EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013

The following statements sets out all material facts relating to the Special Business mentioned in the accompanying Notice :

ITEM NO. 3

The members of the Company in their 54th AGM held on 16th Sep, 2014 appointed Shri Krishna Murari Lal (DIN 00016166) as an Independent Director pursuant to the provisions of Sections 149 & 152 and Rules made there under, to hold office for Five consecutive years for a term upto the conclusion of the 59th Annual General Meeting of the Company in the calendar year 2019.

The Securities Exchange Board of India (SEBI) vide its notifications dated 09th May, 2018 has amended the existing SEBI (LODR) Regulations, 2015 and has inserted a new Regulation 17(1A) which mandates that no Listed Entity shall appoint a person or continue the Directorship of any other person as a Non-Executive Director who has attained the age of 75 years unless a Special Resolution is passed to that effect by the members of the Company.

Shri. Krishna Murari Lal, who is aged 78 years (Date of Birth 22nd June, 1940) has attained the age of more than 75 years, hence in view of the amendment in the SEBI Listing Regulations, his continuation as Non-Executive Independent Director of the Company w.e.f 01st April, 2019 shall require approval of shareholders of the Company by way of a Special Resolution. Therefore, the Board of Directors, on the recommendation of Nomination & Remuneration Committee in their meeting held on 16th May, 2018 approved the continuation of the Directorship of Shri. Krishna Murari Lal as Non-Executive Independent Director upto the expiry of their existing term i.e. upto the conclusion of the 59th Annual General Meeting of the Company to be held in the calendar year 2019.

Shri Krishna Murari Lal is a retired IAS Officer and has a rich and varied experience in the field of finance and he possesses appropriate skills, experience and knowledge in the Management of Companies. It will be in the interest of the Company if he continues on the Board of the Company as an Independent Director. In the opinion of the Board, he fulfils the conditions for continuation of his appointment as an Independent Director as specified under the Companies Act, 2013 and under the SEBI Listing Regulations and is Independent of the Management and possesses appropriate experience and knowledge.

HINDUSTAN WIRES LIMITED

None of the other Directors, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in this resolution.

The Board commends the Special Resolution set out at ITEM No. 3 of the Notice for approval by the shareholders.

ITEM NO. 4

The members of the Company in their 54th AGM held on 16th Sep, 2014 appointed Shri Jagdish Saran Baijal (DIN 00049565) as an Independent Director pursuant to the provisions of Sections 149 & 152 and Rules made there under, to hold office for Five consecutive years for a term upto the conclusion of the 59th Annual General Meeting of the Company in the calendar year 2019.

The Securities Exchange Board of India (SEBI) vide its notifications dated 09th May, 2018 has amended the existing SEBI (LODR) Regulations, 2015 and has inserted a new Regulation 17(1A) which stipulates that no Listed Entity shall appoint a person or continue the Directorship of any other person as a Non-Executive Director who has attained the age of 75 years unless a Special Resolution is passed to that effect by the members of the Company.

Shri. Jagdish Saran Baijal, who is aged 87 years (Date of Birth 06nd June, 1931) has attained the age of more than 75 years, hence in view of the amendment in the SEBI Listing Regulations, his continuation as Non-Executive Independent Director of the Company w.e.f 01st April, 2019 shall require approval of shareholders of the Company by way of a Special Resolution. Therefore, the Board of Directors, on the recommendation of Nomination & Remuneration Committee in their meeting held on 16th May, 2018 approved the continuation of the Directorship of Shri. Jagdish Saran Baijal as Non-Executive Independent Director upto the expiry of their existing term i.e. upto the conclusion of the 59th Annual General Meeting of the Company to be held in the calendar year 2019.

Shri Jagdish Saran Baijal is a retired IAS Officer and has a rich and varied experience in the field of finance and keeping in view his vast experience and knowledge it will be in the interest of the Company if he continues on the Board of the Company as an Independent Director. In the opinion of the Board, he fulfils the conditions for continuation of his appointment as an Independent Director as specified under the Companies Act, 2013 and under the SEBI Listing Regulations and is Independent of the Management and possesses appropriate experience and knowledge.

None of the other Directors, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in this resolution.

The Board commends the Special Resolution set out at ITEM No. 4 of the Notice for approval by the shareholders.

