By order of the Board of Directors

For Shree Krishna Paper Mills & Industries Limited

Sonam Katyal

Company Secretary
Membership No. 33550

Place: New Delhi
Date: August 12, 2019

NOTES:

1. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”) setting out material facts concerning the business under Item Nos. 3, 4 and 5 of the notice, is annexed hereto. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/re-appointment at this Annual General Meeting (“AGM”) are also annexed.
2. **A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote instead of himself/herself and the proxy need not be a member of the Company.**

Pursuant to Section 105 of the Act, a person can act as a Proxy on behalf of not more than fifty members holding

in aggregate, not more than ten percent of the total share capital of the Company. Members holding more than ten percent of the total share capital of the Company may appoint a single person as proxy who shall not act as proxy for any other member. A proxy form is annexed to this report.

The instrument of proxy, in order to be effective, should be deposited at the registered office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting.

3. Corporate Members intending to send their authorized representatives to attend and vote at the meeting are requested to send a duly certified copy of Board Resolution.
4. **Members, Proxies and Authorized representatives are requested to bring the attendance slips along with their copy of annual report to the meeting.**
5. In case of joint holders attending the meeting, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
6. Relevant documents, if any, referred to in the notice and in the explanatory statement are open for inspection at the registered office of the Company during the business hours on any working day (except Saturday, Sunday and Public Holiday) between 11.00 a.m. to 1.00 p.m. up to the date of the Annual General Meeting. The above may be treated as an abstract/compliance under section 190 of the Act.
7. The Register of Members and Share Transfer Books of the Company will remain closed from September 18, 2019 to September 26, 2019 (both days inclusive) in connection with the Annual General Meeting.
8. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP) with whom they maintain their demat accounts. Members holding shares in physical form are requested to intimate such changes to the Company/Registrar & Share Transfer Agent quoting their folio number and changed details.
9. Pursuant to Section 72 of the Act, members are entitled to make a nomination in respect of shares held by them. Members desirous of making a nomination, pursuant to the Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014 are requested to send their requests in form no. SH-13, to the RTA of the Company. Further, members desirous of cancelling/varying nomination pursuant to the Rule 19(9) of the Companies (Share Capital and Debentures) Rules, 2014, are requested to send their requests in form no. SH-14, to the RTA of the Company. These forms will be made available on request.

10. Members holding share certificates under different folio numbers but in the same order of names are requested to apply for consolidation of such folios and send relevant share certificates to the Registrar and Transfer Agent of the Company.
11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participant with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Registrar and Transfer Agent/the Company.
12. The members may note that, pursuant to SEBI Notification dated June 8, 2018 and press release dated December 3, 2018, transfer of shares (except transmission and transposition of shares) will be in dematerialized form only. Although, the members can continue to hold shares in physical form, they are requested to consider dematerializing the shares held by them in the Company.
13. Electronic copy of the Annual Report 2018-19 including notice of the 47th AGM is being sent to the members whose email IDs are registered with the Company/depository participant(s) for communication purposes unless any member has requested for a physical copy of the same. For members who have not registered their email address, physical copies of the annual report 2018-19 are being sent in the permitted mode. Members are requested to support green initiative by registering/ updating their e-mail addresses with the depository participant (in case of shares in dematerialized form) or with Link Intime India Private Limited (in case of shares held in physical form).
14. Members may also note that the Notice of the 47th Annual General Meeting and the Annual Report 2018-19 will also be available on the Company's website www.skpmil.com for download. For any communication, the shareholders may send request to the Company's email: cs@skpmil.com.
15. The cut-off date for the purpose of determining the members eligible for participation in remote e-voting (e-voting from a place other than venue of the AGM) and voting at the AGM is September 19, 2019. Please note that members can opt for only one mode of voting i.e., either by voting at the meeting or remote e-voting. If members opt for remote e-voting, then they should not vote at the meeting and vice versa. However, once an e-vote on a resolution is cast by a member, such member is not permitted to change it subsequently or cast the vote again. Members who have cast their vote by remote e-voting prior to the date of the meeting can attend the meeting and participate in the meeting, but shall not be entitled to cast their vote again.
16. A route map showing directions to reach the venue of the 47th Annual General Meeting is given at the end of the notice as per the requirement of the Secretarial Standards – 2 on "General Meetings".
17. **Voting through electronic means**

