### 2. Management Discussion & Analysis (M D & A):

#### Review of Business & Outlook:

Your company remains a preferred supplier for several software requirements. Stockbrokers are showing a renewed interest in our software which is of the highest quality. Additionally, ERP system for manufacturing, processing and stock control has been the focus of the company.

The Corona Virus pandemic has had a severe effect on the Company and in the present scenario it is very difficult to manage growth with travel restrictions placed on most of the country. We hope that there will be relaxations in the near future.

The mobile market in India is the second largest in the world after China, and Mobile applications developed by your company have shown great acceptance and will continue to be the prime mover. The Global Mobile Applications market is poised to grow at a sustained rate and the number of users of smart phones will soon cross more

than half the population of the country. A complete ERP on the Android platform has been developed and will soon be the flagship product of your company.

Absence of skilled manpower and high cost of development and marketing are the major impediments to growth.

### **Opportunities and Threats:**

Most of the mobile app market is tuned to the free app model or aps which cost between Rs. 50 and Rs. 100. In the Commercial market place there are very few apps that are tuned to Business and Industry. A huge opportunity exists in this space.

Absence of skilled manpower, high cost of development, high cost of user acquisition, hyper competition driven by independent and freelance developers and the high cost of marketing are major impediments to growth.

### **Outlook:**

With the evolution of our new mobile products, we expect the market to accept our products more readily and with online advertising, which we have introduced, the response has been up to the mark.

The pandemic has affected the business to a large extent and the possibility of meeting potential new customers has reduced to a great extent. Also with the new compliances being brought in for Stockbrokers by SEBI the number of brokers giving up their membership is increasing.

### **Risk and Concerns:**

1. The first major problem developed in recent times subject to added different legal laws and norms.
2. Another major problem the need to develop the optimum mix of employees. A big dilemma is to get the balance correct in terms of recruitment.

### **Internal control systems and their adequacy:**

The Company has a proper and adequate system of internal controls. This ensures that all transactions are authorized, recorded and reported correctly, and assets are safeguarded and protected against loss from unauthorized use or disposition. In addition there are operational controls and fraud risk controls, covering the entire spectrum of internal financial controls. The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations.

### **Discussion on financial performance with respect to operational performance:**

During the year under review, your Company made a Turnover of Rs. 77.91 Lakhs as against Rs. 77.92 Lakhs for the previous year and had a profit of Rs. 1.27 Lakhs as against a loss of Rs. (31.73) Lakhs for the previous year.

### **Material development in Human Resource & Industrial Relations:**

There are no significant developments in human resources and number of people employed. However, all our efforts were made to retain the talent and improve the productivity.

### **3. Change in the nature of business**

There were no changes in the nature of business of the Company during the financial year 2020-21.

### **4. Deposits**

The Company has not accepted any deposits from the public during the year in pursuance to Section 73 of the Companies Act, 2013.

### **5. Material Changes and Commitments**

There are no significant material changes and commitments affecting financial position of the company between 31<sup>st</sup> March, 2021 and the date of this report.

### **6. Number of meetings of the Board**

The Board of Directors met 4(four) times during this financial year on 28<sup>th</sup> July, 2020, 04<sup>th</sup> September, 2020, 10<sup>th</sup> November, 2020 and 03<sup>rd</sup> February, 2021.

### **7. Extract of Annual Return**

As required pursuant to section 92(3) of the Companies Act, 2013 and rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of annual return in **MGT9** as a part of this Annual Report (**Annexure-I**).

### **Link of the Annual return on website is mentioned below**

<http://hypersoftindia.net/investor-relations.html>

### **8. Policy on directors' appointment and remuneration**

The current policy is to have an appropriate mix of executive and independent directors to maintain the independence of the Board and they demarcate their functions of governance and management. As on March 31, 2021, the Board consists of 4 (four) members, one of whom is executive, three is non-executive and out of which two are independent directors. The Board periodically evaluates the need for change in its composition and size. The policy of the Company on directors' appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under Sub-Section (3) of Section 178 of the Companies Act, 2013, adopted by the Board, is appended as **Annexure-II** to the Board's report. We affirm that the remuneration paid to the

directors is as per the terms laid out in the nomination and remuneration policy of the Company.

## **9. Directors and Key Managerial Personnel:**

No changes took place in the composition of the Board of Directors for the Financial Year 2020-21.

However from period 01<sup>st</sup> April, 2021 to till the date of Board report following changes took place:

- i) Mr. Khudaventh Shaik resigned as Chief Financial Officer of the Company w.e.f 01<sup>st</sup> June, 2021.

