Independent Auditors' Report**To The Members of Vapi Paper Mills Limited****Report on the Financial Statements**

We have audited the accompanying financial statements of Vapi Paper Mills Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

i. In our opinion, the following accounting standards are not complied by the company:

- 1. Accounting Standard (AS-15) on "Employee Benefits"; regarding non provisioning of employee benefits*
- 2. Accounting Standard (AS-24) on "Discontinuing Operations"*
- 3. Accounting Standard (AS-28) on "Impairment of Assets".*

The effect of the above on assets and liabilities, as well as loss and reserves is not ascertainable.

ii. We are unable to form an opinion about the realisability or otherwise of long term advances to other suppliers of Rs. 1,82,659/- as no services are rendered or amount is not received back since a period of more than five years and the confirmation of balances have not been obtained from the parties.

- a) Balance of Rs. 32,91,266/- of long term trade payables is subject to confirmation and adjustment, if any, required upon such confirmations are not determinable.
- b) Balance of Rs. 11,25,000/- of Trade Deposits is subject to confirmation and adjustment, if any required upon such confirmations are not determinable.

The effects of the matters referred to para above on assets and liabilities, as well as loss and reserves could not be ascertainable.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *(subject to the possible effects of the matter described in the Basis for Qualified Opinion paragraph)*, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- 1) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- 2) in the case of the Statement of Profit and Loss, of the loss for the year ended on that date; and
- 3) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter:

We draw attention that the Company's accumulated losses as on March 31, 2013 were Rs 1,67,81,820/- as against paid up capital and reserves of Rs 9,02,08,547/- Hence Company's net worth is negative. However the accounts are prepared on the basis that Company is a going concern. In our opinion the ability of the Company to continue as a going concern is dependent upon the surplus that may be generated out of present activity as well as promoters bringing in funds to finance losses.

Our opinion on this matter is not qualified.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2) As required under provisions of section 227(3) of the Companies Act, 1956, we report that:
 - a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

 - d) In our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the accounting standards referred to in subsection (3C) of section 211 of the Act *subject to those mentioned under "basis for qualified report"*.
