CHAIRMAN'S STATEMENT

Dear Shareholders,

I am happy to present to you the 95th Annual Report of The Tinsplate Company of India Limited and the financial performance for the year 2013-14. The financial year 2013-14 was a challenging year for the Indian economy as its growth rate slowed down due to a variety of factors including high interest rates, inflationary conditions, low level of capital formation and regulatory bottlenecks. However, India has a huge opportunity to grow in the next decade and be one of the most competitive nations of the future. In order to realise this potential, the country will require significant investments in physical and social infrastructure in the coming years. With the new government in place, having a strong political mandate, there is an expectation that the government and the policy makers will put a framework of development in place that would revive the economy and enhance its competitiveness. The packaging industry is also looking forward to the new initiatives for boosting the growth of processed food industry as also for improving the organized retail trade in India. With increased urbanization in India, the packaging

industry will continue to be attractive and tinsplate as a safe, recyclable product would be well poised to grow in consumption.

Over the last decade, the Company has been on a growth path to add capacity and it continues to work on pursuing operational excellence and market differentiation including better service levels to its customers. The growth in the tinsplate industry is highly correlated with the growth in the processed food and beverage industry. With a market share of over 45%, the Company maintained its leadership position in the steadily growing Indian market in the financial year 2013-14. The Company also registered a new high in the exports segment backed by a favorable exchange rate. Going forward, the Company will work towards consolidating its market position through differentiated value added product mix and enhancing its service levels to the customers. As the consumption levels of packaged products increases in the country in the future, the Company will be well poised to grow along with the market.

Finally, I would like to express my gratitude to all our shareholders, customers, suppliers and lenders for their continued support and partnership that has further strengthened the Company. I would also like to thank all the employees and the Golmuri Tinsplate Workers Union for their efforts and contributions towards the Company's progress.

Yours Sincerely

1. Period : From 17th June 2014 to 16th June, 2019.
2. Nature of Duties : Mr Daga shall devote his whole time and attention to the business of the Company and carry out such duties as may be entrusted to him by the Board of Directors from time to time and separately communicated to him and such powers as may be assigned to him, subject to the superintendence, control and directions of the Board in connection with and in the best interest of the business of the Company.
3. A) Remuneration :
 - a) Salary : ₹ 2,58,720/- per month, in the scale of ₹ 1,22,000/- to 3,00,000/- per month with annual increment effective from 1st April, each year, as may be decided by the Board, based on the merit and taking into account the Company's performance for the year;
 - b) Bonus/ performance linked incentive, and/or commission based on certain performance criteria laid down by the Board;
 - c) Benefits, perquisites and allowances as will be determined by the Board from time to time.
- B) Minimum Remuneration : Notwithstanding anything to the contrary herein contained, where in any financial year during the currency of Mr Daga's tenure, the Company has no profits or its profits are inadequate, the Company will pay to Mr Daga remuneration by way

of salary, benefits, perquisites and allowances and commission or performance-linked bonus as approved by the Board and to the extent permitted under the Act.

4. Other terms of re-appointment :

- (i) The terms and conditions of Mr Daga's re-appointment may be altered and varied from time to time by the Board as it may, in its discretion, deem fit, irrespective of the limits stipulated under Schedule V to the Act or any amendments made hereinafter in this regard in such manner as may be agreed to between the Board and Mr Daga, subject to such approvals as may be required.
- (ii) The re-appointment may be terminated by either party giving to the other party three months' notice of such termination or the Company paying three months' remuneration in lieu thereof.
- (iii) Mr Daga shall not become interested or otherwise concerned, directly or through his spouse and/or children in any selling agency of the Company.
- (iv) Mr Daga's employment may be terminated by the Company without notice or payment in lieu of notice :
 - (a) if Mr Daga is found guilty of any gross negligence, default or misconduct in connection with or affecting the business of the Company to which he is required by the terms of his appointment to render services; or
 - (b) in the event of any serious repeated or continuing breach (after prior warning) or non observance by Mr Daga of any of the stipulations contained in the terms of his appointment; or
 - (c) in the event the Board expresses its loss of confidence in Mr Daga.
- (v) Upon the termination by whatever means of Mr Daga's employment :
 - (a) Mr Daga shall immediately tender his resignation as a Director of the Company and from such other offices held by him in the Company, without claim for compensation for loss of office.
 - (b) Mr Daga shall not without the consent of the Company at any time thereafter represent himself as connected with the Company.
- (vi) Mr Daga is re-appointed by virtue of his employment in the Company and his appointment is subject to the provisions of Section 167(1)(h) of the Act. He shall not be liable to retire by rotation.
- (vii) The terms and conditions of re-appointment of Mr Daga also include clauses pertaining to adherence with the Tata Code of Conduct, intellectual property, non-competition, non conflict of interest with the Company and maintenance of confidentiality.
- (viii) If and when the tenure of his appointment expires or is terminated for any reason whatsoever, Mr Daga will cease to be MD and also cease to be a Director. If at any time Mr Daga ceases to be a Director of the Company for any reason whatsoever, he shall cease to

