflationary pressures and asset price bubble. Our business performance may also be impacted by increased competition from local and global players operating in India, regulatory changes and attrition of employees. With growing presence of players offering advisory service coupled with provision of funds for the clients' needs, we would face competition of unequal proportion. We continuously tackle this situation by providing increasingly superior customized services.

In financial services business, effective risk management has become very crucial. As an NBF, your Company is exposed to credit risk, liquidity risk and interest rate risks. Your company has in place suitable mechanisms to effectively reduce such risks. All these risks are continuously analyzed and reviewed at various levels of management through an effective information system. The Company is having excellent Board of Directors who is Expert in financial sector, and is helping the Company in making good Investment. The company is also facing risk of heavy ups and down in stock market which have been minimized due to risk management system of our company.

➤ **OUTLOOK AND FUTURE PROSPECTS**

Competition continues to be intense, as the Indian and foreign banks have entered the retail lending business in a big way, thereby exerting pressure on margins. The erstwhile providers of funds have now become competitors. NBFs can sustain in this competitive environment only through optimization of funding costs, identification of potential business areas, widening

geographical reach, and use of technology, cost efficiencies, strict credit monitoring and raising the level of customer service.

➤ **RISKS & CONCERNS**

In today's complex business environment, almost every business decision requires executives and managers to balance risk and reward. Effective risk management is therefore critical to an organization's success. Globalization, with increasing integration of markets, newer and more complex products & transactions and an increasingly stringent regulatory framework has exposed organisations to newer risks. As a result, today's operating environment demands a rigorous and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. Increased competition and market volatility has enhanced the importance of risk management. The sustainability of the business is derived from the following:

- ❖ Identification of the diverse risks faced by the company.
- ❖ The evolution of appropriate systems and processes to measure and monitor them.
- ❖ Risk management through appropriate mitigation strategies within the policy framework.
- ❖ Monitoring the progress of the implementation of such strategies and subjecting them to periodical audit and review.
- ❖ Reporting these risk mitigation results to the appropriate managerial levels.

➤ **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

The brief on Financial Performance of the Company is already provided in the Boards' Report of the Company.

➤ **HUMAN RESOURCES**

The Company's relations with the employees continued to be cordial.

➤ **SEGMENT-WISE OR PRODUCT WISE PERFORMANCE**

The company operates in only single segment. Hence segment wise performance is not applicable.

➤ **INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Your Company has an effective system of accounting and administrative controls supported by an internal audit system with proper and adequate

perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2019, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VANI COMMERCIALS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of **Vani Commercial Limited**

We have audited the internal financial controls over financial reporting of **Vani Commercial Limited** ("the Company") as of 31st March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Financial Statements

NOTE: 1

A. CORPORATE INFORMATION

The company is a Non-banking Financial Company (NBFC) duly registered with Reserve Bank of India and is engaged in the business of NBF1.

B. SIGNIFICANT ACCOUNTING POLICIES :

I. BASIS OF PREPARATION

The accompanying financial statements have been prepared and presented as a going concern, under historical cost convention, on the accrual basis of accounting unless otherwise stated in accordance with the generally accepted accounting principles in India (Indian GAAP) and comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 (The Act), read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and relevant provision of the Companies Act, 2013.

The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current/non-current classification of assets and liabilities.

II. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and disclosure of contingent liabilities, at the end of the reporting period. Although, these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Significant estimates used by the management in the preparation of these financial statements include the useful life of fixed assets and intangible assets and provisions for doubtful debts/advances. Difference, if any, between the actual results and estimates are recognized in the period in which the results are known/ materialized.

III. PROVISIONS FOR STANDARD/NON PERFORMING ASSETS

The Company makes provision for Finance receivables based on the prudential norms issued by the RBI relating to income recognition, asset classification and non-performing assets as early implemented by the Company.

The Company makes a provision on all outstanding standard assets as per the prudential norms/guidelines issued by the RBI.

IV. FIXED ASSETS AND DEPRECIATION

Fixed assets are recorded at cost of acquisition and installation including freight, duties, levies less accumulated depreciation. Cost of acquisition includes rates, taxes, and any other directly attributable cost for bringing the asset to its working condition for intended use.