In compliance with the provisions of Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time, the Company is pleased to provide its members the facility to exercise their right to vote on resolutions proposed to be passed at the 47th Annual General Meeting (AGM) by electronic means. EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 3

The members of the Company had appointed Mr. Narendra Kumar Pasari (DIN: 00101426) as the Managing Director of the Company for a period of three years with effect from January 1, 2017. Since the term of his office is going to expire on December 31, 2019, the Board of Directors of the Company at its meeting held on August 12, 2019 has approved the re-appointment of Mr. Narendra Kumar Pasari as the Managing Director of the Company for a period of three years with effect from January 1, 2020 subject to the approval of the members at the ensuing Annual General Meeting of the Company on the terms and conditions including remuneration as recommended by the Nomination and Remuneration Committee. He is not disqualified from being re-appointed as director in terms of Section 164 of the Companies Act, 2013 ("the Act"). The Board is of opinion that his re-appointment is properly justified, considering his contribution in the growth of the Company.

The remuneration payable to Mr. Narendra Kumar Pasari is subject to overall ceiling under Section II of Part II of Schedule V to the Act. Further, where in any financial year comprised by the period of appointment, the Company has no profits or its profits are inadequate, the Company shall pay to Mr. Narendra Kumar Pasari, remuneration as specified in the resolution by way of salary, perquisites and other allowances not exceeding the ceiling limit specified under Section II of Part II of Schedule V to the Act (including any amendment or re-enactment thereof).

For the purpose of calculating the above ceiling, the said perquisites and allowances shall be evaluated, wherever applicable, as per the Income Tax Act, 1961 or any rules framed there under (including any statutory modification(s) or re-enactment thereof, for the time being in force). In the absence of any such rules, perquisites and allowances shall be evaluated at actual cost.

He shall not be entitled to receive any sitting fee for attending the meeting of the Board and any committee thereof and shall not be liable to retire by rotation.

During the Financial Year 2018-19, he attended all the meetings of the Board of Directors. He is not a member on any Committee of the Board.

None of the Directors, except Mr. Narendra Kumar Pasari and Mr. Bishwanath Pasari, or the Key Managerial Person and their relatives has any nature of concern or interest, financial or otherwise, directly or indirectly in respect of the proposed resolution.

The Board recommends the resolution as a Special Resolution for approval of the members.

Item No. 4

As per the provisions of Regulation 17 (1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, approval of the shareholders by way of a special resolution is required for continuation of directorship of the non-executive directors of the Company who have attained the age of 75 years.

Our non-executive Director, Mr. Bishwanath Pasari have attained the age of 75 years and the Board has approved the continuation of their directorship subject to the passing of special resolution by the shareholders.

Mr. Bishwanath Pasari, is a Non-Executive Director of our Company and was appointed on the Board in 1980. The incumbent is in good physical condition and of sound and alert mind and the Board is confident about him being able to function and discharge his duties in an able and competent manner. Considering his seniority, expertise and vast experience, which has benefited the Company immensely, the Board recommends his continuation as director.

Except, Mr. Narendra Kumar Pasari, who is the son of Mr. Bishwanath Pasari, none of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution.

The Board recommends the resolution as a Special Resolution for approval of the members.

Item No. 5

The Board of Directors of the Company, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. Vijender Sharma & Co., Cost Accountants, Delhi to conduct the audit of the cost records of the Company for the financial year ending March 31, 2020, at a remuneration of ₹ 75,000/- per annum plus taxes at the applicable rates and reimbursement of out of pocket expenses in connection with the audit, subject to ratification by members.

In terms of the provisions of Section 148 (3) of the Act read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors is to be ratified by the members of the Company. Accordingly, the members are requested to ratify the remuneration payable to the Cost Auditors during the year 2019-20 as set out in the resolution for the aforesaid services to be rendered by them.

None of the Directors, Key Managerial Personnel or their relatives are interested in this resolution.