be the MD and the terms of his appointment shall forthwith terminate. If at any time Mr Daga ceases to be in the employment of the Company for any reason whatsoever, he shall cease to be a Director and the MD of the Company.

Mr Tarun Kumar Daga is interested and concerned in the Resolution mentioned at Item no. 6 of the Notice. Other than Mr Daga, no other Directors, Key Managerial Personnel (KMP) or their respective relatives of Directors or KMP are concerned or interested in the Resolution.

Item No. 11 and 12

At the Annual General Meeting of the Company held on 11th July, 2006 the Board of Directors (the Board), pursuant to the resolutions passed under Section 293(1)(d) and 293(1)(a) of the Companies Act, 1956 were empowered to borrow and to create charges / mortgages/ hypothecations for an amount not exceeding ₹ 1200/- crores.

Consequent upon the Companies Act 2013 (the Act) coming into force with effect from 1st April 2014, a fresh consent of the Members at the Annual General Meeting is required to borrow money where the amount to be so borrowed together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's Bankers in the ordinary course of business) exceeds the aggregate of the paid-up share capital of the Company and its free reserves.

In view of the above change in legislation it is considered desirable to authorize the Board, in accordance to Section 180(1)(c) of the Act, to borrow money on behalf of the Company upto the existing authorized limit of ₹ 1200/- crores.

The proposed borrowings by the Company may, if necessary be secured by way of charge / mortgage / hypothecation on the Company's assets in favour of the security holders / trustees for the holder of the said securities. As the documents to be executed between the security holders / trustees for the holders of the said securities and the Company may contain the power to take over the management of the Company in certain events, it is necessary to pass a resolution under Section 180(1)(a) of the Act, for creation of charges / mortgage / hypothecations for an amount not exceeding the existing authorized limit of ₹ 1200/- crores.

The above Resolutions are in the interest of the Company and your Directors commend the Resolutions in Item nos. 11 and 12 of the Notice for approval by the Members.

None of the Directors or Key Managerial Personnel (KMP) of the Company or their respective relatives are concerned or interested in the Resolutions.

Item Nos. 13

The Board of Directors of the Company on the recommendation of the Audit Committee, approved the appointment of M/s Shome & Banerjee, Cost Auditors, to conduct Cost Audit for the financial year ending 31st March, 2015 at a fee of ₹1.5 Lakhs per annum plus reimbursement of service tax, out-of-pocket, travelling and living expenses.

M/s. Shome & Banerjee have furnished a certificate regarding their eligibility for appointment as Cost Auditors of the Company. M/s. Shome & Banerjee have vast experience in the field of cost audit and have conducted the audit of the cost records of the Company for the past several years under the provisions of the Companies Act, 1956.

The Board has approved the remuneration of ₹ 1.5 Lakhs per annum plus out-of-pocket expenses to M/s. Shome & Banerjee as the Cost Auditors and the ratification of the shareholders is sought for the same by an Ordinary Resolution at Item No. 13.

The Resolution at Item No. 13 is commended for approval by the Members.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the Resolution mentioned at Item No. 13 of the Notice.

ECONOMIC ENVIRONMENT

The world economy expanded at a very subdued pace, on account of weaker domestic demand and slower growth in several key emerging market economies and rather gradual recovery of Europe from a more protracted recession. While imminent risks in advanced economies have diminished, new risks of a longer term growth slowdown in emerging market economies have now surfaced, due to prolonged effects of domestic capacity issues, slow down in credit growth and weak external conditions.

