Annual Report 2018-19

Chairman's Message

Dear Shareholders,

It gives me immense pleasure to address all the esteemed shareholders of the company and present the first Annual Report of **G. K. P. Printing & Packaging Ltd.** It is good to be addressing you as a chairman because it gives me a chance to say thanks to everyone for their role in making our venture a success. On behalf of the Board of Directors, I express my gratitude for faith, confidence and conviction kept towards us by the stake holders. The listing of equity shares on the Stock Exchange has laid down a path for strong Company and shareholder relationship and we perceive as a huge motivation factor to strive further to secure the interest of the stakeholders of the Company. This could be possible with the support of all of you, most sincere and dedicated efforts put in to implement the project by all the members of G.K.P. Printing & Packaging Ltd Team.

There is series of important events in financial year ended on 31st March 2019. The company has come with the Initial Public Offer by way of issue of New Equity Shares. The overwhelming response of Initial Public Offer is displaying the trust and faith towards the company by the stake holders.

With our mantra of focused hard work, we grew with time and have setup our new Manufacturing Facility located at Survey No. 397 / 1 / P1, Plot No. 22, Daman Ganga Industrial Park, Vapi, Gujarat – 396193, India, and which has been made operational from 27th December, 2018 onwards.

The Management is trying to improve the quality of product and with great endeavor of whole team, the company is stepping towards the progress in quality as far as in profitability. Nonetheless the progress is not achieved overnight and will definitely call for dedication and commitment.

The way ahead is filled with numerous opportunities. We are committed to exceptional standards of productivity, corporate governance, and willingness to embrace new ideas and learn continuously. Our company's building trusted relationships with customers, adequate production capacity, diversified manufacturing facilities and various strategic initiatives will surely help us to achieve excellent performance and sustainable growth in years ahead.

At the end, I would like to thank entire team of the **G.K.P. Printing & Packaging Ltd** for an outstanding year which is reflective of their hard work, dedication and commitment to success.

I would like to place on record my sincere appreciation to the Board of directors for their guidance. I would also like to place on record my heartfelt thanks to all the customers, business associates, and suppliers, bankers, Lead Manager, Underwriter, Market Maker, the Central- State- Local Government and authorities of the BSE, SEBI, NSDL, and CDSL for their support. Lastly, I would like to extend my gratitude towards all our Shareholders for their faith and confidence in the management of the Company; we aim to earn your trust every day and will work towards achieving the greater heights of success in coming years.

With best wishes,
Sincerely,

Keval Goradia
Chairman

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

• **INDUSTRY STRUCTURE AND DEVELOPMENTS OVERVIEW**

Corrugated boxes are made by assembling three layers of corrugated cardboard sheets. These sheets assist in trapping air between them which acts as a cushion for protecting the contents of the box. In comparison with other forms of packaging, corrugated boxes offer numerous advantageous properties which include strength, lightweight, flexibility, high durability and aesthetic value. Additionally, these boxes are environment-friendly in nature as they are manufactured without the use of any harmful chemicals and can be easily recycled.

Corrugated boxes are widely utilized in the packaging of food and beverages, chemicals, glassware and ceramics, paper, electronics, textiles, personal care and household products. The growth in these end use industries has propelled the demand for corrugated boxes worldwide. Moreover, the e-commerce industry is experiencing strong growth on account of the convenience offered by online shopping such as free shipping options, and hassle-free delivery and return policies. As online retailers use product-specific corrugated boxes to keep items safe from mechanical stress, it is positively influencing the market growth. Apart from this, in order to launch improved corrugated boxes, manufacturers are investing in research and development activities. They are also coming up with customized packaging to widen their consumer base. India Corrugated Box Market is expected to reach over INR 63,000 Crore by FY 2023.

• **INDIA CORRUGATED MARKET SIZE AND OVERVIEW**

India corrugated box industry is an inevitable part of manufacturing sector which rely heavily on corrugated packaging for finished goods transportation and handling. India corrugated box industry grew from at a CAGR of 23.3% in terms of revenue. Factors such as increasing demand from fresh food and beverages, home & personal care goods, electronic goods industries, logistics application, increasing consumer awareness towards sustainable packaging and growth of the e-commerce industry have propelled the growth of Indian corrugated boxes market.

Annual Report 2018-19

• COMPETITIVE LANDSCAPE

India corrugated box market is highly fragmented with the presence of around 18,000 organized and unorganized players. There are no regulations in the market regarding the entry of the players and since it is a low capital intensive business so many new players are entering in the market. Horizon Packs Pvt. Ltd. is the leading manufacturer. Other leading companies are Worth Peripherals Ltd., TGI Packaging Pvt. Ltd., OJI India Packaging Pvt. Ltd., Jayaraj Fortune Packaging Pvt. Ltd., Supack Industries Pvt. Ltd., BL Containers Pvt. Ltd., Chaitanya Packaging Pvt. Ltd., CEL Packaging, Wadpack Pvt. Ltd., Hariwansh Packaging Pvt. Ltd., CJ Corporation and Paper Containers India Pvt. Ltd.

