## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors Present Company's Management Discussion and Analysis Report for the year ended on 31.03.2018

The management of the company is presenting herein the overview, opportunities and threats, initiatives by the company and overall strategy of the company and its outlook for the future and this outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

### **FORWARD LOOKING STATEMENT**

Statement in this Report, particularly those which relate to Management Discussion and Analysis, describing the company's future plans, objectives, projections, estimates and expectations may constitute "forward looking statements" within the meaning of applicable laws and regulations. Actual results may vary materially from those either expressed or implied.

## GEMS , JEWELLERY & BULLION

### **INDUSTRY STRUCTURE AND DEVELOPMENTS**

India has substantial reserves of gold, diamond, ruby and other gemstones. The gems and jewellery sector has been playing a very important role in the Indian economy and contributes about 6-7% to the country's gross domestic product (GDP), apart from large scale employment generations and foreign exchange earnings (FEE). Sensing its immense potential, the Government of India has declared the sector as a thrust area for export promotion. The primary segments of the sector in India are gold jewellery and diamonds & gems. India is the world's largest consumer of gold, accounting for over 20 per cent of the global gold consumption. The country is also the world's largest cutting and polishing centre for diamonds, with the cutting and polishing industry being well supported by government policies. India exports 95% of the world's diamonds, as per statistics from the Gems and Jewellery Export promotion Council (GJEPC). The industry is projected to generate up to US\$ 35 billion of revenue.

### **OPPORTUNITIES:**

- The country is slowly starting to move towards branded jewellery and consumers are progressively accommodating modern retail formats.
- Gold jewellery exports from India increased on year to year basis.
- India has the high skilled low cost Labour.
- The Indian cut diamonds and designed jewellery are in demand in the international market.

### **THREATS:**

- Gold import is subject to high custom duty which fluctuates & can affect the business severely.
- Gold prices are also not stable that poses threat to the profit margin consequently.
- Tough competition from other players may compel Company to offer competitive price & ultimately affect our profit margin.
- Money Market tightness and financial crunch.
- Alternative to Diamonds such as American Zirconia and CVD
- Consumer avoiding Gold Jewellery as investment option.
- Consumer preference towards branded & imported Designer Jewellery & Watches.
- Working Women does not prefer wearing any type of jewellery.

### **RISK & CONCERN:**

Aggressive competitions by new players, who wish to enter the category, pose a risk of the Company losing its market share. The Company will focus on contemporary designs, better value proposition in the product basket through continuous innovation and on cost management to mitigate the risks.

### **CHANGES HAPPENING DURING THE FINANCIAL YEAR**

During the Financial Year, Company has closed the business of Gems & Jewellery due to competition & commercial & other reasons and preferred/resolved to start the business activities relating to real estate, commission, agents, trading / purchase & sale of bullion & commodities, etc.

## REAL ESTATE & SERVICE SECTOR & OTHER BUSINESS (ES), CONSULTANCY, COMMISSION ETC.

### **INDUSTRY STRUCTURE & DEVELOPMENTS**

The Indian real estate sector has come a long way and is today one of the fastest growing markets in the world. It

## DECOROUS INVESTMENT & TRADING COMPANY LIMITED

comprises many sub-sectors – housing, retail, hospitality, farms, residential, and commercial. While housing contributes to 5-6% of India's gross domestic product (GDP), the remaining sub-sectors are also increasing at a fast pace. The total realty market in the country is expected to touch US\$ 180 billion by 2020.

Real estate in India is being recognized as an infrastructure service that is driving the economic growth engine of the country. Growing infrastructure requirement in diverse sectors such as tourism, education, healthcare, etc., are offering several investment opportunities for both domestic as well as foreign investors. The role of the Government of India has been instrumental in the development of the sector including FDI in Real Estate. With the government trying to introduce developer and buyer friendly policies and law enforcement against delay in delivery & breach of commitments, the outlook for real estate sector does look promising.