Economic growth in India also remained subdued in Financial Year 2013-14 against the backdrop of the global slowdown, with high interest rates impacting consumption and slowing down of fixed asset investments. Whilst there was a revival in agriculture, the Government's monetary policy imperative was to contain inflation while supporting growth. Industrial output growth rate, however, saw a deceleration due to a combination of global and domestic factors and a decline in mining sector, capital goods, and consumer goods. Despite the slowdown, the belief in the long-term potential of the economy remains strong. Decisive policy actions on issues such as curbing wasteful subsidies, attracting foreign direct investment to reduce the current account deficit and an increase in infrastructure spending may restore confidence and lead to stronger growth. However, the continual lack of action on the policy front prior to the elections has impacted the economy.

The apparent consumption of tinplate in India saw a marginal drop in the year under review - whilst this may be due to the foreign exchange situation during the year and various other factors, the overall position may need to be seen over a longer time horizon.

With a stable political domestic environment and hope of revival of domestic demand, packaging demand is expected to improve going forward.

PERFORMANCE

During the year under review, the Company's operating scale increased by around 5% as compared to the previous year i.e. increased in volumes from approximately 310,000 tons in FY12-13 to 324,000 tons in FY13-14. Based on increased volumes and better realisations over input raw

materials in FY14, the Company's EBIDTA (Earnings before Interest, Taxes, Depreciation and Amortisation) during the year increased to ₹ 173 Crores from ₹ 133 Crores in FY 2012-13. The profit after tax also increased during the year under review to ₹ 63 Crores from the profit after tax of ₹ 28 Crores in FY 2012-13.

Your Company is working towards further ramping up the scale of operations through higher capacity utilization. In order to further improve the operating and financial performance, the Company is striving to reduce operating costs, improving raw material utilization efficiencies and at the same time improving product quality for achieving greater customer satisfaction.

SAFETY AND ENVIRONMENT

Safety and occupational health responsibilities are integral to your Company's business process and these are laid down in the Company's Safety and Health Policy, standards and working procedures. In terms of the aforesaid policy your Company is committed to ensuring zero harm to its employees, any person in the company premises and the communities in which it operates. Safety is a key performance indicator and one of the prime drivers of the Company's operating efficiency. The Company is continuously focusing on improved training, new initiatives and communications for improving safety in the work place.

Monitoring the health of the employees commensurate with the work environment is a continuous process and there have been no significant observations relating to deficiencies in workplace health and hygiene conditions.

During the year under review, there were no fatal incidents. The Lost Time Injury Frequency rate was 1.63 as against 1.49 in 2012-13.

Your Company is committed to conserving the environment and places great emphasis on minimizing the environmental impact of its operations through adoption of sustainable practices and continuous improvement in environmental performance. The major focus areas are - Waste and Energy Management, Water Conservation, Afforestation and Reduction in Emissions. Actions have been initiated to reduce carbon footprint through reduction in energy, fuel and water consumption. Various initiatives such as use of variable frequency in several drives, natural air ventilation systems, use of translucent sheets to provide natural illumination during day time, use of energy efficient lights, and use of solar heating systems have been undertaken to reduce energy consumption. For ensuring a cleaner and sustainable environment, the Company is focusing on tree plantation, use of cleaner fuel like propane in place of high speed diesel as well as recycling of waste water.

DIRECTORS

In accordance with the provisions of the Companies Act, 2013 and the Company's Articles of Association, Mr. Anand Sen retires by rotation and is eligible for re-appointment.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Details of conservation of energy, technology absorption and foreign exchange earnings and outgo as per Section 217(1)(e) of the Companies Act, 1956 (the Act) read with the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules 1988, are given in Annexure 'I' to this Report.

PARTICULARS OF EMPLOYEES

The information required under Section 217(2A) of the Act, and the rules there under, in respect of the employees of the Company, is provided in the Annexure forming part of this Report. In terms of Section 219(1)(b)(iv) of the Act, the Report and Accounts are being sent to the Members, excluding the aforesaid Annexure. The Annexure is available for inspection by the Members at the Registered Office of the Company during business hours on working days up to the date of the ensuing Annual General Meeting, and if, any Member is interested in obtaining a copy thereof, such Member may write to the Company Secretary, where upon a copy would be sent.

CORPORATE GOVERNANCE

Pursuant to Clause 49 of the Listing Agreement executed with the Stock Exchanges, a Management Discussion and Analysis, Corporate Governance Report, Managing Director's and Auditors' Certificate regarding compliance of conditions of Corporate Governance are made a part of the Annual Report. A note on the Company's corporate social responsibility is also included.

