Dear Shareholder

Sub: - Go Green Initiative in Corporate Governance: Go Paperless.

The Ministry of Corporate Affairs (MCA) has taken a “Green Initiative in Corporate Governance” (Circular No 17/2011 dated 21-4-2011 and Circular No 18/2011 dated 29-4-2011) allowing paperless compliances by companies through electronic mode and same also has been allowed under the New Companies Act, 2013. Companies are now permitted to send various notices / documents to its shareholders through electronic mode to the registered email address of shareholders. This move by the MCA is welcome since it will benefit the society at large through reduction in paper consumption and towards a Greener Environment. It will also ensure prompt receipt of communication, avoid loss in postal transit and helps the larger participation of shareholders in **E-Voting**. Keeping in view the underlying theme and circular issued by MCA and provisions of companies Act, 2013, we are keen to participate in Green Initiative and henceforth propose to send documents like General Meeting Notices (Including AGM), Audited Financial Statements, Directors Report, Auditors Report etc to the shareholders in electronic form, to the e-mail address provided by you and made available to us by Depositories / RTA.

In case you are holding shares in electronic form and have registered your e-mail id with the Depository, we will send all notices / documents etc at that e-mail id. If you desire to have a different e-mail id registered, please update the same with your Depository Participant (DP) or email at abhinav.tyagi@pasupatitextiles.com or ho@pasupatitextiles.com or admin@skylinerta.com specifying your Client ID and DP Id.

All those shareholders who have not yet registered their e mail IDs or holding shares in physical form are requested to register their email IDs with NSDL/ CDSL and **or** our RTA or send their request to register their e- mail id at any one of the following mail ids along with Folio No and No of Shares / Client Id and DP ID:-

1 abhinav.tyagi@pasupatitextiles.com

2 ho@pasupatitextiles.com

3 admin@skylinerta.com

Kindly note that if any shareholders still wish to receive a physical copy of all the above mentioned communications / documents, the company undertakes to provide the same at no extra cost to you, if a request in this connection is received by the company or RTA. Please note that these documents will also be available on the Company’s website www.pasupatitextiles.com

We look forward for your encouraging support in welcoming the “Green Initiative”

Thanking You,

Yours faithfully

For Pasupati Spg. & Wvg. Mills Ltd

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 (“the Act”)

THE FOLLOWING STATEMENT SETS OUT ALL MATERIAL FACTS RELATING TO THE SPECIAL BUSINESS MENTIONED IN THE ACCOMPANYING NOTICE:

ITEM-4

The Board of Directors of the Company, on the recommendation of the Audit Committee, approved the appointment and remuneration of M/s. Avtar Singh & Co., Cost Accountants, to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2019. In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the Members of the Company. Accordingly, consent of the Members is sought to ratify the remuneration payable to the Cost Auditors. None of the Directors or Key Managerial Personnel and their relatives, are concerned or interested (financially or otherwise) in this Resolution. The Board recommends the Ordinary Resolution set out at Item No. 4 for the approval of Members.

None of the other Director(s) / Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

ITEM 5

The ordinary resolution as set out in item no 5 relates to approval of material related party transactions by members as required under Sec 188 of the Act and regulation 23 of Listing Regulations 2015. As per regulation 23 of Listing Regulations 2015, related party transaction said to be material if such transaction(s) to be entered into individually or taken together during a financial year exceeds ten percent of the annual turnover as per the previous audited financial statements of the company. Board of directors is of the view that during the financial year 2018-19 transactions with related parties namely Shivani Textiles Ltd (In which Mr. Ramesh Kumar Jain , Mrs. Vrinda Jain and Mr. Vidit Jain, Directors of the company, along with their relatives are holding more than 2% paid up share capital) , Mrs. Vrinda

Jain (Director) , Mrs. Vandita Jain (Relative of Mr. Vidit Jain, Mrs. Vrinda Jain and Mr. Ramesh Kumar Jain) and with other Related Parties , may exceed ten percent of the annual turnover of the previous audited financial statements of the company. Hence, Board of Directors recommends the passing of the resolution at Item No- 5 of the Notice as ordinary resolution.

Save and except Mr. Vidit Jain, Mrs. Vrinda Jain and Mr. Ramesh Kumar Jain (alongwith their relatives) , none of the other Director(s) / Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

ITEM 6

The ordinary resolution as set out in Item no. 6 relates to the approval for change in designation of Mr. Vidit Jain from Whole time director to Joint Managing Director. Mr. Vidit Jain was appointed as Whole-time Director of the Company, it is proposed to change his designation to Joint Managing Director. The Board of Directors have, subject to the approval of the shareholders, appointed Mr. Vidit Jain as Joint Managing Director of the Company with effect from 07.12.2017 on the remuneration, terms and conditions recommended by the Nomination & Remuneration Committee and approve by the board.