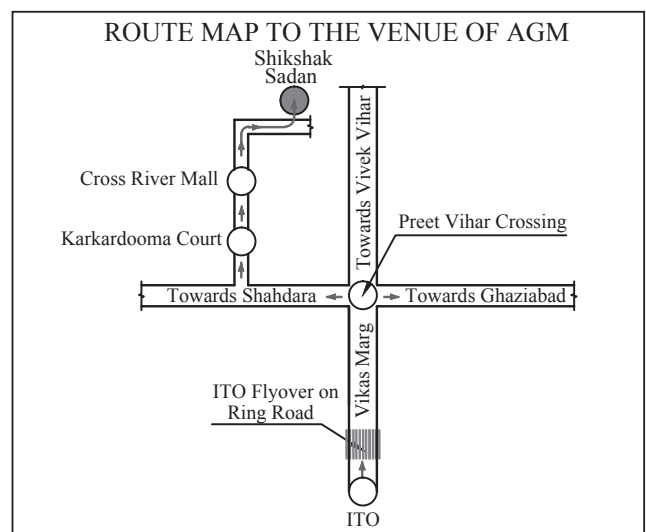

The Board recommends the resolution as an Ordinary Resolution for approval of the members.

DIRECTORS & KEY MANAGERIAL PERSONNEL

During the year, the Company has regularized the appointment of Mrs. Rakhi Verma (DIN: 07995132) as a Woman Director at the Annual General Meeting held on September 28, 2018 who was appointed as an Additional Director on November 18, 2017.

Pursuant to the terms of appointment, the office of Mr. Narendra Kumar Pasari as Managing Director will expire on December 31, 2019. As recommended by the Nomination and Remuneration Committee, the Board has reappointed Mr. Narendra Kumar Pasari as Managing Director (Key Managerial Personnel) to hold office with effect from January 1, 2020 for a period of 3 years and have also revised his remuneration on the recommendation of the Nomination and Remuneration Committee, subject to the approval of the members. A resolution in this regard is contained in the notice of the Annual General Meeting.

As per the provisions of Regulation 17 (1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ["SEBI (LODR) Regulations"], approval of the shareholders by way of a special resolution is required for continuation of directorship of the non-executive directors of the Company who have attained the age of 75 years. Our non-executive Director, Mr. Bishwanath Pasari have attained the age of 75 years and the Board has approved the continuation of their directorship

subject to the passing of special resolution by the shareholders. He is in good physical condition and of sound and alert mind and the Board is confident about him being able to function and discharge his duties in an able and competent manner. Considering his seniority, expertise and vast experience, which has benefited the Company immensely, the Board recommends his continuation as director of the Company.

In accordance with the provisions of the Act and Articles of Association of the Company, Mrs. Rakhi Verma (DIN: 07995132), Non-Executive Director of the Company retires by rotation and being eligible, offers herself for re-appointment at the ensuing Annual General Meeting.

Pursuant to the provisions of Section 203 of the Act, the Key Managerial Personnel of the Company as on March 31, 2019 are: Mr. Narendra Kumar Pasari, Managing Director, Mr. Sanjiv Kumar Agarwal, Chief Financial Officer and Mrs. Sonam Katyal, Company Secretary.

The information on the particulars of Director eligible for appointment in terms of Regulation 36(3) of SEBI (LODR) Regulations has been provided in the notes to the notice convening the Annual General Meeting.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

The paper industry is one of the most energy intensive industries in India and it is ranked as 12th largest in the world. The paper industry is classified into four segments: Writing & Printing, Packaging Paper & Board, Speciality Paper and Newsprint. There are about 800 units engaged in the manufacture of paper, paperboards, and newsprint in India using a variety of raw materials such as wood, agro residues, waste paper etc. The installed capacity for paper production in India is 25 Million Tonnes and it is expected the annual production will reach to 30 Million Tonnes by the year 2030, as there are many mills which are going for expansion by installing new production facilities or by modernization of the existing plant.

OPPORTUNITIES AND THREATS

The Indian Paper & Paperboard industry is one of the oldest organised manufacturing industries in India. The country's rising literacy rate has increased the demand for books and textbooks. Also, India's booming e-commerce and retail sectors have accelerated consumption of paperboard & packaging. Furthermore, growing awareness about hazards of plastic packaging has provided an additional fillip to paper-based alternatives. While demand has been steadily increasing owing to above mentioned factors, Indian paper companies will be able to earn profit from rising demand over the period.

