DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS

Dear Shareholders,

Your Directors present the 71st Annual Report, together with the audited accounts of the Company for the financial year ended March 31, 2016.

Financial Results

The performance of your Company during the financial year ended the 31st March, 2016 was as follows.

(Rs. in lacs)

Particulars	Year ended 31.03.2016	Year ended 31.03.2015
Turnover	6,870.66	3,421.72
Profit/(Loss) before Extra-ordinary Items & Tax	(1,000.35)	(1,473.65)
Add: Exceptional Items	131.54	1,069.91
(Loss) before Taxation	(1,131.89)	(2,543.56)
Tax Expense including Deferred Tax	51.20	34.41
(Loss) after Taxation	(1,183.09)	(2,577.97)
(Loss) brought forward from previous year	(6,496.49)	(3,831.42)
(Loss) carried to Balance Sheet	(7,679.58)	(6,496.49)
Reserves & Surplus	9,846.35	11,029.44
Earnings per Share (Rs.)	(5.87)	(12.79)

Company's Performance and Outlook

Your Company's financial performance was affected adversely due to lack of order for procurement of Wagons from Indian Railways, the largest customer whereas the counter offer from IR had to be declined since the substantially lower prices owing to predatory pricing resorted to by some of the manufacturers aimed at securing larger allocation in the tender rendered it un-remunerative. The Turnover during the year under review includes the amounts from orders placed by IR in the earlier financial year i.e. 2014-15 and about Rs.14 Crore from two private sector customers.

It is noteworthy that during the last tender of Indian Railways for procurement, your Company has been awarded in April, 2016 order for 1264 Wagons valued at Rs.183 Crore execution of which is progressing as per schedule.

As part of your Company's endeavour to mitigate the risk of predominant dependence on business from Indian Railways, the Board has accorded in principle approval to merger of Titagarh Agrico Private Limited, a subsidiary of your Company's holding company to derive the benefits of synergy in operations and more efficient utilization of combined resources subject to applicable compliances in this respect. Manufacture of tractors would be conveniently integrated with the core competencies of your Company's existing business.

Further, your Company has been issued Industrial License by the Government of India for manufacture of various products for defence sector of the country and necessary steps are being taken in this direction.

With the order in hand for wagons procurement by the Indian Railways and the efforts for diversification as stated herein, the outlook for the current year is reasonably optimistic.

Pursuant to the provisions of Section 23 of SICA, the Board has approved the Report stipulated thereby for placing the same before you at the Extra Ordinary General Meeting scheduled after the conclusion of the ensuing Annual General Meeting.

Overall Review

The overall performance of the Company during the financial year ended the 31st March, 2016 declined due to lack of order for procurement of Wagons from the Indian Railways.

Business Segment

Wagons

- Industry Outlook: Wagons industry is beset by irregular and decremental Wagons procurement orders by Indian Railways compounded by predatory pricing being resorted to by some of the wagon manufacturers. Notwithstanding the Government

DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS

of India's budget announcement, the expenditure is reportedly flowing into infrastructure while the Wagon Industry struggles for survival.

- b) Opportunities: Rail is expected to be the preferred mode of movement of cargo being an effective and more economical mode of carrying goods across the country. The Government's plans to expand the railway network and the project of dedicated freight corridors if implemented in right earnest, Wagon industry offers substantial opportunity which can be seized particularly by the established units to fullest extent.
- c) Challenges: Uncertainty in timely placement of wagons procurement orders by Indian Railways and availability of funds coupled with the stressed margins due to unhealthy competition in the industry besides rising cost of inputs are major challenges for Wagon Industry in India. The dependence on one customer i.e. Indian Railways is a serious concern in as much as any change in the Government policy stands to directly impact the industry.
- d) Segment Review and Analysis:

	Unit	March 31, 2016	March 31, 2015	% Change
Production of Wagons	No.	420	187	124.60
Sales	No.	466	141	230
Average Realisation	Rs. Lacs/No.	13.32	16.07	-17.11

Review of operations: Performance of the Wagons segment has been affected severely due to lack of order from the Indian Railways during the year under review.

- e) While the placement of order for Wagons by the Indian Railways in April, 2016 is encouraging the development of markets for other products takes substantial time and hence the outlook for current fiscal is reasonably optimistic.

