INSTRUCTIONS FOR REMOTE E-VOTING:

The instructions for members for voting electronically are as under:

- (i) The Remote E-voting period begins on 29th August, 2021 (Sunday) at 9.00 a.m. (IST) and ends on 31st August, 2021 (Tuesday) at 5.00 p.m. (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 25th August, 2021 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting after 5.00 p.m. (IST) on 31st August, 2021.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

INDEPENDENT AUDITOR'S REPORT

To
**The Members of
Shubham Polyspin Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **SHUBHAM POLYSPIN LIMITED**. ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of Profit and Loss for the year then ended, Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and Profit, for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than Financial Statements & Auditors Report thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information included in the Board's Report including Annexures to Board's Report (but does not include the financial statements and our auditor's reports thereon).

Our opinion on the standalone financial statements does not cover the Other Information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government in terms of Section 143 (11) of the Act, we enclosed in the Annexure 'A' statement on matters specified in paragraph 3 & 4 of the said order.

“ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Shubham Polyspin Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shubham Polyspin Limited** (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statement for the year ended 31st March, 2021**General Information**

SHUBHAM POLYSPIN LIMITED ('the Company') was incorporated on March 12, 2012 and is primarily engaged in the business of manufacturing of Multi Filament Yarns.

Note 1: Significant Accounting Policies**1. Basis for Preparation of Accounts:**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended and the other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle for the purpose of current – non-current classification of assets and liabilities.

2. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known or materialised.

3. Inventory :

Inventories consist of Raw Material, Work In Progress, Packing Goods, Finished Goods and Stores. Inventories are valued at Cost. The cost is determined on First in First out (FIFO) basis. The cost of work in progress and finished goods includes material and packing cost, proportion of labour and manufacturing overheads.

4. Fixed Assets

Fixed Assets are stated at cost of acquisition / construction less accumulated depreciation, amortization and impairment loss, if any. Cost comprises of purchase price / cost of construction that relate directly to the specific asset, duties and other non-refundable taxes or levies and any directly attributable cost to bring the assets ready for its intended use. Foreign Exchange gains / losses arising during the year from the effects of changes in foreign exchange rates on foreign currency loans relating to acquisition of depreciable capital assets are adjusted to the cost of the fixed assets. Any internal profits are eliminated in arriving at such costs.

Direct expenses, as well as pro rata identifiable indirect expenses on projects during the year of construction are capitalized.

Capital assets (including expenditure incurred during the construction period) under erection / installation are stated in the Balance Sheet as "Capital Work in Progress."

5. Depreciation

(a) Depreciation is provided as per the "Straight Line Method" at rates provided by Schedule II of the Companies Act, 2013.

(b) Depreciation on additions and on sale/disposal of fixed assets is computed pro-rata on day-to-day basis from the date of purchase or up to the date of sale.

6. Revenue Recognition

Revenue comprises the fair value of the consideration received or receivable for the sale of goods in the ordinary course of the Company activities. Revenue is shown at net of Indirect tax.

Sales revenue is recognized on individual sales when persuasive evidence exists that the significant risks & rewards of ownership of the goods have been transferred to buyer and there is no significant uncertainty regarding the amount of the consideration.

These conditions are generally satisfied when the product is delivered at a fixed or determinable price and when an inflow of economics benefits is reasonably assured. Delivery is defined based on the terms of the sale contract.

7. Taxes on Income:

Taxes on Income comprises of current tax and deferred tax.

Provision for current tax is determined based on assessable profits of the Company as determined under the Income Tax Act, 1961.

Deferred tax is recognised, subject to consideration of prudence in respect of deferred tax assets, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Minimum Alternate Tax (MAT) credit is recognised as an asset as there is convincing evidence that the company will pay normal income tax during the specified period.

8. Provisions, Contingent Liabilities and Contingent Assets :

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

Contingent liabilities are not recognised but are disclosed in the notes, if any. Contingent assets are neither recognised nor disclosed in the financial statements.

9. Borrowings and their cost:

Borrowings are recognized initially at fair value net of transaction costs incurred. Borrowings are subsequently stated at amortized cost any difference between proceeds (net of transaction costs) and the redemption value is recognized in the statement of comprehensive income over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date. All borrowings stated in balance sheets are long term. Borrowings (interest bearing loan) are recorded at the proceeds received.