Save and except Mrs. Vrinda Jain and Mr. Ramesh Kumar Jain, none of other Director(s), key managerial personnel or their relatives are concerned or interested in the said resolution.

ITEM 7

The Board of Directors of the Company (the 'Board'), at its meeting held on 07-12-2017, appointed Mr. CM Sharma as Additional Director w.e.f. 20-12-2017. In terms of the provisions of Section 161(1) of the Act, Mr. CM Sharma would hold office up to the date of the ensuing Annual General Meeting. Now, it is proposed to seek the members approval for the appointment of Mr. CM Sharma as Whole Time Director of the company for a period of 5 (five) years i.e. w.e.f. 20-12-2017 at the remuneration recommended by Nomination and Remuneration Committee and approved by the Board. He is not disqualified from being appointed as Director in terms of Section 164 of the Act. Nomination of Mr. CM Sharma for the office of whole time director is proposed by Nomination and Remuneration committee. A notice u/s 160 of the Companies Act, 2013 has been received from a member proposing Mr. CM Sharma as a candidate for the office of Whole Time Director of the Company. Brief resume of Mr. CM Sharma , nature of his expertise in specific functional areas, names of companies in which he is holding directorships and memberships/chairmanships of Board Committees, shareholding and relationships amongst directors inter-se as stipulated under Listing Regulations , 2015, are provided in the Corporate Governance Report forming part of the Annual Report. Mr. CM Sharma is interested in the resolution set out at Item No. 7 of the Notice, which pertains to his appointment and payment of remuneration.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions. The Board recommends the Ordinary Resolution set out at Item No. 6 of the Notice for approval by the shareholder.

Note:

Transition to Ind-As: - The Company has adopted The Indian Accounting Standards (“Ind AS”) prescribed under section 133 of the Companies Act, 2013, which became applicable from 1st April 2017 and accordingly financial statements have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS prescribed under Section 133 of the Companies Act 2013 read with the relevant rules issued thereunder. These are the Company’s first financial statements prepared in accordance with Ind AS. Therefore, the results for previous year 2016-17 have been restated as based on Ind As. The complete reconciliation and explanation narrating the impact of the same has been given in note 50 to the accounts.

During the year under review, the turnover of the company has declined by 17.98% as compared to last year and the profit before taxes declined by almost 41.38%. The main reasons for decline in turnover and profit are as under: -

1. The cotton yarn manufacturing at Dharuhera spinning unit was discontinued from August /September 2016 as cotton yarn operations were no longer viable. Last year turnover also include sales of this unit for first 5-6 months, whereas there was no sales turnover during FY 2017-18 from this unit except job work income.
2. The company was getting the yarn manufactured from outside party on job work basis. As factory premises of Job-worker party was taken over and sealed by IDBI under SARFAESI Act in August 2016. Even company’s stock to the tune of Rs.2.00 Crore approx is blocked due to action of IDBI for which the company has already initiated legal action, which is sub-judice. Last year turnover also include the sales of these operations for first 4-5 months, whereas there was no sales turnover during 2017-18 from these operations.
3. There was rejection of two lots of readymade garments by the customer, hence such stock had to be liquidated at throw away prices, which also adversely affected the turnover as well as profit of Knitting/Garment Division and the company.

II THE MANAGEMENT DISCUSSION & ANALYSIS

Spinning Unit at Dharuhera, Haryana

The operations of spinning unit had to be discontinued from September 2016 as cotton yarn operations became unviable. Hence instead of manufacturing own cotton yarn, the company shifted to job work operations from October 2016 for an outside party. Under this arrangement, the said company is supplying polyester fiber and our company is manufacturing yarn for the said company. During the year under review, the company earned job work income to the tune of Rs. 9.23 Crore. However, the company is keeping a close

watch on the cotton yarn market and as and when such operations become profitable, the company shall start manufacturing own yarn.

Knitting & Garment unit at Dharuhera, Haryana

The production activities of the Fabric/Garment Division at Dharuhera are going on smoothly. The company is supplying garments for well known brands i.e. Future Group, Reliance Trend, Pantloom Retail, Spencer and Bharti Wallmart etc. Besides, the company is also exporting garments.

