6. MANAGEMENT DISCUSSION AND ANALYSIS:

Economic Trends:

After conceding its position as the fastest growing major economy to China for a year in 2017, India is likely to reclaim the position in 2018, with growth expected to accelerate to 7.3% in the year, according to the World Bank's Global Economic Prospects.

The report projected China's economic growth to slow to 6.4% in 2018 from 6.8% in 2017. The World Bank also revised India's growth estimate for 2017 to 6.7% from 7% projected in October, blaming short-term disruptions caused by the newly introduced goods and services tax (GST) and a softer-than-envisioned recovery in private investment.

The global economy, meanwhile, is experiencing a broad-based cyclical upturn, which is expected to be sustained over the next couple of years, although downside risks persist. The anti-globalization push and the China-USA tariff war may spill over and have negative effects that may dampen world output. The economy has been hurt by the negative repercussions of demonetization and disruptions caused by GST.

Direct tax collections were buoyant and grew by more than 18% in the first nine months (April-December) of the fiscal year 2017-18 to two-thirds of the full-year target, which is expected to provide a breather to the government as it struggles to contain the fiscal deficit. Rising oil prices could, however prove to be a strong headwind that might upset fiscal deficit calculations.

The World Bank also said that strong private consumption and services are expected to continue to support economic activity. "Private investment is expected to revive as the

corporate sector adjusts to the GST; infrastructure spending increases, partly to improve public services and internet connectivity; and private sector balance sheet weaknesses are mitigated with the help of the efforts of the government and the Reserve Bank of India". Over the medium term, GST is expected to benefit economic activity and fiscal sustainability by reducing the cost of complying with multiple state tax systems, drawing informal activity into the formal sector, and expanding the tax base. The recent recapitalization package for public sector banks announced by the government of India is expected to help resolve banking sector balance sheets, support credit to the private sector, and lift investment. The global trade recovery is expected to lift exports. However, bureaucratic delays, rising unemployment, low gross fixed capital formation, and a series of bank scandals and rising Non-Performing Assets could seriously impact India's growth trajectory.

India's agrarian crisis seems to be worsening, as evidenced in the farmer protests that are becoming a pan-Indian phenomenon. Mere loan waivers is hardly the panacea for serious structural reforms. Short-term solutions are mere temporary buffers for the rural economy which is being left behind in the Indian growth story. The consequences could leave India vulnerable to increasing income inequalities.

Corporate debt liabilities and distressed assets of public sector banks, in particular, are deleterious in nature, and cause lending to diminish. Ultimately, this will impact the need for private capital. Infrastructure spending needs both public-private partnership, but this domestic bottleneck could dampen any emerging green-shoots in the economy.

Opportunities and Challenges

There is a direct correlation between private investment, economic growth and training expenditures. The fact that the Indian economy has at core experienced only modest GDP growth has meant that the soft-skills industry has not received a macroeconomic push. It has, however, benefited from sectoral buoyancy. Banking and Financial Services industry, particularly, in the light of corruption scandals and violations of prudential norms, will need to invest substantially in human resources, both the front-line and leadership personnel.

E-commerce continues to receive high private equity funding given the booming retail market in India, rising middle-class spending, increasing securitized transactions on the internet and escalating smartphone usage resulting in an App-based e-tailing.

We expect infrastructure-related sectors like cement, steel, construction etc. to be critical foundations for a sustainable boom. Albeit the real estate sector has been bearish, low-cost housing could provide the rural economy and mid-sized districts with the necessary boost that could result in a force multiplier.

For the training industry to experience sizeable traction, it is imperative that the education industry flourishes. Although the statistical size is humongous which is a manifestation of its enormous potential, there are

crippling challenges that need to be overcome. India holds a critical spot in the global education industry. The country has more than 1.5 million schools with over 260 million students enrolled and about 751 universities and 35,539 colleges. India has one of the largest higher education systems in the world. Around 35.7 million students were enrolled in higher education in India during 2016-17. A recent report states that India has become the second largest market for e-learning after the US. The sector is currently pegged at US\$ 2 billion and is expected to reach US\$ 5.7 billion by 2020.

The education sector in India is poised to witness major growth in the years to come as India will have world's largest tertiary-age population and second largest graduate talent pipeline globally by the end of 2020. The education market in India is currently valued at US\$ 100 billion and is expected to nearly double to US\$ 180 billion by 2020. Currently, the school segment is valued at US\$ 52 billion and contributes 52 per cent to the education market in India, higher education contributes 15 per cent of the market size, text-book, e-learning and allied services contribute 28 per cent and vocational education in manufacturing and services contributes 5 per cent. Higher education system in India has undergone rapid expansion. Currently, India's higher education system is the largest in the world enrolling over 70 million students while in less than two decades, India has managed to create additional capacity for over 40 million students. It witnesses spending of over Rs. 46,200 crore (US\$ 6.93 billion).