ITEM NO. 5

The members of the Company in their AGM held on 24th Sep, 2003 appointed Shri Gobind Ram Goenka (DIN 00133700) as a Director (Non-Executive), liable to retire by rotation, pursuant to the applicable provisions of the Companies Act, 1956. He was lastly re-appointed after retirement by rotation as a Director of the Company in the Annual General Meeting held on 01st September, 2017.

The Securities Exchange Board of India (SEBI) vide its notifications dated 09th May, 2018 has amended the existing SEBI (LODR) Regulations, 2015 and has inserted a new Regulation 17(1A) which stipulates that no Listed Entity shall appoint a person or continue the Directorship of any other person as a Non-Executive Director who has attained the age of 75 years unless a Special Resolution is passed to that effect by the members of the Company.

Shri. Gobind Ram Goenka, who is aged 82 years (Date of Birth 02nd Sep, 1936) has attained the age of more than 75 years, hence in view of the amendment in the SEBI Listing Regulations, his continuation as Non-Executive Director of the Company w.e.f 01st April, 2019 shall require approval of shareholders of the Company by way of a Special Resolution. Therefore, the Board of Directors, on the recommendation of Nomination & Remuneration Committee in their meeting held on 16th May, 2018 approved the continuation of the Directorship of Shri. Gobind Ram Goenka as Non-Executive Director upto the expiry of the next term of his retirement by rotation upto the conclusion of the 60th Annual General Meeting of the Company to be held in the calendar year 2020.

Shri Gobind Ram Goenka is having more than 58 years of experience in the field of Finance, Taxation and Management of Industries and keeping in view his vast experience and knowledge it will be in the interest of the Company if he continues as a Director on the Board of the Company. In the opinion of the Board, he fulfils the conditions for continuation of his appointment as a Director (Non-Executive) of the Company as specified under the Companies Act, 2013 and under the SEBI Listing Regulations and possesses appropriate experience and knowledge.

None of the other Directors, Key Managerial Personnel of the Company or their relatives are in any way concerned or interested in this resolution.

The Board commends the Special Resolution set out at ITEM No. 5 of the Notice for approval by the shareholders.

MANAGEMENT DISCUSSION & ANALYSIS

The Company is engaged in operating a re-filling station of Industrial Gases at Faridabad, transportation of gases, financing and investment activities besides providing services in the field of Business support services and Renting.

During the year the revenue from sale of Industrial Gases is Rs542.67 Lakhs, income from Gas transport services is Rs. 5.77 Lakhs, income from financing & investment activities is Rs. 172.05 Lakhs, other incomes - from business support services is Rs. 30 Lakhs, rental income is Rs. 87.59 Lakhs. The Company has earned a net profit of Rs. 277.48 Lakhs.

The Company is supplying Industrial Gases to Gas dealers in and around Faridabad. The level of activity at the Gas re-filling station depends on the level of business with Gas dealers. The Gas dealers are facing stiff competition from main line Gas Manufacturers resulting in pressure on prices of Gas which is sold by filling in Gas Cylinders. In order to improve its volumes and margins in this field the Company will have to make substantial investments in cylinders and transportation so that the Company is able to service the end users directly. However the Company will have to compete with a Multinational Gas Companies and as such any further investments in Gas Business may not be commercially viable.

The tankers for transportation of Gas are mainly used for the in-house requirement of Liquid Gases for its re-filling station at Faridabad. Since the Company is having their own tankers the Company is not dependent on outside transportation for purchase of Industrial Gases. As and when tankers are available, the Company also undertakes transportation of Gases for outside parties. However the scope of transportation business of Gases with outside parties is limited.

The Company is also providing business support services to one of its Group Company. The Company is also exploring the possibility of providing such type of services to some other parties. However the scope for the same is limited.

The Company has in place an adequate system of internal controls for ensuring reliability of financial reporting, monitoring of operations, protecting assets and compliance with regulations.

The Company consistently insures its assets and generally follows a conservative financial profile by following prudent business practices. The Company has in place a Risk Management Policy. Potential Risks of the Company are : Operational risk – Disruptions in operating the re-filling station of Gases due to equipment failures, un-expected or un-foreseen interruptions in transportation of Liquid Gases. The Company continuously works towards monitoring the maintenance of the plant and transport system. Safety, Health and Environment : The business of the Company of filling Gas in cylinders is inherently hazardous. Any accident, explosion may cause bodily injury or property damage and can adversely affect surrounding environment resulting in disruption of operations. The Company continuously monitors the safety guidelines to eliminate any such possible occurrence.

