DIRECTORS' REPORT

FOR THE YEAR ENDED 31ST MARCH, 2017

You are aware that the company was in the process of revival under the aegis of the Board for Industrial and Financial Reconstruction (BIFR). With notification of Sick Industrial Companies (Special Provisions) Repeal Act 2003 vide Notification dated 25.11.2016, BIFR has been dissolved w.e.f. 1st December, 2016 and now the Revival Process of the Company will be taken forward under the provisions of newly enacted law namely Insolvency and Bankruptcy Code 2016 (Code). The Hon'ble National Company Law Tribunal (NCLT) Kolkata bench has ordered the commencement of the corporate insolvency resolution process in respect of your company w.e.f. 1st May, 2017. The NCLT has appointed an Interim Resolution Professional (IRP) for the management of affairs of the company. Pursuant to the provisions of section 17(1)(b) of the Code, the powers of the Board of Directors of the Company shall stand suspended and be exercised by the IRP. In view of the above mentioned provisions of the new law and since the powers of the Board of Directors

stand suspended thereunder, the Directors Report which is required to be presented by the Board of Directors under section 134(3) of the Companies Act, 2013 in the normal course is not being presented. Nevertheless, a report of the management containing all the details and information as required to be incorporated in Directors' Report is being presented to you by the Managing Director of the company with a view to complying with the provisions of the Companies Act, 2013. The Corporate Insolvency Resolution process in respect of the company will now be taken forward under the new law by framing a Resolution Plan to be approved by the Committee of Creditors constituted under the Code and thereafter by the NCLT.

Accordingly, we submit herewith the Annual Report together with the Audited Accounts for the year ended 31st March, 2017. The following are the financial highlights in respect of the said Financial Year.

2.0 OVER VIEW & PRODUCTION

- (i) The Financial Year 2016-17 has been a year of reasonably good performance for the economy despite the impact of demonetisation which lasted shorter than expected. The demand for cement which took a dip during the period of demonetization witnessed a quick recovery from the last quarter itself of the financial year and it has now reached the normal level. The Industry's Capacity utilization, in general, is also improving and favourable macro economy indicators have lifted the sentiments leading to better market dynamics. Various infrastructure related schemes launched by the Govt. of

India particularly Make in India, Smart City Programme, Swatch Bharat Abhiyan, Development of National Highways, Ports and Regional Airport, Housing for all by 2022 will cumulatively drive the growth of cement industry in the economy. The Central Govt. has announced to take up construction of 20,000 Kms of roads in the border areas of the country under the first phase of the ambitious "Bharat Mala" Project. The infrastructure status to affordable Housing announced by the Govt. of India in the Union Budget will push the growth in construction industry in a big way as the "Infrastructure Status" accorded to the "Affordable

Housing Projects" will help boost the activities in this sector resulting from availability of institutional finance in an organized manner and at reasonable cost. The Tax incentive to this sector offered through the Union Budget 2016 and further rationalized in the current year's budget will provide the much needed relief to the affordable Housing Projects. All this augurs well for growth in cement industry in the years to come and the industry as well as international Agencies, encouraged by the stable macro economic indicators like, low inflation, lower policy rates resulting from 1.5% reduction therein since January, 2015, fairly stable oil prices after ruling low for considerably long, better inflow on account of FDI, Low Fiscal Deficit and the Current Account Deficit, expect that the economy, having grown @ 7.1% in 2016-17 is poised to grow at a higher rate of 7.4% in the FY 2017-18 and 7.6% in the year thereafter. Cement Industry, in particular is expected to grow @ 4-5% in the FY 2017-18, which is higher than the tepid growth witnessed in 2016-17, with near normal monsoon predicted by Indian Meteorologists for the current year which would be second successive year of good monsoon boosting farm income and consequently rural demand. Cement Industry, in last 3-4 years, suffered due to low demand from infrastructure sector as well as no improvement in demand from housing sector due to unaffordable prices. The industry is also grappling with excess capacity and low capacity utilization. Cement prices remained flat in the above period and the weakness in demand has been so severe that cement companies were, at times, forced to cut dispatches to certain regions hit by low demand. The government has however in the recent past, taken steps for accelerating growth in infrastructure sector particularly roads, national high ways and ports and this is likely to improve the demand scenario. The overall growth in the economy will spur demand for cement which is one of the eight core industries.

- (ii) Even though the economy has grown, this was yet to show a significant impact on demand revival and improved corporate earnings. Two consecutive deficient monsoons in the years 2014 & 2015 were big dampener for the industry as well as the overall economy. However, now there seems to be pickup in demand for cement as the Industry witnessed increased production and better capacity utilization in recent months. It is expected that with the emphasis on infrastructure sector and softening of real estate prices due to large unsold inventory and implementation of Real Estate (Regulation and Development) Act, 2016, the demand will get a boost and the expected above normal monsoon is likely to provide a fillip to the

demand from rural sector. Major infrastructure projects which are proposed to be taken up in future will require more than 45 Million tons of cement in next 3-4 years and this is likely not only to bridge the gap between demand and supply but also improve the prices which have remained static over last few years.

- (iii) As informed earlier, the Govt. of Bihar did not renew the only major operative limestone mining lease of the company namely Murlipahari with effect from December, 2013. Since the above mining lease was the main feeder deposit for the plant to meet its limestone requirement, the company's production started suffering from FY 2014-15 and from the Annual Average Production of 6.68 lac tons during the previous three financial years i.e. 2011-12 to 2013-14, the production during 2014-15 and 2015-16 dropped to 4.8 lac tons and 4.39 lac tons respectively. Since in absence of Murlipahari lease, the limestone requirement was being met from an old lease having little deposit, the company's operations suffered in an unprecedented manner in the financial year under report i.e. 2016-17 and its Capacity utilization stood restricted at 22% with the production level of only 2.23 lac tons. The company, soon after cancellation of lease had approached the Hon'ble Patna High Court in January, 2014 for appropriate relief in the matter as the company had pleaded that the decision of cancellation of the lease was taken by the State Govt. without providing an opportunity of hearing to the company as mandated by law amounting to denial of natural justice and the company had prayed before the court to remit the matter to the State Govt. for fresh consideration after hearing the company. The Hon'ble Patna High Court after hearing all the parties has now remitted the matter to the State Govt. for fresh consideration on the subject. The company is pursuing with the State Govt. for renewal / extension of the mining lease. Resolution of the major environment related issues namely (i) grant of Environmental clearance and (ii) Notification of Eco Sensitive Zone will help resolve the matter greatly.