Although the growth drivers for Indian paper remain strong, there are various barriers in way of the perceived growth such as stiff global competition from overseas suppliers, the steady rise in commodity prices, requirement of technological upgradation, fast-emerging digital revolution and environmental issues especially in context of upcoming stringent norms. As such, there is a need for industry to be more proactive as well as to gear-up to become technologically and environmentally sustainable and globally competitive.

OUTLOOK

The future prospects of the Indian paper industry are positive due to the expected surge in demand in the huge domestic markets. The demand drivers and growth triggers have come from a combination of factors such as continuous demand for education and literacy, increasing organised retail sector, growth in eCommerce, FMCG, demand of quality packaging, increment in demand of eco-friendly paper bags replacing plastic bags and continuously increasing demand of ready-to-eat food etc. Hence, there is enormous potential for the paper industry in the country.

RISKS & CONCERNS

Risks and opportunities are inevitable and inseparable components of all businesses. The Company's Directors and management take proactive decisions to protect stakeholder interests. The Company has in place a Risk Management Policy which is monitored and reviewed on a regular basis.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has well-equipped and operative internal control systems in place commensurate to the size of its business and nature of the industry in which it operates. These stringent and comprehensive controls put in place ensures optimal and efficient utilization of resources to an extent that the assets and interests of the Company are safeguarded, transactions are authorized, recorded and properly reported, and reliability and correctness of accounting data is warranted with checks and balances. An extensive program of internal audits and regular reviews by the Audit Committee is carried out to ensure compliance with the best practices. The Company has appointed M/s. GAMS & Associates LLP, Chartered Accountants to verify and report on the efficiency and effectiveness of internal control systems.

FINANCIAL PERFORMANCE

During the year under review, the revenue from operations was ₹ 14,261.24 lakhs against ₹ 13,665.98 lakhs in the last financial year. The Company has earned profit before tax of ₹ 597.06 lakhs against ₹ 163.69 lakhs in last year. The performance of the Company has been improved as a result of increase in the selling price of major finished product i.e. newsprint paper during some quarters of the year without having corresponding change in the cost of raw material. Further, your directors are hopeful for better performance in the coming years.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

The Company recognizes that the employees are the most valuable resource and endeavours to empower its employees to meet business excellence while meeting their career aspirations. A significant emphasis is placed on training personnel, increasing their skill levels, and fostering ongoing employee engagement. During the year, industrial relations were cordial. The Company had 276 employees on its payrolls as on March 31, 2019.

**KEY FINANCIAL RATIOS**

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key financial ratios.

Following are the key financial ratios:

Particulars	2018-19	2017-18
Price Earnings Ratio	9.01	68.48
Debtors Turnover Ratio	7.66	7.26
Inventory Turnover Ratio	9.25	12.27
Interest Coverage Ratio	3.83	1.61
Current Ratio	0.95	0.89
Debt Equity Ratio	1.92	2.23
Operating Profit Margin (%)	5.66	3.16
Net Profit Margin (%)	3.16	0.45
Return on Net Worth	0.20	0.03

Reason for significant change:

- Price Earning (PE) Ratio has been decreased on account of increase in net profit and nominal change in market price per share.
- Interest Coverage Ratio has been increased on account of increase in EBIT & lower interest expense.
- There is an increase in Operating Profit Margin and Net Profit Margin on account of higher profit earned during the year.
- Substantial increase in Operating/Net Profit Margin has resulted into increase in return on net worth.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of
Shree Krishna Paper Mills & Industries Limited

Report on the audit of Financial Statements**Opinion**

We have audited the accompanying financial statements of Shree Krishna Paper Mills & Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of a Key Audit Matter is given below:-

