The Board of directors at their meeting held on 20th December, 2016 have passed a resolution to surrender the Non Banking financial company license (NBFC License) to Reserve Bank of India and made an application in this regard to the Kolkata office of Reserve Bank of India (RBI).

The shareholders have passed a resolution through Postal Ballot on 28th February, 2017 to change/ amend its object clause and commence the chemical business activities.

The Board of Directors, in anticipation of cancellation/ surrender of NBFC License, at their board meeting held on 20th April, 2017, have subject to the approvals of shareholders, stock exchanges where the shares of the company are listed, National Company Law Tribunal and other relevant authorities passed a resolution for amalgamation of Chinmay Chemicals Private Limited (Chinmay – The First Transferor Company) and Arunaya Organics Private Limited (Arunaya – The Second Transferor Company) with Kuber Udyog Limited (Kuber – The Transferee Company).

However due to the procedural formalities and delay, the NBFC License is yet to be cancelled by RBI. The company is in constant in touch with RBI and complying with their requirements from time to time.

Therefore it is not feasible to run both the business i.e. NBFC and chemical activities simultaneously. Further considerable amount of time has been lapsed since we made an application for cancellation.

In view of the facts stated above, the proposal of amalgamation of Chinmay Chemicals Private Limited (Chinmay – The First Transferor Company) and Arunaya Organics Private Limited (Arunaya – The Second Transferor Company) with Kuber Udyog Limited (Kuber – The Transferee Company) is not feasible and economically viable in present state of situation.

Hence the Board of Directors has thought it prudent to call off the said proposal of amalgamation with immediate effect and pursue with RBI for cancellation of NBFC License.

The future course of action will be intimated to the Stock Exchanges from time to time.

28. ACKNOWLEDGEMENTS:

Your Directors wish to express their sincere appreciation to all the Employees for their contribution and thanks to our valued clients, Bankers and shareholders for their continued support

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Kuber Udyog Limited** ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of

management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Depreciation on addition / deletions is calculated on pro- rata with respect to date of addition / deletions

TAXATION:

The current charge for income tax is calculated in accordance with the relevant tax regulations applicable to the Company. Deferred tax asset and liability is recognized for future tax consequences attributable to the timing differences that result between the profit offered for income tax and the profit as per the financial statements. Deferred tax asset & liability are measured as per the tax rates/laws that have been enacted or substantively enacted by the Balance Sheet date.

EARNINGS PER SHARE :

The earning considered in ascertaining the company's earnings per share comprises net profit after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the year.

IMPAIRMENT OF ASSETS :

The carrying amount of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external / internal factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the net selling price of assets and their value in use. The estimated future cash flows are discounted to their present value at appropriate rate arrived at after considering the prevailing interest rates and weighted average cost of capital.

GRATUITY:

No provision for gratuity has been made as no employee has put in qualifying period of service for entitlement of this benefit.

PROVISIONS AND CONTINGENT LIABILITIES:

Provisions is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Contingent liabilities are disclosed where there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources.
