SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members

Apoorva Leasing Finance and Investment Company Limited

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Apoorva Leasing Finance and Investment Company Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion the company has, during the audit period covering the financial year ended on 31st March, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

PARA ONE

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Apoorva Leasing Finance and Investment Company Limited** ("the Company") for the financial year ended on 31st March, 2019, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made hereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made hereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed hereunder;
- (iv) *Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) *The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

 - (g) *The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) *The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- * No Event took place under these regulations during the Audit Period.
- (vi) We have also examined the Compliances of the Provisions of the following other laws applicable specifically to the Company wherein I have also relied on the Compliance Certificates/declaration issued by the head of the respective department/management in addition to the checks carried out by me and found that company has complied with all the provisions of said Acts except the below mentioned observation in respect of the said Acts.

1. The Minimum wages Act, 1948
2. The Employee's State Insurance Act, 1948

Observations in Clause (i) Para One of Our Report

1. According to the explanations given to us by the company and as per the management due to its turnover in commodity future and option, the company does not satisfy the conditions required to get registered u/s 45-IA of the Reserve Bank India Act 1934.
2. The winding-up petition filed by the Registrar of Companies, NCT of Delhi (ROC) against the Company u/s 271 of the Companies Act, 2013 has been decided in favour of the Company by the Hon'ble National Company Law Tribunal, New Delhi. The ROC has filed appeal before Hon'ble National Company Law Appellate Tribunal, New Delhi and the decision has been given by Hon'ble National Company Law Appellate Tribunal in favour of Company.

PARA SECOND

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards on meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meeting (SS-2) issued by Institute of Company Secretaries of India.
- (ii) The Listing Regulations entered into by the Company with BSE Ltd.

Based on our verification of the Company's Books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents, and its authorized representatives during the conduct of Secretarial Audit we hereby report that in our opinion during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings. Agenda and detailed note on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decisions are carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that here are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED ON 31st MARCH, 2020

At Apoorva Leasing Finance & Investment Company Limited, Corporate Governance is all about maintaining a valuable relationship and trust with stakeholders. We consider stakeholders as partners in our success, and we remain committed to maximizing shareholders value, be its shareholders, customers, investor's communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it resets on the customer value, ownership mindset, respect, integrity, One Team and Excellence.

Corporate Governance is system of rules, practices and processes by which a Company is directed and controlled. Corporate governance essentially involves balancing the interests of the many stakeholders in a Company –these include its shareholders, management, customers, suppliers, financiers, government and the community. Since Corporate Governance also provides the framework for attaining a Company's objectives, it encompasses practically every sphere of management, from action plans and internal controls to performance measurement and corporate disclosure.

Corporate Governance refers to the way a corporation is governed. It is the technique by which companies are directed and managed. It means carrying the business as per the stakeholders' desires. It is actually conducted by the Board of Directors and the concerned Committees for the Company's stakeholder's benefit. It is all about balancing individual and societal goals, as well as, economic and social goals. Over the years, the Company has followed best practices of Corporate Governance. The objective of Company, its management and its employees is to render the Company's services in such a way so as to create value that can be sustained over the long term for consumers, shareholders, employees, business partners and the national economy.

Your Company believes that the success of an organization is irrevocably linked to the maintenance of global standards of corporate conduct towards its stakeholders. Towards this end, your Company has always focused on good corporate governance as the key driver of sustainable corporate growth and long-term value creation.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements based on certain assumptions and expectations of future events. The Company, therefore, cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements can thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

FUTURES PROSPECTS

The management of the Company cautioned the Readers that this management discussion and analysis report is only future prospects and not confirmation. The statement/future prospects involve risks and uncertainties. The actual results may be varying from future prospects. Financial Service Institutions have proven their mettle in many other specialized financial services such as factoring, lease finance, venture capital finance, financing road transport and also in the business of securities-based lending such as Loan against Shares, Margin Funding, IPO Financing, Promoter Funding etc. They have also been providing a major boost to Micro, Small and Medium enterprises and other avenues where banks exercise cautious lending. All the above factors further emphasize the potential and opportunities in store for Financial Service Institutions and the regulations when designed to provide the right environment, provides impetus to the growth of the sector. The Company hence wishes to diversify its activities in the coming period and shall embark on this path and move forward once the existing investments, which are at an incubating stage begin to bear fruits at maximum level. The subsidiary shall continue to focus on their core business area.

