MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The onset of the Financial year 2020-21 started with the Outbreak of COVID 19 Pandemic which brought most economic activities to a near halt in the first quarter. The result was lockdowns, closure of international borders, panic among the people. Due to this the trade was disrupted which affected trade as well as global supply chains. The focus of the governments went towards health infrastructure and ancillary priorities. Economies all over the world are still navigating through the impacts of Covid-19 pandemic which had hit the world during late 2019 and peaked in 2020. The countries faced unimaginable losses in terms of human lives, livelihoods and the business activities across the Globe got a jolt, leading to consequent economic slowdown. Amidst this situation of uncertainties and dissimilar pace of recoveries, the complete assessment of deceleration of economies is yet to be fully ascertained

The Financial Year 2020-21 was completely exposed to the severity of the pandemic and the businesses operated under extraordinary circumstances. Though the signs of economy recovery have started to show up on the back of large scale vaccination programs and various stimulus packages and supportive policies but the road to full bounce back is an uphill task whose prospects still requires time to get steady. The recoveries in emerging markets are yet to assume stability and anticipated subsequent waves of the virus remain a threat to the recovery path. The global trade and business chains have been severely impacted with globally disrupted supply chains.

The Global Economy is projected to grow at 6 percent in 2021, moderating to 4.4 percent in 2022 as per the April 2021 World Economic Outlook update. There was an estimated contraction of -3.3% in 2020. The Advanced Economies shrunk by an estimated 4.7% and Emerging Market and Developing Economies were estimated to have declined by about 2.2% in 2020.

Covid-19 had unprecedented receding effects on the growth rate of countries world-wide and the first half of 2020 jolted all major economies. The second half of the Financial Year saw GDP recovering stronger than expected but the performance remains significantly below pre-pandemic trends in most countries. The Pandemic has left several economies facing severe setback and challenges as they continue to struggle with the mutating virus, vaccination issues, low commodity prices and fall in exports. Expected recoveries are based on expectations of a vaccine-powered strengthening of activity during the year and additional policy support in a few large economies.

India has undertaken a massive vaccination drive. With Government's prime focus to revive the economy at the earliest through various stimulus packages, revival of infrastructural activities and restarting of the economic activities in a phased manner, the prospects of regaining the growth momentum is palpable. The GDP growth for the Financial Year 2020-21 has been estimated at (-)7.3% by the Ministry of Statistics & Programmed Implementation as per their latest estimates.

Though the Indian Economy has contracted due to the Covid-19 pandemic, the contraction rate has reduced from 22.4% during Q1 to 7.3% during Q2 and a growth of 1% was recorded in Q3 and 3.7% in Q4. It is expected that though urban demand has been dented by the second wave, but adoption of new Covid-compatible occupational models by businesses for an appropriate working environment may cushion the hit to economic activity, especially in manufacturing and services sectors that are not contact intensive.

In the short range outlook released by World Steel Association in April, 2021 for 2021 and 2022, it forecast that steel demand will grow by 5.8% in 2021 to reach 1,864 Million Tonnes (MT), after declining by 0.2% in 2020. In 2022, steel demand will see further growth of 2.7% to reach 1,924.6 MT. The forecast also added that the second or third waves of infections will stabilise in the second quarter and that steady progress on vaccinations will be made, allowing a gradual return to normality in major steel-using countries. Despite the devastating impacts of Covid-19 pandemic, the steel industry was fortunate and passed the year 2020 with limited contraction as opposed to various other industries. Asia accounted for 1374.9 MT of Crude Steel production in 2020, an increase of 1.5% compared to 2019. China continued to dominate World Crude Steel production with an output of 1064.8 MT, with a growth of 7% over 2019. China's share in the world steel production has been constantly increasing.

Riding on a positive consumption and demand trend in the steel industry, the coming times looks on the green side. WSA in its forecast sees a 2.7% growth in steel demand reaching to 1,924.6 MT in 2022. At the same time, it is also believed that For the future, structural changes in a post-pandemic world will bring about shifts in steel demand shape. The steel industry will see exciting opportunities from rapid developments through digitization and automation, infrastructure initiatives, reorganization of urban centers, and energy transformation.

The growth in consumption in India has been forecasted at 19.8% in 2021 (106.1 MT) and 5.9% in 2022 (112.3 MT).

