## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management's views on the Company's Performance and outlook are discussed below:

### ECONOMIC OUTLOOK:

The fundamentals of India's economy remain robust, and the service sector is catching up. This is further backed by the corporate sector's improved performance, as evidenced by the uptrend witnessed in the quarterly results. India is expected to witness a GDP growth of 7.2% in FY 2022-23. The Government's substantial capital spending program, as envisaged in the Union Budget 2022 along with a healthy financial system, is well-positioned to attract private investment by reviving economic activity and boosting demand. The Indian economy is buoyed by significant Foreign Exchange reserves which exceed its level of external debt, placing it favourably. Furthermore, with the central banks globally as well as in India engaging in gradual and calibrated withdrawal of liquidity, this would foster growth in a non-disruptive manner. However, the impacts of further outbreak of Covid-19 and its variants and the ongoing geopolitical crisis owing to the Russia-Ukraine war needs to be monitored closely.

The industry which was already undergoing a major crisis was further affected due to decline in disbursement. However, with the support and focus of the Government and various liquidity measures by The Reserve Bank of India (RBI) such as repo rate cut, Targeted Long-term Repo Operations, Special Liquidity Scheme and Partial Credit Guarantee Scheme, NBFCs surpassed their pre-Covid-19 levels of disbursements in the Q4 of FY21. The total credit outstanding from the NBFCs segment in India for FY 2020-21 stood at Rs 23.75 Trillion and is expected to grow by 6% to 7% in the FY 2021-22. This progress was mainly led by growth in the Housing, Auto, Gold and other retail segments which stood resilient even in the previous fiscal year. While the disbursement and AUM trends improved in the Q3 and Q4 of FY 2021-22, the trend is expected to continue in Q4 of FY 2021-22 due to the limited impact of the third wave of the pandemic.

### INDIAN ECONOMY

The Indian economy witnessed a recovery from the third wave of Covid-19 as the restrictions eased out. It reflected in a revival in urban economy even as rural saw some slackness. Recently, the effect of rising Agri commodity prices induced by global disturbances, would have a rub off effect on revival of rural economy. Exports growth continues to remain robust and imports have also surged, thus translating into a monthly trade deficit of USD 18-20bn. There has been some revival in household consumption and investments intents have shown early signs of improvement.

India to remain the fastest growing major economy in the world during 2021-24' – as per the projections by the World Bank and the International Monetary Fund.

The FY 2021-22 has largely been a year of recovery from the impact of the Covid-19 pandemic, which had been a drag in the previous two fiscals. The Indian economy entered a technical recession in the previous fiscal year as a result of the Covid-19-induced slowdown. The policies of the Center supported the country's much-needed revival. During the initial waves of the Covid-19 pandemic, what started with reducing interest rates and stimulus measures gave a much-needed cushion to stabilize the economy. Furthermore, the development of various vaccines assisted not just in raising public morale but also in laying the groundwork for a reviving economy. With around 2 Billion inoculations successfully completed in India against the Covid-19 virus and low Covid-19 positive rates, the Indian economy is set to recuperate to its pre-pandemic levels.

India's GDP grew by 9.2% in FY 2021-22, supported by widespread vaccine coverage, gains from supply-side reforms, regulatory easing, robust export growth, and the availability of fiscal support to increase capital spending. (Source: Ministry of Health and Family Welfare, Economic Survey of India FY 2021-22)

### INDUSTRY STRUCTURE AND DEVELOPMENTS

This development is testimony to the reputation that Company has built for being a well-run, well-managed Company with strong fundamentals, high level of governance and ethics, motivated and capable employees led by a high calibre leadership team, a customer first orientation, attractive product portfolio marketed through a balanced distribution network and strong brand equity. The Company has qualitative employees which have contributed in overall output of the company. However, it is also true that we have not seen concomitant credit growth, which remained at its lowest

level in many years. Thanks to lack of overall demand, capital investments by the corporate sector continued to remain sluggish. Despite favorable liquidity conditions and lower interest rates, banks have found it difficult to increase lending as they have struggled with large non-performing assets (NPAs) from their loan books.