The government of India has ambitious plans to transform India into a competitive, high growth, middle-income economy. These ambitious plans are highly dependent on the availability of jobs and the quality of the labor force. More than 12 million youth between 19 and 25 years of age are expected to enter India's labor force every year for the next two decades. The government's recent skill gap analysis concludes that by 2022, another 109 million or so skilled workers will be needed in the 24 key sectors of the economy. To address the issue, skill development has emerged as a priority sector. Public-private partnerships in preparing the curriculum for training packages is encouraged. The program also seeks to set up a Corporate Social Responsibility Skills Fund to use the private sector CSR funds for skill development activities. Your Company's India Futures division has established active partnerships with multiple Sector Skills Councils to participate significantly in this endeavour.

Outlook, Risks and Control

Overall, the outlook on India continues to be optimistic, given the untapped potential of its human capabilities, innovation, entrepreneurship and growth opportunities. Undoubtedly, modern technology which is rapidly transforming businesses will impact jobs and thus the training industry. Artificial Intelligence, drones, robotics, Big Data, 3D printing etc. are making capital-intensive sectors replace human beings with new machines. It could also lead to a long-term surge in new hires but they will

require a different academic and experience curve for adaptation to emerging methods untried before. Research and Development in technology, pharmaceuticals etc. could be areas we could focus on more.

We also are bullish on the government-backed Skills Mission although the pronouncements have not matched the performance. India is headed for being the single largest provider of global talent, with one in four graduates in the world being a product of the Indian higher education system. What we need to ensure is high quality talent, not merely holders of degree certificates.

We need to be circumspect, however, given the fact that we live in an interconnected world economy. Oil prices, tariff wars, rising inflation, job crisis, low exports, languishing private capital formation and a myopic vision for the future could also result in a staggering slowdown if we do not demonstrate adaptability. Clearly, there is a long way to go.

Notwithstanding, the learning and development industry should see a stable to strong growth, given its sunrise growth phase and the fact that it is sector-agnostic. We are confident that it mitigates any serious risk to our future business in the medium-term.

Annexure – III

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE YEAR ENDED MARCH 31, 2018

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9
of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,
The Members,

Walchand PeopleFirst Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Walchand PeopleFirst Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

Based on our verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the year ended March 31, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the year ended March 31, 2018 according to the provisions of:

- (1) The Companies Act, 2013 (the Act) and the rules made there under;
- (2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (3) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- (5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, as amended from time to time;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, as amended from time to time;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India (SS - 1 and SS - 2);
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period, all the decisions in the Board Meetings were carried unanimously.

We have relied on the representation made by the Company, its Officers and Reports of the Statutory Auditor for the systems and mechanism framed by the Company for compliances under other Acts, Laws and Regulations applicable to the Company as listed in Annexure I and Annexure II.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following Observations:

1. As per Section 203 of the Companies Act, 2013 the Company was required to appoint following whole-time key managerial personnel:

- i) Managing director, or Chief Executive Officer or manager and in their absence, a whole-time director;**
- ii) Company Secretary; and**
- iii) Chief Financial Officer;**

As per Section 203, the Company has appointed Managing Director and Chief Financial Officer but not appointed a Whole Time Company Secretary for the Financial Year ended March 31, 2018. However, the Management has

informed that they are in the process of appointing a Whole Time Company Secretary.

2. *As per Regulation 6 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, a Listed entity shall appoint a Qualified Company Secretary as the Compliance Officer. In this case since the Company has not appointed a Whole-Time Company Secretary as mentioned above, the Compliance Officer appointed is a person who is not a Qualified Company Secretary.*

We further report that during the audit period there were no specific events/actions having a major bearing on the Company's affairs.

Annexure I

To,
The Members
The Walchand PeopleFirst Limited

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the process and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained Management representation about the Compliance of laws, rules and regulations and happening of events etc.
5. The Compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

CORPORATE GOVERNANCE REPORT FOR THE FINANCIAL YEAR 2017-2018

(As required under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

The Directors provides the Company's Report on Corporate Governance for the financial year 2017-2018.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance is the application of best management practices, compliance of laws and adherence to ethical standards to achieve the Company's objective of enhancing stakeholder value and discharge of social responsibility. The Corporate Governance framework includes corporate structures, culture, policies and the manner in which the corporate entity deals with various stakeholders, with transparency being the key word. Accordingly, timely, adequate and accurate disclosure of information on the performance and ownership forms the cornerstone of Corporate Governance. It is a journey for constantly improving sustainable value creation and an upward moving target. Integrity, transparency, fairness, accountability and compliance with the law are embedded in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level.