AUDITORS

Statutory Auditors

The Members are requested to appoint the Auditors and fix their remuneration. Messrs Deloitte Haskins & Sells, Chartered Accountants, the retiring auditors have furnished a certificate of their eligibility for re-appointment as required under the Act.

Cost Auditors

Your Company has re-appointed Messrs Shome & Banerjee, Cost Accountants, as the Cost Auditor of the Company for audit of the cost records maintained by the Company for the year ended 31st March, 2015.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 217(2AA) of the Act, the Directors based on the representations received from the Operating Management, confirm that :

- i) in the preparation of the annual accounts, the applicable accounting standards have been followed and that there are no material departures;

- ii) they have, in the selection of the Accounting Policies, consulted the Statutory Auditors and have applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- iii) they have taken proper and sufficient care to the best of their knowledge and ability for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) they have prepared the annual accounts on a going concern basis.

ACKNOWLEDGEMENTS

The Directors would like to place on record their appreciation to all the employees of the Company for their efforts and their contribution to the Company's performance. The recognized Unions at Jamshedpur and Kolkata have cooperated in an exemplary manner towards achieving the objectives of your Company.

The Directors would also like to thank the shareholders, customers, suppliers, bankers, financial institutions, Central and State government agencies and all other stakeholders for their trust and continuous support to the Company.

On behalf of the Board of Directors

Koushik Chatterjee
Chairman

Kolkata, 22nd April, 2014

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS REVIEW

Tinplate, a value added flat steel product, is a versatile packaging substrate used in edible oils, paints, pesticides, processed foods, beverages and other industries. Its high suitability for packaging of processed edibles has enabled it to withstand the vagaries of the economic environment resulting in a steady growth in demand. However, cost pressures will continue on account of inflation rates, energy and transportation costs.

Growth of packaging industry is strongly co-related to the economic growth of a region. During the past year, global economy posted a marginal growth, amidst slow growth in the European, US and Chinese economies. Global packaging demand accordingly grew at a slower pace. However, aided by a favourable exchange rate, your Company was able to enhance its export business by nearly 60%.

On the domestic front, while the end use industry saw a steady growth, the apparent consumption of tinplate in India remained largely flat / marginally lower. Your Company was able to cross yet another milestone of 250,000 tons of sales in domestic market and a new high of 70,000 tons in export business. Going forward, higher levels of customer engagement and cost efficiencies will drive higher volumes and improve profitability.

The threat of intensifying competition from newer domestic mills and imports, especially from Japan and Korea (on account of Free Trade Agreement), continue to pose challenges for growth in the domestic tinplate industry. The Company has taken a number of measures to address these challenges.

Your Company continues to focus on enhancing customer engagement and value creation through several customer engagement and relationship building programs, which are being continuously strengthened. It continues to drive promotional activities to reach out across the industry value chain and to important stakeholders. The Company is also working with leading brand owners for fresh applications for tinplate packaging.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Your Company has pioneered tinplate manufacturing in India since 1920s, and presently has a leading market share of approx 45-50% in India.

The company has installed capacity of 379,000 tons per annum at its manufacturing facility located at Jamshedpur in the state of Jharkhand. The total domestic apparent consumption is above half a million tons per annum of which close to 50% is met through imports and the rest through domestic supplies. In the past year, apart from the existing competitors, a new player has established itself and some more are expected.

Today the per capita consumption of tinplate in India is around 0.43 kg which is still very low compared to many developed nations and developing economies like China. Growth in packaging industry has always been closely linked with the GDP growth of the country. In India, with high growth in modern retail, FDI in multi-brand retail and with Government's thrust on the food processing industry, packaging industry is bound to grow. As a result, tinplate demand is likely to increase provided indigenous manufacturers undertake robust developmental efforts. However, significant import of non-prime tinplates and their use in food packaging dampens the demand for prime tinplate. Though the customs duty for all steel products was increased to 7.5% recently, it continues to be relatively low and is not a significant deterrent to the dumping of non-prime tin mill products into India mainly from USA, Europe and Latin America. Further, the Free Trade Agreement with Japan has led to influx of good quality tinplate into India at very low (3%) customs duty.

Also, with strong competition from substitutes, the industry needs to continuously endeavor to make tinplate packaging more competitive at a global level by focusing on light-weighting.