### OPPORTUNITIES

- Real estate contributes about 5% to India's GDP. The market size of this sector is expected to increase at a compound annual growth rate (CAGR) of 11.2 per cent during FY 2008–2020.
- The Indian construction and real estate sector continues to be a favoured destination for global investors. Several large global investors, including a number of sovereign funds, have taken the first move by partnering with successful local investors and developers for investing in the Indian real estate market.
- The residential asset class looks to have great potential for growth with housing requirements growing across cities.
- Demand for space from sectors such as education and healthcare has opened up ample opportunities in the real estate sector. The country still needs to add 3 million hospital beds to meet the global average of three for every 1,000 people.
- Government of India focus on affordable homes for all by 2022, the creation of 100 Smart Cities and infrastructure development across India, the real estate industry has much to look forward.

### THREATS

- High inflation rate may increase the cost and company's profit margins may suffer.
- High interest rate may also prove to be adverse.
- Real estate industry is capital intensive sector which require high capital and in present scenario, it is challenge in front of management to arrange for the funds requirement.
- Tough competition from the other existing players in the industry also poses a threat.

### OUTLOOK

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has a proper and adequate system of internal controls & audit commensurate with its size to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly. Proper controls and checks are exercised by the company by following the procedures prescribed in the various manuals. Audit Committee of the Board reviews Internal Control Systems on periodical basis.

#### CHANGES HAPPENING DURING THE FINANCIAL YEAR

During the Financial Year, Company has closed the business of Gems & Jewellery due to competition & commercial & other reasons and preferred/resolved to start the business activities relating to real estate, commission, agents, brokers, consultancy, trading / purchase & sale of bullion & commodities, etc.

#### DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

Your company recognizes the value of human resource, therefore, the Human Resource Policies are being framed in such fashion that they not only aim at achieving the organizational goals but also recognize, appreciate and develop the individual interest of the employees. Human Resource Development Policies of the company are being so framed that it is in the best interest of the organization as well as employees of the company.

### VIGIL MECHANISM - WHISTLE BLOWER POLICY

Whistle Blower Policy is formulated to provide a vigil mechanism for Directors and Employees to raise genuine concerns about unethical behaviour, actual or suspected fraud or violation of the company's Code of Conduct or Ethics Policy. It also provides for adequate safeguard against victimization of persons who use such mechanism.

The Policy provides necessary safeguards for protection of Directors and Employees who avail the vigil mechanism from reprisals or victimization, for whistle blowing in good faith and to provide opportunity to Directors and Employees for direct access to the Chairman of the Audit Committee in appropriate or exceptional cases

Whistle Blower Policy in terms of Section 177(10) of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 and Regulation 22 of SEBI (LODR) Regulations, 2015.

Directors and Employees of Company are eligible to make "Protected Disclosures" to the Chairman of the Audit Committee. During the year under review, no employee was denied access to the Audit Committee.

#### **Principles**

- Protected disclosures shall be acted upon in a time bound manner.
- Complete confidentiality of the Whistle Blower will be maintained.
- Whistle Blower and / or the person(s) processing the Protected Disclosure will not be subjected to victimization.
- Evidence of the Protected Disclosure will not be concealed and appropriate action including disciplinary action will be taken in case of attempts to conceal or destroy evidence.
- 'Subject' of the Protected Disclosure i.e. Director or Employee against or in relation to whom a protected disclosure has been made, will be provided an opportunity of being heard.
- Whistle Blower should bring into attention of the Competent Authority at the earliest any improper activity or practice, although they are not required to provide proof, they must have sufficient cause for concern.
- Whistle Blower shall co-operate with investigating authorities and maintain full confidentiality.