PERFORMANCE HIGHLIGHTS - INDIAN STEEL INDUSTRY

As per Joint Plant Committee (JPC), production of Crude Steel during fiscal 2020-21 stood at 102.4 million tonne (MT), a decline of 6.1% over 2019-20.

Finished Steel production also registered a negative growth of 7.8% to stand at 94.7 MT during 2020-21, compared to previous year. While Exports of total Finished Steel increased substantially by 29.1% to 10.8 MT during 2020-21 over previous year, imports declined by 29.8% to 4.8 MT.

India's consumption of total finished steel at 93.4 MT saw a negative growth of 6.7% in 2020-21 over same period last year. Demand for Finished Steel in India is expected to remain around 106.1 MT in 2021, as projected by World Steel Association

OPPORTUNITY AND THREATS

With an accelerated push from the policies proposed by the Government regarding steel intensive segments such as infrastructure, capital goods and construction, the outlook for the steel industry remains positive. Expected increase in Government expenditure in capital intensive projects. A sharp rebound in growth is expected after the Covid-19 pandemic is over and steel demand is expected to remain buoyant.

The newly commissioned mills are oriented towards products required to cater to the infrastructure development.

High export potential for markets of Middle East and South East Asia. Potential for improving product quality and reducing cost through operational efficiency and utilization of the new and modernized units.

Increased competition from domestic and international steel companies located in India. Volatility in coal prices and exchange rate.

OUTLOOK

Riding on a positive consumption and demand trend in the steel industry, the coming times looks on the green side. WSA in its forecast sees a 2.7% growth in steel demand reaching to 1,924.6 MT in 2022. At the same time, it is also believed that for the future, structural changes in a post-pandemic world will bring about shifts in steel demand shape. The steel industry will see exciting opportunities from rapid developments through digitization and automation, infrastructure initiatives, reorganization of urban centres, and energy transformation.

The growth in consumption in India has been forecasted at 19.8% in 2021 (106.1 MT) and 5.9% in 2022 (112.3 MT).

With the wide spread of Covid -19 pandemic during the Financial Year 2020-21, Authorities and Governments adopted several forms of physical distancing as a measure to contain the dissemination of the coronavirus, with Lockdown being one of these measures. The lockdown has resulted in the supply chain being broken, demand for industrial goods falling, and the decline of industrial production, with steel sector no exception to it, leading to decline in steel consumption in India. The continuous and accelerating rollout of Covid-19 vaccines in the advanced economies set the stage for rapid recovery in the current financial year and rolling out into the 2022. The Global Economy is expected to recoup the pre-pandemic level of production in 2022. However, the emerging and developing economies are expected to achieve the prepandemic level by the financial year 2022-23. With regard to the steel industry, demand is expected to be strong around the Globe due to rapid developments through digitisation& automation, infrastructure initiatives, fiscal stimulus, etc. The outlook for 2021 is expected to be positive because Indian steel companies have started boosting steel production capacity. In addition to the huge scope for growth due to India's comparatively low per capita steel consumption, the pandemic has accelerated some key trends, which will bring about shifts in steel demand on account of Government of India's focus on strengthening domestic manufacturing under 'Atmanirbhar Bharat Abhiyan', introduction of 'Production Linked Incentive Scheme' to encourage the manufacturing in various industries, investment in infrastructure projects, thriving automobile and railways sector, etc. Such measures are expected to take the steel demand cross the pre-pandemic level.

RISK AND CONCERNS

Risk is integral part of any Industry and Iron Industry is no exception. The steel industry internally, concerns on delays in the ramping up of production, due to initial stabilization of the new mills. Further, higher capital related charges on account of incremental Depreciation and Interest on new facilities have also increased expenses.

The Minerals (Development and Regulation) Amendment Act (The Act) which came into force on 28 March, 2021 provides that the period of mining leases of Government Companies (other than leases granted through auction) may be extended on payment of additional amount prescribed in the Fifth Schedule of MMDR Act.