3.0 FINANCIALS

The continuous slide in production during last three financial years i.e. 2014-15 to 2016-17 has aggravated the financial hardship in terms of lower revenues, frequent interruptions in the plant operation caused by stock outs of critical inputs, continued maintenance back logs and low productivity. All these factors cumulatively have led to heavy financial losses and the company during above three year period has incurred a net loss of Rs232 crores. As a result of the drop in volume, the company's operating revenue also fell sharply from Rs. 226.62 crs in FY 2013-14 to Rs. 66.04 crs. in FY 2016-17 i.e. a drop of 71% over a period of three years even

though the industry witnessed improvement in production led by uptrend in demand, although marginal, during the relevant period. While there was some growth in demand for cement in last 3-4 years, cement prices remained flat restricting the revenues and margins of the industry. The cement realization of the company suffered still more due to its inability to extend credit to the distributors. In addition, the Company's Working Capital problem continued during this period in a more severe manner in view of non availability of bank finance or any external financial support as well as sliding operations over the years. In addition, the substantial finance cost, most of it due to delay in payment of statutory dues, adversely affected the bottom line with company's negative EBIDTA at Rs. 68 crores, whereas the net loss stood at Rs.95 crores after considering depreciation and finance cost.

4.0 REVIVAL OF THE COMPANY

You are aware that your company is confronted with various problems for last few years and was in the process of revival under the aegis of the Board for Industrial and Financial Reconstruction (BIFR) pursuant to the provisions of Sick Industrial Companies (Special Provisions) Act, 1985 on the basis of a Revival Scheme sanctioned by BIFR in October, 2011. Due to unfavourable environment created by the economic slow down in the last few years coupled with Limestone problem, the company could not achieve the parameters envisaged in the Revival Scheme sanctioned by BIFR and your company therefore approached BIFR again with a Modified Draft Revival Scheme (MDRS) for approval of certain additional reliefs and concessions including rescheduling of payment of dues. BIFR could not take a view on the modified scheme due to vacancies at BIFR and as a result, the revival process was substantially delayed. BIFR did not have a duly constituted bench for a considerably long period of time for conducting hearings and issuing directions for circulation of the MDRS to various stakeholders as required under the Sick Industrial Companies (Special Provisions) Act, 1985 and when such directions were in the process of being issued, the Sick Industrial Companies (Special Provisions) Repeal Act, 2003 was notified on 25.11.2016 leading to dissolution of BIFR with effect from 01.12.2016. The company's revival process will now be taken forward under the provisions of Insolvency and Bankruptcy Code, 2016 through the process of National Company Law Tribunal (NCLT). The resolution process of the company has already commenced w.e.f. 01.05.2017 with NCLT admitting a petition filed by an Operational Creditor under the Code for insolvency resolution of the company. The NCLT Kolkata bench has also appointed an Interim Resolution Professional (IRP) for carrying out the process of insolvency resolution under the Code. Necessary steps are under way for the same.

The median remuneration of the employees does not take into consideration the value of housing accommodation provided to the workers, staff and officers in the factory.

- ii) The percentage increase in remuneration of Directors and KMPs

Managing Director - NIL

Jt. Managing Director - Since resigned

CFO & Co. Secretary

(KMP) and other - NIL

equivalent Senior

Officers

iii) The percentage increase in the median remuneration of employees; 17.58%

iv) The number of permanent employees on the rolls of company; 915

v) The explanation on the relationship between average increase in remuneration and company performance.

The company was earlier registered with the Board for Industrial and Financial Reconstruction (BIFR) and was in the process of revival through the aegis of BIFR. In view of the critical financial position owing mainly to limestone constraint caused by cancellation of Company's main operative mining lease, the company has not granted increment to its employees for last two years. The workers however have been provided the increment as per Long Term Agreement, a tripartite agreement between the workers, management and the labour department

vi) Comparison of the remuneration of the Key Managerial Personnel against the performance of the company;

In view of the present financial position of the company, no increment has been provided to the Key Managerial personnel during the financial year under report.

vii) Variations in the market capitalization, price earnings ratio and market price vis-à-vis issue price of shares

As mentioned above, the company at present is in the process of revival. Its networth is negative and although the company's shares are listed at Bombay Stock Exchange, the trading is very rare. The shares of the company were last traded at the rate of Rs.9.44 per share on 26.10.2016. The company has not made any public offer for issue of shares in the financial year 2016-17.

viii) Increase in the salaries of managerial personnel and other employees

The increase in the wages of workmen in the financial year 2016-17 amounted to 17.58% due to implementation of wage agreement entered into between the company and the workmen. No increment was however granted to Key Managerial personnel during the year under report due to the Company's present financial position.

ix) Comparison of the each remuneration of the Key Managerial Personnel against the performance of the

company;

As mentioned at para 11 (viii), no increment was granted to the key managerial personnel during the financial year under consideration. The present remuneration of the key managerial personnel is considered to be justified and rather the same is lower than the industry trend. The present remuneration being paid to the key managerial personnel is bare minimum compensation necessary to retain them in the company.

x) The key parameters for any variable component of remuneration availed by the Directors; presently not applicable.

xi) The ratio of the remuneration of the highest paid director to that of the employees who are not directors but receive remuneration in excess of the highest paid director during the year;

Not applicable

xii) Affirmation that the remuneration is as per the remuneration policy of the company.

It is affirmed that the remuneration being paid by the company is in conformity with the remuneration policy of the company.

12.0 Share Capital

The Company did not issue any share capital during the financial year 2016-17

13.0 Auditors

Presently M/s.M.Mukerjee & Company, Chartered Accountants, Kolkata are the statutory auditors of the company. As per second proviso to section 139 (2)(ii) of the Companies Act, 2013, the company is required to appoint another firm of Chartered Accountants as Auditors for auditing the accounts for the financial year 2017-18.

14.0 Committees of the Board of Directors

The Board of Directors have appointed three committees namely (i) "Audit and Risk Committee" (Re-designated as Audit and Risk Committee in place of the earlier name as Audit Committee) (ii) Nomination and Remuneration committee and (iii) Stakeholders Relationship Committee. The requisite details in respect of these committees have been provided in Annexure - 3 dealing with "Corporate Governance". The Board has accepted the recommendations of the Audit Committee and there is no such recommendation of the Audit Committee which has not been accepted by the Board of Directors of the Company.

15.0 Vigil Mechanism

The Company has introduced a vigil mechanism, for its

Directors and Employees to report their genuine concerns or grievances. Since the company has an Audit Committee (Now re-designated as Audit and Risk Committee) the responsibility to oversee vigil mechanism has been entrusted to the Audit Committee. The Chairman Audit Committee has been authorized to ensure effective implementation of the vigil mechanism established by the company. The details of vigil mechanism are as under:

- i) The Employees and Directors of the company may bring to the notice of the Chairman of the Audit and Risk Committee, any irregularity, wrong doing, unethical practice or any activity against the principles and standards laid down for conduct of the business of the company.
- ii) The whistle blower will only report the irregularity and not act as an investigator. He may be asked to make oral submission by the Chairman Audit Committee.
- iii) The identity of the whistle blower will be kept confidential as far as possible. Such whistle blower will also not be discriminated or meted out any unfair treatment in employment matters.
- iv) After receipt of the complaint, the Chairman Audit and Risk Committee will investigate the matter in an independent, fair and unbiased manner.
- v) The identity of the person against whom the investigation is conducted will be kept confidential within the ambit of law and such person will also be informed of the allegations to enable him placing his view points before the Chairman Audit and Risk Committee
- vi) The findings of the investigation will be communicated to such person and he will be provided with an opportunity to respond to the material findings, if any. Finally, the outcome of investigation will be informed

to such person.