Your Board of Directors are in process of identifying the appropriate candidate for appointment of Chief Financial Officer of the Company.

## **10. Declaration given by Independent Directors:**

The Company has received necessary declaration from each independent director under Section 149(7) of the Companies Act, 2013, that they meet the criteria of independence laid down in Section 149(6) of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirement), Regulations 2015.

## **11. Contracts and arrangements with Related Parties under Section 188**

The Company has not entered into any contracts or arrangements with related parties during the financial year. Therefore, AOC-2 is not required to be enclosed to this report.

## **12. Particulars of loans, guarantees or investments under Section 186**

The Company has not made any investments and has not given any loan or guarantee under section 186 of the Companies Act, 2013.

## **13. Risk Management**

The Company has developed and implemented a risk management framework that includes identification of elements of risk, if any, which in the opinion of the Board may threaten the existence of the Company.

The following broad categories of risks to the business objectives have been considered in our risk management framework:

- **Strategy:** Risks to the successful execution of the Company's articulated strategies. These originate from the choices we make on markets, business mix, resources and delivery models that can potentially impact our competitive advantage in the medium and long term. Risks related to scalability and sustainability of our business might also have an impact on our business.

• **Industry:** Risks relating to the inherent characteristics of our industry such as competitive structure, emergence of new business models, technological landscape, extent of linkage to economic environment and regulatory structure.

• **Counterparty:** Risks arising from our association with entities for conducting business. The counterparties include clients, vendors, alliance partners and their respective industries. Counterparty risks include those relating to litigation and loss of reputation.

• **Resources:** Risks arising from inappropriate sourcing or sub-optimal utilization of key organizational resources such as financial capital, talent and infrastructure.

• **Operations:** Risks inherent to business operations including those relating to client acquisition, service delivery to clients, business support activities, information security, intellectual property physical security, and business activity disruptions. Operational risks are assessed primarily on three dimensions - business process effectiveness, compliance to policies and procedures, and strength of underlying controls.

• **Regulatory environment:** Risks due to adverse developments in the regulatory environment that could potentially impact our business objectives and lead to loss of reputation.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report and Corporate Governance Report but does not include the financial statements and our auditor's report thereon. The Directors Report and Corporate Governance Report are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors report and Corporate Governance Report if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash

flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's

report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act based on our audit, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197 (16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the is accordance with provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have pending litigations which would impact its financial position;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Sec 143 (11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **Annexure – A to the Independent Auditors’ Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Hypersoft Technologies Limited (“the Company”) as of 31<sup>st</sup> March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Note 1: SIGNIFICANT ACCOUNTING POLICIES**

### **A: CORPORATE INFORMATION**

The accompanying financial statements comprise the financial statements of HYPERSOFT Technologies Limited (the Company). The Company is a public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at Hyderabad, Telangana, India.

### **B. BASIS OF ACCOUNTING:**

The financial statements are prepared and presented in accordance with Generally Accepted Accounting Principles in India ( GAAP), mainly comprising the mandatory Accounting Standards(IND AS) as notified under section 133 of the Companies Act, 2013 read with the Companies(Indian Accounting Standards) Rules, 2015 to the extent applicable and the provisions of the Companies Act, 2013.

Balance Sheet , Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity are prepared in conformity with Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') , the provisions of the Act (to the extent notified) and guide lines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in accounting policy hitherto in use.

The company generally follows mercantile system of Accounting and recognizes significant items of income and expenditure on accrual basis.

### **C. USE OF ESTIMATES:**

The preparation of Financial Statements in conformity with GAAP requires estimates and assumptions (including revisions if any) that affect the reported amount of assets and liabilities, disclosure of contingent liability on the date of financial statements and the reported amount of Revenue and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known/materialized.

This note provides an overview of the areas that involve a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

#### **Critical Estimates and judgments**

The areas involving critical estimates or judgments are:

- Estimation of current tax expense and payable
- Estimation of defined benefit obligation
- Estimation of useful life of Property, Plant and Equipment
- Impairment of trade receivables

## **D.BASIS OF MEASUREMENT**

The financial statements have been prepared on a historical cost basis except for certain assets and liabilities which have been measured at fair value as per applicable IND AS accounting standards.

The Financial Statements are presented in Indian Rupees (INR), except when otherwise indicated, which is the functional currency of the Company.

## **E. REVENUE RECOGNITION:**

The Company derives revenues primarily from business IT services comprising of software development and related products.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Interest income is accrued on a time basis, by reference to the principal outstanding and the applicable effective interest rate.

