**NOTICE OF ANNUAL GENERAL MEETING**

Notice is hereby given that the 36<sup>th</sup> Annual General Meeting of the Members of Karnavati Finance Limited will be held on Tuesday, September 29, 2020 at 03:30 P.M. IST through video conferencing (VC)/Other Audio Visual Means (OAVM), to transact the following businesses;

**Ordinary Businesses:-**

1. To receive, consider and adopt audited financial statement of the Company for the financial year ended on March 31, 2020 and the reports of the Directors' and the Auditors' thereon.
2. To appoint a Director in place of Mr. Jay Morzaria (DIN: 02338864), Managing Director of the Company, who retires by rotation and being eligible, seek re-appointment.

**Explanation:** Based on the terms of appointment, executive directors are subject to retirement by rotation. Mr. Jay Morzaria (DIN 02338864), who was appointed as Managing Director, and is the longest-serving member on the Board, retires by rotation and, being eligible, seeks re-appointment.

To the extent that Mr. Jay Morzaria (DIN: 02338864) is required to retire by rotation, he would need to be reappointed as such. Therefore, shareholders are requested to consider and if thought fit, to pass the following resolution as an ordinary resolution:

**"RESOLVED THAT**, pursuant to the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, the approval of the members of the Company be, and is hereby accorded to the reappointment of Mr. Jay Morzaria (DIN: 02338864) as such, to the extent that he is required to retire by rotation."

**Special Businesses:-**

3. To appoint Ms. Vinita Ajaybhai Parekh (DIN: 08739757) as Non-executive Independent Director on the board of the Company:

**To consider and if thought fit, to pass with or without modification(s), the following resolution as an ORDINARY RESOLUTION.**

**"RESOLVED THAT**, pursuant to the provisions of Section 149, 150 and 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 ("the Act") and the companies (Appointment and Qualifications of Directors) Rules, 2014 and the applicable provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force Ms. Vinita Ajaybhai Parekh (DIN: 08739757), who was appointed as an Additional (Non-Executive Independent) Director of the company with effect from May 06, 2020 and whose term expires at this AGM and in respect of whom the company has received a notice in writing under section 160(1) of the act from a member proposing her candidature for the office of director, be and is hereby appointed as Non-executive Independent Director of the company, not liable to retire by rotation, for a term of five consecutive years, that is, up to the period of May 05, 2025."

**"RESOLVED FURTHER THAT** the Executive Directors of the Company, either jointly or severally be and are hereby authorized to file the said resolution with the Registrar of Companies, Maharashtra, and to do all such acts, deeds and things as may be necessary, expedient and incidental thereto to give effect to the above resolution."

4. To appoint Mr. Kashyap Bharatkumar Vyas (DIN: 08747756) as Non-executive Director on the board of the Company:

**To consider and if thought fit, to pass with or without modification(s), the following resolution as an ORDINARY RESOLUTION.**

**"RESOLVED THAT**, pursuant to the provisions of Section 152 of the Companies Act, 2013 ("the Act") and the companies (Appointment and Qualifications of Directors) Rules, 2014 and the applicable provisions of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force Mr. Kashyap Bharatkumar Vyas (DIN: 08747756), who was appointed as an Additional (Non-Executive) Director of the company with effect from May 26, 2020 and whose term expires at this AGM and in respect of whom the company has received a notice in writing under section 160(1) of the act from a member proposing his candidature for the office of director, be and is hereby appointed as Non-Executive Director of the company, whose office shall be liable for retire by rotation."

**"RESOLVED FURTHER THAT** the Executive Directors of the Company, either jointly or severally be and are hereby authorized to file the said resolution with the Registrar of Companies, Maharashtra, and to do all such acts, deeds and things as may be necessary, expedient and incidental thereto to give effect to the above resolution."

5. To appoint Mr. Vineshkumar Popatlal Makadia (DIN: 00362318) as Non-executive Director on the board of the Company:

**To consider and if thought fit, to pass with or without modification(s), the following resolution as an ORDINARY RESOLUTION.**

**"RESOLVED THAT**, pursuant to the provisions of Section 152 of the Companies Act, 2013 ("the Act") and the companies (Appointment and Qualifications of Directors) Rules, 2014 and the applicable provisions of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force Mr. Vineshkumar Popatlal Makadia (DIN: 00362318), who qualifies for being appointed as a non-executive director and in respect of whom the company has received a notice in writing under section 160(1) of the act from a member proposing his candidature for the office of director, be and is hereby appointed as Non-Executive Director of the company subject to the approval of Reserve Bank of India, whose office shall be liable for retire by rotation."

**"RESOLVED FURTHER THAT** the Executive Directors of the Company, either jointly or severally be and are hereby authorized to file the said resolution with the Registrar of Companies, Maharashtra, and to do all such acts, deeds and things as may be necessary, expedient and incidental thereto to give effect to the above resolution."