SI No.	Key Audit Matter	Auditor's Response
1	<p>Appropriateness of the carrying amount of trade receivables (Unsecured & Considered Good) at amortized cost (Refer Note – 13 to the financial statements)</p> <p>Trade receivables aggregating to ₹ 1549.12 lakhs as at March 31, 2019 comprise a significant portion of the assets of the Company and serve as security for the Company's short-term debts.</p> <p>Letters have been sent to majority of the debtor for confirmation of balances and reconciliation, in case of differences, but replies have not been received from all. This is determined as a key audit matter as balance confirmation is one of the evidences which establishes the authenticity of the receivables which comprise significant portion of the Assets of the entity.</p>	<p>Our procedures, regarding obtaining the balance confirmation of Trade Receivable and verifying the same</p> <ul style="list-style-type: none"> Designing the external confirmation procedures to obtain additional corroborative information as a response to address the assessed risks of material misstatement, including determining that external confirmation requests are properly addressed and contain return information for responses to be sent directly to the auditor and maintaining control over external confirmation requests. Evaluating whether the results of the external confirmation procedures provide relevant and reliable audit evidence, or whether performing further audit procedures is necessary including in the case of each non-response, perform alternative audit procedures to obtain relevant and reliable audit evidence Performing alternative audit procedures include examining specific subsequent cash receipts, transport documentation, and sales near the period-end. <p>Based on the above procedures performed, we did not find any significant exceptions with the balances of trade receivables.</p>

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act ("the Act") with respect to the preparation of these financial statements that give a true

and fair view of the financial position, financial performance (including Other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion

on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – refer note no. 45 of the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in our report of even date)

Referred to in Paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements", we report that:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Krishna Paper Mills & Industries Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

1. CORPORATE INFORMATION

Shree Krishna Paper Mills & Industries Limited (hereinafter referred to as 'the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's equity shares are listed on the Bombay Stock Exchange. The Company is principally engaged in the manufacturing and selling of news print paper and other value-added papers. The Company's registered office is at 4830/24, Prahlad Street, Ansari Road, Darya Ganj, New Delhi – 110002.

The financial statements were authorized for issue in accordance with a resolution of the Board of Directors on May 20, 2019.

2. CHANGES IN ACCOUNTING STANDARDS AND OTHER RECENT ACCOUNTING PRONOUNCEMENTS

"On March 30, 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases" and certain amendments to existing Ind AS. These amendments shall be applicable to the entity from 1st April, 2019.

i) Issue of Ind As 116 – Leases

Ind AS 116 will supersede the current Ind AS on Leases Ind AS 17 and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

Presently, the Company is in the process of evaluating the impact that application of Ind AS 116 is expected to have on its financial statements. The Company intends to apply simplified transition approach and will not restate comparative information in the financial statements for the year ending 31 March, 2019 to show the impact of adopting Ind AS 116.

ii) Amendments to Existing Issued Ind AS

- Ind AS 12- Income Taxes
- Ind AS 19- Employee Benefits
- Ind AS 109 - Financial Instruments

Note: Application of above Standards are not expected to have any significant impact on the Company's financial statements.

3. CRITICAL ACCOUNTING JUDGEMENTS & KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on our financial position or profitability.

Depreciation / amortisation and useful lives of property, plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes.

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis.

Measurement of fair values

The Company's accounting policies and disclosures require financial instruments to be measured at fair values. The Company has an established control framework with respect to the measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which the sufficient data are available to measure the fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified. For fair value hierarchy, refer note no. 55 of financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES

A. STATEMENT OF COMPLIANCE

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules, 2015, as amended and other provisions of the Act. The presentation of the financial statements is based on Ind AS Schedule III of the Act.

B. BASIS OF PREPARATION AND PRESENTATION

The financial statements have been prepared on the historical cost basis except for certain financial instruments which have been measured at their fair values at the end of each reporting period in accordance with the relevant Ind AS. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Company's financial statements have been presented in Indian National Rupee (₹) and all values are rounded to the nearest Lakhs, except where otherwise indicated.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

C. CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

D. FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as derivatives and investment, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

E. PROPERTY, PLANT AND EQUIPMENT

The tangible items of property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price including non-refundable duties and taxes, net of rebate and discounts and borrowing costs for qualifying assets, including other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss. Fully depreciated assets still in use are retained in financial statements.

Capital Work in Progress is stated at cost. Cost includes purchase price, net of taxes where applicable and all direct costs and borrowing costs attributable to qualifying assets till they are ready for their intended use.

F. DEPRECIATION & AMORTIZATION

Depreciation on the property, plant and equipment (except for leasehold land) is provided on Straight-Line Method ("SLM") over the useful lives of the assets as specified in Schedule II to the Act. On property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Leasehold land is amortized on a straight line basis over the period of lease.

