Item No.:-3**Approval of Material Related Party Transactions:- Ordinary Resolution**

Pursuant to the provision of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR"), all material related party transactions shall require the approval of the shareholders.

Company took approval/ratification of Members for the RPT's entered/to be entered in the 35th Sr. No. Annual General Meeting held on September 25, 2019 for Expected value of transaction(s) to be entered into individually or taken together with previous transactions during a financial year for Expected maximum value over 3 financial years starting from 2018-19.

Accordingly, the approval of the shareholders by way of an Ordinary Resolution is sought under Regulation 23 of LODR for arrangements/ transactions/ contracts hitherto entered or to be enter into with Related Parties in one or more tranches. The particulars of the Related Party Transactions for which approval/ratification of the Members is sought, are as follows:

Sr. No.	Name of Related Party	Nature of Relationship	Type of Transaction(s)	Maximum Value* of Transaction in every financial year
1.	Mr. Jay Morzaria	Chairman and Managing Director	Receipt of Unsecured Loan from him and payment of Interest thereon at rate not exceeding the Bank Rate or 8.00%, whichever is higher	Up to Rs. 10.00 Crore individually or in aggregate and payment of interest thereon not exceeding the Bank Rate or 8.00%, whichever is higher

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**BACKGROUND**

Karnavati Finance Limited (KFL) is a Non-Banking Finance Company ("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI"). The KFL is non-deposit accepting NBFC engaged in financial services. The market for this activity offers high potential for growth. The company is giving loan including personal loan, business loan, vehicle loan and loan against property to individuals as well as non-individual customers and also providing services of money changing via. FPMC License and is operating from Mumbai having its corporate office in Jamnagar.

More than half of personal savings in India are invested in physical assets such as land, houses, cattle and gold. The Indian money market is classified into:

- a) The organized sector (comprising private, public and foreign owned commercial banks and cooperative banks, together known as scheduled banks); and
- b) The unorganized sector (comprising individual or family owned indigenous bankers or money lenders and non-banking financial companies (NBFCs). The unorganized sector and microcredit are still preferred over traditional banks in rural and sub-urban areas, especially for non-productivity purposes, like ceremonies and short duration loans.

Since liberalization, the government has approved significant banking reforms. While some of these relate to nationalized banks (like encouraging mergers, reducing government interface and increasing profitability and competitiveness) other reforms have opened up the banking and insurance sectors to private and foreign players.

Non-Banking Financial Companies (NBFC) are an integral part of the Indian Financial system, augmenting competition and diversification in the financial sector and complementing the banking system. The Indian NBFC sector has been providing credit to customers in the underserved and unbanked areas. Their channeling the savings and investments of customers and the subsequent capital formation is necessary for India's economic growth and development. Their ability to innovate products in conformity with the needs of their clients is well established.

GLOBAL ECONOMY

The global economy is set to expand 5.6 percent in 2021—its strongest post-recession pace in 80 years. This recovery is uneven and largely reflects sharp rebounds in some major economies—most notably the United States, owing to substantial fiscal support—amid highly unequal vaccine access. In many emerging market and developing economies (EMDEs), elevated COVID-19 caseloads, obstacles to vaccination, and a partial withdrawal of macroeconomic support are offsetting some of the benefits of strengthening external demand and elevated commodity prices. By 2022, global output will remain about 2 percent below pre-pandemic projections, and per capita income losses incurred last year will not be fully unwound in about two-thirds of EMDEs. The global outlook remains subject to significant downside risks, which include the possibility of large COVID-19 waves in the context of new virus variants and financial stress amid high EMDE debt levels. Controlling the pandemic at the global level will require more equitable vaccine distribution, especially for low-income countries. The legacies of the pandemic exacerbate the challenges facing policy makers as they balance the need to support the recovery while safeguarding price stability and fiscal sustainability. As the recovery becomes more entrenched, policy makers also need to continue efforts toward promoting growth-enhancing reforms and steering their economies onto a green, resilient, and inclusive development path.

Uncertainty about the length and depth of this health crisis propelled economic and financial crisis. Very well respected studies have suggested that emerging market and developing economies could suffer output losses of 3-8 percent in the short term.