6. To increase the Borrowing Powers under Section 180(1) (c) of the Companies Act, 2013:

**To consider and if thought fit, to pass with or without modification(s), the following resolution as a SPECIAL RESOLUTION:**

**"RESOLVED THAT** in suppression of the resolution passed by the shareholders of the company in their duly convened Annual General Meeting held on September 6, 2014 authorizing the Board of Directors of the Company to borrow money from banks/financial institutions and pursuant to the provisions of Section 180(1)(c) and all other applicable provisions of the Companies Act, 2013, and the Rules made there under, including any statutory modification(s) thereto or re-enactment(s) thereof, for the time being in force, and in accordance with the Articles of Association of the Company, and subject to such other approvals, consents, sanctions and permissions, as may be necessary, consent of the members of the Company be and is hereby accorded to the Board of Directors of the Company to borrow from time to time such sum or sums of money, by way of loans, issuance of bonds, notes, debentures or other securities whether convertible into equity/ preference shares or not, from banks, financial or other institution(s), investors, mutual fund(s), or any other persons including related parties, group companies, business associates etc., whether by way of cash credit, advance or deposits, loans, debentures or bill discounting or otherwise, whether secured or unsecured, as they may deem fit notwithstanding however, that the total borrowings exceed the aggregate of paid-up capital and free reserves of the company, provided however that the aggregate of amounts so borrowed and outstanding at any one time (apart from temporary loans obtained

from the company's bankers in the ordinary course of business) shall not exceed an amount of Rupees 50 Crores (Rupees Fifty Crores) exclusive of interest.

**"RESOLVED FURTHER THAT** the Board (including any Committee duly constituted by the Board of Directors or any authority as approved by the Board of Directors) be and is hereby authorized to do all such acts, deeds and things and to sign and execute all such deeds, documents and instruments as may be necessary, expedient and incidental thereto to give effect to this resolution.

**SECRETARIAL AUDIT REPORT****Form No. MR-3****For the financial year ended March 31, 2020****[Pursuant to section 204(1) of the Companies Act, 2013 and****Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

To,

**The Members,****KARNAVATI FINANCE LIMITED**

705, Palm Spring Centre, Above Croma,

Near New Infinity Mall, Link Road,

Malad (West), Mumbai - 400064, Maharashtra

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by KARNAVATI FINANCE LIMITED (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that, in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2020 according to the provisions of:

- i. The Companies Act, 2013 ('the Act') and the rules made there under as applicable;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **BACKGROUND**

Karnavati Finance Limited (KFL) is a Non-Banking Finance Company ("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI"). The KFL is non-deposit accepting NBFC engaged in financial services. The market for this activity offers high potential for growth. The company is giving loan including personal loan, business loan, vehicle loan and loan against property to individuals as well as non-individual customers and also providing services of money changing via. FFMC License and is operating from Mumbai having its corporate office in Jamnagar.

More than half of personal savings in India are invested in physical assets such as land, houses, cattle and gold.

The Indian money market is classified into:

- a) The organized sector (comprising private, public and foreign owned commercial banks and cooperative banks, together known as scheduled banks); and
- b) The unorganized sector (comprising individual or family owned indigenous bankers or money lenders and non-banking financial companies (NBFCs). The unorganized sector and microcredit are still preferred over traditional banks in rural and sub-urban areas, especially for non-productivity purposes, like ceremonies and short duration loans.

Since liberalization, the government has approved significant banking reforms. While some of these relate to nationalized banks (like encouraging mergers, reducing government interface and increasing profitability and competitiveness) other reforms have opened up the banking and insurance sectors to private and foreign players.

Non-Banking Financial Companies (NBFC) are an integral part of the Indian Financial system, augmenting competition and diversification in the financial sector and complementing the banking system. The Indian NBFC sector has been providing credit to customers in the underserved and unbanked areas. Their channeling the savings and investments of customers and the subsequent capital formation is necessary for India's economic growth and development. Their ability to innovate products in conformity with the needs of their clients is well established.

### **GLOBAL ECONOMY**

The global economy grew 2.9% in 2019 compared to 3.6% in 2018, clearly showing weakness in the global business environment. The global trade grew at a mere 0.9% in 2019 due to trade tensions and slower economic growth.

The Covid-19 pandemic has struck a devastating blow to an already fragile global economy. Lockdowns and other restrictions needed to address the public health crisis, together with spontaneous reductions in economic activity by many consumers and producers, constitute an unprecedented combination of adverse shocks that is causing deep recessions in many advanced economies as also in emerging markets and developing economies. Governments in many countries have taken fiscal and monetary policy action on unprecedented scales in response to the pandemic to support demand and economic activities.

According to the International Monetary Fund (IMF), the global economy is expected to shrink by over 3% in 2020, the steepest slowdown since the Great Depression of 1930s.