The Company has to make compliance of various statutory and legal requirements under different laws in force. The Company adheres to the statutory requirements and regularly reviews the compliance to overcome such risk.

HINDUSTAN WIRES LIMITED

During the year the Industrial Relations were cordial. The Company has always valued its human resources and believes in unlimited potential of each employee. The number of employees (including contractor workers) at the yearend was 58.

Cautionary Statement : The statements made in this report describing the Company's expectations and estimations may be forwarding looking statement. Actual results may differ from those expressed or implied in this report due to the influence of external and internal factors which are beyond the control of the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

**(Referred to in paragraph 8(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)
Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Hindustan Wires Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting issued by the Institute of Chartered Accountant of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

Note No.	Particulars
1	Company Overview, Basis of Preparation and Significant Accounting Policies
1.1	Company Overview
	<p>Hindustan Wires Limited ("the company") is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It is primarily engaged in the business of manufacture, filling of Gas in containers, testing of gas cylinders and transportation of Industrial Gases. It also carries on Finance and Investment activities including renting of immovable properties. The Company's registered office is at 5th Floor, 3A, Shakespeare Sarani, Kolkata-70071. The Company is listed on BSE Ltd and The Calcutta Stock Exchange Ltd.</p> <p>These financial statements were authorized for issuance by the board of directors of the company in their meeting held on May 16, 2018.</p>
1.2	Basis of Preparation of financial statements
(A)	Statement of Compliance
	<p>These standalone Ind AS financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under the Companies (Indian Accounting Standards) Rules, 2015. The financial statements up to the year ended March 31, 2017 were prepared in accordance with Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act ('Previous GAAP'). These are Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Refer note 42 for an explanation of the transition from previous GAAP to Ind AS and the effect on the Company's financial position, financial performance and cash flows.</p> <p>Exemptions and Exceptions availed</p> <p>Ind-AS 101 first time adoption of Indian Accounting Standards allows first time adopters certain exemption & exceptions from the retrospective application of certain requirements under Ind-AS effective April 1, 2016.</p> <p>Exemption</p> <p>Property, Plant & Equipment</p> <p>Ind-AS 101 permits a first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in financial statement as at date on transition to Ind-AS, measured as the previous GAAP and use that as its deemed cost as at date of transition. Accordingly Company has elected to measure all of its Property, Plant and Equipment at their previous GAAP carrying value.</p> <p>Exception</p> <p>i) Estimates</p> <p>An entity's estimates in accordance with Ind-AS at the date of transition to Ind-AS shall be consistent with estimate made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.</p> <p>(ii) Classification and Measurement of financial assets</p> <p>Ind-AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind-AS.</p>
(B)	Basis of measurement
	<p>The financial statements are prepared on historical Cost basis except for certain financial assets and liabilities that are measured at fair value. The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for an accrual basis.</p> <p>Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell assets or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.</p>
(C)	Functional and Presentation Currency
	<p>These financial statements are presented in Indian Rupee (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (upto two decimals), except as stated otherwise.</p>

HINDUSTAN WIRES LIMITED

Note No.	Particulars
(D) Use of Estimates	<p>In preparing Company's financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which the same is determined.</p>
(E) Current and non-current classification	<p>The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification. An asset is current when it is:</p> <ul style="list-style-type: none"> Expected to be realized or intended to be sold or consumed in normal operating cycle; Held primarily for the purpose of trading; Expected to be realized within twelve months after the reporting period; or Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current. <p>A liability is current when:</p> <ul style="list-style-type: none"> It is expected to be settled in normal operating cycle; It is held primarily for the purpose of trading; It is due to be settled within twelve months after the reporting period; or There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period <p>All other liabilities are classified as non-current.</p>
1.3 Significant Accounting Policy	
(A) Property Plant & Equipment	
A.1 Initial recognition and measurement	<p>An item of property, plant and equipment recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.</p> <p>Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.</p> <p>When parts of an item of property, plant and equipment have different useful life, they are recognized separately. Items of spare parts, stand-by-equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized. Property, Plant and Equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-in-progress'.</p>
A.2 Subsequent Costs	<p>Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.</p> <p>The cost of replacing part of an item of Property, Plant and Equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.</p>
A.3 De-recognition	<p>Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of Property, Plant and Equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and Equipment, and are recognized in the statement of profit and loss.</p>