Dividend

In view of the loss sustained, the Directors do not recommend any dividend for the year under review.

Internal Financial Controls

Appropriate policies and procedures have been adopted by the Board to ensure effective financial controls, risk assessment and mitigation measures, accuracy and completeness of the accounting records, the prevention and detection of frauds and errors and orderly and efficient conduct of the Company's business.

The internal financial controls (IFC) have been documented and adequacy of IFC has been evaluated by an external firm of experts and certified by the Statutory Auditors. Based on the aforesaid, the Board has concluded that during the year IFC were operating effectively.

Risks and Concerns

The Company has laid down a risk management mechanism which is reviewed periodically. A Risk Management Policy to identify and assess the key risk areas, monitor mitigation measures and report compliance has been adopted. Based on the review, the following key risks have been identified:

a) Dependence on the Indian Railways

The Company is engaged in the business of manufacturing wagons which is entirely dependent upon the policies of Indian Railways and any change in the policies whether positive or negative directly impacts the business of the Company.

b) Increase in the cost of raw materials and other inputs

The major raw materials required by the Company include steel, specialized components including bogies, coupler sets, air brakes etc. which are exposed to volatility in prices and availability in required specifications.

c) Risk of performance guarantee, product warranty and liquidated damages

The contracts involve performance guarantee based on contract value and warranty periods within which if any defect is detected in the products, the Company may have to incur expenditure for correcting the defects or even replacing the products. Delay in scheduled delivery may attract liquidated damages upto 10%.

Subsidiary Companies

There is no subsidiary of your Company.

Extract of Annual Return

The details forming part of the extract of the annual return in the Form MGT-9 is annexed and marked as **Annexure DR-1**.

Number of Board Meetings

The Board of Directors met eight (8) times during the financial year ended 31st March, 2016 as per the details provided in the Corporate Governance Report forming part of the Annual Report.

Loans, Guarantees and Investments

Particulars of loans, guarantees and investments made by the Company pursuant to the Section 186 of the Act are furnished under notes to financial statements.

Significant and material orders

There were no material/significant orders passed by any regulator/tribunal impacting the going concern status and the Company's operations in future.

DIRECTORS' REPORT AND MANAGEMENT DISCUSSION & ANALYSIS

Composition of Audit Committee

CORPORATE GOVERNANCE REPORT

ANNEXURE CG-2

CRITERIA FOR PERFORMANCE EVALUATION OF BOARD & INDEPENDENT DIRECTORS

An effective Board consciously creating a culture of leadership and transparent corporate governance with a long term vision and requisite strategies to enable the Company to become a responsible entity working for maximization of the stakeholders' value while contributing to society is at the core of Cimmco's approach. Towards this Cimmco Limited ensures constitution of a Board of Directors with an appropriate composition, size, diversified expertise and experience and commitment to discharge their responsibilities and duties effectively.

Cimmco also recognizes the importance of Independent Directors in achieving the effectiveness of the Board and aims to have an optimum combination of Executive, Non-Executive and Independent Directors.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Board carries out an annual evaluation of its own performance, as well as the evaluation of the working of its Committees and Individual Directors. The performance evaluation of all the Directors was carried out by Nomination and Remuneration Committee. The performance evaluation was carried out in accordance with the Remuneration Policy framed by the Company within the framework of applicable laws.

QUALIFICATION AND CRITERIA OF INDEPENDENCE

- The Nomination and Remuneration Committee (NRC) and the Board shall review on an annual basis appropriate skills, knowledge and experience required of the Board as a whole and its individual members.
- NRC shall also assess the independence of the directors at the time of appointment/reappointment and the Board shall assess the same annually.
- The Board shall reassess determinants of independence when any new interest or relationships are disclosed by a Director.
- In evaluating the suitability of the individual members NRC may take into account factors such as, general understanding of the Company's business dynamics, global business and social perspective.

The Board may review and update the criteria from time to time as it may deem appropriate.