INDIAN ECONOMY

In India, the pandemic hit the economy at a time when growth was already decelerating. India's economy is estimated to contract by 9.6 per cent in the fiscal year 2020-21, reflecting a sharp drop in household spending and private investment, and the growth is expected to recover to 5.4 per cent in 2021.

In its Global Economic Prospects report, the World Bank said that the informal sector, which accounts for four-fifths of employment, has been subject to severe income losses during the Covid-19 pandemic.

In India, growth is expected to recover to 5.4 per cent in 2021, as the rebound from a low base is offset by muted private investment growth given financial sector weaknesses. In the financial sector, non-performing loans were already high before the pandemic.

The informal sector, which accounts for four-fifths of employment, has also been subject to severe income losses during the pandemic. Recent high-frequency data indicate that the services and manufacturing recovery are gaining momentum.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Non-banking finance companies (NBFCs), an integral component of the Indian lending ecosystem, could see a major impact of COVID-19 on their liquidity position and asset liquidity in the financial year 2020-21 due to complete halt of economic activity due to massive lockdown. Before the coronavirus outbreak, RBI and the government took several measures to support NBFCs since August 2019, especially after credit crisis and confidence crisis in the NBFC sector, due to default by some major financial institutions in Infra

sector. The COVID-19 pandemic clipped the recovery. Small and medium sized NBFCs are most at risk due to disruption caused by the COVID-19 pandemic. The central bank has sought to cushion borrowers and lenders against the coronavirus outbreak effect, allowing companies a six month grace period on loan repayments. In last 2 months, several measures have been taken by RBI and Finance Ministry to boost liquidity and economy as follows;

Measures taken by RBI

Repo Rate and Reverse Repo Rate: RBI keeps Repo Rate unchanged at 4.00%. Reverse repo rate also remains unchanged at 3.35%.

CRR: it has been decided to gradually restore the CRR in two phases in a non-disruptive manner. Accordingly, banks are required to maintain the CRR at 3.50 per cent of their NDTL effective from the reporting fortnight beginning March 27, 2021 and 4.00 per cent of their NDTL effective from fortnight beginning May 22, 2021.

The minimum daily CRR balance requirement was reduced from 90.0% to 80.0% effective from the fortnight beginning March 28, 2020. This was allowed up to September 25, 2020.

Banks and other lending institutions were allowed to provide a moratorium on all term loans (including agriculture term loans, retail and crop loans). Initially the moratorium was permitted for three months on payment of installments falling due between March 1, 2020 to May 31, 2020, which was subsequently extended by another three months to August 31, 2020. Interest would continue to accrue on the outstanding portion of the term loan during the moratorium period. Installments include principal and/or interest component, bullet repayments, equated monthly installments and credit card dues.

Loan Moratorium: In March, RBI Governor announced that lenders could give a moratorium of 3 months from March 2020 to May 2020 which was further extended by 3 months in May 2020 from June 2020 to August 2020 on repayment of all term loans. Those accounts that have availed the moratorium facility, the period of moratorium will be excluded from the 90 days NPA classification norms of RBI.

The Corporation offered the moratorium to eligible customers through the 'opt-in' mechanism during the moratorium period. Post the moratorium period, the movement of ageing has been at actuals. As at March 31, 2021, there are nil accounts where asset classification benefits are extended. The Corporation has made adequate provisions for impairment loss as per its Expected Credit Loss model. Disclosures are provided in the notes forming part of the standalone financial statement.

During the quarter ended September 30, 2020 and December 30, 2020, no additional borrower accounts under moratorium granted category were classified as NPA which was not declared as NPA till August 31, 2020. The Corporation, however, classified such accounts as stage 3 and provisioned accordingly in the Statement of Profit and Loss. Such accounts were also reported as proforma NPA numbers during the quarter ended September 30, 2020 and December 31, 2020. Further details on asset quality is provided elsewhere in this report.