G. BORROWING COST

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

H. INVENTORIES

Inventories except scrap are valued at lower of cost and net realizable value after providing for obsolescence. Scrap is valued at net realizable value. Cost is determined on FIFO basis. Cost of inventories comprises of cost of purchase, cost of conversion and other costs (net of recoverable taxes and duties wherever applicable) including manufacturing overheads incurred in bringing them to their respective present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

I. REVENUE RECOGNITION

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue includes excise duty. However, sales tax/ value added tax (VAT)/ Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized:

- i) Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of the goods. It is measured at the fair value of the consideration received or receivable, net of returns and trade discounts.

Effective from April 01, 2018, the Company has adopted Ind AS 115 "Revenue from Contracts with Customers". There is no change in value of revenue from operation on adoption of IND AS 115.

- ii) Interest income for all debt instruments measured at amortized cost is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

J. FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Financial statements are presented in Indian Rupee, which is also the Company's functional currency. Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary assets or liabilities are translated at exchange rate prevailing on the balance sheet date and the exchange gains or losses are recognised in the statement of profit & loss. Financial instruments designated as Hedge Instruments are mark to market at the valuation existing on the reporting date. Exchange differences arising on settlement of monetary items on actual payments / realisations and year end translations including on forward contracts are dealt with in Statement of Profit and Loss in the period in which they arise.

Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transaction.

The Company uses forward exchange contracts to hedge its exposure to the extent considered appropriate and premium or discount arising on such forward exchange contract is amortised as expense or income over the life of the contract. The unhedged forward contracts remaining unsettled at the year end are translated at the exchange rates prevailing on that date and the resulting gains or losses are recognized in the Statement of Profit and Loss.

K. EMPLOYEE BENEFITS EXPENSE

i) Short term employee benefits

Short-term employee benefits include employee benefits (other than termination benefits) which are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service and are recognized as expense in the period in which the related service is rendered.

ii) Post-employment benefits

a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contributions to defined contribution plans are charged to the Statement of Profit and Loss as and when incurred.

b) Defined benefit plans

Funded plan: The Company has a defined benefit plan for post employment benefit in the form of gratuity, which is administered through Life Insurance Corporation of India (LIC), liability for which is provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

iii) Other long term employee benefits

Liability for compensated absences is provided on the basis of valuation as at the balance sheet date carried out by an independent actuary. The actuarial valuation method used for measuring the liability is the Projected Unit Credit (PUC) method.

iv) Termination benefits are recognized as an expense as and when incurred.

v) The actuarial gains and losses on defined benefit plans arising during the year are charged to the Other Comprehensive Income.

L. TAX EXPENSES

Tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax (MAT) is calculated as per Section 115 JB of the Income Tax Act, 1961 and is payable when tax as per it is higher than tax as per the normal provisions of the Act. Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

M. EARNINGS PER SHARE

Basic Earnings Per Share (EPS) is computed by dividing the net profit or loss after tax attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by adjusting the profit or loss attributable to the equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential equity shares.

N. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made.

Where a provision is measured using the cash flows estimates to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

O. LEASES

A lease is classified at the inception date as a finance lease or an operating lease. Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. All other leases are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the Company at lower of their respective fair value and the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

P. IMPAIRMENT OF ASSETS

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Q. DERIVATIVE FINANCIAL INSTRUMENTS

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Derivative financial instruments are initially recognised at fair value on the date a derivative contract is entered into and

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019**

are subsequently re-measured at their fair value at the end of each period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

R. FINANCIAL INSTRUMENTS

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Purchase and sale of financial assets are recognized using trade date accounting.

Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

(i) Financial Assets**Initial Recognition and Measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if such financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell such financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Profit or Loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the Company has elected an irrevocable option to present value changes in OCI.

(ii) Financial Liabilities and Equity instruments

All financial liabilities are recognized at fair value at initial recognition and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial Liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of Financial Instruments:

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset and has substantially transferred all the risks and rewards of ownership of the financial assets.

