- 18. Evoting

Pursuant to Section 108 of the Companies Act, 2013 ("the Act"), read with the relevant Rules under the Act and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means.

The e-voting period will commence at 9.00 a.m. on Sunday, September 16, 2018 and ends 5.00 p.m. on Tuesday, September 18, 2018. The Company has appointed Mr. Dinesh Kumar Deora, Practicing Company Secretary, to act as the Scrutinizer, to scrutinize the voting at the Annual General Meeting (AGM) and remote e-voting process in a fair and transparent manner. The members desiring to vote through electronic mode may refer to the detailed procedure on e-voting given hereinafter.

Members have an option to vote either through remote e-voting or through physical Ballot Form at the AGM. If a Member has opted for remote e-voting, then he/she should not vote at the AGM. However, in case Members cast their vote both via physical ballot at AGM and remote e-voting then remote e-voting shall prevail and voting done through physical ballot shall be treated as invalid. The Company has signed an agreement with CDSL for facilitating remote e-voting. The Members who cast their vote by remote e-voting, may attend and participate at the AGM, however, shall not be entitled to cast their vote at the AGM.

The voting rights of Members shall be in proportion to their shares in the paid up equity share capital of the Company as on the cut-off date. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting, as well as voting at the meeting.

The Scrutinizer shall, immediately after the conclusion of voting at the Annual General Meeting, first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make not later than 48 hours of conclusion of the meeting, a consolidated Scrutinizer's report of the total votes cast in favour or against, if any, to the Chairperson and/or Managing Director or a person authorized by him in writing who shall countersign the same.

The Results declared along with the Scrutinizer's Report shall be placed on the Company's website www. dolatinvest.com and on the website of CDSL and communicated to the BSE Limited where the shares of the Company are listed. The results shall also be displayed on the Notice Board at the registered and corporate office of the Company.

The instructions for shareholders voting electronically are as under:

The Board commends the Special Resolution set out at Item No. 3 of the accompanying Notice, for Members' approval.

Mr. Rajendra D. Shah is interested in the resolution set out at Item No. 3 of the Notice. Mrs. Neha P. Shah and Mr. Vaibhav P. Shah being related to Mr. Rajendra D. Shah may be deemed to be interested in the said resolution.

The other relatives of Mr. Rajendra D. Shah may be deemed to be interested in the said resolution of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

Item No. 4:

As per Section 180(1)(c) of the Companies Act, 2013, borrowings (apart from temporary loans obtained from the Company's bankers in ordinary course of business) by the Company beyond the aggregate of the paid up share capital of the Company and its free reserves and securities premium requires the approval from the shareholders of the Company.

Members through Postal Ballot notice dated February 13, 2015 had approved borrowings limits under Section 180 (1)(c) of the Companies Act, 2013 (the "Act") upto ₹100 Crores.

Presently Dolat Investments Limited, is a debt free company, however, keeping in view Company's requirements to fund its growing activities and operations, the Board of Directors of the Company at its meeting held on July 23, 2018, proposed to raise the existing borrowing limit from ₹100 Crore (Rupees One Hundred crore) to ₹500 Crore (Rupees Five Hundred crore), which is subject to the approval of the Shareholders of the Company.

Accordingly, the Board of Directors recommends the Special Resolution at Item no.4 of the accompanying Notice for the approval of members.

None of the Directors and Key Managerial Personnel of the Company and their relatives are in any way, concerned or interested, Financial or otherwise, in the said resolution.

Item No. 5:

The members of the Company had vide earlier resolution authorized the Board of Directors to create charge/mortgage/hypothecation on the Company's assets, both present and future, in favour of the lenders/trustees to secure the repayment of monies borrowed by the Company.