• FUTURE OUTLOOK TO INDIA CORRUGATED BOX MARKET

India corrugated box industry is expected to increase at a CAGR of double digit CAGR in between the FY'2018 and FY'2023 in terms of revenue due to the elevating demand from the end user segment in order to store and transport their end products. Increasing the demand of safe and cushioned packaging of the product will augment the growth of India Corrugated box market. The procurement of latest technology machines from China, Taiwan and other Asian countries by manufacturers in order to make production fast and accurate will also drive the future of India corrugated box industry.

• SEGMENT REVIEW AND ANALYSIS

The Company is engaged into production of Corrugated Boxes. Our product Corrugated boxes is mainly used in the packaging industry. Our customers 'decision to seek alternative technology coupled with the development of more alternatives and our inability to respond to these changes may adversely affect our business and results of operations. Our products are mainly sold to customers operating in FMCG, Garments, Liquor, etc. thus any slowdown in this sector may adversely affect our business operations. Our ability to anticipate changes in technology and to supply new and enhanced products successfully and on a timely basis will be a significant factor in our ability to grow and to remain competitive. In addition, our business, operations and prospects may be affected by various policies and statutory and regulatory requirements and developments that affect our customer's industry in India. In the event of a significant decline in the demand for our products, our business, results of operations and financial condition may be materially and adversely affected.

- **ENVIRONMENT AND SAFETY**

The need for environmentally clean and safe operations is company's key priority. The Company policy requires the conduct of all operations in such a manner so as to ensure the Safety of all concerned, compliance of statutory and industrial requirements for environment protection and conservation of natural resources to the extent possible.

- **RISK AND AREAS OF CONCERN**

We have no control on the prices of our basic raw material i.e. Kraft Paper and Duplex Paper. The prices of Kraft Paper and Duplex Paper could fluctuate due to availability and demand. In the recent past, there have been fluctuations in the prices of raw materials both at domestic and international levels. Such fluctuations in prices of raw material and our inability to

negotiate at optimum market rates may affect our profitability. We typically do not enter into any long-term supply agreements with our suppliers and our major requirement is met in the spot market. We may be unable to control the factors affecting the price at which we procure our raw material. We also face the risks associated with compensating for or passing on such increase in our cost of production on account of such fluctuations in prices to our customers. Upward fluctuations in the prices of raw material may thereby affect our margins and profitability, resulting in a material adverse effect on our business, financial condition and results of operations.

- **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Company has implemented proper system for safeguarding the operations/ business of the Company, through which the assets are verified and frauds, errors are reduced and accounts, information connected to it are maintained such, so as to timely completion of the statements. The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

The Audit Committee of Board of Directors reviews the efficiency and effectiveness of internal control systems and suggests the solution to improve and strengthen. The Internal control system were tested during the year and no material weakness in design or operation were observed.

The requirement of having internal auditor compulsory by statute in case of listed and other classes of companies as prescribed shall further strengthen the internal control measures of Company.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
G. K. P. PRINTING & PACKAGING LIMITED

Opinion

We have audited the financial statements of **G. K. P. Printing & Packaging Limited** (“the Company”), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and profit/loss, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with

the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has not any pending litigation which should require to disclose on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of G. K. P. Printing & Packaging Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of G, K. P. PRINTING & PACKAGING LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accounting Policies

A. Significant Accounting Policies:

The Accounting policies set out below have been adopted in preparation and presentation of financial statement and applied consistently to the period presented in this financial statement.

1. Disclosure of Accounting Policies (Accounting Standard -1):

Accounting Concepts & Basis of preparation:

These financial statements have been prepared to comply in all material aspects with applicable accounting principles in India, the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and other accounting principles generally accepted in India, to the extent applicable. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

Use of Estimates:

The preparation of the financial statements in conformity with GAPP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

2. Valuation of Inventories (Accounting Standard - 2):

(i) Raw Materials are valued at cost together with cost incurred to bring it to present location and condition.

(ii) Stock in Process has been valued at cost of Materials and Labour charges together with relevant factory overheads

(iii) Finished Goods are valued at cost or Net realizable Value which ever is lower. There is no closing stock of Stores & Fuel.

3. Cash Flow Statement (Accounting Standard - 3):

Cash Flow Statement is reported using Indirect Method; whereby profit before tax is adjusted for the effects of transactions of a non-cash nature. The cash flow from regular revenue generating, financing and investing activities of the company is segregated. Cash and cash equivalents in the balance sheet comprise cash at bank (excluding pledged term deposits), cash/cheques in hand and short term investments with an original maturity of three months or less.

4. Contingencies & Events occurring after Balance Sheet Date (Accounting Standard - 4):

Disclosure of Contingencies as required by the accounting standard is furnished in the Notes on Accounts. Events occurring after the balance sheet date are those significant events, both favourable and unfavourable, that occur between the balance sheet date and the date on which the financial statements are approved by the Board of Directors. Asset and Liabilities should be adjusted for events occurring after the balance sheet date that provide additional evidence to assist the estimation of amounts relating to conditions existing at the balance sheet date or that indicate that the fundamental accounting assumption of Going Concern is not appropriate. There are no such events thus do not require any adjustment.

5. Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policy (Accounting Standard - 5):

The term 'prior period items', as defined in this Standard, refers only to income or expenses which arise in the current period as a result of errors or omissions in the preparation of the financial statements of one or more prior periods. Net Profit or Loss for the Period and Prior Period Items are shown in Profit & Loss Account.

6. Revenue Recognition (Accounting Standard -9):

The Financial Statements have been prepared on a going concern basis in accordance with historical cost convention.

Both Income and Expenditure are recognized on accrual basis.

Revenue from Sales is recognized when practically all risks and rewards of ownership are transferred to the buyer and there is no effective control of the seller as the owner, this usually occurs upon dispatch of the goods. Gross sales shown

in the Statement of Profit & Loss excludes Goods & Service Tax.

Other Operative Revenue and Other Income except Dividend income, which is accounted on receipt basis, are accounted on accrual basis.

7. Property, Plant & Equipments (Accounting Standard - 10):

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and arrangements arising from exchange rate variations attributable to the assets. Expenditure on additions, improvements and renewals is capitalized and expenditure for maintenance and repairs is charged to profit and loss account.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably.

Depreciation on property, plant and equipment is provided using Written Down Value method over the useful life of the Asset. Depreciation in respect of addition to assets has been charged on pro rata basis with reference to the period of use of such asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised

8. The effects of changes in Foreign Exchange Rates (Accounting Standard - 11):

Monetary items denominated in foreign currencies at the year end and not covered by forward exchange contracts are translated at year end rates and those covered by forward exchange contracts are translated at the rate ruling at the date of transaction as increased or decreased by the difference between the forward rate and exchange rate on the date of transaction, such difference having been amortized over the life of the contract.

Non-monetary items carried at historical cost are reported using the rate at the date of transaction.

9. Employee Benefit (Accounting Standard -15):

Staff benefits arising out of retirements / death, comprising of contributions to Provident Fund, Superannuation & Gratuity Schemes, accrued Leave Encashment and other post-separation benefits are accounted for on the basis of an independent actuarial valuation, in accordance with AS-15. The actuarial liability is determined with reference to employees at the end of each financial year.

Expenses for defined benefit gratuity payment plans are calculated as at the balance sheet date by independent actuaries in the manner that distributes expenses over the employees working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discounted rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on Government Bonds with a remaining term i.e. almost equivalent to the average balance working period of employees.

As per Accounting Standard- 15, Employee Benefits issued by the Institute of Chartered Accountants of India, Company is required to assess its gratuity liability each year on the basis of actuarial valuation and make provision for gratuity liability. However, the Gratuity Provisions are not applicable to the company. Hence the company has not provided for gratuity liability in the financial Statement.

10. Borrowing Costs (Accounting Standard -16):

Borrowing costs are recognized in the period to which they relate, regardless of how the funds have been utilized, except where it relates to the financing of construction or development of assets requiring a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue under the head "Finance Cost" in the statement of Profit and loss for the period under review. The amount of interest capitalized for the period is determined by applying the interest rate applicable to appropriate borrowings.

11. Related Party Disclosures (Accounting Standard -18):

Disclosure relating to Related Party Transactions are shown under the notes to Financial Statement

12. Earning Per Share (Accounting Standard -20):

Basic earning per share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the company by the weighted average number of Equity Shares outstanding during the year. Diluted earning per Share is calculated by dividing net profit attributable to equity shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

13. Accounting for Taxes on Income (Accounting Standard - 22):

Income tax expense comprise of Current Tax and Deferred Tax Charge or Credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and thereafter a deferred tax asset and deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount being considered. Deferred Tax Asset should be recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on prevailing enacted or substantially enacted regulations. At each balance sheet date, the carrying amount of deferred tax assets is reviewed to reassure realization.

14. Intangible Assets (Accounting Standard -26):

Intangible asset is acquired by payment and are disclosed at cost less amortization on a straight line basis over its estimated useful life. Only those intangible items which meet asset recognition criteria namely identifiability, Control over resources & Expected future economic benefits are considered as Intangible Assets and if an item does not meet above criteria then it is recognised as an expense when it is incurred.

15. Impairment of Assets (Accounting Standard -28):

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset other than goodwill is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss recognized. The carrying amount of an asset other than goodwill is increased to its recoverable amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment losses been recognized for the asset in prior years.

16. Provision, Contingent Liabilities and Contingent Assets (Accounting Standard -29):

a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if :

i) The Company has a present obligation as a result of a past event;

ii) A probable outflow of resources is expected to settle the obligation; and

iii) The amount of the obligation can be reliably estimated.

iv) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

b) Contingent Liability is disclosed in the case of:

- i) A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation;
- ii) A possible obligation, unless the probability of outflow of resources is remote. Contingent Assets are neither recognized nor disclosed.