COMPANY BUSINESS

The company is engaged in trading in shares, financial services and investment activities where the outlook of the business seems to be encouraging. Over and above, we have been diversified into different businesses ranging from third party product distributions (lowest balance sheet risk) to originating unsecured personal loans, corporate loans (highest balance sheet risk). We believe that we are well placed to leverage on the growth opportunities in the economy.

RISKS AND CONCERNS

In any business, risks and prospects are inseparable. As a responsible management, the Company's principal endeavour is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

CAUTIONARY STATEMENT

Statement in this Management's Discussion and Analysis detailing the Company's objectives, projections, estimates, expectations or predictions are "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand-supply conditions, finished goods prices, feedstock availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the Company conducts business and other factors such as litigation and labour negotiations.

STRATEGY

Alike the other business enterprise, the Company is also following the same strategy for expansion of business by providing investment, financing etc. to the corporate.

STRENGTHS & OPPORTUNITIES

The Company is an investment company and having sufficient amount of Reserves is the core strength of the company. The Company will continue to play a major role in commodity trading and other business activities on its own or through its subsidiaries.

LEADERSHIP AND CORPORATE GOVERNANCE

The Company's senior management comprises of some of the most talented and experienced leaders who have proved their excellence in various fields also. The diverse knowledge of members of the Company is real assets of the company, which makes it stand out of crowd. Every member of the Company is special and expert in his/her hard-core field such as management, finance, operation, manufacturing, corporate law, legal matters etc. The Company exceptionally believes in good corporate governance and follows all the rules, regulations, other applicable laws for the time being such as Corporate Law, Listing Agreement with Stock Exchange etc.

RISKS AND CONCERNS

The investment industry in general faces the risk of re-entry and new entry of players and existence of several unorganized regional players increasing the competition, which mainly affects the asset quality. This is further characterized by captive NBFCs floated by other business houses. The ever-existing systemic and delinquency risks and fluctuations in interest rates and risk weight make the companies more vulnerable. Deployment of funds in sensitive and volatile sectors increases the risk exposure while concentration risk increases dependency

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Apoorva Leasing Finance & Investment Company Limited

Report on the standalone Financial Statements**Opinion**

We have audited the accompanying standalone Ind AS financial statements of Apoorva Leasing Finance and Investment Company Limited ("the company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), statement of changes in Equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by The Companies act, 2013 ("the act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the companies (Indian Accounting Standards) rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report. There are two key audit matter that required significant auditor attention.

1. We have relied on the order of NCLAT regarding company's classification as Non-NBFC in previous years.
Also, we have considered Total Income as Total Turnover for the limits prescribed in RBI circular on NBFC which brings us out of the ambit of classification as NBFC

Impact of COVID-19:-

Impact of COVID-19 pandemic on the future financial performance and position of the Company (as described in Note 4.17 of the Ind AS Financial Statements) The extent to which the COVID-19 pandemic will impact the Company's financial performance and position will depend on future developments, which are highly uncertain.

Our audit procedures considered the guidance laid down by the ICAI Accounting & Auditing Advisory March 2020 – Impact of Corona virus on Financial Reporting and the Auditors Consideration. Highlighting few important areas which require particular attention in respect of the audit of the financial statements for the year 2019-20 including:

• Impairment of Non-financial Assets; • Impairment Losses (ECL, Bad-debts etc.); • Revenue; • Borrowing Costs; • Provisions, Contingent Liabilities and Contingent Assets; • Modifications or termination of Contracts or Arrangements; • Going Concern Assessment; • Post Balance Sheet Events; • Presentation of Financial Statements; • Changes in Internal Controls; • External Confirmations; • Audit evidences through electronic mode;