INDEPENDENT AUDITOR'S REPORT

To the Members of CIMMCO LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of CIMMCO LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Basis for qualified opinion

We draw attention to note no. 13(i) regarding certain claims of Rs 3,952.35 lacs (Rs 3,952.35 lacs as at March 31, 2015), which has been considered good of recovery by the management. Although the management is hopeful to recover the claims in full, pending final decision of the Court, we are unable to comment on its recoverability including consequential impact that may arise in this regard in these financial statements. This had also caused us to qualify our audit opinion on the financial statements for the year ended March 31, 2015.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph above, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to note no. 29(A) regarding certain claims raised by a Sub-contractor against the Company, which has been upheld by the arbitration tribunal and a demand of Rs 2,525.85 lacs (including interest of Rs. 1,721.63 lacs) has been awarded against the Company. The Company has filed an appeal against the said award with the Hon'ble High Court of Delhi in respect of which, a stay has been granted by the Hon'ble High Court. Pending final decision of the Hon'ble High Court, the Company has not given any effect to the above demand in these financial statements. Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and, except for the matter described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) Except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) Except for the possible effect of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;

INDEPENDENT AUDITOR'S REPORT

- e) The matter described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- f) On the basis of written representations received from the directors as on March 31, 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164 (2) of the Companies Act, 2013;
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 6(b)(i) and 29 to the financial statements;
 - ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 1 TO THE AUDITOR'S REPORT

Referred to in our report of even date to the members of Cimmco Limited as at and for the year ended March 31, 2016

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular programme of verifying the fixed assets over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management the title deeds of immovable properties included in fixed assets are held in the name of the Company except for 3 numbers of freehold land aggregating to gross block and net block of Rs. 4,713.30 lacs as at March 31, 2016 for which original registered sale deed / conveyance deed / transfer deed / assignment deed were not available with the Company and we have been provided with the photo copies of the same. Hence, we are unable to comment on the same. Further, above includes freehold land aggregating to Rs. 2,728.60 lacs for which a dispute was raised by a third party for the title of the land which is pending resolution in the Hon'ble Supreme Court of India as at March 31, 2016. Also refer Note 9(b) of the financial statements.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of Section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits from the public.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, related to the manufacture of wagons and engineering products, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.

INDEPENDENT AUDITOR'S REPORT

- (c) According to the records of the Company, the dues outstanding of income tax, sales-tax, service tax, customs duty, excise duty, value added tax and cess on account of dispute are as follows:

INDEPENDENT AUDITOR'S REPORT

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF CIMMCO LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CIMMCO LIMITED ("the Company") as of March 31, 2016, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2016:

Attention is drawn to Basis for qualified opinion paragraph of Auditors' Report on Financial Statements more fully described therein, regarding certain claims of Rs 3,952.35 lacs (Rs 3,952.35 lacs as at March 31, 2015), which has been considered good of recovery by the management. Although the management is hopeful to recover the claims in full, pending final decision of the Court, we are unable to comment on its recoverability. This could potentially result in misstatement of Company's Other Assets.

INDEPENDENT AUDITOR'S REPORT

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis. In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2016.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the financial statements of Cimmco Limited, which comprise the Balance Sheet as at March 31, 2016, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. Material weakness as described above was considered in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 financial statements of Cimmco Limited and this report does not affect our report dated May 25, 2016, which expressed a qualified opinion on those financial statements.

NOTES TO FINANCIAL STATEMENTS as at and for the year ended March 31, 2016

1. Corporate information

Cimmco Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and existing under Companies Act 2013. Its shares are listed on Bombay Stock Exchange and National Stock Exchange. The Company is engaged in the manufacturing and selling of wagons and engineering goods. The Company primarily caters to the domestic market.

2. Summary of Significant accounting policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention except in case of assets for which revaluation is carried out. The accounting policies adopted in the preparation of financial statements are consistent with those used in the previous year, except for the changes in accounting policy explained below.

b) Changes in accounting policy

Component Accounting

The Company has adopted component accounting as required under Schedule II to the Companies Act, 2013 from 1 April 2015. The Company was previously not identifying components of fixed asset separately for depreciation purposes; rather, a single useful life/ depreciation rate was used to depreciate each item of fixed asset.

Due to application of Schedule II to the Companies Act, 2013, the Company has changed the manner of depreciation for its fixed asset. Now, the Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset. These components are depreciated over their useful lives; the remaining asset is depreciated over the life of the principal asset. The Company has used transitional provisions of Schedule II to adjust the impact of component accounting arising on its first application. If a component has zero remaining useful life on the date of component accounting becoming effective, i.e., 1 April 2015, its carrying amount, after retaining any residual value, is charged to the statement of profit and loss. The carrying amount of other components, i.e., components whose remaining useful life is not nil on 1 April 2015, is depreciated over their remaining useful lives.