Sewing Thread Unit At Kala Amb, Himachal Pradesh

Although the company was able to somewhat overcome the labour shortage problem being faced at the time of festival season every year but the same still remains an area of concern for the company. During the financial year 2015-16, there was significant decline in company's exports which came down to Rs.10.76 Crore as against Rs.36.66 Crore achieved during FY 2014-15. However, the exports have since picked up from 2016-17. During FY 2016-17 and 2017-18, the company achieved export turnover of Rs. 31.56 Crore and Rs.39.24 Crore respectively. The company has been exporting significant percentage of its production i.e. more than 90% to Turkey. The company has also undertaken modernization of this unit, whereby some old machines are being replaced by state-of-the-art new machines. With the completion of modernization drive, the results are expected to improve further.

SECRETARIAL AUDIT REPORT

FORM NO. MR.3

FOR THE FINANCIAL YEAR ENDED 31 MARCH 2018

[Pursuant to section 204(1) of the Companies Act 2013, and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

PASUPATI SPINNING AND WEAVING MILLS LIMITED
VILLAGE KAPRIWAS, DHARUHERA,
DISTRICT REWARI, HARYANA

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **PASUPATI SPINNING AND WEAVING MILLS LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

CONSERVATION OF ENERGY .

a) ENERGY CONSERVATION MEASURES TAKEN:

1. Ring frame lift reduction to get more production with same power consumption (2-3%)
2. Putting 36 / 38 mm dia-meter rings to get more productivity with same power consumption.
3. Adjusted the blades of S.A. & R.A. Fans at H. Plants to maintain humidity with minimum power consumption.
4. Replacement of ordinary motors by high power factor high efficiency motors
5. Some innovative modifications carried out in machine to reduce down the given load – such as simplex pneumatic suction motor stopped by introducing under clearer.
6. By changing the filter media of filtration plant the filtration efficiency improved and thus reduced the load, on suction fans and effected on energy saving.
7. Optimising the Humidification plants saturation efficiency the load on supply air fan and water pumps reduced.
8. By modifying the compressed air line consumption of compressed air reduced thus resulted in energy saving.
9. We have replaced old reciprocative compressor with new screw compressor having high efficiency & low consumption of power. There would be 10-15% power saving in compressor units.
10. We have obtained additional sanction of 1000 KVA load during peak hours from HPSEB resulting reduction in P.U. cost of power.
11. The new generation air-compressor is added to save the power consumption as well as maintenance cost.
12. Some modifications carried out in our Humidification Plant provided the stationary V Notch Type Filter in place of Rotary filter and save 3.2 KW/Hrs.
13. Optimize the power voltage and reduce the energy consumption
14. Optimize the compressed air pressure by reducing from 9.5 Kgs to 8 Kgs and save the power.
15. Over-head cleaner travelling frequency reduced by 3 to 4 minutes in all Ring Frames and achieved the conservation in this area.
16. Plugged all air leakage, hence saving of air results power saving.
17. By installing power capacitors near to load.
18. By replacing conventional tube-lights with new energy saving (TS) Tube-lights.
19. By maintaining Power Factor 11-100%.
20. By providing transparent sheets at Godowns for maximum utilisation of natural day light.
21. By installing online energy Monitoring system in our power house, which helped us to make power saving (approx. 5 – 10%).

b) ADDITIONAL INVESTMENT PROPOSALS, IF ANY, BEING IMPLEMENTED FOR SAVING ENERGY :

1. To install Spinmax system on Ring frames, enabling to increase productivity without increase in power consumption – up to 5%.

c) IMPACT OF THE MEASURES FOR REDUCTION OF ENERGY CONSUMPTION AND CONVERSANT IMPACT ON THE COST OF PRODUCTION OF GOODS:

The above measures have resulted in saving of energy and to that extent the cost had reduced.

Share Transfer System:

Shareholders seeking demat/remat of their shares must approach the Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to the Registrar and Share transfer Agent (“the Registrar”) of the Company. Upon receipt of the request and share certificate, the Registrar will verify the same. Upon verification, the Registrar will request the National Securities Depository Ltd. (NSDL)/Central Depository Services Ltd. (CDSL) to confirm the Demat request. The Demat account of the concerned shareholder will be credited with an equivalent

number of shares. In case of a rejection of the request, it will be communicated to the shareholder. In the case of remat, upon receipt of a request from the shareholder, the DP generates a request and verification of the same is done by the Registrar. The Registrar then requests the NSDL and CDSL to confirm the request. The approval of the company is sought and an equivalent number of shares are issued in the physical form to the shareholder. The share certificates are dispatched within one month from the date of issue of shares.

Independent Auditors' Report

To
The Members of
Pasupati Spinning & Weaving Mills Limited

1. Report on the Standalone Financial Statements

We have audited the accompanying financial statements of **Pasupati Spinning & Weaving Mills Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and the statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information.