Further, the Act also provides that captive mines (other than atomic minerals) may sell up to 50% of their annual mineral production in the open market after meeting their own needs. The Lessee will have to pay additional charges for mineral sold in the open market as prescribed in the Sixth Schedule of the Act. Collectively, on account of both these provisions,

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The internal control systems include documented policies, checks and balances, guidelines and procedures that are supplemented by robust internal audit processes and monitored continuously by periodical reviews by management to provide reasonable assurance that all assets are safeguarded; transactions are authorized, recorded and reported properly. The Board/ Management is in the process of further strengthening the internal controls framework with an objective to have a best-in-class internal control framework commensurate with the size, scale and nature of business.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MIDEAST INTEGRATED STEELS LIMITED

Report on the Audit of the Standalone Financial Statements Qualified Opinion

1. We have audited the accompanying standalone financial statements of M/s Mideast Integrated Steels Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive loss (comprising of the loss and other comprehensive loss), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Qualifications

- 1) *The Company, during the financial year, has had transactions with its related parties, and has a net inter-company receivables, being loans given, amounting to Rs27.98 crores as at 31st March 2021 (Rs28.22 crores as on 31st March 2020), to various related parties. The above balance does not include the loan to its subsidiary (Maithan Ispat Limited), which has been referred to point no 2 below. Regarding these amounts and transactions, the management has not carried out a detailed impairment assessment as on 31st March 2021 and 31st March 2020, as required by the Ind AS 36.*

Accordingly, we are unable to comment on the carrying value of these receivables and whether they will be received by the Company or not, along with the related impairment, if any, and consequential impact thereof on loss for the year, had the Company performed such impairment assessment.

- 2) *The Company, during the financial year, has given further loan to its subsidiary (Maithan Ispat Limited). The loan balance stands at Rs 16.63 crores as on 31st March 2021 (Rs16.10 crores as on 31st March 2020). Regarding these amounts and transactions:*
 - *We have not been provided with any loan agreement signed with the Subsidiary.*

ARUN TODARWAL & ASSOCIATES LLP
CHARTERED ACCOUNTANTS
MUMBAI

- *The management has not carried out a detailed impairment assessment of the Subsidiary as on 31st March 2021 and 31st March 2020, as required by the Ind AS 36, even though the subsidiary has its operations suspended since January 2019.*

Accordingly, we are unable to comment on the carrying value of these receivables and whether they will be received by the Company or not, along with the related impairment, if any, and consequential impact thereof on loss for the year, had the Company performed such impairment assessment.

- 3) *Besides the loans as mentioned in point no 1 above, the Company had also given certain advances to its related parties and has debtor based receivables from them. The net inter-company receivables, being debtors and advances given, amount to Rs28 crores as at 31st March 2021 (Rs28 crores as on 31st March 2020). Regarding these amounts and transactions:*
- *Out of the above, we have not been provided with the minutes of the meetings for the approval of advances / debtors amounting to Rs0.67 crores, hence we cannot comment if any approval for the same has been taken in the audit committee and board.*
 - *The management has not carried out a detailed impairment assessment of Rs28 crores, as on 31st March 2021 and 31st March 2020, as required by the Ind AS 36.*

Accordingly, we are unable to comment on the carrying value of these receivables and whether they will be received by the Company or not, along with the related impairment, if any, and consequential impact thereof on loss for the year, had the Company performed such impairment assessment.

- 4) *The Company further has an investment of Rs 179.88 crores in its subsidiary, Maithan Ispat Limited. Based on the financials of its subsidiary as on 31st March 2021, the net worth is completely eroded and is negative at Rs 147.50 crores and the liabilities exceed the assets of the subsidiary company by Rs147.50 crores. In the absence of any impairment testing done by the management, we are unable to comment on the carrying value as at the balance sheet date and the consequential impact on the loss for the year had the company performed such impairment assessment.*
- 5) *In pursuance to the judgement dated 2nd August, 2017 of Honorable Supreme Court of India, in the matter of Writ Petition (Civil) No. 114 of 2014 between Common Cause v/s Union of India & Others, there is a compensation imposed of Rs 924 crores along with interest on the company for excess production of Iron Ore during 2000-01 to 2010-11. The Company was supposed to make the payment of this compensation on or before 31st December 2017, failing which the mines of the Company are closed down wef 1st January 2018. The Company has filed a 'Curative petition' (Civil) on 28th March 2018, before the Honorable Supreme Court of India challenging the Judgement and which we have been informed is still pending. Hence, no provision has been made for the same in the books of accounts. During the year, the Company has paid Rs 164 crores as payment under protest.*

In our opinion, this compensation has been crystalized and accordingly, a provision for this liability should have been made in the books to the extent of Rs 924 crores along with interest (net of payment made under protest), upto date of the balance sheet, of Rs489.87 crores, making the total liability provision of Rs1413.87 crores as on 31st March 2021 (Rs 1395.47 crores as on 31st March 2020). In case the above provision had been made in the books, the loss would stand at Rs 1498.75 crores as on 31st March 2021 (Loss would be Rs 1455 crores as on 31st March 2020).