There are no fixed assets identified wherein the component/ part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset, hence there is no impact in financial statements due to above change in accounting policy.

c) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

d) Tangible Fixed Assets

Tangible Fixed Assets are stated at cost (or revalued amounts, as the case may be), less accumulated depreciation and impairment, if any. The cost of acquisition comprises of purchase price inclusive of duties (net of Cenvat/VAT), taxes, incidental expenses, erection/commissioning/trial run expenses and borrowing cost etc, up to the date the assets are ready for intended use.

In case of revaluation of tangible fixed assets, the original cost as written up by the approved valuers is considered in the accounts and the differential amount is credited to revaluation reserve.

Machinery spares which can be used only in connection with an item of fixed assets and whose use, as per technical assessment, is expected to be irregular, are capitalized and depreciated over the residual life of the respective assets.

Capital work-in-progress includes machinery to be installed and construction & erection materials lying in stock.

Gains or losses arising from de-recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The Company identifies and determines cost of components significant to the total cost of the asset having useful life that is materially different from that of the remaining life.

e) Intangibles

Research costs are expensed as and when incurred. Development expenditure incurred on an individual project is recognized as an intangible asset when the Company can demonstrate all the following :

- The technical feasibility of completing the intangible asset so that it will be available for use or sale
- Its intention to complete the asset
- Its ability to use or sell the asset
- How the asset will generate future economic benefits
- The availability of adequate resources to complete the development and to use or sell the asset
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

Development expenditure recognized as an intangible asset is amortized on a straight line basis over the period of expected future sales from the related project, not exceeding ten years.

The carrying value of development costs is reviewed for impairment annually when the asset is not yet in use, or otherwise when events or changes in circumstances indicate that the carrying value may not be recoverable.

Computer softwares not being part of the hardware operating system, are assessed to have a useful life of 3 years and are capitalised as intangible fixed assets.

f) Depreciation & Amortisation on tangible & intangible fixed assets

Tangible Assets

Leasehold land is amortized on a straight line basis over the period of lease, i.e., 99 years.

Depreciation on fixed assets is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated over their useful life. The remaining asset is depreciated over the life of principle assets which is in line with the useful lives as mentioned in Schedule II to the Companies Act 2013. The Company has used the following rates to provide depreciation on its fixed assets.

NOTES TO FINANCIAL STATEMENTS as at and for the year ended March 31, 2016

Asset Class	Useful life (years)
Factory buildings	30
Other buildings	60
Plant and equipments	1-15
Furniture and fixtures	10
Office equipment	3-5
Vehicles	8

The management has estimated, supported by independent assessment by professionals, the useful lives of certain components of assets as 1 year to 10 years which are lower than those indicated in schedule II.

Intangible Assets

Computer softwares capitalized as intangible fixed assets are amortised over their useful life of 3 years on a straight line basis.

g) Leases

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased items, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are recognized as finance costs in the statement of profit and loss. Lease management fees, legal charges and other initial direct costs are capitalized.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

h) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

i) Impairment of tangible and intangible fixed assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on the internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the assets' net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

Impairment losses are recognized in the statement of profit and loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

A previously recognized impairment loss is increased or reversed depending on the changes in circumstances. However the

carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

j) Investments

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

k) Inventories

Raw materials & Components and Stores & spares Parts are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of finished goods are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost include expenses incidental to procurement thereof and determined on a weighted average basis.

Goods under process and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials, labour cost and a proportion of manufacturing overheads based on the normal operating capacity. The cost of Finished goods and goods under process is determined on a weighted average basis. Cost of finished goods also includes excise duty.

Obsolete/damaged stores and saleable scraps are valued at estimated net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

l) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

In case of sale of goods, revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer. Sales are net of returns, claims, trade discounts etc.