Uncertainty about the length and depth of this health crisis propelled economic and financial crisis. Very well respected studies have suggested that emerging market and developing economies could suffer output losses of 3-8 percent in the short term.

### **INDIAN ECONOMY**

India emerged as the 5<sup>th</sup> largest world economy in 2019, overtaking the UK and France with a Gross Domestic Product (GDP) of \$ 2.94 trillion. India jumped 14 places to 63 in the World Bank's Ease of Doing Business ranking, riding on reforms in several areas and a substantial bump up from the insolvency law rolled out in 2016. The country climbed 79 positions in the past 5 years and was among the top 10 performers for the third year running. RBI has taken number of measures to ensure efficient liquidity in the system since the beginning of 2019-20. We note that it has slashed policy rate (Repo Rate) from 6.25% in the beginning of the year to 4.4% at the closing of the fiscal and now at 4% in ongoing fiscal so far. We also note that this time transmission of rate cuts has happened in a large way and helped across all industries and borrowers.

The Indian Economy was not immune to the slowdown. The Indian economy was affected across all four key growth engines of our economy faltered to stimulate any growth. We note that three of our four growth engines - private consumption, private investment and exports have slowed down significantly led by variety of reasons. Consumption, the biggest contributor of growth by subdued, pointing to fragile consumer sentiment and purchasing ability. Similarly, private investments and exports have remained muted owing to soft demand, global uncertainties around trade and investments and geopolitical tensions. The fourth engine, government consumption and investment, has been moderated because of limited elbow room the government has for counter cyclical spending as the budget deficit remains under pressure. Further, an unexpected COVID-19 outbreak engulfed India too and resulted in nationwide lockdown starting 25<sup>th</sup> March 2020 has dashed hope of any early recovery on economy, which have wide ramification in current fiscal.

As per Central Statistics Organization (CSO) second advance estimates, the GDP growth was retained at 5% in 2019-20 and however final numbers are likely to be worse than expectations due to sharp contraction in economic activities in March due to COVID-19. As per Moody's (global rating company), India's GDP growth rate for 2020-2021 is expected to be at zero mainly led by steep deterioration in business activities and sharp contractions in consumption trend due to disruption led by COVID-19. However, on a positive note, it has forecasted India's GDP growth rate to bounce back to 6.6% in 2021-22.

Notably, having remained in beginning in first half of 2019-20, a surge in food prices and vegetables prices, resulted in surge in retail inflation with CPI averaging 4.8% in 2019-20 versus 3.4% in 2018-19. Going forward, likely reduction in food prices, decreasing core inflation and stabilization in fuel prices are expected to result in softening of CPI numbers in subsequent months. RBI has set up the objectives of achieving the medium term target for CPI of 4% within a band of plus or minus 2%. While supporting growth, while it has set an inflation target of 5.4% - 5.0% for the first half of FY2021 and 3.2% for third quarter of FY2021.

Central government has increased its borrowing target by over 50% in current fiscal to Rs. 12 trillion (US\$ 160 billion) up from the previously budgeted Rs. 7.8 lakh crore to cushion to the blow from the new coronavirus pandemic. Given the borrowing target of Rs. 12 trillion, it is estimated that government is targeting a fiscal deficit of 5.5-6% for current fiscal.

The government rationalized the corporate tax rate to 22% from 30%, subject to the condition that companies will not avail of any exemptions/incentive. Further in order to boost the fresh investment, new companies incorporated on or after October 01, 2019 and making fresh investment in manufacturing the tax rate for them has been cut to 15% from 25%.

The government collected Rs. 15 lakhs crore as net tax revenue in 2019-20 as against Rs. 13.2 lakh crore collected in 2018-19, while direct tax collection stood at Rs. 11.7 lakh crore as against estimated Rs. 13.4 lakh crore in 2018-19. For, 2020-21, the gross direct tax collections are budgeted to increase by 12.7% as per union budget as against 2.9% growth achieved in 2018-19. Further, capital

expenditure for 2020-21 is pegged at Rs. 4.12 lakh crore as against Rs. 3.49 lakh crore incurred in 2019-20 and fiscal deficit was targeted at 3.5% in 2020-21 which will be difficult to be achieved due to the disruptions in economy.

#### INDUSTRY STRUCTURE AND DEVELOPMENTS

Non-banking finance companies (NBFCs), an integral component of the Indian lending ecosystem, could see a major impact of COVID-19 on their liquidity position and asset liquidity in the financial year 2020-21 due to complete halt of economic activity due to massive lockdown. Before the coronavirus outbreak, RBI and the government took several measures to support NBFCs since August 2019, especially after credit crisis and confidence crisis in the NBFC sector, due to default by some major financial institutions in Infra sector. The COVID-19 pandemic clipped the recovery. Small and medium sized NBFCs are most at risk due to disruption caused by the COVID-19 pandemic. The central bank has sought to cushion borrowers and lenders against the coronavirus outbreak effect, allowing companies a six month grace period on loan repayments. In last 2 months, several measures have been taken by RBI and Finance Ministry to boost liquidity and economy as follows;

##### Measures taken by RBI

**Repo Rate and Reverse Repo Rate:** Significant reduction of repo rate by 75 bps in March and further 40 in May to 4%. Similarly, the reverse repo rate has also been reduced to 3.35%.

