ON A FIRM FOOTING

Driving Future Leadership

ALL OUR BUSINESS SEGMENTS DID STRENGTHEN WITH AN INCREASE IN VOLUME, MARKET SHARE AND CAPACITY UTILISATION. BESIDES, SEVERAL NEW INITIATIVES ACROSS THE PRODUCT LINES, JOINT VENTURES AND GEOGRAPHIC FOCUS BORE US FRUITS.

Our campaign of intrinsic strengthening of our business structure and prospects saw a slew of strategic initiatives already in motion, when we ushered in the financial year 2016-17 (FY17). The priorities were well defined—strengthening our order pipeline, reducing cost and sharpening efficiencies, improving the performance of our joint ventures, leveraging our JVs', OEM penetration for the gasket and forging businesses, and expanding the reach of our gasket business in the global market.

We started the year with defined goals and strategies and stuck to the basics – go closer to the customer, customise customer's offerings, stay put to quality, optimise resources and opportunities, minimise cost and wastages, cross-sell, de-risk domestic and exports opportunities with one another and allocate sharper focus on each division, each customer and each region.

The financial year closed with an all- round improvement in our performance and promising future prospects. All our

business segments did strengthen with an increase in volume, market share and capacity utilisation. Besides, several new initiatives across the product lines, Joint Ventures and geographic focus bore us fruits. Operational efficiency aided in improved profitability margins. Post the closure of FY17, we bagged a prestigious and sizeable multi-year order that further bolstered our forging business prospects and we partially divested our non-core materials business asset, thereby enhancing our chance of higher localisation of material sourcing.

The gains accrued, however, form only a part of the overall prospect that we have enabled our business with. With the automobile industry poised to sustain its growth momentum, in India and elsewhere in our operating geographies, we are finding ourselves on a firm footing. A position, that will help us accelerate value creation for all our stakeholders over coming years.

ON A FIRM FOOTING GROWTH DRIVERS

DESPITE THE MONUMENTAL DEMONETISATION THAT ADVERSELY IMPACTED COUNTRY'S BUSINESS ECOSYSTEM FOR THE THIRD QUARTER. THE INDIAN AUTOMOBILE INDUSTRY RECORDED AN ANNUAL GROWTH OF 5.41% IN THE FY 2016-17.

The deferred purchases of FY17 carry forward benefits to the industry in FY18, which was evident in form of a very healthy demand growth in the first two months of the current year.

The demand growth is expected to accelerate, on the back of favourable macroeconomic indicators. The household income across salaried class urban households is expected to increase, aptly aided by the rollout of 7th pay commission. Rural income, which got bolstered on the back of record agricultural throughput and increased minimum support prices of many food commodities, is poised to reap

the benefits of a second successive year of good monsoon. Increased budgetary allocations towards rural economy coupled with the direct transfer of various subsidies would further strengthen the consumption power of rural populace.

Surplus liquidity in the banking system augurs well for increased access of auto loan products, that too at affordable prices. Implementation of GST is poised to help the automobile sector sustain its growth momentum over a longer period of time.

A MATURE AND WORLD-CLASS
COMPONENT UNIVERSE, AFFORDABLE
ACCESSIBLE SKILL SETS,
TECHNOLOGICAL AND ENGINEERING
CAPABILITIES, EVER GROWING
DOMESTIC MARKET AND IMPROVING
EXPORT

WE HAVE ALSO OPTED FOR STRATEGIC
PRODUCT INTRODUCTIONS IN THE
FIELD OF SAFETY AND EFFICIENCY
OF TRUCKS BUSES, PASSENGER
VEHICLES, QUADRICYCLES, TRACTORS
AND OFF-ROADERS

In the view of protectionist measures being taken by some developed nations, the manufacturing shift towards India makes greater sense for the global automobile industry. Policy consistency, Make in India, a mature and world-class component universe, affordable accessible skill sets, technological and engineering capabilities, ever growing domestic market and improving export infrastructure and GST would help India emerge as a stronger global automobile manufacturing destination in coming years.

Our quest of delivering value to our customer has emboldened us to seamlessly align innovation with product enhancement. We have also opted for strategic product introductions in the field of safety and efficiency of trucks buses, passenger vehicles, quadricycles, tractors and off-roaders. In order

to keep pace with innovation and technological advancement, we have introduced Heat Shields which is already with in the gasket product line and manufacture of gasket using Post coating technology (which will start in October 2017) in association with SANWA Packing Industries Limited, Japan, which would only aid in diversifying our gaskets business but also complements the Company in becoming BS VI compliant. We also perceive a huge potential in Passenger Vehicle segment as India has very low vehicle penetration.

Moreover, the introduction of Seventh Pay Commission and speculation for an above-average monsoon as forecasted by the IMD, declining interest rates and relatively low oil prices are some of the factors that will trigger growth and sustain us.

Talbros Group's endeavour is to be a significant global player in the auto industry by being a brand of choice for all our customers and continuously enhancing employee satisfaction and stakeholder value.

CHAIRMAN MESSAGE

Dear Shareholders,

It's amazing how time quickly flies by! We are again in a new Financial Year and I am pleased to inform you that our performance in the previous year has been above the mark in every sphere as far as automotive components sector is concerned. Right from achieving profit margin to new innovation and market exploration, we have managed to exceed expectations.

For the Financial Year 2016-17 your Company on consolidation basis has recorded a turnover of Rs. 428 crores, higher by more than 9% as compared to last Financial Year 2015-16 with turnover of Rs. 392 crores. Profit after tax (PAT) for the Company on consolidation basis was at Rs. 15.72 crores, higher by approximately 62% as compared to PAT of Rs. 9.71 crores in previous year 2015-16.

The volatile global scenario and a gradual shift towards new technology, digitalisation and changing consumer preferences are making us put our thinking hats on. We

are also seeing a world that is gradually inching towards a more co-integrated and cohesive business module that is applicable to the automobile industry also. Globally, the sales of automobile in the financial year 2016-17 have been moderate and the car segment happened to be an essential part of revenue.

As for India, automobile sector has registered an upsurge due to the ever increasing demand. This has majorly happened due to changing consumer demand and increasing purchasing power of the Indian consumer. Today, people are more into recreational spending than ever and the consumption expenditures are expected to rise significantly in years to come.

In India, automobile sector has extensive forward and backward linkages, which in turn, will help in fuelling the growth in the sector. As per SIAM report, the industry produced a total 25,316,044 vehicles in Financial Year

2016-17 including passenger vehicles, commercial vehicles, three wheelers, two wheelers and quadricycle in as against 24,016,599 in Financial Year 2015-16, registering a growth of 5.41% over the same period last year.

The Financial year 2016-17 commenced with the stable growth in the automobile industry which sustained during the first two quarters of the financial year. However Central Government's demonetization initiative negatively influenced consumer sentiments and also adversely impacted their purchasing power leading to temporary slowdown of the Industry in third quarter, a 16 year low in the month of December. As a result of demonetization the Industry faced challenges. The company continuously evaluated market movements and strategized well to navigate the volatile environment to registered growth in fourth quarter.

Going forward, the Automotive Mission Plan 2026 is a collective vision of the Government of India and the Indian automotive industry and seeks to make India's automotive industry the propeller of the 'Make in India' initiative. Under the mission, various segments of the automotive and auto component industry need to be structured in 2026 in such a way that it will contribute significantly to the economy. It also aspires to put the automotive industry in the guild of top three nations in engineering, manufacturing and export of vehicles, and auto components.

One of the key reforms that the industry is looking at is Bharat Stage (BS) VI norm 2020. The government has rolled up its sleeves to combat air pollution and has come up with a straight-laced fuel standard as India has already skipped the BS-V norms. Your company is ready to manufacture products which are BS-VI compliant.

Among all the initiatives by the Central Government, the 'Make in India' has proven to create a milestone not only in making Indian an innovation and manufacturing hub but also propelling the growth of the indigenous industries. Our sector too is reaping the benefit and several foreign companies are flocking to Indian shores and setting up manufacturing facilities. On the home front, 'Make in India' is also expected to increase the purchasing power of an average Indian, flare up demand, thus, triggering growth. With 'Make in India' the automobile sector is definitely sailing on a safe boat where both investors and consumers are reaping the benefits.

The future of automotive industry seems bright and we are all in a win-win situation. The Indian automotive market is set to witness growth in several pockets in FY2017-18, courtesy reforms. A good Rabi crop output and monsoon are also set to impact the short-term sales volume across segments. SIAM has forecasted a 7-9% growth for the domestic PV sales in Financial year 2017-18. With the strengthening of existing client relationship and expansion into new segments and new products, your Company is well positioned to make the most of this forecasted market outlook.

In the gasket business, we are going to focus vigorously on Original Equipment Manufacturing (OEMs) business both

domestically and globally, as there is a huge market for exports especially in the agri-offloader and the commercial vehicle segment. We have also targeted new countries like Turkey, Iran, USA and Japan and are exporting to them.

In forging division, we are focusing very aggressively in the domestic market and have entered Volvo Eicher and we are trying to make an entry into Honda Scooters. We have also secured a very large order from BMW Germany for which supply will start shortly.

Our JV Company Nippon Leakless Talbros Private Limited (LTL) has been exploring various options to increase its presence in two wheeler gasket business. LTL has been developing gaskets for new models to be launched by Hero, Honda & Yamaha in the coming financial year.