Sales exclude sales tax and value added tax (VAT) which are collected by the Company on behalf of the State Governments and deposited to the credit of the respective State Governments. Excise duty deducted from revenue is the amount that is included in the revenue and not the entire amount of liability arising during the year.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

m) Foreign Currency Transactions

Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

NOTES TO FINANCIAL STATEMENTS as at and for the year ended March 31, 2016

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on restatement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of the forward exchange contract is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or expense for the year.

n) Retirement and other Employee Benefits

Retirement benefits in the form of Provident and Superannuation funds are defined contribution schemes and the contributions are charged to the Statement of Profit and Loss of the year when an employee renders the related service. There are no obligations other than the contribution payable to the respective funds.

Gratuity liability is a defined benefit obligation and is provided for on the basis of actuarial valuation on projected unit credit method made at the end of each financial period.

Long term compensated absences are provided for based on actuarial valuation, as per projected unit credit method, made at the end of each financial period. Accumulated leave, which is expected to be utilized within the next twelve months is treated as short term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

Actuarial gains/losses are taken to Statement of Profit and Loss and are not deferred.

o) Taxes on Income

Tax expense comprises of current and deferred taxes.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the Company has carry forward unabsorbed depreciation and carry forward tax losses, deferred tax assets are recognized only if there is virtual certainty backed by convincing evidence that such deferred tax assets can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes deferred tax assets to the extent that it has become reasonably certain or

virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets is reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

p) Segment Reporting

Identification of segments

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Inter Segment transfers

The Company accounts for inter segment transfers at prevailing market prices.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis by applying the ratio, appropriate to each relevant case.

Unallocated items

Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, are included under the head "Unallocated – Common"

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

q) Earning per share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

r) Provisions

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Provision for product related warranties cost is based on the claims received upto the year end as well as the management's estimates of further liability to be incurred in this regard during the warranty period.

NOTES TO FINANCIAL STATEMENTS as at and for the year ended March 31, 2016

Liquidated damages on supply of materials are provided based on the contractual obligations or deduction made by the customers, as the case may be.

Provision is recognized for the contract, where unavoidable cost of meeting the obligation under the contract exceeds the economic benefits expected to be received. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfill it.

s) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

t) Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise of cash on hand, cash at bank and fixed deposits with an original maturity of three months or less.

u) Excise duty & custom duty

Excise duty is accounted for at the point of manufacture of goods and accordingly is considered for valuation of finished goods stock lying in the factories as on the balance sheet date. Similarly, customs duty on imported materials in transit / lying in bonded warehouse is accounted for at the time of import / bonding of materials.

v) Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit/ (loss) for the year excluding depreciation & amortization expenses, interest income, finance costs and tax expenses.

* Includes the following :				
i) Rs 3952.35 Lacs (Rs 3952.35 Lacs) recoverable from Indian Railway (Railways) on account of differential sub lease rental for the leased wagons for the period 1997-98 to 2008-09, net of Rs 1316.84 Lacs, being the cost of wheel sets to be returned to the Railways. The said matter was under arbitration proceedings since 2004 and finally, the Arbitrators, passed an award on 03/02/2016 whereby the Company's claims were rejected. Being aggrieved by the award the Company has filed an appeal under section 34 of the Arbitration & Conciliation Act, 1996 (as amended) before the Hon'ble High Court, Delhi on 29/04/2016 and hearing in the matter is expected to take place shortly. Considering the merit of the case, the management is hopeful to recover this claim in full.				
ii) Rs. 743.02 Lacs, net of Rs. 150.00 Lacs received under guarantee given by the Company, recoverable from National Insurance Company Limited (NICL) towards insurance claims in terms of an order passed by the Hon'ble High Court of Delhi in favour of the Company. NICL had referred the matter to the Hon'ble Supreme Court. During the year, the Company has received a favorable decision from the Hon'ble Supreme Court of India whereby the Hon'ble Court has awarded the claim in favour of the Company and an amount of Rs 874.89 lacs (including interest of Rs 131.87 lacs) has been received subsequent to the balance sheet date.

29. CONTINGENT LIABILITIES

	As at March 31, 2016 Rs. in Lacs	As at March 31, 2015 Rs. in Lacs
(A) Disputed claims contested by the Company and pending at various courts.*	6,438.03	6,264.86
Matters under appeal with :		
Excise, Customs and Sales Tax Authorities	2,341.23	2,303.96
Letters of Credit and Bank Guarantees outstanding	2,834.72	2,923.77

* Includes Rs. 1292.95 Lacs (Rs. 1292.95 Lacs) which in terms of BIFR order, even if decided against the Company, would stand at Rs. 129.29 Lacs (Rs. 129.29 Lacs) only.