We considered the above guidance and appropriately applied to our response to modification of our audit procedures to obtain sufficient appropriate audit evidence on the significant audit areas and reached appropriate conclusions thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015, as amended by the companies (Indian Accounting Standards) Rules, 2017 under section 133 of the companies Act, 2013. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters Specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), statement of change in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of these standalone Ind AS financial statements.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015, as amended by the companies (Indian Accounting Standards) Rules, 2017 under Section 133 of the Act, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2020, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements as referred to in note no.9.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Apoorva Leasing Finance and Investment Company Limited ('the Company') as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements

Note1: Introduction

Apoorva Leasing Finance and Investment Co. Ltd. ('the Company') is a public limited Company incorporated in India, with its registered office in New Delhi. The Company is listed on the Bombay Stock Exchange (BSE).

These financial statements of the Company for the year ended March 31, 2020 were authorized for issue by the Board of Directors on 30.06.2020.

Note2: BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of financial statements

(a) Statement of Compliance

The financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under Companies (Indian Accounting Standards) Rules, 2015, as amended by Companies (Indian Accounting Standards) Rules, 2017 and the other relevant provisions of the Companies Act, 2013. The accounting policies are applied consistently to all the periods presented in the financial statements

(b) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except, certain financial assets and liabilities, measured at fair value

(c) Functional and presentation currency

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

The financial statements are presented in Indian Rupees which is the Company's presentation in Indian Rupees has been rounded up to the nearest lakhs except where otherwise indicated.

(d) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Note No. 3: Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

Note No. 4: Significant Accounting Policies

The financial Statement have been prepared inconformity with generally accepted accounting principle to comply in all material respect with the notified accounting standards as prescribed section 133 of the companies Act, 2013 ('the Act') read with relevant rules issued there under.

4.1 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle

4.2 Property, Plant and Equipment – Tangible Assets

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. The company depreciates property, plant and equipment over their estimated useful lives using the written down value method and the estimated useful lives of assets are as follows:

Assets	Useful life (in years)
Office Equipment	5 years
Computer Equipment	3 years
Electrical Installations and Equipment	10 years

Management believes that the useful lives as given above best represent the period over which the assets are expected to be used. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

4.3 Impairment of Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU (Cash Generating Unit) to which the asset belongs.

4.4 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

The company is not required to capitalize any amount during the financial year as borrowing cost.

4.5 Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of the ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee

Operating lease payments are recognized as an expense in the statement of profit or loss account on straight line basis over the lease term.

Company as a lessor

Rental income from operating lease is recognized on straight line basis over the term of the relevant lease. Initial direct costs having substantial amount incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Since company has not entered into any financial lease during the periods mentioned in financial statement, therefore no related policy provided here.

4.6 Accounting of Inventories

Inventories are stated at cost. The cost is calculated on FIFO weighted average method. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Obsolete, slow moving and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

4.7 Investment in Properties

Property that is held for long- term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment property is measured at cost and accumulated impairment losses, if any. Subsequent costs are added to the carrying amount only when it is probable that it will increase its useful life. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

4.8 Investment in Subsidiaries and Associates

Investment in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment, if any.

4.9 Financial instruments, Financial assets, Financial liabilities and Equity Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

4.9.1 Financial Assets**Recognition:**

Financial assets include Investments, Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification:

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- (a) Amortized cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b) Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in other comprehensive income.
- (c) Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents etc. are classified for measurement at amortized cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

4.9.2 Debt Instruments:

- a) **Measured at amortized cost:** Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.
- b) **Measured at fair value through other comprehensive income:** Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.
- c) **Measured at fair value through profit or loss:** A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

4.9.3 Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognized as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

De-recognition:

Financial assets are de-recognized when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. if the asset is one that is measured at:

- (a) amortized cost, the gain or loss is recognized in the Statement of Profit and Loss;
- (b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

4.10 Fair Value Measurement

The company measures financial instruments (investment in mutual funds and listed shares) at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) in the principal market for asset or liability, or
- (ii) in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

4.11 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

Statement of Cash Flows and Cash and Cash Equivalents

Statement of cash flows is prepared in accordance with the indirect method prescribed in the relevant Accounting Standard. For the purpose of presentation in the Statement of cash flows, Cash and cash equivalents comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

4.12 Revenue Recognition

a) Interest Income

In respect of loan, the income is accrued by applying the interest rate in the transaction on declining balance on the amount financed for the period of the agreement.