OPPORTUNITIES AND THREATS

Opportunities :

- The changing demographic profile (young, affluent and environment conscious consumers, nuclear families) coupled with rapid growth in modern retail are driving the growth in the Indian packaging industry. Besides, global concerns over climate change are drawing focus on the need for sustainable and eco-friendly packaging. Tinplate, being naturally environment friendly, enjoys superiority over other conventional packaging media like : PET, plastic, HDPE etc.
- The packaging industry is primarily dependent on growth in the food and beverage industry. The Ministry of Food Processing, Government of India has been continuously encouraging the growth of the processed foods industry through policy interventions, food safety and standards enactment and increasing levels of promotional efforts across India. The implementation of the Food Safety and Standards Act would further help in promoting the use of prime quality tinplate in packaging.

- Globally, tinplate has remained competitive mainly through progressive light-weighting. With the recent enhancement in capacity, your Company is better equipped to meet the growing demand for thinner tin mill products.

Threats :

- Changes in input raw material (hot rolled coils and tin) prices not commensurate with tinplate prices would put serious pressure on margins. Volatility in foreign exchange rates creates uncertainties in managing exports.
- Post Free Trade Agreement with Japan, import of good quality prime tinplate has become cheaper with duty being just 3%, while dumping of non-prime tinplate from international mills continues to pose a problem as these tinplates find their way into food packaging industry.
- Domestic competition is intensifying with existing players getting more aggressive and new players entering the market. This will lead to reduction in margins in years to come unless growth takes place.
- Alternate packaging medium continues to pose a threat to the metal packaging industry.

OPERATIONAL PERFORMANCE

During the financial year 2013-14, the Company has achieved a 5% increase in production over the previous year and an overall capacity utilization of approx 85%.

The Company's product mix has continued to serve end-uses like edible oils, paints, pesticides, battery jackets, aerosol cans, processed foods and crown corks. The products continue to be supplied in sheet form and in coil form.

The Company is undertaking several improvement initiatives related to safety practices, environment management, quality, efficient utilization of raw materials and reduction in power, fuel and water consumption. The Company improved its quality yields and customer complaints have reduced as compared to the previous year.

The relevant operations of the Company are certified to IMS Systems, namely, ISO 9001, ISO 14001, OHSAS 18001 and ISO 22000.

FINANCIAL PERFORMANCE

The gross revenue from operations of the Company for FY 2013-14 at ₹ 1059 crores were higher by 20% compared to FY 2012-13 at ₹ 877 crores on the strength of enhanced scale of operations and better realisations. The profit after tax has correspondingly increased to ₹ 63 crores in FY 2013-14 from ₹ 28 crores in FY 2012-13.

INTERNAL CONTROLS AND SYSTEM

The company maintains adequate internal control systems through established processes and procedures set up by the management. The company has a comprehensive Internal Control Manual which provides for documented procedures covering Operations, Sales, Project Management, Procurement, Human Resources, Information Technology and Financial Reporting. These are periodically reviewed by Internal Audit Department.

The main objectives of Internal Audit Department are to review the reliability and integrity of information, check compliance with policies and applicable laws and regulations. It also reviews the effectiveness of risk management processes relating to internal control and governance for safeguarding of assets.

The Audit Committee of the Board reviews, inter alia, the adequacy and effectiveness of the Internal Control environment and monitors internal audit recommendations including those relating to strengthening the Company's risk management policies and systems. It is also engaged in overseeing the financial disclosures.

The Audit Committee engages with the Company's Statutory Auditors to ascertain their views on compliance to accounting policies and the adequacy as well as effectiveness of the internal control

systems followed by the Company. The Audit Committee's observations and suggestions are acted upon by the Management.

RISKS AND CONCERNS

The Risk Management framework of the Company ensures compliance with the requirements of Clause 49 of the Listing Agreement. The framework provides for risk identification, risk evaluation, prioritization followed by development of risk mitigation plans. Risks are identified through a structured process and classified as high, medium and low depending on likelihood and impact intensity. All inherent risks are reviewed at appropriate forums and are being integrated progressively with Company's action plans including the capital expenditure programs for effective mitigation. The committee of management of the Company, formed for risk mitigation, meets periodically and reviews the residual risks.

Internal Audit Department maintains the Risk Register containing the details of inherent risks, grading of risks, mitigation plans and residual risks. The risk register is updated periodically.