Under the provisions of Section 180(1)(a) of the Companies Act, 2013 the above powers can be exercised by the Board only with the consent of the shareholders obtained by way of a Special Resolution. Accordingly, the Board of Directors at its meeting held on July 23, 2018, proposed to obtain fresh approval of the shareholders by way of a Special Resolution under Section 180(1)(a) of the Companies Act, 2013, to create charge/mortgage/hypothecation/pledge on the Company's assets including tangible and intangible, both present and future, in favour of the Banks, Financial Institutions, any other Lender(s), Agent(s) and Trustee(s), for securing the borrowing availed or to be availed by the Company, from time to time up to the limits approved or as may be

approved by the shareholders from time to time under Section 180(1)(c) of the Companies Act, 2013.

Accordingly, the Board of Directors recommends the Special Resolution at Item no.5 of the accompanying Notice for the approval of members.

None of the Directors and Key Managerial Personnel of the Company and their relatives are in any way, concerned or interested, Financial or otherwise, in the said resolution.

Item No. 6

The members of the Company had vide resolution passed through Postal Ballot notice dated February 13, 2015, authorized, the Board of Directors to give loans to any person, provide guarantees and/or securities for loans taken by other persons, acquire by way of subscription, investment, purchase or otherwise, the securities of any other body(ies) corporate, as may be required from time to time upto an amount of ₹100 crore (Rupees One hundred crore), beyond the limits prescribed under Section 186 of the Companies Act, 2013.

The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required to be passed at a general meeting.

In view to support its business activities and considering the long term business plans of the Company, which requires the Company to make sizeable investments / loan, issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits u/s. 186 of the Companies Act, 2013 upto ₹800 crore (Rupees Eight hundred crore).

The Board of Directors recommend the Special Resolution as set out at Item No. 6 of the accompanying Notice, for Members' approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution.

 - c. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
 - e. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - f. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

I have also examined compliance with the applicable clauses of the following:

- 1. Secretarial Standards issued by The Institute of Company Secretaries of India.
- 2. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors, including one Woman director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board meetings were taken unanimously.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there was no other event/action having major bearing on Company's affairs.

MANAGEMENT DISCUSSION AND ANALYSIS

The Indian Economy

The Financial Year 17-18 which was fairly buoyant through the year ended with the Nifty recording an appreciation of 10.25% and the S&P BSE Midcap recording a slightly higher appreciation of 13.24%. The year unfortunately ended with considerable uncertainty clouded by the Nirav Modi scam and other large NPA issues. The indices till the end of January had recorded an appreciation of 17.64%.

The Reserve Bank of India in February 2018 streamlined its rules on existing loan-restructuring mechanisms which is expected to push more debt defaulters into bankruptcy courts. To force its point home, the Reserve Bank of India (RBI) set strict timelines for lenders to take action against defaulters, threatening penalties if banks failed to act in a timely manner. The new rules while bringing discipline to the banking sector which will result in higher provisioning costs for the already stretched balance sheets of Public Sector Banks. It is reported as on December 2017 that there are 400 plus cases under the Insolvency and Bankruptcy Code at the National Company Law Tribunal which may result in the lenders (the banks) to take massive haircuts - at least 50 per cent, if not more. On a positive note five major default cases under NCLT have found firm bids and are near resolution.

On the reform front, GST perhaps the largest reform of the decade has been successfully implemented by the government. Excise and VAT, Central and State Sales Tax, Octroi, Turnover tax, Service Tax have all been subsumed in a single tax in one stroke -the Goods & Services Tax. Further, to the credit of the government, albeit with numerous hitches and changes, the entire process of payment has been made online. More than 10 million traders have registered for GST and are now working on the online payment system every day. The collections have been below the projections but this is expected to grow in FY 18-19 with greater compliance and inclusion. This single indirect tax will benefit businesses in several ways, namely, reduce collection time of input tax credits, savings on logistics costs and time all finally leading to higher competitiveness.