Depreciation on Tangible Fixed Assets is provided on Written Down Value method using the rates arrived at based on the useful lives as specified in the Schedule II of the Companies Act, 2013, or estimated by the management. The Company has used the following useful life to provide depreciation on its fixed assets.

(a) : Assets where useful life is same as Schedule II

Assets	Useful Life as Prescribed by Schedule II of the Companies Act, 2013
Factory Building	30 years
Plant & Machinery (other than continuous process plant not covered under specific industries)	15 years
Furniture & Fittings Motor Cycles, scooters and other mopeds	10 years
Vehicles (Motor Cars)	8 years
Office Equipments Computer, printers & data processing units	5 years
Electrical Installations	3 years
	10 years

(b) : Assets where useful life differ from Schedule II

Fixed Assets, individually costing less than Rupees five thousand, are fully depreciated in the year of purchase.

(c) : Depreciation

Depreciation on the Fixed Assets added/disposed off/discarded during the year is provided on pro-rata basis with reference to the date of addition/disposal/discarding and in the case of capitalisation of any asset, depreciation is charged from the date the same is ready/put to use to the Statement of Profit and Loss.

V. INTANGIBLE ASSETS AND AMORTISATION

Intangible Assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight-line basis over their estimated useful lives.

The Company amortises miscellaneous expenditure representing the Company's formation expenses over a period of 5 years. Further, the cost of Direct Listing of Equity Shares on BSE Limited has also been included in the same.

VI. BORROWING COSTS

Borrowing Costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use. Other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

VII. TRANSLATION OF FOREIGN CURRENCY ITEMS

The Company has not dealt with any foreign currency transaction during the Financial Year.

VIII. INVESTMENTS

Investments, which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Investments are recorded at cost on the date of purchase, which include acquisition charges such as brokerage, stamp duty, taxes,

etc. Current Investments are stated at lower of cost and net realisable value. Long-term investments are stated at cost after deducting provisions made, if any, for other than temporary diminution in the value.

IX. REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income on investments is accounted for on receipt of the same.

All expenses and income to the extent considered payable and receivable respectively unless specifically stated be otherwise, are accounted for on mercantile basis.

X. RETIREMENT AND OTHER EMPLOYEE BENEFITS

(a) Provident Fund

Provision of Provident Fund is not applicable to the Company.

(b) Gratuity

No provision for gratuity has been made as there is no amount due towards Gratuity payable.

(c) Compensated Leaves

Unutilized leave of staff lapses as at the year end and is not encashable. Accordingly, no provision is made for compensated Leaves.

XI. TAXATION

Tax expense comprises of current and deferred tax.

Current Tax

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income-tax Act, 1961. Minimum Alternative Tax (MAT) credit is recognized where there is convincing evidence that the same can be utilized in future.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

The deferred tax for timing differences between the book and tax profits for the year is accounted for, using the tax rates and laws that have been substantively enacted as of the Balance Sheet date. Deferred tax assets arising from timing differences are recognised to the extent there is reasonable certainty that these would be realised in future.

The carrying amount of deferred tax assets are reviewed at each Balance Sheet date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain, that sufficient future taxable income will be available.

In case of unabsorbed losses and unabsorbed depreciation, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profit. At each Balance Sheet date, the Company reassesses the unrecognised deferred tax assets.

XII. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

XIII. EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes, if any) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the

period and for all periods presented is adjusted for events such as bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XIV. CONTINGENT LIABILITIES AND PROVISIONS

Contingent Liabilities are possible but not probable obligations as on Balance Sheet date, based on the available evidence.

Provisions are recognised when there is a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date.

C. OTHER SIGNIFICANT NOTES :

1. There are no dues to micro and small-scale enterprises as per The Micro, Small and Medium Enterprises Development Act, 2006 based on information available with the Company.
2. The management has confirmed that adequate provisions have been made for all the known and determined liabilities and the same is not in excess of the amounts reasonably required.
3. No expenses have been admitted other than those reflected in financial Statements.