At our second JV Company Magneti Marelli Talbros Chassis Systems Pvt Ltd, we are now trying to enter into higher value-added products such as front axle. We are talking with Maruti Suzuki India Limited on the same and also expanding our product range with them. This JV Company saw a 40% revenue growth during this financial year because of higher volumes. The Company also achieved the highest margin in this business in the last quarter of this financial year.

The third JV Company Talbros Marugo Rubber Private Limited saw a 47% revenue growth in the financial year 2016-17 over the previous year. We are increasing our customer profile and are looking at Daimler, Honda, Fuso and looking very aggressively on exports as well.

We are all destined for a good and profitable year ahead as Talbros has managed to bag orders from domestic OEMs-Ashok Leyland, Maruti Suzuki and export orders from Kubota, Caterpillar and Ducati. The icing on the cake has however been new product launches and JVs that has led to increase in the company's business footprint. The expectation of good monsoon and raise in revising of 7th pay commission are going also going to boost demand. Right from gaskets to heat shields and forging, we have created some of the state-of-the-art products, conquered new territories and set high standards in the industry.

ACKNOWLEDGEMENTS

In closing, I would like to thank our hardworking and energetic employees for their ongoing efforts. We thank our customers for giving us the opportunity to earn their business. We thank our bankers and financial institutions for their continuous support. And we thank you, our shareholders, for your investment in our Company. With your support, we are pleased to have reached an exciting level in our journey and are optimistic about long-term opportunities that lie ahead.

Sincerely,

NARESH TALWAR
Chairman

THE WORLD OF TALBROS

Talbros Automotive Components Limited (Talbros), The flagship manufacturing Company of the Talbros Group was established in the year 1956 to manufacture Automotive and Industrial Gaskets in collaboration with Coopers Payen of UK. Today Talbros stands proud and tall as a mother brand of gaskets, chassis, rubber products and forgings in India; diversified auto components player with presence across Two Wheeler, Passenger/Commercial Vehicles and farm equipments. Talbros Group portfolio also includes Mercedes Benz dealership for passenger car. It also boasts of impressive and diverse clientele and has some of the landmark JVs with global giants like Nippon Leakless Corporation- Japan, Magneti Marelli- Italy and Marugo Rubber- Japan. One of the most remarkable aspects of the entity is its emphasis on innovation, technological upgradation and value-addition. It has established a technological partnership with Sanwa Packing Industries Limited, Japan.

Talbros quest for excellence, has urged it to take an unconventional route where it has invested heavily in R&D and has resorted to cherry picking as far as JVs are concerned. It has put emphasis on factors like endurance, static and simulated environment testing that would reveal much about its design capabilities. The company boasts of five businesses and 8 manufacturing facilities.

Talbros together with JV Companies has 8 manufacturing facilities at Haryana, Uttarakhand and Maharashtra and R&D technology centre at Faridabad. The facilities are equipped to competitively design, develop and manufacture products as per customers requirements. The Company offers diversified portfolio with Gaskets, Forgings, Suspension Systems, Anti-Vibration Products and hoses for its customers.

IT HAS IMPRESSIVE LIST OF NAMES ON ITS CUSTOMER'S LIST INCLUDING THE LARGEST OEMS LIKE ASHOK LEYLAND, BAJAJ AUTO, CUMMINS, EICHER INDIA, ESCORTS GROUP, FORCE MOTORS, GENERAL MOTORS, HERO MOTORCORP, HONDA, HYUNDAI, HARLEY DAVIDSON, JOHN DEERE, MAHINDRA & MAHINDRA, MARUTI SUZUKI, SUZUKI, TAFE, TATA MOTORS, TATA CUMMINS, SIMPSONS AND INTERNATIONAL CORPORATES LIKE CARRARO, DANA, KMP BRAND, MAXI FORCE, GKN DRIVELINE. IT ALSO HAS OVERSEAS OEMs LIKE KUBOTA JAPAN, CATERPILLAR THAILAND AND DUCATI

GASKET & HEAT SHIELD

Our gasket division felt the heat of demonetization as our sales in two-wheelers segment slowed down. However, our aggressive expansion and penetration of Gasket business in Commercial Vehicle segment, two-wheelers, and agriculture space helped us to carve out more shares in the business and we managed to win orders from Ashok Leyland, Maruti Suzuki and also export orders from Kubota, Japan, Caterpillar, Thailand and Ducati. Talbros and LTL are single source to

Hero Moto Corp, Honda Motor Scooters India and Bajaj, Tata Cummins and Harley Davidson. Our focus is on making our products more export centric in the future. One of the areas where we are having an upper hand is the heat shield production; it is gaining a lot of traction as Bharat-VI norms are scheduled to be implemented in 2020. It will require all the vehicle to be compliant with stringent emission norms.

Your Company has also taken another initiative by strengthening our relationship with our technical partners Sanwa Packing Industries Limited, Japan for two new product i.e. Heat Shield which is within the gasket product line and manufacture of gaskets using post coatings technology which will start in October this year. Your Company hopes to achieve a business of Rs. 20 crores from these two products in next couple of years..

As far as export in gasket business is concerned, it has seen a considerable boost. We started off on a positive

note and our plan to export gaskets to countries like Turkey and Iran saw an upward swing. We also started shipping small orders to Turkey and Iran. We have succeeded in earning orders from overseas clients like Volvo, USA, Kubota, Japan and Caterpillar, Thailand and several more. Our heat shield segment is also picking up. We have also worked towards increasing our aftermarket sales margin by establishing an aftermarket production line in Sitarganj and a devoted sales team.

FORGING

With the slowdown in Europe continuing in FY17 too, we shifted our focus on the Indian market. Our efforts to work closely with Indian OEMs resulted in new orders from Volvo Eicher and Amul Industries. Intensified efforts to maintain our market share and leverage our brand equity in the slowed down international market yielded new international orders for supplying parts to BMW Germany and GKN Europe. Consequently, our share of sales to OEMs improved.

We continued to work on cost and operational efficiency in order to improve the profitability of our forging business. In a major development, we started to draw grid power. Overall, forging division recorded encouraging improvement in volumes and operating margins.

JOINT VENTURES

NIPPON LEAKLESS

TALBROS PVT. LTD.

Nippon Leakless Talbros Private Limited (LTL) is a joint venture company between Nippon Leakless Corporation (NLK) Japan and Talbros Automotive Components Ltd. (TACL) India – was established in the year 2005 to manufacture Gaskets for passengers cars, motorcycles, scooters, power equipment products and industrial applications. NLK group supplies to leading OE vehicle and motorcycle manufacturers such as Honda, Suzuki and Yamaha Worldwide.

State-of-the-art facilities to manufacture diversified range of Cylinder Head Gaskets in composite, Multi Layered Steel (MLS), Single Layered Steel (SLS), and Secondary

Gaskets made from metallic and non metallic jointing sheet materials.

NLK group has strong research & development support from Nippon Leakless, Japan and TACL, India not only for product design, but also for engine testing with computerized engine test bed and deep thermal shock testing facility.

The plant is equipped with in-house tool room with modern manufacturing equipments having high level of automation. Nippon Leakless Talbros can design, develop and manufacture products as per customer requirements competitively.

THE COMPANY IS IN CONSTANT TOUCH WITH TOYOTA TO DEVELOP GASKETS FOR ITS FOUR WHEELER AND IT IS EXPECTED THAT MASS PRODUCTION WILL BE STARTED IN THE MONTH OF SEPTEMBER 2017.

OVERVIEW

Established in 2005, Nippon Leakless is a 60:40 joint venture and manufactures a gamut of automotive gaskets for passenger cars, motorcycles, scooters, power equipment products and industrial applications. It is a single source supplier to Honda and other Japanese OEMs.

The JV is exploring various options to increase its presence in the two wheeler gasket business and the Company has

been constantly developing gaskets for new models to be launched by Hero, Honda & Yamaha in the coming financial year.

The Company is in constant touch with Toyota to develop gaskets for its four wheeler and it is expected that mass production will be started in the month of September 2017.

MAGNETI MARELLI TALBROS CHASSIS SYSTEMS PRIVATE LIMITED

Magneti Marelli Talbros Chassis Systems Pvt. Ltd., a joint venture between Sistemi Sospensioni S.p.A., Italy and Talbros Automotive Components Limited, India (TACL) manufactures. Chassis components like Control Arm, Steering Knuckle, Front Cross Member, Rear Twist Beam Axle, Wheel Group and Semi Corner Module Assemblies for automotive application. The facility is equipped with best in class technology and manufacturing practices to produce the avant-garde light-weight solutions for the Indian automobile industry.

In addition, the state-of-the-art in-house toll room has been equipped with sophisticated machines, like mechanical presses ranging from 30 tons to 400 tons, automatic feeders, robotic welding with turn table and 5-Axis Multi Spindle machine facility for single set up machining of Steering Knuckles.

At Magneti Marelli Talbros Chassis Systems Private Limited, we are witnessing good traction with order wins from large OEMs. We will also start exporting components to UK for vehicles meant for European Markets between 2017-18. At this JV, we have a strong order book in the pipeline wherein the focus is not only on Indian but also export markets.

OVERVIEW

The core purpose of the complete suspension system is to isolate the vehicle body from road shocks and vibrations which would otherwise be transferred to the passengers. It must also keep the tyres in contact with the road, regardless of the road surface. Chassis systems are typically ride control products contributing to automotive and passenger safety.