GLOBAL ECONOMIC OUTLOOK

The United States Senate and there after the House of Representatives on December 19th, 2017 approved the most sweeping overhaul of the US tax system in more than three decades. Corporate taxes in the United States were brought down to 21%, instead of the current rate of 35%. Further companies operating overseas, such as big tech and pharma companies, would be taxed at a low rate - 15.5% - to return cash and assets held overseas to the US in a one-time move. The impact of this reform on capital flows reversing to the US from other markets and nations will be significant in the years to come. It is quite safe to say that Central banks, economists, fixed income and equity investors are now contending with the prospect and the impact of the movement of large pools of capital back to the United States while preparing their thesis on future trends in the value of assets classes. Foreign investors have pulled out over ₹15,500 crore from the Indian capital market in April, making it the steepest outflow in 16 months, due to surge in global crude prices and rise in yields of government securities here. The outflow was matched with inflows in domestic income and equity mutual funds which had a net collection of about ₹19,500 crores for the month of April 2018. It is obvious that lower corporate taxes and simplification of legal structures will attract US companies to operate within US shores. US will become a destination of choice of foreign MNCs. For instance, Indian companies operating overseas which historically set up SPVs in Singapore or Hongkong will now find USA a tax efficient and politically secure destination for incorporation.

The US under the leadership of its President Mr. Donald Trump has initiated what the world fears is the beginning of a Trade War. Starting with tariffs imposed on steel and aluminium imports into the US, the US has thereafter announced tariffs on at least \$50 billion worth of Chinese imports into USA. It is not clear how the rest of the world will react but retaliation is certain.

China, in an endeavour to reduce pollution, has shut substantial production capacities in steel, chemicals and paper. This has impacted China's export competitiveness in certain industries and many manufacturers in India, especially in chemicals and paper, have benefited substantially from this phenomenon - a large opportunity for "Make in India".

For corporate India export potential has also received a boost from the pickup in global growth in 2017 and 2018—3.6 percent and 3.7 percent, respectively higher in both years than previous forecasts.

All countries compete in the race for higher market share of world trade. The only way for India to rise to the challenge of capturing higher market share in world trade is by providing the right mix of ease of doing business and the availability of factors of productions at globally competitive rates. India has progressed on the World Bank's Ease of Doing Business rankings, to a rank of 100, from 142 just three years ago (2015). Needless to say that India still has a long way to go when compared to with its three ASEAN partners namely, Thailand, Malaysia and Indonesia.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF DOLAT INVESTMENTS LTD.

REPORT ON THE IND AS FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of **Dolat Investments Limited ('the company')**, which comprise the balance sheet as at 31 March 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the cash flow statement and the Statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in the equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards(Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and applications of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

ANNEXURE - B TO THE AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB-SECTION 143 OF THE COMPANIES ACT, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Dolat Investments Limited ('the company'), as of 31 March 2018, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our Audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

Place: Mumbai

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant accounting policies and notes to financial statements for the year ended 31st March, 2018.

Company Background

Dolat Investments Ltd. (the company) is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. The registered office of the company is located at Office No.141, Center Point, Somnath, Daman - 396210, Daman & Diu. Its shares are listed on Bombay Stock Exchange Ltd. The company is engaged in the trading of shares, securities and the commodities through various stock/commodities exchanges.

1. Significant Accounting Policies and Key Accounting Estimates and Judgments

1.1 Basis of preparation of financial statements

The financial statements of the company have been prepared in accordance with Indian Accounting Standard ('Ind AS') notified under Section 133 of the Companies Act; 2013, read together with the Companies (Indian Accounting Standard) Rules, 2015.

For all periods up to and including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with Accounting Standards notified under the Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP'). Detailed explanation on how the transition from previous GAAP to Ind AS has affected the Company's Balance Sheet, financial performance and cash flows is given under Note 29.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

1.2 Current / Non Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- ii. the asset is intended for sale or consumption;
- iii. the asset/liability is held primarily for the purpose of trading;
- iv. the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- v. the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- vi. in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories and their realization in cash and cash equivalents.

Significant accounting policies and notes to financial statements for the year ended 31st March, 2017.