2. Management's responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's responsibility

Our responsibility is to express an opinion on these standalone Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act and the rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS Financial Statements.

4. Basis of Qualified Opinion

The company has claimed additional compensation in respect of part of factory land acquired. The additional compensation demand is Rs.614.64 Lacs (including amount upto previous year Rs. 614.64 Lacs), which according to the management shall be accounted for as and when received. Had the additional compensation been accounted for the profit for the year and other current assets would have been higher by the said amount.(Refer Note no. 40 of the accompanying notes to the financial statements).

5. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effect of matter described in the basis for qualified opinion paragraph above* the aforesaid standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its loss (including other comprehensive income), its cash flows and the changes in equity for the period ended on that date.

6. Report on Other Legal and Regulatory requirements

- I) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II) As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS Financial Statements-Refer note no. 28 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure “B” to the Independent Auditor’s Report Referred to in paragraph 6(ii)(f) to the Independent Auditor’s Report of even date on the Standalone Ind AS Financial Statements of Pasupati Spinning & Weaving Mills Limited for the year ended 31st March 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Pasupati Spinning & Weaving Mills Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

Notes to financial statements

1 Company Overview

Pasupati Spinning & Weavings Mills Ltd is a public limited company incorporated in India and has its registered office in Haryana, India. The company has interests in Fabrics, Bed Sheets, Acrylic Fiber, Cotton and Polyester Blended Yarns as well as Commodity Trading. Within 25 years of its inception, the company has evolved into one of the most updated, professionally managed and growth oriented textile companies in India.

2 Significant Accounting Policies

2.1 Basis of Preparation of financial statements

Compliance with Ind AS

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016.

For all periods up to and including the year ended 31 March 2017, the Company prepared its Standalone financial statements in accordance with requirements of the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP"). These are the first Ind AS Standalone Financial Statements of the Company. The date of transition to Ind AS is 01 April, 2016.

Basis of preparation and presentation

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its Standalone Financial Statements as per the Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016 with effect from 1 April, 2017. Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2018, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March, 2018, and accounting policies and other explanatory information (together hereinafter referred to as "Standalone Financial Statements" or "financial statements").

The Standalone Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primary functional currency of the company) and rounded off to the nearest rupees, unless otherwise stated.

2.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

2.3 Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

(i) Revenue from sale of products is recognized on accrual basis.

(ii) Interest income from deposits and others is recognized on accrual basis. Dividend income is recognized when the right to receive the dividend is unconditionally established. Profit/loss on sale/redemption of investments is recognized on the date of transaction of sale/redemption and is computed with reference to the original cost of the investment sold.

(iii) Insurance claims are recognized in the books only after certainty of its realization.

2.4 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

2.5 Foreign currency transactions and translation

Foreign Currency transaction are initially recorded at the rate of exchange ruling at the date of transaction.

Foreign currency monetary item (assets and liabilities) are restated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Gain and losses, if any, at the year-end in respect of monetary assets and monetary liabilities are recognized in the Statement of Profit and Loss.

Items denominated in foreign currencies at the year end and not covered by forward exchange contracts are translated at year end rates and those covered by forward exchange contracts are translated at the rate ruling at the date of transaction as increased or decreased by the proportionate difference between the forward rate and exchange rate on the date of transaction, such difference having been recognized over the life of the contract.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit & loss statement.

The company uses foreign currency forward contracts and currency options to hedge its risks associated with foreign currency fluctuations

PASUPATI SPINNING AND WEAVING MILLS LIMITED

relating to certain firm commitments and forecasted transactions. Derivative instruments are initially measured at fair value and are re-measured at subsequent reporting dates. Mark to market losses on such measurement are recognized in the profit & loss statement.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

2.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

2.7 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

(b) Defined Benefit Plans

(c) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

2.8 Taxation

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax asset against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they are related to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

2.9 Property, Plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised if the activities undertaken improves the economic benefits expected to arise from the asset. Cost includes financing cost till the commencement of commercial production, inward freight, duties & taxes, incidental expenses related to acquisition and is net of MODVAT / CENVAT. In respect of major projects involving construction, related pre-operational expenses form part of the value of the assets capitalized.

Expenditure related to and incurred during implementation of capital projects is included under "Capital Work in Progress" or "Project Development Expenditure" as the case may be. The same is allocated on a systematic basis to the respective fixed assets on completion of construction/ erection of the capital project/ fixed assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the

PASUPATI SPINNING AND WEAVING MILLS LIMITED

continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation on amount of additions made to fixed assets on account of foreign exchange fluctuation is provided for over the residual life of the fixed assets.