Risk reports containing details of risks along with mitigation plans are regularly reported to the Audit Committee as well as to the Board of Directors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE TINPLATE COMPANY OF INDIA LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **THE TINPLATE COMPANY OF INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2014, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards notified under the Companies Act, 1956 ("the Act") (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs) and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2014;
- (b) in the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003("the Order") issued by the Central Government in terms of Section 227(4A) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by Section 227(3) of the Act, we report that :
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards notified under the Act (which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated 13th September, 2013 of the Ministry of Corporate Affairs).
 - (e) On the basis of the written representations received from the directors as on 31st March, 2014 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2014 from being appointed as a director in terms of Section 274(1)(g) of the Act.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) Having regard to the nature of the Company's business/activities/results during the year, clauses (vi), (x), (xii), (xiii), (xiv), (xv), (xviii), (xix) and (xx) of paragraph 4 of the Order are not applicable to the Company.
- (ii) In respect of its fixed assets :
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) Some of the fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us no material discrepancies were noticed on such verification.
 - (c) The fixed assets disposed off during the year, in our opinion, do not constitute a substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.
- (iii) In respect of its inventories :
 - (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion, and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iv) The Company has neither granted nor taken any loans, secured or unsecured, to/from companies, firms or other parties covered in the Register maintained under Section 301 of the Companies Act, 1956.

- (v) In our opinion and according to the information and explanations given to us, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (vi) According to the information and explanations given to us, there are no contracts or arrangements which are required to be entered in the Register maintained in pursuance of Section 301 of the Companies Act, 1956.
- (vii) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (viii) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Section 209(1)(d) of the Companies Act, 1956 and are of the opinion that *prima facie* the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (ix) According to the information and explanations given to us, in respect of statutory dues :
- a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Income Tax, Investor Education and Protection Fund, Employees' State Insurance, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears, as at 31st March, 2014 for a period of more than six months from the date they became payable.
 - c. Details of dues of Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty and Cess which have not been deposited as on 31st March, 2014 on account of disputes are given below :

NOTES TO THE FINANCIAL STATEMENTS

1. General Corporate Information

The Tinsplate Company of India Ltd. (TCIL) is the largest producer of tin coated and tin free steel sheets in India. Having its headquarter in Kolkata, the company's works is located at Jamshedpur, Jharkhand. The strategic goal of the company is to create and enhance value for the stakeholders through growth and competitiveness and also to reach status of supplier of choice for tin mill products in Asia.

2. Summary of Significant Accounting Policies

2.01 Basis of preparation of Financial Statements

The financial statements are prepared under the historical cost convention on going concern, on accrual basis and are in compliance with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 (which continues to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated September 2013 of the Ministry of Corporate Affairs).

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The accounts presentation in accordance with Generally Accepted Accounting Principles in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities as at the date of the financial statements and the reported amounts of expenses during the year. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.02 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.03 Revenue Recognition

(i) **Sale of goods**

Sales are recognised when the substantial risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract. Revenue includes consideration received or receivable, excise duty but excludes sales related taxes and are net of discounts.

(ii) **Rendering of services**

Conversion income and income from hospital services are recognised on rendering of the related services.

(iii) **Dividend and Interest income**

Dividend income is recognised when the company's right to receive dividend is established. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

2.04 Fixed Assets

All fixed assets (comprising both tangible and intangible items) are stated at cost less depreciation/amortization. Pre-operative expenses including trial run expenses (net of revenue) are capitalised. The cost of an asset includes the purchase cost of materials, including import duties and non-refundable taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use. Interest on borrowings used to finance the construction of qualifying assets are capitalised as part of the cost of the asset until such time that the asset is ready for its intended use.

NOTES TO THE FINANCIAL STATEMENTS *(Contd.)*

2.05 Depreciation and Amortisation

- (i) Freehold land is not depreciated. Premium paid on leasehold land and land development expenses are amortised over the primary lease period.
- (ii) In respect of other assets, depreciation is provided on a straight line basis applying the rates specified in Schedule XIV to the Companies Act, 1956, other than computer software (Intangible asset) which is amortised under straight line method over a period of five years.

2.06 Employee Benefits

- (i) **Short-term Employee Benefits**
Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

- (ii) **Post Employment Benefit Plans**

Defined Contribution Plans

Defined contribution plans are those plans where the Company pays fixed contributions to a fund managed by independent trust. Contributions are paid in return for services rendered by the employees during the year. The company has no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay employee benefits. The Company provides Provident Fund facility to all employees and Superannuation benefits to selected employees.