The Corporate Governance philosophy of Walchand PeopleFirst Limited is based on the following principles:

1. Management must have the executive freedom to drive the enterprise forward without undue restraints and Management is the trustee of the shareholders capital and not the owner. This freedom of management should be exercised within a framework of effective accountability.
2. Provide an enabling environment to harmonize the goals of maximizing stakeholder value and maintaining a customer centric focus.
3. Have a simple and transparent corporate structure driven solely by business needs.
4. Communicate externally, in a truthful manner, about how the Company is running internally.
5. Make clear distinction between personal conveniences and corporate resources.
6. Be transparent and maintain a high degree of disclosure levels in all facets of its operations.
7. Satisfy the spirit of the law and not just the letter of the law.
8. Our philosophy on Corporate Governance is thus concerned with the ethics, values and morals of Walchand PeopleFirst Limited and its Directors, who are expected to act in the best interests of the Company and remain accountable to shareholders and other beneficiaries for their action.

2. BOARD OF DIRECTORS:

The Board of Directors and its Committees play a fundamental role in upholding and nurturing the principles of good governance which translates into ethical business practices, transparency and accountability in the Company's dealing with its Members and other stakeholders and the utilization of resources for creating sustainable growth and societal wealth.

Walchand PeopleFirst Limited has a very balanced and diverse Board of Directors, who actively participates at the Board and Committee Meetings by providing valuable guidance to the Management on various aspects of business, policy direction, governance, compliance etc. and plays a critical role on strategic issues.

AUDITORS' REPORT

Independent Auditor's Report To the Members of Walchand PeopleFirst Limited,

Report on the Ind AS Financial Statements

We have audited the accompanying financial statements of **Walchand PeopleFirst Limited** ('the Company'), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flow for the year then ended and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with relevant rules made thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the financial position of the company as at March 31, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matter

The Company had prepared separate sets of statutory financial statements for the year ended 31 March 2017 and 31 March 2016 in accordance with Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) on which we issued auditor's reports to the shareholders of the Company dated 21 April 2017 and 27 April 2016, respectively. These financial statements have been adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have also been audited by us. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Government

of India - Ministry of Corporate Affairs, in terms of sub-section (11) of section 143 of the Act, we enclose in the 'Annexure - A', a statement on the matters specified in paragraphs 3 and 4 of the said Order.

2. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of changes in equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the director is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer note no. 29 to the Ind AS financial statements;
 - ii. The Company does not have any long-term contracts having material foreseeable losses. The company does not have any derivative contracts;

Annexure-B to Auditor's report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **WalchandPeoplefirst Limited** ("the Company") as of 31 March 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material

weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

I General Information:

Walchand PeopleFirst Limited (the 'Company') is engaged in the business of imparting training in soft skills like leaderships, communication, presentation, etc. The Company had acquired the franchise rights to offer, sell, teach and impart the training methods, techniques and programs developed by Dale Carnegie Training & Associates, U.S.A. to individuals and employees of the corporate.

II Significant accounting policies

1.1 Basis of preparation of financial statements

(a) Compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013, ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015. For all periods up to and including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with Accounting Standards notified under the Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP'). Detailed explanation on how the transition from previous GAAP to Ind AS has affected the Company's Balance Sheet, financial performance and cash flows is given under Note 33. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(b) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except certain financial assets and liabilities that are measured at fair value.

(c) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Companies Act, 2013.

(d) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

1.3 Property, Plant and Equipment

Property, Plant and Equipments are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

1.4 Intangible Assets

Expenses incurred on franchisee rights and software is treated as an intangible asset and tested for impairment.

1.5 Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and where applicable borrowing costs less depreciation and impairment if any.

1.6 Depreciation

Depreciation is computed using the Written Down Value Method ("WDV") as per the useful life of the asset as prescribed in part C of Schedule II of the Companies Act, 2013 leaving a residuary value of 5% of original cost of the asset.

1.7 Impairment

- (a) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.
- (b) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

1.8 Revenue Recognition

Training Income

- (a) In case of Open Programs, income is recognized at the commencement of the program.
- (b) In case of Corporate Programs, appropriate revenue is recognized when confirmed order is received and there is reasonable certainty of completion of the program.
- (c) In case of long-term course (i.e. courses more than 6 weeks duration), revenue is accrued over the period of the course.