- vii) The disciplinary action will be taken as per the rules of the company, in force from time to time.

16.0 Particulars relating to Employees.

As required under Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, the details of employees who were in receipt of remuneration in excess over the prescribed amount have been provided in Annexure-6.

17.0 Secretarial Audit Report

M/s. A. Kumar & Associates were appointed as Secretarial Auditors of the company and the Report submitted by them is placed at Annexure 7.

18.0 Corporate Governance Certificate

This Certificate has been provided by the Auditors of the company and placed at Annexure -8.

19.0 Protection From Sexual Harassment

The company has formed an Internal Compliance Committee to address the complaints of Sexual Harassment at work place. The employees can approach the Committee, if required. However, no complaint has been received by the said committee during the period covered by this report.

20.0 Appreciations

The Directors wish to put on record their appreciation for the support and contribution generally made by the employees of the company towards the operation. The Directors also wish to place on record their thanks and appreciation for the help and support given by State Govt. and Central Govt. in carrying out its operations. The Directors also extend their thanks to the secured creditors and other business associates for extending their help and co-operation for smooth operation of the company.

MANAGEMENT DISCUSSION AND ANALYSIS:

1. Industry Structure and developments

1.1 Cement Industry has not witnessed significant growth in last few years due mainly to subdued demand from infrastructure and housing sectors. Although the demand in infrastructure sector has shown some improvement in recent past, housing sector still continues to remain sluggish. Housing sector is the major driver of growth in cement industry as it contributes about 67% of the overall cement demand. The demand for cement however is likely to see a pick up in the financial year 2017-18 as well as the subsequent years driven mainly by the increased activities in infrastructure sector as well as the housing sector. Housing sector is expected to see much higher demand due to the announcement made in the Union Budget 2017 where the "affordable housing" has been accorded the status of infrastructure sector besides tax incentives given to affordable housing sector in two successive budgets. Although the analysts and rating Agencies provide different growth rates but there is a consensus of views with respect to the growth in demand for cement in coming years. The growth in 2017-18 is expected to be in region of 4-5%. It is expected that the demand will be backed by increase in govt. expenditure and since there is not likely to be large capacity additions in the year with cement prices firming up, the operating margin of cement sector is likely to register a robust growth.

The present cement manufacturing capacity of 420 Million Tons approx. has not been able to be fully absorbed in the economy due to lower than expected consumption caused by tepid growth in creation of infrastructure facilities across the Government, Private and Public Private Partnership sectors.

While cement industry in the country now has the prospect of reasonably fast pace of growth with emphasis laid by the Govt. of India on various infrastructure projects, housing schemes etc., the company unfortunately has not been able to perform well particularly from the FY 2014-15 due to cancellation of the main operative lime stone mining lease of the company. The lease was not renewed by the Govt. of Bihar w.e.f. December, 2013 and since then the company has witnessed decline in cement production year after year to close at 2.23 lac tons only during 2016-17 against the normal production level of 6.5 to 7 lac tons.

1.2 Cement Industry has now grown into a more organized

sector and evolved to become more efficient in terms of energy consumption, quality of product, technological upgradation leading to increased use of blended cement, etc; Industry is also focusing more on alternate fuel with emphasis on environment protection. The company also, in line with the trend in Industry, has achieved significant efficiency levels in energy consumption and earlier received awards on this account in two years.

2. Opportunities and Threats

2.1 Opportunities

(i) Cement Industry has great future in terms of opportunities of growth and the urbanisation will be the key driver to the growth of cement industry in coming years. The increased budgetary allocation for infrastructure sector which includes roads, railways, metro rail, irrigation and housing during FY 2017-18 will support cement demand in a significant manner. In addition, higher rural credit and increased allocation for rural, agricultural and allied sectors including the demand for rural housing will be significant contributors to the overall cement demand mix. While all India cement production remained flat during the year 2016-17 in comparison to the previous year level, cement demand is expected to grow @ 4-5% in 2017-18 driven by various ambitious programmes of the Govt of India like Smart City, Swachh Bharat etc. Bharat Mala, an infrastructure programme to connect the border areas of the country will provide a major Phillip to cement demand as it is planned to construct 20000 Kms of roads in the first phase of Bharat Mala Project. Moreover, Indian Cement Industry has greater potential to grow fast in view of the fact that the per capita cement consumption in India is about 191 Kg (in 2012) which is much lower than the International average of 536 Kg (in 2012), leaving significant opportunities for growth.

(ii) Cement market in India is expected to grow as it has to cater to demand for the new infrastructure projects and it is estimated that such projects will require about 45 Million ton cement in next 3-4 years and this will not only push towards a demand supply equilibrium position but will also help stabilize and improve the prices providing financial power to the industry for further expansion in the capacity and maintaining the cycle of growth in the economy. According to an estimate by Cement Manufactures Association (CMA), Indian Cement Industry may have a capacity of 750

million ton by 2023-24 with production of 665 million ton i.e. a capacity utilization of about 89%. Softening of bank interest rate by 1.5% since January 2015 will have a positive effect on the growth of the Industry as well as overall economy.

- (iii) On quality front, India has already demonstrated its capability to produce the world class high quality and different varieties of cement conforming to any international standard viz BS, ASTM, DIN etc. The industry is also actively pursuing the use of alternate fuel to reduce dependence on coal besides using advanced and environment friendly technologies as well as waste heat recovery based co-generation of power.

2.2 Threats

- (i) Even though the demand for cement is likely to improve, lower than expected monsoon may spoil the growth prospects as two successive bad monsoons during 2014 and 2015 had adverse effect on demand for cement on the back of poor demand from rural areas. Although the Indian Meteorologist have made a forecast of a reasonable monsoon, any slippage will adversely affect demand during current financial year.
- (ii) Since the Industry is already faced with surplus capacity situation, any major addition to the capacity at this stage and not absorbed by commensurate demand would lead to further imbalance in the demand and supply and push the cement prices further down affecting adversely the financial base of cement companies.
- (iii) Although presently, the International Coal prices are at reasonable levels, any significant change in the World economy leading to growth in demand for coal will have negative impact on Indian Cement Sector in the form of high input costs.
- (iv) Increase in commodity price including oil will have adverse impact on cement industry in terms of higher cost of logistics; cement being a voluminous material entailing high freight cost.