### **OPPORTUNITIES AND THREATS**

With the globalization and electronic age, Indian stock market has changed over the past decade. The developments of high-tech and transparent markets with an increasingly wide geographic footprint have increased the number of trading avenues offering diverse pools of liquidity. The opportunities for the Company are high purchasing power and people looking to more investment opportunities, growing rural market, earning urban youth, educating people about the benefits of investments to increase target audience, more penetration into the growing cities. The threats are stringent economic measures by Government and RBI, entry of foreign finance firms in Indian market, increased competition to keep market share and margins under pressure, increased regulatory compliances affect margins and functioning. For fiscal 2022, we will continue to execute our strategy along the same dimensions. The retail market segments we serve are faced with challenges and opportunities arising from the COVID-19 pandemic and its resulting impact on the economy. In our strategy, we will enable us to advise and help our clients as they tackle these market conditions. Especially in the areas of digitization of processes, migration to cloud based technologies, workplace transformation, and business model transformation.

### **RISK AND CONCERNS**

The very nature of the Company's business makes it susceptible to various kinds of risks. The Company encounters market risk, credit risk and operational risks in its daily business operations. The Company has framed a comprehensive Risk Management Manual which inter-alia lays down detailed process and policies in the various facets of risk management function. The risk management review framework provides complete oversight to various risk management practices and process. The framework and assessment remains dynamic and aligns with the continuing requirements and demands of the market. The Company has also implemented surveillance mechanism to deal with various trades related risks and adopted a surveillance policy in line with the regulatory requirements.

### **INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

Internal Control system and adequacy Internal Control measures and systems are established to ensure the correctness of the transactions and safe guarding of the assets. Thus, internal control is an integral component of risk management. The Internal control checks and internal audit programmers adopted by our Company plays an important role in the risk management feedback loop, in which the information generated in the internal control process is reported back to the Board and Management. The internal control systems are modified continuously to meet the dynamic change. Further the Audit Committee of the Board of Directors reviews the internal audit reports and the adequacy and effectiveness of internal controls.

**AUDIT REPORT TO MEMBERS TO THE SHARE HOLDERS OF  
AMRAPALI FINCAP LIMITED**

**INDEPENDENT AUDITOR'S REPORT**

**TO MEMBERS OF  
AMRAPALI FINCAP LIMITED**

**Report on the Accounting Standards Financial Statements**

**Opinion**

We have audited the accompanying standalone financial statements of financial statements of **AMRAPALI FINCAP LIMITED** ("the Company"), which comprise the Balance Sheet as at **31st March 2022**, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2022**, and its profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including Accounting standards referred to in section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material

uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "**Annexure A**", a statement on the matter specified in the paragraph 3 and 4 of the Order.
2. As required under provisions of section 143(3) of the Companies Act, 2013, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

  - d) The management has;
    - i. represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
      - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
      - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
    - ii. represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
      - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
      - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
    - iii. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement, as shown in note no. 29 & 30 in notes forming part of financial statements.

- e) The company has not neither declared nor paid any dividend during the year under Section 123 of the Act.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE FINANCIAL STATEMENT OF AMRAPALI FINCAP LIMITED FOR THE YEAR ENDED 31ST MARCH 2022**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **AMRAPALI FINCAP LIMITED** ('the Company') as of **31st March, 2022** in conjunction with our audit of the Accounting Standards financial statements of the Company for the year ended on that date.

#### **Opinion**

We have audited the internal financial control with reference to financial statement of **AMRAPALI FINCAP LIMITED** ('The Company') as of **31st March 2022** in conjunction with our audit of the financial statement of the company at and for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **March 31<sup>st</sup>, 2022**, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