HINDUSTAN WIRES LIMITED

Note No.	Particulars
A.4 Depreciation / amortization	<p>Depreciation on Property, Plant and Equipment is provided on straight line method in accordance with the rate of Schedule II of Companies Act, 2013.</p> <p>Depreciation on additions to/deductions from Property, Plant and Equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.</p>
(B) Capital work-in-progress	<p>The cost of self-constructed assets includes the cost of materials & direct labour, any other costs directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management and borrowing costs.</p> <p>Expenses directly attributable to construction of Property, Plant and Equipment incurred till they are ready for their intended use are identified and allocated on a systematic basis on the cost of related assets.</p>
(C) Inventories	<p>Inventories of Raw Materials, Work-in-Progress and Stores and Spare Parts are valued at the lower of cost and the net realizable value after providing for obsolescence and other losses, where considered necessary. For Valuation purpose, FIFO basis has been adopted.</p> <p>Cost includes all charges in bringing the good to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and excise duty where applicable.</p>
(D) Cash and Cash Equivalents	<p>Cash and cash equivalent in the Balance Sheet comprise cash at banks and cash in hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.</p>
(E) Financial Instruments	<p>Initial recognition</p> <p>Financial assets and financial liabilities are initially measured at fair value. Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are deducted from or added to the fair value of financial assets or financial liabilities, as appropriate, on initial recognition.</p> <p>Subsequent measurement</p> <p>Non derivative financial instruments</p> <p>(i) Financial assets carried at amortized cost: A financial asset is subsequently measured at amortized cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.</p> <p>(ii) Financial assets carried at fair value through other comprehensive income (FV) measured at FVTOCI if it is held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognized in other comprehensive income.</p> <p>(iii) Financial assets carried at fair value through profit or loss (FVTPL): A financial asset which is not classified in any of the above categories is subsequently measured at fair value through profit or loss.</p> <p>(iv) Financial liabilities: Financial liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts are approximate to fair value due to the short maturity of these instruments.</p>
(F) Compound financial instruments	<p>The liability component of a compound financial instrument is recognized initially at fair value of a similar liability that does not have an equity component. The equity component is recognized initially as the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component.</p> <p>Subsequent to the initial recognition, the liability component of a compound financial instrument is measured at amortized cost using the effective interest rate method. The equity component of a compound financial instrument is not re-measured subsequent to initial recognition except on conversion or expiry.</p>

Note No.	Particulars
(G) Impairment	
(i) Financial assets	
	The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through Profit or Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.
(ii) Non –Financial assets	
Tangible and intangible assets	
	Property, Plant and Equipment and intangible assets are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis to determine the extent of the impairment loss (if any). An impairment loss is recognized in the statement of Profit or Loss. The Company review / assess at each reporting date if there is any indication that an asset may be impaired.
(H) Fair value measurement	
	The Company measures financial instruments, such as derivatives at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either: In the principal market for the asset or liability, or in the absence of a principle market, in the most advantageous market for the asset or liability. The principal or the most advantageous market is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economics best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.:
	Level 1 – Quoted prices in active markets.
	Level 2 – Input other than quoted prices included within Level 1 that are observable, either directly or indirectly.
	Level 3 – Input that are not based on observable market data.
(I) Provisions, Contingent Liabilities and Contingent Assets	
	Provisions are measured at the present value of the management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
	Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably. No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.
(J) Revenue Recognition	
	Revenue is measured at the fair value of the consideration received or receivable and it is probable that future economic benefits will flow to the entity. Amount of sales are net of goods and service tax, sale returns, trade allowances and rebates but inclusive of excise duty. Revenue from sale of product is recognized when the significant risks and rewards of ownership of the product have been transferred to the buyer, and the amount of revenue can be measured reliably.
	Income in respect of renting immovable property/warehousing services and financial services etc are recognized in term of the respective agreements on accrual basis.
	Dividend income is recognized when the right to receive the income is established.
	Interest income is recognized, on time proportion basis taking amount involved and the rate of interest as agreed.