As a COVID-19 relief scheme, the government announced a grant of ex-gratia payment of the difference between compound interest and simple interest for six months to eligible borrowers for the period March 1, 2020 up to August 31, 2020, irrespective of whether the moratorium was availed or not. The ex-gratia payment by the government was for certain categories of loans such as housing loans, consumer loans, MSME loans amongst others, which were standard as at February 29, 2020 and the aggregate facilities with all lending institutions did not exceed ₹ 2 crore.

In November 2020, the Corporation implemented the scheme and credited the accounts or remitted the amounts to eligible borrowers. Of the Corporation's total claim of ₹ 278 crore, an amount of ₹ 213 crore was received from the government.

Following the Hon'ble SC judgement dated March 23, 2021, RBI in April 2021 instructed lenders to refund/ adjust interest on interest charged to all borrowers during the moratorium period i.e. March 1, 2020 to August 31, 2020, irrespective whether the moratorium had been availed or not. The methodology for determining the amount of interest on interest was issued by the Indian Banks' Association

TLTRO 1.0 & 2.0: Overall, the total liquidity support announced by RBI since February 6, 2020 up to March 31, 2021, amounted to Rs. 13.6 lac crore. This entailed a combination of open market operations, variable rate repos, long-term repo operations, targeted long-term repo operations (TLTRO 1.0 and 2.0), reduction in the cash reserve ratio and statutory liquidity ratio of banks, special liquidity facility for mutual funds, refinance lines to NABARD, SIDBI, NHB and Exim Bank and simultaneous purchase and sale of securities under special open market operations to better manage the yield curve. The banking system remained in surplus throughout FY21 and the surplus ranged between Rs. 2.1 lac crore and Rs. 6.7 lac crore

SPECIAL RE-FINANCE FACILITY: National Housing Bank (NHB) has rolled out a ₹10,000-crore 'Special Refinance Facility-2021' (SRF-2021) to provide short term refinance support to housing finance companies (HFCs) and other eligible Primary Lending Institutions (PLIs). This facility is expected to meet the short-term liquidity requirements of the PLIs and will also support them for onward lending to individuals to maintain steady growth in the housing finance sector, according to NHB. This NHB initiative comes on the heels of the Reserve Bank of India (RBI) extending fresh support (in the recent monetary policy review) under another Special Liquidity Facility-2 (SLF-2) of ₹ 10,000 crore to the NHB for one year to support the housing sector.

OPPORTUNITIES AND THREATS OPPORTUNITIES:

- Diversified portfolio products across personal finance, business finance and mortgage finance (Loan against property)
- Opening of financial sector in India along with Introduction of Innovative products
- Strong relationship with public, private as well as banks, institutions and investors
- Focus on MSME segments traditionally not served by banks
- Large untapped rural and urban markets.

- Enhanced digital solutions for business and collections

THREATS:

- Slower economic activity and weak rural demand could lead to high credit costs due to COVID-19 pandemic
- Increased competition across the company's product segments from captive finance companies and small finance banks
- Inadequate availability of bank finance and upsurge in borrowing cost
- External risks associated with liquidity stress, political uncertainties, fiscal slippage concerns, etc.
- Growing number of Fintech companies.
- Attraction and retention of human capital

RESOURCES AND LIQUIDITY

During the year under review, KFL has not raised any funds from the market by way of allotment of shares/bonds/ warrants/debentures, or by raising public deposits etc.

PORTFOLIO

KFL's investment portfolio stood at Rs. 186,933,178/- as on March 31, 2022. KFL's strategy for its portfolio is to focus on asset quality and asset mix to achieve good returns.

OUTLOOK

Estimates of India's GDP for fiscal 2022, by various agencies and analysts, indicate a strong growth in GDP. However, in March-April 2021, the second wave of the Covid-19 pandemic, where the number of new cases has increased significantly in India, has resulted in reimposition of localised/regional lock-down measures in various parts of the country. Going forward, economic activity will depend on the trajectory of the second wave of Covid-19, the progress of the vaccination programme and the restrictions on activity and the period for which they continue. A prolonged period of economic weakness caused by the second wave of the pandemic and uncertainty regarding normalisation could continue to impact banking sector loan growth, revenues, margins, asset quality and credit costs in fiscal 2022.