**CRR:** Reduction of Cash Reserve Ratio (CRR) by 1% to 3% applicable from March 28, inject Rs. 1, 37, 000 crore.

**Loan Moratorium:** In March, RBI Governor announced that lenders could give a moratorium of 3 months from March 2020 to May 2020 which was further extended by 3 months in May 2020 from June 2020 to August 2020 on repayment of all term loans. Those accounts that have availed the moratorium facility, the period of moratorium will be excluded from the 90 days NPA classification norms of RBI.

**TLTRO 1.0 & 2.0:** Introduction of long term repo operation (LTRO) facility infusing Rs. 1,50,000 crore worth of liquidity into the economy through banks by launching the Targeted Long Term Repo Operations (TLTRO) (1.0) and (2.0) facilities. Given that the primary beneficiaries of TLTRO 1.0 turned out to be public sector entities and large corporates, the RBI also launched TLTRO 2.0 for further amount of Rs. 50,000 crore to cater to the non-banking finance and micro finance sector.

**Special re-finance facility:** Special re-finance facility of Rs. 50,000 crore to NABARD (Rs. 25,000 crore) for re-financing regional rural banks, cooperative banks and micro finance institutions, SIDBI (Rs. 15,000 crore) for on lending/re-financing and NHB (Rs. 10,000 crore) for supporting housing financing.

##### Measures taken under Economic Stimulus Package (Atmanirbhar Bharat)

**Rs. 30,000 crore special liquidity scheme for NBFCs/HFCs/MFIs:** Under this scheme, investment is to be made in primary & secondary market transactions in investment grade debt paper of NBFCs/HFCs/MFIs. Securities shall be fully guaranteed by central government.

**Rs. 45,000 crore Partial Credit Guarantee Scheme 2.0 for NBFC:** Existing PCG scheme to be extended to cover borrowings such as primary issuance of bonds/CPs. Government to provide 20% first loss sovereign guarantee to PSBs, AA and below rated papers including unrated papers to be eligible for investment. This scheme will result in the liquidity of Rs. 45,000 crore.

**Rs. 3,00,000 crore collateral free automatic loans to MSMEs,** government to give 100% credit guarantee cover to banks and NBFCs on principal and interest for additional loans up to 20% of the outstanding as on 29<sup>th</sup> February 2020 with Banks/NBFCs/FIs. The said scheme aims to extend additional funding to eligible borrowers in order to help them through the liquidity crunch faced by them due to the crisis.

**Credit linked subsidy scheme for MIG under PMAY(U) extended up to March 2021:** This scheme is aimed at achieving government's objective of housing for all. The extension is action-oriented reform for the revival of affordable housing segment ensuring job creation, and stimulus to demand and boosting the supply chain.

#### OPPORTUNITIES AND THREATS

##### OPPORTUNITIES:

- Diversified portfolio products across personal finance, business finance and mortgage finance (Loan against property)
- Opening of financial sector in India along with Introduction of Innovative products
- Strong relationship with public, private as well as banks, institutions and investors
- Focus on MSME segments traditionally not served by banks
- Large untapped rural and urban markets.
- Enhanced digital solutions for business and collections

##### THREATS:

- Slower economic activity and weak rural demand could lead to high credit costs due to COVID-19 pandemic
- Increased competition across the company's product segments from captive finance companies and small finance banks
- Inadequate availability of bank finance and upsurge in borrowing cost
- External risks associated with liquidity stress, political uncertainties, fiscal slippage concerns, etc.
- Growing number of Fintech companies.
- Attraction and retention of human capital

#### FINANCIAL PERFORMANCE

KFL's net income from operations for the financial year ended March 31, 2020 is Rs. 2,76,35,915/- as against 3,24,01,510/- in the previous year. The working of Karnavati Finance Limited (KFL) for the year under review resulted in profit of Rs. 10,75,021/- as against profit of 72,22,175/- (after tax) in the previous year.

#### RESOURCES AND LIQUIDITY

During the year under review, KFL has not raised any funds from the market by way of allotment of shares/bonds/warrants/debentures, or by raising public deposits etc.

#### PORTFOLIO

KFL's investment portfolio stood at Rs. 23,98,39,219.25/- as on March 31, 2020. KFL's strategy for its portfolio is to focus on asset quality and asset mix to achieve good returns.