3.0 Segment wise or product wise performance

The company is engaged only in manufacturing and marketing of cement and its products are sold mostly in the State of Bihar. The company therefore has got only one product and geographical segment.

4.0 Outlook

- (i) The economy of the country grew @ 7.1% during 2016-17, a level somewhat lower than expected due to the impact of demonetization. The economy is

expected to grow @ 7.6% in the current financial year i.e. 2017-18 and @ 7.8% in 2018-19 and this will boost the demand for cement significantly.

- (ii) With the change in the policies for real estate and infrastructure sectors, housing for all till 2022 as promised by the Central Government, 100 smart cities, Bharat Mala and Sagar Mala Projects, plans for rapid growth in National highways and Railway sectors, cement is poised for a big leap in the times ahead with not only demand supply gaps narrowing but further capacity build-up getting a needed boost. The government's decision to have 50 economic corridors will also push up the demand for cement in the years to come. Reduction in the Policy rates by RBI and a look up in industrial production would lead to additional growth which augurs well for Cement Industry.

5.0 Risks & Concerns

- (i) The surplus capacity situation in the cement industry of the country continues to pose risk for the industry as the same diminishes the industry's capability to realize remunerative prices from the market. Power and Fuel (Coal) are the two major components contributing to the manufacture of cement and these two items have witnessed significant escalation in last few years despite cement prices remaining flat thereby putting the industry margins under severe pressure. The cost of these two inputs have moderated only in last two years but there have been instances of hardening of commodity prices over the last year and the same will impact the industry negatively.
- (ii) The availability of good quality coal remains a concern for cement industry. Majority of the Indian coal does not provide desired calorific value and this increases dependence on imported coal, the prices whereof are prone to fluctuation due to the dynamics of international demand and supply of coal.
- (iii) Cement is a bulk commodity and involves long haul transportation involving sizeable carrying cost. Logistics therefore plays a very important role in cost of delivery of cement to the ultimate consumer. Although the international crude prices remained soft during the recent times which eased the pressure on logistics cost, the same has shown uptrend affecting the logistics cost. Any further significant increase in international crude price will have the risk of negatively impacting the industry margin.
- (iv) The government's emphasis on infrastructure projects will result in creation of such facilities only when required land is available. The availability of

land remaining uncertain, the anticipated growth in infrastructure sector remains a cause for concern at least in short term.

6.0 Internal control systems and their adequacy.

- (i) The company has established effective internal controls both in operational & financial areas and the same have proved to be effective. The objective of internal control systems established by the company is to ensure efficient use and protection of the company's resources, accuracy in financial reporting and ensuring that the financial statements of the company are considered reliable and credible in providing true and fair view of the state of affairs of the company.
- (ii) The company has appointed a reputed firm of Chartered Accountants who performs the internal audit of the operations and financial affairs of the company and submits their reports to the Audit Committee on quarterly basis. The internal controls are reviewed by the auditors periodically and deficiencies, if any are pointed out by them for corrective measures.

7.0 Financial performance with respect to operational performance

- (i) The company was earlier in the process of revival through the aegis of the Board for Industrial and Financial Reconstruction (BIFR). Since the cement market, due to over capacity situation in the industry, has remained sluggish in last few years, the company's operations & financial results also remained adversely affected. Non-renewal by the Govt. of Bihar of the company's main operative mining lease effective from

Dec. 2013 compounded the problem by causing Lime Stone shortage for the company pulling down cement production by about 50% in the year under report over the earlier level. As a result of continued shortage of lime stone for the normal level of production, the Company's financial position deteriorated leading to losses and accumulation of liabilities. In terms of a petition filed by an Operational Creditor under the provisions of Insolvency & Bankruptcy Code 2016, the company's insolvency resolution process has commenced from 1.5.2017 with admission of petition for the purpose by National Company Law Tribunal under the code.

- (ii) The reduced level of operations, led by working capital difficulties and lime stone shortage coupled with flat cement prices as well as cost escalations, resulted in further loss.

8.0 Material developments in human resources, industrial relations front including number of people employed.

In order to achieve full utilization of equipment and inculcate proper operation and maintenance practices, the company's personnel are exposed to latest ideas and concepts through various in house as well as external training programmes. Interactions amongst plant personnel on a daily basis also helps improve sensitivity about the plant and better identification of plant problems and their resolutions and also in identifying the areas of cost reduction. Since there were delays in payment of wages to the workmen during the year, they resorted to frequent strikes spanning over 70 days during the year leading to shortfall in production. The company employed 915 people during the year.

REMARKS OF THE AUDITORS & SECRETARIAL AUDITORS AND MANAGEMENT'S REPLIES

Sn.	Remarks	Explanation
A.	Remarks contained in Independent Auditors report	
A.1	Emphasis on Matters	
i)	As stated in para 1.1 of Note 19 to the Balance Sheet, the claim of BSEB (now South Bihar Power Distribution Company Limited) is disputed in respect of 33 KV power connection. The nature of dispute & the details relating thereto have been explained in the above paragraph of Note 19.	The full details of the case have been provided in para 1.1 of Note-19 to the Balance Sheet. The Arbitrator sole awarded Rs.3.0 crores against the company which has been challenged by the company in the District Court, Patna
ii)	In terms of para 4 of Note 19 to the Balance Sheet, Documents and papers relating to all the immovable properties including land at Banjari are deposited with IFCI Ltd. which assigned its loan earlier granted to the Company to Arcil - Kalyanpur Cements Ltd. Trust	This is a statement of fact. IFCI Ltd. is one of the financial institutions who had assisted the company for setting-up its plant. Since they were the lead financial institution, security documents were pledged with them. Even after the debts were assigned by them and other institutions and banks in favour of the Asset Reconstruction Company (India) Ltd. (ARCIL), the documents continued to remain in their custody. The company enjoys peaceful possession of all its immovable properties except a property at 9, Bhu Kailash Road, Kolkata which is under unauthorized occupation.
iii)	Without qualifying our opinion, though the accounts have been drawn on going concern concept, the accumulated losses at the end of current financial year considering the loss of Rs.14534.00 Lacs for the year amount to Rs.57094.16 Lacs (Refer: Note no. 2 in Financial Statement) against the capital and reserve of Rs.4836.54 Lacs which leaves a negative networth of Rs.52257.62 Lacs. In view of this negative networth, ability of the Company to continue as a going concern is dependent upon the Company's performance in terms of the Resolution Plan to be approved by the Hon'ble National Company Law Tribunal (NCLT) under the provisions of Insolvency and Bankruptcy Code, 2016. The Hon'ble NCLT has ordered commencement of the corporate insolvency resolution process in respect of the Company and appointed an Interim Resolution Professional (IRP).	<p>The Scheme sanctioned and circulated by BIFR in Feb'12 could not be fully implemented as some of the parameters envisaged in the Sanctioned Scheme could not be attained due to various unforeseen economic reasons and cancellation of the Company's only major operative mining lease by the Govt. of Bihar in Dec'13. As a result of these factors, the company's operations were unsatisfactory which led to substantial loss in last few years. This necessitated a relook at the Sanctioned Scheme and accordingly, the company approached BIFR for modification in the Scheme by considering grant of some additional reliefs & concessions besides re-schedulement of dues including statutory dues.</p> <p>However, since the positions of Chairman and Member of BIFR remained vacant for quite some time, the revival process was delayed and there was no progress with respect to the Modified Draft Rehabilitation Scheme (MDRS) submitted to BIFR. Finally the MDRS could not be circulated by BIFR in view of its winding up consequent upon repeal of Sick Industrial Companies (Special Provisions) Act, 1985.</p>