1.3 Summary of Significant Accounting Policies

a) Property, Plant and Equipment

Measurement at recognition:

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses if any.

The Company identifies and determines cost of each part of an item of property, plant and equipment separately, if the part has a cost which is significant to the total cost of that item of property, plant and equipment and has useful life that is materially different from that of the remaining item.

The cost of an item of property, plant and equipment comprises of its purchase price including non refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

Depreciation:

Depreciation on item of property, plant and equipment is provided on written down value method based on useful life of the assets as prescribed in Schedule II to the Companies Act; 2013. Depreciation on addition to property, plant and equipment is provided on pro-rata basis from the date the asset is put to use. Depreciation on sale/deduction from the property, plant and equipment is provided for upto the date of sale/deduction as the case may be. The depreciation is provided as per the useful life of items of property, plant and equipment as prescribed in Schedule II to the Companies Act, 2013. The useful life of items of property, plant and equipment is mentioned below;

	Years
Furniture and Fixtures	10
Electric Installation	10
Vehicles	8
Office Equipments	5
Computers	3

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

b) Impairment of Assets:

At each balance sheet date, the Company reviews the carrying value of tangible assets for any possible impairment. An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price or estimated future cash flows.

Significant accounting policies and notes to financial statements for the year ended 31st March, 2018.

c) Revenue Recognition:

- 1) Income from Shares & Securities trading is recognized as income or loss on the date of actual trade and is shown net of brokerage expenses.
- Income in respect of derivative contracts are accounted in respect of expired contracts.
- 3) In respect of option contracts open as on balance sheet date, the net premium paid or received is carried forward to the balance sheet as financial assets or financial liabilities. The unrealized gain or loss measured on fair valuation is shown as financial assets or financial liabilities as per IND AS 109 Financial Instruments.
- 4) In respect of futures contracts open as on balance sheet date, the net mark to market paid or received is carried forward to the balance sheet as financial assets or financial liabilities. The unrealized gain or loss measured on fair valuation is shown as financial assets or financial liabilities as per IND AS 109 Financial Instruments.
- 5) The dividend income is accounted for when the right to receive the payment is established whereas, interest income and other income is accounted on accrual basis.
- 6) In respect of commodities derivative contracts open as on balance sheet date, the net mark to market paid or received is carried forward to the balance sheet as financial assets or financial liabilities. The unrealized gain or loss measured on fair valuation is shown as financial assets or financial liabilities as per IND AS 109 Financial Instruments.
- 7) Sales

The amount recognized as sale is exclusive of sales tax/VAT and are net of returns and excludes freight and other charges and accounted for at time when the invoices are raised.

d) Inventory

Commodities stock held as inventory under current assets are valued at cost or net realizable value, whichever is lower on FIFO basis.

e) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Initial recognition and measurement:

The Company recognizes a financial asset in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset.

Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement:

For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- i. The Company's business model for managing the financial asset and
- ii. The contractual cash flow characteristics of the financial asset.

Based on the above criteria, the Company classifies its financial assets into the following categories:

- i. Financial assets measured at amortized cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)
 - i. Financial assets measured at amortized cost:

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The Company's business model objective for managing the financial asset is to hold financial assets in order to collect contractual cash flows, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under other income in the Statement of Profit and Loss.

The amortized cost of a financial asset is also adjusted for loss allowance, if any.

ii. Financial assets measured at FVTOCI:

A financial asset is measured at FVTOCI if both of the following conditions are met:

- a) The Company's business model objective for managing the financial asset is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets measured at FVTPL:

A financial asset is measured at FVTPL unless it is measured at amortized cost or at FVTOCI as explained above. This is a residual category applied to all other investments of the Company. Such financial assets are subsequently measured at fair value at each reporting date. Fair value changes are recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

In cases where Company has neither transferred nor retained substantially all of the risks and rewards of the financial asset, but retains control of the financial asset, the Company continues to recognize such financial asset to the extent of its continuing involvement in the financial asset. In that case, the Company also recognizes an associated liability. The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On derecognition of a financial asset, (except as mentioned in ii above for financial assets measured at FVTOCI), the difference between the carrying amount and the consideration received is recognized in the Statement of Profit and Loss.