Note No.	Particulars
(K) Foreign Currency Conversions/Transactions	<p>Foreign Currency Transactions if any are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for an actual payments or realizations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognized in the Statement of profit and loss.</p>
(L) Income Taxes	<p>Income tax expenses for the year comprises of current tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to any business combination or to an item which is recognized directly in equity or in other comprehensive income.</p> <p>a) Current Tax</p> <p>Current tax expenses is made on the basis of estimated taxable income for the current accounting period in accordance with the provisions of Income Tax Act, 1961 and judicial interpretations thereof as at Balance Sheet date and takes into consideration various deductions and exemptions to which the Company is entitled to as well as reliance placed by the Company on the legal advices received by it.</p> <p>b) Deferred Tax</p> <p>Deferred tax charge or credit reflects the tax effects of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are reviewed at each Balance Sheet date and are written- down or written- up to reflect the amount that is reasonably certain (as the case may be) to be realized.</p> <p>Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation law.</p> <p>Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively. Deferred Tax includes Mat Credit Entitlement as per Ind-AS.</p>
(M) Employee Benefits	<p>M.1. Short Term Employee Benefits</p> <p>Short- term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under performance related payment if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.</p> <p>M.2 Post-Employment benefits</p> <p>Employee benefit that are payable after the completion of employment are Post Employment Benefit (other than termination benefit). These are of two types:</p> <p>M.2.1 Defined contribution plans</p> <p>Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognized as an expense in Statement of Profit & Loss.</p> <p>M.2.2 Defined benefit plans</p> <p>A Defined benefit plan is a post-employment benefit plan other than a defined contribution plan.</p> <p>Company pays Gratuity as per provisions of the Gratuity Act, 1972. Leave Encashment payable at the end of the employment is also post-employment defined benefit plan. The Company's net obligation in respect of defined</p>

HINDUSTAN WIRES LIMITED

Note No.	Particulars
	<p>benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.</p> <p>The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.</p> <p>Any actuarial gains or losses pertaining to components of re-measurement of net defined benefit liability / (asset) are recognized on OCI in the period in which they arise.</p>
(N) Borrowing Cost	<p>General and Specific Borrowings Cost that are directly attributable to the acquisition or construction or production of qualifying assets capitalized as part of the cost of such assets up to the date when such assets are ready for intended use. Qualified assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are charged as expenses in the year in which they are incurred.</p>
(O) Earnings Per Share	<p>Basic Earnings per Share is calculated by dividing the net profit of loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.</p>
(P) Leases	<p>Accounting for finance leases</p> <p>Leases of Property, Plant and Equipment, if any, where the company, as lessee has substantially all risks and rewards of ownership are classified as finance lease. On initial recognition, assets held under finance leases are recorded as Property, Plant and Equipment and the related liability is recognized under borrowings. At inception of the lease, finance leases are recorded at amounts equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. Minimum lease payments made under finance leases are apportioned between the finance expenses and the reduction of the outstanding liability.</p> <p>Accounting for operation leases</p> <p>Leases in which a significant portion or the risks and reward of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognized as an expense over the lease term.</p>
(Q) Recent accounting pronouncement issued but not yet effective up to the date of issuance of financial statements	<p>In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Rules, 2015, notifying Ind AS 115, 'Revenue from Contracts with Customers' This Ind-AS is in accordance with the IFRS 15. However, considering the challenges and difficulties, MCA deferred the applicability of this Ind-AS and made it to be implemented from April 01, 2018.</p> <p>This Ind-AS obliges the company to book its revenue from customers on the 5 step model as below:-</p> <ul style="list-style-type: none"> Step-1: Identify the contract with the customer Step-2: Identify the performance obligations in the contract Step-3: Determine the transaction price Step-4: Allocate the transaction price to the performance obligations Step-5: Recognise Revenue when (or as) the entity satisfies a performance obligation. <p>Based on the operations of the Company, this Ind AS is not applicable to the Company.</p>

36. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The company's activities are exposed primarily to financial risks from its operations. The key financial risks include market risk (including foreign currency risk, interest rate risk and commodity price risk), credit risk and liquidity risk. The company's overall risk management policy seeks to minimise potential adverse effects on company's financial performance.