## **F. PROPERTY, PLANT & EQUIPMENT:**

Property, Plant& Equipment are disclosed at historical cost of acquisition. Buildings have been valued at Fair Market Value by Independent valuation during the FY 2017-18.

## **G. DEPRECIATION:**

During the year, depreciation is provided on the straight line method and based on the useful life and in the manner specified in schedule II of the Companies Act, 2013.

## **H. PRIOR PERIOD / PRE PAID EXPENSES:**

Expenditure less than Rs.10,000/- are not classified into Prior Period Expenditure or Prepaid Expenses in view of the fact that they are not material in nature.

## **I. FOREIGN CURRENCY TRANSACTIONS:**

Transactions in foreign currencies are accounted at functional currency, at the exchange rate prevailing on the date of transactions. Gains / losses arising out of the fluctuations in the exchange rate between functional currency and foreign currency are recognized in the Statement of Profit & Loss in the period in which they arise.

The fluctuations between foreign currency and functional currency relating to monetary items at the year ending are accounted as gains / losses in the Statement of Profit & Loss

## **J. INCOME TAX**

Tax expense comprises of current and deferred taxes.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

## **K. PROVISIONS & CONTINGENCIES:**

Provisions are recognized in the books when there is a present obligation as a result of past events involving substantial degree of estimation and it is probable that there will be an outflow of economic resources. contingent liabilities, if any, are not recognized but are disclosed in the notes.

## **L. FINANCIAL INSTRUMENTS:**

### **Non-Derivative Financial Instruments:**

Non-derivative financial instruments are recognized initially at fair value when the Company becomes a party to the contractual provisions of the instrument.

Dividend and interest income are recognized when earned.

Non-derivative financial instruments consists of

- a) Financial Assets which includes Cash and Cash equivalents, trade receivables, unbilled revenue and eligible current and non-current assets.

- b) Financial Liabilities includes short term and long term borrowings bank overdrafts, trade payables and eligible current and non-current liabilities.

### **Cash and cash equivalents**

Cash and cash equivalents include all cash balances and short-term highly liquid investments with an original maturity of three months or less that are readily convertible into known amounts of cash which are subject to insignificant risk of change in value. Bank overdraft, if any are shown within borrowings in current liabilities in the Balance Sheet.

### **Receivables**

#### **Trade and other receivables**

Receivables are initially recognized at fair value, which in most cases approximates the nominal value. If there is any subsequent indication that those may be impaired, they are reviewed for impairment.

#### **Trade and other payables**

Liabilities are recognized for amounts to be paid in future for goods or services received, Whether billed by the supplier or not.

### **M. EVENTS AFTER THE REPORTING PERIOD**

Adjusting events are events that provide further evidence of condition that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

The carrying amounts of above Financial Assets and Liabilities are considered to be same (except in case of investments, other than joint venture investment) as their fair values due to the nature of the contractual obligations.

**Fair Value Hierarchy**

Management considers that, the carrying amount of those financial assets and financial liabilities that are not subsequently measured at fair value in the Financial Statements approximate their transaction value. No financial instruments are recognized and measured at fair value for which fair values are determined using the judgments and estimates. The fair value of Financial Instruments referred below has been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities. (Level-1 measurements) and lowest priority to unobservable (Level-3 measurements). The categories used are as follows:

- **Level 1** - Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active markets.
- **Level 2** - Level 2 hierarchy includes financial instruments measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- **Level 3** - Level 3 hierarchy includes financial instruments measured using inputs that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy as at March 31, 2021:

#### Valuation Process:

For Level-3 financial instruments, the fair values have been determined by applying the Net Book value method.

The carrying amounts of receivables, payables, bank balances and cash and cash equivalents are considered to be same as their fair value due to their contractual obligations.

For Financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

#### Financial Risk Management:

The Company's activities expose to a variety of financial risks viz, market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is credit risk and liquidity risk. The Company's exposure to credit risk is influenced mainly by, dealings with Government and Government agencies being the top customers.

**a. Management of Market Risk:**

Market risks comprises of Price risk and Interest rate risk. The Company does not designate any fixed rate financial assets as fair value through Profit and Loss nor at fair value through OCI. Therefore, the Company is not exposed to any interest rate risk. Similarly, the Company does not have any Financial Instrument which is exposed to change in price.

**b. Foreign Currency Risks:**

The Company is exposed to foreign exchange risk arising from various Currency exposures primarily with respect to the US Dollars (USD) for the services rendered by the Company to foreign customers.