#### OUTLOOK

India continues to be one of the fastest growing economies in the world and this is expected to continue in financial year 2019-20, as per the latest economic survey, finance sector being the key growth sectors of the economy. The Outlook of the Company for the year ahead is to drive profitable growth. Non-Banking Financial Companies are competing with the banks in providing financial services and has been playing a complementary role with other financial institutions in the Indian Economy.

The Management of KFL is concentrating on the core area of investment and finance. Capital market is improving and KFL will explore the opportunities available in the Capital Market and other financial areas. The persistent challenges in the operating environment resulted in higher delinquency levels for the NBFCs.

**RISK MANAGEMENT**

As in the case of any lending entity, the entire proposition of the Company - providing finance to various segments of the economy is on the fundamentals of managing the risk rather than avoiding it. With proper operational systems in place, the Company successfully manages these risks which also help in achieving the desired outcome, while fixing responsibility and accountability. The Board is responsible for monitoring and reviewing of the risk and taking steps to mitigate the same.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has an internal control system to commensurate with the size, scale and complexity of its operations and nature to ensure smooth business operation to provide reasonable assurance that all assets are safeguarded and protected from any kind of loss or misuse, transactions are authorized, recorded and reported properly and that all applicable statutes and corporate policies are duly complied with.

**SUBSIDIARY COMPANY**

As there are no subsidiaries of the company, investment made in subsidiaries is nil.

**HUMAN RESOURCES**

The Company takes pride in the commitment, competence and dedication of its employees in all areas of the business. The Company is committed to nurturing, enhancing and retaining its top talent through superior learning and organizational development. This is a critical pillar to support the organization's growth and its sustainability in the long run. The Company also has zero tolerance for harassment of women at workplace. The overall industrial relations atmosphere continued to be cordial.

**SEGMENT-WISE OR PRODUCT WISE PERFORMANCE**

The company operates in only single segment. Hence segment wise performance is not applicable.

**CAUTIONARY STATEMENT**

This report describing the company's activities, projections about future estimates, assumptions with regard to global economic conditions, government policies, etc may contain "forward looking statements" based on the information available with the company. Forward-looking statements are based on certain assumptions and expectations of future events. These statements are subject to certain risks and uncertainties. The company cannot guarantee that these assumptions and expectations are accurate or will be realized. The actual results may be different from those expressed or implied since the company's operations are affected by the many external and internal factors, which are beyond the control of the management. ## INDEPENDENT AUDITORS' REPORT

**To the members of Karnavati Finance Limited**

### Report on the financial statements

We have audited the accompanying financial statements of Karnavati Finance Limited (the "Company"), which comprise the Balance sheet as at March 31, 2020, and the Statement of Profit and Loss for the period then ended, the Cash flow Statement for the year ended March 31, 2020 and a summary of significant accounting policies and other explanatory information.

### Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditors' responsibility

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion. Forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view of in conformity with the:

- (a) In the case of Balance sheet, of the State of Affairs of the Company as at March 31, 2020; and
- (b) In the case of Statement of profit and loss, of the Profit for the Year ended on March 31, 2020; and
- (c) Its cash flow statement for the year ended March 31, 2020.
- (d) Statement of changes in the equity for the year ended March 31, 2020.

### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgement were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters How addressed in Audit	How addressed in Audit
<p>Indian Accounting Standards (Ind-AS) as specified under Section 133 of the Act, read with relevant rules there under have been made mandatorily applicable for specified Non-Banking Finance Companies applicable with effect from April 1st, 2019 and consequently these standalone financial statements have been prepared by the management in compliance with the Ind AS framework. As against the provisioning norms earlier prescribed by Reserve Bank of India and adopted by the company in prior years, Ind-AS 109 (Financial Instruments) requires the Company to recognise Expected credit Loss (ECL) on financial assets, which involves application of significant judgement and estimates including use of key assumptions such as probability of default and loss given default</p> <p>Refer Note 29 to the Financial Statements</p>	<p>We have evaluated the management's process and tested key controls around the determination of expected credit loss allowances, including controls relating to:</p> <ul style="list-style-type: none"> <li>- The identification of events leading to a significant increase in risk and credit impairment events; and</li> <li>- The determination of the impaired credit loss allowances and the key assumptions including probability of default and loss given default on a forward looking basis having regard to historical experiences.</li> </ul> <p>We understood and assessed the appropriateness of the impairment methodology developed and used by the management at the entity level. This included assessing the appropriateness of key judgements. We tested the accuracy of key data inputs and calculations used in this regard.</p> <p>We found that these key controls as above, were designed, implemented and operated effectively, and therefore have placed reliance on these key controls for the purposes of our audit of ECL and impairment loss allowances</p>

**Emphasis of Matters**

We draw attention to note 31 to the Ind AS financial statements, which describes the uncertainty caused by Novel Coronavirus (COVID-19) pandemic with respect to the Company's estimates of impairment of loans to customers and that such estimates may be affected by the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

We would like to draw emphasis on the matter of Contingent Liability on Inter Corporate Loan which arises through the pass through transaction on NIM basis entered by the Company, consequent to asset under pass through arrangement becoming NPA on account of dispute in transaction. Loss likely to arise is to the extent of interest liability on account of negative outcome of litigation. Our opinion is not modified in respect of this matter.

