CHAIRMAN'S STATEMENT

"Growth is never by mere chance; it is the result of forces working together."

- James Cash Penney

Dear Stakeholders,

On behalf of the Board and management, we would like to thank you for your continued support in 2015-16.

It is a matter of great pride and satisfaction upon completing 25 years of our business operations. The distinction recognizes us amongst handful of companies in the country to have reached such a milestone. We wear the distinction with humility and look forward towards building happy communities and a sustainable future.

This year will be remembered as a pivotal one in the History of the company, as the company come out with an Initial Public Offering of 12,96,000 Equity Shares of Face Value of Rs. 10/- Each at a Cash Price of Rs. 25/- each (premium of Rs. 15/- Each) and Listed its shares at the Bombay Stock Exchange (SME Platform).

Today, we are steady and solid. We enjoyed the ride during the year, supported by our strategies in play foray into newer geographies, capacity expansion, technological advancements and stronger brand visibility. With a continuous focus on innovation and quality, we are travelling faster than ever before countering headwinds and seizing opportunities.

Thank you to partners, customers, vendors, lenders and bankers for reposing their faith in us, employees for their resolve and unstinted devotion, our Members on the Board for their wisdom and continuous support and you, our shareholders for reposing trust & faith.

Thank you for your support for over last 25 years and we hope you continue your association with us forever.

Best Wishes,

Dilipkumar Changela

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS OVERVIEW

We were incorporated in the year of 1991 by our founder member, Mr. Gordhanbhai Changela and started manufacturing customized Bearing rollers in Unit I in the year 1992 in the state of Gujarat. We made further expansion by establishing Unit II in the year 1995. We are manufacturer of taper rollers, cylindrical rollers, spherical rollers and certain components of taper rollers and are one of the key players in the list of finished roller manufacturers in India. Over the years we have developed expertise and upgraded our technology by adding several automatic and imported machineries and equipment to the plant, which has helped us boost our production capacity and the quality of our products. With our quality manufacturing, we have been identified as —Direct Online Supplier II for cold headed Components-Rollers by National Engineering Industries Limited, Jaipur (NBC Bearings Limited), a CK Birla Group Company where our products go directly for manufacturing of bearings without checks on quality and specifications.

We have over 25 years of experience of operating in India. We supply our finished Bearing rollers and products across India to reputed bearing manufactures and OEMs in domestic market for end users in diverse industries such as rail, light vehicles, off-highway, heavy trucks, industries classified as automobile industries', and heavy industries, industrial processes, gear drives, energy and industrial distribution, as segments within the process industries' and also export our products to customers based outside India for end users in diverse industries. We are also exporter of cylindrical roller which cater the requirements of international customers in Germany, Hungary, Turkey etc. in diverse industries such as, automotive and Hydraulics. Over the years, we have also ventured into power generation business by installing wind mill in year 2010-11 at KotdaPitha in Amreli, Gujarat with a commissioned capacity of 0.25MW and is currently used for our captive consumption.

We believe that we have long-term and stable relationships developed over the years with our key suppliers of raw materials and our key customers although we do not have formal contracts. Our key suppliers are ASCOINDUSTRIESSAS France, Dongbu Special Steel Co. Limited and Overseas Alloy Steel etc. Our major customers include NRB Bearings Limited, SKF India Limited, Turbo Bearings Private Limited, Texspin Bearings Limited, NRB Industrial Bearing Limited, TIMKEN, National Engineering Industries Limited, Turbo Industries, INAPEX Pvt Ltd., etc.

As of March 31, 2016, our work force consisted of approximately 170 full time employees. We adhere to international best practices standards and are committed in developing products and services where quality assurance is systematic process of checking to see whether a product or service being

developed is meeting specified requirements. We have a separate department devoted to quality assurance with highly equipped standard room carrying all measuring equipment with latest technology.

OUR STRENGTHS

1) One of the key players of Finished cylindrical and taper roller manufacturers in India

We are one of the key manufacturers of finished taper rollers and various types of finished cylindrical rollers and components in India, and to cater finished taper roller needs of our valuable customers. We have imported brand new machines from SEIBU JIDO KIKI Co. Ltd, Japan. We offer an extensive line of Taper & Cylindrical rollers which are available to customers across India. We believe our rollers are uniquely designed with customized geometries and engineered surfaces to provide engineering solutions for harsh and critical applications. Our products portfolio is tailor made for our customers so as to meet their specific requirements. Our manufacturing process provides us with flexibility of manufacturing smaller volumes of products at short notice. The facility deals with Bearing Steel, SAE5210 etc. using precision-grinding and heat treatment technology, to deliver a long lasting product. This facility also has an innovation centre for detailed analysis, testing, metallurgy and development of new products.