Financial Liabilities

Initial recognition and measurement:

The Company recognizes a financial liability in its Balance Sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognized initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognized as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognized as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement:

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance cost in the Statement of Profit and Loss.

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

f) Fair Value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability
- In absence of principal market, in the most advantageous market for the asset or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

- Level 1 quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3 inputs that are unobservable for the asset or liability

g) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act. 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

h) Provisions and contingencies

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

i) Cash and Cash Equivalents

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

j) Employees Benefits

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-Employment Benefits:

I. Defined Benefit plans:

i. Provident Fund scheme:

The provisions of provident fund laws are not applicable in view of number of employees of the company being less than the prescribed number.

ii. Gratuity scheme:

The Company operates a defined benefit gratuity plan for employees. The Company contributes to Life Insurance Corporation of India (a fund), towards meeting the Gratuity obligation.

Recognition and measurement of Defined Benefit plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary.

Other Long Term Employee Benefits:

As per company's policy, no encashment of leave to any employee is allowed.

k) Lease Accounting

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

In respect of assets taken on operating lease, lease rentals are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term unless

- another systematic basis is more representative of the time pattern in which the benefit is derived from the leased asset; or
- 2) the payments to the lessor are structured to increase in the line with expected general inflation to compensate for the lessor's expected inflationary cost increases

1) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

m) Events after Reporting Date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

n) Recent Accounting Pronouncement

Standards issued but not vet effective

In March 2018, the Ministry of Corporate Affairs notified Ina AS 115, Revenue from Contracts with customers as part of the Companies (Indian Accounting Standards) Amendment Rules, 2018. The new standard is effective for accounting period beginning on or after 1st April 2018,

The Ind AS 115 replaces the existing revenue recognition standard Ind AS 11, Construction Contract and Ind AS 18, Revenue.

The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

1.4 Key accounting estimates and judgments

The preparation of the Company's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Critical accounting estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

a. Income taxes

The Company's tax jurisdiction is India. Significant judgments are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

b. Defined Benefit Obligation

The costs of providing post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

B. Fair Value Measurements

The following table provides the fair value measurement of the company's assets using the level I input method;

	Refer	Fair Value	Fair Value	Fair Value
	Note	as on	as on	as on
		31.03.2018	31.03.2017	01.04.2016

Investments in quoted mutual fund	7	5,149.82	940.00	1660.32
Investment in financial instrument held for trading	11	1208.04	2.45	1599.46
Financial assets on account of open series	11	2615.88	152.68	2395.10

The company is engaged in the business of trading in commodities, shares and securities, for the which lever I valuation technique is useful for fair value measurement. The company does not require the hierarchy of level II and level III valuation technique for measurement of financial assets and liabilities.

C. Financial Risk management-Objectives and policies

The Company's financial liabilities comprise mainly of trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with bank, trade receivables and other receivables.

The Company is exposed to Credit risk and Liquidity risk. The board of directors oversees the management of these financial risks. The company is not exposed to any market risk which comprise of interest rate risk, currency risk and other price risk.

a) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the company does not have any interest bearing borrowings, there is no exposure of risk of changes in market interest rate.

b) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The company is not exposed to changes in any foreign currency as the company operates mainly in India.

NOTES FORMING PART OF THE FINANCIAL STATEMENT

c) Other Price Risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. As the company is into the hedging business of trading in commodities futures and equity futures and options, the other price risk arising from financial assets such as trading in equity instruments and underlying commodities is minimal.

d) Credit Risk

Credit risk refers to risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, other balances with banks, and other receivables.

The company is doing trading in commodities futures and equity futures and options through brokers registered with NSE, BSE, NCDEX and MCX. The settlement of trade receivable is done in a day or two, the credit risk arising from the trade receivable is minimal.