KEY HIGHLIGHTS, 2016-17

- The year represented the first full-year sales to Maruti Suzuki's latest top selling model Baleno ; emerging as the single-source supplier for extension arms to this model.
- Bajaj quadricycle Qute's ramp up has started in 2016-17 and is expected to grow at a faster rate in the coming year.

- Implementation of world-class manufacturing programme of Fiat Chrysler continued in 2016-17 leading to additional cost savings.
- Company has acquired Export orders from a European Customers for which development work has been initiated in 2016-17

FOCUS AREAS, 2017-18

- Focus on acquiring new customers especially in Export markets in not only the existing product basket but also opening up new product segments
- Enhancing cooperation with OEMs in India to focus on providing suspension solutions

TALBROS MARUGO RUBBER PRIVATE LIMITED

Our joint venture Talbros Marugo Rubber Private Limited (TMR) continues to progress well. TMR have new orders from Maruti Suzuki, Honda car and Daimler which provides long range revenue security. We have been also awarded export business of antivibration and extruded hoses from Mitsubishi, Fuso Japan.

CERTIFICATIONS

TS 16949, ISO 14001, ISO 18001

OVERVIEW

JV Company, Talbro's Marugo Rubber Pvt. Ltd. (TMR) is a 50:50 partnership established in 2012 between Talbro's Automotive Components Ltd. and Marugo Rubber Industries, Japan (Marugo). Marugo is a \$220 million company and a global leader in the supply of anti-vibration products and hoses to global automobile OEMs. The JV Company TMR was formed for localizing the production of rubber hoses for Maruti Suzuki, production for which commenced in February 2013. TMR manufactures anti-vibration products and hoses, which include air, fuel and breather hoses, mufflers, hangers, suspension bushes, rubber bushes and hoses.

Marugo provides technical knowhow in terms of design, development and validation for OEMs. This JV Company draws around 57% of its revenues from Maruti Suzuki and caters to the requirements of other major players in the industry also including exports to partner Marugo.

DEVELOPMENTS OF THE YEAR

Led by an improved performance in the antivibration products vertical, TMR expects to report healthy revenue growth in

the anti-vibration products and hose segments during the coming years. In a significant development during the year 2016-17, the JV Company, TMR also entered into LCV and HCV segment. The segment reported a revenue growth of 46.67% from Rs. 21.04 crores in 2015-16 to Rs. 30.72 crores in 2016-17, on account of an increase in the sales of mounting mufflers and bushes to Maruti Suzuki. The JV, with an EBITDA margin of 4.90% in 2016-17, allowed the Company to directly cater to Maruti Suzuki at its Manesar plant, reducing lead times.

TMR has also received new business from Honda and Daimler for hanger and anti-vibration parts.

EMINENT CLIENTELE

- OEMs: Maruti Suzuki, Isuzu Motors, Honda, Daimler, Mitsubishi and Fuso Japan
- Tier-I: QH Talbro's, Endurance Technologies, Rane (Madras), Magneti Marelli Talbro's, Sharda Motors and Minda Furukawa.

Seema Narang
Company Secretary

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 5 & 6

Mr. Umesh Talwar, aged 67 years, has done B.Com (Hons) from Delhi University and MBA from XLRI, Jamshedpur. He has more than 41 years of rich experience in the automotive components industry. He has been associated with the company since 1977. He is an Executive Committee Member of Automotive Components Manufacturers Association of India (ACMA). He is also on the Board of QH Talbro Private Limited, T and T Multitrading Private Limited, Sunrise Medicare Private Limited, Nippon Leakless Talbro Private Limited.

Mr. Umesh Talwar is one of the Promoters of the Company and has been managing the affairs of the company as its Vice Chairman & Managing Director (VCMD) since 2000. Shareholders of the Company through Postal Ballot dated 7th February, 2015 had approved the re-appointment of Mr. Umesh Talwar as VCMD, not liable to retire by rotation on payment of specified remuneration for a period of 3 years from 1st April, 2015 to 31st March, 2018.

In the 58th Annual General Meeting of the Company held on 25th September, 2015, Mr. Anuj Talwar was re-appointed as Executive Director of the Company for a period of three years w.e.f. 14th August, 2015 to 13th August, 2018. Shareholders of the Company in its meeting held on 26th September, 2016 had increased the remuneration and also changed the designation of Mr. Anuj Talwar to Joint Managing Director (JMD) effective from 1st April, 2016.

The Board of Directors has, subsequent to the approval of Nomination & Remuneration Committee, approved in its meeting held on 24th May, 2017, the remuneration as mentioned in the respective resolution at item no. 5 and 6 as minimum remuneration payable to Mr. Umesh Talwar and Mr. Anuj Talwar for a period of 3 years subject to shareholders' approval.

The shareholders of the Company are requested to approve the re-appointment of Mr. Umesh Talwar and Mr. Anuj Talwar on the remuneration as mentioned in Item No. 5 and 6 of this notice for a period of three years with effect from 1st April, 2018 and 14th

August, 2018 respectively to be paid as minimum remuneration in case of loss or inadequacy of profit in any financial year during their tenure.

In order to ensure continuity in payment of remuneration to whole time Directors irrespective of unforeseen volatility in operations/ profitability and as per the requirements of Section – II of Part – II of Schedule V of the Companies Act, 2013 a Special Resolution is also required to be passed for payment of managerial remuneration, therefore consent of members by way of a Special Resolution is sought for payment of remuneration to Mr. Umesh Talwar as VCMD and Mr. Anuj Talwar as JMD of the Company w.e.f. 1st April, 2018 and 14th August, 2018 respectively for a period of three years as detailed in the resolutions at item no. 5 and 6.

The Directors feel that the re-appointment of Mr. Umesh Talwar as VCMD and Mr. Anuj Talwar as JMD will be in the interest of the Company and recommend the Special Resolutions at item no. 5 and 6 of this notice for your approval.

This may also be treated as memorandum pursuant to Section 190 of the Companies Act, 2013.

Mr. Umesh Talwar and Mr. Anuj Talwar hold 431906 and 62851 equity shares of the Company respectively.

Mr. Umesh Talwar and Mr. Anuj Talwar are Directors in the following Companies:

Mr. Umesh Talwar		Mr. Anuj Talwar

Total	7,341.98	6,570.36

* The previous year's figures in the above table have been regrouped where ever necessary.

FINANCIAL REVIEW

Financial year 2016-17 was marked by couple of major events (Demonetization in India and implementation of Bharat Standard

VI norms). These along with the diesel ban of 2000 CC above hugely impacted the automotive industry. The auto industry for the last year grew at 5% while the last quarter was a negative at 0.19%.

During the Financial Year 2016-17 your Company on standalone basis has recorded a turnover of Rs. 328 crores, higher by approximately 6% as compared to last Financial Year 2015-16 with turnover of Rs. 310 crores. Profit after tax (PAT) for the Company was at Rs. 10 crores, higher by approximately 27% as compared to PAT of Rs. 8 crores in previous year 2015-16.

The JV Company Nippon Leakless Talbros Private Limited (LTL) recorded a turnover of Rs. 108 crores, higher by approximately 4% as compared to last Financial Year 2015-16 with turnover of Rs. 103 crores. PAT of LTL was at Rs. 12 crores, higher by approximately 11% as compared to PAT of Rs. 11 crores in previous year 2015-16.

The JV Company Magneti Marelli Talbros Chassis Systems Private Limited (MMT) has witnessed its best ever performance in the financial year under review and continues to bring momentum and work towards expanding its portfolio to OEMs with the leading client being Maruti Suzuki India Limited. This JV Company saw a 40% revenue growth during this financial year because of higher volumes. The Company also achieved the highest margin in this business in the last quarter of this financial year. MMT has recorded a turnover of Rs. 85 crores, higher by approximately 40% as compared to last Financial Year 2015-16 with turnover of Rs. 61 crores. PAT of MMT was at Rs. 1 crores as compared to loss of Rs. 4 crores in previous year 2015-16.

TalbrosMarugo Rubber Private Limited (TMR), another JV Company has recorded a turnover of Rs. 30 crores, higher by approximately 47% as compared to last Financial Year 2015-16 of Rs. 20 crores.

During the financial year 2016-17 turnover of your Company after consolidation with proportionate shares in JV companies was Rs. 428 crores, higher by approximately 9% as compared to last Financial Year 2015-16 of Rs. 391 crores. PAT for the Company on consolidated basis was at Rs. 15 crores, higher by approximately 61% as compared to PAT of Rs. 9 crores in previous year 2015-16

NEW INITIATIVES

In the gasket business, the focus is going to be on Original Equipment Manufacturing (OEMs) business both domestically and globally, as there is a huge market for exports. The Company has also targeted new countries like Turkey, USA and Japan and is exporting to them.

Your Company has also taken another initiative by strengthening our relationship with our technical partners Sanwa Packing Industries Limited, Japan for two new product i.e. Heat Shield which is within the gasket product line and manufacture of gaskets using post coatings technology which will start in October this year. Your Company hopes to achieve a business of Rs. 20 crores from these two products in next couple of years.

The Forging Division in addition to capturing the agri market has forayed into global OE car segment and is in talks with a large two wheeler manufacturer for its forging requirements. With a view to diversify its geographic risks, new customers have been approached. We are focused on enhancing our internal efficiencies and leverage on our technological know-how to supply best in class products to our customers. The revenues from Forging division stood at Rs. 71 crores in the year under review against revenues of Rs. 62 crores during previous year.