RISK MANAGEMENT

As in the case of any lending entity, the entire proposition of the Company – providing finance to various segments of the economy is

on the fundamentals of managing the risk rather than avoiding it. With proper operational systems in place, the Company successfully manages these risks which also help in achieving the desired outcome, while fixing responsibility and accountability. The Board is responsible for monitoring and reviewing of the risk and taking steps to mitigate the same.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal control system to commensurate with the size, scale and complexity of its operations and nature to ensure smooth business operation to provide reasonable assurance that all assets are safeguarded and protected from any kind of loss or misuse, transactions are authorized, recorded and reported properly and that all applicable statutes and corporate policies are duly complied with.

SUBSIDIARY COMPANY

As there are no subsidiaries of the company, investment made in subsidiaries is nil.

HUMAN RESOURCES

The Company takes pride in the commitment, competence and dedication of its employees in all areas of the business. The Company is committed to nurturing, enhancing and retaining its top talent through superior learning and organizational development. This is a critical pillar to support the organization's growth and its sustainability in the long run. The Company also has zero tolerance for harassment of women at workplace. The overall industrial relations atmosphere continued to be cordial.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE

The company operates in only single segment. Hence segment wise performance is not applicable.

CAUTIONARY STATEMENT

This report describing the company's activities, projections about future estimates, assumptions with regard to global economic conditions, government policies, etc may contain "forward looking statements" based on the information available with the company. Forward-looking statements are based on certain assumptions and expectations of future events. These statements are subject to certain risks and uncertainties. The company cannot guarantee that these assumptions and expectations are accurate or will be realized. The actual results may be different from those expressed or implied since the company's operations are affected by the many external and internal factors, which are beyond the control of the management. Hence the company assumes no responsibility in respect of forward-looking statements that may be amended or modified in future on the basis of subsequent developments, information or events. Company follows all Mandatory Accounting Standards

To the members of Karnavati Finance Limited**Report on the financial statements and quarterly financial results**

We have audited the accompanying financial statements of Karnavati Finance Limited (the “Company”), which comprise the Balance sheet as at March 31, 2022, and the Statement of Profit and Loss for the period then ended, the Cash flow Statement for the year ended March 31, 2022 and a summary of significant accounting policies and other explanatory information.

Management’s responsibility for the financial statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditors’ responsibility

Our objectives are to obtain reasonable assurance about whether the Statement as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion. Forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify

our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing Standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view of in conformity with the:

- (a) In the case of Balance sheet, of the State of Affairs of the Company as at March 31, 2022; and
- (b) In the case of Statement of profit and loss, of the Profit for the Year ended on March 31, 2022; and
- (c) Its cash flow statement for the year ended March 31, 2022.
- (d) Statement of changes in the equity for the year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters How addressed in Audit	How addressed in Audit
Indian Accounting Standards (Ind-AS) as specified under Section 133 of the Act, read with relevant rules there under have been made mandatorily applicable for specified Non-Banking Finance Companies applicable with effect from April 1st, 2019 and consequently these standalone financial statements have been prepared by the management in compliance with the Ind AS framework. As against the provisioning norms earlier prescribed by Reserve Bank of India and adopted by the company in prior years, Ind-AS 109 (Financial Instruments) requires the Company to recognise Expected credit Loss (ECL) on financial assets, which involves application of significant judgement and estimates including use of key assumptions such as probability of default and loss given default	<p>We have evaluated the management's process and tested key controls around the determination of expected credit loss allowances, including controls relating to:</p> <ul style="list-style-type: none"> – The identification of events leading to a significant increase in risk and credit impairment events; and <p>The determination of the impaired credit loss allowances and the key assumptions including probability of default and loss given default on a forward looking basis having regard to historical experiences.</p> <p>We understood and assessed the appropriateness of the impairment methodology developed and used by the management at the entity level. This included assessing the appropriateness of key judgements. We tested the accuracy</p>

Refer Note 30 to the Financial Statements	<p>of key data inputs and calculations used in this regard.</p> <p>We found that these key controls as above, were designed, implemented and operated effectively, and therefore have placed reliance on these key controls for the purposes of our audit of ECL and impairment loss allowances</p>
---	---

Emphasis of Matters

We draw attention to note 32 to the Ind AS financial statements, which describes the uncertainty caused by Novel Coronavirus (COVID-19) pandemic with respect to the Company's estimates of impairment of loans to customers and that such estimates may be affected by the severity and duration of the pandemic. Our opinion is not modified in respect of this matter.

