1. In view of the continuing COVID-19 pandemic, the 31st Annual General Meeting (AGM) will be held on Tuesday, 21st September, 2021 at 3.00 p.m. IST through Video Conferencing (VC) / Other Audio Visual Means (OAVM), in compliance with the applicable provisions of the Companies Act, 2013 read with Ministry of Corporate Affairs' (MCA) General Circular no. 14/2020 dated 8th April, 2020, MCA General Circular no. 17/2020 dated 13th April, 2020, MCA General Circular No. 20/2020 dated 5th May, 2020, MCA General Circular No. 22/2020 dated 15th June, 2020 and MCA General Circular No. 02/2021 dated 13th January 2021 and also SEBI circulars dated 12th May, 2020 and 15th January, 2021 and in compliance with the provisions of the Companies Act, 2013 (“Act”) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The deemed venue for the 31st AGM shall be the Registered Office of the Company.
2. In view of the massive outbreak of the COVID-19 pandemic, social distancing is to be a pre-requisite and since this AGM is being held through VC / OAVM pursuant to MCA Circulars, physical attendance of the Members has been dispensed with. **Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.** Members have to attend and participate in the ensuing AGM through VC/OAVM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. Members of the Company under the category of ‘Institutional Investors’ are encouraged to attend and vote at the AGM through VC. Body Corporates whose Authorised Representatives are intending to attend the Meeting through VC/OAVM are requested to send to the Company on email Id- info@typhoonfinancial.com, a certified copy of the Board Resolution/authorization letter authorising their representative to attend and vote on their behalf at AGM through E-voting.
4. In compliance with the aforesaid MCA Circulars and SEBI Circular No. SEBI/ HO/ CFD/ CMD1/ CIR/ P/ 2020/ 79 dated 12th May, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company’s website at info@typhoonfinancial.com, website of stock exchange i.e. BSE Limited at www.bseindia.com and on the website of CDSL (agency for providing remote e-voting facility) at www.evotingindia.com. **Annual Report will not be sent in physical form.**
5. Members of the Company holding shares, either in physical form or in Dematerialised form, as on 6th August, 2021 will receive Annual Report for the financial year 2020-21 through electronic mode only.
6. The Register of Members and Share Transfer Books will remain closed from **15th September, 2021 to 21st September, 2021** (both days inclusive) for the purpose of Annual General Meeting (AGM).
7. Members holding shares in the dematerialized mode are requested to intimate all changes with respect to their bank details, ECS mandate, nomination, power of attorney, change of address, change in name, etc, to their Depository Participant (DP). These changes will be automatically reflected in the Company’s records, which will help the Company to provide efficient and better service to the Members. 10. MANAGEMENT DISCUSSION AND ANALYSIS:

a. Industry Structure and Developments:

The Non Banking Financial Companies (NBFC) industry in the private sector in India is represented by a mix of few large and national level Companies and a large number of small and medium sized, regional and local Companies. These NBFCs provide a variety of services including fund based and free based activities as well as cater to retail and non-retail markets and niche segments.

b. Opportunities and Threats:

The Company faces normal market competition in its business. The working of the NBFCs continued to be adversely affected by defaults due to recession and absence of proper and speedier recovery loss and procedure, paucity of funds, over regulations, lack of level playing field, additive tax treatments and disallowance and encroachment by unprofessional and inexperienced fly-by-night operators in the industry.

c. Segment wise Performance:

The Company is operating in single segment. Hence, there is no need of reporting segment wise performance.

d. Recent Trend and Future Outlook:

The Company is likely to continue to maintain its focus on capital market activities including trading in securities and emerging products in derivatives. The Company will also look for any attractive opportunities in other growth areas in the financial services sector.

e. Risks and Concerns:

The Company is exposed to the normal industry risk factors of interest rate volatility, credit risk, market risk and operational risk. It manages these risks by maintaining a conservative financial profile and by following prudent business and risk management practices.

With lower and lower interest regime, the Company's gross income may suffer a setback as being a finance Company its main income is return/yield on its deployable funds.

f. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

g. Financial Performance with respect to Operational Performance:

The financial performance of the Company for the year 2020-21 is described in the Directors' Report under the head 'Review of Operation'.