HINDUSTAN WIRES LIMITED

(₹ in lakhs)

Note No.	Particulars
1	<p>Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk: interest rate risk, currency risk and other price risk such as commodity price risk.</p> <p>(a) Foreign Currency Risk: Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company is not having foreign currency trade payables and receivables and is therefore, not exposed to foreign exchange risk.</p> <p>(b) Interest Rate Risk: Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The company mitigates this risk by regularly assessing the market scenario, interest rate negotiations with the lenders for ensuring the cost effective method of financing.</p> <p>(c) Commodity Price Risk: The company is affected by the price volatility of certain commodities. its operating activities require the purchase of liquid industrial Gases. For commodity price risk, the company has an approved supplier base to get best competitive prices for the commodities and to assess the market to manage the cost without any compromise on quality.</p>
2	<p>Credit Risk: Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables.</p> <p>Trade Receivables: Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.</p> <p>For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.</p> <p>Credit risk is reduced by receiving pre-payments and letter of credit to the extent possible. The company has a well defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. impairment analysis is performed based on historical data at each reporting date on an individual basis.</p>
3	<p>Liquidity Risk: Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.</p>

37. CAPITAL MANAGEMENT

The company's policy is to maintain an adequate capital base so as to maintain creditor and market confidence and to sustain future development. capital includes issued capital, share premium and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maintain an optimal structure so as to maximise the shareholder's value. In order to strengthen the capital base, the company may use appropriate means to enhance or reduce capital, as the case may be.

The company is not subject to any external imposed capital requirement. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. Net Debt is calculated as borrowings less cash and cash equivalents.

	As at 31.03.2018	As at 31.03.2017	As at 01.04.2016
Borrowings	167.51	151.93	137.81

38. OPERATING SEGMENTS

As the Company's business activity primarily falls within a single business and geographical segment i.e. Gas Business, thus there are no additional disclosures to be provided under Ind AS 108 - "Operating Segment". The management considers that the various goods and services provided by the Company constitutes single business segment since the risk and rewards are not different from one another.

39. FAIR VALUES

Set out below, is a comparison by class of the carrying amounts and fair value of the financial instruments of the company:

	As at 31.03.2018		As at 31.03.2017		As at 01.04.2016	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value	Carrying Amount	Fair Value
(i) Financial Assets						
(a) At Fair Value through Profit and Loss						
- Investments in Equity Shares	293.96	293.96	103.90	103.90	54.83	54.83
(b) At Amortised cost						
- Trade Receivables	35.20	35.20	71.41	71.41	68.00	68.00
- Others	1090.17	1090.17	1897.77	1897.77	1764.22	1764.22
Total	1419.33	1419.33	2073.08	2073.08	1887.05	1887.05
(ii) Financial Liabilities						
At Amortised cost						
- Borrowings	167.51	167.51	151.93	151.93	137.81	137.81
- Trade Payables	23.15	23.15	20.77	20.77	17.52	17.52
- Others	9.14	9.14	10.73	10.73	7.39	7.39
Total	199.80	199.80	183.43	183.43	162.72	162.72

The following methods and assumptions were used to estimate the fair values:

1. Cash and short-term deposits, trade receivables, loans, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Other non-current receivables are evaluated by the company, based on parameters such as interest rates, individual credit worthiness of the counterparty etc. Based on this evaluation, allowances are considered to account for the expected losses of these receivables. As at end of each reporting year, the carrying amounts of such receivables, net of allowances (if any), are not materially different from their calculated fair values.
3. Fair value of investments in quoted mutual funds and equity shares are based on quoted market price at the reporting date.
4. Fair value of borrowings from banks and other non-current financial liabilities, are estimated by discounting future cash flows using rates currently available for debt on similar terms and remaining maturities.
5. The fair values of derivatives are calculated using the RBI reference rate as on the reporting date as well as other variable parameters.

Fair Value Hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorised within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets.

Level 2 - inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly. Level 3 - inputs that are not based on observable market data.

- Forward contracts				

During the year ended March 31st, 2018 and March 31st, 2017, there were no transfers between Level 1 and Level 2 fair value measurements and no transfer into and out of Level 3 fair value measurements.

40. Public Sector Oil Companies i.e. IOCL, HPCL, BPCL, and IBP had reduced in the earlier years, the price of LPG cylinders with retrospective effect i.e. from 01.07.1999. The oil companies after reduction in prices had withheld in aggregate Rs. 3,24,56,427/- from the supply bills of the Company. The company is contesting this reduction in price of Cylinders before the appropriate authorities. However since the matter had become very old and after considering the principles of financial prudence the entire amount was written off in the books of accounts in earlier years. As the matter of prudence, the entire amount is provided for and written off without prejudice to the right of recovery through legal process.