In respect of above cases, based on favourable decisions in similar cases/legal opinions taken by the Company/discussions with the solicitors etc., the management is of the opinion that it is possible, but not probable, that the action will succeed and accordingly no provision for any liability thereagainst has been made in the financial statements.

The legal case pending at various courts referred to above includes a case relating to M/s Uppal Engg Co. Pvt. Ltd. for widening of road against a contract awarded to the Company by the Rajasthan PWD in 1992. Uppal Engg Co had invoked arbitration proceedings against the Company in 1998 for certain claims. The arbitration award was issued during the year, pursuant to which Cimmco has been directed to pay Rs 2,525.85 lacs (Rs 804.22 lacs as principle and Rs 1721.63 lacs as interest). The Company has filed an appeal against the said award with the Hon'ble High Court of Delhi in respect of which, a stay has been granted by the Hon'ble High Court. Accordingly, management is hopeful of a favourable outcome in this regard and does not foresee any liability crystallising on the Company as a consequence of the award.

NOTES TO FINANCIAL STATEMENTS as at and for the year ended March 31, 2016

- (B) The Company had in earlier years (prior to lockout and take-over of the Company), obtained certain advance licenses for making duty free import of inputs subject to fulfilment of export obligation (EO) within the specified time limit from the date of issuance of such licences. Due to the closure of the factory and cancellation of the export orders, the Company could not fulfil the entire export obligation within the permitted time limit. Subsequently, the Company was referred to the Board for Industrial and Financial Reconstruction ("BIFR") vide case No. 372/2000 dated 27th November 2000 wherein a rehabilitation package was sanctioned by the BIFR on 11th March 2010. Pursuant to the rehabilitation scheme, the Company made an application to the Policy Relaxation Committee (PRC) of the Department of Foreign Trade for extension of the EO by further 8 years. The Zonal Director General of Foreign Trade (DGFT) vide its letter dated 21st December 2010 had extended the EO period upto 31st March 2016. In the current year, based on the details available with the Company regarding the imports made prior to the lock out and as per its best estimates, the Company has made necessary payments to the tune of Rs 85.00 lacs for the unfulfilled export obligation and for the balance licenses a liability of Rs 11.00 lacs has been made in the books. However, in absence of complete list of licenses alongwith the imports made against each license the amount of contingent liability towards custom duty saved on unfulfilled export obligations and penal interest if any, is presently unascertainable.
- (C) The Company had given 687 wagons to Indian Railways on sub-lease till October 2007 and as per the agreement the sub-lease was renewable at the consent of the Indian Railway on an annual basis. Post the expiry of the original sub-lease term, Indian Railways continued to use the wagons without renewing the sub-lease arrangement. During the previous year, the company had received a demand of Rs. 1234.20 Lakhs from Titagarh Capital Pvt. Ltd., the lessor of these wagons for the period October 2007 to March 2014. Titagarh Capital Pvt. Ltd. has pursued the matter in the Honourable High Court of Calcutta and the Honourable Court in an interim measure directed the Indian Railway to set apart the lease rentals for the above period, at the last paid rate of rent, in a fixed deposit account till the matter is finally decided. The Company has not provided for this claim since it has a back-to-back claim for the sub-lease on Indian Railways.

31. The financial performance of the Company for the year has been severely impacted due to overall industry scenario and delay in release of wagons procurement orders by the Indian Railways. Titagarh Wagons Limited, the ultimate parent company is committed to provide suitable financial support to the company for the near future and has also contributed additional capital in earlier years to meet the cash flow requirements. The Company has been awarded with a new wagon contract dated May 11th, 2016 from the Indian Railways for supply of 1,264 wagons. In view of the above, these financial statements have been prepared on a going concern basis.
32. In view of absence of virtual certainty supported with convincing evidence, the Company has not recognized the deferred tax asset arising on account of brought forward losses and unabsorbed depreciation.
33. Previous period's figures including those given in brackets have been regrouped/reclassified, where necessary, to conform to current year's classification.