- b) Dividend income on investments is accounted for as and when the right to receive the same is established.
- c) Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers. Revenue from the sale of goods is shown to include taxes such as Goods and Services Tax which are payable in respect of sale of goods and services. Revenue from the sale of goods is recognized when significant risks and rewards of ownership have been transferred to the customer, which is mainly upon delivery, the amount of revenue can be measured reliably and recovery of the consideration is probable.
- d) Profit/Loss on sale of mutual fund and Listed shares are accounted for in profit and loss account when the company redeem/sale the mutual fund and shares respectively. Notional profit on investment in mutual fund is shown through OCI

4.13 Employee Benefits

The company has liability only on account of short term employee benefits to employees like Salary, wages which is accounted as expenses in the year of payment. As per Management, there is no liability of the company on account of Gratuity.

4.14 Provisions, contingents Liabilities and contingent Assets

- I. A Provision is recognized when the company has present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- II. Contingent Liabilities are disclosed separately by way of note to financial statements after careful evaluation by the managements of the facts and legal aspects of the matter involved in case of:
 - a) At present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
 - b) A possible obligation, unless the probability of outflow of resources is remote.
- III. Contingent Assets are neither recognized, nor disclosed in the financial statements.

4.15 Taxation

Taxes on income comprise current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognized for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilized. Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable. Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

On March 30, 2019, MCA has issued amendment regarding the income tax Uncertainty over Income Tax Treatments. The notification clarifies the recognition and measurement requirements when there is uncertainty over income tax treatments. In assessing the uncertainty, an entity shall consider whether it is probable that a taxation authority will accept the uncertain tax treatment. This notification is effective for annual reporting periods beginning on or after April 1, 2019. As per the Company's assessment, there are no material income tax uncertainties over income tax treatments.

4.16 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted averages number of equity shares outstanding during the year.

4.17 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the standalone financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the standalone financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Company has evaluated impact of COVID-19 pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial statements as at 31st March 2020. The Company, as at the date of approval of these financial statements has used internal and external sources of information on the expected future performance of the Company. The Company has made assessment of its liquidity position for the next one year and of the recoverability and carrying values of its assets comprising Property, Plant and Equipment, intangible assets, Trade Receivables, and Inventory as at the balance sheet date and has concluded that there is no material adjustments required in the financial statements. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial statements. The Company will continue to monitor any material changes to future economic conditions.

The Company's management also has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

NOTES TO THE FINANCIAL STATEMENTS

Note-5

OTHER NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2019

5.1 Previous year figures have been reworked, regrouped, & reclassified wherever necessary to confirm to the current year presentation.

5.2 In the opinion of Board of Director, the current Assets, loans & advances have a value on realization in the ordinary course of business at least equal to the amount at which these are stated. Only Loan given to M/s Brys International Pvt. Ltd. of Rs. 500000/- is doubtful

5.3 During the year, the company has traded in Derivatives, and the company has suffered loss of Rs. 13,03,384/- from forex currency trading, earned profit of Rs. 1,24,01,267/- from commodity trading and earned profit of Rs. 30,95,419/- in future & option trading during the year. The purchase of forex currency trading is Rs. 193,29,7011 /-, commodity trading Rs. 1,00,22,49,910/- and future & option Rs. 13,23,16,661/- during the year. The sale of forex currency trading is Rs. 192,01,6414 /-, commodity trading Rs. 95,85,28,321/- and future & option Rs. 13,54,12,080/- during the year. The total purchase and sale figure of trading in future and option are huge figures of turnover which not is reflected in trading A/c keeping in consideration that the true and fair view of state of the affairs of the company would not look meaningful and will look potentially misleading as an indicator level of the company business. Hence the company only included gross loss from currency trading in other expense as stated in note no 29 of the profit and loss account and profit from commodity trading and future & option in note no. 22 of the profit and loss account. This method is as per last year.