As part of its constant endeavour to reduce costs and improve profitability, your Company has decided on partial strategic disinvestment of its non-core materials business assets at its Sohna Plant. The non-core material business assets at Sohna Plant will be sold to the Indian affiliate of M/s. Interface Performance Materials, USA who are pioneers and leaders of gaskets materials worldwide.

This disinvestment will help the Company to achieve two important things:

- Enable Company to source materials locally leading to faster turnaround time in executing client orders which will result in reduction of imports by 15%, thereby, reducing the working capital requirements and the exposure to foreign exchange fluctuations.
- The total savings expected to accrue from the strategic disinvestment will be in the range of Rs. 7-10 Million per annum. The savings in operational costs, reduction in raw material inventory and working capital investments will reduce the interest burden and therefore, enhance the profitability of the Company.

The JV Company Nippon Leakless Talbros Private Limited (LTL) has been exploring various options to increase its presence in two wheeler gasket business. LTL has been constantly developing gaskets for new models to be launched by Hero, Honda & Yamaha in the coming financial year.

LTL is in constant touch with Toyota to develop gaskets for its four wheeler and it is expected that mass production will be started in the month of September 2017.

The second JV Company Magneti Marelli Talbros Chassis Systems Pvt Ltd (MMT) is trying to enter higher value-added products such as the front axle and is in talks with Maruti Suzuki India Limited on the same and also on of expanding its range of products with them. MMT is enjoying the bull run with Maruti because they are supplying to their fast moving models such as Baleno, Breeza which are doing very well and has also secured a large order from Jaguar Land Rover.

Talbros Marugo Rubber Private Limited (TMR), the third JV Company is also on the right track. They are increasing their customer profile and looking very aggressively on exports as well. TMR has also received new business from Honda and Daimler for hanger and anti-vibration parts.

FUTURE OUTLOOK

India has emerged as one of the fastest growing economies in recent times. The Indian economy is expected to embark on higher economic growth trajectory in FY 18 owing to proactive measures taken by the government as well as favorable economic conditions expected to prevail during the course of the year. The main driving forces in FY 18 would be increased government spending in infrastructure, pick up in private investment, good monsoon, expected surge in consumer spending with pent up demand being satiated. The Goods and Services Tax (GST), which is likely to be implemented from July 1, 2017, has potential to spur the economy further. The economic outlook of the Indian economy looks positive with the country expected to grow at more than 7.5% in FY 18 before moving past the 8% trajectory in FY 19. Certain threats, however, prevail in terms of upside risk to inflation, increasing global commodity prices especially crude oil prices, slower growth in investment and credit, rising bad loans issue and uncertain trade prospects with appreciating rupee and uncertain global economic conditions. Globally, protectionism adopted by the US and higher interest rates by the Fed, revival in European countries and higher growth in China causing diversion of funds from India could counter the prospective growth story of the country.

The long-term outlook remains positive for the automotive industry with all major global players having a base in India for manufacturing, global sourcing. Correction in fuel prices and lower finance cost should further add domestic growth in the short to medium term. Regular product launches planned by OEMs will keep customer excitement levels up and create demand and is favourable for overall industry growth.

The future outlook of your Company remains positive as your Company along with its Joint Venture Companies is actively working on both the strategic front and the operations front to take advantage of the turning trends which includes Research and Development, improving operational performances, focus on quality, broadening the customer base etc.

DIVIDEND & TRANSFER TO RESERVES

Your Directors are pleased to recommend 15% dividend for the year 2016-17 subject to the approval of members at the ensuing Annual General Meeting. The total outgo on account of dividend (including Dividend Distribution Tax) for the financial year 2016-17 will be ₹ 222.88 lacs. Also the Directors have proposed to transfer an amount of ₹ 50.00 lacs to General Reserve.

TRANSFER OF UNPAID DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

In terms of provisions of Section 125 of the Companies Act, 2013, the unclaimed final dividend pertaining to the financial year 2008-09 amount aggregating to ₹ 96,323/- was transferred to the "Investor Education and Protection Fund" established by the Central Government.

The Company shall transfer the unclaimed dividend for the year 2009-10 to Investor Education and Protection Fund on or before 19th August, 2017 upon completion of 7 years from the date of transfer of said dividend into the Unclaimed Dividend Account in compliance with the provisions of Section 125 of the Companies Act, 2013.

The shareholders who have not encashed their dividend warrants for the financial year 2009-10 or any subsequent year are requested to lodge their claims for revalidation of dividend warrants. The Company is specifically intimating those members who have so far not claimed the unpaid dividend for the year 2009-10.

SHARE CAPITAL

The paid up capital of the company as on 31st March, 2017 was ₹ 1,234.563 lacs. During the year under review, the company did not issue any class or category of shares, Employee Stock Options, Convertible securities and consequently no change in the capital structure since previous year.

MANAGEMENT'S DISCUSSION & ANALYSIS

ECONOMIC SCENARIO

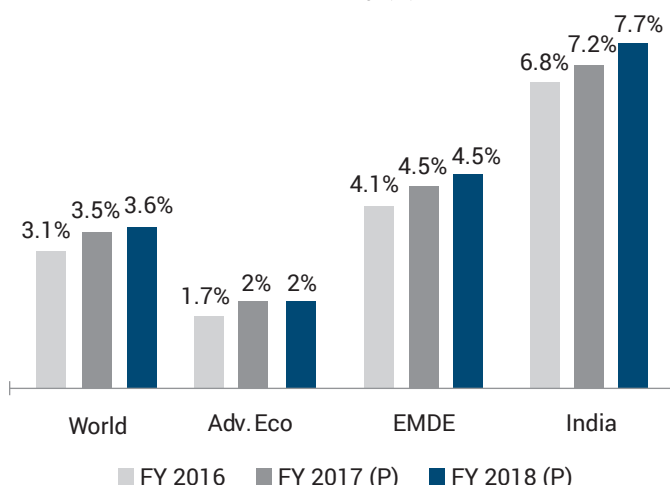

Global Economy

As per IMF's report, "World Economic Outlook" published on April 2017, steady rise in global economic activity is projected for the year 2017 and 2018 due to cyclical recovery in investment, manufacturing, and trade. The projected global growth rate for 2017 and 2018 is 3.5% and 3.6% respectively as against 3.1% in 2016. The key driving factors of growth will be favourable deflationary measures, boost in demand and agreed restrictions on oil supply.

Currently, advance economies such as U.S. is in the phase of fiscal expansion and deregulation and are expected to grow by 2.3%. But the growth in European countries is expected to remain at 1.7%, due to slow economic revival and uncertainty about the European Union's future relationship with the United Kingdom. In 2017, United Kingdom is projected to grow by 2.0% and Japan is likely to grow by 1.2% supported by stronger-than-expected net exports.

Developing countries and emerging markets will continue to perform better and will navigate the global markets. In China, market scenario is resilient and continued policy support is expected, it is expected to grow by 6.6% in the year 2017 whereas Russia is projected to grow by 1.4%. In India, growth is forecasted at 7.2% provisioning the impact of the currency exchange initiative; medium term growth is promising with 8% resulting from implementation of key reforms, ease of supply-side impediments and appropriate fiscal & monetary policies.

Exhibit 1: GDP Growth in Economy (%)

Source: World Economic Outlook April 2017, IMF

Indian Economy

Globally, India remains one of the fastest growing economies in terms of GDP growth. As per IMF, the real GDP increased to 7.9% in 2016 from 7.2% in 2015. The projected GDP growth for 2017 is 7.1%. Indian economy is expected to grow strong due to the response gained from deep structural reforms initiated and implemented by Indian Government and strong aggregated demand. This includes approval of Goods & Service Tax (GST), which will significantly enhance the efficiency in taxation and aid businesses by converting India into a one common market place. GST is expected to be implemented by 1st July 2017.

As a push to the economy, the Government of India has committed to allocate financial resources of Rs. 39.6 lakh crore for the infrastructure development and Rs. 10 lakh crore for boosting the agricultural sector, which is directly correlated to overall economic development, leading to holistic growth.

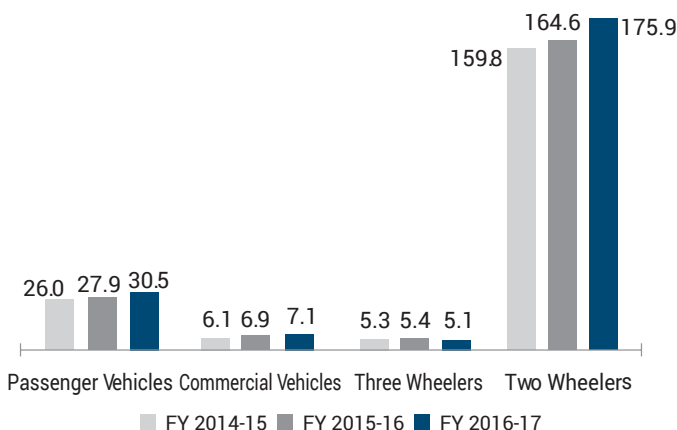

On the political front, the government gained major triumph in a number of state elections, including the country's most densely populated state Uttar Pradesh. Market reaction to this was positive, with the SENSEX closing at 29,000 on a two-year high on 14th March, 2017 and the rupee strengthening to 66.14.

The cause of concern for India is its banking system, which is still dealing with a large amount of Non-performing assets in their books and also heightened corporate vulnerabilities in several key sectors of the economy.