Other Income

- (e) Dividend Revenue is recognized when the shareholders' right to receive payment is established by the balance sheet date.
- (f) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.9 Foreign Currency Transactions

(a) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(b) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(c) Conversion

Foreign currency monetary items are reported using the closing exchange rate.

(d) Exchange Differences

Exchange differences arising on the settlement or restatement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

1.10 Retirement and other Employee Benefits

- (a) Contributions to Provident Fund and Superannuation scheme are defined contribution plans. The Company's contribution paid/ payable toward these defined contributions plans are recognised as expenses in the Statement of Profit and Loss during the period to which the employee renders the related service. There are no other obligations other than the contributions payable to respective funds.
- (b) Company's liability towards gratuity is considered as a Defined Benefit Plan. The present value of the obligations towards Gratuity is determined based on actuarial valuation using the projected unit credit method. The obligation is measured at the present value of estimated future cash flows using a discount rate that is determined by reference to market yields on government securities at the balance sheet date, having maturity periods approximating to the terms of the related obligations.
- (c) Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions recognised in Other Comprehensive Income. Other actuarial gains and losses are recognised in full in the period in which they occur in the statement of profit and loss.

1.11 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist

of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.12 Segment Reporting Policies

The Company has a single segment namely “ Training”. Therefore the Company’s business does not fall under different operating segments as defined by Ind AS - 108

1.13 Leases

Leases where the lessor effectively retains substantially all risk and reward of ownership of the leasehold assets are classified as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss on straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor’s expected inflationary cost increases.

1.14 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares). For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders & the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.15 Taxes

- (a) Tax expense comprises of current and deferred tax.
- (b) Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Tax rates and tax laws used to compute amount are those that are enacted or substantially enacted at the balance sheet date.
- (c)
 1. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.
 2. Deferred Tax liabilities are recognised for all timing differences.
 3. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.
 4. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.
 5. The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.
- (d) Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

1.16 Provisions and Contingencies

- (a) A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. At the end of each reporting period, provisions are measured at the present value of management’s best estimate of the expenditure required to settle the present obligation at a future date. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time

is recognised as interest expense and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

- (b) Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle obligation.
- (c) Contingent liabilities are disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

1.17 Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short term investment with an original maturity of 3 months or less.

1.18 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(a) Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition. If the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

Subsequent measurement:

The Company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost.
A financial asset is measured at the amortized cost if both the following conditions are met:
 - a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
 - b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company.
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI) Where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.
- iii. Financial assets measured at fair value through profit or loss (FVTPL) A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other Financial assets of the Company.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset.

Impairment of financial assets :

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(b) Financial Liabilities :**Initial recognition and measurement:**

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability. Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input). In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortized cost.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

1.19 Standards issued but not yet effective :

In March 2018, the Ministry of Corporate Affairs has notified the Companies (Indian Accounting Standards) Amended Rules, 2018 ("amended rules"). As per the amended rules, Ind AS 115 "Revenue from contracts with customers" supersedes Ind AS 11, "Construction contracts" and Ind AS 18, "Revenue" and is applicable for all accounting periods commencing on or after 1 April 2018.

IndAS115:

Ind AS 115 introduces a new framework of five step model for the analysis of revenue transactions. The model specifies that revenue should be recognised when (or as) an entity transfers control of goods or services to a customer at the amount to which the entity expects to be entitled. The new revenue standard is applicable to the Company from 1 April 2018.

The Company is evaluating the requirement of the amendment and the impact on the financial statements.

FINANCIAL RISK MANAGEMENT

1 Market risk

The Company's financial risk management is an integral part of how to plan and execute its business strategies. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

a Interest rate risk :

The company has investment in fixed deposits. However interest income from fixed deposits is a residuary income and will not affect the significant cash flow of the company.

b Foreign currency risk:

Company has nominal amount of foreign currency exposure, hence it will not impact cash flow of the company.

2 Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial assests are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss. The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

33 FIRST TIME ADOPTION OF IND AS

For all periods up to and including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP'). This note explains the principal adjustments made by the Company in restating its financial statements prepared under Previous GAAP for the following

- a) Balance Sheet as at 1st April, 2016 (Transition date);
- b) Balance Sheet as at 31st March, 2017; and
- c) Statement of Profit and Loss for the year ended 31st March, 2017

Exemptions availed

Ind AS 101- First-time adoption of Indian Accounting Standards, allows first-time adopters, exemptions from the retrospective application and exemption from application of certain requirements of other Ind AS. The Company has availed the following exemptions as per Ind AS 101:

Optional exemptions availed

i) Property, plant and equipment & Intangible assets :

The Company has elected to consider the carrying value of all its items of property, plant and equipment and intangible assets recognised in the financial statements prepared under Previous GAAP and use the same as deemed cost in the opening Ind AS Balance Sheet.