We would like to draw emphasis on the matter of Contingent Liability (Refer Note 24 to financial statements) on Inter Corporate Loan which arises through the pass through transaction on NIM basis entered by the Company, consequent to asset under pass through arrangement becoming NPA on account of dispute in transaction. Loss likely to arise is to the extent of interest liability on account of negative outcome of litigation. Our opinion is not modified in respect of this matter.

Information Other than the Financials Statements and Auditor's Report thereon (Other Information)

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Corporate Overview, Board's Report, Management Discussion and Analysis Report and Report on Corporate Governance in the Annual Report of the Company for the financial year 2021-22, but does not include the financial statements and our auditor's report thereon. The reports containing the other information as above are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

Annexure 2 to The Independent Auditor's Report Of Even Date On The Financial Statements Of Karnavati Finance Limited**Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Karnavati Finance Limited ("the company") as of 31st March 2022 in conjunction with our Audit of the standalone financial statements of the company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the standards on Auditing ,issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external Purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company,(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with authorizations of management and directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls , material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company , has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by Institute of Chartered Accountants of India.

Notes:-

1	The above results were reviewed by the Audit committee and subsequently approved and taken on record by the Board of Directors of the company at its board meeting held on May 29, 2022. The statutory auditor of the company have carried out audit of the above Financial Results and have issued the limited review report for the quarter and year ended on March 31 2022.
2	The company has adopted Indian Accounting Standards (IND-AS) notified under section 133 of Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standard) Rules 2015, from April 01, 2019 and the effective date of such transition is April 01, 2018, such transition has been carried out from the erstwhile Accounting Standard notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ('the RBI') (collectively referred to as extant Income Recognition Asset Classification and Provisioning (IRACP) norms issued by RBI solely for comparative puposes as specified therein. The aggregate impairment loss on application of expected credit loss method as per Ind AS, as stated above, is more than the provisioning required under IRACP norms (including standard asset provisioning). These financial results may require further adjustments, if any, necessitated by further guidelines/ clarifications/ directions issued in the future by RBI, Ministry of Corporate Affairs or other regulators, which will be implemented as and when the same are issued. / made applicable.
3	The Company is primarily engaged in the financing activity and there are no separate reportable segments identified as per the IND-AS 108 - segment reporting.
4	During the quarter and year on adoption of IND AS as per Ind AS 109 Interest Income is recognised on all assets excluding NPA and further the NPA Provision is made proposately based on Asset Classification based on IRAC Norms as prescribed by RBI, so Income is recognised on net carrying amount and NPA provision is made on Net amount based on Classification of Asset.
5	In accordance with the provisions of Section 115BAA of the Income Tax Act, 1961, the Company has opted to pay income tax at a reduced rate of 22% (plus surcharge @ 10% and cess @ 4%) with effect from the current financial year (as against earlier rate of 25% plus cess @ 4%). Consequently, tax expense for the year comprising current and deferred tax as per Indian Accounting Standards (ND AS -12) (Income Taxes) have been recognized using the reduced tax rates applicable.
6	The figures for the quarter ended March 31, 2022 and March 31, 2021 are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to nine months of relevant financial year, which were subjected to limited review by the auditors.
7	The figures for the previous quarter/period have been regrouped/rearranged wherever necessary to conform to the current period presentation.

The company has its registered office at 705, Palm Spring Centre, Above Croma, Near New Infinity Mall, Link Road, Malad (West), Mumbai – 400064 and Its Administrative & Corporate Office at “Vraj” 5th Floor, Near Teen Batti, Limda Lane, Jamnagar – 361001

The Company is Non - deposit taking non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) with effect from 24th February 1998, with Registration No. A-13.00064. RBI, vide the circular – ‘Harmonization of different categories of NBFCs’ issued on 22 February 2019, with a view to provide NBFCs with greater operational flexibility and harmonization of different categories of NBFCs into fewer categories based on the principle of regulation by activity, merged the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) into a new category called NBFC – Investment and Credit Company (NBFC-ICC). Accordingly, the Company has been reclassified as NBFC – Investment and Credit Company (NBFC-ICC).