TYPHOON FINANCIAL SERVICES LIMITED

h. Material Developments in Human Resources and Industrial Relations Front:

The Company has continued to give special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock out etc.

i. Key Financial Ratios:

Key Ratios	FY 2020-21	FY 2019-20	Change %	Explanation, if required
Debtors Turnover	-	-	-	All the Ratios are based on the financial statements as prepared under Ind As (Indian Accounting Standards)

INDEPENDENT AUDITORS' REPORT

To
The Members of
Typhoon Financial Services Limited

Report on the Audit of the Financial Statements
Opinion

We have audited the financial statements of **Typhoon Financial Services Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Emphasis of matter

We draw attention to Note 32 of the financial statements, as regards the management's evaluation of Covid-19 impact on the future performance of the Company. Our opinion is not modified in respect of this matter.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

TYPHOON FINANCIAL SERVICES LIMITED

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c. the Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. on the basis of written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) the Company does not have any pending litigations which would impact its financial position;
 - (ii) the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - (iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act:
According to the information and explanations given to us, no remuneration has been paid by the Company to any of its directors. Accordingly, provisions of Section 197 of the Act relating to remuneration to directors are not applicable.

Annexure 'B' to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Typhoon Financial Services Limited** ('the Company') as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

TYPHOON FINANCIAL SERVICES LIMITED

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021**1. Corporate information**

Typhoon Financial Services Limited is a non banking financial company registered with Reserve Bank of India (RBI) to carry on the business of non banking financing activities of investments and advancing of loans. The Company is listed on the Bombay Stock Exchange. The registered office of the Company is located at 35 Omkar House, C G Road, Near Swastik 4 Rasta, Navrangpura, Ahmedabad - 380009, Gujarat.

2.1 Significant accounting policies**i. Basis of preparation and Statement of compliance**

The financial statements of the Company have been prepared in all material aspects in accordance with Indian Accounting Standards (Ind AS) as per rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013 ('the Act') and other relevant Provisions of the Act and guidelines issued by the Reserve Bank of India (RBI) from time to time.

The financial statements have been prepared on an accrual basis and under the historical cost basis, except for certain financial assets and liabilities which have been measured at fair value at the end of each reporting period.

ii. Functional and Presentation Currency

The financial statements are presented in Indian Rupees (₹), which is the functional currency of the Company and all amount are rounded to the nearest thousands (₹ '000), except when otherwise indicated.

iii. Approval of Financial Statements

The financial statements are approved for issue by the Company's Board of Directors on June 30, 2021.

iv. Use of estimates

The preparation of financial statement requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in accordance with the requirements of the respective accounting standards.

v. Property, plant and equipments

An item of property, plant and equipments is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipments and also to costs incurred subsequently to add to, replace part of, or service any item of property, plant and equipments. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying amount of the replaced part is derecognised. Where an item of property, plant and equipments comprises components which are significant to the total cost and having different useful lives, these components are accounted for separately.

Property, plant and equipments are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset, and is recognised in the statement of profit and loss.

TYPHOON FINANCIAL SERVICES LIMITED

Depreciation on property, plant and equipments is calculated on a straight-line basis using the useful life as prescribed under the Schedule II to the Companies Act, 2013.

vi. Financial Instruments

All financial assets and liabilities are initially recognised at fair value. Transactions costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on the initial recognition of financial asset or liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss. Purchase and sale of financial assets are recognised using trade date accounting.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(a) Financial assets

Initial recognition and measurement

Investments in credit impaired financial assets are initially recognized at cost. Subsequently, these investments in credit impaired financial assets are measured at fair value through profit or Loss.

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVPL)

A financial asset which is not classified in any of the above categories are measured at FVPL.

Subsequent re-classification

Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

Investment in equity instruments

All equity investments covered within the scope of Ind-AS 109 are measured at fair value and the changes in value are recognised in the Statement of Profit and loss except for those equity instruments which the Company has chosen to recognise the value Changes in Other Comprehensive Income'. The classification of recognising the value changes either through FVPL or FVOCI is made on initial recognition.

(b) Financial liabilities**Initial recognition**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

The income earned on equity instruments those are measured through FVTPL are recognised in Statement of Profit and loss.

(c) Derecognition of financial assets and liabilities

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

vii. Impairment**(a) Financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL). Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For all trade receivables that do not constitute a significant financing transaction, The Company applies simplified approach which recognises life time expected credit losses at the time of initial recognition of receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition.