Borrowings costs are recognized as an expense in the period in which these are incurred except to the extent of borrowings costs that are directly attributable to the acquisitions, construction or productions of qualifying assets. Such borrowing cost, if any, are capitalized as part of the cost of that asset.

10. Foreign Currency Transaction :

Transactions denominated in foreign currencies are normally recorded at the exchange rates prevailing at the date of the transaction.

Monetary items denominated in foreign currencies at the Balance Sheet date are restated at the rates prevailing at that date. Exchange difference arising on settlement of foreign currency transactions or restatement of foreign currency denominated assets and liabilities are recognized in the Statement of Profit and Loss.

11. Impairment of non-financial assets:

The Company assess at each reporting date whether there is an indication that an asset may be impaired. If any such indications exists or when annual impairment testing for an asset is required, the company makes an estimates of the asset's recoverable amount. An assets recoverable amount is the higher of an assets or cash generating units fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of group of assets' Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset, In determining fair value less costs to sell and appropriate valuation model is used.

12. Loans and Receivables:

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets except for maturities greater than 12 months after the balance sheet date in which case, these are classified as non-current assets. The Company's loan and receivables comprises of trade & other receivables, restricted deposits with banks and cash & cash equivalents on the balance sheet date. The Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group financial asset is impaired and any impairment loss is required to be recognized in the statement of comprehensive income.

The Company considers whether a contract contains an embedded derivative when the entity first becomes a party to it. The embedded derivatives are separated from the host contract which is not measured at fair value through profit or loss when the analysis shows that the economics characteristics and risk of embedded derivatives are not closely related to those of the host contract. Normally no interest is charged on trade receivables.

All regular way purchase and sale of financial assets are recognized on the trade date, which is the date that the Company commits to purchase or sell the assets. Regular way purchases or sales are purchases or sales of financial assets within the period generally established by regulations or conventions in the market place.

13. Trade and Other Receivables:

Trade and other receivables are carried at original invoice amount less provision made for impairment of these receivables. A provision for impairment of trade and other receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the carrying amount and the recoverable amount. The carrying amounts of trade receivables are assumed to approximate their fair value. Normally no interest is charged on trade receivables.

14. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprises cash at bank and in hand, short term deposits, if any with banks and short term highly liquid investments that are readily convertible in to cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short term cash commitments.

15. Liabilities, Provisions and Trade and Other Payable:

All known liabilities are accounted in preparing the financial statements.

Financial liabilities are initially measured at cost and are subsequently measured at amortized cost, using the effective interest method except for liabilities classified as held-for-trading which are carried at fair value.

Provisions are recognized when the Company has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made. Where the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain.

The materiality of the events occurring after the balance sheet date is considered and appropriate adjustments and provisions are made in the financial statements, wherever necessary.

16. Allowance for Doubtful Accounts

An allowance is made for doubtful accounts for estimated losses resulting from the subsequent inability of the customers to make required payments. If the financial conditions of the customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required in future periods.

Management specifically analyses accounts receivables and analyses historical bad debt, customer concentrations, customer creditworthiness, current economic trends and changes in customer payment terms when evaluating the adequacy of the allowance for doubtful accounts. At the balance sheet date, the receivables are measured at fair value and their fair values might change materially within the next financial year but these changes would not arise from assumptions or other sources of estimation uncertainty at the balance sheet date.

17. Related Party Transactions

To be read along with Note 30

For the purposes of these financial statements, parties are considered to be related to the company if the company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the company and the party are subject to common control or common significant influence. Related parties may be individuals or entities. Transactions with related parties are disclosed separately wherever possible.

18. Pre operative Expense

Expenses incurred prior to the commencement of commercial production of new unit at Borisana are recognised as Preoperative expenses except to the extent of expenses that are directly attributable to the acquisitions, construction or productions of qualifying assets. Such expenses, if any, are capitalized as part of the cost of those assets. Pre operative Expenses will be written off in 5 equal instalments starting from 31st March 2017. (Refer to Note 13)

19. Government Grants

Government Revenue Grants are recognized only when there is reasonable assurance that that entity will comply with any condition attached to the grant and the Grant will be received. Further such grant is recognized as income over the period necessary to match with the related cost, for which they are intended to compensate on systematic basis. However, grant from Gujarat Value Added Tax is recognized only up to the period for which there are no uncertainties about the procedure to claim such grant.

Monetary grants, if any, received for Depreciable asset are recognized in the year in which such grant is received and deducted from the cost of asset. Moreover, depreciation is provided on such reduced value.