5.4 The Company has presented segment information in the consolidated financial statements which are presented in the same financial report. Accordingly, in terms of Paragraph 4 of Ind AS 108 'Operating Segments', no disclosures related to segments are presented in this standalone financial statements.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Apoorva Leasing Finance & Investment Company Limited

Report on the Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated Ind AS financial statements of Apoorva Leasing Finance and Investment Company Limited, (hereinafter referred to as "the Holding Company") its subsidiaries and its associates (the Company, its subsidiaries and its associates together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit and Loss (including other comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report. There are no matters that required significant auditor attention.

Information Other than the Consolidate Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including consolidated other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015, as amended by the companies (Indian Accounting Standards) Rules, 2017 under section 133 of the companies Act, 2013. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Group and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls based on our Audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group (Holding Company and subsidiaries) to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which has been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in sub-paragraph (a) of the section titled 'Other Matters' in this audit report.

We believe that the audit evidence obtained by us along with the consideration of audit report of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the Ind AS financial statements of 2 subsidiaries and 5 Associate companies, whose financial statements reflect total assets of Rs. 8,69,48,672.96/- as at March 31, 2020 and total revenues of Rs.516039.61/- for the year ended on that date, as considered in the consolidated Ind AS financial statements. These Ind AS financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the management.

Report on Other Legal and Regulatory Requirement

1. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statement.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as appears from our examination of those books and reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), consolidated statement of change in Equity and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated Ind AS financial statements
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) notified under the companies (Indian Accounting Standards) Rules, 2015, as amended by the companies (Indian Accounting Standards) Rules, 2017 under Section 133 of the Act, 2014.
- e) On the basis of the written representations received from the Directors of the Holding Company as on March 31, 2020, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries and Associate companies incorporated in India, none of the Directors of the Group companies, incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our report in "Annexure A", which is based on the Auditors' Reports of the Company and its subsidiaries and Associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Company and its subsidiaries and Associate companies incorporated in India
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its financial position of the group as referred to in Note No.5.4 to the consolidated Ind AS financial statements.
 - ii. The Group did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which required to be transferred by the Holding Company to the Investor Education and Protection Fund.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Apoorva Leasing Finance and Investment Company Limited ("the Holding Company"), its Subsidiaries and its associate companies incorporated in India (the Holding Company, its Subsidiaries and associates together referred as "the Group") for the year ended 31st March, 2020, in conjunction with our audit of the consolidated Ind AS financial statements of the Group for the year ended on that date.

In our opinion, the Holding Company, has, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2020, based on the internal financial controls with reference to consolidated financial statements criteria established by the Holding Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiaries and its associate companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the respective internal control over financial reporting criteria established by the Holding Company, its subsidiaries and its associate companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Holding company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Holding company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to the Subsidiaries and associates company incorporated in India, is based on the corresponding report of the auditor of the said Company. Our opinion is not modified in respect of above matter.

The Holding Company is listed on the Bombay Stock Exchange (BSE). The Holding Company has two Subsidiary companies, and five Associates. The accompanying Consolidated Financial Statements relate to Apoorva Leasing Finance and Investment Co. Ltd('the Holding Company') and its two Subsidiary companies and five Associate companies (together referred as "the Group"). The financial statements for the year ended March 31, 2020 were approved by the Board of Directors and authorized for issue on 30.06.2020.

Note2: BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation of financial statements

(a) Statement of Compliance

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under Companies (Indian Accounting Standards) Rules, 2015, as amended by Companies (Indian Accounting Standards) Rules, 2017 and the other relevant provisions of the Companies Act, 2013

(b) Historical Cost Convention

The consolidated financial statements have been prepared on a historical cost basis, except, certain financial assets and liabilities, measured at fair value

(c) Functional and presentation currency

Items included in the consolidated financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

The consolidated financial statements are presented in Indian Rupees which is the Company's presentation in Indian Rupees has been rounded up to the nearest lakhs except where otherwise indicated.