**Information Other than the Financials Statements and Auditor's Report thereon (Other Information)**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Corporate Overview, Board's Report, Management Discussion and Analysis Report and Report on Corporate Governance in the Annual Report of the Company for the financial year 2019-20, but does not include the financial statements and our auditor's report thereon. The reports containing the other information as above are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the reports containing the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

**Annexure 2 to The Independent Auditor's Report of Even Date on the Financial Statements of Karnavati Finance Limited Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Karnavati Finance Limited ("the company") as of 31<sup>st</sup> March, 2020 in conjunction with our Audit of the standalone financial statements of the company for the period ended on that date.

**Management's Responsibility for Internal Financial Controls**

The company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external Purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with authorizations of management and directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance may with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the company, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2020, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accountants of India.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS**

**1. NOTES TO ACCOUNTS****Corporate Information**

Karnavati Finance Limited, incorporated on 05-12-1984 is a Non-banking Finance Company registered with Reserve Bank of India engaged in business of financing. The company has its registered office at 705, Palm Spring Centre, Above Croma, Near New Infinity Mall, Link Road, Malad (West), Mumbai - 400064 and Its Administrative & Corporate Office at "Vraj" 5<sup>th</sup> Floor, Near Teen Batti, Limda Lane, Jamnagar - 361001.

The Company is Non - deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) with effect from 24<sup>th</sup> February 1998, with Registration No. A-13.00064. RBI, vide the circular - 'Harmonisation of different categories of NBFCs' issued on 22 February 2019, with a view to provide NBFCs with greater operational flexibility and harmonization of different categories of NBFCs into fewer categories based on the principle of regulation by activity, merged the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC - Investment and Credit Company (NBFC-ICC). Accordingly, the Company has been reclassified as NBFC - Investment and Credit Company (NBFC-ICC).

The Company has initiated the process of obtaining the confirmation from suppliers who have registered under the Micro, Small and Medium enterprise development Act, 2006 (MSMED Act, 2006) based on the information available with the Company. The Balance due to micro and small enterprise as defined under MSMED Act, 2006 is Rs. 20,855. No Interest has been paid under MSMED Act, 2006 during the year.

The disclosures required in terms of paragraph 18 of the Non-Banking Financial Company - Non Systematically Important Non - Deposit taking (Reserve Bank) Directions, 2016 are given in the Annexure forming part of these Financial Statements.

**2. BASIS OF PREPARATION**

The financial statements of the company have been prepared in accordance with the Indian Accounting Standards (IND - AS) as per Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction - Non-Banking Financial Company - Non Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 ('the NBFC Master Directions') issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

For all periods up to and including the year ended 31 March 2019, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as 'Previous GAAP'). These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with IND - AS. The Company has applied IND - AS 101 'First-time Adoption of Indian Accounting Standards', for transition from previous GAAP to IND - AS.

Further the company follows prudential norms for Income Recognition, asset classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by the Reserve Bank of India (RBI) for Non - Banking Financial Companies.

**2.1.****a. IND AS - 1 Presentation of Financial Statement : -**

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

**Critical accounting estimates and judgments**

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based.

**b. IND AS - 101 First time adoption of IND AS: -**

These are the Company's first financial statements prepared in accordance with Ind AS.

The Company has prepared its Ind AS compliant financial statements for year ended on 31 March 2020, the comparative period ended on 31 March 2019 and an opening Ind AS Balance Sheet as at 1 April 2018 (the date of transition), as described in the summary of significant accounting policies.

**c. IND AS - 10 Events After the Reporting Period: -**

Effects of, events occurred after Reporting Period and having material effect on financial statements are reflected in the accounts at appropriate places.

**d. IND AS - 8 Accounting Policies, Changes in Accounting Estimates & Errors: -**

Material items of prior period, non-recurring and extra ordinary items are shown separately, If any.

**e. IND AS - 115 Revenue from contract with customer :-****Interest income**

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes

attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. The Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/nonpayment of contractual cash flows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

#### **Other revenue from operations**

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

#### **Taxes**

Incomes are recognised net of the Goods and Services Tax/Service Tax, wherever applicable.

#### **Expenditures**

##### **Finance costs**

Borrowing costs on financial liabilities are recognised using the EIR

##### **Fees and commission expenses**

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

#### **Taxes**

Expenses are recognised net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

### **f. IND AS - 109 Financial Instruments :-**

#### **(A) Financial Assets**

##### **I. Initial recognition and measurement**

All financial assets are recognised initially at fair value when the parties become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.