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF  
DECOROUS INVESTMENT AND TRADING COMPANY LIMITED

### REPORT ON THE IND AS FINANCIAL STATEMENTS

We have audited the accompanying Ind AS financial statements of **DECOROUS INVESTMENT AND TRADING COMPANY LIMITED, [CIN: L67120DL1982PLC289090]** ("the Company"), which comprise of the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and the Statement of Changes in Equity for the year ended, and a summary of significant accounting policies, notes and other explanatory information (herein after referred to as "Ind AS financial statements").

### MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

We have audited the internal financial controls over financial reporting of **DECOROUS INVESTMENT AND TRADING COMPANY LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of

the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES FORMING INTEGRAL PART OF FINANCIAL STATEMENTS

### **(B) SIGNIFICANT ACCOUNTING POLICIES**

#### **1.1 Basis for preparation of Financial Statements & compliance with Ind AS**

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2017, with a transition date of April 1, 2016. Previous period has been restated to Ind AS.

In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Company has presented a reconciliation from the presentation of financial statements under Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") to Ind AS of Shareholders' equity as at March 31, 2017 and April 1, 2016 and of the comprehensive net income for the year ended March 31, 2017.

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

These financial statements were approved for issue by the Board of Directors on May 25, 2018.

#### **1.2 Use of estimates**

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

Any revision in accounting estimates is recognized prospectively in the period of change and material revision, including its impact on financial statements, is reported in the notes to accounts in the year of incorporation of revision.

#### **1.3 Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Revenue from services rendered is recognized based on agreements/arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably. Revenue is recognized only when evidence of an arrangement is obtained and the other criteria to support revenue recognition are met, including the price is fixed or determinable, services have been rendered and collectability of the resulting receivables is reasonably assured.

Dividend income is recognized when the right to receive payment is established.

Interest income is recognized using effective rate of interest method.

#### **1.4 Inventories**

Inventories are valued at the lower of cost and net realizable value. However, there are no inventories available with company as company has discontinued trading in Gems & Jewellery, Bullion etc.

#### **1.5 Employee benefits**

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

#### **1.6 Property, Plant and Equipment**

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow and

## NOTES FORMING INTEGRAL PART OF FINANCIAL STATEMENTS

the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Depreciation has been provided based on estimated useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

### 1.7 Intangible Assets

Intangible assets purchased are measured at cost or fair value as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any. The amortization period and the amortization method for intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

### 1.8 Impairment of Assets

#### (i) Financial assets

The company recognizes loss allowances using Expected Credit Losses (ECL) model for the Financial Assets which are not fair valued through Profit or Loss. Loss Allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other Financial Assets, ECLs are measured at an amount equal to 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at Lifetime ECL. The amount of ECL that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment Gain or Loss in the Statement of Profit or Loss.

#### (ii) Non-financial assets (Tangible and intangible assets)

An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency. Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal. Test of impairment of PPE, investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context. Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information outlined in para 12 of Ind AS-36.

Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### 1.9 Provisions and Contingencies

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

### 1.10 Income Taxes & Deferred Taxes

The liability of company on account of Income Tax is computed considering the provisions of the Income Tax Act, 1961.

Deferred tax is provided using balance sheet approach on temporary differences at the reporting date as difference between the tax base and the carrying amount of assets and liabilities. Deferred tax is recognized subject to the probability that taxable profit will be available against which the temporary differences can be reversed.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

# DECOROUS INVESTMENT & TRADING COMPANY LIMITED

## NOTES FORMING INTEGRAL PART OF FINANCIAL STATEMENTS

Deferred tax assets and deferred tax liabilities are off set if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### 1.11 Cash and Other Bank Balances

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

### 1.12 Functional & Presentation Currency

These Financial Statements are presented in Indian rupees (INR), which is also Company's Functional Currency.

### 1.13 First time adoption of Ind AS

Being first time adoption of Ind AS, the company has availed the following exemptions as granted under IND AS 101:-

- i). Carrying values for all of its Property, Plant and Equipment as at the date of transition to IND AS, measured as per previous GAAP have been treated as their deemed costs as at the date of transition.
- ii) Retrospective impacts of transition from previous GAAP to IND AS on assets and/or liabilities, have been adjusted against "Other Equity" on 1<sup>st</sup> April, 2016.