Credit risk arising from investment in mutual funds, derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings assigned by the international credit rating agencies.

e) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents.

D. Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value. As at 31st March, 2018, the Company has only one class of equity shares and has no debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for the re-investment into business based on its long term financial plans.

30. First time adoption of Ind AS

For all periods up to and including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP'). This note explains the principal adjustments made by the Company in restating its financial statements prepared under Previous GAAP for the following-

- a. Balance Sheet as at 1st April, 2016 (Transition date):
- b. Balance Sheet as at 31st March, 2017;
- c. Statement of Profit and Loss for the year ended 31st March, 2017; and

Exemption Availed

Ind AS 101- First-time adoption of Indian Accounting Standards, allows first-time adopters, exemptions from the retrospective application and exemption from application of certain requirements of other Ind AS. The Company has availed the following exemptions as per Ind AS 101:

- 1) The Company has elected to consider the carrying value of all its items of property, plant and equipment recognized in the financial statements prepared under Previous GAAP and use the same as deemed cost in the opening Ind AS Balance Sheet.
- 2) The carrying amounts of the Company's investments in companies under the same management as per the financial statements of the Company prepared under Previous GAAP, are considered as deemed cost for measuring such investments in the opening Ind AS Balance Sheet.

Footnotes

1) Non Current Investments

In the financial statements prepared under Previous GAAP, Non-current Investments of the Company were measured at cost less provision for diminution (other than temporary). Under Ind AS, the company has recognized the unquoted investments in equity shares at cost.

2) Current Investments

In the financial statements prepared under Previous GAAP, Current Investments of the Company were measured at lower of cost or fair value. Under Ind AS, these investments have been classified as FVTPL on the date of transition. The fair value changes are recognised in the Statement of Profit and Loss.

On the date of transition to Ind AS, the difference between the fair value of Current Investments as per Ind AS and their corresponding carrying amount as per financial statements prepared under Previous GAAP,has resulted in an increase in the carrying amount of these investments by ₹16,81,964.80, which has been recognised directly in retained earnings (Equity). The above transition has impacted an increase in equity by ₹16,81,964.80 as at transition date.

3) Deferred tax:

In the financial statements prepared under Previous GAAP, deferred tax was accounted as per the income statement approach which required creation of deferred tax asset/liability on temporary differences between taxable profit and accounting profit. Under Ind AS, deferred tax is accounted as per the Balance Sheet approach which requires creation of deferred tax asset/liability on temporary differences between the carrying amount of an asset/liability in the Balance Sheet and its corresponding tax base.

The application of Ind AS has resulted in recognition of deferred tax on new temporary differences which were not required to be recognised under Previous GAAP. In addition, the above mentioned transitional adjustments relating to current have led to temporary differences and creation of deferred tax thereon.

4) Remeasurement benefit of defined benefits plans

In the financial statements prepared under Previous GAAP, remeasurement benefit of defined plans (gratuity), arising primarily due to change in actuarial assumptions was recognised as employee benefits expense in the Statement of Profit and Loss. Under Ind AS, such remeasurement benefits relating to defined benefit plans is recognised in OCI as per the requirements of Ind AS 19- Employee benefits. Consequently, the related tax effect of the same has also been recognised in OCI.

For the year ended 31st March, 2017, remeasurement of gratuity liability resulted in a net benefit of ₹46,332.61 which has now been removed from employee benefits expense in the Statement of Profit and Loss and recognised separately in OCI. This has resulted in increase in employee benefits expense by ₹46,332.61 and gain in OCI by ₹46,332.61 for the year ended 31st March, 2017. Consequently, tax effect of the same amounting to ₹15,319/- is also recognized separately in OCI.

The above changes do not affect Equity as at date of transition to Ind AS and as at 31st March, 2017. However, Profit before tax and profit for the year ended 31st March, 2017 decreased by ₹ 46,332.61 and ₹31,013.61 respectively.