Automobile Industry Structure and Development

The global auto market remained mute for the year under review, whereas India produced positive digit growth numbers. According to SIAM, total production of Indian auto industry stood at 2,53,16,044 vehicles which includes passenger vehicles, commercial vehicles, three wheelers, two wheelers and quadricycle for 2016 against 2,40,16,599 in the year 2015, registering the growth of 5.41%. The automotive sector in India, comprising the automobile and auto component sub-sectors, is one of the key segments of the economy having 7.1% contribution to India's GDP. As per SIAM Report 2016, the downward growth was observed in overall automobile exports by 4.50%. Exports of Passenger Vehicles and Commercial Vehicles marked the growth of 16.20% and 4.99% respectively. Exports of Three Wheelers and Two Wheelers declined by 32.77% and 5.78% respectively.

Exhibit 2: Domestic Automobile Sales Break-up in Rs Lakhs

Source: SIAM

Due to cut-throat competition in terms of technology up gradations and innovations, OEMs are investing in research and development facilities set-ups in India. Almost all Indian OEMs have launched several new models out of which a few can be considered as cutting edge next generation models with high technological innovations.

With the implementation of BS- VI norms, the OEMs are gearing up with Powertrain models and different technologies and fuel strategies that will help Internal Combustion Engine (ICE) optimization to meet fuel efficiency standards. OEMs in India are expected to have pro petrol and hybrid, diesel neutral approaches towards BS VI compliance.

It came as a big surprise to not only car manufacturers but also consumers when the National Green Tribunal (NGT) directed central and state governments to stop registering 10 year old diesel vehicles in the Delhi NCR region.

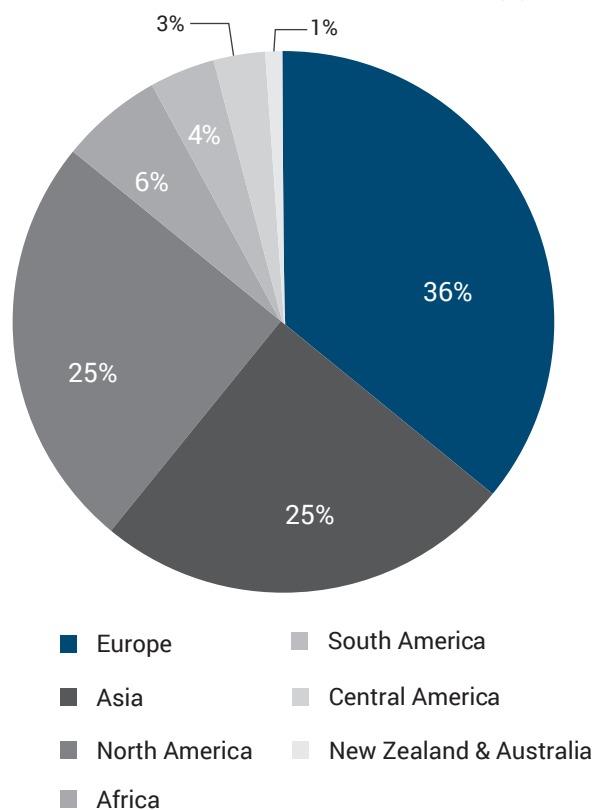

India has raised the bar when it comes to meeting safety standards. As per the Central Motor Vehicle Regulations (CMVR) that is set out by the Automotive Research Association of India (ARAI), crash tests will come into regulation from 1st October 2017, for all new car models. This means that any car launched post-1st October, 2017, will have to be certified in crash tests and will have to meet a defined standard. Existing car models will also have to meet the standards by 1st October, 2019. Every car sold in India will have to undergo a crash test certification which means some existing models may need to be upgraded. ABS and Airbags too will be made mandatory in India and would come into application by 1st October 2020.

The Union Cabinet finally approved the much debated Motor Vehicles (Amendment) Bill 2016 which proposed laws for road and vehicular safety to be more stringent. With the approval of this bill, the amendment will take place and will change laws and norms which will help in reducing accidents and road fatalities, currently highest in India.

Indian Auto Component Industry

India is emerging as global hub for auto component sourcing. Indian auto component industry is moving forward to integrate with global supply chains by offering competitive engineering solutions. Auto components manufacturing base in India keeps costs lower by 10-25% relative to manufacturing in Europe and Latin America. Relative to competitors, India is geographically closer to key automotive markets like the Middle East and Europe. Global auto component players are increasingly adopting a dual-shore manufacturing model, using overseas facilities to manufacture a specific segment of components and Indian facilities to manufacture the other components.

Exhibit 3: Global Auto Components Export Share (%)

Source: ACMATechSci Research

Opportunities & Threats Opportunities

Make in India: The incumbent government's 'Make in India' initiative has paved way for many foreign automobile manufacturers to source models from India and export them to other locations across the world.

Favourable government policies: The government policies like 'Make in India' initiative, Auto Policy 2002, Automotive Mission Plan 2006-2016, National Automotive Testing and R&D Infrastructure Projects (NATRIPs), have helped the Indian auto

components industry in achieving considerable growth in the recent years and would also continue to drive the growth.

High Access to Technology through JV's and R&D: As India has become a global outsourcing hub for manufacturing of automotive components the companies are renewing technology, continuously investing in R&D and forming JV's with global companies to boost their share of exports.

Threats

Global competition – Both India and China hold the major growth prospects for industries and amongst them China is a strong competitor for offering frugal engineering solutions globally.

Slowdown in European Markets – Decline of demand in European countries due to slow economic revival has led to a decrease demand for auto components.

Technology Advancement – Indian auto-component manufacturers have to catch-up the pace of implementing advanced technology innovations.

Oil prices – Oil prices have direct impact on the automotive industry. Any increase in price will lead to increased cost for OEMs.

Outlook

The growth momentum of the Indian economy will continue in the coming years. The government's thrust on the development of infrastructure, employment generation, implementation of GST and Make in India are the main drivers for the growth of Indian auto component companies.

The Automotive Mission Plan 2006-2016 (AMP) will add a fuel to the growth of the sector. As per the estimation of the AMP, the sector will create more than 60 million additional jobs and also the current output will increase 3 times by the end of 2026.

Your Company has continued its impetus on process improvements, enhancing productivity and quality and skill-development of its workforce.

Internal Control Systems

The Company has in place adequate internal control system and procedures commensurate with the size and nature of business. These procedures are designed to ensure that:

- All assets and resources are acquired economically, used efficiently and are adequately protected;
- Significant financial, managerial and operating information is accurate, reliable and is provided timely and;
- All internal policies and statutory guidelines are complied with.

The Company follows a strong system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that transactions are authorized, recorded and reported quickly. It reviews the adequacy of internal control systems from time-to-time. The internal controls are designed to ensure that financial and other records are reliable for preparing financial information and other data, and for maintaining accountability towards assets. The Audit Committee meets periodically to review the findings of internal and statutory auditors' reports and advise the management on corrective policies and controls to be adopted by the Company, consistent with the organizational requirements. A VCMD and CFO Certificate, forming part of the Corporate Governance Report, confirms the existence and effectiveness of internal controls and reiterates their responsibilities to report deficiencies to the Audit Committee and rectify the same.

Financial Highlights:

For the Financial Year 2016-17, the Company on consolidation basis has recorded a turnover of Rs. 428 crores, higher by more than 9% as compared to last Financial Year 2015-16 with turnover of Rs. 392 crores. Profit after tax (PAT) for the Company on consolidation basis was at Rs. 15.72 crores, higher by approximately 62% as compared to PAT of Rs. 9.71 crores in previous year 2015-16.

Health, Safety, Security Environment

Your Company is 100% asbestos-free. Besides demonstrating environmental awareness and qualifying as a supplier to global automakers, it also provides a healthier environment in the manufacturing facilities. The company is concerned about the occupational health and safety of its workers and staff and periodic health check-up camps are organized. Regular training is imparted at all levels. Company's main plant at Faridabad is ISO 14001 and OHSAS 18001 certified for Environmental Health & Safety issues.

Human Resources/ Industrial Relations

The Company believes in the ability of our people to enable business transformation. A vital role was played in equipping employees with the right skills and capabilities for today; and developing them for tomorrow. The company maintains open communication channels with workforce and keeps them engaged with its objectives towards attainment of healthy employer-employee relationship. The Company follows different programs for the development of skills among employees at different levels. Employees have also contributed significantly towards various cost saving initiatives in different areas. Industrial relations at the offices and all plants continued to be cordial.

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,

TALBROS AUTOMOTIVE COMPONENTS LIMITED
14/1, DELHI MATHURA ROAD, P.O. AMAR NAGAR
FARIDABAD, HARYANA- 121003

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by TALBROS AUTOMOTIVE COMPONENTS LIMITED (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the TALBROS AUTOMOTIVE COMPONENTS LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2017 Complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by TALBROS AUTOMOTIVE COMPONENTS LIMITED for the financial year ended on 31.03.2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2015*;
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999*;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008*;

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding compliance of the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009* and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998*;

* Not applicable because company did not carry out the activities covered by the regulations/ guidelines during the audit period.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with NSE & BSE;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I/ we further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable labor, environmental and industrial laws, rules, regulations and guidelines.