2) Wide and Stable customer base

We supply our finished rollers and products to reputed bearing manufactures and OEMs for end users in diverse industries. Our five largest customers accounted for about 92% of our total revenue for the period ended March 31, 2016. Our major customers include NRB Bearings Limited, SKF India Limited, Turbo Bearings Private Limited, Texspin Bearings Limited, NRB Industrial Bearings Limited, TIMKEN, National Engineering Industries Limited, Turbo Industries, INAPEX Pvt. Ltd.etc. Our relationships with our customers ensure that we are constantly in communication with them and enable our products to meet their exacting specifications. We believe that the strength of our relationships with our customers is attributable to our consistent performance over long periods and the emphasis that we place on catering to our customers needs, supplemented with our access to technology.

3) Well Experienced Organization

Our core management team has substantially contributed to the growth of our business operations. Our Company was incorporated in 1991 by Mr. Goradhanbhai K Changela. He has helped in developing unique and

indigenous ways to manufacture bearing rollers of the finest quality and at the optimum cost. Our Promoters Mr. Dilipkumar Changela, Mr. Hiralal Changela, and Mr. Vrajlal Changela has more than two decades of experience in this industry. Our experienced directors have in-depth knowledge of the products and industry in which we operate. Our Board and management periodically review our internal policies and business practices and have been instrumental in building our reputation in the roller bearing sector in India. We believe that our strong business practices and reputation in the industry enable us to meet the expectations of our customers. Our key management personnel are largely responsible for successful execution of day to day activities, developing new customer base and strengthening our customer relationships.

4) Wide Product Range

Our Company manufactures Taper and Cylindrical Bearing Rollers from 5 mm to 150 mm in diameter and from 5 mm to 280 mm in length whereas the Spherical Bearing Rollers from 5 mm to 60 mm in diameter and length. Due to this varying size advantage, we have been able to develop over 1,500 varieties of products for our clients as per the specifications mentioned by them. We have dedicated few lines and quantity i.e. 60,00,000 of semi-finished rollers to our customer, National Engineering Industries Limited, Jaipur (NRB Bearings Limited).

5) Quality products

Our Company believes in providing quality products to its customers and for that follows Indian as well as International quality standards for the products manufactured. Our Company is certified for quality Management System with ISO/TS16949:2009 and ISO 9001:2008 for Environmental Management System with ISO 14001:2004 and recognized for Health and Safety Management System with OHSAS 18001:2007 by United Registrar of System (—URSII) Certification. We have a separate department devoted to quality assurance with highly equipped standard room carrying all measuring equipment with latest technology. Each and every piece that leaves the manufacturing unit is being check with —Camera Based Optical Visual InspectionII machine by Vizzitec Solutions Pvt Ltd, the rejection is then reviewed again by well-equipped instruments and experienced technical persons. The defective pieces found after undergoing the quality check process are discarded. We also undertake sample check of our products based on the quality guidance prescribed by our customers. This has benefited our manufacturing process significantly in terms of reducing wastage and enabling us to demand a premium for our products. The quality checks ensure that no defective material reached the customer and

ensure reduced process rejection and reduced machine down time. We believe that our quality products have earned us a goodwill from our customers, which has resulted in customer retention and order repetition also new addition to the customer base.

OUR BUSINESS STRATEGY

1) To enhance market share by expanding our business with more OEM"s and expanding our export business

We intend to expand our business more with our organised customers like TIMKEN, NRB Industrial Bearings Limited, National Engineering Industries Limited, INAPEX Pvt. Ltd. etc. We are exploring more export customers by exploring more business with TIMKEN Global and others, which is having spread and reach of their distribution system as a significant strength of their business because it allows them to market and sell their products across India and globally.

2) To continue expanding our business by including new customized products and services

We intend to explore opportunities to expand our operations by developing new products and services within our existing lines of business. Further expanding our service offerings will help us to build on existing diversification of our business.

3) Innovations in our products

We have a team with experience in our industry & its related products that are constantly focusing on innovations. Our products confirm to various test requirements to meet industry standards. We generally keep upgrading our tool room and Visual inspection systems and we have also installed online gauging system on Header which is from MARPOS Company. We are also developing one Automatic Packing machine which is getting developed by Vizzitec Solutions Pvt Ltd.

4) Optimal Utilization of Resources

Our Company constantly endeavors to improve our production process, skill up-gradation of workers, using latest technology in machineries to optimize the utilization of resources. We regularly analyze our existing raw material procurement and manufacturing processes to identify the areas of bottlenecks and correct the same. This helps us in improving efficiency and putting resources to optimal use.