- 6) *Balance confirmations have not been provided to us for some banks, loans and fixed deposits. Details are as per Annexure III attached herewith. Further, we had requested for direct bank confirmations from the*

ARUN TODARWAL & ASSOCIATES LLP
CHARTERED ACCOUNTANTS

bankers of the Company, however, have not received the same for some banks. Details are as per Annexure IV attached herewith.

- 7) The basis of having a net deferred tax liability in the books of Rs 73.95 crores has not been shared with us; hence we are unable to comment upon the correctness of the same, as on 31st March 2021.
- 8) There are fixed assets under capital work in progress for the Company, amounting to Rs 24.46 crores as on 31st March 2021. They have not been capitalized since more than 5 years. In our opinion, the Company needs to review the same and capitalize the assets where applicable.
- 9) Balances of Debtors, creditors, loans & advances received & given and deposits received & given are subject to confirmations and reconciliations.
- 10) In our opinion, a provision for doubtful debts of Rs45.95 crores (Rs41.38 crores as on 31st March 2020) needs to be made against the balances of non-moving old Debtors & Creditors (where advances have been given by the Company), as on 31st March 2021. No litigation has been initiated by the Company on these balances.

Emphasis of Matter

- 1) An application under Section 9 of the Arbitration and Conciliation Act, 1996 (as amended) has been filed by SREI Equipment Finance Limited, in August 2021, in relation to a Loan-Cum-Hypothecation Agreement dated 8 September 2016, whereby the Company had taken a loan for purchase of a Metso Crusher 600 TPH Engine amounting to Rs.7.92 crores. The petitioner has claimed an outstanding sum of Rs.4.40 crores in the said application. The Company's books of accounts show a liability of Rs 3.60 crores. The petitioner has sought for appointment of Receiver and securing the hypothecated assets. This matter will be coming for the first time before Kolkata High court.
- 2) We draw attention to Note 31 of the financials, which describe Rs718.89 crores plus interest, due to a party in respect of unreconciled amounts as per an arbitration award. The Company is disputing most of such claims and has filed an appeal against the arbitration award before the Bombay High Court. The same has been admitted by the High Court in December 2019. The hearing is still awaited.
- 3) We have relied on the list of legal cases and the contingent liability, as given to us by the management. We are not aware of, nor have been informed of any other matter filed against the company.
- 4) We have been provided with the copy of the share certificates as issued at the time the below investments were made. Due to mobility restrictions, we have not been able to verify the original share certificates held with the Company:

Company	Investment Category	Investment Amount (Amount in Rupees)
Keonjhar Infrastructure Development Company Ltd	Investment in equity shares	70,000
Keonjhar Infrastructure Development Company Ltd	6% Cumulative redeemable preference shares	20,002,000
Mesco Steel Limited	Investment in equity shares	100,000,000

Our opinion is not modified in respect of the above matters.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no matters determined to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Since we have not been provided with the other information, we will not be able to report on the same.

Responsibilities of management and those charged with governance for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the IndAS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

ARUN TODARWAL & ASSOCIATES LLP
CHARTERED ACCOUNTANTS
MUMBAI

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

To the Members of M/s Mideast Integrated Steels Limited

We have audited the internal financial controls over financial reporting of M/s Mideast Integrated Steels Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

**ARUN TODARWAL & ASSOCIATES LLP
CHARTERED ACCOUNTANTS
MUMBAI**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an internal financial controls system over financial reporting *however they need to be strengthened and comprehensively documented*, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not have any matters determined to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Since we have not been provided with the other information, we will not be able to report on the same.

Responsibilities of management and those charged with governance for the Consolidated Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report

because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

b Use of estimates

Although these estimates are based on the managements' best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amount of assets or liabilities in future periods.

Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Fixed assets acquired and put to use for project purpose are capitalised and depreciation thereon is included in the project cost till commissioning of the project.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