I further report that during the audit period:

There were no instance of:

- a. public/ right/ preferential issue of shares/ debentures/ sweat equity etc.
- b. redemption/ buy-back of securities.
- c. Major decisions taken by the members in pursuance to Section 180 of Companies Act, 2013.
- d. Merger/ Amalgamation/ reconstruction etc.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

[Section 134(3) (m) of Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014]

A) Conservation of energy

i) The steps taken and/or impact on conservation of energy

- Heater Connection was found in Star connection due to which load was unbalanced and consumption was high. All Heaters are connected to Delta connection now.
 - Saving = 32000 Units/year
- Light & Fans were either operated directly from machine or centrally controlled (Wastage of Power) Individual switches are provided for particular Light & Fan
 - Saving = 6400 Units/Year
- Compressed air line modification done, which gave very effective results.
 - Saving = 127200 units/Year

ii) Steps taken by the company for utilizing alternate sources of energy

- Proposed to replace high energy wastage machines (energy waste is due to poor engineering design & old electric motors) such as C 200 oven, 500 ton press power pack, big rolling mill motor etc.
- Conventional lights proposed to be replaced with LED lights.
- Motion sensors to be provided in toilets & idle areas.
- Rubber moulding machines, Moulds preheating platform to be made.

iii) The capital investment on energy conservation equipments

₹ 30.00 lacs for F.Y. 2017-18.

B) Technology absorption

i) The efforts made towards technology absorption

- Developing Post Coating Technology with Sanwa Packing Industry of Japan through Technical Assistance Agreement.
- Developing Heat Shield Technologies with Sanwa Packing Industry of Japan through Technical Assistance Agreement.
- Installed state of the art heat shield manufacturing facility.
- Developing high performance sealing technologies and materials to meet the requirement of new generation BS VI engines.

ii) The benefits derived like product improvement, cost reduction, product development or import substitution

- Indigenized new Sealing products for new platform engines (BS-IV emission complaints).
- Introduced Heat Shields for OEM customers for their new engines/vehicles.
- Reduction in cost of Multi Layer Steel gaskets through Post Coating.
- Localisation of gasket fiber material with Interface Performance Material.

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)-

- (i) The details of technology imported - Technology for Manufacture of Heat-Shield

(ii) The year of import - 2011

(iii) Whether the technology been fully absorbed – As our Heat Shield project has been set up, the technology absorption is happening.

(iv) If not fully absorbed areas where absorption has not taken place and the reasons thereof, and - NA

(v) the expenditure incurred on Research and Development - ₹ 159.27 Lacs

(C) Foreign exchange earnings and Outgo:

The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows.

PARTICULARS	2016-17 (in Lacs)	2015-16 (in Lacs)
Foreign Exchange Earnings	6519.29	5989.29
Foreign Exchange Outgo (Imports)	6921.04	6124.98

Particulars as per Form A (Applicable for Forging Division only)

	Current year 2016-17 ₹ in Lacs	Previous Year 2015-16 ₹ in Lacs
Power & Fuel Consumption		
1. Electricity		
a) Purchased from Caparo Power Ltd.

The attendance of each Audit Committee Member is as under:

Name of the Directors	No. of Meetings Attended
Mr. V. Mohan, Chairman	4
Mr. Anil Kumar Mehra	5
Mr. Rajive Sawhney	3
Mr. Amit Burman	3
Mr. Anuj Talwar	4
Mr. Vidur Talwar	4

(ii) Nomination & Remuneration Committee

Terms of Reference of the Nomination and Remuneration Committee are as per the guidelines set out in the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 that inter alia includes:

- (a) formulation of criteria for determining qualifications, positive attributes and independence of a Director and remuneration for the Directors, key managerial personnel and other employees and recommending the same to the Board.
- (b) formulation of criteria for evaluation of performance of independent directors and the board of directors.
- (c) devising a policy on diversity of board of directors.
- (d) identification of persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria as per the policy approved by the Board.
- (e) whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent director.

The policy of the company is to remain competitive in the industry, to attract and retain good talent and appropriately reward the employees and Directors for their performance and contribution to the business.

Composition and Attendance

The Nomination & Remuneration Committee consists of four members all being Non-Executive Independent Directors i.e. Mr. A. K. Mehra, Mr. Rajive Sawhney, Mr. V. Mohan and Mr. Amit Burman. The Chairman of the Committee is Mr. A. K. Mehra.

During the year two meetings of Nomination & Remuneration Committee were held on 21st May 2016 and 15th June 2016. The detail of attendance of each Committee Member is as under:

Name of Director	No. of meetings attended
Mr. Anil Kumar Mehra	2
Mr. Rajive Sawhney	1
Mr. V. Mohan	1
Mr. Amit Burman	2

Performance Evaluation

The Nomination and Remuneration Committee of the Board, has laid out the evaluation criteria performance evaluation of the Board, its committees and all the individual Director, in adherence of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015.

The performance evaluation for the financial year was carried out in accordance with the criteria laid out by the Nomination and Remuneration Committee and approved by the Board. The performance evaluation was conducted for the Board, its committees, individual Director including Chairman of the Board.

The Director expressed their satisfaction with evaluation process.

Remuneration policy

The terms of reference/ role of the Nomination and Remuneration Committee is to determine the Company's policy on the remuneration package of its Executive Directors and senior management and to determine and approve the terms & conditions and remuneration package of its Executive Directors, including revision thereof from time to time, and to deliberate on and decide matters incidental thereto or consequential thereof.

The Remuneration policy of the Company is to ensure that Executive Directors and Senior Management of the Company are rewarded in a fair and responsible manner, for their individual contributions to the success of the Company and are provided with appropriate incentives to encourage enhanced performance. The remuneration paid to the Executive Director is recommended by the Nomination and Remuneration Committee and approved by the Board of Directors in the Board meeting, subject to the subsequent approval by the shareholders at the general meeting and such other authorities as and when required.

AUDITORS' CERTIFICATE REGARDING COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE DEFINED UNDER SCHEDULE V OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To the members of

Talbro Automotive Components Limited

We have examined the compliance of the conditions of Corporate Governance by **Talbro Automotive Components Limited** for the year ended March 31, 2017 as stipulated in Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

To the Members of

Talbro Automotive Components Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Talbro Automotive Components Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditor of the Company's branch at Pune.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the

financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of one branch included in the standalone financial statements of the Company whose financial statements reflect total assets of Rs. 3,06,364,738/- and net assets of Rs. 20,79,24,380/- as at March 31, 2017 and total revenues of Rs. 67,21,70,382/- for the year ended on that date, as considered in the standalone financial statements. The financial statements of this branch have been audited by the branch auditor whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of this branch and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid branch, is based solely on the report of such branch auditor.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the 'Annexure- A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the branch auditor on the separate financial statements/ financial information of the branch, referred to in the Other Matters paragraph above, we report to the extent applicable that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branch not visited by us;
- c. the report on the accounts of the branch office of the Company audited under Section 143 (8) of the Act by the branch auditor has been sent to us and has been properly dealt with by us in preparing this report;
- d. the Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from the branch not visited by us;
- e. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- f. on the basis of the written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164(2) of the Act;
- g. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
- h. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014(as

amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its standalone financial position in its financial statements – Refer Note no. 29 to the financial statements;
- ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company; and
- iv. the Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Based on audit procedures and relying on the management representation, we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management. Refer Note no. 30 to financial statements.

Annexure A to the Independent Auditor's Report

Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment.
- (b) The Company has a regular program of physical verification of its Property, plant and equipment under which Property, plant and equipment are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain Property, plant and equipment were verified during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us, we report that, the title deeds of all the freehold immovable properties, as stated in Note no 12 to the standalone financial statements (which are included under the head 'Property, plant and equipment') are held in the name of the Company except for the following properties

Nature of property	Total Number of Cases	Whether leasehold / freehold	Gross block as on March 31, 2017	Net block on March 31, 2017	Remarks
Land	1	Freehold	Rs.4,65,25,676	Rs. 4,65,25,676	28,575 Sq Mtrs purchased from Haryana State Industrial Development Corporation Ltd pending registration in the name of the Company

In respect of leasehold immovable properties (which are included under the head 'Property, plant and equipment'), the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.

- (ii) According to the information and explanations given to us, inventories have been physically verified by the management at reasonable intervals during the year, except for inventories lying with third parties for which certificates confirming inventories held by them have been obtained in most of the cases. The discrepancies noticed on physical verification of inventories as compared to book records were not material and same have been properly dealt within books of account.
- (iii) According to the information and explanations given to us, the Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not entered into any transaction covered under Sections 185 of the Act. However, the Company has complied with the provisions of Sections 186 of the Act in respect of loans, investments, guarantees, and security.
- (v) In our opinion and according to the information and explanations given to us, the Company has complied with the directives issued by the Reserve Bank of India, the provisions of Sections 73 to 76 and other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) as applicable, with regard to the deposits accepted. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal, in this regard.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.