OUR PRODUCTS & PRODUCT RANGE

We manufacture a wide range of Taper Rollers, Cylindrical Rollers and Spherical Rollers as under:

- Taper bearing roller
- Cylindrical bearing roller
- Spherical bearing roller

MARKETING AND SALES

Our products are sold through the following channels:

- 1) Domestic sales
- 2) Institutional: includes OEMs; and
- 3) Exports.

Our Company's products are sold principally by our own internal sales organizations.

COMPETITION

Our Industry is fragmented consisting of large established players and small niche players. We compete with organized as well as unorganized sector on the basis of availability of product, product quality and product range. Further, there are no entry barriers in this industry and any expansion in capacity of existing manufacturers would further intensify competition. Industry is very competitive and we expect competition to continue and likely to increase in the future. Our principal competitors are Indian manufacturers, including Kansara Modular Limited, Star Balls & Rollers Limited and Macwell auto engineering Limited etc.

KEY FACTORS AFFECTING OUR RESULTS OF OPERATION

1. General economic and business conditions in India and in the markets in which we operate and in the local, regional and national economies;
2. Changes in laws and regulations relating to the Sectors in which we operate;
3. Exchange rate fluctuations;
4. loss of one or more significant customers
5. Our ability to successfully implement our growth strategy and expansion plans and to successfully launch and implement various projects and business plans for which funds are being raised through this Issue;
6. Increased cost of raw materials for inventory and, in particular, of steel;
7. Loss of key employees;
8. Significant developments in India's economic liberalization and deregulation policies, and the fiscal regime.

9. Occurrence of natural disasters or calamities affecting the areas in which we have operations; and
10. Volatility in the Indian and global securities markets.

FUTURE OUTLOOK

The Indian Bearings Industry is well poised to achieve strong growth in coming years owing to rising domestic demand in the auto sector and in Industrial applications. Given the government of India's focus on the manufacturing sector, Indian Bearings Industry is expected to grow in the coming years. The government has already made clear its continuing focus on infrastructure from Power and Oil & Gas, Roads, Ports and Airports. As per the planning commission's estimates, the government has planned substantial investment in the 12th Five Year Plan aggregating USD 1 tn. This infrastructure spending will lead to growth in the manufacturing sector, which in turn will have a positive impact on bearings industry.

Given decent extensive demand scenarios in the domestic market and with India evolving as a preferred low-cost sourcing destination, bearings manufacturers are likely to capitalize on the increasing production capacities and technological capabilities. Further, companies are likely to continue to diversify their product portfolio and de-risk their businesses. Though, competition is anticipated to increase and prices of raw material are likely to trail an upward movement. This is expected to exert pressure on the industry's profit margins. In such a scenario, cost control programmes would assume greater significance for the industry players, both big and small.

PRODUCT PORTFOLIO

The bearing makes many of the machines we use every day possible. Without bearings, we would be constantly replacing parts that wore out from friction. Bearings reduce friction by providing smooth metal rollers, and a smooth inner and outer metal surface for the balls to roll against. These rollers which is known as a heart of bearings "bear" the load, allowing the device to spin smoothly.

Taper roller bearings help in absorption of both radial and axial load combinations. For this reason, taper roller bearings are preferred solutions for reducing friction in applications such as wheels, gear boxes and power transmitting shafts. Our products are used by reputed bearing manufacturers and OEMs and then it is used by end-users in diverse industries such as rail, light vehicles, off-highway, heavy trucks and auto-aftermarket, industries classified as automobile industries and heavy industries, industrial processes, gear drives, energy and industrial distribution, as segments within the process industries.

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF 'VISHAL BEARINGS LIMITED' (Previously Known as "VISHAL BEARINGS PVT. LTD.")

Report on Audited Financial Statements

We have audited the accompanying financial statements of VISHAL BEARINGS LIMITED (Previously Known as "VISHAL BEARINGS PVT. LTD.") ('the Company'), which comprise the Balance Sheet as at March 31, 2016 and the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements read together with the notes thereon, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, to the extent applicable;

ANNEXURE – B TO THE AUDITOR'S REPORT

(Referred to in paragraph 2(f) of our Report of even date on the Statement of Accounts of VISHAL BEARINGS LIMITED,

**(Previously known as "VISHAL BEARINGS PVT. LTD.")
for the year ended on 31st March, 2016)**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of VISHAL BEARINGS LIMITED (Previously known as "VISHAL BEARINGS PVT. LTD.") ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial

controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in

conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as and when the Management becomes aware of the changes in the circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and if material, their effects are disclosed in the notes to the financial statements.

(iii) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Sales of Goods

Sales are recognised when significant risks and rewards of ownership of goods have been passed to the buyer.