			<p>Now the Revival process of the company will be taken forward under the provisions of Insolvency and Bankruptcy Code, 2016 (Code). The Hon'ble National Company Law Tribunal (NCLT) has ordered commencement of Corporate Insolvency Resolution Process (CIRP) in respect of the company w.e.f. 1.5.2017. NCLT has also appointed an Interim Resolution Professional (IRP) who is in the process of preparing a Resolution Plan for approval by the Committee of Creditors (COC) and thereafter, the NCLT under the Code. Once the resolution plan is approved and implemented, the company's operations will improve on long term basis.</p>																								
iv)	The going concern matter described in sub-paragraph (iii) under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.		Consequent upon implementation of the Resolution Plan after approval by COC and NCLT, the company will continue to function as a going concern.																								
v)	The Company has pending litigations which impact its financial position.		The company has filed cases against various persons and similarly various parties have also filed cases against the company in the normal course of business. Some of the cases have been filed for recovery of dues whereas others have been filed for resolution of disputes of varied nature. The impact of such cases, till concluded, is unquantifiable. Cases having significant financial implication have already been disclosed as contingent liability in Para 1.1 of Note-19 to the Balance Sheet.																								
vi)	According to the information and explanations given to us and on the basis of examination of records of the Company, the company is not regular in depositing the undisputed statutory dues including Provident Fund, Income-tax(TDS), Service Tax, Value Added Tax, Royalty & Cess to the appropriate authorities. The extent of outstanding statutory dues as on 31.3.2017 for a period of more than six months from the date they became payable are given below:-		<p>Due to adverse macro economic conditions causing low demand for cement, consequent poor sales realization and steep escalation in cost of inputs mainly power and fuel, the company's financial position deteriorated sharply in last few years including the financial year under report resulting in liquidity constraint. Cancellation of mining lease by the Govt. of Bihar in Dec'13 accentuated the problem and as a result, various statutory dues could not be paid in time. The statutory dues which were earlier proposed to be paid in installments under the MDRS submitted to BIFR will now be paid as per the Resolution Plan under preparation pursuant to the provisions of Insolvency and Bankruptcy Code, 2016.</p>																								
	<table border="1"> <thead> <tr> <th>Sn.</th> <th>Statutory Dues</th> <th>Outstanding Dues (Rs. in Lacs)</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Royalty Dues</td> <td>1628.73</td> </tr> <tr> <td>2</td> <td>VAT Dues</td> <td>4529.92</td> </tr> <tr> <td>3</td> <td>PF & EPS Dues</td> <td>1920.02</td> </tr> <tr> <td>4</td> <td>TDS Dues</td> <td>393.73</td> </tr> <tr> <td>5</td> <td>Cement CESS</td> <td>15.45</td> </tr> <tr> <td>6</td> <td>Central Excise Duty</td> <td>0.00</td> </tr> <tr> <td>7</td> <td>Service Tax</td> <td>8.86</td> </tr> </tbody> </table>	Sn. 4	TDS Dues	393.73																									
5	Cement CESS	15.45																									
6	Central Excise Duty	0.00																									
7	Service Tax	8.86																									

vii)	The company has defaulted in payment of the Central Excise loan of the Government of India disbursed through IFCI Ltd. as referred to in Note 4 to the Balance Sheet.	The Revival Scheme sanctioned and circulated by BIFR in February, 2012 provided for payment of Central Excise loan of Rs.9.72 crs. granted by the Govt. of India and disbursed through IFCI Ltd. in six annual installments ending with financial year 2014-15. The company had since paid the Central Excise loan of Rs.2.70 crs. and the present dues amount to Rs.7.02 crs. However, due to slippage in operations for reasons beyond the control of the company, the payment of balance Central Excise Loan has been delayed. The company had sought re-schedulement of remaining dues of Rs.7.02 crs. under the MDRS. However, the Central Excise loan will now be paid as per the Resolution Plan.
B.	Remarks contained in Secretarial Audit report	
i)	Prior to notification of SICA Repeal Act, the Company was registered with the Board for Industrial and Financial Reconstruction (BIFR) and accordingly the revival Scheme sanctioned and circulated by BIFR in February, 2012 was under implementation. Since, the Sick Industrial Companies (Special Provision) Repeal Act, 2003 has been notified by the Central Government, all pending proceedings before the BIFR and AAIFR abated and came to an end.	Consequent upon notification of Sick Industrial Companies (Special Provisions) Repeal Act, 2003, all proceedings before BIFR and AAIFR stand abated. Now the Insolvency Resolution process will be taken forward under the provisions of Insolvency and Bankruptcy Code, 2016.
ii)	One of the Operational Creditors of the Company filed a petition before Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench under the provisions of Insolvency and Bankruptcy Code, 2016 and rules framed there under for Corporate Insolvency Resolution of the Company and accordingly the NCLT has ordered the commencement of a Corporate Insolvency Resolution Process in respect of the Company on 1 st day of May, 2017.	This is a statement of fact and the company is in the process of preparation of a Resolution Plan for its insolvency resolution under the Code.
iii)	The total dues / outstanding Statutory Liabilities of the Company as at the end of financial year 31 st March, 2017 is same as reported in the Balance Sheet	No Comments.
iv)	In terms of approved Scheme of Compromise, the preference shares of the Company were to be redeemed in financial years 2009-10, 2010-11 and 2011-12 in equal annual installment of Rs.2.21 Cr. However, due to non availability of profit for distribution of dividend or fresh proceeds of shares, the preference shares of the Company, under the circumstances, could not redeemed, based on the legal opinion received by the Company.	This is the stated position in the matter.

v)	On approval of the Scheme of Compromise by the Hon'ble Calcutta High Court on 21 st November, 2006, the preference shares carry a coupon rate of 0.1%.	This is a statement of fact and is accordingly disclosed in the balance sheet.
vi)	With prior approval of concerned Debenture Holder and Debenture Trustee, the due date of redemption of Non Convertible Debenture has been extended from 30 th June 2016 to 30 th June, 2019, for a period of 3 (three) years.	This is a statement of fact.
vii)	Several litigations are pending, either filed by or against the Company, in the normal course of business.	The reply to paragraph A.1 (v) of the Statutory Auditors Report may be referred to.
viii)	The Company has not been regular in payment of various statutory dues and hence such dues are still outstanding.	The reply to paragraph A.1 (vi) of the Statutory Auditors Report may be referred to.