- (b) According to the information and explanations given to us, the dues outstanding in respect of income-tax, sales-tax, service tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹)	Amount paid under Protest (₹)	Period to which the amount relates	Forum where dispute is pending
Maharashtra VAT Act, 2005	Demand of VAT	4,97,936	-	2005-06 & 2008-09	Joint Commissioner of Sales Tax, Pune
Income Tax Act, 1961	Income Tax Demand	4,47,739	-	2004-05	CIT – Appeal
Income Tax Act, 1961	Income Tax Demand	13,98,150	-	2011-12	CIT – Appeal
Income Tax Act, 1961	Income Tax Demand	21,08,909	-	2012-13	CIT – Appeal
Central excise Act, 1944	Cenvat-Credit disallowed	8,85,308	-	2007-08 to 2010-11	The Assistant Commissioner, Faridabad
Haryana Value Added Tax Act, 2003	Input tax disallowed	2,73,548	-	2006-07	The Deputy Commissioner Gurgaon
Central excise Act, 1944	Cenvat-Credit disallowed	2,67,681	-	August 2011 to October 2013	Superintendent Range - IVB, Chennai
Custom Act, 1962	Demand of custom duty	7,96,882	-	2013-14	Deputy Commissioner of Customs, New Delhi
Custom Act, 1962	Demand of custom duty	16,83,081	-	2014-15	The Customs, Excise and Service Tax Appellate Tribunal
Central excise Act, 1944	Demand of excise duty	4,40,89,686	80,00,000	FY 2010-11 to FY 2015-16	Commissioner of Customs, Central Excise and Service Tax, Hapur

- viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any bank or financial institution or government during the year. The Company did not have any outstanding debentures during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion and according to the information and explanations given to us, the term loans were applied for the purpose for which the loan were obtained.
- (x) To the best of our knowledge and according to the information and explanations given to us no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) In our opinion and according to the information and explanations given to us, managerial remuneration has been paid by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements, as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures. Accordingly, provisions of clause 3 (xiv) of the Order are not applicable.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with the directors or persons connected with them. Accordingly, provisions of clause 3 (xv) of the Order are not applicable.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, provisions of clause 3 (xvi) of the Order are not applicable.

Annexure-B to the Independent Auditor's Report

Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Talbros Automotive Components Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal

financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria

established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes to the Financial Statements

for the year ended March 31, 2017

1. Summary of significant accounting policies

a. Basis of preparation:

The financial statements of the Company have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with generally accepted accounting principles in India (GAAP) and comply with the accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013.

b. Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements, disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from these estimates. Difference between the actual results and the estimate are recognized in the period in which the results are known / materialized.

c. Investments:

Long term investments are stated at cost, less any provision for diminution other than temporary in nature.

d. Inventory valuation:

Raw materials and stores & spare parts are valued at lower of cost or net realizable value. Cost represents purchase price and other expenditure directly attributable to the acquisition and is determined on first in first out (FIFO) basis.

Finished goods & work-in-progress are valued at lower of cost or net realizable value. Cost for this purpose includes materials, labour and appropriate allocation of overheads. Excise duty on stock lying with the Company is added to the cost of finished goods inventory.

e. Property, plant and equipment:

Property, plant and equipment are stated at cost of acquisition or construction and include amounts added on revaluation, less accumulated depreciation..

f. Intangible

Technical know-how fee is recognized as an Intangible Asset in accordance with Accounting Standard -26 "Intangible Assets" less accumulated amortisation.

Major software products are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

g. Depreciation / Amortisation

Depreciation on property, plant and equipment is provided based on the methods given hereunder.

Sr. No.	Plant	Method of depreciation	
		Straight line	Written down value
1.	Gasket Plants at Faridabad, Chennai, Pune and Sohna (except on items acquired prior to 1.9.1978 at the Chennai Plant and prior to 31.12.1985 at Faridabad Plant)	Plant, machinery and equipment	All other depreciable assets
2.	Assets acquired prior to 1.9.1978 at the Chennai Plant and prior to 31.12.1985 at Faridabad Plant		All depreciable assets
3.	Gasket Plant at Sitarganj, Forging Plant at Bawal and assets transferred to Gasket Plant at Faridabad from erstwhile Rubber Division	All depreciable assets other than vehicles	Vehicles

Depreciation is provided on the useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II:

Notes to the Financial Statements

for the year ended March 31, 2017

Sr. No.	Class of assets	Useful life
(i)	Plant, machinery and equipment	22 years
(ii)	Computers	6 years
(iii)	Air-conditioning plant	10 years
(iv)	Canteen equipments	10 years
(v)	Furniture and fixtures	5 years
(vi)	Vehicles	10 years
(vii)	Electrical installation	15 years
(viii)	Tube wells	10 years
(ix)	Mould and Dies	6 years

The estimates of useful lives of the assets are based on independent technical evaluation, taking into account the nature of the asset, the estimated usage of the asset and the operating conditions surrounding the use of the asset etc.

In respect of additions to/deductions from property, plant and equipment during the year, depreciation is charged on pro-rata basis. Assets costing ₹ 5,000 or less are fully depreciated in the year of acquisition.

Leasehold land and leasehold improvements are amortized on straight line basis over the period of the lease.

Technical know how fee is amortized on straight line basis over the period of agreement but not exceeding ten years starting from the use of technical know how. Expenditure on major software products is written off on straight line basis over a period of 36 months from the month put to use except Forging Division where the Software Products are written off over a period of 60 months from the month put to use.

h. Revenue recognition:

- Revenue from operations includes excise duty and is net of returns and trade discounts. Excise duty relating to sales is adjusted against revenue from operations. Excise duty on the increase/decrease in the stock of finished goods is recognized as part of the 'Other Expenses'.
- Dividend is accounted for on accrual basis when the right to receive the dividend is established.
- Export incentives are accounted on accrual basis.

i. Foreign currency transactions:

Transactions in foreign currency are accounted at the exchange rates prevailing at the dates of the transactions. Gains / losses arising out of fluctuation in exchange rates, if any, on settlement are recognized in the statement of profit and loss except in the case of long term monetary items relating to acquisition of property, plant and equipment where such gains / losses are adjusted to the cost of property, plant and equipment.

Foreign currency monetary items are converted at the exchange rate prevailing as at the year end and resultant gain / loss is charged to the statement of profit and loss, except in case of long term monetary items representing liabilities relating to acquisition of property, plant and equipment which are adjusted to the cost of the respective assets. In respect of transactions covered by foreign exchange forward contracts, the difference between the contract rate and the spot rate on the date of the transaction is charged to the statement of profit and loss over the period of the contract.

j. Employee benefits:

- Provident fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due.
- Superannuation fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the fund are due.
- Gratuity liability is a defined benefit obligation and is provided for based on actuarial valuation made at the end of each financial year based on the projected unit credit method.

Notes to the Financial Statements

for the year ended March 31, 2017

- iv) Long term compensated absences are provided for based on actuarial valuation made at the end of each financial year based on the projected unit credit method.
- v) Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

k. Borrowing costs:

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of such assets upto the date the assets are ready for its intended use. All other borrowing costs are recognized as an expense in the year in which they are incurred.

l. Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Company is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the statement of profit and loss on a straight line basis over the lease term. Initial direct costs such as legal cost, brokerage cost etc. are recognised immediately in the statement of profit and loss.

m. Income tax

Tax expense comprises current and deferred tax.

Current tax is recognized based on assessable profit computed in accordance with the Income Tax Act, 1961 and at the prevailing tax rate.

Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originates in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using tax rates and the tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets in case of unabsorbed depreciation and carry forward losses are recognized if there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

n. Impairment of assets:

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its recoverable amount, an impairment loss is recognized in the statement of profit and loss to the extent the carrying amount exceeds recoverable amount.

o. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if,

- a. the Company has a present obligation as a result of past event,
- b. a probable outflow of resources is expected to settle the obligation and
- c. the amount of obligation can be reliably estimated

Reimbursements expected in respect of expenditure required to settle a provision are recognized only when it is virtually certain that the reimbursements will be received.

Contingent liability is disclosed in the case of

- a. a present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- b) A possible obligation, of which the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date. Contingent assets are neither recognized nor disclosed.

* Includes Land valuing Rs. 4,65,25,676 (previous year Rs. 4,65,25,676) for which the title is yet to be registered in the Company's name.

** Moulds & Dies used in production have been re-classified under property, plant and equipment as against inventories effective from 1st April, 2016 in compliance with revised Accounting Standard-10 'Property, Plant and Equipment' notified on 30th March, 2016 and accordingly, the amortisation on Moulds and Dies has been re-classified under Depreciation in place of Other Expenditure. However, this has no bearing on the profitability of the Company.

e) Research & Development	26,891	-

Notes to the Financial Statements

for the year ended March 31, 2017

34.3 Remittance in foreign currency on account of dividend

(Amount in ₹)

			Year ended March 31, 2017	Year ended March 31, 2016
Year	No. of shares held	No. of non residents		
2015-16	365752	23	5,48,633	5,50,133

34.4 Earnings in Foreign exchange:

Value of exports on F.O.B. basis	65,19,29,497	59,89,28,949
----------------------------------	--------------	--------------

35. Excise duty:

The finished goods at Sohna plant (material division), Gurgaon is considered as raw material for the Company because the same is used for manufacturing gaskets at Faridabad and other plants. Accordingly the excise duty liability on excisable goods manufactured at Sohna, but pending removal / clearance from the factory premises as at 31.03.2017, estimated at ₹ 4,49,553 (previous year ₹ 3,88,921) is not accounted for. If the said liability would have been accounted, it would have resulted in a higher charge of excise duty with corresponding adjustment of liability and a higher inventory by ₹ 4,49,553 (previous year ₹ 3,88,921). However, this would have no effect on the net profit of the Company for the accounting year or on the net current assets as at 31.03.2017.

36. Balance with central excise & other authorities includes ₹ 80 lacs (previous year ₹ 80 lacs) deposited by the company as advance excise duty in view of investigation by the excise department, objecting excise exemption on some of the products sold from Sitarganj Plant. The matter is still to be decided.

37. The Company has not received information from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosure required under schedule III of the Companies Act, 2013 has not been given.