Power Generation Income

Power generation income is recognised on the basis of electrical units generated and eligible for captive consumption or captive consumed or sold as shown in the power generation reports issued by the concerned authorities. Power generation income is booked as the per unit electricity rate, being paid by the company / actually sold by the company.

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Jobwork Income

Revenue is recognised on the basis of completion of services being provided.

(iv) Tangible Fixed Assets

Fixed assets are stated at their cost of acquisition plus all expenditure incurred for bringing the assets to their present location and condition including the installation costs, net of modvat / cenvat / other credits and includes amounts added on revaluation, less accumulated depreciation and impairment loss, if any. All costs, including specific financing cost till assets put to use, net charges on foreign exchange contracts and adjustment arising from foreign exchange rate variations attributable to the fixed assets are capitalised.

(v) Depreciation / Amortization

The company has charged depreciation on fixed assets on Written Down Value (WDV) method on the basis of useful life / remaining useful life and in the manner as prescribed in, Part C, Schedule II of the Companies Act, 2013. Depreciation on additions/ disposals during the year has been provided on pro-rata basis with reference to the nos. of days utilized.

Depreciation on additions/ disposals during the year has been provided on pro-rata basis.

Details of useful life of an asset and its residual value estimated by the management: -

Type of Asset	Useful Life as per management's estimate
Factory Building	30 Years
Plant & Machinery *	20 Years
Furnace	15 Years
Electrification	15 Years
Furniture & Fixtures	10 Years
Computers	3 Years
Computer Software	6 Years
Refrigerator	15 Years
EPBX System	15 Years
Air Conditioner	15 Years
Fax Machine	15 Years
Water Filter	15 Years
Mobile & Telephone	15 Years
CCTV System	15 Years
Weighing Scale Machine	15 Years
Motor Cars	8 Years
Motor Cycles	10 Years
Windmill Plant & Machinery	22 Years

In none of the case, residual value of an asset is more than five per cent of original cost of the asset.

* For this class of asset, based on internal assessment and independent technical evaluation carried out by chartered engineer, the useful life is estimated to be 20 Years from the date of its put to use, whereas the useful life for the said class of asset as per Schedule II is 15 Years.

(vi) Inventories

Inventories of Raw Materials, Semi-Finished Goods, Finished Goods and Waste & Scrap are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of closing inventory of finished goods is included as part of finished goods. Cost formula used is 'Average cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

(vii) Retirement Benefits and other employee benefits

Defined Contribution Plans:

Defined contribution to provident fund is charged to the profit and loss account on accrual basis.

Defined Benefit Plans:

Provision for gratuity liability is provided based on actuarial valuation made at the end of the financial year.

Leave encashment expenditure is charged to profit and loss account at the time of leave encashed and paid, if any. Bonus expenditure is charged to profit and loss account on accrual basis.

(viii) Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transaction.

Foreign currency current assets and current liabilities outstanding at the balance sheet date are translated at the exchange rate prevailing on that date and the net gain or loss is recognized in the profit and loss account.

Foreign currency translation differences relating to liabilities incurred for purchasing of fixed assets from foreign countries are adjusted in the carrying cost of fixed asset for differences up to the year-end in the year of acquisition, whereas differences arising thereafter to be recognized in the profit and loss account. All other foreign currency gain or losses are recognized in the profit and loss account.

(ix) Operating Lease

Assets acquired as leases where a significant portion of risk and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals being income or expense are booked to the profit and loss account as incurred.

Initial direct costs in respect of the lease acquired are expenses off in the year in which such costs are incurred.

(x) Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Costs incurred in raising funds are

amortised equally over the period for which the funds are acquired. All other borrowing costs are charged to profit and loss account.

(xi) Taxes on Income

Tax expenses comprise Current Tax / Minimum Alternate Tax (MAT) and deferred tax charge or credit.

Current Tax:

Provision for current tax / Minimum Alternate Tax (MAT) is made based on tax liability computed after considering tax allowances and exemptions, in accordance with the provisions of The Income Tax Act, 1961.

Deferred Tax:

Deferred tax assets and liability is recognized, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets arising mainly on account of brought forward losses, unabsorbed depreciation and minimum alternate tax under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realisation. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

(xii) Earnings/Loss per share

Basic earnings/(loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors.

(xiii) Provisions, contingent liabilities and contingent assets

A provision is recognised when the company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimates required to settle the obligation at the

balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities are disclosed by way of notes to the accounts.

Contingent assets are not recognized.

(xiv) Investments

Investments being Non-Current Investments consists investments made in equity oriented mutual funds (quoted) and shares in co-operative banks (non-quoted). Investments are stated at cost of acquisition. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.

(xv) Cash and cash Equivalents

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

(xvi) Government Grants & Assistance