The Company has initiated the process of obtaining the confirmation from suppliers who have registered under the Micro, Small and Medium enterprise development Act, 2006 (MSMED Act, 2006) based on the information available with the Company. The Balance due to micro and small enterprise as defined under MSMED Act, 2006 is Rs. 82,017. No Interest has been paid under MSMED Act, 2006 during the year.

The disclosures required in terms of paragraph 18 of the Non Banking Financial Company - Non Systematically Important Non - Deposit taking (Reserve Bank) Directions, 2016 are given in the Annexure forming part of these Financial Statements.

2. Basis of Preparation

The financial statements of the company have been prepared in accordance with the Indian Accounting Standards (IND - AS) as per Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company – Non Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

For all periods up to and including the year ended 31 March 2022, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as ‘Previous GAAP’). These financial statements for the year ended 31 March 2022 are prepared in accordance with IND - AS.

Further the company follows prudential norms for Income Recognition, asset classification and provisioning for Non-performing assets as well as contingency provision for standard assets as prescribed by the Reserve Bank of India (RBI) for Non - Banking Financial Companies.

2.1

a. IND AS - 1 Presentation of Financial Statement :-

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognized amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

Critical accounting estimates and judgments

The preparation of the Company’s financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management’s estimates are based.

b. IND AS - 10 Events After the Reporting Period: -

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Effects of, events occurred after Reporting Period and having material effect on financial statements are reflected in the accounts at appropriate places.

c. IND AS - 8 Accounting Policies, Changes in Accounting Estimates & Errors: -

Material items of prior period, non-recurring and extra ordinary items are shown separately, If any.

d. IND AS – 115 Revenue from contract with customer :-

Interest income

The Company recognizes interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortized cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortized cost of a financial liability.

The Company recognizes interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. The Company recognizes interest income on the amortized cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/nonpayment of contractual cash flows is recognized on realization.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognized at the contractual rate of interest.

Other revenue from operations

The Company recognizes revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognizes revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

Taxes

Incomes are recognized net of the Goods and Services Tax/Service Tax, wherever applicable.

Expenditures

Finance costs

Borrowing costs on financial liabilities are recognized using the EIR

Fees and commission expenses

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognized in the Statement of Profit and Loss on an accrual basis.

Taxes

Expenses are recognized net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

e. IND AS - 109 Financial Instruments :-

A) Financial Assets

I. Initial recognition and measurement

All financial assets are recognized initially at fair value when the parties become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.

II. Subsequent Measurement

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The Company classifies its financial assets into various measurement categories. The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

a) Financial Assets measured at amortized cost

A financial asset is measured at Amortized Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at fair value through profit or loss (FVTPL)

A financial assets which is not classified in any of the above categories are measured at FVTPL.

B) Financial liabilities

a. Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts

b. Subsequent Measurement

Financial Liabilities are subsequently carried at amortized cost using the effective interest method.

C) Derecognition of Financial assets and Financial liabilities

a) Financial Assets

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

b) Financial Liability

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognized in profit or loss.

D) Offsetting

Financial assets and financial liabilities are generally reported gross in the balance sheet. Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the Company has a legal right to offset the amounts and intends to settle on a net basis or to realize the asset and settle the liability simultaneously in all the following circumstances:

- a) The Normal Course of business
- b) The Event of Default
- c) The Event of insolvency or bankruptcy of the company and/or its counterparties

E) Impairment of Financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit and loss.

1) Overview of the Expected Credit Loss (ECL)

Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

- At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.
- At an amount equal to 12 month expected credit losses if the credit risk on that financial instrument has not increased significantly since initial recognition.

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date.