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

S. NON-CURRENT ASSETS HELD FOR SALE

Non-current assets or disposal comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met (i) decision has been made to sell (ii) the assets are available for immediate sale in its present condition (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be conducted within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

Non-current assets classified as held for sale are presented separately in the balance sheet

T. EXCEPTIONAL ITEMS

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

Nature and purpose of reserves

- Capital Reserve was created on forfeiture of equity shares and will be utilised in accordance with the provision of the Companies Act, 2013.
- Securities Premium was created to record the excess of the amount received over the face value of the shares. This reserve will be utilised in accordance with the provision of the Companies Act, 2013.
- Capital Redemption Reserve was created for redemption of 4% Cumulative Redeemable Preference Shares of ₹ 100/- each. This reserve will be utilised in accordance with the provision of the Companies Act, 2013.
- FVOCI equity investments:
The company has elected to recognise changes in the fair value of certain investments in equity securities in OCI. These changes are accumulated within the FVOCI equity investment reserve within equity. The company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

The following methods and assumptions were used to estimate the fair values:

The fair values of the long term borrowings, loans and other deferred payments are determined by using discounted cash flow method using the appropriate discount rate. The discount rate is determined using other similar instruments incorporating the risk associated.

The fair value of long term quoted investment in equity instruments are measured at quoted market price.

The fair values of the unquoted instruments and other financial assets and liabilities have been estimated using a discounted cash flow method using the appropriate discount rate. The discount rate is determined using other similar instruments incorporating the risk associated.

The Company executed derivative financial instruments such as cross currency interest rate swap being valued using valuation techniques, which employs use of market observable inputs. The Company uses mark to market valuation provided by bank for its valuation.

There were no transfers between level 1 and level 2 for recurring fair value measurements during the year.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole; Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

56) FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments and enters into derivative transactions.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's management monitors these risks and provides assurance that the financial risk activities are governed by appropriate policies and procedures. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

risk management purposes are carried out by teams that have the appropriate skills, experience and supervision. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of counterparty to which the Company grants credit terms in the normal course of business.

Trade receivables

The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The credit worthiness are monitored at periodical intervals. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations when they become due. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The Company ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year. Loan arrangements, credit limits with various banks including working capital and monitoring of operational and working capital issues are always kept in mind for better liquidity management

The Company has unutilised working capital limits from banks of ₹ 690.62 lakhs as on March 31, 2019; ₹ 752.21 lakhs as on March 31, 2018.

Market Risk- Foreign Currency Risk

This is the risk that the Company may suffer losses as a result of adverse exchange rate movement during the relevant period. As a policy, the Company is covering foreign exchange risk on account of import to avoid any loss situation due to adverse fluctuations in currency rates. There is periodical review of foreign exchange transactions and hedging by the Company's executives.

Derivative instruments and unhedged foreign currency exposure:

(a) Derivative outstanding as at the reporting date

Market Risk- Price Risk Exposure

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments. Profit for the year would increase/ (decrease) as a result of gains/ losses on equity securities as at fair value through profit or loss.

Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index

Above referred sensitivity pertains to quoted equity investment. Profit for the year would increase/ (decrease) as a result of gains/ losses on equity securities as at fair value through profit or loss. Since the Company has nominal investments in quoted equity and hence, sensitivity analysis is reflecting zero value.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019**

Foreign Currency Risk Sensitivity

A change of 5% in Foreign currency would have following Impact on profit before tax

(₹ in Lakhs)

Particulars	As at March 31, 2019	As at March 31, 2018
USD and Euro		
5% Increase	(22.94)	(16.23)
5% Decrease	22.94	16.23

Interest Rate Risk

The Company has loan facilities on floating interest rate, which exposes the Company to the risk of changes in interest rates. The management monitors the interest rate movement and manages the interest rate risk by evaluating interest rate swaps etc. based on the market / risk perception.

For the years ended March 31, 2019 and March 31, 2018, every 50 basis point decrease in the floating interest rate component applicable to its loans and borrowings would increase the Company's profit before tax by approximately ₹ 6.66 Lakhs and ₹ 8.92 Lakhs respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

Commodity Rate Risk

Exposure to market risk with respect to commodity prices primarily arises from the Company's purchases and sales of newsprint paper including the raw material components for such active newsprint paper. These are commodity products, whose prices may fluctuate significantly over short periods of time. The prices of the Company's some of the raw materials generally fluctuate in line with commodity cycles, although the prices of raw materials used in the Company's business are generally more volatile. Commodity price risk exposure is evaluated and managed through operating procedures and sourcing policies. As of March 31, 2019, the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.