(d) Use of Estimates

The preparation of consolidated financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Note No. 3: Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

Note No. 4: Significant Accounting Policies, Judgments, Estimates and Assumptions

The consolidated financial Statement have been prepared in conformity with generally accepted accounting principle to comply in all material respect with the notified accounting standards as prescribed section 133 of the companies Act, 2013 ('the Act') read with relevant rules issued there under

4.1 Basis of Consolidation

The consolidated Financial Statements have been prepared in accordance with Indian Accounting Standard – 110 on "Consolidated Financial Statements".

(i) The financial statements of the holding company and its subsidiaries have been combined line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating the intra group transactions and unrealized profits and losses in accordance with Ind AS – 110 on "Consolidated Financial Statements".

(ii) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other presented to the extent possible, in the same manner as the holding company's separate financial statements except as otherwise stated in the significant accounting policies.

(iii) The difference between the costs of investment in the subsidiaries over net assets at the time of acquisition of shares in the subsidiaries is recognized in the consolidated financial statements as Goodwill or Capital reserve as the case may be.

The consolidated financial statements of the holding company include the results of the following entities:

Name of Company	Country	Shareholding as on 31.03.2020	Shareholding as on 31.03.2019
Subsidiary			
Space Height Constructions LLP	India	53.24%	53.24%
Yukati E Services Limited	India	82.76%	82.76%
Associates			
Avancer Infra Solutions Pvt. Ltd.	India	24.24%	24.24%
Antriksh Stocks and Shares Brokers Pvt. Ltd.	India	50.00%	50.00%

Akshat Commodity Limited	India	45.61%	45.61%
Summer Infotech Private Limited	India	45.15%	45.15%
Cloud Business LLP	India	49.24%	49.24%

4.2 Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle

4.3 Property, Plant and Equipment – Tangible Assets

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. The company depreciates property, plant and equipment over their estimated useful lives using the written down value method and the estimated useful lives of assets are as follows:

Assets	Useful life (in years)
Office Equipment	5 years
Computer Equipment	3 years
Electrical Installations and Equipment	10 years

Management believes that the useful lives as given above best represent the period over which the assets are expected to be used. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

4.4 Impairment of Assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU (Cash Generating Unit) to which the asset belongs.

4.5 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary

Investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognized in profit or loss in the period in which they are incurred.

The Group is not required to capitalize any amount during the financial year as borrowing cost.

4.6 Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of the ownership to the lessee. All other leases are classified as operating leases.

Company as a lessee

Operating lease payments are recognized as an expense in the statement of profit or loss account on straight line basis over the lease term.

Company as a lessor

Rental income from operating lease is recognized on straight line basis over the term of the relevant lease. Initial direct costs having substantial amount incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Since Group has not entered into any financial lease during the periods mentioned in financial statement, therefore no related policy provided here.

4.7 Accounting of Inventories

Inventories are stated at cost. The cost is calculated on FIFO weighted average method. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Obsolete, slow moving and defective inventories are identified from time to time and, where necessary, a provision is made for such inventories.

4.8 Investment in Properties

Property that is held for long- term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment property is measured at cost and accumulated impairment losses, if any. Subsequent costs are added to the carrying amount only when it is probable that it will increase its useful life. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

4.9 Financial instruments, Financial assets, Financial liabilities and Equity Instruments

Financial assets and financial liabilities are recognized when the group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of

Financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the group commits to purchase or sell the asset

4.9.1 Financial Assets

Recognition:

Financial assets include Investments, Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents. Such assets are initially recognized at transaction price when the Group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification:

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- a) Amortized cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- b) Fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in other comprehensive income.
- c) Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in the Statement of Profit and Loss in the period in which they arise.