38. Segment reporting:

a) Primary segment:

The Company's operations comprise of only one segments viz , "Auto Components & Parts".

b) Secondary segment:

The Company caters to the needs of the Indian as well as foreign market. The risk and returns vary from country to country and export to none of the countries exceeds 10% of the sales turnover of the Company. Hence it is not reportable.

39. Related party disclosures:

A) Names of the related parties and nature of relationship:

i) Jointly controlled entities

Nippon Leakless Talbros Private Limited
Magnet Marelli Talbros Chassis Systems Private Limited
Talbros Marugo Rubber Private Limited

ii) Investing party in respect of which the Company is an associate

Independent Auditor's Report

Independent Auditor's Report

To the Members of Talbros Automotive Components Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Talbros Automotive Components Limited, ("the Company") and its jointly controlled entities, comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement, for the year then ended, and a summary of the significant accounting policies and other explanatory information ("the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company and its jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The respective Board of Directors of the Company and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the Company and its jointly controlled entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements

and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company and its jointly controlled entities as at March 31, 2017, and their consolidated profit, and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
 - c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

- d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- e) on the basis of the written representations received from the directors of the Company and its jointly controlled entities as on March 31, 2017 and taken on record by the Board of Directors of the Company and its jointly controlled entities none of the directors of the Company and its jointly controlled entities is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and its jointly controlled entities and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
- g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Company and its jointly controlled entities – Refer Note no. 30 to the consolidated financial statements;
 - (ii) The Company and its jointly controlled entities did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its jointly controlled entities during the year ended March 31, 2017; and
 - iv) The Company has provided requisite disclosures in the consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 08, 2016 to December 30, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained and as produced to us by the Management of the Company and its jointly controlled entities – Refer Note no. 31 to the consolidated financial statements.

Annexure A to the Independent Auditor's Report

Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Talbros Automotive Components Limited (hereinafter referred to as "the Company") and its jointly controlled entities, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its jointly controlled entities, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the respective company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its jointly controlled companies as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the internal

financial controls over financial reporting of the Company and its jointly controlled entities as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its jointly controlled entities, which are companies incorporated in India, have, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2017

1. Summary of significant accounting policies

a. Basis of preparation:

The financial statements of the Group have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with generally accepted accounting principles in India (GAAP) and comply with the accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013.

b. Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements, disclosure of contingent liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from these estimates. Difference between the actual results and the estimate are recognized in the period in which the results are known / materialized.

c. Principles of consolidation:

The consolidated financial statements include the financial statements of Talbros Automotive Components Limited ('the Company') and its jointly controlled entities (collectively known as 'the Group').

The financial statements of the joint venture companies are consolidated using proportionate consolidation method by adding book values of like items of assets, liabilities, revenues and expenses after eliminating intra-group balances / transactions and unrealised profits to the extent of the Group's proportionate share in accordance with Accounting Standard-27, "Financial Reporting of interest in joint venture" notified under section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended).

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements. Differences in accounting policies have been disclosed separately.

d. Investments:

Long term investments are stated at cost, less any provision for diminution other than temporary in nature.

e. Inventory valuation:

Raw materials and stores & spare parts are valued at lower of cost or net realizable value. Cost represents purchase price and other expenditure directly attributable to the acquisition and is determined on first in first out (FIFO) basis. Finished goods & work-in-progress are valued at lower of cost or net realizable value. Cost for this purpose includes materials, labour and appropriate allocation of overheads. Excise duty on stock lying with the Group is added to the cost of finished goods inventory.

f. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction and include amounts added on revaluation, less accumulated depreciation.

g. Intangible

Technical know-how fee is recognized as an Intangible Asset in accordance with Accounting Standard -26 "Intangible Assets" less accumulated amortisation. Major software products are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

h. Depreciation / Amortisation

Depreciation on property, plant and equipment is provided based on the methods given hereunder

Sr. No.	Plant	Method of depreciation	
		Straight line	Written down value
1.	Gasket Plants at Faridabad, Chennai, Pune, Sohna (except on items acquired prior to 1.9.1978 at the Chennai Plant and prior to 31.12.1985 at Faridabad Plant) and joint venture companies namely Talbros Marugo Rubber Private Limited and Nippon Leakless Talbros Private Limited	Plant, machinery and equipment	All other depreciable assets
2.	Assets acquired prior to 1.9.1978 at the Chennai Plant and prior to 31.12.1985 at Faridabad Plant		All depreciable assets
3.	Gasket Plants at Sitarganj, Forging Plant at Bawal and assets transferred to Gasket Plant at Faridabad from erstwhile Rubber Division, joint venture company Magneti Marelli Talbros Chassis System P Ltd,	All depreciable assets other than vehicles	Vehicles

Notes to the Consolidated Financial Statements

for the year ended March 31, 2017

Depreciation is provided on the useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II:

Sr. No.	Class of assets	Useful life
(i)	Plant, machinery and equipments	22 years
(ii)	Computers	6 years
(iii)	Air-conditioning plant	10 years
(iv)	Canteen equipments	10 years
(v)	Furniture and fixtures	5 years
(vi)	Vehicles	10 years
(vii)	Electrical installation	15 years
(viii)	Tube wells	10 years
(ix)	Mould and Dies	6 year except 3 years in case of Joint Venture Companies.

The estimates of useful lives of the assets are based on independent technical evaluation, taking into account the nature of the asset, the estimated usage of the asset and the operating conditions surrounding the use of the asset etc.

In respect of additions to/deductions from property, plant and equipment during the year, depreciation is charged on pro-rata basis. Assets costing ₹ 5,000 or less are fully depreciated in the year of acquisition.

Leasehold land and leasehold improvements are amortized on straight line basis over the period of the lease.

Technical know how fee is amortized on straight line basis over the period of agreement but not exceeding ten years starting from the use of technical know how. Expenditure on major software products is written off on straight line basis over a period of 36 months from the month put to use except Forging Division where the software products are written off over a period of 60 months from the month put to use.

i. Revenue recognition:

- Revenue from operations includes excise duty and is net of returns and trade discounts. Excise duty relating to sales is adjusted against revenue from operations. Excise duty on the increase/decrease in the stock of finished goods is recognized as part of the 'Other Expenses'.
- Dividend is accounted for on accrual basis when the right to receive the dividend is established.
- Export incentives are accounted on accrual basis.

j. Foreign currency transactions:

Transactions in foreign currency are accounted at the exchange rates prevailing at the dates of the transactions. Gains / losses arising out of fluctuation in exchange rates, if any, on settlement are recognized in the statement of profit and loss except in the case of long term monetary items relating to acquisition of property, plant and equipment where such gains / losses are adjusted to the cost of property, plant and equipment.

Foreign currency monetary items are converted at the exchange rate prevailing as at the year end and resultant gain / loss is charged to statement of profit and loss, except in case of long term monetary items representing liabilities relating to acquisition of property, plant and equipment which are adjusted to the cost of the respective assets. In respect of transactions covered by foreign exchange forward contracts, the difference between the contract rate and the spot rate on the date of the transaction is charged to the statement of profit and loss over the period of the contract.

k. Employee benefits:

- Provident fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due.

Notes to the Consolidated Financial Statements

for the year ended March 31, 2017

- ii. Superannuation fund is a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the fund are due.
- iii. Gratuity liability is a defined benefit obligation and is provided for based on actuarial valuation made at the end of each financial year based on the projected unit credit method.
- iv. Long term compensated absences are provided for based on actuarial valuation made at the end of each financial year based on the projected unit credit method.
- v. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

l. Borrowing costs:

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of such assets upto the date the assets are ready for its intended use. All other borrowing costs are recognized as an expense in the year in which they are incurred.

m. Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Group is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the statement of profit and loss on a straight line basis over the lease term. Initial direct costs such as legal cost, brokerage cost etc. are recognised immediately in the statement of profit and loss.

n. Income tax

Tax expense comprises current and deferred tax.

Current tax is recognized based on assessable profit computed in accordance with the Income Tax Act, 1961 and at the prevailing tax rate.

Deferred tax is recognised, subject to consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originates in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using tax rates and the tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets in case of unabsorbed depreciation and carry forward losses are recognized if there is a virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

o. Impairment of assets:

At each balance sheet date, the Group assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount. If the carrying amount of the asset exceeds its recoverable amount, an impairment loss is recognized in the statement of profit and loss to the extent the carrying amount exceeds recoverable amount.

p. Provisions, contingent liabilities and contingent assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if the Group has a present obligation as a result of past event,

- a. a probable outflow of resources is expected to settle the obligation and
- b. the amount of obligation can be reliably estimated.

Reimbursements expected in respect of expenditure required to settle a provision are recognized only when it is virtually certain that the reimbursements will be received.

Contingent liability is disclosed in the case of

- a. A present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- b. A possible obligation, of which the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date. Contingent assets are neither recognized nor disclosed.

* Includes land valuing Rs. 5,12,05,047 (previous year Rs. 5,12,05,047) for which the title is yet to be registered in the Company's name.

** Moulds & Dies used in production have been re-classified under property, plant and equipment as against inventories effective from 1st April, 2016 in compliance with revised Accounting Standard-10 'Property, Plant and Equipment' notified on 30th March, 2016 and accordingly, the amortisation on Moulds and Dies has been re-classified under Depreciation in place of Other Expenditure. However, this has no bearing on the profitability of the Company.