Defined Benefit Plans

The present value of these defined benefit obligations are ascertained by an independent actuarial valuation using Projected Unit Credit Method as per the requirement of Accounting Standard 15 - Employee Benefits. The liability recognised in the balance sheet is the present value of the defined benefit obligations on the balance sheet date less the fair value of the plan assets (for funded plans), together with adjustments for unrecognised past service costs. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the scheme. All actuarial gains and losses are recognised in the Statement of Profit and Loss in full in the year in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested, and otherwise is amortised on a straight-line basis over the average period until the benefits become vested.

- (iii) **Other Long-term Employment Benefits (unfunded)**

The present value of obligation against long-term employee benefits is ascertained by an independent actuarial valuation using Projected Unit Credit Method as per the requirement of Accounting Standards 15 - Employee Benefits. All actuarial gains and losses and past service cost are recognised in the Statement of Profit and Loss in full in the year in which they occur.

2.07 Foreign Currency Transactions

Transactions in foreign currencies are initially recognised in reporting currency i.e. Indian Rupees, using the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are remeasured at the rates of exchange prevailing at the balance sheet date.

The exchange differences arising on the settlement of transactions and remeasurement are recognised in the Statement of Profit and Loss. In respect of transactions covered by forward exchange contracts, the difference between the contract rate and the spot rate on the date of transaction is charged to the Statement of Profit and Loss over the period of the contract. Profit/(loss) on cancellation of forward exchange contracts are recognised as income or as expense in the statement of Profit and Loss.

2.08 Borrowing Costs

Borrowing Costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such assets till such time as the asset is ready for its intended use. A

NOTES TO THE FINANCIAL STATEMENTS *(Contd.)*

qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

2.09 Impairment

Whenever events or changes in circumstances indicate that the carrying value of fixed assets may be impaired, the Company subjects such assets to a test of recoverability, based on discounted cash flows expected from use or disposal of such assets. If the assets are impaired, the Company recognises an impairment loss as the difference between the carrying value and recoverable amount i.e. net selling price or value in use, whichever is higher.

2.10 Investments

Long term (i.e Non-current) investments are carried at cost less provision for diminution other than temporary (if any), in the value of such investments. Current investments are carried at lower of cost and fair value.

2.11 Inventories

Inventories are carried at lower of cost and net realisable value other than scrap which is carried at net realisable value.

Cost of inventories is generally ascertained on weighted average basis. Work-in-progress and finished and semi finished products are valued on absorption cost basis.

2.12 Taxes on Income

(i) Current Tax

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provisions of the Income-tax Act, 1961.

(ii) Deferred tax

Deferred tax assets and liabilities are recognised by computing the tax effect on timing differences which arise during the year and reverse in the subsequent periods. Deferred tax assets against unabsorbed depreciation and carried forward loss under tax laws, are recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets on other timing differences are recognised only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

(iii) Current and Deferred tax is measured based on the provisions of tax laws and tax rates enacted or substantively enacted as at the Balance Sheet date.

2.13 Provisions, Contingent Liabilities and Contingent Assets

(i) Provision

A provision is recognised in the financial statements where there exists a present obligation as a result of a past event, in respect of which a reliable estimate can be made, and it is probable that an outflow of resources would be necessitated in order to settle the obligation.

(ii) Contingent Liabilities and Assets

Contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise, or is a present obligation that arises from past events but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed.

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

2.14 Leases

For assets acquired under Operating Lease i.e. the lease under which significant portion of risk and rewards of ownership are retained by the lessor, rentals payable are charged to the Statement of Profit and Loss. Assets acquired under Finance Lease i.e. the lease which are not operating lease, are capitalised at lower of the Fair Value and Present Value of Minimum Lease Payments.

2.15 Cash and Cash Equivalents

Cash and cash equivalents comprises of cash on hand and balances in current accounts and deposit accounts with banks having original maturity of less than three months.

2.16 Earnings Per Share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity together with any dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

2.17 Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns, internal organisation, management structure and the internal performance reporting systems. The accounting policies adopted for the segment reporting are in line with the accounting policies of the Company.

23.07 Best estimate of Contribution expected to be paid in 2014-15 ₹ 400 Lacs (2013-14 : ₹ 350 Lacs) in respect of gratuity.