Trade Receivables, Advances, Security Deposits, Cash and Cash equivalents etc. are classified for measurement at amortized cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

4.9.2 Debt Instruments:

a) Measured at mortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortized cost using the effective interest rate ('EIR') method less impairment, if any. The amortization of EIR and loss arising from impairment, if any is recognized in the Statement of Profit and Loss.

b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

c) Measured at fair value through profit or loss: A financial asset not classified as either amortized cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Statement of Profit and Loss.

4.9.3 Equity Instruments:

All investments in equity instruments other than unlisted shares classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument are recognized as other income in the Statement of Profit and Loss unless the Group has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognized in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognized as 'other income' in the Statement of Profit and Loss.

De-recognition:

Financial assets are de-recognized when the right to receive cash flows from the assets has expired, or has been transferred, and the Group has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a) amortized cost, the gain or loss is recognized in the Statement of Profit and Loss;

(b) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

4.10 Fair Value Measurement

The Group measures financial instruments (investment in mutual funds and listed shares) at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) in the principal market for asset or liability, or
- (ii) in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

4.11 Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

Statement of Consolidated Cash Flows and Cash and Cash Equivalents

Statement of consolidated cash flows is prepared in accordance with the indirect method prescribed in the relevant Accounting Standard. For the purpose of presentation in the Statement of cash flows, Cash and cash equivalents comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less.

In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

4.12 Revenue Recognition

a) Interest Income

In respect of loan, the income is accrued by applying the interest rate in the transaction on declining balance on the amount financed for the period of the agreement.

b) Dividend income on investments is accounted for as and when the right to receive the same is established.

c) Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers. Revenue from the sale of goods is shown to include taxes such as Goods and Services Tax which are payable in respect of sale of goods. Revenue from the sale of goods is recognized when significant risks and rewards of ownership have been transferred to the customer, which is mainly upon delivery, the amount of revenue can be measured reliably and recovery of the consideration is probable.

d) Profit/Loss on sale of mutual fund and Listed shares are accounted for in profit and loss account when the company redeem/sale the mutual fund and shares respectively. Notional profit on investment in mutual fund is shown through OCI

4.13 Employee Benefits

The Group has liability only on account of short term employee benefits to employees like Salary, wages which is accounted as expenses in the year of payment. As per Management, there is no liability of the company on account of Gratuity.

4.14 Provisions, contingents Liabilities and contingent Assets

I. A Provision is recognized when the Group has present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

II. Contingent Liabilities are disclosed separately by way of note to financial statements after careful evaluation by the managements of the facts and legal aspects of the matter involved in case of:

- (a) At present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- (b) A possible obligation, unless the probability of outflow of resources is remote.

III. Contingent Assets are neither recognized, nor disclosed in the financial statements.

4.15 Taxation

Taxes on income comprise current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognized for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilized. Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable. Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

On March 30, 2019, MCA has issued amendment regarding the income tax Uncertainty over Income Tax Treatments. The notification clarifies the recognition and measurement requirements when there is uncertainty over income tax treatments. In assessing the uncertainty, an entity shall consider whether it is probable that a taxation authority will accept the uncertain tax treatment. This notification is effective for annual reporting periods beginning on or after April 1, 2019. As per the Company's assessment, there are no material income tax uncertainties over income tax treatments.

4.16 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss (including other comprehensive income) for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted averages number of equity shares outstanding during the year.

4.17 Critical accounting judgments and key sources of estimation uncertainty

The preparation of the consolidated financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The holding Company has evaluated impact of COVID-19 pandemic on its business operations and financial position and based on its review of current indicators of future economic conditions, there is no significant impact on its financial statements as at 31st March 2020. The holding Company, as at the date of approval of these financial statements has used internal and external sources of information on the expected future performance of the Group. The holding Company has made assessment of its liquidity position for the next one year and of the recoverability and carrying values of its assets comprising Property, Plant and Equipment, intangible assets, Trade Receivables, and Inventory as at the balance sheet date and has concluded that there is no material adjustments required in the financial statements. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial statements. The holding Company will continue to monitor any material changes to future economic conditions.

The holding Company's management also has made initial assessment of likely adverse impact on business and financial risks, and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the Groups ability to continue as a going concern and meeting its liabilities as and when they fall due.