##### **II. Subsequent Measurement**

The Company classifies its financial assets into various measurement categories. The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

##### **a) Financial Assets measured at amortised cost**

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **b) Financial Assets measured at fair value through other comprehensive income (FVOCI)**

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **c) Financial Assets measured at fair value through profit or loss (FVTPL)**

A financial assets which is not classified in any of the above categories are measured at FVTPL.

#### **(B) Financial liabilities**

##### **a) Initial recognition and measurement**

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

##### **b) Subsequent Measurement**

Financial Liabilities are subsequently carried at amortized cost using the effective interest method.

#### **(C) Derecognition of Financial assets and Financial liabilities**

##### **a) Financial Assets**

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

**b) Financial Liability**

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in profit or loss.

**(D) Offsetting**

Financial assets and financial liabilities are generally reported gross in the balance sheet. Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the Company has a legal right to offset the amounts and intends to settle on a net basis or to realise the asset and settle the liability simultaneously in all the following circumstances:

- a) The Normal Course of business
- b) The Event of Default
- c) The Event of insolvency or bankruptcy of the company and/or its counterparties

**(E) Impairment of Financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit and loss.

**1) Overview of the Expected Credit Loss (ECL)**

Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

- At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.
- At an amount equal to 12 month expected credit losses if the credit risk on that financial instrument has not increased significantly since initial recognition.

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date.

The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses

Based on the above process, the company categorizes its loans into three stages as described below:

**For Non - Impaired financial assets**

- Stage 1 is comprised of all non-impaired financial assets which have not experienced a significant increase in credit risk (SICR) since initial recognition. A 12- Month ECL provision is made for stage 1 financial assets. In assessing whether credit risk has increased significantly, the company compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition.
- Stage 2 is comprised of all non-impaired financial assets which have experienced a significant increase in credit risk since initial recognition. The company recognises lifetime ECL for stage 2 financial assets. In subsequent reporting periods, if the credit risk of the financial instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then entities shall revert to recognizing 12 months ECL Provision.

**For impaired financial assets:**

Financial assets are classified as stage 3 when there is objective evidence of impairment as a result of one or more loss events that have occurred after initial recognition with a negative impact on the estimated future cash flow of a loan or a portfolio of loans. The company recognizes lifetime ECL for impaired financial assets.

**2) Estimation of Expected Credit Loss**

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

**Probability of Default (PD)** - The Probability of default is an estimate of the likelihood of default over a given time horizon.

The Company uses historical information where available to determine PD. Considering the different products and schemes, the Company has bifurcated its loan portfolio into various pools. For certain pools where historical information is available, the PD is calculated considering fresh slippage of past years. For those pools where historical information is not available, the PD/default rates as stated by external reporting agencies is considered.

**Exposure at Default (EAD)** - The Exposure at default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

**Loss Given Default (LGD)** - The Loss given default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realization of any collateral.

**g. IND AS - 16 Property, Plant and Equipment :-**

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

**Depreciation on property, plant and equipment**

- Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets, except buildings which is determined on written down value method.
- Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II - Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- Depreciation on leasehold improvements is provided on straight line method over the primary period of lease of premises or 5 years whichever is less.
- Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- Assets having unit value up to Rs. 5,000 is depreciated fully in the financial year of purchase of asset.
- An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognised.
- The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**h. IND AS 21 - The effects of changes in foreign exchange rates :-**

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency

**Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

**Conversion**

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

**Exchange differences**

All exchange differences are accounted in the Statement of Profit and Loss.

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transactions.

Any income or expenses on account of exchange difference either on settlement or on Balance sheet Valuation is recognized in the profit and loss account except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

**i. IND AS - 24 Related Party Disclosure :-**

The Disclosures of Transaction with the related parties as defined in the related parties as defined in the Accounting Standard are given in notes to account.

**j. IND AS - 33 Earnings Per Share :-**

Basic earnings per share are calculated by dividing the net profit or loss attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

The Weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, right issue that have changed the number of equity shares.

**k. IND AS - 12 Income Taxes :-**

**Current Tax:-**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred Taxes:**

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**l. IND AS - 37 Provisions Contingent liabilities and contingent assets :-**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**m. IND AS - 108 Operating Segments**

The Company is engaged in the business segment of Financing, whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated and to assess its performance, and for which discrete financial information is available. Further other business segments do not exceed the quantitative thresholds as defined by the Ind AS 108 on "Operating Segment". Hence, there are no separate reportable segments, as required by the Ind AS 108 on "Operating Segment".

**n. Cash and Cash Equivalents**

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

**o. Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

**i) Business Model Assessment**

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

**ii) Effective Interest Rate (EIR) Method**

The Company's EIR methodology, recognises interest income using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, probable fluctuations in collateral value as well as expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

**iii) Impairment of loans portfolio**

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

**iv) Defined employee benefit assets and liabilities**

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the

complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

**v) Fair Value Measurement**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

The Company considers a financial instrument as defaulted and therefore Stage 3 (credit-impaired) for Expected Credit.

