MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Industry structure and developments:

India's education sector offers a great opportunity with approximately 29 per cent of India's population being between the age group of 0-14 years. India's higher education segment is expected to increase to US\$ 35.03 billion by 2025.

India has one of the largest networks of higher education institutions in the world with more than 1000 Universities and around 50,000 colleges. The Central Government plans to disburse US\$ 1 billion to states for introducing skill development initiatives.

There more than 15,000 Industrial Training Institutes in the India. In October 2017, in order to boost the Skill India mission, two new schemes, SANKALP and STRIVE were launched with an outlay of Rs 6,655 crore (US\$ 1.02 billion). Revitalising Infrastructure and Systems in Education (RISE) by 2022 was announced in union budget 2018-19 with an outlay of Rs 1 lakh crore (US\$ 15.44 billion) for four years.

The Government of India has allowed 100 per cent Foreign Direct Investment (FDI) in the education sector through the automatic route since 2002. From April 2000 to September 2020, Foreign Direct Investment (FDI) equity inflows stood at US\$ 3,849.20 million.

In May 2018, the Ministry of Human Resource Development, Government of India launched Samagra Siksha scheme with the aim of achieving holistic development of school education in the country.

B. Opportunity and Threats:

Opportunities:

- Increase in the demand of education
- Growing role of Private Sector in education industry
- Recent government efforts to promote the education industry.

Threats:

- Political Instability
- Competition
- High Faculty Turnover
- Increasing trend of Abroad Studies
- Covid-19 Outbreak and lockdown

C. Segment-wise or product-wise performance:

The Company operates in a single segment of activity viz. education and hence the segment reporting is not applicable to the Company.

D. Outlook:

The company is already providing coaching for C.A., C.S., CWA, ACCA, CPA etc. The outlook for the coming year 2020-21 looks more promising for professional courses like C.A., C.S. etc. The Company is also looking for expansion of their business by providing coaching in the field of GPSC and UPSC and other competitive exam preparations in the upcoming years. a) Changes in regulatory Environment:

Despite being a regulated and competitive sector, India's education sectors are one of the last theatres for the liberalization debate. Planners and educationalists are confronted with the failure of public initiatives to achieve universal coverage. The increasing trend of preference to study in abroad is also a threat to the Sector.

b) Increased Competition:

The Education Industry in India has witnessed the entry of various new players which was resulted in heightened competition. There is greater participation in the provision of higher education, which should be spread through all levels of Education.

c) Covind-19 outbreak:

After the closure of the year but before reporting date, the whole world has witnessed the outbreak of novel Corona virus which has affected all industries around the world including education sector.

Covid-19 is predicted to be the most concerned risk factor for the education industry for the upcoming years as it has forced the education institutes to remain closed to avoid the chances of infection among children and youth.

F. Internal Control Systems and their Adequacy:

There are well-established procedures for internal controls for operations of the Company. The finance & audit functions are well equipped with professionally experienced qualified personnel & play important roles in implementing the statutory obligations. The company has constituted Audit Committee for guidance and proper control of affairs of the Company. To ensure quality of delivery, the Company is now focusing mainly Higher & Vocational Education.

INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF
ARIHANT INSTITUTE LIMITED
Report on the Financial Statements**

Opinion

We have audited the accompanying financial statements of **ARIHANT INSTITUTE LIMITED ('the company')**, which comprise the balance sheet as at 31st March 2020, Cash Flow Statement and the statement of profit and loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India

- a) In the case of Balance Sheet, of the state of affairs of the Company as at 31st March, 2020, and
- b) In case of Statement of Profit & Loss, of the profit for the year ended on that date.
- c) In case of Cash Flow Statement, of the cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance. in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon,

We have determined that there are no key audit matters to communicate in 'our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and applications of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITY

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
 - c. The balance sheet, statement of profit and loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014
 - e. On the basis of the written representations received from the directors as on 31 March 2020, taken on record by the Board of Directors, none

of the directors is disqualified as on 31 March 2020, from being appointed as a director in terms of section 164(2) of the Act;

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long term contract including derivative contract; as such the question of commenting on any material foreseeable losses thereon does not arise;
 - iii. There has not been any occasion in case of the Company during the year under report to transfer any sums to the investor education and protection fund. The question of delay in transferring such sums does not arise.
- h. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE – B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (I) of Sub-Section 143 of The Companies Act, 2013 ("The Act")

We have audited the internal financial controls over financial reporting of ARIHANT INSTITUTE LIMITED ('the company'), as of 31 March 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial

reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ARIHANT INSTITUTE LIMITED**NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2020****A. SIGNIFICANT ACCOUNTING POLICIES:****1. Basis of Preparation of Financial Statements**

The financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting in accordance with generally accepted accounting principles in India and the provisions of the Companies Act, 2013. They are prepared in accordance with the Accounting Standards specified under section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions to the extent applicable.

2. Use of Estimates

The preparation of Financial Statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made, that affects the reported amounts of assets and liabilities on the date of the Financial Statements and the reported amounts of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialized.

3. Fixed Assets

Fixed assets are stated at cost of acquisition or construction, net of recoverable taxes including any cost attributable for bringing the asset to its working condition for its intended use less accumulated depreciation and impairment loss, if any.

4. Depreciation / Amortization

Depreciation on fixed assets is provided on Straight Line Method at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013.

5. Inventories

Finished goods, Work in progress & material is valued at cost including material cost and attributable overheads. Provision is made when expected realisation is lesser than the carrying cost.

The inventories are stated at lower of cost and Net realizable value.

6. Revenue Recognition

The revenue is recognized on the mercantile basis. Revenue is recognised when significant risk and reward is transferred to Customers.

Interest income is recognised on time proportionate basis.

7. Foreign Currency Transactions

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

1. Monetary items outstanding at the balance sheet date are translated at the exchange rate prevailing at the balance sheet date and the resultant difference is recognized as income or expense.
2. Non-monetary items outstanding at the balance sheet date are reported using the exchange rate at the date of the transactions.

8. Employee Benefits

- (i) As certified by the management, the company has no liability under the Provident Fund & Super-annuation Fund.
- (ii) It is explained to us that the company does not provide for any leave encashment and any liability arising thereon shall be paid and dealt with in the books of accounts at the actual time of payment.
- (iii) Company does not made provision for Gratuity.

9. Taxation

Current tax is measured at the amount expected to be paid/recovered from the taxation authorities, using the applicable tax rates and tax law.

The tax effect of the timing differences that result between taxable income and accounting income and are capable of reversal in one or more subsequent period are recognized as deferred tax assets or deferred tax liability. They are measured using the substantively enacted tax rates and tax regulations. Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred assets can be realized. Deferred tax assets are recognized on carried forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

10. Impairment of Assets

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any such indication exists, then recoverable amount of the asset is estimated. An impairment loss, if any, is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the net selling price and the value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. The impairment loss recognised in a prior accounting period is reversed, if there has been a change in the estimate of recoverable amount.

11. Earnings per Share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti dilutive.

12. Contingent Liabilities & Provisions

- a) A provision is recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.
- b) A disclosure for a contingent liability is made when there is a possible or present obligation that may but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.