2. The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2017;
 - (b) In the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
 - (c) In the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Emphasis on Matters

We draw attention to the following matters in the Notes to the financial statements:

- (i) As stated in para 1.1 of Note 19 to the Balance Sheet, the claim of BSEB (now South Bihar Power Distribution Company Limited) is disputed in respect of 33 KV power connection. The nature of dispute & the details relating thereto have been explained in the above paragraph of Note 19.
- (ii) In terms of para 4 of Note 19 to the Balance Sheet, Documents and papers relating to all the immovable properties including land at Banjari are deposited with IFCI Ltd. Which assigned its loan earlier granted to the Company to Arcil – Kalyanpur Cements Ltd. Trust.
- (iii) Without qualifying our opinion, though the accounts have been drawn on going concern concept, the accumulated losses at the end of current financial year considering the loss of Rs.14534.00 Lacs for the year amount to Rs.57094.16 Lacs (Refer: Note no. 2 in Financial Statement) against the capital and reserve of Rs.4836.54 Lacs which leaves a negative networth of Rs.52257.62 Lacs. In view of this negative networth, ability of the Company to continue as a going concern is dependent upon the Company's performance in terms of the Resolution Plan to be approved by the Hon'ble National Company Law Tribunal (NCLT) under the provisions of Insolvency and Bankruptcy Code, 2016. The Hon'ble NCLT has ordered commencement of the corporate insolvency resolution process in respect of the Company and appointed an Interim Resolution Professional (IRP).

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

7. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure-I" a statement on the matters Specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014.
- e) The going concern matter described in sub-paragraph (iii) under the Emphasis of Matters paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of written representations received from the Directors as on March 31, 2016, and taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2016, from being appointed as a Director in terms of Section 164(2) of the Act.
- g) With respect to the adequacy of the financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-II" and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has pending litigations which impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

- iii. There has not been an occasion in case of the Company during the year under report to transfer any sums to the Investor Education and Protection Fund.
- iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – Refer Note [Note no. 19 sub clause 13.00]

ANNEXURE-I TO INDEPENDENT AUDITORS' REPORT – 31 MARCH 2017

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- (i) According to the information and as explained to us :
- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) As explained to us, fixed assets have been physically verified by the management at regular intervals; In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. As informed to us no material discrepancies were noticed on such verification.
 - c) In our opinion and according to information and explanations given to us and on the basis of an examination of the records of the Company, the title deeds of the immovable properties are held in the name of the Company.
- (ii) The inventory has been physically verified during the period by the management. The discrepancies noted on verification between the physical stock and the books were not material and have been properly dealt with in the books of account.
- (iii) The company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Act.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan, made any investment or provided any guarantee or security to any party.
- (v) The Company has not accepted any deposits from the public covered under Sections 73 to 76 of the Companies Act, 2013.
- (vi) We have broadly reviewed the cost records maintained by the Company as prescribed by the Central Government under Sub Section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) According to the information and explanations given to us and on the basis of examination of records of the Company, the company is not regular in depositing the undisputed statutory dues including Provident Fund, Income-tax(TDS), Service Tax, Value Added Tax, Royalty & Cess to the appropriate authorities. The extent of outstanding statutory dues as on 31.3.2017 for a period of more than six months from the date they became payable are given below:-

ANNEXURE-II TO INDEPENDENT AUDITORS' REPORT

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls over financial reporting of Kalyanpur Cements Limited ("the Company") as at 31st March 2017 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

The Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KALYANPUR CEMENTS LIMITED

ACCOUNTING POLICIES ON BALANCE SHEET AND PROFIT & LOSS STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2017.

NOTE – 18

The Financial Statements of Kalyanpur Cements Ltd. have been prepared on accrual basis of accounting. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. The Management makes reasonable estimates and assumptions which help prepare the accounts giving true and fair view of the financial position of the Company. The significant accounting policies are described as below:

1. The accounts have been drawn-up on the basis of historical cost. Impact of changing prices has not been given either in the Financial Statements or in the notes thereto.
2. Depreciation on historical cost is calculated on straight line method in terms of Section 123 of the Companies Act, 2013 read with Schedule II thereof. In respect of sale/disposal of fixed assets during the year, no depreciation is provided.
3. The carrying amounts of Fixed assets are reviewed at each Balance Sheet date and if there is any indication of impairment based on internal/external factors, the impairment loss is recognized wherever the carrying amount of an asset exceeds its estimated recoverable amount. Previously recognized impairment loss is further provided or reversed depending on change in circumstances.
4. Stock of Raw Materials and Work-in-Progress have been valued at weightage average cost or net realizable value, whichever is lower. Stock of Finished Goods has been valued at the lower of the cost or realisable market value. Stores & Spares are valued at average cost.
5. Retirement benefits in the form of Gratuity and Leave are determined on actuarial basis at the end of the year.
6. Fixed assets are valued at historical cost less depreciation.
7. Contingent Liabilities as disclosed, have not been provided for. Other liabilities are accounted for in the year in which the same are determined.
8. Revenue Recognition
Revenue is recognised to the extent that it can be reliably measured and is probable that the economic benefits will flow to the Company.
Sale of Goods: Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the customer and is stated net of excise duty, sales returns and sales tax.
Interest: Revenue is recognised on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.
Dividend: Revenue is recognised when the right to receive is established.
9. Expenses are recognised on accrual basis.
10. Transactions involving foreign exchange are translated into Rupee on the basis of prevailing exchange rates on the date of transaction. Impact of difference in exchange rate is accounted for in the year in which the transactions are finally determined.
11. Occurrences of events after the Balance Sheet date and having material effect on the revenue statements of the year under review are considered in drawing-up the accounts.
12. Company's accounts are being maintained on going concern basis.

KALYANPUR CEMENTS LIMITED**NOTES ON BALANCE SHEET AS ON 31st MARCH, 2017.**

NOTE - 19

1.0 Contingent Liabilities :**Claims against the Company not acknowledged as debt:**

- 1.1 **In respect of 33KV power connection:** Prior to August'93 whereafter the company started drawing power on 132 KV line consequent upon enhancement in contract demand from 10.5 MVA to 15.0 MVA, the company used to draw power on 33 KV line. In respect of the power supplied by BSEB through 33 KV line, there were some disputes between the company and BSEB on account of difference between the enhanced tariff claimed by BSEB and the tariff admitted by the company for the period upto 31.03.1994. The total amount under dispute aggregated to Rs. 336.53 lacs against which the company advanced Rs. 272.85 lacs till 31.12.1982 under the Court Order.