The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses

Based on the above process, the company categorizes its loans into three stages as described below:

For Non – Impaired financial assets

- Stage 1 is comprised of all non-impaired financial assets which have not experienced a significant increase in credit risk (SICR) since initial recognition. A 12- Month ECL provision is made for stage 1 financial assets. In assessing whether credit risk has increased significantly, the company compares the risk of a default occurring on the financial asset as at the reporting date with the risk of a default occurring on the financial asset as at the date of initial recognition.
- Stage 2 is comprised of all non-impaired financial assets which have experienced a significant increase in credit risk since initial recognition. The company recognises lifetime ECL for stage 2 financial assets. In subsequent reporting periods, if the credit risk of the financial instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then entities shall revert to recognizing 12 months ECL Provision.

For impaired financial assets:

Financial assets are classified as stage 3 when there is objective evidence of impairment as a result of one or more loss events that have occurred after initial recognition with a negative impact on the estimated future cash flow of a loan or a portfolio of loans. The company recognizes lifetime ECL for impaired financial assets.

2) Estimation of Expected Credit Loss

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

Probability of Default (PD) – The Probability of default is an estimate of the likelihood of default over a given time horizon.

The Company uses historical information where available to determine PD. Considering the different products and schemes, the Company has bifurcated its loan portfolio into various pools. For certain pools where historical information is available, the PD is calculated considering fresh slippage of past years. For those pools where historical information is not available, the PD/default rates as stated by external reporting agencies is considered.

Exposure at Default (EAD) – The Exposure at default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

Loss Given Default (LGD) – The Loss given default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realization of any collateral.

f. IND AS - 16 Property, Plant and Equipment :-

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

Depreciation on property, plant and equipment

- a) Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets, except buildings which is determined on written down value method.
- b) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- c) Depreciation on leasehold improvements is provided on straight line method over the primary period of lease of premises or 5 years whichever is less.

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

d) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.

e) Assets having unit value up to Rs. 5,000 is depreciated fully in the financial year of purchase of asset.

f) An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognized.

g) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g. IND AS 21 – The effects of changes in foreign exchange rates :-

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences

All exchange differences are accounted in the Statement of Profit and Loss.

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transactions.

Any income or expenses on account of exchange difference either on settlement or on Balance sheet Valuation is recognized in the profit and loss account except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

h. IND AS – 24 Related Party Disclosure :-

The Disclosures of Transaction with the related parties as defined in the related parties as defined in the Accounting Standard are given in notes to account.

i. IND AS – 33 Earnings Per Share :-

Basic earnings per share are calculated by dividing the net profit or loss attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

The Weighted average number of equity shares outstanding during the period is adjusted for the events such as bonus issue, right issue that have changed the number of equity shares.

j. IND AS - 12 Income Taxes :-

Current Tax:-

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Current tax relating to items recognized outside profit or loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Taxes:-

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilized

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets, if any, are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

k. IND AS – 37 Provisions Contingent liabilities and contingent assets :-

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

l. IND AS – 108 Operating Segments

The Company is engaged in the business segment of Financing, whose operating results are regularly reviewed by the entity's chief operating decision maker to make decisions about resources to be allocated and to assess its performance, and for which discrete financial information is available. Further other business segments do not exceed the quantitative thresholds as defined by the Ind AS 108 on "Operating Segment". Hence, there are no separate reportable segments, as required by the Ind AS 108 on "Operating Segment".

m. Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if any, as they are considered an integral part of the Company's cash management.

n. Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

i) Business Model Assessment

KARNAVATI FINANCE LIMITED
FOR THE YEAR ENDED ON 31ST MARCH, 2022
NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortized cost or fair value through other comprehensive income that are derecognized prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

ii) Effective Interest Rate (EIR) Method

The Company's EIR methodology, recognizes interest income using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given and recognizes the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments, probable fluctuations in collateral value as well as expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

iii) Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

iv) Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

v) Fair Value Measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

30. Risk Management

The Company's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance and support the company's operations. The Company's principal financial assets include loans, investments, cash and cash equivalents and other receivables that are derived directly from its operations. As a financial lending institution, Company is exposed to various risks that are related to lending business and operating environment. The principal objective in Company's risk management processes is to measure and monitor the various risks that Company is subject to and to follow policies and procedures to address such risks.