41. Events Occurring after the Balance Sheet

The company after the Balance Sheet date (31.03.2018) has entered into an agreement to sell its Land and Building situated at Faridabad Unit. However the Company will continue to operate its current line of business from nearby location to be taken on rent.

42. RECONCILIATIONS

Overall principle

These are the Company's first financial statement prepared in accordance with Ind AS, accordingly the Company has prepared the opening Balance Sheet as per Ind AS at of April 1, 2016 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities.

The following reconciliations provide a quantification of the effect of significant differences arising as a result of transition from Previous GAAP to ind AS in accordance with ind AS 101:

- Reconciliation of Equity as at April 01, 2016 (date of transition to Ind-AS)
- Reconciliation of Equity as at March 31, 2017
- Reconciliation of Statement of Profit and Loss for the year ended 31st March, 2017
- Notes to Reconciliation of Equity as at April 01, 2016 & March 31, 2017 and Statement of Profit and Loss for the year ended 31st March, 2017

Note No.	Particulars
	<p>Notes to Reconciliation of Equity as at April 01,2016 & March 31,2017 and Statement of Profit and Loss for the year ended 31st March, 2017</p> <p>A. Property, Plant and Equipment (PPE)- Fair Value as Deemed cost in Ind AS</p> <p>Ind AS 101 permits first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in financial statement as at date on transition to Ind AS , measured as the previous GAAP and use that as its deemed cost as at date of transition. Accordingly Company has elected to measure all of its Property, Plant and Equipment at their previous GAAP carrying value .</p> <p>B. Investments other than investment in Subsidiary and joint venture</p> <p>Under Indian GAAP non-current investments other than investment in subsidiary, joint venture are measured at cost less any permanent diminution in value of investment. Difference between the cost and market price is recognized in profit and loss. Under Ind AS, investments are designated as fair value through profit and loss (FVTPL)</p> <p>On the transition date the Investments in Quoted Shares have been measured at their fair value which is less than the cost as per previous GAAP, resulting in increase in carrying amount by Rs.2.70 Lakhs as at transition date with resulting gain adjusted in retained earnings.</p> <p>C. Fair valuation of financial assets and liabilities</p> <p>Under Indian GAAP, receivables and payables were measured at transaction cost less allowances for impairment, if any. Under Ind AS, these financial assets and liabilities are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less allowance for impairment, if any. The resulting finance charge or income is included in finance expense or finance income in the Statement of Profit and Loss for financial liabilities and financial assets respectively.</p> <p>D. Redeemable Cumulative/Non-Cumulative Preference Shares</p> <p>The Company had issued Redeemable Cumulative/Non-Cumulative Preference Shares. The Preference shares carry fixed dividend which is at the discretion of the Company. Under Indian GAAP, the Preference shares were classified as equity and dividend payable thereon, if any, was treated as distribution of Profit.</p> <p>Under Ind-AS , these Preference Shares are separated into liability and equity based on the terms of the contract. Interest on liability component is recognised using effective interest rate method. Thus the preference share capital is reduced by Rs. 237.90 Lakhs as at March 31,2017 and Rs. 237.90/- Lakhs as at April 1,2016 with a corresponding increase in Borrowings as liability and tax component.</p> <p>E. Deferred Tax</p> <p>Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.</p> <p>The various transitional adjustments lead to temporary differences. Accordingly the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction in Retained Earnings. The net impact on deferred tax assets is Rs.133.57 Lakhs as on the date of transition and net impact on deferred tax assets is Rs.106.80 Lakhs for the year ended March 31,2017.</p> <p>F. Defined benefit obligations</p> <p>The impact of change in actuarial assumption and experience adjustments for defined benefit obligation towards gratuity liability is accounted in the Statement of Other Comprehensive Income and corresponding tax impact on the same. Due to this, Rs.0.70 lakhs (Net of deferred tax) for the period ended March 31, 2017, tax credit thereon is shown in OCI and reversal in Statement of Profit and loss.</p> <p>G. MAT Credit Entitlement</p> <p>Mat credit entitlement has been reclassified to Deferred Tax Assets as per Ind AS. Therefore Rs. 23.35 lakhs and Rs. 65.73 lakhs have been reclassified from MAT credit to Deferred Tax Assets on the date of transition on April 1,2016 and March 31,2017 Respectively.</p>