Ind AS Mandatory exceptions :

i) Classification and measurement of financial assets:

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist as on the date of transition to Ind AS. Accordingly Company has classified and measured all its financial assets on the basis of the facts and circumstances that exist as on the date of transition to Ind AS.

ii) Estimates :

An entity's estimates in accordance with Ind AS as on the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous IGAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1 April 2016 are consistent with the estimates as on the same date made in conformity with previous GAAP.

Footnotes :

A Proposed dividend

In the financial statements prepared under Previous GAAP, dividend on equity shares recommended by the Board of Directors after the end of reporting period but before the financial statements were approved for issue, was recognised as a liability in the financial statements in the reporting period relating to which dividend was proposed. Under Ind AS, such dividend is recognised in the reporting period in which the same is approved by the members in a general meeting. On the date of transition, the above change in accounting treatment of proposed dividend has resulted in increase in Equity with a corresponding decrease in Provisions by Rs. 43.69 lakhs

B Rent deposit given

Under the previous GAAP, Rent deposits given were recorded at their transaction value. Under Ind AS, all financial assets are required to be valued at fair value. Difference between fair value of rent deposits and the carrying value (transaction value) as per Previous GAAP has been recognised as prepaid rent. Consequently, the amount of rent deposits given has been decreased by Rs. 3.20 Lakhs, prepaid rent increased by Rs. 3.18 Lakhs and Total Equity decreased by Rs. 0.02 Lakhs as at 1st April, 2016. The amount of rent deposits has been decreased by Rs. 8.21 Lakhs, prepaid rent increased by Rs. 8.07 Lakhs and Total Equity decreased by Rs. 0.14 Lakhs as at 31st March, 2017. Profit for the year ended 31st March 2017 and total equity as at 31st March 2017 decreased by Rs. 0.12 Lakhs (Net) Due to amortization of prepaid lease rent of Rs. 0.83 Lakhs and is partially off-set by the notional interest income on lease deposit of Rs. 0.71 Lakhs.

C Rent deposits received from tenant :

Under the previous GAAP, Rent deposits taken were recorded at their transaction value. Under Ind AS, all financial liabilities are required to be valued at fair value. Difference between fair value of rent deposits and the carrying value (transaction value) as per Previous GAAP has been recognised as Lease income received in advance. Consequently, the amount of rent deposits received from tenant has been decreased by Rs. 7.08 Lakhs, Lease income received in advance increased by Rs. 6.53 Lakhs and Total Equity increased by Rs. 0.55 Lakhs as at 1st April, 2016. The amount of rent deposits has been decreased by Rs. 4.93 Lakhs and Lease income received in advance increased by Rs. 4.35 Lakhs and Total Equity increased by Rs. 0.58 Lakhs as at 31st March, 2017. Profit for the year ended 31st March 2017 and total equity as at 31st March 2017 increased by Rs. 0.03 Lakhs (Net) Due to amortization of Lease income received in advance of Rs. 2.18 Lakhs and is partially off-set by the notional interest expense on rent deposits taken of Rs. 2.15 Lakhs.

D Remeasurement of defined benefit plans :

In the financial statements prepared under Previous GAAP, remeasurement benefit of defined plans (gratuity), arising primarily due to change in actuarial assumptions was recognised as employee benefits expense in the Statement of Profit and Loss. Under Ind AS, such remeasurement benefits relating to defined benefit plans is recognised in OCI as per the requirements of Ind AS 19- Employee benefits. Consequently, the related tax effect of the same has also been recognised in OCI. For the year ended 31st March, 2017, remeasurement of gratuity liability resulted in a net benefit of Rs. 17.29 Lakhs which has now been removed from employee benefits expense in the Statement of Profit and Loss and recognised separately in OCI. Consequently, tax effect of the same amounting to Rs. 5.72 Lakhs is also recognised separately in OCI. The above changes do not affect Equity as at date of transition to Ind AS and as at 31st March, 2017. However, Profit before tax and profit for the year ended 31st March, 2017 Increased by Rs. 17.29 Lakhs and Rs. 11.58 Lakhs respectively.