(b) Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

TYPHOON FINANCIAL SERVICES LIMITED

viii. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria are followed before revenue is recognized:

Income from investment in credit impaired financial assets

Amount realized on resolution / realization of credit impaired financial assets is credited to respective assets till the value of that asset become nil. Amount realized from resolution subsequent to that is credited to the statement of profit or loss. Similarly, if the total amount realized from resolution is less than its cost, the short fall is treated as loss and debited to the statement of profit or loss.

ix. Borrowing costs

Borrowing costs directly attributable to acquisition/ construction of qualifying assets are capitalised until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs not eligible for inventorisation/ capitalisation are charged to statement of profit and loss.

x. Employee benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

xi. Taxes

The tax expense for the period comprises of current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

xii. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue. The Company did not have any potentially dilutive securities in any of the years' presented.

xiii. Provisions

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

xiv. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

xv. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.2 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements in conformity with the recognition and measurement principles of Ind AS requires the management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(a) Judgements

In the process of applying the accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Business model assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how group of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance is measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

Significant increase in credit risk

ECL is measured as an allowance equal to 12-month ECL for stage 1 assets, or lifetime ECL for stage 2 or stage 3 assets. An asset moves to stage 2 when its credit risk has increased significantly

TYPHOON FINANCIAL SERVICES LIMITED

since initial recognition. Ind AS 109 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Company takes into account qualitative and quantitative reasonable and supportable forward-looking information.

(b) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Impairment of financial assets

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Company's ECL calculations are outputs of models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates include:

- Probabilities of defaults (PDs) the calculation of which includes historical data, assumptions and expectations of future conditions.
- The Company's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a life-time expected credit loss model basis and the qualitative assessment.
- The segmentation of financial assets when their ECL is assessed on a collective basis.

It is Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

2.3 Amendments to Ind AS

The Ministry of Corporate Affairs has issued amendments to various Ind AS during the financial year. The Company has adopted such amendments and evaluated that such amendments does not have any material impact on the financial statements of the Company.

24. Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Valuation Methodology

- (i) The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been value using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.
- (ii) The fair value of other receivables, other payables and other financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as best estimate of fair value and has been excluded in the fair value measurement disclosed above.

TYPHOON FINANCIAL SERVICES LIMITED

- (iii) There has been no change in the valuation methodology for Level 3 inputs during the year. The Company has not classified any material financial instruments under Level 3 of the fair value hierarchy. There were no transfers between Level 1 and Level 2 during the year.

25. Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings (other than debt securities). The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include Loans and Investments that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors of the Company. The focus of the risk committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Company.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company has quoted investments which are exposed to fluctuations in stock prices. Such changes in the values of financial instruments may result from changes in the interest rates, credit, liquidity and other market changes.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities, primarily loans, and from its other financing activities.

The movement of the expected loss provision (allowance for bad and doubtful of loans and other receivables etc.) made by the Company are as under:

	As at March 31, 2021	As at March 31, 2020

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. The Company's maximum exposure to credit risk for the components of the statement of financial position at March 31, 2021 and March 31, 2020 is the carrying amounts.

Liquidity and interest risk

Liquidity risk is the risk than an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. It is exposed to interest risk both as a result of lending at fixed rates and for reset periods which may differ from those of its funding sources. The Company seeks to match its interest rate position of assets and liabilities to minimize interest risk.

TYPHOON FINANCIAL SERVICES LIMITED

26. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

30. Disclosure required under Section 186(4) of the Companies Act 2013

The Company being an NBFC company, provisions of Section 186 of the Companies Act 2013 and provisions of the Companies (Acceptance of Deposits) Rules, 2014 are not applicable.

TYPHOON FINANCIAL SERVICES LIMITED

31. Disclosures pursuant to Rule 16A of the Companies (Acceptance of Deposits) Amendment Rules, 2016

The Company has not received any amount from its directors during the financial year.

32. Impact of Covid-19

The outbreak of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue during the period were impacted due to COVID-19. The Company's management has made assessment of likely impact on business and financial risks based on internal and external sources. The management has also considered the possible effects of Covid-19 on the carrying amounts of its assets and debt covenants using reasonably available information, estimates and judgments and has determined that none of these balances require a material adjustment to their carrying values, and that the management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

33. The company has reclassified previous year figures to conform to this year's classification.
