PERFORMANCE REVIEW

Highlights of performance during the financial year 2015-16 are:

- Total Revenue from Operation of the Company is ₹ 7,047.41 lakh as against ₹ 6,101.77 lakh in the previous year.
- Operating Profit / (Loss) is ₹ (5,844.04) lakh as against ₹ (3,411.77) lakh in the previous year.
- Profit / (Loss) before taxation is ₹ (7,222.68) lakh as against ₹ (5,434.85) lakh in the previous year.
- Profit / (Loss) after Tax is ₹ (2,182.61) lakh as against of ₹ (3,688.24) lakh in the previous year.

The performance of the Company during the year under review showed a better picture as compared to the previous year. However improvement in the operational revenue has been offset by the operating loss incurred during the year.

The Company is a BIFR referred company under the Sick Industrial Companies (Special Provision) Act, 1985 (SICA), pending registration of the same as a Sick Unit.

The Company has been trying to make up the volume losses in its main stay i.e. Silk Textiles by resorting to polyester, cotton, viscose and other blended fabric. In spite of the best efforts of the Company these low end products are fetching very meager realization. Your Company has been successfully introducing new designs and new blends taking into account the customers taste and preferences globally. Difficulties faced by the Company can only be resorted by increasing the scale of operation via infusion of machines and technology.

FUTURE OUTLOOK

'Make in India' campaign launched by the government intends to provide a further boost to the Indian textile industry and enable it to achieve 20% growth in exports and sustain 12% growth rate in domestic market till 2024-25 as suggested by report of expert committee on Vision, Strategy and Action Plan for Indian Textiles and Apparel Sector. Infusion of machineries and technology is essential to bring down the cost of production. However the Company's expansion considering its financial condition is limited to change in the production mix and introduction of new designs and colourways. As conveyed earlier within the limited scope and under restricted market condition, your management is very positively responding to matching situation in the global market.

DIVIDEND

In view of the accumulated losses the Board of Directors does not recommend any dividend on Equity Shares. The Board of Directors does not also declare dividend on Redeemable Cumulative Preference Shares.

PUBLIC DEPOSIT SCHEME

During the year, your Company has not accepted any deposits. There are no outstanding deposits as on date.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

During the year on account of untimely demise of Shri R.S Rungta, he ceases to be a Director of the Company and on the recommendation of Nomination and Remuneration Committee, the Board appointed Shri Dilip Kumar Rungta (DIN: 00534100), as an Additional Non-executive Independent Director of the Company with effect from November 14, 2015. The Company has received a notice under Section 160 of the Companies Act, 2013 from a member signifying his intention to propose the candidature of Shri Dilip Kumar Rungta (DIN: 00534100), for the office of Director, and is eligible for appointment as an Independent Director, as provided under the Articles of Association of the Company and shall hold office for a period of 5 years and not liable to retire by rotation.

Requisite declarations from all the Independent Directors of the Company confirming that they are not disqualified to act as an Independent Director in compliance with the provisions of Section 149 of the Companies Act, 2013 and the Board is also in the opinion that the Independent Directors fulfill all the conditions specified in the Companies Act, 2013 making them eligible to act as an Independent Director.

Necessary policies and the criteria for the performance evaluation of Directors as Individual, Board and Committees are devised by the Company. Evaluation of Board and Committees are being done under best practices prevalent in the Industry. The Company ensures constitution of the Board of Directors with an appropriate composition, size, diversified expertise and experience and commitment to discharge their responsibilities and duties effectively. The Independent Directors shall abide by the "Code of Independent Directors" as specified in Schedule IV to the Companies Act, 2013. “Annexure – B” referred to in paragraph 2 (f) to the Independent Auditor's Report of even date on the Standalone Financial Statements of Eastern Silk Industries Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Eastern Silk Industries Limited (“the Company”) as of March 31st, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".