According to an agreement between the company and BSEB dated 30.06.1986, a Retired Judge of Patna High Court was appointed as "Arbitrator Sole" to settle the disputes between BSEB and the company and submit his Award. While the arbitration proceedings were in progress, the "Arbitrator Sole" died and the new Arbitrator was to be appointed. However, even though the arbitration proceedings were in progress and unfortunately the "Arbitrator Sole" died, an Award, allegedly signed by the Arbitrator, was filed by BSEB in the Civil Court, Patna for making the same the Rule of the Court. Under the situation, the company has not accepted the award and has challenged its veracity.

Fuel Supply Agreement between Central Coalfields Limited and the company:

- 1.2 The company had entered into a Fuel Supply Agreement (FSA) with Central Coalfields Ltd. (CCL), a subsidiary of Coal India Ltd. (CIL) for supply of coal to meet its requirement under a Long Term Coal Linkage issued by the Govt. of India, Ministry of Energy, Deptt. of Coal. The first FSA was executed on 30.1.2004 which was valid for three years. The second FSA was executed on 25.4.2008 and the same was valid for five years which was to expire on 30.4.2013. Pursuant to the provisions of FSA, the company had furnished to CCL, a Security Deposit of Rs. 123.94 lacs by way of Bank Guarantee. The FSA provided for lifting of an Annual Contractual Quantity (ACQ) with a provision for review thereof on expiry of 3 years from the date of FSA. After substantial increase in pit head price of Coal effective from February, 2011 and in view of technical aspects of the Plant's operation, the company on expiry of three years from the date of FSA requested CCL for review of ACQ which request was followed up subsequently by the Company at the highest level.

The ACQ however, was not reviewed despite explicit provision to that effect in the FSA and CCL unilaterally terminated the FSA on 30.4.2013 on the ground of lifting of lower than the ACQ. CCL also levied damage of Rs. 4.96 crores for not lifting the coal as per ACQ even though such damage was not leviable as the ACQ was liable to be reviewed and CCL did not review the same. They subsequently forfeited the security deposit by invoking the Bank Guarantee of Rs. 123.94 Lacs

The Company has filed a writ petition in the Hon'ble Jharkhand High Court against the unilateral and arbitrary action of CCL and considering its strong position, the company is hopeful of refund of the security amount by CCL and accordingly, the amount forfeited by them has not been considered as expenditure. The Company is confident of waiver of the damages also and this is why the same has not been acknowledged as liability.

Disputed claim of Royalty on Shale;

- 1.3 The Company used some of the reject material from the limestone mines during the period October'99 to October, 2003. Such material, on the basis of the chemical composition mainly Cao and Mgo, is "Shale" as per the Mining Plan of one of our Mines approved by Indian Bureau of Mines (IBM). Shale attracts royalty @ 10% of the sale price on ad-valorem basis. Since Shale did not have any alternate use, no sale price could be determined for the same. The Mines and Geology Deptt., Government of Bihar had however earlier decided to levy royalty on Shale at the rate applicable to "ordinary clay" under the minor mineral. The company accordingly had agreed to pay royalty on Shale as applicable to ordinary clay. Later the Mines Department issued demand and a certificate for recovery of the royalty on such material treating the same as limestone. The company has not accepted the differential amount

of royalty which amounts to Rs.43.30 Lacs. Since the matter is still under consideration of the department, this has been treated as contingent liability. In addition, the company has sought waiver of interest on the said dues.

1.4 Claim of Interest by Vivid Colors Pvt. Ltd., Strategic Investors

Vivid Colors Pvt. Ltd. were associated with the company as strategic investors pursuant to the Scheme of Compromise approved by the Hon'ble Calcutta High Court vide order dt. 21.11.2006. Under the Scheme, the company had issued Non Convertible Debentures (NCDs) which initially were allotted to the Asset Reconstruction Company (India) Ltd. (ARCIL). Later, under a One Time Settlement (OTS) the NCDs were purchased by Vivid Colors from ARCIL. However, with a view to helping the company, Vivid Colors sold the NCDs to IFCI Ltd. for a consideration amount of Rs. 15.65 crores with a provision of buy back of NCDs from IFCI on payment of dues by the company to IFCI. Since the company could not clear IFCI's dues on due date, the said dues were assigned by IFCI to the Asset Care & Reconstruction Enterprise Ltd. (ACRE). This arrangement also provided for buy back of NCDs by Vivid Colors on clearance of dues of ACRE by the company. The company however, could not clear ACRE's dues in time. The company earlier had entered into an agreement with Vivid to redeem the NCDs in a time bound schedule failing which, interest was payable by the company. Since the company has not cleared Acre's dues and the NCDs could not be bought back by Vivid, they have preferred claim for interest of Rs.54.69 crores besides redemption of the unredeemed portion of NCDs. This has been considered by the company as contingent liability.

1.5 **Unexecuted Capital Commitments** : Estimated amount of Contracts remaining to be executed on Capital Account and not provided for amount to Rs. 79.19 Lacs (Previous Year Rs. 77.76 Lacs).

1.6 **Cumulative Dividend on Preference Shares** : On approval of the scheme of compromise by the Hon'ble Calcutta High Court, the Preference share capital was reduced by 85%. The Preference shares, after reduction of the share capital have face value of Rs. 15/- each. The said Preference shares carry a coupon rate of 0.1%. The cumulative dividend on such shares with effect from the date of approval of the scheme of compromise i.e. 21st November, 2006 till 31st March'17 amounted to Rs. 6.86 lacs.

1.7 **Counter-guarantees given by the Company** : Counter Guarantees to Banks in respect of Guarantees given by them amount to Rs.12.10 Lacs (Previous Year Rs.12.10 Lacs). No new bank guarantees were provided by the company in the FY 2016-17.

2.0 As per the Rehabilitation Scheme sanctioned by BIFR, the deferred sales tax dues amounting to Rs. 700.16 lacs were scheduled to be paid during 2014-15. The company could not pay the deferred sales tax dues during 2014-15 and sought rescheduling thereof through the Modified Draft Rehabilitation Scheme submitted to BIFR. Consequent upon dissolution of BIFR, now the re-scheduling for payment of above dues will be sought in the Resolution Plan to be placed before the Committee of Creditors and the Hon'ble NCLT in terms of the provisions of Insolvency and Bankruptcy Code, 2016

3.0 The declaration filed under Urban Land (Ceiling and Regulation) Act, 1976 in respect of the Company's holding in excess of the Ceiling prescribed under the Act and the application to retain these lands were made for consideration of the concerned authority. The company at present is contesting a case filed by the Appropriate authority.