### 1.14 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

### 1.15 Operating lease

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as operating lease. Operating lease payments are recognized on a straight line basis over the lease term in the statement of profit and loss, unless the lease agreement explicitly states that increase is on account of inflation.

### 1.16 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

The net cash flow from operating activities is determined by adjusting net profit or loss for the effects of:

- (i) Changes during the year in inventories and operating receivables and payables,
- (ii) Non-cash items such as depreciation, provisions, deferred taxes, and unrealized foreign exchange gains and losses, and
- (iii) All other items for which the cash effects are on investing or financing cash flows.

### 1.17 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a Financial Liability or equity instrument of another entity.

#### (i) Financial assets:

##### Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

# DECOROUS INVESTMENT & TRADING COMPANY LIMITED

## NOTES FORMING INTEGRAL PART OF FINANCIAL STATEMENTS

### Subsequent Measurement

For purpose of subsequent measurement financial assets are classified in two broad categories:-

- (i) Financial Assets at fair value
- (ii) Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss, or recognized in other comprehensive income.

A financial asset that meets the following two conditions is measured at **amortized cost**:

- *Business Model Test*: The objective of the company's business model is to hold the financial asset to collect the contractual cash flows.

- *Cash flow characteristics test*: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. A financial asset that meets the following two conditions is measured at fair value through **OCI**:-

- *Business Model Test*: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

- *Cash flow characteristics test*: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through **profit and loss**.

### (ii) Financial Liabilities

All financial liabilities are initially recognized at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. Financial liabilities are classified as measured at amortized cost or fair value through profit and loss (FVTPL).

A financial liability is classified as FVTPL if it is classified as held for trading, or it is a derivative or is designated as such on initial recognition. Financial Liabilities at FVTPL are measured at fair value and net gain or losses, including any interest expense, are recognized in statement of profit and loss.

Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss.

Any gain or loss on de-recognition is also recognized in statement of profit and loss.

### 1.18 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### 17. Valuation of Inventory

The value of inventory as stated in the financial statements is as certified by the management.

#### 18. Loans & advances

In the opinion of the Board of directors the value on realization of loans, advances and current assets in the ordinary course of business is not less than the amount at which they are stated in the Balance Sheet and provisions for all known liabilities has been made.

Also, as per Management's best estimates & judgments involved, the Loans & Advances given will be received in the current financial year.

19. In respect of parties covered under the Micro, Small & Medium Enterprises Development Act, 2006, neither the company has identified nor received any communication from any of its vendor in respect of their coverage under the said act. However, in view of the management, the impact of interest, if any, that may be payable in accordance with the provisions of this act is not expected to be material.

20. Balance of sundry debtors, creditors and loans & advances are subject to direct confirmation.

#### 21. Deferred Tax

Under Previous GAAP, deferred taxes were recognized for the tax effect of timing differences between accounting profit and taxable profit for the year using the income statement approach. Under Ind AS, deferred taxes are recognized using the balance sheet for future tax consequences of temporary differences between the carrying value of assets and liabilities and their respective tax bases. The above difference, together with the consequential tax impact of the other Ind AS transitional adjustments (if any) lead to temporary differences. Deferred tax adjustments are recognized in correlation to the underlying transaction either in retained earnings or through other comprehensive income.

#### 22 Discounting of security deposits for leases

Under Previous GAAP, the security deposits for leases are accounted at an undiscounted value. Under Ind AS, the security deposits for leases have been recognized at discounted value and the difference between undiscounted and discounted value has been recognized as 'Prepaid expense for Rent' which has been amortized over respective lease term as rent expense under 'Finance Cost'. The discounted value of the security deposits is increased over the period of lease term by recognizing the notional interest income under 'other income'.
