## Management Discussion and Analysis Report:

(a) Industry structure and developments:

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country.

Over the five years competing trends have defined the Global Computer Hardware Manufacturing industry's performance. Rising income levels throughout the world and the ubiquity of computer technology have increased demand for industry products, particularly in emerging markets. Conversely, growing competition from tablet devices and mobile phones has eroded demand for traditional PCs worldwide. Over the next five years, the industry will benefit from broad economic growth and greater market acceptance of digital information. Furthermore, product innovations and growing demand for information technology in emerging markets will fuel revenue growth in these regions.

(b) Opportunities and Threats:

Proliferating domestic and offshore infrastructure funds target the Indian infrastructure market, driven by strong demand from the transport, power, urban infrastructure and irrigation segments.

There is the opportunity for the domestic industry to become more organised, with the creation of more large firms through organic growth and acquisitions. This would improve overall construction quality.

Strong population growth and a growing economy is fuelling demand for infrastructure.

The government is looking to attract private companies to invest in infrastructure through PPPs.

India's government is keen to facilitate private sector participation in infrastructure.

Growing demand in emerging markets will provide the industry with a platform for growth Computer hardware manufacturing activity in Asia is growing rapidly, due to cost benefits Lower unit selling prices will bolster volume demand, but lower prices could affect revenue

(c) Segment-wise or product-wise performance:

During the year under review, the Company has recorded revenue of Rs. 6,148,436 and made a loss of Rs. 47,854 against revenue of Rs.18,271,164 and a loss of Rs. 1,355,674 in the previous financial year 2016-17.

(d) Outlook:

The management is doing its best to forge relations with other companies and take the company forward in the new business lines. However, the outlook of the management is cautious in view of the competitive nature of the market.

- (e) Risks and concerns:
- There are low levels of domestic expertise, stemming from a shortage of skilled project managers and engineers.
- There is low mechanisation and limited use of modern technological equipment.
- Limited long-term borrowing capability on the domestic banking sector due to an immature bond market.

Risks of damage to a firm's reputation, brand, and image and risks to the network, security, and privacy of a firm as well as loss of intellectual property were the top ranking risk concerns for firms in the hardware sector.Other top ranking risk factors in this sector were supply chain vendor and product recall risks, business Interruption, changes in economic conditions, risks associated with partnerships with vendors and other strategic alliances, and potential changes in the legislative, corporate governance, regulatory environment. Our survey also found that access to capital and risks of failure to attract and retain key talent as among the top ten risk factors for firms in hardware sector.

(f) Internal control systems and their adequacy:

The system of internal control has been established to provide reasonable assurance of safeguarding assets and maintenance of proper Accounting Records and its accuracy. The business risks and its control procedures are reviewed frequently. Systems audit is also conducted regularly to review the systems with respect to Security and its Adequacy. Reports are prepared and circulated to Senior Management and action taken to strengthen controls where necessary. (g) Discussion on financial performance with respect to operational performance:

During the year under review, the Company has recorded revenue of Rs. **6,148,436** and made a loss of Rs. **47,854** against revenue of Rs.**18,271,164** and a loss of Rs. **1,355,674** in the previous financial year 2016-17.

(h) Material developments in Human Resources / Industrial Relations front, including number of people employed.

Your company continues to have cordial relations with its employees and other stakeholders.

(i) Disclosure of Accounting Treatment: The Company has not carried out any treatment different from that prescribed in Accounting Standards.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read wit relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified

under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31<sup>st</sup> March, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

## Annexure - B to the Independent Auditors' Report:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S SPRING FIELDS INFRAVENTURES LIMITED ("the Company") as of 31st March 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

## Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and

their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# In herent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# 27.1 Financial Risk Management

In course of its business, the company is exposed to certain financial risk such as market risk (Including currency risk and other price risks), credit risk and liquidity risk that could have significant influence on the company's business and operational/financial performance. The Board of directors reviews and approves risk management framework and policies for managing these risks and monitor suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

# 27.2 Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the company. The company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, a means of mitigating the risk of financial loss from defaults.

The company makes an allowance for doubtful debts/advances using expected credit loss model.

## 27.3 Liquidity risk

Liquidity risk refers to the risk that the company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as pre requirements. The Company's exposure to liquidity risk is minimal.
