b. Outlook, Opportunities and Threats

The real estate sector in India is a critical piece of its economic architecture. Its importance is also linked with the creation of vital housing and commercial infrastructure necessary to enable high growth of the economy. Hence, in addition to its primary utility, the sector also generates a lot of positive second order effects, thus impacting consumer and business confidence across the country.

The Indian economy was affected by many of the global factors. Which created a major liquidity crunch in the market that has continued even in FY 2019-20. Slow progress in Real estate sector resulting to move on our focus into other sectors like dealing in precious stone and semi-precious stone etc.

The Company does not foresee and major threat to the growth prospective. Since the company now start doing business related to precious metals, precious stones etc.

Independent Auditor's Report

To

The Members of **Mega Nirman & Industries Limited**

Report on the IND AS Financial Statements

Opinion

We have audited the standalone financial statements of **Mega Nirman & Industries Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2020, and the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statement or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The balances of trade receivables and other assets are subject to confirmation from third party.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these IND AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards(IND AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease

operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i. Identify and access the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risk, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- v. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguard

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Note No. 1

Significant Accounting Policies and Other Notes to Accounts

1. Significant Accounting Policies:

a) Corporate Information

Mega Nirman & Industries Limited was incorporated on 23rd March, 1983 registered under the Companies Act, 1956. The registered office of the company is situated at A-6/343b, 1st Floor Paschim Vihar, new Delhi-110063. The principal place of business is in India.

The Company is primarily engaged in the business of "Project Development & Construction in different places of India".

b) Basis of Preparation

The financial statements of the Company have been prepared on an accrual basis and under the historical cost convention except for certain financial instruments (including derivative instruments) and defined benefit plans which have been measured at fair value. The accounting policies are consistently applied by the Company to all the period mentioned in the financial statements.

The financial statements ("Financial Statements") of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies' (Indian Accounting Standard) Rules, 2015, as amended from time to time.

c) Use of Estimates and judgments

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates.

d) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The following specific recognition criteria must also be met before revenue is recognized.

Income from services:

Service revenue is recognized on completion of provision of services which in general coincides with invoicing to customers. Revenue, net of discount, is recognized on transfer of all significant risks and rewards to the customer and when no significant uncertainty exists regarding realization of consideration.

Revenue from contracts priced on a time and material basis are recognized when services are rendered and related costs are incurred. Revenues from time bound fixed price contracts, are recognized over the life of the contract using the percentage of completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognized when probable.

Interest Income:

Interest income is recognized on an accrual basis using effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

e) Depreciation and Amortization

Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the Written down Value method.

Amortization is recognized on a Written down Value basis over their estimated useful lives.

The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Depreciation on tangible assets is provided as per the provisions of Part B of Schedule II of the Companies Act, 2013 based on useful life and residual value notified for accounting purposes by Electricity Regulatory Authorities.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

f) Cash and Cash Equivalents

Cash and Cash Equivalents in Balance Sheet comprises of cash at bank and hand and short term deposits with original maturity of three months or less, which are subject to insignificant risk of change in value.

g) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax is the amount of tax payable based on the taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax liabilities and assets are measured using the tax rate enacted or substantively enacted as on the Balance Sheet date.

h) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year by the weighted average number of equity shares outstanding during the year.

Particulars	Year Ended March 31, 2020	Year Ended March 31, 2019
Net Profit/(Loss) for the year	13,51,603.71/-	16,56,183.68/-
Weighted Number of Equity Shares	33,47,500/-	33,47,500/-
Nominal Value per Share	10/-	10/-
Earnings Per Share (Basic)	0.40	0.49

i) Cash Flow Statement

Cash flows are reported using the indirect method, as per Ind AS-7, issued by the ICAI whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals and accruals of past or future operating cash receipts and payments and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

j) Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. All repair and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

Depreciation on fixed assets has been provided on the basis of Written down Value over the useful lives of assets as per useful life prescribed under Schedule II of Companies Act, 2013.

When significant parts of fixed assets are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

The residual values, useful lives and methods of depreciation of fixed assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from de-recognition of an tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

k) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

l) Provision & Contingencies and Commitments

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

A disclosure for contingent liabilities is made where there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

m) Provision for Gratuity

No provision for gratuity has been made as the provisions of Payment of Gratuity Act, 1972 are not applicable.