23.08 The basis used to determine overall expected rate of return on assets and the effect on major categories of plan assets is as follows :

The major portions of the assets are invested in PSU bonds and Government Securities. Based on the asset allocation and prevailing yield rates on these asset classes, the long term estimate of the expected rate of return on the fund assets have been arrived at. Assumed rate of return on assets is expected to vary from year to year reflecting the returns on matching government bonds.

PARTICULARS REQUIRED UNDER THE COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF THE BOARD OF DIRECTORS) RULES, 1988.

A. Conservation of Energy

a) Energy conservation measures taken

(i) On Conservation of fuels :

1. Conversion of annealing furnaces to propane gas fired system from HSD liquid fired system to improve fuel efficiency.
2. Overhauling of steam traps and lagging of pipes based on continuous monitoring of audit feedback to minimize steam and heat loss.
3. Installation of coal crushing plant to use ROM coal for better fuel efficiency in Boilers.
4. Balancing of Pickling operations to optimize steam usage to reduce fuel consumption.
5. At the lacquering and printing units to reduce fuel consumption - improve preventive maintenance practices with respect to frequency of cleaning oven chimney and burner chamber to improve heat transfer; improve speeds; energy shedding (burner switch off) of the ovens during line set up times.

(ii) On Conservation of power

1. Replacement and standardization of warehouse overhead lights to Metal Halide from earlier Sodium Vapour.
2. Installation of Pyrometer at tinning line to control temperature of strip to optimize power consumption in reflow melting process.
3. Progressively convert package ACs from air cooled to water cooled to save energy and ensure a better cooling.
4. Cool-lite has been provided at the Works warehouse, by replacing conventional chokes.
5. Replacement of old capacitor bank by an upgraded version.

6. Continuous monitoring and use of capacitor banks for optimization through centralized indication system.
 7. Reduction of power usage for hot air drier of tinning line through modification of system to automatically switch off power during line interruptions.
 8. Provision of LED lights in place of 1000 W halogen in cold rolling mill.
- b) Total Energy Consumption and Energy Consumption per Unit of Production: Form "A" Enclosed.

B. Technology Absorption

Efforts made in technology absorption as per Form B : Form "B" enclosed.

A. RESEARCH AND DEVELOPMENT

Specific areas in which development activities are carried out by the Company :

- i. Work on alternate passivation film to substitute presently used chromate film is continuing in coordination with other tinplate producers worldwide.
- ii. Consequent to successful in house and field trials with finished product packets with top jackets fabricated with automated box making facilities the process has been deployed. The change has improved packet aesthetics and functionality.
- iii. Pilot scale trials are on for use of cost effective packaging materials without compromising functional requirements.
- iv. Due diligence on conversion from PSA to MSA technology at the tinning lines initiated to assess impact on environmental practices.
- v. Studies initiated to improve surface finish of finished product with chromium coated work rolls in Temper Mill. This is also expected to reduce specific roll consumption.

B. ENVIRONMENTAL REPORT

Environment measures taken during the year 2013-14

i. Air Pollution Control

- Measures like water fogging system at critical points, dust screens around coal yard are being taken to reduce dust.
- Wheel washing system has been installed at some locations to prevent entry of dust through truck wheels.
- Upgradation of double chambered incinerator at hospital for better waste management.
- Ambient monitoring points inside and outside the plant are being increased.
- 100% compliance with statutory air pollution norms.

ii. Water Pollution Control

- Road map is under development for zero water discharge from the plant through the concept of reduce - reuse and recycle of water.

iii. Solid waste

- Solid waste generation reduction through control of moisture content in sludge.
- Waste oil and emulsion sludge disposal through recyclers authorized by PCB.
- Expansion of secured land fill to facilitate higher level of production.
- Use of better quality coal (low ash content) to reduce fly ash generation.

iv. Statutory Compliance

All statutory requirements under Pollution Control were complied.

- As per directive from Jharkhand State Pollution Control Board, rehabilitation of Sewage system, comprising Packaged Sewage Treatment Plant (PSTP) and Sewage Pumping Station (SPS) for plant and township was completed in December, 2013.
- Environmental statements, returns and statutory conditions are being complied as per law.
- Authorization for handling and management of hazardous-waste has been received from State Pollution Control Board for five years - valid up to 2016.
- Consent to Operate has been obtained for the calendar year 2014 from Jharkhand State Pollution Control Board.
- All the boilers' certificates as per The Boiler Act 1923 and Indian Boiler Regulation are up to date.