Loss (ECL) calculations in all cases when the borrower becomes 90 days past due on its contractual payments. As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2, as appropriate.

It is the Company's policy to consider a financial instrument as 'cured' and therefore re-classified out of Stage 3 when none of the default criteria have been present for at least three consecutive months. The decision whether to classify an asset as Stage 2 or Stage 1 once cured depends on the updated credit grade, at the time of the cure, and whether this indicates there has been a significant increase in credit risk compared to initial recognition.

#### Exposure at Default (EAD)

The Exposure at Default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest.

#### Probability of default (PD)

The Probability of Default is an estimate of the likelihood of default over a given time horizon. To calculate the ECL for a Stage 1 loan, the Company assesses the possible default events within 12 months for the calculation of the 12 month ECL. For Stage 2 and Stage 3 financial assets, the exposure at default is considered for events over the lifetime of the instruments. The Company uses historical information wherever available to determine PD. PD is calculated using Incremental 91 DPD approach considering fresh slippage using historical information.

Company's internal credit rating grades and staging criteria for loans are as follows:

Rating	Loan Days past Due (DPD)	Stages
High Grade	Not Yet Due	Stage 1
Standard Grade	1 - 30 DPD	Stage 1
Sub - Standard Grade	31 - 60 DPD	Stage 2
Past due but not impaired	61 - 90 DPD	Stage 2
Individually Impaired	91 DPD or Mores	Stage 3

32. The SARS-Cov-2 virus is responsible for Covid-19 that spreads in a world including our country. It contributes to a significant deadline and volatility in global and Indian Financial Markets and having a significant decrease in the economic activities in international markets including in our country.

On March 11, 2020 the Covid-19 outbreaks declared as a global pandemic by World Health Organization (WHO). On March 24, 2020, the Government of India has announced a strict 21 days lockdown which kept getting on extended across the country with gradual and modest relaxations.

There was no disbursement done during the period however the collection being banking based continued. Further as per RBI moratorium period the board of directors of the company has decided to provided certain relaxations to its customers, as, Majority of customers are regular paying their dues so In this pandemic situation rather than giving new loan to unknown customers of company and to minimize risk, we can increase the timeline of loan to the customers whoever demand after considering other situation/s in case to case basis.

The Company has, based on current available information estimated and applied management overlays based on the policy approved by the Board of Directors for the purpose of determination of the provision for impairment of financial assets. Given the uncertainty over the potential macro-economic impact, the Company's management has considered internal and external information including credit reports and economic forecasts up to the date of approval of these financial results. Accordingly, the provision for expected credit loss on financial assets as at 31 March 2020 aggregates Rs. 216.51 lakh (as at March 31 2019, Rs. 67.27 lakh).

The operations of the Company were shut down as per the lockdown norms of Government of India as given on March 23, 2020. The administrative work of the company was continued through work from home facility to the best possible extent in order to comply with duly applicable legal framework.

Further, in compliance with the various directives of the Government of India, operations of the Company have been, resumed in the permitted manner. The company is complying with all the conditions imposed by the Government of India, State Government(s), Local authorities and undertaking the necessary measures for safeguarding health & safety of the employees of the company. The Company has taken various safety steps such as thermal screening of all employees and visitors, maintaining of social distancing at all work places, sanitizing the premises on regular basis and enforcing wearing of mask etc. In our efforts for the health and wellbeing of employees, steps have been taken to ensure efficient workplace; have moved meetings and trainings to virtual formats up to the extent possible.

#### Details of impact of Covid-19 on the company:

Capital and financial resources - The Company has adequate, capital and financial resources to run its business operations.

Profitability- The Company have recognized provisions as on March 31, 2020 towards its assets including loans based on the information available at this point of time including economic forecasts and various other (parameters, in accordance with the Expected Credit Loss (ECL) method but it is difficult to foresee the final impact, so company keep on monitoring the overall situation and will recalibrate the model accordingly. The Company is taking various steps to control the operating cost.

Liquidity position - The current liquidity position of the Company is comfortable and believes that going forward also liquidity and internal accruals shall be sufficient to continue business operations. Meanwhile, the company is also in discussions with various institutions for raising funds.

Assets - The economic disruption brought by the COVID-19 lockdown will have a severe impact on the incomes of borrowers for several months depending on the intensity and spread of the outbreak. The RBI has provided a 6-month moratorium to provide a temporary reprieve but the ability to return to steady state operations depends on how quick the industry scales up production. This results in an increase in the credit risk.

Internal Financial Reporting and Control - The Company has, in all material respects, an adequate internal financial controls system over financial reporting.

We may like to state that the foregoing expressions are initial assessment of the situation and the final impact of any activities can only be assessed once the normal economic activities commence and situation stabilizes.