4.0 Documents and papers relating to all the immovable properties including land at Banjari are deposited with IFCI Ltd. which assigned its loan earlier granted to the Company to Arcil - Kalyanpur Cements Ltd. Trust.

5.0 In view of erosion of its Net Worth, the company was registered with Board for Industrial & Financial Reconstruction (BIFR) as Sick Company under the provisions of Sick Industrial Companies (Special Provisions) Act, 1985. BIFR sanctioned a Revival Scheme in the hearing held on 24.10.2011 and circulated the same vide letter dt. 3.2.2012. The Scheme was valid for a period of 7½ years (Oct'09-Mar'17). The Scheme period thus has ended. Under the scheme sanctioned by BIFR, the company was required to refund to the Govt. of Bihar a sum of Rs. 87.55 crs. being the sales tax exemption amount out of the VAT reimbursement receivable from the State Govt. The Scheme provided for reimbursement of Rs. 165 crores against the Vat paid by the company during the scheme period and therefore the amount of Rs. 87.55 crores was not accounted as liability in the Books of the Company. Till 31.3.2017, the company could pay only Rs. 32.86 crores against the total dues of Rs. 87.55 crores and the unpaid liability amounted to Rs. 54.69 crores. In view of expiry of the scheme period on 31.3.2017 and the company's obligation to refund this amount to the State Govt. the liability needed to be brought in the Books. The company had earlier provided

for Rs.4.01 crores on this account and therefore the provision for the remaining amount of Rs.50.68 crores has been made in the Books of Accounts for the year ended 31.3.2017.

- 6.0 After dissolution of BIFR, the revival process in respect of the Company will be taken forward under the provisions of Insolvency and Bankruptcy Code 2016. The Hon'ble NCLT has ordered commencement of the Corporate Insolvency resolution process in respect of the company by passing an order to that effect on 1st May,2017 on a petition filed by an operational creditor. NCLT has also appointed an Interim Resolution Professional (IRP) and necessary steps will be taken by IRP for approval of a Resolution Plan by the Committee of Creditors and finally NCLT.

NOTES ON PROFIT & LOSS STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2017

NOTE – 20

- 1.0 With a view to ensuring proper disclosure, a separate line in respect of Freight & Selling Expenses has been added in the Profit & Loss Statement.
- 2.0 A separate note to the Profit & Loss Statement namely Note 13 comprising various manufacturing expenses has been provided in the Financial Statement for the year under report.
- 3.0 The Scheme sanctioned by BIFR provided for reimbursement of Rs. 165 crores against the Vat paid by the company during the scheme period against which an amount of Rs. 87.55 crs. was required to be refunded by the company to the Govt. of Bihar. This refundable amount was not accounted for as liability as the same was to be paid as per the schedule given in the sanctioned scheme out of VAT reimbursement amount receivable in various years. The scheme however ended on 31st March, 2017 and till then, the company could pay only Rs. 32.86 crores against the total dues of Rs. 87.55 crores and the unpaid liability amounted to Rs. 54.69 crores. In view of expiry of the scheme period on 31.3.2017 and the company's obligation to refund this amount to the State Govt. the liability of Rs. 54.69 crs. needed to be brought in the Books. The company had earlier provided for Rs.4.01 crores on this account and therefore the provision for the remaining amount of Rs.50.68 crores has been made in the Books of Accounts for the year ended 31.3.2017. This has the effect of increasing the loss to that extent and same has been disclosed as an exceptional item in the Profit & Loss statement.

9.0 The Micro, Small and Medium Enterprises Development Act, 2006 stipulates payment of interest to the "Supplier" defined in the said Act by the buyers. In terms of the said Act, the "Supplier" means a Micro or Small Enterprise which files a Memorandum with any of the five authorities provided therein. The company has sent communications to such parties to ascertain their status regarding filing of Memorandum. No response has, however, been received from the parties following which the company is not in a position to ascertain its statutory liability under the said Act. However, as a measure of abundant precaution, the company based on its judgment, has made provision for interest on dues over 45 days as required under the said Act. Recently, a company namely Control Print Ltd. has approached the appropriate Authority at Shimla demanding from the Company the principal dues of Rs.3.52 Lacs and the interest thereon of Rs. 6.20 Lacs. The company in view of its sickness has requested the Authority for waiver of interest as the company now is in the process of Corporate Insolvency Resolution under the aegis of the NCLT pursuant to the provisions of Insolvency and Bankruptcy Code 2016.

10.0 The tenure of Mr. Shailendra Prakash Sinha, the Managing Director ended on 22.02.2016. The Board of Directors re-appointed him as Managing Director for a further period of three years w.e.f. 23.2.2016. Approval for re-appointment has been granted by the shareholders also. The Nomination & Remuneration Committee, the Board of Directors and the Shareholders have also approved the remuneration payable to him during the period of re-appointment. The remuneration approved by the shareholders is within the limits prescribed in Sch. V to the Companies Act 2013.

11.0 The Depreciation has been provided as per the provisions of Schedule II to the Companies Act, 2013. In case of the Plant & Machinery which is continuous process plant, the Company earlier had estimated 18 years as the useful life of the Plant and the same being lower than the useful life now prescribed in Schedule II, the Company continues to charge depreciation based on the earlier estimated useful life.

12.0 Figures of the Previous Year have been recast and/or regrouped wherever necessary to bring them in line with the figures of the current year.

Notes 10 to 17 and Note 20 are the Notes annexed to and forming part of the Profit & Loss Statement and Note 18 contains the accounting policies followed in preparation of the Profit & Loss Statement for the year ended 31.03.2017.

Item No. 4

Section 148 of the Companies Act, 2013 provides for audit of Cost records of the Company by Cost Accountants to be appointed by the Board of Directors on such remuneration as may be determined by the members in their General Meeting. The Interim Resolution Professional approved the appointment of M/s. Mitra, Bose and Associates, the Cost Accountants (Firm Registration No. 00037) as Cost Auditors to conduct the audit of Cost records of the Company for the Financial Year 2017-18 at the remuneration of Rs. 45,000/- besides reimbursement of expenses, incurred in connection with the audit, on actual basis.

Section 148 of the Act provides that the Cost Auditor shall be appointed by the Board on such remuneration as may be determined by the members. In view of the provisions of Section 17(1)(b) of the Code mentioned in the beginning of this explanatory statement, the appointment of the Cost Auditors has been approved by IRP. He has approved the appointment at a remuneration of Rs.45,000/- besides reimbursement of expenses on actual basis. The Shareholders may consider approving the said remuneration or such other remuneration as may be deemed appropriate. None of the directors, Key Managerial Personnel of the company or their relatives, in any way, are concerned or interested, financially or otherwise, in the proposed Resolution. The IRP recommends this resolution for approval by the shareholders.