The Company's Risk Management Committee of the Board of directors constituted in accordance with the Reserve Bank of India regulations has overall responsibility for overseeing the implementation of the Risk Management Policy. The committee meets at least twice in a year to review the Risk Management practices. Risk Management department periodically places its report to the committee for review. The committee's suggestions for improving the Risk Management Practices are implemented by the Risk Management department.

Risk Management department shall be responsible for the following:

- a) Identifying the various risks associated with the activities of the Company and assessing their impact on the business.
- b) Measuring the risks and suggesting measures to effectively mitigate the risks.
However, the primary responsibility for managing the various risks on a day to day basis will be with the heads of the respective business units of the company.

The Company is generally exposed to credit risk, liquidity risk, market risk and operational risk.

Impairment Assessment

The Company is mainly engaged in the business of providing Personal loans, Business Loan, Term Loan & Loan against property. The tenure of the loans generally is for 12 to 60 months.

The Company also provides unsecured personal loans to salaried individuals and unsecured loans to traders and self-employed. The tenure of the loans ranges from 12 months to 60 months.

The Company's impairment assessment and measurement approach is set out in this note. It should be read in conjunction with the Summary of significant accounting policies.

Definition of default and cure

The Company considers a financial instrument as defaulted and therefore Stage 3 (credit-impaired) for Expected Credit.

Loss (ECL) calculations in all cases when the borrower becomes 90 days past due on its contractual payments. As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2, as appropriate.

It is the Company's policy to consider a financial instrument as 'cured' and therefore re-classified out of Stage 3 when none of the default criteria have been present for at least three consecutive months. The decision whether to classify an asset as Stage 2 or Stage 1 once cured depends on the updated credit grade, at the time of the cure, and whether this indicates there has been a significant increase in credit risk compared to initial recognition.

Exposure at Default (EAD)

The Exposure at Default is an estimate of the exposure at a future default date, considering expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest.

Probability of default (PD)

The Probability of Default is an estimate of the likelihood of default over a given time horizon. To calculate the ECL for a Stage 1 loan, the Company assesses the possible default events within 12 months for the calculation of the 12 month ECL. For Stage 2 and Stage 3 financial assets, the exposure at default is considered for events over the lifetime of the instruments. The Company uses historical information wherever available to determine PD. PD is calculated using Incremental 91 DPD approach considering fresh slippage using historical information.

Company's internal credit rating grades and staging criteria for loans are as follows:

Rating	Loan Days past Due (DPD)	Stages
High Grade	Not Yet Due	Stage 1
Standard Grade	1 – 30 DPD	Stage 1
Sub – Standard Grade	31 – 60 DPD	Stage 2
Past due but not impaired	61 – 90 DPD	Stage 2
Individually Impaired	91 DPD or Mores	Stage 3

Details of impact of Covid-19 on the company:

Capital and financial resources - The Company has adequate, capital and financial resources to run its business operations.

Profitability- The Company have recognized provisions as on March 31, 2022 towards its assets including loans based on the information available at this point of time including economic forecasts and various other (parameters, in accordance with the Expected Credit Loss (ECL) method but it is difficult to foresee the final impact, so company keep on monitoring the overall situation and will recalibrate the model accordingly. The Company is taking various steps to control the operating cost.

Liquidity position - The current liquidity position of the Company is comfortable and believes that going forward also liquidity and internal accruals shall be sufficient to continue business operations. Meanwhile, the company is also in discussions with various institutions for raising funds.

Assets - The economic disruption brought by the COVID-19 lockdown will have a severe impact on the incomes of borrowers for several months depending on the intensity and spread of the outbreak. The RBI had provided a 6-month moratorium to provide a temporary reprieve but the ability to return to steady state operations depends on how quick the industry scales up production. This results in an increase in the credit risk.

Internal Financial Reporting and Control - The Company has, in all material respects, an adequate internal financial controls system over financial reporting.

We may like to state that the foregoing expressions are initial assessment of the situation and the final impact of any activities can only be assessed once the normal economic activities commence and situation stabilizes.