Depreciation on Assets acquired /capitalised/ disposed off during the year is provided on pro-rata basis with reference to the date of addition/capitalization/ disposal. Lease hold land is amortized over the period of lease.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

2.10 Intangible Assets

Intangible Assets are stated at cost less accumulated amortization.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of its intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the Intangible assets.

2.11 Impairment of Property, plant and equipment and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognised impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.12 Inventories

Inventories are valued at lower of cost or market price except for waste. Waste is valued at realizable value. The cost comprises of cost of purchase, cost of conversion and other cost including appropriate production overheads incurred in bringing such inventories to their present location. In case of raw materials and stores & spares the cost is determined using FIFO method.

2.13 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.14 Investment in subsidiaries, associates and joint ventures

Investment in subsidiaries, associates and joint ventures are shown at cost. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

2.15 Borrowings.

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.16 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

2.17 Earnings Per Share

Earnings per share is calculated by dividing the Profit after tax by the weighted average number of equity shares outstanding during the year.

2.18 Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

2.19 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

2.20 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

(a) Classification

The Investments and other financial assets has been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

(b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

b.1 Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company's classifies its debt instruments:

Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

b.2 Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

(c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(d) Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

(e) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

(f) Income recognition

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

2.21 First time adoption – optional exemptions

Overall principle

The Company has prepared the opening Standalone Balance Sheet as per Ind AS as of 1 April,2016 (the transition date) by,

- recognising all assets and liabilities whose recognition is required by Ind AS,
- not recognising items of assets or liabilities which are not permitted by Ind AS,
- by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and
- applying Ind AS in measurement of recognised assets and liabilities.

However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as detailed below. Since, the financial statements are the first financial statements, the first time adoption – mandatory exceptions and optional exemptions have been explained in detail.

Deemed cost for property, plant and equipment and intangible assets including capital work in progress and intangible assets under development: The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets including capital work in progress and intangible assets under development recognised as of 1 April,2016 (transition date) measured as per the previous GAAP as its deemed cost as at the date of transition.

Deemed cost for investments in subsidiaries, associates and joint ventures: The Company has elected to continue with the carrying value of all of its investments in subsidiaries, joint ventures and associates recognised as of 1 April,2016 (transition date) measured as per the previous GAAP as its deemed cost as at the date of transition.

3 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

3.1 Property, Plant and Equipments

Property, Plant and Equipments represent a significant proportion of the asset base of the company. The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

3.2 Trade Receivables

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at at Balance Sheet date. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

3.3 Defined Benefit Plans

The provisions for defined benefit plans have been calculated by a actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

3.4 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

3.5 Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

3.6 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

50.2.3 Reconciliation of Total Equity as at 31 March 2017 and 1 April 2016

Particulars	Rs in Lacs	
	As at 31st March 2017	As at 1st April 2016
Other equity as per previous GAAP	1,967.98	1,893.31
Transaction Cost/ Processing Fees Adjustment to Carry Long Term Borrowings at	2.72	2.50
Amortisation of Other Financial Liabilities	269.03	261.96
Expected Credit Loss Allowance	(25.22)	(27.80)
Fair value of Investments	(3.27)	(6.08)
Tax Impact	(79.21)	(76.23)
Other Equity as per Ind AS	2,132.03	2,047.66

The Equity Share Capital Component of Total Equity has no change from previous GAAP, hence not considered above.

Explanatory Notes to First Time Adoption are as follows:

(a) Fair valuation of Investments

Investments have been measured at fair value through profit or loss as against cost less diminution of other than temporary nature, if any, under the previous GAAP.

(b) Expected credit loss allowance

In determining the allowances for doubtful trade receivables, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is

adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

(c) (i) Borrowings at Amortised Cost

Borrowings and other financial liabilities which were recognized at historical cost under previous GAAP have been recognized at amortised cost using the effective interest rate method under IND AS with the difference been adjusted to opening retained earnings.

Under previous GAAP, transaction costs were charged to profit or loss as and when incurred. Under IND AS, transaction costs are deducted from the initial recognition amount of the financial liability and charged over the tenure of borrowing using the effective interest method.

(d) Tax Implications

Tax impact includes deferred tax impact, wherever applicable as per provisions of Ind AS 12 (Income Taxes), on account of difference between previous GAAP and Ind AS.

(e) Defined benefit liabilities:

Under IND AS, Remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined liability, are recognized in other comprehensive income instead of profit or loss in previous GAAP.

(f) Other comprehensive income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes re-measurements of defined benefit plans. The concept of other comprehensive income did not exist under previous GAAP.
